OUR VISION & MISSION STATEMENT

OUR VISION

CCSF shall provide a sustainable and accessible environment where we support and encourage student possibilities by building on the vibrancy of San Francisco and where we are guided by the principles of inclusiveness, integrity, innovation, creativity, and quality.

Empowered through resources, collegiality, and public support, the college will provide diverse communities with excellent educational opportunities and services. We will inspire participatory global citizenship grounded in critical thinking and an engaged, forward thinking student body.

MISSION STATEMENT

Consistent with our Vision, City College of San Francisco provides educational programs and services that promote student achievement and life-long learning to meet the needs of our diverse community.

Our primary mission is to provide programs and services leading to:

- Transfer to baccalaureate institutions;
- Associate Degrees in Arts and Sciences;
- Certificates and career skills needed for success in the workplace; and,
- Basic Skills, including learning English as a Second Language and Transitional Studies.

In the pursuit of individual educational goals, students will improve their critical thinking, information competency, communication skills, ethical reasoning, and cultural, social, environmental, and personal awareness and responsibility.

In addition, the college offers other programs and services consistent with our primary mission as resources allow and whenever possible in collaboration with collaborating agencies and community-based organizations.

City College of San Francisco belongs to the community and continually strives to provide an accessible, affordable, and high-quality education to all its students. The college is committed to providing an array of academic and student development services that support students' success in attaining their academic, cultural, and civic achievements. To enhance student success and close equity achievement gaps, the college identifies and regularly assesses student-learning outcomes to improve institutional effectiveness. As a part of its commitment to serve as a sustainable community resource, our CCSF mission statement drives institutional planning, decision making and resource allocation.

ABOUT THE DISTRICT

With six active locations woven throughout our city, CCSF is a multicultural, accessible, and affordable provider of higher education of the highest quality. With an unparalleled selection of classes and accomplished faculty, City College offers over 300 degrees and certificates, transferable credits, online courses, and career advancement and personal development classes.

In addition to the Ocean Campus, City College has five centers throughout the San Francisco, each with its very own distinct identity, offering an authentic sense of the surrounding area, culture, and people. We also have City Online which allows a student to take courses from anywhere throughout California.

SUMMARY OF FY25 STATE BUDGET

On June 13, 2024, Governor Gavin Newsom released his enacted budget proposal for the State of California. The newly enacted budget would spend nearly \$212 billion General Fund in 2024-25, a decline of about \$12 billion from the prior year. Despite the deficit, the budget would still spend \$16 billion General Fund more than the level seen just two years ago in 2022-23. The three future years included in the forecast would continue that long-term growth trend in spending, which would exceed revenues throughout that timeframe and likely longer. The budget is precariously balanced through 2025-26, but only on paper while using the Governor's more optimistic tax revenue assumptions and ignoring billions in spending that is likely to occur. The enacted spending path is on pace to create operating deficits of \$14 billion in 2026-27 and \$18 billion in 2027-28, even without a decline in revenue or further increase in spending.

The deficit solutions in the enacted budget total nearly \$47 billion according to the Governor's estimate and are solved as follows:

- Reductions—\$16.0 billion. The Budget reduces funding for various items.
- Revenue/Internal Borrowing—\$13.6 billion. The Budget includes additional revenue sources and borrows internally from special funds.
- Reserves—\$6.0 billion. The Budget withdraws \$12.2 billion from the BSA over the next two fiscal years—\$5.1 billion in 2024-25 and \$7.1 billion in 2025-26—and \$900 million from the Safety Net Reserve in 2024-25.
- Fund Shifts—\$6.0 billion. The Budget shifts certain expenditures from the General Fund to other funds.
- Delays and Pauses—\$3.1 billion. The Budget minimizes the use of delays to avoid both increased future obligations and potential shortfalls.
- Deferrals—\$2.1 billion. The Budget defers certain payments to later years.

The state budget, however, maintains core programs serving millions of California's most vulnerable populations and includes continued investments in vital programs.

Specific to the community colleges:

Base Adjustments

- Apportionments Cost-of-Living Adjustment and Growth—An increase of approximately \$100.2 million ongoing Proposition 98 General Fund to reflect a cost-of-living adjustment for apportionments of 1.07-percent, and an increase of approximately \$28.1 million ongoing Proposition 98 General Fund to support 0.5-percent enrollment growth.
- Budget Year Student-Centered Funding Formula (SCFF) Apportionments Costs—An increase of approximately \$22.1 million one-time Proposition 98 General Fund to support SCFF costs in 2024-25.
- Current Year SCFF Apportionments Costs—An increase of approximately \$545.8 million one-time Public School System Stabilization Account to support SCFF costs for 2023-24.

- SCFF Deferrals—The Budget reflects SCFF apportionment deferrals from 2023-24 to 2024-25 of approximately \$446.4 million and from 2024-25 to 2025-26 of approximately \$243.7 million. Additionally, the Budget reflects approximately \$241.8 million in categorical program deferrals from 2022-23 to 2023-24, with the deferred amounts being repaid using Public School System Stabilization Account resources; \$217.7 million of the repayment will support the SCFF in 2023-24.
- CCC Categorical Program COLA—An increase of \$13.1 million ongoing Proposition 98 General Fund to provide a 1.07-percent COLA for select categorical programs and the Adult Education Program.
- Apprenticeships—A one-time increase of approximately \$1.1 million Proposition 98 General Fund to support prior years' apprenticeships program costs.
- Local Property Tax Adjustment—A decrease of \$256.7 million ongoing Proposition 98 General Fund as a result of increased offsetting local property tax revenues.
- Higher Education Student Housing—Establishes a statewide lease revenue bond program to support the construction of 13 community college affordable student housing facilities.

One-time and Limited-Term Investments

- Nursing Program Support—\$60 million one-time Proposition 98 General Fund per year for five years to support the CCC Strong Workforce Program to expand nursing programs and Bachelor of Science in Nursing partnerships to develop, educate, and maintain the next generation of registered nurses through the community college system.
- Support for Financial Aid Offices—\$20 million one-time Proposition 98 General Fund to support campus financial aid offices.
- E-Transcript California—\$12 million one-time Proposition 98 General Fund to support the continued development of e-Transcript California and to provide grants to districts to support local costs related to one-time connectivity, setup, and integration of the e-Transcript platform.
- Mapping Articulated Pathways for Credit for Prior Learning—\$6 million one-time Proposition 98 General Fund to support a demonstration project that will embed credit for prior learning policies into educational pathways that provide support for working adults seeking to improve their economic mobility through community college educational programs.
- Pathways for Low-Income Workers for Demonstration Project—\$5 million one-time Proposition 98 General Fund provided to support the CCC Strong Workforce Program shall be used for a demonstration project that would support the development of educational pathways for low-income working learners.

PRINCIPLES OF SOUND FISCAL MANAGEMENT

(California Code of Regulations, Title 5, Section 58311)

In any organization certain principles, when present and followed, promote an environment for growth, productivity, self-actualization, and progress. The following principles shall serve as the foundation for sound fiscal management in community college districts:

1. Each district shall be responsible for the ongoing fiscal stability of the district through the responsible stewardship of available resources.
2. Each district will adequately safeguard and manage district assets to ensure the ongoing effective operations of the district. Management will maintain adequate cash reserves, implement and maintain effective internal controls, determine sources of revenues prior to making short-term and long-term commitments, and establish a plan for the repair and replacement of equipment and facilities.
3. District personnel practices will be consistent with legal requirements, make the most effective use of available human resources, and ensure that staffing costs do not exceed estimates of available financial resources.
4. Each district will adopt policies to ensure that all auxiliary activities that have a fiscal impact on the district comport with the educational objectives of the institution and comply with sound accounting and budgeting principles, public disclosures, and annual independent audit requirements.
5. Each district's organizational structure will incorporate a clear delineation of fiscal responsibilities and establish staff accountability.
6. Appropriate district administrators will keep the governing board current on the fiscal condition of the district as an integral part of the policy- and decision-making processes.
7. Each district will effectively develop and communicate fiscal policies, objectives, procedures, and constraints to the governing board, staff, and students.
8. Each district will have an adequate management information system that provides timely, accurate, and reliable fiscal information to appropriate staff for planning, decisionmaking, and budgetary control.
9. Each district will adhere to appropriate fiscal policies and procedures and have adequate controls to ensure that established fiscal objectives are met.
10. District management will have a process to evaluate significant changes in the fiscal environment and make necessary, timely, financial and educational adjustments.
11. District financial planning will include both short-term and long-term goals and objectives, and broad-based input, and will be coordinated with district educational planning.
12. Each district's capital outlay budget will be consistent with its five-year plan and reflect regional planning and needs assessments.

To the extent that the foregoing principles repeat or paraphrase mandates already in existence, these underlying mandates shall continue to be legally binding. Otherwise, these principles, by themselves, shall be applied to the extent that existing state and district funding is available.

BUDGET PRINCIPLES AND ASSUMPTIONS

The 2024-25 Adopted Budget allocates our projected resources to achieve our college's vision, mission, and strategic goals and objectives, to meet staffing needs to deliver robust services and instructional scheduling that meet true student need and remove systemic barriers that depress student demand, and to meet our contractual obligations.

The following guiding principles help serve as a guide in the development of this budget. This budget was developed through a process that involved input from the Board of Trustees, the Chancellor, Executive Cabinet, and governance groups made up of our staff and students before receiving final approval by the Board of Trustees.

Guiding Principles

To ensure that our resources are optimized and distributed in a manner that is reflective of a public institution that prioritizes practices of serving the community, the budget was developed to:

- Allocate resources to implement policies established by the Board of Trustees.
- Allocate resources to support goals and objectives established by the Board and the Chancellor.
- Allocate resources to provide staffing and services to meet student and community needs.
- Provide resources to retain and attract qualified and effective employees.
- Provide resources for the continued improvement of student success and learning outcomes.
- Provide resources to support high quality instructional programs and services to students.
- Increase and/or maintain sufficient levels of institutional effectiveness while becoming more efficient and cost effective.
- Work to maintain technological currency and efficiency by updating and replacing equipment.
- Provide resources to address the total cost of ownership and to maintain buildings and grounds.
- Manage reserves and liabilities prudently and responsibly.

General Assumptions

- The 2024-25 Budget will be balanced.
- The district will maintain a 5 to 9% General Fund cash reserve consistent with Board Policy.
- The district will work to improve its financial future through enrollment growth by undertaking vibrant recruitment and retention efforts and by offering sufficient courses to attract and serve more students.

Revenue Assumptions

- 1.07% Cost of Living adjustment.
- 3.51% Deficit Factor.
- \$14 million in Sales Tax Revenue.
- \$19.8 million in Parcel Tax Revenue.

Expenditure Assumptions

- Salary increase of 3% for Faculty and Administrators.
- Salary increase of 2% for Classified.
- One-time costs for district elections (\$800k).

STUDENT CENTER FUNDING FORMULA (SCFF)

The Student Centered Funding Formula determines how community colleges are funded, at least in part, in how well their students are faring. Through the formula, California’s community colleges receive state money by basing general apportionments – discretionary funds available to community college districts – on three calculations:

- A base allocation, which largely reflects enrollment.
- A supplemental allocation based on the numbers of students receiving a College Promise Grant, students receiving a Pell Grant and students covered by AB 540.
- A student success allocation based on outcomes that include:
 - the number of students earning associate degrees and credit certificates,
 - the number of students transferring to four-year colleges and universities,
 - the number of students who complete transfer-level math and English within their first year,
 - the number of students who complete nine or more career education units, and
 - the number of student who have attained the regional living wage.

The Student Centered Funding Formula’s metrics are in line with the goals and commitment set forth in the California Community Colleges’ [Vision 2030](#).

HOLD HARMLESS

Districts receive no less than their 2017-18 Total Computation Revenue (TCR) plus applicable cumulative annual cost of living adjustments through 2024-25. The 2022 Budget Act extends the Hold Harmless protection in a modified form. Starting in 2025-26, the Hold Harmless provision will no longer reflect cumulative COLAs over time. City College of San Francisco and Compton College have hold harmless for one more year than most Districts (through FY25-26). A district’s 2024-25 TCR will represent its new “funding Floor” below which it cannot drop.

DESCRIPTION OF FUNDS

Unrestricted General Fund (Fund 11)

The unrestricted general fund (Fund 11) is the primary operating fund of the district and is used to account for revenues and expenditures that are available for the general purposes of district operations and not otherwise required by law or regulation to be accounted for in another fund. The unrestricted general fund is utilized to support most educational programs and services throughout the district, including instruction, student services, maintenance and operations, administration, and so forth. In general, unrestricted funds can be used for any legal purpose deemed necessary. The unrestricted general fund includes board-designated monies that represent a commitment of unrestricted resources that are stipulated by the governing board to be used for a specified purpose.

Designated Funds (Fund 15)

Designated funds (Fund 15) are unrestricted funds that have aligned revenue, such as City Extension and International Student Programs, and are expected to generate a surplus that can be used to supplement the General Fund.

Parcel Tax (Fund 39)

The Parcel Tax (Fund 39) was approved by voters in the November 2012 election by a 73% affirmative vote, as allowed by California Government Code Section 50075. Proposition A was first effective with the 2013-2014 tax year. The first-year tax bills were mailed in September 2013 by the San Francisco Tax Collector. It expires in 2032.

This parcel tax is levied on all parcels within City College's boundaries, which includes all of San Francisco. The parcel tax is currently calculated at a flat rate of \$99 per parcel. The funds generated by this tax will be used to maintain and enhance the quality of education at City College campuses, including core academics, workforce training, university preparation, libraries, and technology.

Restricted General Fund (Fund 12)

The restricted general fund accounts for revenues and expenditures that are used to support educational programs and services whose resources are restricted by law, regulation, grant terms and conditions, categorical funding agencies, or other externally-imposed restrictions. Restricted monies are generally from an external source that requires the funds be used for specific purposes. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in grant agreements and are subject to audit by grantor agencies. Fund 12x is reported to the State as a component of the Total General Fund. Major programs accounted for in various sub-funds of Fund 12 include state categorical programs such as Student Equity & Achievement, SWP (Strong Workforce Program), EOPS (Extended Opportunity Programs and Services), DSPS (Disabled Students Programs and Services), CalWORKS (California Work Opportunities and Responsibility to Kids), Career Technical Education programs, as well as Perkins IV (VTEA/Vocational and Technical Education Act) federal grants, Restricted Lottery (Proposition 20) funds, Nursing Education grants, and Title III and Title V (HSI, STEM) federal grants.

Description of Funds (con't)

The District's FY 2024-25 Annual Budget for student services programs have been developed within the existing individual categorical programs based on current allocations (e.g. Advance) from the CCCCCO. Final allocations for most student services programs are not finalized until after the Governor signs the state budget and, subsequently, the State Chancellor's Office allocates funds to the districts based on MIS data that is submitted during the first quarter of the fiscal year. As final allocations are communicated from the State Chancellor's Office, program budgets are adjusted, and budget augmentations are brought forward for Board action.

Fund 22 – Cafeteria Fund

Fund 22 accounts for all revenues and expenditures related to the operation of contracted vendors that are utilized by the District to provide hot and cold food. The District will continue to consider alternative food service options, while maintaining at least breakeven financial status for this fund.

Fund 21 – Child Development

The Child Development Fund is the fund designated to account for all revenues and expenditures from the operation of childcare and development services at City College of San Francisco. In addition to fees for child development services, the Child Care Centers receive grant funding as a supplemental source of funding from the State of California.

Special Revenue Funds are used to account for the proceeds of specific revenue sources whose expenditures are legally restricted. The special revenues collected are used to pay for the cost of providing services that are not necessarily part of the educational program of the Colleges but enhance their ability to serve students.

Fund 41 – Capital Projects

Fund 41 accounts for the financial resources used in the acquisition and/or construction of major capital outlay projects. Project elements may include site improvements including parking lots, walkways and monument signs, building renovations, new construction, scheduled maintenance projects, hazardous substance abatement projects, and fixed assets, and may be funded from a combination of state capital outlay funds, local funds, redevelopment agency funds, nonresident student capital outlay surcharges, and General Obligation (GO) bonds.

Fund 40 - Capital Projects

Fund 40 is comprised of the following sub-funds whose revenues and expenditures are either restricted or designated, as indicated below:

Sub-fund 41	Capital Outlay Projects (restricted)
Sub-fund 42	Revenue Bond Construction (restricted)
Sub-fund 43	2001 Proposition A Bond (restricted)
Sub-fund 44	2005 Proposition A Bond (restricted)
Sub-fund 45	2020 Proposition A Bond (restricted)

Internal Services Fund (Fund 61)

Fund 61 is comprised of the following sub-funds whose revenues and expenditures are designated:

Sub-fund 611	Worker's Compensation
Sub-fund 612	Retiree Health Payment Pool
Sub-fund 614	Retiree Health Care

Insurance (OPEB) Sub-Fund 611 – Worker's Compensation

San Francisco Community College District joins City and County of San Francisco to meet our obligations under job-related injuries claims by setting up a self-insurance fund. The fund revenue comes from employer and district contributions and the current contribution rate is 1.5685%. This fund pays the cost of insurance premiums to cover workplace injuries.

Sub-Fund 611 - Workers' Compensation

The Retiree Health Payment Fund is used to account for costs arising from a settlement between the District and the class members defined in that settlement. The future liability exposure of this fund may vary.

Sub-Fund 614 - Retiree Health Care Insurance Fund (OPEB)

To meet the obligations for retiree health care coverage, San Francisco CCD established the Retiree Health Care Insurance Fund. The fund revenue comes from employer and employee contributions in each payroll process. The fund is used to pay the health care premium for retirees.

In the Fall of 2020, the College enacted the process to withdraw \$21M from the San Francisco Retiree Health Care Trust. As a participating agency, CCSF followed the disbursement guidelines outlined in the Charter A8.432 Retiree Health Care Trust Fund Section D. Under Section A8.432(d)(4) For Participating Employers other than the City and County of San Francisco, the Board may not make any disbursements from a Participating Employer's sub-trust until the Participating Employer's governing body, after consultation with the Participating Employer's GASB Actuary, has recommended to the Board by a two-thirds vote, and the Board has approved disbursement limitations that effectively balance the Participating Employer's goal of attaining and maintaining a Fully-Funded trust against the Participating Employer's overall financial obligations.

On October 8, 2020, the CCSF Board of Trustees, by two-thirds vote, and additionally, as reflected in the September 25, 2020, letter to the Deputy Vice Chancellor from the District's actuary, approved an OPEB trust funding plan that called for resuming making employer contributions in the amount of 1% of payroll in 2021-22 each year thereafter until the CCSF sub-trust is fully funded and recommended this plan to the San Francisco Retiree Health Care Trust Fund Board. On November 16, 2020, the San Francisco Retiree Health Care Trust Fund Board approved CCSF's funding plan as part of authorizing the \$21M disbursement to the college.

Fund 71 – Financial Aid

Fund 71 is used to account for the receipt and disbursement of monies received from federal and state agencies in support of the Federal/State Financial Aid Programs. The major federally funded programs include Pell Grants, SEOG (Supplemental Educational Opportunity Grants), and Direct Loans. The major state-funded programs include EOPS (Educational Opportunity Programs and Services) grants, CARE

(Cooperative Agencies Resources for Education) grants, Full Time Student Success Grants, and Cal Grants. Each College administers the program and serves their respective students. The District serves as a fiscal agent for the federal government and makes payments to the students on its behalf.
