

ADMISSION TO THE COLLEGE

Admissions Policy (Credit Classes)

City College has an open admissions policy for students who live in California and international students. Eligibility to attend is satisfied if you meet at least one of the following requirements:

- You are eighteen (18) years old on or before the first day of instruction for the term which you are applying.
- You are a high school graduate.
- You are the equivalent of a high school graduate, i.e. you have passed GED or a state's high school proficiency examination.

Please note that the above requirements are general; other factors may determine eligibility.

If the College has reason to question the validity of a student's high school diploma, the student will be notified they can continue enrollment but will not qualify for financial aid/Title IV funds.

For more details, contact the Office of Admissions and Records at admit@ccsf.edu or visit the Admissions Virtual Help Counter to speak with an Admissions staff member.

Open Enrollment Policy

It is the policy of the District that, unless specifically exempted by statute or regulation, every course—course section or class—reported for state aid, wherever offered and maintained by the District, shall be fully open to enrollment and participation by any person who has been admitted to the District and who meets such prerequisites and/or corequisites as may be established pursuant to regulations commensurate with Section 58100 of Title 5 of the California Code of Regulations as related to limitations on the receipt of state aid.

Readmission to the College

Students who have previously attended City College but have not registered in classes for two semesters or more, must reapply to the college. The entire enrollment process needs to be completed or waived before the student may register for classes. Please see Steps to Become a CCSF Student in Credit Classes at www.ccsf.edu/apply-ccsf.

Admission as a Special Part Time Student (Concurrently Enrolled in High School)

The Board of Trustees of the San Francisco Community College District authorizes certain High School students under 18 years of age to enroll in one or more college courses.

The California Code of Regulations, Section 76011, requires the recommendation of the high school principal and the consent of the parent or guardian for the student to be considered eligible to attend. For more information regarding admissions deadline dates and enrollment policies, please email hse enroll@ccsf.edu or call (415) 452-5101. Cross-Registration

San Francisco Consortium: City College of San Francisco is a member of the San Francisco Consortium. Through the functions of the Consortium, a variety of educational opportunities are made available to students of the member institutions. For example, currently enrolled, full-time, matriculated students may register for credit in courses offered by San Francisco State University but pay City College fees. Cross-registration is permitted if the course is not currently offered at the home institution, if the course is lower division, if space is available in the course offered by the host institution, and if the student has satisfied course prerequisites and is enrolled in 12 units at the home institution. This cross-registration policy applies only to the regular sessions of the academic year and specifically excludes summer sessions, extension courses, and similar programs. Forms for this program are available at the Office of Admissions and Records, MUB 188.

UC Berkeley Cross Enrollment Program: Students may take a course at UC Berkeley if they have completed English 1A; have completed one semester at City College as a matriculated student; have at least a 2.0 grade point average; have met any prerequisites for the course; and are enrolled in at least 6 units at City College during the semester they wish to take the UC Berkeley course. Students pay City College fees for the course. Applications are available from the Counseling Office in MUB 39.

Student Equity and Achievement Program (SEA)

It is the policy of the college to ensure equal educational opportunity for all students. The Student Equity and Achievement (SEA) Program at CCSF assists students in developing and realizing their educational goals.

Each student completing steps to enrollment is entitled to:

- Equitable Math and English/ESL course placement
- Orientation to College programs and services
- Counseling and advising
- Opportunity to develop a Student Educational Plan with the assistance of a counselor
- Challenge any prerequisite or corequisite based on established criteria
- Review the SEA regulations and exemption criteria approved by the CCSF Board of Trustees

Each student is expected to:

- Declare an educational goal following completion of 15 semester units and participate in the development of a Student Educational Plan
- Attend classes regularly and complete assigned course work

Enrollment Steps Exemption Policy

Students may be exempted from participating in any or all of the enrollment steps (Assessment, Orientation, Counseling) if they meet the exemption criteria below:

- Student has already earned an A.A./A.S. degree or higher (at a U.S. accredited institution only), OR
- Student's educational goals do not include
 - Transfer to a college or university, or
 - Attainment of certificate, degree or basic skills (i.e., math, English, and/or ESL), or
 - Career development, OR
- Student is enrolling only in courses mandated by industry or licensure standards

Please note: Students who are exempt from any enrollment steps will not receive course registration priority.

You may complete the CCCApply Credit Admission Application – Supplemental Questions section to obtain your Enrollment Steps Exemption. Can also submit an Enrollment Steps exemption form.

Steps to Become a CCSF Student in Credit Classes

Students are more likely to succeed in college when they have an accurate assessment of their skills, an idea of their educational goals, and an understanding of the course selection and registration processes. The enrollment steps are designed to inform students about how the “system” works. Therefore, unless exempted, all new students must complete the five-step enrollment process. Students should complete the process as early as possible to receive a priority registration appointment, which will increase chances of enrolling in classes of choice.

STEP ONE — APPLICATION FOR ADMISSION. All new students must file an online application for admission at www.ccsf.edu. or with the Office of Admissions and Records, MUB 188.

NOTE: An additional application may be required for admission into specific programs. Consult the department chair of the program you are interested in.

STEP TWO — ORIENTATION. The online or in-person orientation session will focus on registration activities, interpretation of course placement, and information about programs and services that students need to know upon enrollment. Students may also participate in the online orientation at www.ccsf.edu/onlineorientation.

STEP THREE — ASSESSMENT AND PLACEMENT. All new students who plan to enroll in credit classes are required to complete assessment and placement unless they have been exempted from assessment. The newly enacted Assembly Bills (AB) 705 and 1705: Equitable Placement and Completion require that a community college district or college maximize the probability that a student will enter and complete transfer-level coursework in English and mathematics within a one-year timeframe, and that a student enrolled in English-as-a-second-language (ESL) instruction will enter and complete degree and transfer requirements in English within a timeframe of 3 years.

AB 705 and AB 1705 represent a significant change in the way students are placed using primarily U.S. high school transcript data. Students may be eligible to enroll in transfer-level math or English classes, or transfer-level courses with additional support. We encourage students to talk with a counselor or department advisor about English and Math course selection. Students who feel they need additional language acquisition support may want to take the Credit ESL Placement or talk to the ESL Program Coordinator about the ESL sequence at CCSF.

For further assistance, please visit www.ccsf.edu/Assessment or the Assessment Center in the Multi-Use Building (MUB) 149A.

STEP FOUR — MEETING WITH A COUNSELOR. At the counseling appointment, a student will work with a counselor to develop their education plan and receive more information about completing their educational goals such as certificate, degree, and/or transfer.

STEP FIVE — REGISTRATION. Students are notified of their date and time to register for classes via their CCSF email account and their student portal. Students may register for classes on that date and time and thereafter during the registration period.

Online Assessment Form

All students receive transfer-level English and Math course placement. Students who feel they need additional language acquisition support may want to take the Credit ESL Placement or talk to a counselor about the ESL sequence at CCSF. An alternate way to satisfy the assessment component and demonstrate eligibility for Math and English courses is to complete the Online Assessment Form if you have already taken specific tests (e.g, SAT, ACT, AP) and/or successfully completed courses at other accredited colleges in the U.S. The form is available on the CCSF website at ccsf.edu/collegedata.

CAUTION: The equivalent course (or score) may meet the Math and English Requirement for graduation from City College of San Francisco, but it may not be transferable to a university. It is the student's responsibility to check the policy and requirements of the transfer college/university.

Credit ESL Placement Policies

Students use the ESL Credit Placement tool to determine their reading and writing level and choose the appropriate ESL credit core course. This tool may be used 2 times per semester if needed. If a student wishes to use the placement tool a second time, they need to wait 7 calendar days. To discuss this placement or to get help choosing a speaking/listening level, please see the ESL Credit Coordinator.

The CCSF assessment options are designed to help you determine your ESL skills before you enroll in ESL courses. If you have specific questions, please see contact the ESL Program Coordinator for more information.

Accommodations for Assessment Process

Students with disabilities are encouraged to be seen by a DSPS counselor who will assess the student’s functional limitations and determine reasonable accommodations for the enrollment process such as assessment and orientation. To contact a DSPS counselor, please go to <https://www.ccsf.edu/dsps> for more information.

Free City Program

Free tuition is available for City College students who have established California residency and live in San Francisco. Students apply for Free City by completing the one-page Free City Application, which is included as a screen within the online registration process. Payment Methods and Policies

Payment of fees is due at the time of registration. Non-Payment of fees will result in a HOLD being placed on your account. Non-payment of fees MAY result in classes being dropped during the registration period. This could also result in not receiving college services. Students are liable for all fees for classes not dropped by the refund deadline dates.

Enrollment Fees, Nonresident and International tuition, and all other applicable fees are due and payable at the time of registration. Please note: it is the STUDENT’S responsibility to drop or withdraw from class(es) by the established deadlines published in the online class schedule.

Exemptions from immediate payment of fees are available to accommodate the following groups of students: students receiving financial aid based on BOG and FAFSA eligibility, students who sign up for a tuition payment plan, and self-certified exemptions for military service, among others. Please be advised that students are responsible for self-certified exemptions. If your certified exemption is not processed, students are responsible for all fees assessed and must adhere to the drop deadline dates.

Any classes added to your schedule, after you have paid for your initial registration fees are also subject to be dropped for nonpayment of fees. If you were dropped from your classes for nonpayment and you believe there was an error, please notify the Registration Office immediately at (415) 239-3732 or email register@ccsf.edu.

50% Nonresident Tuition Refund for courses officially dropped during the third and fourth calendar weeks of instruction.

0% Nonresident Tuition Refund for courses officially dropped after the fourth calendar week of instruction.

Please call the Tuition and Fees Office for the nonresident tuition refund policies regarding short-term courses, courses which begin at variable times other than the beginning of the instructional calendar, summer session courses, etc.

The ultimate responsibility for dropping classes in order to receive a nonresident tuition refund rests solely upon the student. Enrollment, Nonresident and International Student Tuition Fee Credit Balances

City College of San Francisco allows all enrollment fees and nonresident and international student tuition balances to be credited to students' accounts, which may be utilized to pay for tuition and/or enrollment fees in subsequent school terms. The student's account will be held for a period of two years. All balances not utilized within the two-year period will be credited to the District.

Residency Requirements California Residence

Under the State of California Education Code, in order to establish residency, a person must pair his or her physical presence in California with the following provisions: 1) objective evidence of physical presence (one year and one day prior to the first day of instruction for the term for which he/she has applied as indicated in the Calendar of Instruction); and 2) intent to make California the home for other than a temporary purpose. There are other factors to be considered for non-resident students holding different visa types. These students are advised to contact the Office of Admissions and Records at (415) 239-3287 for clarification. Evidence of intent could include, but is not limited to, at least two of the following: voting in California elections; paying state income tax; obtaining a California driver's license; registering a motor vehicle; and maintaining continuous residence in California. Act of intent must be accomplished for one year.

City College may determine at the time of admissions or at a later date that such students may not have met the aforementioned residence requirement set forth for all California community colleges. Such students will subsequently be assessed and billed the nonresident tuition fee per unit at the current academic year rate.

Students who have not reached the age of 18 years are regarded as minors; their residence is that of one or both parents. Therefore, a student who is a minor is regarded as a resident of California only if one or both parents couple their physical presence in California (one year and one day prior to the first day of instruction for the term for which the minor has applied as indicated in the Calendar of Instruction) with objective evidence that the physical presence is with the intent to make California the home for other than a temporary purpose.

It is the student's responsibility to clearly demonstrate both physical presence in California and intent to establish California residence.

Special residence regulations are in effect for married minors, for minors whose parents are deceased, for certain military members and their dependents, and for various others.

Continuing nonresident students at City College (with the exception of foreign students), who think that they meet the time and intent requirements necessary to establish California residency must contact the Office of Admission & Records for residency verification and adjustment.

For more information regarding California residency please call (415) 239-3287 or e-mail resident@ccsf.edu.

Residency Adjustments

Students are notified by email of their residency status after they apply to the college however residency adjustments are not automatic. It is the student's responsibility to initiate a residency inquiry and to provide proof of California residency. Please call the Office of Admissions & Records, (415) 239-3287, or e-mail resident@ccsf.edu for the documents accepted as verification.

Students who do not meet the residency requirements will continue to be charged the nonresident tuition as well as the enrollment fee.

Residency Appeals

Students may appeal their residency status as determined by the College through the following procedures:

1. Requests must be addressed, in writing, to the Associate Registrar, within two weeks of receipt of the notification.
2. If further review of residency status is required, a meeting with the Dean of Admissions and Records may be requested within two weeks of the review by the Associate Registrar.
3. Students are required to provide ALL documents required to verify their residency status.

Filing of Students' Addresses

Every student must file his/her local and legal addresses with the Office of Admissions and Records. Students are required to notify the Office of Admissions and Records promptly concerning change of either address. Students may update their address on-line at <http://www.ccsf.edu>. Go to myRAM portal and click on to Personal Information.

Student Classification

Full Time Students – Students registered in 12 or more semester units in the fall or spring semester are full-time students for that semester. A full-time student during the summer session is registered in six or more semester units.

Half/Part Time Students – Students registered in a minimum of six semester units in the fall or spring semester are half/part time students for that semester.

Advanced Standing

Previously completed course work from regionally accredited institutions will be considered for transfer to satisfy City College of San Francisco academic requirements for an associate degree or certificate. One month after enrolling at the College, students may request an evaluation of their Official Transcripts from other institutions to determine which of their courses are transferable. For information on how course work transfers to universities, consult with a counselor.

High School Honors Courses.

City College grants advanced standing and units to students who have completed Advanced Placements Examinations with scores of 3, 4, or 5, certified by the College Entrance Examination Board. A grade of Pass will be recorded for an appropriate college course or courses when verification and petition form is provided to the Office of Admissions and Records.

Enrollment Limitations

Students may enroll in a maximum of eighteen (18) semester units, including physical education courses, each fall and spring semesters. Students may enroll in a maximum of nine (9) semester units, including physical education courses, during the summer session. Upon approval, students may add these units at any time during priority registration and through the Add period.

Students wishing to enroll in more than the maximum units allowable must receive permission from an academic counselor. Approval to take more than eighteen (18) semester units will not be given unless students need such units to be candidates for graduation, or have completed their last full semester of work at the College with a GPA of 3.00 or higher.

NOTE: Enrollment maximums are strictly enforced by our computer systems. Therefore, students who have received permission from their counselor to enroll in over the maximum units authorized by College Policy must process those units in-person at the Registration Center, MUB 130B, or at any Admissions and Enrollment Office at College Center locations.

Time Conflict/Overlapping Courses

Students are not allowed to enroll in two courses that overlap unless all of the following requirements are met:

- The students must provide sound justification other than mere scheduling convenience.
- The instructor and the school dean must review the justification and approve the request to enroll in the overlapping class.
- The students must make up the hours of overlap under the supervision of the instructor of the course.
- The instructor and the student must maintain documentation of the made-up hours.

At the end of the term, the instructor must submit the documentation to the administration. The administration will maintain the documentation according to Board Policies regarding records retention. Time Conflict Approval forms are available online at www.ccsf.edu/credit-approval-forms under the Registration link, at the Registration Center in MUB 130, or at the Admissions & Enrollment offices at the various Centers.

Online Registration

Adding Classes, Changing Sections, Dropping or Withdrawing from Classes

Students must be admitted to the College and have completed the steps to become a CCSF Student prior to registering for a class. A Registration time ticket is assigned to each student. You may begin Online Registration in myRam Portal any time after the appointment date and time. To view your Registration time ticket, access your account in myRam Portal, select "Student Portal," "Student Registration," and then "Registration Dates, Hold Information, Placement Results."

How to Register Online

To protect your confidentiality, it is strongly recommended that each student process their own registration.

All administrative, financial, and academic holds must be cleared before you are allowed to register for classes.

Be prepared. The class that is your first choice may not be open. Select an alternative section of the course before beginning your myRam Portal session.

The registration system does not allow time conflicts, multiple registrations in the same course; enrolling in a course without fulfilling the prerequisites; multiple unauthorized repeats; and exceeding the maximum number of units (18 semester units, Fall and Spring; 9 semester units Summer).

After the student has officially registered in classes, the student may

add a course, change a section, drop, or withdraw from a course within certain dates specified in the Calendar of Instruction. Information regarding these procedures is available online at www.ccsf.edu/add-drop-procedure or from the Registration Center located at MUB 130.

Note: The Registration Center will charge a one-time \$3.00 fee per semester for original myRam Portal online registration. There is no additional charge during Add/Change of Section/Drop/Withdrawal period.

Class Attendance

Students are expected to attend class regularly and punctually. At the first class meeting, the instructor provides the student with a class syllabus, defining the rules of attendance. If you are unable to attend the first class session, contact the instructor directly before the class begins.

A student who is absent from a class for any reason is responsible for the content covered during the absence and for making up any class work that was required.

Excessive tardiness may be considered equivalent to an absence.

If the instructor drops/withdraws the student from a class for excessive absence, the student may request a Drop Reinstatement from the instructor, and may return to class upon the instructor's approval.

A student who stops attending a course and does not drop/withdraw from the class may receive a failing (F) grade from the instructor.

Do not rely on the instructor to drop/withdraw you from class for non-attendance. It is the student's responsibility to drop/withdraw within the deadline dates. Please see the current semester's Calendar of Instruction.

Auditing/Co-Enrollment

Classes may not be audited. Only students who are officially enrolled in a course may attend class.

CCSF City Extension in partnership with the CCSF Credit Department offers course availability for students not eligible for Course Repetition or for those students that do not need course credit for transfer or an associate degree.

- Registration for Co-enrollment starts on the first day of instruction.
- Co-enrollment registration will be processed after the Credit Add/Drop period is over.

Please meet with a counselor to develop an education plan and receive more information about the appropriate program of study. Counseling services for noncredit students are offered on the Ocean Campus and at all Centers.

Please contact the Admissions and Enrollment Office at the location that you wish to attend for more information.
