Dr. David Martin  
Chancellor  
City College of San Francisco  
50 Frida Kahlo Way Box E200  
San Francisco, CA 94112

Dear Dr. Martin:

In keeping with ACCJC's [\*Policy on Monitoring Institutional Performance and Policy on Commission Actions on Institutions\*](#), ACCJC staff notified City College of San Francisco in a letter dated October 17, 2022, of its placement on enhanced fiscal monitoring for a third year based on an analysis of the college's 2022 annual fiscal report submission. The College was first placed on enhanced monitoring in September 23, 2020. The letter also required City College of San Francisco to provide its plan to address the financial conditions noted therein for the Commission's consideration at its next regularly scheduled meeting.

At its meeting January 11-12, 2023, the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, considered the written information provided by City College of San Francisco on its plan to address its financial conditions. The Commission appreciated your spoken remarks, as well as those of Ms. Kristin Charles, Accreditation Liaison Officer and Ms. Mitra Sapienza, Academic Senate President. Upon consideration of this information, the Commission acted to **defer action**, given that the institution's regularly scheduled comprehensive review process begins in spring 2023. Further, the Commission instructs the comprehensive peer review team to focus attention on the issues pertaining to the fiscal conditions noted through the enhanced fiscal monitoring process to verify sustained compliance with Commission Standards III.A.10, III.D.1, III.D.4, III.D.7, III.D.9, III.D.10, and III.D.12.

The Commission appreciates the constructive steps the institution has taken to address fiscal stability and ensure ongoing viability for the students you serve. ACCJC will continue to monitor the fiscal health of the institution through its annual reporting process, and information gathered through the comprehensive peer review process will assist in determining continued compliance with accreditation standards.

The Commission requires that you disseminate this Action Letter to all campus constituencies and the public by placing copies on the College website within seven business days of your receipt. Please note that in response to public interest in accreditation, the Commission requires

institutions to post current accreditation information on a Web page no more than one click from the institution's home page. In keeping with ACCJC policy, the Commission action will also be posted on the ACCJC website within 30 days of the date of the Commission's action.

If you have any questions about this letter or the Commission's action, please feel free to contact Dr. Mac Powell or the vice president assigned as liaison to your institution.

Sincerely,

Mac Powell, MBA, Ph.D.  
President

Lori Gaskin, Ph.D.  
Chair
