

# Draft Technology Plan 2021 - 2025

---

## OVERVIEW AND NEXT STEPS

*PRESENTATION TO THE CONSTITUENCY GROUPS SEPT – OCT 2021*

*TECHNOLOGY COMMITTEE PLANNING WORKGROUP: MICHELE ALANIZ, CYNTHIA DEWAR, JR HALL, GERARD LAYUG, MONIKA LIU, ELLEN RAYZ, NICK WANG. PAM MERY AND CHERISA YARKIN, FACILITATORS.*

# Technology Plan process

---

- Technology Committee workgroup (classified, faculty, admin; consultation with students)
  - Technology plan purpose and context
  - College-wide technology goals
  
- College-wide priorities identified via assessment process
  - Questionnaire developed by workgroup assisted by Office of Research and Planning (ORP)
  - Participation invited via presentations and email to department chairs, deans, and managers
  - ORP distilled themes to identify college-wide priorities
    - based on respondents' top three technology priorities & opportunities for shared, standardized technology and training
  - Potential projects identified by respondents and from ITS project list
    - organized by college-wide priority

# Technology Plan Structure

---

- Technology Plan Purpose – aligned with CCSF mission
- Technology Guiding Principles – 10 principles to support vision for CCSF Technology
- Technology Requirements – 5 main requirements to meet Accreditation Standard III.C Technology Resources
- Technology Goals & Strategic Directions – *see next slide for EMP connections*
- College-wide Technology Priorities and Programmatic Projects – based on the assessment responses: what, when, funding source

# Technology Plan Connection to EMP

Technology Goals & Strategic Directions	EMP Goals							
	I	II	III	IV	V	VI	VII	VIII
Support instruction and learning	x	x		x				
Enhance information security					x	x		
Create efficient and coherent processes	x		x		x	x		
Support communication, collaboration, and innovation	x	x	x	x	x	x	x	x
Develop sustainable strategies for technology (funding, staffing, and training)					x		x	x

### Education Master Plan (EMP) Goals

- I. Improve Student Experience
- II. Institutionalize Equity
- III. Improve Communication
- IV. Strengthen credit and noncredit programs
- V. Improve operation of the College
- VI. Strengthen community, education, and industry partnerships
- VII. Maintain, improve, and build facilities
- VIII. Expand and encourage opportunities for professional development

# Technology Plan Development Timeline

\* Planning Committee reviews for integration with Education Master Plan (EMP) and other Collegewide Plans.

\*\* Academic Senate and Associated Students identify any college-level A&P/10+1 or student matters and provide recommendations/input accordingly.
