

2024-25

Tentative Budget

EXECUTIVE SUMMARY

On May 10, 2024, Governor Gavin Newsom released his May Revise budget proposal for the State of California. In that proposal, the revenue forecast estimates a four-year loss of revenue that totals approximately \$165.1 billion, or \$41.3 billion per year, beginning with the 2022-23 fiscal year through 2025-26. Given the magnitude of this revenue shortfall, it is expected that the state budget will make significant reductions to address this imbalance. At this point, the May Revise proposes several one-time measures such as the use of reserves, spending deferrals, fund shifts, and borrowing. New revenue is also proposed along with state program and service reductions. However, until state revenue recovers, a number of the one-time solutions used this year may be unavailable in future years and this could result in community college programs and service reductions; actions that were mitigated this year by using one-time funds from the K-14 Rainy Day Fund.

In preparing our budget for this year, financial staff have considered the possible future impact to our state funding and are presenting a General Fund budget that is balanced, meets our bargaining obligations, and addresses past accreditation findings and concerns. It also allocates funding to improve our outdated facilities and provide students and staff with a positive and innovative learning and work environment. As with any plan however, there are many things that we were unable to include given the limited resources available. We will continue to look for ways to maximize our funding and seek grants and other revenue when available to support and expand current programs and services.

The following information highlights the proposed spending for the San Francisco Community College District (CCSF) for the 2024-25 fiscal year. The Tentative Budget anticipates total revenues of approximately \$304.3 million with projected expenses of \$310.6 million. While expenditures are projected to exceed revenue by \$6.3 million, this is due to Capital Outlay spending, which will be absorbed by the fund balance for this account. Of our total budget, \$212.7 million is attributable to Unrestricted General Fund and local revenue with \$212.7 million in projected expenses. This revenue is made up of State Revenue (\$107.2 million or 50.3%), Local Revenue (\$85.6 million or 40.2%), and Parcel Taxes (\$19.8 million or 9.3%). It is 69.8% of total revenue. The remaining balance of \$91.6 million consists of Restricted General Fund, Child Development, Cafeteria, Capital Outlay, Self-Insurance, Department and Agency, Associated Students, Scholarships, and Financial Aid funds that support 75 categorical programs and services. Of the projected unrestricted general fund and parcel tax expenses, 34% is for Certificated salaries, 21% for Classified salaries, 3% for Administrator salaries, 28% for benefits, 0.5% for Supplies, 8% for Operating expenses, 0.8% for Operational Equipment, and 4% for transfers and other adjustments. Total expenses for these categories are approximately 3% below unaudited expenses for the 2023-24 year.

In summation, this is a balanced fiscal plan based on the information we are aware of today. The plan includes instructional FTEF of 1,020, funding to support program review, maintenance, address prior year audit findings, meet our current contractual obligations, and maintain a cash reserve consistent with board policy and accreditation standards. Most importantly, it provides funding to support instructional and student support services that allow us to meet our enrollment and community needs. Many thanks and appreciation to the students, staff, faculty, administrators, and those who provided input and comments to this document, and to the finance staff for their efforts in compiling the data.

SAN FRANCISCO COMMUNITY COLLEGE DISTRICT TENTATIVE BUDGET 2024-25

FUND TYPES 11, 15, 39 – UNRESTRICTED GENERAL FUND

The unrestricted general fund (Fund 11) is the primary operating fund of the district and is used to account for revenues and expenditures that are available for the general purposes of district operations and not otherwise required by law or regulation to be accounted for in another fund. The unrestricted general fund is utilized to support most educational programs and services throughout the district, including instruction, student services, maintenance and operations, administration, and so forth. In general, unrestricted funds can be used for any legal purpose deemed necessary. The unrestricted general fund includes board-designated monies that represent a commitment of unrestricted resources that are stipulated by the governing board to be used for a specified purpose.

Designated funds (Fund 15) are unrestricted funds that have aligned revenue, such as City Extension and International Student Programs, and are expected to generate a surplus that can be used to supplement the General Fund.

The Parcel Tax (Fund 39) was approved by voters in the November 2012 election by a 73% affirmative vote, as allowed by California Government Code Section 50075. Proposition A was first effective with the 2013-2014 tax year. The first-year tax bills were mailed in September 2013 by the San Francisco Tax Collector. It expires in 2032.

This parcel tax is levied on all parcels within City College's boundaries, which includes all of San Francisco. The parcel tax is currently calculated at a flat rate of \$99 per parcel. The funds generated by this tax will be used to maintain and enhance the quality of education at City College campuses, including core academics, workforce training, university preparation, libraries, and technology.

GENERAL FUND – RESTRICTED (FUND 12)

Fund 12 - Restricted General Fund

The restricted general fund accounts for revenues and expenditures that are used to support educational programs and services whose resources are restricted by law, regulation, grant terms and conditions, categorical funding agencies, or other externally-imposed restrictions. Restricted monies are generally from an external source that requires the funds be used for specific purposes. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in grant agreements and are subject to audit by grantor agencies. Fund 12x is reported to the State as a component of the Total General Fund. Major programs accounted for in various sub-funds of Fund 12 include state categorical programs such as Student Equity & Achievement, SWP (Strong Workforce Program), EOPS (Extended Opportunity Programs and Services), DSPS (Disabled Students Programs and Services), CalWORKS (California Work Opportunities and Responsibility to Kids), Career Technical Education programs, as well as Perkins IV (VTEA/Vocational and Technical Education Act) federal grants, Restricted Lottery (Proposition 20) funds, Nursing Education grants, and Title III and Title V (HSI, STEM) federal grants.

The District's FY 2024-25 Tentative Budget for student services programs have been developed within the existing individual categorical programs based on current allocations (e.g. Advance) from the CCCCO. Final allocations for most student services programs are not finalized until after the Governor signs the state budget and, subsequently, the State Chancellor's Office allocates funds to the districts based on MIS data that is submitted during the first quarter of the fiscal year. As final allocations are communicated from the State Chancellor's Office, program budgets are adjusted, and budget augmentations are brought forward for Board action.

CHILD DEVELOPMENT FUND (FUND 21)

Special Revenue Funds are used to account for the proceeds of specific revenue sources whose expenditures are legally restricted. The special revenues collected are used to pay for the cost of providing services that are not necessarily part of the educational program of the Colleges but enhance their ability to serve students.

Fund 21 – Child Development

The Child Development Fund is the fund designated to account for all revenues and expenditures from the operation of childcare and development services at City College of San Francisco. In addition to fees for child development services, the Child Care Centers receive grant funding as a supplemental source of funding from the State of California.

INTERNAL SERVICES FUND (FUND 61)

Fund 61 is comprised of the following sub-funds whose revenues and expenditures are designated:

Sub-fund 611	Worker's Compensation
Sub-fund 612	Retiree Health Payment Pool
Sub-fund 614	Retiree Health Care Insurance (OPEB)

Sub-Fund 611 - Worker's Compensation

San Francisco Community College District joins City and County of San Francisco to meet our obligations under job-related injuries claims by setting up a self-insurance fund. The fund revenue comes from employer and district contributions and the current contribution rate is 1.5685%. This fund pays the cost of insurance premiums to cover workplace injuries.

Sub-Fund 611 - Workers' Compensation

The Retiree Health Payment Fund is used to account for costs arising from a settlement between the District and the class members defined in that settlement. The future liability exposure of this fund may vary.

Sub-Fund 614 - Retire Health Care Insurance Fund (OPEB)

To meet the obligations for retiree health care coverage, San Francisco CCD established the Retiree Health Care Insurance Fund. The fund revenue comes from employer and employee contributions in each payroll process. The fund is used to pay the health care premium for retirees.

In the Fall of 2020, the College enacted the process to withdraw \$21M from the San Francisco Retiree Health Care Trust. As a participating agency, CCSF followed the disbursement guidelines outlined in the Charter A8.432 Retiree Health Care Trust Fund Section D. Under Section A8.432(d)(4) For Participating Employers other than the City and County of San Francisco, the Board may not make any disbursements from a Participating Employer's sub-trust until the Participating Employer's governing body, after consultation with the Participating Employer's GASB Actuary, has recommended to the Board by a two-thirds vote, and the Board has approved disbursement limitations that effectively balance the Participating Employer's goal of attaining and maintaining a Fully-Funded trust against the Participating Employer's overall financial obligations.

On October 8, 2020, the CCSF Board of Trustees, by two-thirds vote, and additionally, as reflected in the September 25, 2020, letter to the Deputy Vice Chancellor from the District's actuary, approved an OPEB trust funding plan that called for resuming making employer contributions in the amount of 1% of payroll in 2021-22 each year thereafter until the CCSF sub-trust is fully funded and recommended this plan to the San Francisco Retiree Health Care Trust Fund Board. On November 16, 2020, the San Francisco Retiree Health Care Trust Fund Board approved CCSF's funding plan as part of authorizing the \$21M disbursement to the college.

FINANCIAL AID PROJECTS FUND (FUND 71)

Fund 71 – Financial Aid

Fund 71 is used to account for the receipt and disbursement of monies received from federal and state agencies in support of the Federal/State Financial Aid Programs. The major federally funded programs include Pell Grants, SEOG (Supplemental Educational Opportunity Grants), and Direct Loans. The major state-funded programs include EOPS (Educational Opportunity Programs and Services) grants, CARE (Cooperative Agencies Resources for Education) grants, Full Time Student Success Grants, and Cal Grants. Each College administers the program and serves their respective students. The District serves as a fiscal agent for the federal government and makes payments to the students on its behalf.

SUBJECT: Tentative Budget 2024-25

BACKGROUND:

The California Code of Regulations requires the governing board of each community college district to approve and pass a Tentative Budget on or before June 30th of each year. The Tentative Budget for 2024-25 presents our anticipated expenses, cost increases, state and local revenue.

Tentative Budget for 2024-25

The 2024-25 Tentative Budget is based on General Fund Unrestricted, General Fund Restricted, and other projected revenue and resources totaling \$307,692,127. This amount represents the sum of our state apportionment, local revenue, transfers, and fees.

The recommended 2024-25 Tentative Budget is proposed by the Chancellor and submitted to the Board of Trustees for approval.

Part 1: Approval of the Tentative Budget

Section 1 In accordance with Title 5, California Code of Regulations, Section 58196 the Board of Trustees of the San Francisco Community College District hereby approves the Tentative Budget for 2024-25, hereafter termed the Tentative Budget of the San Francisco Community College District, as detailed on Community College District forms and summarized by fund, purpose, and amount as follows:

Section 2 Any action taken by the Board of Trustees at its meeting June 27, 2024, shall be incorporated in the 2024-25 Tentative Budget and a copy of the 2024-25 Tentative Budget with modifications shall be placed in the official files of the Board of Trustees.

Section 3 The estimated receipts, income and other revenue enumerated in the Tentative Budget are hereby appropriated to the funds and departments indicated in the Tentative Budget for the purpose of meeting expenditure appropriations provided in the Tentative Budget. Each department for which an expenditure appropriation is made is hereby authorized to use, in the manner provided by law, the amounts so appropriated for the purpose specified in the Tentative Budget.

Section 4 The Chancellor and Vice Chancellor of Finance and Administration are also authorized to execute all necessary budgetary documents, including current and subsequent budget transfers as required to maintain depository accounts with the San Francisco Controller and Treasurer, provided they are within the purposes and amounts of the budgets adopted on Community College District forms. Section 5 The Chancellor and Vice Chancellor of Finance and Administration are hereby authorized to withhold filing the documents described in Section 4 above until such time as they are legally required to be filed with the local and state agencies.

Section 6 The Chancellor and Vice Chancellor of Finance and Administration are hereby authorized and obligated to the Administrative Provisions as contained in the attachment to this resolution entitled, Administrative Provisions, 2024-25.

Part 2: General Fund Restricted

Section 1 The General Fund - Restricted portion of the San Francisco Community College District Tentative Budget contains appropriation of categorical funds from various granting agencies, thru RFP's, Apportionment, Allocations, Subcontracts, Sub- Recipient Agreements, Fee Based Programs, Property rentals and overhead. Such appropriation shall be increased or decreased in accordance with the amount made available during the year 2024-25 by cash receipts or allocations from the State of California or by amounts carried over from the prior fiscal year.

Throughout the year, General Fund - Restricted Awards, Allocations, Sub-contract, Subrecipients Agreements accepted by the District are communicated to the Board of Trustees monthly and appropriated to the Annual Budget. Such receipts are hereby appropriated in accordance with law for the purpose and subject to the conditions under which each receipt was received. Within each categorical program, transfers from unallocated amounts, transfers between accounts, and transfers between major classes are authorized to be made by the Chancellor and Vice Chancellor of Finance and Administration to the extent permitted by the laws and regulations of the State of California.

Part 3: Child Development Fund

Section 1 The Child Development Fund portion of the San Francisco Community College District Tentative Budget contains appropriations of categorical funds from California Department of Education thru RFP's, Subcontracts, Sub- Recipient Agreements, or gifts from various donors. Such appropriations shall be increased or decreased in accordance with the amount made available during fiscal year 2024-25 by cash receipts or allocations from the State of California.

Within each categorical program, transfers from unallocated amounts, transfers between accounts, and transfers between major classes are authorized to be made by the Chancellor and Vice Chancellor of Finance and Administration to the extent permitted by the laws and regulations of the State of California.

Administrative Provisions 2024-25

Section 1 Because total appropriations contained in the Tentative Budget are based on estimated revenues which may not be fully realized, it shall be incumbent upon the Chancellor and Vice Chancellor of Finance and Administration to review revenue estimates each month. If such revenue estimates indicate a shortage, the Chancellor and Vice Chancellor of Finance and Administration are authorized to freeze an equivalent amount of expenditure appropriations and report this action to the Board of Trustees. These frozen appropriations may only be released if subsequent estimates indicate that the collection of the amount originally estimated is assured.

Section 2 The Chancellor and Vice Chancellor of Finance and Administration are hereby authorized to make any transfer necessary to correct technical errors. In contrast, transfers from the unallocated appropriations to any expenditure classification shall be made only by formal resolution approved by a two-thirds vote of the members of the Governing Board as provided for in Title 5, California Code of Regulations, Section 58199. Transfers between subordinate accounts within a single major classification may be made by the Chancellor and Vice Chancellor of Finance and Administration.

Section 3 The Chancellor and Vice Chancellor of Finance and Administration are hereby authorized; first, to expend from the available funds budgeted for any approved position; second, to transfer subject to the provisions of Title 5, California Code of Regulations, Section 58199 and expend from the available funds budgeted for personal services; and third, to transfer subject to the provisions of Title 5, California Code of Education, Section 58199 and expend from any other available budgeted funds for lump sum payments to classified employees upon death or retirement for service or separation caused by industrial accident for accumulated sick leave benefits in accordance with Civil Service Commission Rules 22, Section 22.02.B9. provided however, that the position held by an employee who is entitled to such lump sum payment will not be filled with either a permanent or temporary replacement until such lump sum payment has been recovered from funds budgeted for personal services, and further provided that in the event that said position must be filled immediately it may be so filled on the authorization of the Chancellor or the Vice Chancellor of Finance and Administration.

Section 4 That the San Francisco Community College District is hereby authorized and directed to continue the existing special and trust funds, reserves; and the receipts in each such fund are hereby appropriated in accordance with law and the conditions under which such fund was established. The Chancellor and the Vice Chancellor of Finance and Administration are hereby authorized and directed to set up additional special and trust funds and reserves as may be created by either additional requests or under other conditions and the receipts in each fund are hereby appropriated in accordance with law for the purposes and subject to the conditions under which each fund was established.

Section 5 That whenever the San Francisco Community College District shall receive for a special purpose from the United States of America, the State of California, or from any public or semi-public agency, or from any private person, firm or corporation any money or property to be converted into money, there shall be set up in the accounting records of the San Francisco Community College District, a special fund or account evidencing the amount received and specifying the special purposes for which it has been received and for which it is held. Such an

account or fund shall be maintained as long as any portion of said money or property remains. Such receipts are hereby appropriated in accordance with law for the purpose and subject to the conditions under which each receipt was received.

Section 6 Permanent certificated and classified positions continued or created by the Board of Trustees Tentative Budget, may be increased, decreased, or reclassified only by approval of the Chancellor and Vice Chancellor of Finance and Administration. Funds provided with approval of the Chancellor and Vice Chancellor of Finance and Administration may be used to provide temporary employment when it becomes necessary to replace a permanent occupant of a position while on extended leave without pay, or for the temporary filling of a vacancy for a permanent classified position. Funds provided in the Tentative Budget for permanent certificated positions may be with the approval of the Chancellor and Vice Chancellor and Vice Chancellor and Administration transferred to other certificated positions.

Section 7 Money received as payment for damage to San Francisco Community College District property is hereby appropriated to pay the cost of repairing such equipment or property. Any excess funds, and any amount received for damaged equipment which is not to be repaired shall be credited to Miscellaneous Revenues of the General Fund; provided that where the property is damaged during construction and such construction is funded from the Capital Outlay Projects Fund, the excess funds shall be credited to the specific construction project in the Capital Outlay Projects Fund.

RECOMMENDATION:

RESOLVED: Any and all changes from the Tentative Budget adopted by the Board of Trustees at its meeting June 27, 2024, have been incorporated into this final Tentative Budget.

FURTHER BE IT RESOLVED: That the Chancellor and Vice Chancellor of Finance and Administration are hereby authorized to execute any and all documents on behalf of the District to effectuate this resolution and implementation of the 2024-25 Tentative Budget.
