OUR VISION

CCSF shall provide a sustainable and accessible environment where we support and encourage student possibilities by building on the vibrancy of San Francisco and where we are guided by the principles of inclusiveness, integrity, innovation, creativity, and quality. Empowered through resources, collegiality, and public support, the college will provide diverse communities with excellent educational opportunities and services. We will inspire participatory global citizenship grounded in critical thinking and an engaged, forward thinking student body.

MISSION STATEMENT

Consistent with our Vision, City College of San Francisco provides educational programs and services that promote student achievement and life-long learning to meet the needs of our diverse community.

Our primary mission is to provide programs and services leading to

- Transfer to baccalaureate institutions;
- Associate Degrees in Arts and Sciences;
- Certificates and career skills needed for success in the workplace;
- Basic Skills, including learning English as a Second Language and Transitional Studies.

In the pursuit of individual educational goals, students will improve their critical thinking, information competency, communication skills, ethical reasoning, and cultural, social, environmental, and personal awareness and responsibility.

In addition, the college offers other programs and services consistent with our primary mission as resources allow and whenever possible in collaboration with partnering agencies and community-based organizations.

City College of San Francisco belongs to the community and continually strives to provide an accessible, affordable, and high quality education to all its students. The College is committed to providing an array of academic and student development services that support students' success in attaining their academic, cultural, and civic achievements. To enhance student success and close equity achievement gaps, the college identifies and regularly assesses student learning outcomes to improve institutional effectiveness. As a part of its commitment to serve as a sustainable community resource, our CCSF mission statement drives institutional planning, decision making and resource allocation.

A STUDENT'S RIGHT TO PRIVACY

Occasionally, City College of San Francisco receives requests from various entities or private persons seeking directory information on our students. These entities can be public, private or governmental in origin, e.g., private scholarship search companies, public and private colleges and universities, U.S. Military (Department of Defense) and others.

"Directory Information" is defined as information contained in an educational record of a student which would not generally be considered harmful or an invasion of privacy if disclosed. It includes, but is not limited to, the student's name, address, telephone listing, date and any place of birth, level of education, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended.

Directory information may be released at the discretion of the college; however, under Federal and State law, a student has the right to ask that City College of San Francisco withhold directory information about him/her. Once the request is made, directory information will be withheld from all entities. The college assumes no liability for honoring a student's request that such information be withheld.

Students who believe that directory information (that includes

courses of study such as Lesbian, Gay Bisexual, and Transgender and Studies, Ethnic Studies, etc.) may identify their race, ethnicity, sexual orientation or otherwise subject them to discriminatory treatment, should be aware they have the option of not having any confidential information released to any group, agency or organization.

A request by a student to withhold directory information must be directed to the Dean of Admissions and Records in writing. This formal request must be made within the first two (2) weeks of the beginning of the academic year. Students who enroll other than in the beginning of the academic year (fall semester) must submit their request within the first two (2) weeks of the onset of his/her enrollment. This request must be signed and dated by the student. Students may also come to the Office of Admissions and Records and complete a "Request to Withhold Directory Information Form."

For further information, please contact Admissions and Records, Multi-Use Building 188, telephone (415) 239-3285.

CAMPUS SECURITY ACT OF 1990 (CLERY ACT)

Information regarding CCSF's Public Safety Data "Student/Employee Right to Know and Campus Security Act of 1990" is available online at <https://www.ccsf.edu/campus-police>. Limited printed copies are available at all District campuses.

EDUCATIONAL CODE SECTION 66500 COMPLIANCE

Compliance with Education Code Section 66500, information regarding the obligation of male students to comply with the federal Military Selective Service Act, please fill out FAFSA Application #22. Selective Services registration card is available in the Office of Financial Aid at the Ocean Campus. Selective Services registration can also be done online at <http://www.sss.gov>.

STUDENT RIGHT-TO-KNOW

In accordance with federal law, City College of San Francisco is required to publish annually its "Student Right-To-Know" (SRTK) transfer preparation/graduation/completion and other transfer rates. These rates are determined by the California Community College Chancellor's Office and are based on a limited cohort of students. The rates are derived by tracking a Fall cohort of students over three years and dividing the number of students who successfully become transfer prepared/graduate/complete or actually transfer by the number in the initial cohort. This information is updated annually and is available online at <http://srtk.cccco.edu/index.asp>.

ACCESS TO PUBLIC RECORDS AND INFORMATION

City College of San Francisco maintains a website (www.ccsf.edu) that provides the public with information regarding the structure and operation of the College. In addition, information about the Board of Trustees, including meeting agendas and minutes, are available to the public through this website.

Procedures for accessing public records held by City College of San Francisco may be reviewed on the College's website. For those interested in accessing public records, please contact Grace Esteban at mesteban@ccsf.edu. The designated Custodian of Public Records is John Al-Amin, Vice Chancellor of Finance and Administration, who may be reached at jalamin@ccsf.edu.

INJURY AND ILLNESS PREVENTION PROGRAM FOR WORKPLACE SECURITY

The San Francisco Community College District will make every reasonable effort to provide a safe and healthful working environment for all employees as required by federal, state or local law, and a safe and healthful environment for students and visitors. For those desiring to know more about the district's Injury and Illness Prevention Program, please access http://www.ccsf.edu/Policy/health_document.pdf for more information.

EQUAL OPPORTUNITY STATEMENT

The San Francisco Community College District is committed to providing a workplace and an educational environment free of discrimination, harassment, intimidation, threats, or coercion based on a legally protected status. Therefore it is the policy of the San Francisco Community College District to provide all persons with equal educational opportunities in all of its programs and activities regardless of race, color, national origin, ancestry, ethnic group identification, religion, age, gender, marital status, domestic partner status, sexual orientation, disability or AIDS/HIV status, medical conditions, gender identity, or status as a Vietnam-Era veteran. This will include anyone perceived as having these characteristics or associated with anyone having these characteristics. The compliance officer for purposes of this policy is the District Title 5/EEO/ADA/ Title IX Compliance Officer, 50 Frida Kahlo Way, B213, San Francisco, CA 94112, (415) 452-5053.

Further, the District does not tolerate retaliation against any employee or student for making a valid complaint or charges under the provisions of its nondiscrimination procedures, or for cooperating in an investigation.

The San Francisco Community College District complies with all applicable laws, including Titles VI and VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act, Sections 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Title IX of the Education Amendments of 1972, California Government Code Section 11135 et. seq. and all applicable regulations, and with all applicable requirements related to receipt of federal and/or state funds.

The compliance officer/ordinator for purposes of this policy is the

District Title 5/EEO/ADA/Title IX Compliance Officer, 50 Frida Kahlo Way, B213, San Francisco, CA 94112, (415) 452-5053. Information concerning the provisions of the applicable laws and complaint procedures is available from the District Title 5/EEO/ADA/Title IX Compliance Officer.

You can access the above statement translated into Spanish, Tagalog, Chinese, Vietnamese and Russian on the college's web site at www.ccsf.edu/Catalog/Admin/nondiscrim.html.

IGUALDAD DE OPORTUNIDADES

El San Francisco Community College District apoya y se adhiere a la política de proveer a todo aquel que reuna las condiciones de protegido legal, un ambiente laboral y educacional libre de discriminación, hostigamiento, intimidación, amenaza o coerción. Por lo tanto, el San Francisco Community College District tiene como norma el extender oportunidades de empleo y educación a todos los interesados, sin miramientos de raza, origen, ascendencia étnica, nacionalidad, religión, edad, sexo, estado o convivencia civil, orientación o identidad sexual (hombres o mujeres homosexuales, bisexuales, transexuales o individuos de preferencia sexual indefinida), y a aquellos que padezcan de alguna incapacidad o sufran del SIDA/VIH u otras condiciones médicas. Esta protección también incluye a veteranos de la Guerra de Vietnam.

Lo que es más, los reglamentos del SFCCD prohíben la toma de represalias contra empleados o estudiantes que presenten quejas o cargos válidos o contra aquellos que participen y cooperen en investigaciones relacionadas con la violación de este reglamento.

El San Francisco Community College District se adhiere a todas las leyes aplicables, incluyendo los Títulos VI y VII del Acta de

Derechos Civiles de 1964, el Acta de Discriminación de Oportunidad de Empleo por Razones de Edad, las Secciones 504 del Acta de Rehabilitación de 1973, el Acta de Americanos con Incapacidades de 1990, el Título IX de las Enmiendas Educativas de 1972, el Código del Gobierno de California Sección 11135 y siguientes, y los reglamentos y requisitos aplicables a entidades subencionadas por fondos federales y/o estatales.

El District Affirmative Action Officer (Autoridad de Acción Afirmativa), es la autoridad responsable for coordinar y hacer cumplir estos reglamentos. Sus oficinas se hallan en el 50 Frida Kahlo Way, B213, San Francisco, CA 94112, (415) 452-5053. Para mayor información sobre estos reglamentos o sobre el procedimiento para sentar una queja, se debe consultar con la Autoridad de Acción Afirmativa del San Francisco Community College District.

PAHAYAG TUNGKOL SA PANTAY NA OPORTUNIDAD

Ang San Francisco Community College District (San Francisco Distrito ng Kolehiyong Pang-madla) ay naka-pangako na magbigay ng lugar ng trabaho at kapaligirang edukasyonal nang walang diskriminasyon, harassment (paulit-ulit na paggugulo), pananakot, pagbanta, o pagpi-pilit at magbigay ng katayuang ipagtanggol batay sa batas. Sa gayon, ito ang patakaran ng San Francisco Community College District na magbigay ng trabaho sa lahat ng tao nang magkapareho at pagkakataong edukasyonal sa lahat ng programa at mga gawain nito nang hindi isaalang-alang ang lahi, kulay, angkang pinagmulan, bansang pinanggalingan, pagkilala ng grupong panlahi, relihiyon, edad, kasarian, kalagayan ng pag-asawa, kalagayang may kasamang pantahanan, oriyentasyon ng tauhin, pagkainutil o lagay na may AIDS/HIV, kondisyong medikal, pagkakakilanlan ng kasarian, o kalagayang bilang isang beterano sa panahon ng digmaan sa Vietnam.

Ang mga kategoriyang ito, lalong lalo na ay kabilang na ang kalagayan bilang isang lesbian (parehong babaing magkasintahan), gay (parehong lalaking magkasintahan), taong may dalawahang kasarian, taong nagsalin ng kasarian o taong hindi malinaw ang kasarian sa alinmang programa ng distritong pampaaralan o pagkikilos. Dagdag pa nito, hindi pahintulutan ng Distrito ang paghihiganti laban sa sinumang empleyado o estudyante para sa paggawa ng makatwirang reklamo o sakdal sa ilalim ng mga kondisyon ng pamamaraang walang diskriminasyon, o para sa kooperatiba sa imbestigasyon.

Pinagsusunod ng San Francisco Community College District ang lahat ng naaangkop na batas, kabilang ang Titulong VI at VII ng Civil Rights Act (Batas ng mga Karapatang Sibil) sa taong 1964, ang Age Discrimination (Diskriminasyon dahil sa Edad) sa Employment Act (Batas na Pang-employado), Seksiyong 504 ng Rehabilitation Act (Batas sa Pagpapanibagong-ayos) sa taong 1973 at ang Americans with Disabilities Act (Mga Amerikano sa Batas ng Kawalang-lakas) sa taong 1990, ang Titulong IX ng Education Amendments (Pagsususog sa Edukasyon) sa taong 1972, California Government Code Section 11135 et. seq. at ang lahat ng bagay na regulasyon, at kasama ng lahat na naaangkop na pangangailangang kaugnay sa pagtanggap ng pondo galing sa federal at/o state.

Ang opisyal/tagapag-ugnay sa pagtupad sa mga layunin ng patakarang ito ay ang District Affirmative Action Officer (Opisyal ng Distrito sa Sang-ayong Pagkilos) na nasa 31 Gough Street, San Francisco, CA 94103, (415) 241-2281.

Ang impormasyon tungkol sa mga tadhana ng mga naaangkop na batas at pamamaraan ng pag-reklamo ay puwedeng maikuha sa District Affirmative Action Officer.

THÔNG TRI VỀ CƠ HỘI BÌNH ĐẲNG

Học Khu Đại Học Cộng Đồng San Francisco cam kết cung cấp một môi trường làm việc và học hành hoàn toàn không có sự kỳ thị, sách nhiễu, dọa nạt, hăm dọa, hoặc cưỡng ép trên khía cạnh một tình trạng được luật pháp bảo vệ. Do đó, đường lối của Học Khu Đại Học Cộng Đồng San Francisco là cung cấp cơ hội làm việc và học hành bình đẳng cho tất cả mọi người trong mọi chương trình và sinh hoạt của học khu bất kể chủng tộc, màu da, nguồn gốc, quốc gia, bản sắc, tôn giáo, tuổi tác, phái tính, tình trạng hôn phối, tình trạng chung ngy, khuynh hướng luyện ái, tình trạng AIDS/HIV hay khuyết tật, điều kiện sức khỏe, bản tính, hay tình trạng cựu chiến binh chiến cuộc Việt Nam. Các diện này đặc biệt bao gồm tình trạng là người đồng tính luyện ái nữ, đồng tính luyện ái nam, lưỡng tính, đối phái tính hoặc người không rõ quan hệ luyện ái trong bất cứ chương trình hoặc hoạt động nào của học khu.

Ngoài ra Học Khu cũng không dung thứ mọi sự trả đũa bắt cứ một nhân viên hoặc sinh viên nào hoặc vì họ khiếu nại hoặc tố giác một cách chính đáng theo điều lệ thủ tục bất kỳ-thị của học khu, hoặc vì họ hợp tác trong một cuộc điều tra.

Học Khu Đại Học Cộng Đồng San Francisco tuân thủ theo mọi luật lệ hiện hành, gồm cả các Điều Khoản VI và VII của Đạo Luật Dân Quyền năm 1964, Đạo Luật Về Kỳ Thị Tuổi Tác, Đoạn 504 của Đạo Luật Phục Hồi Nhân Phẩm năm 1973 và Đạo Luật năm 1990 về Công Dân Hoa Kỳ Với Khuyết Tật, Điều Khoản IX của Bản Tu Chính Giáo Dục năm 1972, Đoạn 11135 và các đoạn kế tiếp của Bộ Luật Hành Chánh Tiểu Bang và mọi điều lệ hiện hành, cùng mọi điều kiện hiện hành liên hệ đến việc nhận tài trợ của liên bang hoặc tiểu bang.

Viên chức/điều hợp viên chấp hành việc tuân thủ luật lệ liên hệ đến đường lối này là Viên Chức Hành Động Khẳng Định Học Khu (District Affirmative Action Officer), địa chỉ số 31 Gough Street, San Francisco, CA 94103, (415) 241-2281.

Các tài liệu liên quan đến các điều lệ luật lệ hiện hành và thủ tục khiếu nại được đặt tại văn phòng Viên Chức Hành Động Khẳng Định Học Khu.

平等機會聲明

三藩市社區大學校區致力提供一個無歧視、騷擾、恐嚇、威脅或強迫性的工作地點和教育環境。因此，三藩市社區大學校區的政策，是在其所有的計劃和活動中，為所有人提供公平的就業和教育機會，不論種族、膚色、祖裔、原國籍、族裔、宗教、年齡、性別、婚姻狀況、家庭伴侶狀況、性傾向、傷殘或有 HIV/愛滋病、醫療情況、性身份，或屬越戰退伍軍人等。這些種類特指包括在任何校區計劃或活動，身份為女同性戀、男同性戀、雙性戀、變性或對性傾向有問題的人士。

此外，校區嚴禁向根據非歧視性程序提出有效投訴或指控，或參與調查之任何職員或學生，進行報復。

三藩市社區大學校區遵行所有適用的法律，包括一九六四年民權法第六及第七部份、就業年齡歧視法、一九七三年康復法及一九九〇年美國保障傷殘人士法第五〇四章、一九七二年教育修訂案第九部份、加州政府法令第 11135 部份以及所有適用的規則，以及所有收取聯邦或州資金所訂之適當規則。

執行此政策的主任／統籌，是校區平權法主任，聯絡地址：
31 Gough Street, San Francisco, CA 94103. 電話：(415) 241-2281。

有關適用法律和投訴程序，請向校區平權法主任索取。

ДЕКЛАРАЦИЯ О РАВНЫХ ВОЗМОЖНОСТЯХ

Окружной отдел образования Сан-Франциско считает недопустимыми в своей рабочей и преподавательской практике случаи дискриминации, сексуальных и других домогательств, запугивания, угроз и принуждения, что соответствует требованиям закона. Политика Отдела - предоставлять равные возможности в труде и образовании всем, независимо от расы, цвета кожи, происхождения, национальности, принадлежности к этнической группе, религии, возраста, пола, семейного положения, домашнего партнерства, сексуальной ориентации, инвалидности, состояния здоровья (это касается также больных СПИДом или носителей вируса иммунодефицита), отождествления себя с определенным полом, статуса участника войны во Вьетнаме.

Эти категории включают также такой статус, как лесбиянка, гомосексуалист, бисексуал, лицо, изменившее пол, или сомневающееся в своей сексориентации. Это учитываются в любой районной программе или мероприятии.

Далее, Отдел не допустит, чтобы кто-либо из сотрудников или студентов был наказан в ответ на справедливую жалобу или критику, или участие в расследовании.

Окружной отдел образования Сан-Франциско соблюдает все законы, включая разделы VI и VII Акта о гражданских правах от 1964 года, Акт о реабилитации от 1973 года, Акт о дискриминации по возрасту на работе, разделы 504 Акта о реабилитации от 1973 года и Акт об американцах с инвалидностью от 1990 года, раздел IX Поправки об образовании от 1972 года, главу 11135 правительственного кодекса и все другие уставные требования, относящиеся к получению федеральных или штатных фондов.

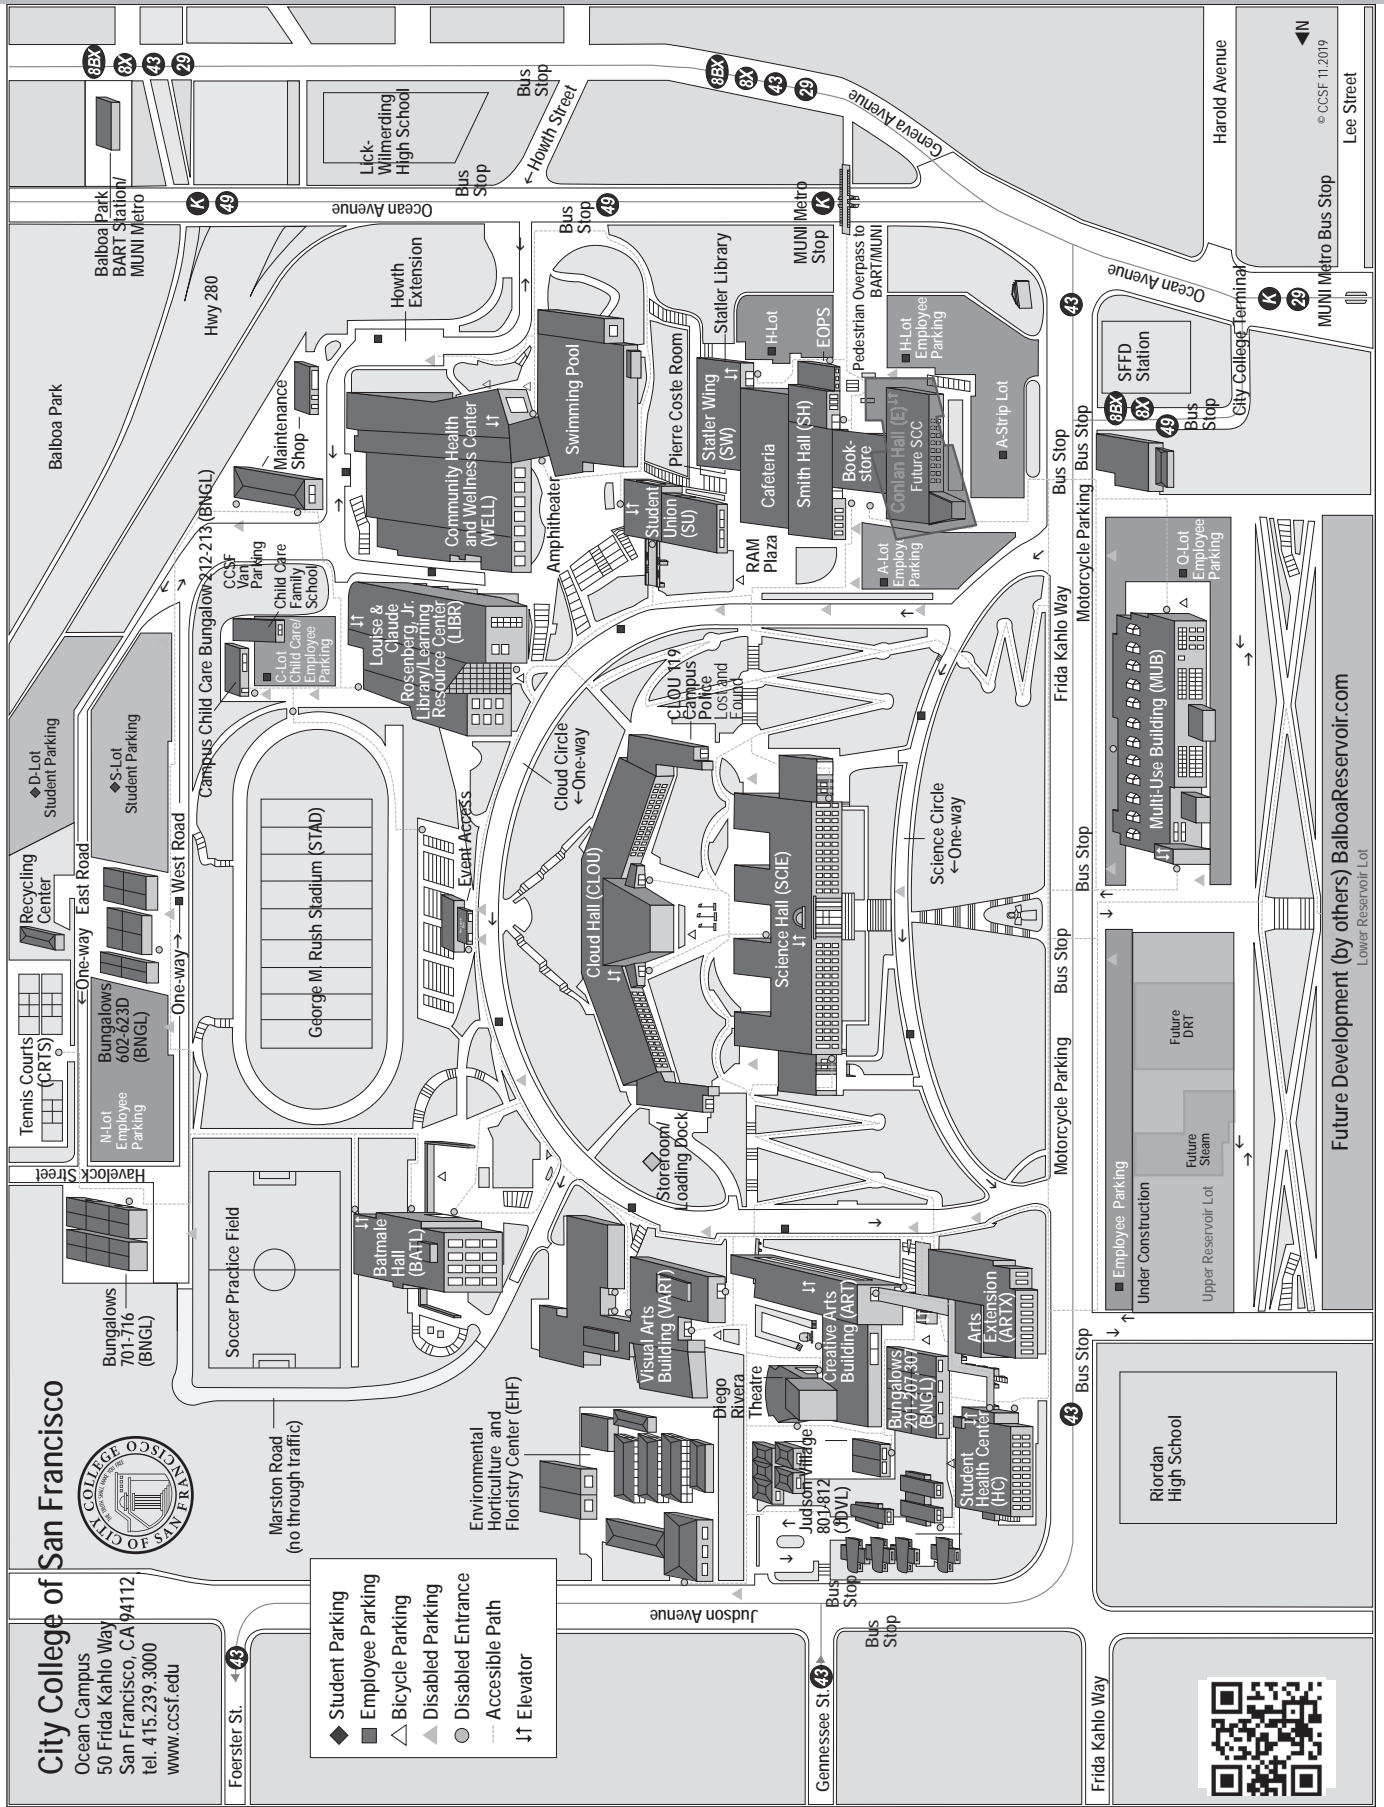

С вопросами обращаться к ответственному за соблюдение политики позитивных действий Отдела по адресу 31 Gough Street, San Francisco, California 94103. Тел: (415) 241-2281. Информацию о соблюдении этих правил и законов можно получить у ответственного работника отдела по позитивным действиям.

Song of The Spirit

THE MORNING COMES
I KISS THE SKY
I KISS THE SUN
GET UP CHILDREN
OPEN YOUR EYES
THE DAY'S BEGUN

WE HAVE A DREAM
THE DREAM IS ALIVE
EMPOWERED BY LOVE
WE WILL SURVIVE

GET UP PEOPLE
GET UP THE YOUNG
GET UP THE OLD

FREEDOM LIVES!
IT'S IN YOUR HEART
IT'S IN YOUR SOUL

THE SUN WARM'S UP
THE STARS
LEAD THE WAY

The people of this
world would not
be judged not
by the color of
their skin
but
by the content
of their
character.

The Future
is ours
on this
beautiful
day

OVERVIEW OF THE COLLEGE

SUSAN CERVANTES OF PRECITA EYES MURALISTS AND STUDENTS, SONG OF THE SPIRIT (DETAIL), 1999 (PHOTOGRAPH BY KATIE LOUX)

OVERVIEW OF THE COLLEGE

Associate in Arts or Associate in Science Degree

City College of San Francisco, a two-year college, confers the degrees of Associate in Arts, Associate in Science, Associate in Arts for Transfer, and Associate in Science for Transfer on students who satisfy the course and grade requirements for graduation.

Extensive Choice of Disciplines and Courses

The College offers you an extensive choice of disciplines and courses. Additionally, students may complete the first two years of training for a profession, satisfy freshman and sophomore requirements for transfer to baccalaureate degree-granting institutions; prepare for employment at the end of two years or a shorter period of training; take evening, Saturday, and summer courses; remove educational deficiencies; or get other special preparation.

Instructional Areas Include the Following:

Program in General Education. An extensive selection of courses in the humanities, the arts, the natural and social sciences, and other fields.

Transfer Program. Courses offered to satisfy lower-division requirements to enable students to transfer to baccalaureate degree-granting institutions as juniors.

Occupational Program. Training for employment in occupations normally requiring two years or less of specialized career preparation.

Diversity Studies. Courses directed specifically to the interest and educational objectives of major segments of the San Francisco community including courses in African American, Asian American, Latin American, Lesbian, Gay, Bisexual and Transgender, and Philippine Studies.

International Education. Courses taught locally for international students, including an Intensive English Institute.

Distance Education Courses. Courses that are offered via online and hybrid instruction.

Noncredit Courses. Mostly open-entry/open-exit courses, many emphasizing vocational education, leading to employment or job upgrading but also including courses in English as a Second Language, elementary-level and secondary-level skills, workforce preparation, parent education, health and safety, home economics, citizenship for immigrants, and special courses for disabled persons and older adults.

Community Service Offerings. Workshops and other short-term offerings that serve community interests and for which fees are charged because no tax support is available.

College Accreditation

City College of San Francisco is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, 331 J Street, Suite 200, Sacramento, CA 95814, (415) 506-0234, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education. Additional information about accreditation, including the filing of complaints against member institutions, can be found at: www.accjc.org. Information related to the College's accreditation is available at www.ccsf.edu/accreditation.

The following programs are subject to additional accreditation and certification standards:

Student Affairs

City College offers a wide variety of services which are designed to assist you with completing your educational goal. The Division of Student Affairs is responsible for Admissions and Records Credit and Non-Credit, CalWORKs, DSPS, EOPS, Financial Aid, Assessment Center, Outreach & High School Partnerships, Scholarships, Student Conduct & Discipline, Student Health Services, Student Activities, Completion Center, Student Equity, and Veteran's and the following counseling and tutoring departments: Academic Student Counseling, Transfer Counseling, Career Counseling and Multicultural Retention

4 Overview of the College

Services. The following Student Resource Programs are available: City DREAM, Guardians Scholars, Homeless-At-Risk-Transitional Students (HARTS), Queer Resource Center, Students Supporting Students and Family Resource Center. Other services are available to assist you as you work toward attaining your educational goals.

Counseling Services

As a student at City College, students receive individual counseling from an academic counselor. Through its counseling programs, the College helps students choose an occupation; plan a program of study based on individual interests, abilities, and needs; develop educational plans; provide various types of educational counseling, including academic, career, transfer, and personal, and assist students with personal problems or other matters affecting their studies or college career.

Career Services

CCSF students and alumni are entitled to all the career services provided by Career Development Counseling and the Career Services Office. Counselors will assist in choosing majors and careers, career assessment, exploration, planning and job search. Career services include individual career counseling, online advising, workshops, career success courses, and job resource information. Additional information can be found at www.ccsf.edu/CareerServices.

Student Tutoring and Resource (STAR) Center

The Student Tutoring and Resources (STAR) Center, formerly known as the Learning Assistance Center (LAC), offers a variety of programs and services designed to help you become a more efficient, independent learner and to make your educational experience at City College more successful. The Tutorial Center provides free tutoring in mathematics, sciences, business, social sciences, world languages, and other subjects. English instructors and tutors are available to help students in the Writing Success Project. The STAR Computer Lab offers access to the Internet and email, and to educational software programs. College Success Courses are offered through the Learning Assistance Department. The STAR Center at the Mission Center offers many of these services. Tutoring is available for many subjects both in-person and online as well as synchronously and asynchronously.

Associated Students

Any student currently enrolled in a class at City College of San Francisco is a member of the Associated Students (AS). The AS Constitution sets up an Executive Board as a representative body for all CCSF campus and centers to facilitate communication, leadership, and advocacy. Further, the AS Executive Council appoints all student members to serve on participatory governance committees. There are active Associated Student Councils at CCSF centers and campus, including: Chinatown/North Beach, Downtown, Evans, John Adams, Mission, and Ocean. Each Associated Student Council may adopt its own set of by-laws to guide local governance and sponsor student activities.

Each spring, the Associated Students elects a student trustee to represent its interests on the San Francisco Community College Board of Trustees.

The AS Ocean Campus funds diverse resource centers and programs including: the Bookloan Program, Dr. Betty Shabazz Family Resource Center, Guardian Scholars, HARTS, Queer Resource Center, Women's Resource Center, Student Health, Students Supporting Students (S3), and all campus clubs and student organizations. There is a \$7 optional Student Activity Fee, payable at registration, to help support these centers and programs.

For information regarding the Associated Students, please visit <https://www.ccsf.edu/campus-life/student-activities-office/associated-students>.

Inter-Club Council (ICC)

Recognized and funded by the Associated Student Council - Ocean Campus, the ICC consists of elected representatives from all recognized clubs and student organizations. For more information about an existing club or about starting a new club, please visit www.ccsf.edu/icc.

Student Activities Office - Student Union

City College of San Francisco provides a program of student activities that encourages student leadership, participation in participatory governance, and involvement in campus life. Information is available in the Student Union Building, Room 205, Ocean Campus. The Student Union at the Ocean Campus is a place where recognized student clubs and organizations can meet, socialize, and sponsor events. It is also a place where individual students and small groups can study and relax.

Transfer to Universities and Colleges

To earn the Bachelor's or a higher degree, or to complete training for a profession, you may transfer from City College to a university or a college as follows:

If, when you enter City College, you have already satisfied the requirements for admission to a university or a college, you may transfer with full credit whenever you have completed the proper university courses satisfactorily. Because the College is accredited nationally and offers preparation for so many fields, you have a wide choice of schools at which to take advanced courses. Generally, to be eligible for transfer, you will need an average final grade not lower than C in all courses that you attempt.

If you need to make up high school courses or grades, you may remove your deficiencies while you take the university courses for which you are qualified. The courses and grades necessary for transfer and the number of semesters you will need to complete depend upon the requirements of the university or college at which you plan to continue your studies.

The section in this catalog entitled "Transfer Information" lists general transfer requirements for the University of California (all campuses) and California State University (all campuses).

Articulation agreements which list detailed information concerning specific majors and which describe course transferability and applicability between City College of San Francisco and public baccalaureate degree-granting institutions in California are available online, www.assist.org. Other articulation information for City College can be found at www.ccsf.edu/artic.

CALENDAR OF INSTRUCTION

SUSAN CERVANTES OF PRECITA EYES MURALISTS AND STUDENTS, SONG OF THE SPIRIT (DETAIL), 1999 (PHOTOGRAPH BY KATIE LOUX)

CALENDAR OF INSTRUCTION

Event	Fall 2023	Spring 2024
Residency Determination Date	August 15, 2023	January 15, 2024
Martin Luther King, Jr.'s Birthday		January 15, 2024
Instruction begins	August 16, 2023	January 16, 2024
First Monday/Wednesday, Monday/Wednesday/Friday Day and Evening Classes	August 16	January 17
First day of Saturday classes	August 19	January 20
First day of Sunday classes	August 20	January 21
<i>Last day to request GPA verification for CAL Grants</i>	August 28	February 23
Last day to drop or reduce full-term course work to obtain a 100% refund for enrollment fee & N/R foreign student tuition fee. <i>Please consult the College website at www.ccsf.edu/schedule for deadline dates for short-term courses</i>	August 29	January 29
Labor Day Weekend	September 2-4	
Last day to add credit classes and change sections in person & on the web	September 1	February 2
Last day to drop credit classes with no notation on academic record	September 1	February 2
Last day to drop or reduce course work to qualify for a 50% pro-rated nonresident and foreign student tuition refund fee. Please consult the College website at www.ccsf.edu/schedule for deadline dates for short term courses	September 7	February 7
Lincoln's Birthday		February 16
Presidents' Birthday weekend. No Saturday/Sunday classes		February 17-18
Washington's Birthday		February 19
Last day to petition to receive AA-T/AS-T Degrees for students transferring to CSU	September 28	February 29
Faculty Flex Day (Professional Development) - No classes	October 9	March 5
End of the midterm period	October 13	March 15
Last day to petition for Degree or Certificate	October 26	March 28
Spring Vacation		April 8-14
Cesar Chavez Day		March 31
Last day to request a pass/no pass grading option	November 2	April 18
Last day for student/instructor initiated withdrawal from classes and change sections for the same department	November 2	April 18
Veteran's Day Observance	November 10	
Thanksgiving Holiday	November 23-26	
Last day to remove an Incomplete received in the previous semester	December 11	May 14
First day of final examinations for day classes	December 12	May 15
Last session & final examinations for Saturday classes	December 16	May 18

Event	Fall 2023	Spring 2024
Last session & final examinations for Monday evening classes	December 18	May 20
Last session & final examinations for Tuesday evening classes	December 19	May 21
Last session & final examinations for Wednesday, Monday/Wednesday classes	December 13	May 22
Last session & final examinations for Thursday, Tuesday/Thursday classes	December 14	May 16
Last session & final examinations for Sunday classes	December 17	May 19
Last day of final examinations for day classes	December 19	May 22
Mid-year recess	December 20, 2023– January 14, 2024

ADMISSION TO THE COLLEGE

ADMISSION TO THE COLLEGE

Admissions Policy (Credit Classes)

City College has an open admissions policy for students who live in California and international students. Eligibility to attend is satisfied if you meet at least one of the following requirements:

- You are eighteen (18) years old on or before the first day of instruction for the term which you are applying.
- You are a high school graduate.
- You are the equivalent of a high school graduate, i.e. you have passed GED or a state's high school proficiency examination.
- You completed a minimum of 120 high school credits and have submitted a permission/consent form. Please visit the High School Programs page for more information.

Please note that the above requirements are general; other factors may determine eligibility.

If the College has reason to question the validity of a student's high school diploma, the student will be notified they can continue enrollment but will not qualify for financial aid/Title IV funds.

For more details, contact the Office of Admissions and Records at admit@ccsf.edu or visit the Admissions Virtual Help Counter to speak with an Admissions staff member.

Open Enrollment Policy

It is the policy of the District that, unless specifically exempted by statute or regulation, every course—course section or class—reported for state aid, wherever offered and maintained by the District, shall be fully open to enrollment and participation by any person who has been admitted to the District and who meets such prerequisites and/or corequisites as may be established pursuant to regulations commensurate with Section 58100 of Title 5 of the California Code of Regulations as related to limitations on the receipt of state aid.

Readmission to the College

Students who have previously attended City College but have not registered in classes for two semesters or more, must reapply to the college. The entire enrollment process needs to be completed or waived before the student may register for classes. Please see Steps to Become a CCSF Student in Credit Classes at <https://www.ccsf.edu/apply-ccsf>.

Admission as a Special Part Time Student (Concurrently Enrolled in High School)

The Board of Trustees of the San Francisco Community College District authorizes certain High School students under 18 years of age to enroll in one or more college courses.

The California Code of Regulations, Section 76011, requires the recommendation of the high school principal and the consent of the parent or guardian for the student to be considered eligible to attend.

For more information regarding admissions deadline dates and enrollment policies, please call (415) 452-5172 or (415) 452-5101. The High School webpage is <https://www.ccsf.edu/academics/high-school-programs/concurrent-enrollment>.

International Students

City College of San Francisco enthusiastically welcomes international students from all over the world. Currently, there are students from more than fifty countries studying at CCSF. Their presence on campus complements a broad mosaic of multiethnic students from San Francisco.

International students who wish to be admitted to the CCSF academic program must follow the instructions on www.ccsf.edu/international, download all relevant forms and prepare all required documents to be considered for admission. The detailed checklist of required documentation is listed under the “Apply Now” section of the webpage. Applications can be mailed to the Office of International Programs (OIP), Cloud Hall 212, 50 Frida Kahlo Way, San Francisco, CA 94112 or dropped off in person. For more information, please call 415-239-3895 or email: international@ccsf.edu

Conditional Admission Through the Intensive English Program

International students who have a TOEFL score lower than the required 483 PBT, 56 IBT, or 5.5 IELTS but wish to enroll in the Academic Program may apply for Conditional Admission. Full admission to the Academic Program is contingent upon the successful completion of the Intensive English Program offered at CCSF. Students will also have to achieve a score of 483 on the Institutional TOEFL examination before transferring to the Academic Program. Application instructions are available on the website: www.ccsf.edu/international. For more information, please call 415-239-3895 or email: international@ccsf.edu

Cross-Registration

San Francisco Consortium: City College of San Francisco is a member of the San Francisco Consortium. Through the functions of the Consortium, a variety of educational opportunities are made available to students of the member institutions. For example, currently enrolled, full-time, matriculated students may register for credit in courses offered by San Francisco State University but pay City College fees. Cross-registration is permitted if the course is not currently offered at the home institution, if the course is lower division, if space is available in the course offered by the host institution, and if the student has satisfied course prerequisites and is enrolled in 12 units at the home institution. This cross-registration policy applies only to the regular sessions of the academic year and specifically excludes summer sessions, extension courses, and similar programs. Forms for this program are available at the Office of Admissions and Records, MUB 188.

UC Berkeley Cross Enrollment Program: Students may take a course at UC Berkeley if they have completed English 1A; have completed one semester at City College as a matriculated student; have at least a 2.0 grade point average; have met any prerequisites for the course; and are enrolled in at least 6 units at City College during the semester they wish to take the UC Berkeley course. Students pay City College fees for the course. Applications are available from the Counseling Office in MUB 39.

Student Equity and Achievement Program (SEA)

It is the policy of the college to ensure equal educational opportunity for all students. The Student Equity and Achievement (SEA) Program at CCSF assists students in developing and realizing their educational goals.

Each student completing steps to enrollment is entitled to:

- Math and English/ESL course placement assessment
- Orientation to College programs and services
- Counseling and advising
- Opportunity to develop a Student Educational Plan with the assistance of a counselor
- Challenge any prerequisite or corequisite based on established criteria

- Review the SEA regulations and exemption criteria approved by the CCSF Board of Trustees

Each student is expected to:

- Declare an educational goal following completion of 15 semester units and participate in the development of a Student Educational Plan
- Attend classes regularly and complete assigned course work

Enrollment Steps Exemption Policy

Students may be exempted from participating in any or all of the enrollment steps (Assessment, Orientation, Counseling) if they meet the exemption criteria below:

- Student has already earned an A.A./A.S. degree or higher (at a U.S. accredited institution only), OR
- Student's educational goals do not include
 - Transfer to a college or university, or
 - Attainment of certificate, degree or basic skills (i.e., math, English, and/or ESL), or
 - Career development, OR
- Student is enrolling only in courses mandated by industry or licensure standards

Please note: Students who are exempt from any enrollment steps will not receive course registration priority.

You may obtain the Enrollment Steps Exemption Form at the Assessment Center in Conlan 204 or online at www.ccsf.edu/assessment.

For further information, call (415) 239-3751.

Steps to Become a CCSF Student in Credit Classes

Students are more likely to succeed in college when they have an accurate assessment of their skills, an idea of their educational goals, and an understanding of the course selection and registration processes. The enrollment steps are designed to inform students about how the "system" works. Therefore, unless exempted, all new students must complete the five-step enrollment process. Students should complete the process as early as possible to receive a priority registration appointment, which will increase chances of enrolling in classes of choice.

STEP ONE — APPLICATION FOR ADMISSION. All new students must file an online application for admission at www.ccsf.edu or with the Office of Admissions and Records, MUB 188.

NOTE: An additional application may be required for admission into specific programs. Consult the department chair of the program you are interested in.

STEP TWO — ORIENTATION. The online or in-person orientation session will focus on registration activities, interpretation of course placement, and information about programs and services that students need to know upon enrollment. Students may also participate in the online orientation at www.ccsf.edu/onlineorientation.

STEP THREE — ASSESSMENT AND PLACEMENT. All new students who plan to enroll in credit classes are required to complete assessment and placement unless they have been exempted from assessment. The newly enacted Assembly Bill (AB) 705 requires that a community college district or college maximize the probability that a student will enter and complete transfer-level coursework in English and mathematics within a one-year timeframe, and that a student enrolled in English-as-a-second-language (ESL) instruction will enter

and complete degree and transfer requirements in English within a timeframe of 3 years.

AB 705 represents a significant change in the way students are placed. Students may be eligible to enroll in transfer-level math or English classes, or transfer-level courses with additional support. We encourage students to talk with a counselor or department advisor about English and Math course selection. Students who feel they need additional language acquisition support may want to take the Credit ESL Placement or talk to a counselor about the ESL sequence at CCSF.

Multiple Measures Course Placement Process:

There are different ways to determine your English or ESL and math course placement level at City College. Factors such as relevant college and high school coursework and GPA are considered.

STEP FOUR — MEETING WITH A COUNSELOR. At the counseling appointment, a student will receive a program of courses and registration information.

STEP FIVE — REGISTRATION. Students are notified of their date and time to register for classes via their CCSF email account and their student portal. Students may register for classes on that date and time and thereafter during the registration period.

College and/or Test Data Form/On-Line Assessment Form

An alternate way to satisfy the assessment component and demonstrate eligibility for Math and English courses is to complete a college and/or test data form if you have already taken specific tests (e.g. SAT, ACT, AP) and/or successfully completed courses at other accredited colleges in the U.S. The form is available on the CCSF website at ccsf.edu/collegedata.

CAUTION: The equivalent course (or score) may meet the Math and English Requirement for graduation from City College of San Francisco, but it may not be transferable to a university. It is the student's responsibility to check the policy and requirements of the transfer college/university.

English

Students may demonstrate their eligibility for English 1A or 1B by submitting proof (e.g., transcripts, official test result reports) of one of the following:

1. International Baccalaureate Exam scores:
IB High Level English A1 or A2, Exam score of 4 or higher –
Eligibility: English 1A
2. Any of the following SAT scores:
Eligibility: English 1A
SAT Evidence Based Reading/Writing: 550
SAT Reasoning Test, Critical Reading Section: 500
SAT Reasoning Test, Writing Section: 680
SAT II Writing Subject Test: 660
SAT Verbal (before 4/95): 510
SAT Verbal (after 4/95): 590
3. ACT English Test with score of 22 or higher –
Eligibility: English 1A
4. Advanced Placement (AP) Exams:
AP English Language & Composition Exam:
Score of 3, 4, 5:
Equivalency of completion of English 1A
Eligibility for ENGL 1B, 1C, CMST 2
AP English Literature & Composition:
Score of 3 or 4:
Equivalency of completion of English 1A
Eligibility for ENGL 1B, 1C, CMST 2
Score of 5:

Equivalency of completion of English 1A+1B

5. EAP (Early Assessment Program) results -
Eligibility: English 1A
 - “Ready for CSU or CCC English college-level coursework” OR
 - “Conditionally ready for CSU or CCC English college-level coursework” AND grade of C or higher in two semesters of a CSU approved senior-year high school English course
6. Completion (with “C” or higher) of a college English course equivalent to CCSF English 1A – University-Parallel Reading and Composition -
Eligibility: English 1B and 1C and CMST 2

Mathematics

Students may demonstrate their eligibility for math courses by submitting proof of one of the following:

1. Any of the following SAT scores:
Eligibility: MATH 70, 75, 80, 90, 95
 - SAT Reasoning Test, MATH Section: 550
 - SAT I MATH: 550
 - SAT II MATH: 550
2. ACT Math score of Level I or II or 23:
Eligibility: MATH 70, 75, 80, 90, 95
3. Advanced Placement (AP) Exams:
 - Calculus AB score of 3, 4, 5, BC score of 3, 4
Eligibility: MATH 110B or MATH 115
 - Calculus BC score of 5
Eligibility: MATH 110C
 - Computer Science A score of 3, 4, or 5
Eligibility: MATH 70, 75, 80, 90, or 95
 - Statistics score of 3, 4, 5
Eligibility: MATH 70, 75, 80, 90, or 95
4. GRE (Graduate Record Exam) Quantitative Section score: 146
Eligibility: MATH 70, 75, 80, 90, 95
5. EAP (Early Assessment Program) -
Eligibility: MATH 70, 75, 80, 90, 95
 - “Ready for CSU or CCC mathematics college-level coursework” OR
 - “Conditionally ready for CSU or CCC college-level mathematics coursework” AND grade of C or higher in two semesters of a CSU approved senior-year high school mathematics course
6. Completion (with “C” or higher) of a college-level math course equivalent to MATH 60 (Intermediate Algebra) or higher.

Assessment Acquisition

The CCSF assessment and placement options are designed to help you determine your Math and English skills before you enroll in Math or English courses. If you have specific questions, please see a counselor, or contact the English or Math Program Coordinator for more information.

ESL Placement Retake Policy

Students may retake the credit ESL placement after two weeks (14 calendar days); however, they may take the tests only two times per testing cycle.

The CCSF assessment and placement options are designed to help you determine your ESL skills before you enroll in ESL courses. If you have specific questions, please see a counselor, or contact the ESL Program Coordinator for more information.

Accommodations for Assessment Process

Students with disabilities are encouraged to be seen by a DSPS counselor who will assess the student’s functional limitations and determine reasonable accommodations for the enrollment process such as assessment and orientation. To contact a DSPS counselor, please go to <https://www.ccsf.edu/en/student-services/student-counseling/dsps.html> for more information.

Free City Program

Free tuition is available for City College students who have established California residency and live in San Francisco. Students apply for Free City by completing the one-page Free City Application, which is included as a screen within the online registration process. After registering, students are encouraged to complete either a Free Application for Federal Student Aid (FAFSA) or a California Dream Act Application. Students who apply for financial aid and are recipients of the California College Promise Grant will be eligible for an additional Free City stipend. For more information visit www.ccsf.edu/freecity. Fees for students that do not qualify for the program are listed below.

Enrollment Fees

Fee Schedule for Credit Classes:

All enrollment fees and applicable nonresident tuition fees are due and payable at the time of registration.

(Fees subject to change)

Enrollment fee per semester unit	\$46.00
Non-Resident tuition	
per semester unit	\$290.00 + \$3 per unit
for capital outlay fee + \$46.00 enrollment fee	
Non-Resident tuition per semester unit	
for International students & students	
with F-1 visas	\$290.00 + \$3 per unit
for capital outlay fee + \$46.00 enrollment fee per unit	
The capital outlay fee is assessed for all international and nonresident students	
Health fee per semester (non-refundable)*	\$20.00
Web Registration fee per semester (non-refundable). \$3.00	
(Students may also register in person during the “Open Registration” period.)	
Voluntary Student Activity Fee	\$7.00
Voluntary Student Representative Fee	\$2.00

**Assembly Bill 982, eliminating the health fee waiver for all students, was signed into law by the Governor of California on September 22, 2005. On January 26, 2006, the Board of Trustees voted to fully implement AB982 at City College of San Francisco, effective summer of 2006. The health fee for summer 2009 was \$14.00 and starting spring 2009 semester was \$17.00. The California State legislature also periodically allows the districts to increase health fee in one dollar increments. This health fee is not refundable.*

Students who fail to pay a proper financial obligation are subject to Board Policy 5.12 Withholding of Student Records and Registration Privileges. Students who fail to pay all proper fees, or provide all documentation required for exemption, and waiver, shall not be permitted to register for the next semester.

Notwithstanding the above, the provisions of this policy shall not apply to students who are recipients of Chapter 31 and Chapter 33 (of Title 38 U.S.C.) Post 9/11 GI Bill* benefits, until ninety (90) days after a Certificate of Eligibility form has been submitted to the District.

GI Bill is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about educational benefits offered by

the VA is available at the official U.S. government website at <http://www.benefits.va.gov/gibill>.

Health Fee

Health fee (nonrefundable): \$20.00 for students registered in .50 semester unit or more.

NOTE: By law, students who qualify in the following categories will be exempt from the health fee payment:

1. Students who depend exclusively upon prayer for healing in accordance with the teaching of a bona fide religious sect, denomination or organization. (Documentation required.)
2. Students who are attending college under an approved apprenticeship training program. (Documentation required.)

Please refer to Student Health Services website for the "Petition for Exemption for the Student Fee" at <http://www.ccsf.edu/studenthealth>.

Reduced Fees Under AB540

AB540 is a California State Law that exempts certain students who are not residents of California from paying non-resident tuition at California Community Colleges and California State Universities.

Students who meet all of the following requirements are eligible.

1. You attended a California high school for three or more years.
2. You graduated from a California high school or attained the equivalent of a high school diploma (e.g. General Education Development, GED, or California Proficiency Exam.)
3. You registered in Spring 2002 or later.
4. You completed a California Nonresident Tuition Exemption Request form.

For more information, please contact the Office of Admissions and Records, Residency Department, MUB 188, call (415) 239-3287, FAX (415) 239-3936 or email resident@ccsf.edu.

Payment Methods and Policies

Payment of fees is due at the time of registration. Non-Payment of fees will result in a HOLD being placed on your account. Non-payment of fees MAY result in classes being dropped during the registration period. This could also result in not receiving college services. Students are liable for all fees for classes not dropped by the refund deadline dates.

Enrollment Fees, Nonresident and International tuition, and all other applicable fees are due and payable at the time of registration. Please note: it is the STUDENT'S responsibility to drop or withdraw from class(es) by the established deadlines published in the online class schedule.

Exemptions from immediate payment of fees are available to accommodate the following groups of students: students receiving financial aid based on BOG and FAFSA eligibility, students who sign up for a tuition payment plan, and self-certified exemptions for military service, among others. Please be advised that students are responsible for self-certified exemptions. If your certified exemption is not processed, students are responsible for all fees assessed and must adhere to the drop deadline dates.

Any classes added to your schedule, after you have paid for your initial registration fees are also subject to be dropped for nonpayment of fees. If you were dropped from your classes for nonpayment and you believe there was an error, please notify the Registration Office immediately at (415) 239-3732 or email register@ccsf.edu.

Please note: City College of San Francisco participates in the Chancellor's Office Tax Offset Program (COTOP). All past due accounts are submitted to COTOP for collection. All Admissions,

Registration and Fee correspondence will be sent to your CCSF email account.

Enrollment Fee Refund Policy

The enrollment fee may be refundable for full-semester courses and short term courses. The refund policy also applies to Summer Sessions intervals. Please see the Calendar of Instruction and online class schedule for refund deadline dates.

Enrollment Fee Refund Procedures

The enrollment fee refund is not automatic. To obtain a refund for courses dropped on or before the deadline, the student must submit a completed application for refund form to the Tuition and Fees Office, MUB 130A, no later than the last day of final examinations. Please refer to the Calendar of Instruction and online class schedule for deadline dates. Refund procedures also apply to summer session intervals.

Student Activity Fee Refund and Request to Reverse Procedures

The student activity fee may be refunded if you have paid your fees by submitting a Request for Refund form through Tuition and Fees Office, MUB 130A. The student that has not paid for their fees may reverse the Student Activity Fee from their account by completing the Request to Reverse Student Activity Fee Form through the Tuition and Fees Office.

Nonresident Tuition Fee Refund Policy

Paid nonresident tuition will be refunded in accordance with the following refund schedule:

100% Nonresident Tuition Refund for courses officially dropped during the first two calendar weeks of instruction.

50% Nonresident Tuition Refund for courses officially dropped during the third and fourth calendar weeks of instruction.

0% Nonresident Tuition Refund for courses officially dropped after the fourth calendar week of instruction.

Refer to the Calendar of Instruction and online class schedule for the specific refund deadline dates listed for each Fall and Spring semesters. Please call the Tuition and Fees Office for the nonresident tuition refund policies regarding short-term courses, courses which begin at variable times other than the beginning of the instructional calendar, summer session courses, etc.

The ultimate responsibility for dropping classes in order to receive a nonresident tuition refund rests solely upon the student. Nonresident tuition will be refunded if the drop is student-initiated or instructor-initiated. It is the student's responsibility to: (1) check if an instructor has initiated a drop by the deadline date and (2) apply for a refund as stated in the next paragraph.

Nonresident Tuition Fee Refund Procedure

The nonresident tuition fee refund is not automatic. All nonresident students who have paid and are eligible to receive a nonresident tuition fee refund for courses dropped on or before the deadline must submit a completed Application for Refund form to the Tuition and Fees Office or the Registration Center **NO LATER THAN THE LAST DAY OF FINAL EXAMINATIONS**. Nonresident tuition fee refunds will be based upon the units dropped in accordance with the above prorated schedule. **Any nonresident tuition fee refund requests received AFTER this date will NOT be processed for refund.** All applications for nonresident tuition fee refund must be submitted during the current semester in which courses are dropped. No nonresident tuition fee payment credits will be carried into the next semester.

Please call the Tuition and Fees Office (415) 239-3522 or visit the office, MUB 130A, for assistance and information regarding the non-resident tuition refund policy, procedures, and schedules.

Nonresident Tuition Policies and Procedures are subject to change during the 2023-24 academic year.

Inasmuch as City College is required by statute to report the California residence classifications of all students by the fourth week of the current semester, those students who fail to establish California residency by the fourth week of the current semester will be classified as nonresident students and be required to pay the nonresident tuition fee.

Enrollment, Nonresident and International Student Tuition Fee Credit Balances

City College of San Francisco allows all enrollment fees and non-resident and international student tuition balances to be credited to students' accounts, which may be utilized to pay for tuition and/or enrollment fees in subsequent school terms. The student's account will be held for a period for two years. All balances not utilized within the two-year period will be credited to the District.

Residency Requirements California Residence

Under the State of California Education Code, in order to establish residency, a person must pair his or her physical presence in California with the following provisions: 1) objective evidence of physical presence (one year and one day prior to the first day of instruction for the term for which he/she has applied as indicated in the Calendar of Instruction); and 2) intent to make California the home for other than a temporary purpose. There are other factors to be considered for non-resident students holding different visa types. These students are advised to contact the Office of Admissions and Records at (415) 239-3287 for clarification. Evidence of intent could include, but is not limited to, at least two of the following: voting in California elections; paying state income tax; obtaining a California driver's license; registering a motor vehicle; and maintaining continuous residence in California. Act of intent must be accomplished for one year.

City College may determine at the time of admissions or at a later date that such students may not have met the aforementioned residence requirement set forth for all California community colleges. Such students will subsequently be assessed and billed the nonresident tuition fee per unit at the current academic year rate.

Students who have not reached the age of 18 years are regarded as minors; their residence is that of one or both parents. Therefore, a student who is a minor is regarded as a resident of California only if one or both parents couple their physical presence in California (one year and one day prior to the first day of instruction for the term for which the minor has applied as indicated in the Calendar of Instruction) with objective evidence that the physical presence is with the intent to make California the home for other than a temporary purpose.

It is the student's responsibility to clearly demonstrate both physical presence in California and intent to establish California residence.

Special residence regulations are in effect for married minors, for minors whose parents are deceased, for certain military members and their dependents, and for various others.

Continuing nonresident students at City College (with the exception of foreign students), who think that they meet the time and intent requirements necessary to establish California residency must contact the Office of Admission & Records for residency verification and adjustment.

For more information regarding California residency please call (415) 239-3287 or e-mail resident@ccsf.edu.

Residency Adjustments

Students are notified by email of their residency status after they apply to the college however residency adjustments are not automatic. It is the student's responsibility to initiate a residency inquiry and to provide proof of California residency. Please call the Office of Admissions & Records, (415) 239-3287, or e-mail resident@ccsf.edu for the documents accepted as verification.

Students who do not meet the residency requirements will continue to be charged the nonresident tuition as well as the enrollment fee.

Residency Appeals

Students may appeal their residency status as determined by the College through the following procedures:

1. Requests must be addressed, in writing, to the Associate Registrar, within two weeks of receipt of the notification.
2. If further review of residency status is required, a meeting with the Dean of Admissions and Records may be requested within two weeks of the review by the Associate Registrar.
3. Students are required to provide ALL documents required to verify their residency status.

Filing of Students' Addresses

Every student must file his/her local and legal addresses with the Office of Admissions and Records. Students are required to notify the Office of Admissions and Records promptly concerning change of either address. Students may update their address on-line at <http://www.ccsf.edu>. Go to myRAM portal and click on to Personal Information.

Student Classification

Full Time Students – Students registered in 12 or more semester units in the fall or spring semester are full-time students for that semester. A full-time student during the summer session is registered in six or more semester units.

Half/Part Time Students – Students registered in a minimum of six semester units in the fall or spring semester are half/part time students for that semester.

Advanced Standing

Previously completed course work from regionally accredited institutions will be considered for transfer to satisfy City College of San Francisco academic requirements for an associate degree or certificate. One month after enrolling at the College, students may request an evaluation of their Official Transcripts from other institutions to determine which of their courses are transferable. For information on how course work transfers to universities, consult with a counselor.

High School Honors Courses.

City College grants advanced standing and units to students who have completed Advanced Placements Examinations with scores of 3, 4, or 5, certified by the College Entrance Examination Board. A grade of Pass will be recorded for an appropriate college course or courses when verification and petition form is provided to the Office of Admissions and Records.

Enrollment Limitations

Students may enroll in a maximum of eighteen (18) semester units, including physical education courses, each fall and spring semesters. Students may enroll in a maximum of nine (9) semester units, including physical education courses, during the summer session. Upon

approval, students may add these units at any time during priority registration and through the Add period.

Students wishing to enroll in more than the maximum units allowable must receive permission from an academic counselor. Approval to take more than eighteen (18) semester units will not be given unless students need such units to be candidates for graduation, or have completed their last full semester of work at the College with a GPA of 3.00 or higher.

NOTE: Enrollment maximums are strictly enforced by our computer systems. Therefore, students who have received permission from their counselor to enroll in over the maximum units authorized by College Policy must process those units in-person at the Registration Center, MUB 130B, or at any Admissions and Enrollment Office at College Center locations.

Time Conflict/Overlapping Courses

Students are not allowed to enroll in two courses that overlap unless all of the following requirements are met:

- The students must provide sound justification other than mere scheduling convenience.
- The instructor and the school dean must review the justification and approve the request to enroll in the overlapping class.
- The students must make up the hours of overlap under the supervision of the instructor of the course.
- The instructor and the student must maintain documentation of the made-up hours.

At the end of the term, the instructor must submit the documentation to the administration. The administration will maintain the documentation according to Board Policies regarding records retention. Time Conflict approval forms are available at the Admissions & Records office in MUB 188 or at the Admissions & Enrollment offices at the various Centers. Forms are available online: <https://www.ccsf.edu/admissions-recordsregistration/credit-ar-forms>.

Online Registration

Adding Classes, Changing Sections, Dropping or Withdrawing from Classes

Students must be admitted to the College and have completed the steps to become a CCSF Student prior to registering for a class. A Registration time ticket is assigned to each student. You may begin Online Registration in myRam Portal any time after the appointment date and time. To view your Registration time ticket, access your account in myRam Portal, select “Student Portal,” “Student Registration,” and then “Prepare for Registration.”

How to Register Online

To protect your confidentiality, it is strongly recommended that each student process their own registration.

All administrative, financial, and academic holds must be cleared before you are allowed to register for classes.

Be prepared. The class that is your first choice may not be open. Select an alternative section of the course before beginning your myRam Portal session.

The registration system does not allow time conflicts, multiple registrations in the same course; enrolling in a course without fulfilling the prerequisites; multiple unauthorized repeats; and exceeding the maximum number of units (18 semester units, Fall and Spring; 9 semester units Summer).

After the student has officially registered in classes, the student may add a course, change a section, drop, or withdraw from a course within certain dates specified in the Calendar of Instruction. Information regarding these procedures is available in the online time schedule or from the Office of Admissions and Records.

Note: The Registration Center will charge a one-time \$3.00 fee per semester for original myRam Portal online registration. There is no additional charge during Add/Change of Section/Drop/Withdrawal period.

Class Attendance

Students are expected to attend class regularly and punctually. At the first class meeting, the instructor provides the student with a class syllabus, defining the rules of attendance. If you are unable to attend the first class session, contact the instructor directly before the class begins.

A student who is absent from a class for any reason is responsible for the content covered during the absence and for making up any class work that was required.

Excessive tardiness may be considered equivalent to an absence.

If the instructor drops/withdraws the student from a class for excessive absence, the student may request a Drop Reinstatement from the instructor, and may return to class upon the instructor’s approval.

A student who stops attending a course and does not drop/withdraw from the class may receive a failing (F) grade from the instructor.

Do not rely on the instructor to drop/withdraw you from class for non-attendance. It is the student’s responsibility to drop/withdraw within the deadline dates. Please see the current semester’s Calendar of Instruction.

Auditing/Co-Enrollment

Classes may not be audited. Only students who are officially enrolled in a course may attend class.

CCSF City Extension in partnership with the CCSF Credit Department offers course availability for students not eligible for Course Repetition or for those students that do not need course credit for transfer or an associate degree.

- Registration for Co-enrollment starts on the first day of instruction.
- Co-enrollment registration will be processed after the Credit Add/Drop period is over.
- CRN numbers and Add Codes are not accepted for Co-enrollment.
- To register or find out more information about Co-Enrollment, please visit the City Extension website: <https://www.ccsf.edu/academics/contract-education-and-extension-programs/city-extension-co-enrollment>.
- To register for the Wellness Center, please visit our website: <https://www.ccsf.edu/academics/contract-education-and-extension-programs/fitness-center-and-pool-semester-memberships>.

If you have any questions, please contact CCSF City Extension: 88 4th St., San Francisco, CA 94103; email: ccsf.extension@ccsf.edu

Student Email

All City College students are issued a CCSF email address, provided by Google. All official CCSF email will be sent to the CCSF Gmail address. By using the CCSF Mail address, CCSF can ensure that students receive registration, financial aid and other important information. Students have the option to forward CCSF Gmail messages to an email account which they check regularly.

24 Admission to the College

Students can find information about their CCSF Gmail address and password by:

1. Logging on to myRam
2. Selecting Student Portal.
3. Selecting “myProfile”

Additional information may be obtained by phone from Gmail Help Desk at 415-239-3987; by email at mailhelp@mail.ccsf.edu; or from the CCSF Mail FAQ website at <http://ccsf.edu/gmailfaq>. The FAQ website has details for logging on and forwarding email to a different address.

Students who object to using Google software should go to the Admissions and Records Office to request City College notifications via hardcopy.

Admissions Policy (Noncredit Classes)

Anyone 18 years or older can enroll in a noncredit class.

Students may enroll in most classes by attending the first class meeting. Provided space is available, students may also enroll in most classes any time during the semester because these classes are open entry-open exit. Class and program information may be obtained from the individual locations.

Note: Students enrolling in ESL, Citizenship, or Transitional Studies classes, and many Business, Trade & Industry, Child Development & Parent Education, or DSPS classes must participate in the Steps to Become a CCSF Student outlined below.

Student Success and Support Program (SSSP) for Students Enrolling in Noncredit Classes

The Steps to Becoming a CCSF Student is a process that enhances student access to the California Community Colleges and promotes and sustains the efforts of students to be successful in their educational endeavors. Noncredit enrollment steps, minimally, include:

- **Assessment** (of English or ESL and math skills, career interests)
- **Orientation** (to noncredit programs and procedures)
- **Counseling** (to assist students in identifying educational and career goals and developing an appropriate program of study)

Please contact the Admissions and Enrollment Office at the location that you wish to attend for more information.

How to Enroll in Free Noncredit Courses

Students can earn special certificates and/or diplomas by enrolling in the noncredit division. Courses include Adult Basic Education (ABE), Business, Child Development and Family Studies, Citizenship, Consumer Arts and Sciences, Consumer Education, Disabled Students Programs and Services, English as a Second Language (ESL), GED, High School, Older Adults, and Trade and Industry.

Noncredit division courses are tuition free. However, students are expected to buy books and supplies. A few courses require the purchase of additional materials or the payment of a materials fee.

For the most accurate and up-to-date enrollment information, please contact the location offering the course you want to take. The locations and contact information are listed on the CCSF website at www.ccsf.edu/our-locations. Counselors are available to help you select and enroll in classes.

New students are required to complete a Noncredit Application. You may complete a Noncredit Application by 1.) Going to www.ccsf.edu on your web browser; 2.) Clicking on the Admissions/Registration link; 3.) Clicking on noncredit admissions link; 4.) Clicking on non

credit application link. Students may also pick up an application at the location they plan to attend and submit it to the Office of Admissions & Enrollment.

Programs such as ESL, Citizenship, Adult Business Education/High School, DSPS, Child Development and Family Studies and short-term vocational courses such as Office Technology and Trade and Industry require that students go through the Steps to Becoming a CCSF Student. Please contact the Admissions & Enrollment office at the location that you wish to attend for more information.

In many cases, you can enroll in classes by attending the first class meeting. You can also enroll after the start of the semester. Speak to a counselor or the instructor.

IMPORTANT: International students with a F1 visa may enroll in noncredit courses as long as they are concurrently enrolled in at least 12 units (having full-time status) at their Home School. **NONCREDIT COURSES CANNOT COUNT TOWARD FULL-TIME STATUS.** Please check with your International Student Counselor for more information. B1 or B2 Visa is NOT permissible documentation for enrollment in class.

Eligibility for Noncredit High School Program

Students must be 18 years old or older, or if between 17 and 18 years old they must have an exemption from their home school district.

GENERAL INFORMATION

SONG OF THE SPIRIT (DETAIL), 1999 (PHOTOGRAPH BY KATIE LOUX)

GENERAL INFORMATION

General Programs Of Study

Career Education Programs

City College of San Francisco provides Career Education (CE) to meet the needs of students, employers, and the community. CE programs are developed in cooperation with industry, organized labor, professional organizations, subject matter experts, and outside credentialing agencies to assure they are relevant and up-to-date. CE programs consist of specialized occupational training designed to:

- qualify students for entry-level employment
- help students build or upgrade skills in fields in which they have prior experience or training
- prepare students for external certification or credentialing in certain fields

Credit and Noncredit Programs. Most CE programs earn college credits (or units) that may be applied toward a college degree; others consist primarily of noncredit courses. For more information about credit or noncredit classes in a specific program, please consult the “Programs and Courses” section of this catalog.

Program Completion Awards. CE programs consist of a series of courses designed to prepare students for entry-level employment in a specific field of study. Upon successful completion of the program, students may earn an associate degree (A.S. or A.A.), a credit certificate (Certificate of Achievement or Certificate of Accomplishment), or a noncredit certificate (Certificate of Completion or Certificate of Competency).

Certificate programs consist primarily of CE courses, and are generally 12 to 30 units. Associate degree programs require 60 or more units of coursework, including courses required for the major and for General Education.

Skills Building. Students who have prior experience or training in a field may enroll in specific CE classes within a program in order to upgrade or build their skills, improve their employability, prepare for an external credential, or advance in their current career.

Employment. Although the College cannot promise employment, it uses various means of helping students find positions. Instructors in career and technical fields maintain advisory committees and extensive contacts with employers, and can assist students in making valuable connections with employers. CE programs, in partnership with employers, often have recruitment programs through which students meet employers on campus. Many programs have off-campus work experience or internship opportunities. Additionally, students can access Career Services, including Career Development Counseling and online resources, at www.ccsf.edu/CareerServices.

Transfer. A student pursuing career education and transfer to a university should refer to the college catalog to determine which courses are transfer eligible and seek advisement to ensure they have an updated student educational plan on file.

Work Experience Education. City College provides a variety of structured work-based and school-based learning experiences through cooperative agreements between the student, the employer, and the instructor in several academic and career and technical courses. Students who fulfill the agreement achieve several job objectives and earn transferable college units. For more detailed information about work experience and internship classes in a specific program, please consult the “Programs and Courses” section of

this catalog. Additional information can be found at www.ccsf.edu/WorkExperience.

Transfer Program

Credit earned in City College courses is transferable to universities and colleges, but not on a uniform basis, since the transfer policies of these institutions vary. Students who intend to transfer may satisfy lower division requirements for the professions or the liberal arts, and transfer to baccalaureate degree-granting institutions.

Articulation agreements which list detailed information concerning specific majors and which describe course transferability and applicability between City College of San Francisco and baccalaureate degree institutions are available online at www.assist.org and at www.ccsf.edu/artic.

Specific Programs Of Study

Programs for High School Students

We offer three types of programs for high school students. All classes are free to high school students residing in California (except for international students, including F1, B1/B2, J1 VISA holders). For more information on any of these programs, please check with your school counselor or email the High School Programs Office at dualenrollment@ccsf.edu.

Supported Dual Enrollment. In partnership with San Francisco Unified School District, CCSF offers cohorted classes for high school students to pursue common programs of study and receive college credits.

Concurrent Enrollment. This program allows high school students to enroll independently in college level courses outside of their regular school program. Students must have 120 high school credits. For more information, please contact hse enroll@ccsf.edu.

High School Credit Recovery Program. This program allows students to recover high school credits through CCSF’s Transitional Studies Program. Classes are held afterschool, on Saturdays, and in the summer at various CCSF and high school locations.

City Summer Youth Academy - <https://www.ccsf.edu/academics/contract-education-and-extension-programs/city-summer-youth-academy>

CCSF Extension

CCSF Extension is the extended learning program of CCSF, providing education and training for community members. CCSF Extension is fee-based and self-supporting.

For community members, CCSF Extension offers programming in culture, recreation, personal interest, and life-long education. Workshops are available in a wide variety of areas such as Art, World Languages, and Personal Finance.

During the summer, College for Teens offers a summer enrichment program for middle-school and high-school aged youth.

Through Co-Enrollment, students can repeat CCSF courses for a nominal fee.

To learn more about CCSF Extension see www.ccsf.edu/contined or email ccsf.extension@ccsf.edu.

Contract Education

Businesses, government offices, trade unions, and community agencies within San Francisco work with CCSF Extension to create employee retention, training and development programs. Programs are held at

the client's work site or at a CCSF center. For more information, see www.ccsf.edu/academics/contract-education-and-extension-programs.

Ethnic Studies and Social Justice

Through the Ethnic Studies and Social Justice departments in the School of Behavioral Sciences, Social Sciences, Ethnic Studies and Social Justice, the College seeks to promote greater understanding of the cultures, history, contributions, and intersecting identities of ethnic groups in the Americas and globally, the working class, the LGBT communities, and women. The departments are also designed to serve the broad educational needs and interests of the student body and to provide the curricula necessary to satisfy the degree requirements of the various departments of instruction in diversity and social justice.

Admission. Enrollment is open to all students. Students may choose to transfer to a four-year institution, complete a major, earn a degree or certificate or complete a particular course or group of courses. In some instances, students may be required to satisfy prerequisites before enrolling.

Curriculum. The courses offered by the African American Studies Department (AFAM); Asian Studies Department (ASIA); Asian American Studies Department (ASAM); Interdisciplinary Studies (IDST); Labor and Community Studies Department (LBCS); Latin American and Latino/a Studies Department (LALS); Lesbian, Gay, Bisexual and Transgender Studies Department (LGBT); Philippine Studies Department (PHST) and Women's and Gender Studies Department (WGST) are listed under the above headings/titles in the "Programs and Courses" section of this Catalog and throughout the schedule of classes.

Family Studies - CDEV Department

Noncredit course topics include infant development, preschool years, school age child, adolescents and their families, child-parent relationship, parents in the business community, state preschool, preschool parent participation, child development centers, and foster parent training. Classes are free and offered in convenient locations in the city. For enrollment information, call (415) 239-3172 or visit the Multi-Use Bldg., MUB 249 on the Ocean Campus. For enrollment information in CCSF Child Development Centers, call (415) 561-1895. Training for foster parents and kinship care providers and those interested in their issues/concerns is available through a special grant from the California Community College State Chancellor's office. For further information call (415) 239-3172 or visit our website at: <https://www.ccsf.edu/academics/schools/business-fashion-hospitality/child-development-family-studies-department>.

Honors Program

The Honors Program offers students an enhanced educational experience along with potential transfer and scholarship benefits.

Honors courses provide students with an enriched curriculum either in:

- specific sections of core transfer courses or
- honors contracts (Students complete an agreement with the faculty member for Honors work in addition to the regular course work.)

Transfer Benefits of Honors Work. In either case, the course is designated "Honors" on the student's transcript.

Many universities and colleges recognize the academic achievement represented by Honors courses with preferential transfer tracks, supplemental points in transfer evaluation, scholarships for honors students, etc. Successful completion of honors course work can be a

big asset especially in transferring to programs in heavy demand at universities.

CCSF Honors students may also look forward, after transfer, to participation in honors programs in many universities and colleges.

Eligibility for Honors Courses. While any CCSF student may take an honors course, to participate fully in the Honors Program and have your work recognized on a certificate, you need to meet ONE of the following criteria:

- College GPA of 3.0 or higher
- SAT score of 1650 (1100 if pre-Spring 2005) or higher, ACT score of 24 or higher
- TOEFL score of 500 (PB+), 61 (IB+), or 173 (CB+)
- Score of 4 or higher on AP classes in high school

To remain in the program, you must maintain a GPA of 3.0 or better. To receive an Honors designation on a certificate, you must complete at least 15 units in Honors. By completing at least 15 units via at least five honors classes you may also be eligible for our Honors Transfer Partnerships, which will give you preferential treatment when applying for a variety of colleges and universities. Most of these partnerships require that you do no more than 9 of your 15 units of honors credits during your last semester at CCSF. Please note that while completing 15 units is an admirable goal, it is not a requirement for membership. The word "Honors" will appear on your transcripts next to all honors classes you complete, even if you do not complete all 15 units.

UCLA Transfer Alliance Program. If you are applying for the UCLA Transfer Alliance Program, at least 6 of the 15 required Honors Program units for certification must be completed by the end of the fall semester the academic year before the student wants to begin at UCLA. So for example if a student wants to start at UCLA in the fall of 2011, s/he must complete at least 6 honors units of the required 15 honors units by the end of fall 2010 in order to get TAP certified. The remaining 9 units can be completed in the spring. It should also be noted that in order to be eligible for TAP certification, the student's "UC GPA" must be at least a 3.0. TAP certified students are eligible for priority admissions to the UCLA College of Letters and Science and may be eligible for UCLA honors scholarships. Please visit <http://www.ugeduction.ucla.edu/tap/> for additional details on the UCLA TAP Program.

Honors Courses Offered. Check the Time Schedule for the list of courses in honors each semester. Look under "Honors Courses." Honors courses at City College have included the following instructional areas: anthropology, art, Asian American Studies, biology, broadcasting, business, Chinese, economics, English, French, geography, interdisciplinary studies, Japanese, mathematics, music, nutrition, political science, psychology, sociology, Russian, Spanish, speech, and Women's Studies.

The Honors Program instructors will work with all CCSF students on honors projects with some exceptions. Some instructors are so popular with honors students that they cannot work with everyone that wants to do honors projects with them. They may give students a test and work with only the top scorers. Others may have various other criteria. Some instructors will not work with students on honors projects who have not earned a CCSF GPA of 3.0 or higher (your GPA goes on the honors contract form so that is how they know about it). The best way to find out is to ask them. The CCSF website (<http://www.ccsf.edu/Info/Dir/dir.shtml>) has every instructor's e-mail address and phone number on it so students can ask them.

For questions concerning the Honors Program, please call the Honors Office Cloud Hall 214 at (415) 239-3376 or e-mail

skudsi@ccsf.edu. Additional information is also featured on our web page: <http://www.ccsf.edu/Departments/Honors>.

Intensive English Program for International Students

City College of San Francisco offers an intensive English program for college-oriented students on F-1 (student) visas. The program is one semester (18 weeks) or nine weeks in length, 20 hours per week, and prepares the student for further academic study and to achieve a higher score on the TOEFL examination. A 4 or 8 week summer program is also available. For additional information, contact the Intensive English Program, City College of San Francisco, 50 Frida Kahlo Way, Box C-208D, San Francisco, CA 94112, USA or call (415) 239-3895 or visit the CCSF website: www.ccsf.edu/international. E-mail: international@ccsf.edu.

Interdisciplinary Studies (IDST)

The Interdisciplinary Studies Department is committed to innovation, diversity, and collaboration. The College provides interdisciplinary instruction through courses in design, sexuality studies, diversity and social justice, middle east studies, pacific island studies, behavioral and social sciences, humanities, and ethnic studies. The courses are listed under “Interdisciplinary Studies” in the “Programs and Courses” section of this catalog.

Labor and Community Studies (LBCS)

Credit and noncredit classes in employment rights, leadership development and power relations in society are offered throughout the year. Classes include organizing for economic and social justice, collective bargaining, shop steward training, working class history, health and safety, environmental justice, social action theater and music. Students can earn an Associate in Science Degree.

Lesbian, Gay, Bisexual, and Transgender Studies (LGBT)

The LGBT Studies Department at CCSF was the first in the United States and the second in the world. From the 1980’s onward, this has been a vibrant program that now offers students an A.A. degree in the field. The courses in LGBT Studies focus on intersecting identities and the ways that race, ethnicity, socio-economics, religion, and other social structures interact with gender identity/gender expression and sexual orientation. The LGBT Studies department has articulation agreements with Napa Valley College’s certificate in LGBT Studies as well as San Diego State University’s B.A. in LGBT Studies. LGBT Studies aims to promote objective understanding of the complexity of gay, lesbian, bisexual, transgender and queer experiences while serving the broad educational needs of the student body. The department hopes to increase social and cultural awareness and competency particularly to students going into healthcare and/or educational settings.

Noncredit Programs, Services, and Resources

Students enrolled in noncredit courses have access to a variety of services which are designed to help each student attain educational and career objectives. There are counseling services for students seeking postsecondary and/or continuing education as well as vocational training. Counseling services reinforce the overall goals and objectives of the College. Adults seeking assistance and guidance are helped to become financially, educationally, and personally self sufficient.

City College offers the GED tests in English and Spanish. Special editions are available for the legally blind. Modifications and special accommodations for students with disabilities can be made by prior arrangement and approval of the State GED Administrator only after providing supporting documents.

HiSet testing is also available. The HiSet Test is the new alternative test to the GED. The HiSet diploma/certificate is also accepted by employers and accredited colleges in all 50 of the United States.

Students and members of the public who wish prepare for the exams should enroll in Transitional Studies GED/HiSet preparation courses offered at several CCSF locations. The City College of San Francisco GED Testing Center is located at the Mission Center, 1125 Valencia St. Rm 110 San Francisco, CA 94110, (415) 561-1824 GED Testing Computer Lab: Room 105.

Older Adults Classes. OLAD offers lifelong education providing opportunities for personal growth and creativity. Designed for ages 55 and over, courses are taught at different center locations in San Francisco. The free noncredit classes are available in a variety of subject areas including art, health and physical well-being, body dynamics and aging, principals of balance, and more. Students may enroll on site at class locations at any time during the semester.

Transitional Studies. The Transitional Studies Department offers noncredit classes that are free of charge, offered at Mission Center during the day and evenings. Courses include a wide variety of High School subjects, GED/HiSet preparation and Adult Basic Education in reading, writing, mathematics and study skills. In the Transitional Studies Department, students may earn CCSF HS Diploma, transfer high school credits to other schools, study to pass the GED or HiSet, and improve academic skills. Student goals may be to prepare for academic college credit courses, vocational training programs, the workplace, and life enrichment. Courses may be small or large group instruction, individualized, and may include computer assisted instruction and field trips. Online instruction is available. Telephone: (415) 920-6042 website: <https://www.ccsf.edu/academics/schools/esl-international-ed-and-transitional-studies/transitional-studies-department>.

Philippine Studies (PHST)

The Philippine Studies Department at CCSF is the only department of its kind in the United States. Established in 1970 in response to student and community demand, the Philippine Studies Department was one of the first two Ethnic Studies departments created at the college. Courses in Philippine Studies create opportunities for students to critically understand and analyze the political, historical, ethnic, cultural, and social complexities of the Philippines, as well as the nuanced experiences of Filipina/x/os in the diaspora, to prepare students to be responsible global citizens. Our students examine the intersections of race, ethnicity, labor, faith, politics, gender and sexual orientation, language, mental health, socioeconomic, and migration in each of the courses we offer. The department offers the only A.A. degree in Philippine Studies in the United States, as well as a Certificate of Achievement in Philippine Studies, and a Certificate of Accomplishment in Filipino (language).

Online Learning

Online classes provide students with the opportunity to learn in an environment that is physically remote from their instructors and classmates, making it easier to balance higher education goals with other responsibilities. Some online classes require students to come to a CCSF campus for orientations, weekly or monthly mandatory meetings, and exams. Online classes may require textbooks, assignments, exams, and frequent interaction between students and instructors. Many online classes meet local (CCSF) associate degree, transfer associate degree, certificate, and CSU/UC transfer requirements. Students may choose to combine online learning with on-campus classes or take an entire course load online. Online classes are as demanding

as lecture classes. Students must be self-motivated, possess effective study skills, and be able to work independently. Some online classes require program downloads as well as minimum hardware and software requirements. CCSF uses the learning management system called Canvas (<https://ccsf.instructure.com>) for all its online classes and Zoom as a web-conferencing tool. We strongly encourage online students to have basic experience with the Internet and we require that they have regular access to a web-enabled device. Some technology tools are only accessible with a laptop or desktop. Some courses may require students to use a webcam in order to meet the student learning outcomes, both during class and for required assignments. Some coursework may need to be recorded and submitted on video. (Students without such devices may use computers on campus in designated CCSF labs.) Registration for online classes is the same as for in-person classes. Information on course offerings is listed in the online Class Schedule. Visit <https://www.ccsf.edu/academics/online-learning> for information about what to expect in an online class and guidelines for successful online learning.

Women's and Gender Studies

In Spring 1971, City College of San Francisco offered its first course directed specifically to women's interests and educational objectives, Interdisciplinary Studies 20, Women in the Modern World. Its success led to the institution of the Women's and Gender Studies program, one of the first in the nation. Today, more than thirty courses are taught in various disciplines, focusing on the complex roles of women in society. The department houses Project SURVIVE, a sexual health education program that works to end sexual assault, intimate partner violence, and structural violence. Women's and Gender Studies courses are open to all students. Please see "Women's and Gender Studies" in the "Announcement of Programs and Courses" section of this catalog for details.

Other Areas Of Interest

Fitness Center

Fitness Center provides a full-body workout equipped with Life Fitness strength machines and cardio machines, including programmable treadmills, elliptical trainers, and bikes. The Fitness Center staff are CCSF instructors in the Physical Education and Dance Department, with a range of experience including strength, sports, dance, pilates, yoga, aerobic fitness, and rehabilitation techniques. Students must enroll in PE 200B/C in order to use the Fitness Center.

Intercollegiate Athletics

Intercollegiate athletics are offered for men and women. College teams compete in the Coast Conference and with teams from other California Community Colleges. Intercollegiate sports include baseball, basketball, football, soccer, swimming, tennis, badminton, volleyball and water polo.

Intercollegiate Speech and Debate Team

CCSF's Speech & Debate Team is a unique program on campus where students develop their personal and political voices. Through creative and argumentative development students apply critical thinking and performance skills to contemporary social issues, and then test those skills against other students in inter-collegiate competition. CCSF is a nationally ranked forensics team, competing in various formats of debate, oratory and interpretation events. For more information, contact Alexis Litzky or Nathan Steele by calling 415-452-7126 or emailing forensics@ccsf.edu. Enroll in CMST 38 to prepare for competition.

Performing Arts

Performances given by students enrolled in courses in music, dance, and theatre arts contribute much to the enrichment of campus life.

The Music Department schedules both professional and student recital series each semester, presenting an average of two concerts weekly. Audiences from the College as well as the community-at-large are invited to attend without charge.

Frequent campus and community programs are also offered by the College dance classes. Dancers of all degrees of ability may study and perform a variety of dance styles, including classical, modern, jazz, folk, ethnic, social, tap, and square dancing.

The Theatre Arts Department offers at least one major production each year. Participation is open to all students regardless of experience and background. In addition, smaller dramatic productions are sometimes developed that may include dinner theatre, touring productions, and club sponsored productions. Occasionally, all three performing arts areas cooperate to produce a major production.

Student Housing

The College does not provide residences for students. Individuals may post advertisements on campus in accordance with the District Posting and Distribution Guidelines. CCSF does not assume any responsibility for the condition of the rentals listed.

Symphony Forum

City College students may attend Wednesday and Friday evening concerts of the San Francisco Symphony Orchestra on a season-ticket basis. This activity is made possible through the San Francisco Symphony Forum, a self-governing student organization representing many Bay Area collegiate institutions. In addition to concert attendance, students are offered the opportunity to meet guests of the Orchestra, both on the various locations as well as after performances in Davies Hall. City College also sends students to usher at many performing arts houses in exchange for free admittance to the shows. More information can be obtained from Creative Arts Building, Room 213.

STUDENT FINANCIAL RESOURCES

Financial Aid Services

College Policy on Financial Aid

All financial aid at CCSF is administered in accordance with policies and procedures which have been established nationally. The basis of such programs is the understanding that students and their parents have the primary responsibility to meet educational costs and that financial aid is available to fill the gap between the family's and/or student's contribution and allowable educational expenses. The amount of expected student or family contribution is determined by a careful analysis of financial strength: income and net assets which the family may have versus the allowable expenses.

Educational expenses which are considered a basis for establishing student need include nonresident tuition, fees, books and supplies, room, board, transportation, and personal expenses. The CCSF Financial Aid Office has an established student budget to reflect the costs of each of these items based on a statewide cost survey.

Financial Aid Federal Programs

City College of San Francisco (CCSF) participates in a variety of federal and state financial aid programs. These programs are designed to assist students with tuition, fees, books, supplies, transportation and room and board.

Most financial aid programs require a student to be enrolled at least half-time in a degree, certificate, or transfer program. Federal aid eligibility is also limited to students who are U.S. citizens, permanent residents, or other eligible non-citizens. Additional eligibility requirements apply to each program and may be obtained from the Financial Aid Office. Students with bachelor's degrees are not eligible for grants. Financial aid consists of programs which are funded and regulated by the federal and state governments.

To apply, students must complete a Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov. CCSF Federal School Code is 012874. The priority deadline to apply is March 2 to be eligible for all available aid. However, you may still apply after March 2, although funding may be limited. Visit the Financial Aid Office for further information located in MUB, Room 270 or visit Financial Aid the web page at www.ccsf.edu/en/student-services/financial-aid.html. The federal government offers a variety of grants for students.

Federal Pell Grant - This grant is available to all eligible applicants. Limited eligibility may also be available to less than half time students.

Federal Supplemental Educational Opportunity Grant - A limited number of grants are available through this program. Priority is given to students who apply by the priority deadline and have exceptional need.

Federal Work Study - This program allows students to seek employment for on and off-campus jobs. Students generally work up to 15 hours per week. The program encourages community service work and work related to the student's course of study. If the student works off campus, the employer will usually be a private non-profit organization or a public agency, and the work performed must be in the public interest.

Federal Direct Loan Program (FDLP) - Students may apply for a Subsidized or Unsubsidized loan from the federal government. Loans are monies which are borrowed now and must be paid back after leaving school with interest.

Financial Aid State Programs

The state of California offers a variety of grants for students. The California Dream Act of 2011 is the result of two assembly bills (AB130 and AB131). Together these bills allow undocumented and documented students who meet certain provisions of AB540 law to apply for and receive private scholarships funneled through public universities, state-administered financial aid, university grants and community college fee waivers. To apply, students must complete a free California Dream Act application with the California Student Aid Commission online at <https://dream.csac.ca.gov> each year by March 2nd for priority filing.

Cal Grants - The California Student Aid Commission awards Cal grants. Students must be legal residents of California and have financial need. To be considered, students must complete a Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov, or Dream Act application at <https://dream.csac.ca.gov> and submit a GPA Verification form by March 2 or September 2

- **Cal Grant A** - This grant helps students with dependent children attending community college. This grant had been previously offered at the University of California and California State University.
- **Cal Grant B** - This grant helps disadvantaged students attending a community college with living expenses, books, supplies, transportation and other non-direct educational expenses.
- **Cal Grant C** - These awards help vocational program students with tuition and supplies.

Chafee Grants - The California Chafee Grant Program awards funds to eligible current or former Foster Youth. Eligible Chafee applicants are required to be, or to have been, in foster care between their 16th and 18th birthdays, and must not have reached the age of 26 by July 1st of the award year. A student must be enrolled in a minimum of 6 units (half-time) to be considered. A student must complete a FAFSA or Dream Act Application

Student Success Completion Grant (SSCG) - All community college students receiving Cal Grant B or Cal Grant C will be offered this assistance. Only full time students are eligible for this benefit.

California College Promise Grant (Formerly Board of Governors Fee Waiver) - The California College Promise Grant (CCPG) helps to pay the per unit enrollment fee for all eligible applicants. If you request a few waiver, you will be asked to sign a CCPG application under the penalty of perjury that all statements and information are correct. You must be a California resident in order to apply.

- **CCPG A** - If you or your family receives Temporary Assistance for Needy Families (TANF), Supplemental Security Income (SSI), or General Assistance/General Relief, you may qualify for BOGW A.
- **CCPG B** - The student (or their parents, if dependent) must meet the maximum income guidelines.
- **CCPG C** - You have qualified for federal or state financial aid, such as a Federal Pell Grant or Cal Grant based on the FAFSA application results.

- **CCPG Special** – If you are a dependent student of qualified Veterans (CalVet), Congressional Medal of Honor recipients; Victims of the September 11, 2001 terrorist attack; and deceased law enforcement/fire personnel killed in the line of duty you may qualify for a BOGW Special. Proof of eligibility from the appropriate agency is required.

Financial Aid Institutional Programs

Free City – Free City is an institutional award program that began in Fall 2017. Supported by the voters of San Francisco, the Free City Program represents a partnership between City College of San Francisco and the City and County of San Francisco. Created to fund the educational goal of San Francisco residents, the program provides eligible City College of San Francisco students with tuition assistance that can cover their enrollment fees. Students' final eligibility for the Free City Program is determined by the Financial Aid Office after all Federal and State assistance has been exhausted. Free City Program is for Fall, Spring and Summer semesters. To qualify for the Free City Program at City College of San Francisco, you must continue to be a California resident living in San Francisco.

Student Emergency Funds Application (SEFA) – The Student Emergency Fund was established in the Fall 2020 to financially assist City College of San Francisco students who find themselves in unexpected financial hardship due to circumstances beyond their control. This fund exists to support such students when referred by faculty, Administrator or staff members of City College of San Francisco.

Satisfactory Academic Progress

Federal regulations require that all students receiving financial aid comply with the financial aid Satisfactory Academic Progress Policy established by the College. To receive financial aid, students must maintain the standards described below.

- Maintain a cumulative GPA of 2.0.
- Must complete 67% of all units attempted
- Complete a financial aid eligible educational program within 150% maximum time frame (MTF)

Return to Title IV Funds

In accordance with the Federal Regulations HEA, Section 4848, 34 CFR 668.22, CCSF will apply a refund policy to all eligible students under the Return to Title IV funds requirements. Students who receive federal financial aid and withdraw from all classes prior to completing at least 60% of the semester will have their financial aid eligibility recalculated and may have to repay any “unearned” portion of financial aid received.

Financial Aid Payment of Nonresident Tuition and Enrollment Fee Charges

After the Office of Tuition and Fees determines current student non-resident tuition and enrollment fee charges, payment will be deducted from the student financial aid award. Charges which are not met with financial aid are the responsibility of the student.

Withholding of Services to Students in Default on Loans or Owing Refunds

If a student or former student is in default on a Title IV loan or on a Federal Perkins Loan or owes a refund on a grant (Pell, FSEOG), the District shall withhold the following services: provision of grades, provision of transcripts, and provision of diploma. The term “default”

is defined by the U.S. Department of Education as the failure of a borrower to make an installment payment when due or to meet other terms of the promissory note. The services withheld may be provided in certain circumstances which will be addressed on an individual basis by the administration.

CalWORKs

CalWORKs (California Work Opportunity and Responsibility to Kids) is designed to assist individuals moving from welfare to work. The CalWORKs program at City College of San Francisco provides education, training and support services. It also links students to employment opportunities related to the student's employment goal. Through this program students receive assessment, counseling services, assistance with textbook purchases, transportation, and child-care. For additional information, please visit the website at www.ccsf.edu/info/CalWORKs.

Financial Aid, CalWORKs, EOPS, Guardian Scholars, HARTS, and Scholarships

Student Financial Resources are the offices of Financial Aid, CalWORKs, EOPS, Guardian Scholars, HARTS, and Scholarships. Together they serve students who need assistance in meeting the basic cost of their education. This section outlines the programs and the students the programs serve and basic eligibility requirements. Because funds are limited, federal and state regulations require that Financial Aid funds go to students who demonstrate financial need.

City DREAM

A program design to provide a safe environment for undocumented students, students from mixed status families, and all students affected by immigration or citizenship status. We also welcome and support incoming or prospective students; **the program provides academic counseling, Food voucher, scholarships, Financial Aid assistance and other support services. For additional information please visit the website at <https://www.ccsf.edu/student-services/resource-centers/city-dream>. or call (415) 452-5919**

Extended Opportunity Programs and Services (EOPS)

The Extended Opportunity Programs and Services (EOPS) assists low-income, educationally disadvantaged students who are eligible for CCPG (A, B or C with EFC \$0) by providing support services that are over, above, and in addition to those provided by the College as a whole. A state-funded program, EOPS provides counseling, priority registration, orientation to college, financial aid advising, book services, transfer workshops, and CSU and UC transfer application fee waivers, and other services to enhance student success. In addition, eligible EOPS students that are at least 18-years-old, single head of household, and receiving County Cash-Aid/TANF or if their child(ren) are receiving County Cash-Aid/TANF may participate in the Cooperative Agencies Resources for Education (CARE). CARE students are provided with meal cards, workshops, and grants. All EOPS and CARE services are dependent on availability of state funding. Noncredit and international students are ineligible for EOPS services. Students must have earned less than 70 degree applicable units from all higher education institutions, in addition to meeting other eligibility criteria. EOPS services for eligible EOPS students are limited to 70 degree applicable units, unless the student is in a high unit major identified by the state. Visit the Extended Opportunity Programs and Services office located in the EOPS Center adjacent to Smith Hall. Go to our webpage at www.ccsf.edu/Services/EOPS for more information on eligibility criteria or call (415) 239-3562.

34 Student Financial Resources

Guardian Scholars

A college retention program for current or former foster youth ages 18-25. The program provides services, such as resource center with computer lab/printing, financial aid guidance, book vouchers, transportation passes, matriculation support and referrals to community-based resources. For additional information please visit the website at: <https://www.ccsf.edu/student-services/support-programs/guardian-scholars-program>.

Homeless At-Risk Transitional Students Program (HARTS)

The Homeless At-Risk Transitional Students (HARTS) serves current CCSF students who are housing insecure. HARTS provides student-centered support services that create fewer opportunity gaps and impact student retention. Program services include: resource center with computer lab/printing, financial aid guidance, meal vouchers, transportation passes, matriculation support and referrals to community-based resources.

For additional information please visit the website at: <https://www.ccsf.edu/student-services/support-programs/harts-program>.

Scholarship Office

The Scholarship Office assists students in applying for scholarships. For additional information please visit the website at www.ccsf.edu/scholarships. Scholarships are competitively awarded and based on the criteria specific by the donor.

LEARNING RESOURCES AND STUDENT SERVICES

Learning Resources

City College Learning Resources provide equitable access and instructional support to facilitate academic achievement and personal growth. The faculty and staff are available to answer all inquiries into resources, and to provide assistance and instruction in their use.

The College Library

CCSF provides library services at Ocean Campus and all centers throughout the District. Library collections are closely tied to the curriculum at each location. Librarians provide in-person and online assistance in support of student needs. Libraries provide study spaces, student computers, printers, and other technology. The library also maintains extensive online content in the form of database articles, encyclopedias, and ebooks.

The Media Center/Collaboratory at Ocean Campus supports the instructional media needs across the District. Its collection includes physical and online media. The Collaboratory is a makerspace where students can work together on interdisciplinary projects. It hosts events, clubs, and activities throughout the year.

Library hours are aligned with the needs of the location. The library instructional program is provided at the reference desk, in instructional classrooms, by online workshops, and through a credit class. The library provides online reference service 24-7. The library website (library.ccsf.edu) contains current information about library services, collections, instruction, exhibits, and programs.

Library Locations:

The Claude and Louise Rosenberg Library & Learning Resource Center is the largest library at CCSF. It is located on the Ocean Campus and also houses the Diego Rivera Collection and College Archives. The Collaboratory/Media Center is located at Rosenberg 403. It serves as a makerspace and provides students access to a wide range of computers and technology. **The Media Center** supports faculty with instructional media needs. **The Alice Statler Library**, on the lower level of the Statler Wing of Smith Hall, provides resources tailored for instructional programs in Culinary Arts and Hospitality Studies.

Library Services support the development of program pathways for certificate and degree earners at locations throughout the city. **The Chinatown-North Beach Center library** is located on the 2nd and 3rd floors at 808 Kearny Street. The library houses a significant collection of Chinese Language materials and emphasizes ESL, child development and basic education. **The Downtown Center Library**, located on the 2nd floor at Fourth and Mission Streets, houses collections supporting programs in ESL, business and careers, Fashion, World Languages and computer technology. **The Evans Center Library** is located at 1400 Evans Avenue, 2nd Floor Room 223. The collection supports programs in automotive, basic skills, construction, custodial, ESL, fashion, motorcycle, building maintenance, welding, maker studies, upholstery and woodworking. **The John Adams Library** is located at 1860 Hayes Street, Room 204. The collection has a strong emphasis on Allied Health fields, ESL, business and careers, computing and basic education. **The Mission Center Library** is located on the fourth floor of 1125 Valencia Street. The collection supports programs

including ESL, Transitional Studies, Business computer technology, DSPS, Older Adults, Child Development, Construction Management, Journalism, Latin American/ Latino Studies, Spanish, Visual Media Design, Broadcasting, and Puente. It houses books and audio-visual materials.

Student Tutoring and Resource Center (STAR CENTER), www.ccsf.edu/star, located in Rosenberg Building, 2nd floor, R207, is part of the Learning Assistance Department and provides an array of services and programs. Tutoring services and college success classes are available in-person and online. It is designed to support student success by providing collaborative, equitable, high-quality academic support, such as peer and professional tutoring, college success courses, workshops, a TRIO Writing Success Project and access to computers and printing. The STAR Center provides one-to-one and small-group tutoring in 25+ subjects including all levels of mathematics, chemistry, physics, accounting, economics, social and behavioral sciences, anatomy, biology, physiology, statistics, and world languages. All peer tutors are recommended by their instructors, undergo training in tutoring best practices and participate in ongoing professional development and supervision. The tutor training program is recognized as a College Reading and Learning Association (CRLA) Training Program. Our tutors are here to support student learning and understanding of course content, as well as assist students in strengthening their academic study skills. All services are FREE to CCSF students, after a short registration process into a non-credit class, LERN 1000: Supervised Tutoring course. Students can drop in daily to meet with tutors, use the computer lab, reserve a study room or sign up for a workshop. Free online tutoring offered through City College tutors is available. Additional online tutoring is available through NetTutor and STAR-CA. Students must log-in through a CANVAS course to access these services. For more information visit ccsf.edu/star/tutoring.

The TRIO Writing Success Project is a support program for students who are the first in their family to come to college, who are low income, and/or who have disabilities. The program links with English sections to provide weekly study group sessions. The program also offers scholarship help, career and major exploration, financial literacy workshops, and support for the transfer process. More information is available at ccsf.edu/wsp.

The STAR Center Computer Lab (R207) offers Internet access on over 80 computers, and includes word processing and printing for City College students. It also offers software programs for students taking identified academic classes. Laboratory assistants help students in selecting and using the laboratory's hardware and software.

The Learning Assistance Center at our Mission Center is located inside the Library in Room 401. The Center offers drop-in academic support in English, ESL, Spanish, GED subjects, computer, typing and math courses. The center supports both credit and noncredit students.

Tutorial and Academic Support Programs

City College offers a variety of tutorial and academic support programs. Students should visit the program for further information.

Subject	Description	Program	Room
ESL	Computer tutorials for ESL	ESL CLAD	Multi-Use Building 149
English	Computer programs and Web sites to strengthen writing, reading, and researching skills.	English Reading and Writing Center	R205

ESL and English	Computer tutorials for English	English Reading & Writing Center Learning Assistance Center LAC @ Mission Center	R205 Mission Center 401
Math	Tutoring, computers, small group workshops and study rooms for all algebra, calculus and statistics courses	Math Area: Student Tutoring and Resource (STAR) Center LAC @ Mission Center	R207 Mission Center 401
Math	Tutoring and Computers for basic math, liberal arts math, statistics, and all algebra courses.	Math Tutoring Lab LAC @ Mission Center	B602 Mission Center 401
World Languages	Tutoring for each language	Student Tutoring and Resource (STAR) Center	R207
World Languages	Audio, video and computers for world languages	Collaboratory	R403
Sciences	Tutoring for anatomy, biology, chemistry, physics, and physiology	Student Tutoring and Resource (STAR) Center	R207
Biology	Materials and tutoring for biology students	Student Tutoring and Resource (STAR) Center	R207
Nursing	Materials and tutoring for nursing students	Nursing Skills Lab and Media Center	C343 R403
Business	Tutoring for acct, econ, and statistics	Student Tutoring and Resource (STAR) Center	R207
Communication Studies	Assistance for students in development and delivery of speeches	Communication Lab	C208B
Misc. Subjects	Audio and visual materials	Media Center	R403
College Success	1–3 Unit “College Success Courses” and workshops	Learning Assistance Department	R207

College Success Classes are offered through the Learning Assistance Department (LERN 50, LERN 51 & LERN 55) and through the Interdisciplinary Studies Department (IDST 50). These classes are especially valuable to students attempting to raise their grade point averages, re-enter college, and succeed in college.

The courses are designed to meet the needs of all CCSF students, but are especially valuable for returning students, first-year students, or anyone wanting to learn the strategies necessary to succeed in college. Courses provide instruction that strengthens college, career, and lifelong success. The focus is on understanding how to navigate educational systems, including online learning; time management; personal and educational values; financial management; setting and achieving goals; instructor/ student interactions; memory and concentration; effective communication; lecture note taking; subject-specific studying; test taking; using the library; critical analysis; problem solving; and creative thinking. Classes meet graduation and transfer requirements. Check the class schedule or website for more information www.ccsf.edu/lac.

The Student Tutoring and Resource Center's Computer Lab located in Rosenberg Library, R207 offers open access to a 100 Windows computers with Internet, email, MS Office access and a variety of educational software programs for all current CCSF students. Laser black and white printing, scanners and 14 laptop stations equipped with power strips and local wireless access point are available. Laboratory assistants help students in selecting and using the laboratory's hardware and software.

The Biology Resource Center is located in Science Hall, Room 350 and contains a variety of instructional materials for the biological sciences, which can be used in coordination with specific courses or as supplementary materials. The collection includes reference books, self-instructional CD ROMs and several computer stations for student access to the internet and other online materials. The Biology Resource Center also contains anatomical and organismal models, charts, specimens, micro- scopes and slides. The Center also has great wi-fi coverage. And is a comfortable and quiet place to sit and study. Instructors and qualified student tutors staff the laboratory. Hours of operation are posted at the laboratory and on the biology department website.

The Communication Lab in Cloud 208B is operated by the Communication Studies Department and provides one-on-one tutoring in the construction, development and rehearsal of speeches. The lab supports all CCSF students working on speeches, debates or performances. Staffed by student tutors and supervised by Communication Studies faculty, the Lab offers help in all stages of the speechmaking process as well as assistance in understanding intercultural, interpersonal, and group dynamics. In particular, the Lab provides support in anxiety reduction, topic selection, thesis writing, outline construction, speech delivery and use of visual aids. Computers are available for research, outline writing, and visual aid construction. Stop by Cloud 208B.

The DSPS Accessible Computer Labs are open to all CCSF students regardless of ability. DSPS Accessible Computer Labs (ACLs) offer free non-credit instruction in adaptive computer software and/or hardware and tutorial software for the development of academic, vocational and daily living skills. The ACLs also offer PCs and Macs, large screens, comfortable furniture, subdued lighting, a quiet environment, no time limit, color printing for a fee and the first 5 pages of Black and White printing are free at the Ocean ACL. CCSF has two DSPS Accessible Computer Lab locations: one on the Ocean Campus in Batmale Hall, Room 231, and the other at the John Adams Center, Room 104.

The DSPS Strategy Lab is open to all CCSF students regardless of ability. It is located on the Ocean Campus in Batmale Hall, Room 231. DSPS M and DSPS O are credit classes with small group instruction on learning strategies. The instructor and trained instructional aides assist students in applying learning strategies as they work on homework assignments.

The English Lab is located on the second floor of Rosenberg Library in room 205. The lab offers drop-in tutoring, small-group workshops, and computer access for all students taking English courses. Additionally, students may use the Online English Lab to access zoom tutoring appointments, Guided Learning Activities (GLAs), and other web-based materials to enhance their reading and writing skills. Enroll in the Online English Lab's Canvas course: <https://ccsf.instructure.com/enroll/8P7FHE>.

The Math Lab located in JDVL 808 offers drop-in tutoring, WiFi, and computer access for all students taking Liberal Arts Math, Statistics, Precalculus, and Data Science classes. The lab serves students enrolled in all math courses from MATH 70 to MATH 108. Additionally, students can enroll in the Online Math Lab Canvas shell by navigating to <https://ccsf.instructure.com/enroll/BMP7TW>. The Online Math Lab offers one-on-one online tutoring appointments and Guided Learning Activities designed to help students review and study certain areas of Prealgebra, Algebra, and Statistics.

The Nursing Skills Laboratory, located in Cloud 343, is a supervised open laboratory where Registered Nursing Students may complete and/or reinforce their course work. The Laboratory provides a collection of Audio-Visual References. A registered nurse serves as a resource person for nursing students to answer questions, direct independent studies, and give workshops on skill procedures.

The Transitional Studies Department Adult Learning and Tutorial Center The mission of the Adult Learning and Tutorial Center (ALTC) is to provide an environment where adults who are learning basic skills can thrive and build strong academic and vocational foundations. Group and individualized classes with tutor support are offered in beginning literacy, math, and writing as well as in preparation for the GED/HiSet exams.

Program and Services-The ALTC is an open entry program offering clusters of morning, afternoon, and evening classes to meet adults' scheduling needs. The intake/orientation process includes preliminary assessment of reading levels and administration of official GED/HiSet practice tests as appropriate. More in depth diagnostic tests are offered by a faculty reading specialist. A disabilities counselor assists with adaptations and GED/HiSet accommodations.

While the majority of students have English as their first language, English speaking adults from many countries also study at the ALTC. Volunteer tutors come from Project Read, The Volunteer Center, San Francisco State University, Project 20, Pretrial Diversion, City College of San Francisco credit classes, and from among the ALTC's alumni and retirees. The Center has a student mentor, student workers, a computer lab, an annual book of student writings, and an annual GED graduation/all-level student awards ceremony. Telephone (415) 561-1871 for more information.

Student Counseling Services

The **Multicultural Retention Services** Programs were established in January 2010 and consists of five (5) academic retention programs: UMOJA/African American Scholastic Programs (AASP), Asian Pacific American Student Success (APASS), Latino Services Network (LSN), TULAY/Filipino American Student Success and VASA/Oceania Student Success. These multicultural retention programs provide comprehensive support services and other program-specific activities primarily to underprepared, underrepresented students in each of the 5 Centers/Programs. Our comprehensive services (essentially a “One Stop” model) make them unique among other counseling units. The services provided promote individual growth and academic success through a culturally sensitive and bilingual environment that meet the needs of many students. Our case-load model helps develop that critical student/counselor relationship which is important to retention and student success. Although our Retention Centers have targeted groups, we provide services to all students. For more information, please visit the Counseling website www.ccsf.edu/counseling.

UMOJA/African American Scholastic Programs

The UMOJA/AASP was the first retention program established at CCSF, which laid the foundation for the creation of the Multicultural Retention Services Department. The UMOJA/AASP provides culturally-based support services to assist, primarily African American students and students of African descent, successfully achieve their goals while at CCSF. The counseling services component is an integral part of the program, helping students acquire personal development skills and achieve their academic and career-related goals. Intensive individual counseling sessions provide students with educational, career/vocational and resources to help students make appropriate choices in meeting their respective goals.

Counseling Services:

- Academic, career/vocational, and personal counseling
- Student educational plans
- Graduation, certificate, and transfer information
- Assistance with financial aid and SAP appeals
- Referrals to campus and community- based support services

UMOJA/AASP offers:

- Support services to students who are on academic or progress probation
- Computer lab, study area and tutoring
- College Support Scholarships
- Book Loan Program
- Book Voucher
- Historically Black College/Universities (HBCU) Transfer Information
- HBCU’s College Tours (pending funding, out-of-state restrictions and/or CCSF Board Approval)

The Historically Black College/Universities (HBCU) Transfer Program is designed to provide CCSF students the opportunity to attend and transfer as a junior to a HBCU.

The Peer Mentoring Program provides peer mentoring to CCSF students enrolled in the UMOJA /African American Scholastic Programs. Students enrolled in the program are mentored by faculty, CCSF Alumni and community members. The Peer Mentoring Program provides CCSF students the opportunity to interact and develop positive relationships with an assigned Mentor in their field of study or interest.

The UMOJA/AASP Program is located in Rosenberg Library, Room 209. For more information, call (415) 452-5315; email: umoja-aasp@ccsf.edu, or visit our website at www.ccsf.edu.umoja.

APASS: Asian Pacific American Student Success Program

APASS offers services to Asian and Pacific Islander (A/PI) and all students in pursuit of academic success through early intervention and effective support services.

Our counseling services include:

- Academic, career, and personal counseling
- Bilingual/bicultural counselors (Cantonese, Tagalog, Vietnamese)
- Student educational plans
- Graduation, certificate, and transfer information
- Assistance with financial aid appeals
- Early alert referrals by instructors
- Referrals to campus and community services

APASS Center offers:

- Support services to students who are on academic or progress probation
- Computer lab, study groups and tutoring
- APASS and College Support Scholarships
- Book loan program
- Bilingual/bicultural staff and student workers
- Outreach to SFUSD high schools

The APASS Center is located in Batmale Hall, Room 208. For more information, call (415) 452-5620 or visit our website at www.ccsf.edu/apass.

Latino Services Network (LSN)

The **Latino Services Network (LSN)** is dedicated to the development and implementation of effective support services and programs to meet the academic, vocational, and career needs of the Latino student community.

Our services include:

Bilingual (Spanish and English) Counseling

- Academic, personal, and career
- Goal setting, educational plan development
- Graduation, certificate, and transfer information
- Bilingual (Spanish and English) college orientations
- AB 540 Counseling Services
- Workshops
- Outreach to SFUSD High Schools

The LSN Learning Center

- Computer laboratory use for homework and research
- A friendly place to meet other students and study
- Educational and cultural events and workshops
- Assistance with financial aid
- Advocacy and referrals to campus and community services
- Book Loan Program
- College Scholarships
- Tutoring

For more information, please call us at (415) 452-5335, email us at latino@ccsf.edu, visit our website at www.ccsf.edu/lsn, or come visit us in Cloud Hall, Room 364.

TULAY – Filipinx/American Student Success Program

The mission of Tulay is to provide culturally relevant, student-centered services, and experience to support success. Our services and partnerships with various campus resources seek to empower students by promoting healthy identity formation and a strong sense of student community. Our students become advocates for themselves, their community, and their education.

Tulay services

- Academic and personal counseling
- Bilingual services [Tagalog]
- Student Leadership development [Student Ambassadorship]
- Pinoyz II Men: Monthly men's support group
- Embedded Tutoring for English and Math
- Book loan & book voucher Program
- College Support Scholarship
- Semester-to-semester based grants: Safeway Food Cards | Full-Time Incentive Grant
- Referrals to other student services

Tulay service center

- Computer lab
- General Study tables
- Private study/meeting room
- Printing service
- Microwave use

Tulay and Philippine Studies Course support

In solidarity with the Philippine Studies department, our student ambassadors and counselors are present in the following courses for program announcements, discussion support, quick advising inquiries, and to schedule advising appointments.

- IDST 50 (College Success) | UC/CSU credit
- PHST 20 (The Filipino Family) | UC/CSU credit
- HIST 37 (Philippine History) | UC/CSU credit
- ASAM 8 (Filipino American Community) | UC/CSU credit

For additional information on Philippine Studies and courses, please refer to their link tree: <https://linktr.ee/PHSTccsf>

- The Tulay Program is located in Ocean Campus, Cloud Hall, Room 363.
- For additional information on Tulay, please refer to their link tree: <https://linktr.ee/TulayCCSF> or email: tulay@ccsf.edu
- Tulay Social Media outlets: Facebook: [tulay363.ccsf](https://www.facebook.com/tulay363.ccsf) | Instagram: [tulay_ccsf](https://www.instagram.com/tulay_ccsf)
- To schedule an appointment with a Tulay counselor: eSARS: <https://esars.ccsf.edu/> or call 415.452.5922

VASA/Oceania Student Success Program

VASA/Oceania Student Success Program provides support to Pacific Island and all CCSF students in pursuit of academic success through comprehensive, culturally specific, multilingual education programs and services that promote successful learning and student achievement in a multicultural environment. VASA collaborate with other academic departments and community-based organizations to offer other services consistent with its primary mission.

Our Counseling Services Include:

- Academic, personal, and career
- Bilingual/bicultural (Tongan & English)

- Student educational plans
- Graduation, certificate, and transfer information
- Support services to students who are either on academic and progress probation
- Assistance with financial aid & SAP appeals
- Advocacy and referrals to campus & community services

VASA Center offers:

- Tutoring
- Study group & Study area
- Workshops
- College Support Scholarships
- Book Voucher/Food Card
- Outreach to SFUSD High Schools & PI communities
- Link courses to Critical Pacific Island & Oceania Studies and College Success
- Collaboration between students, counselors, and instructors

The VASA/Oceania Student Success Program is located in Cloud 363, Ocean Campus. For more information, call (415) 452-5922 or visit our website at www.ccsf.edu/vasa.

City Dream Success Program, (Ocean Campus)

New Student Success Program supports all undocumented students, have access to the AB540 Task Force exists with volunteer support. The AB 540 Task Force began conducting professional development workshops for faculty and staff at CCSF to increase the knowledge, skills, and resources available to better support all undocumented students.

Academic Counseling Services

CCSF's **Academic Counseling (CSCD)** addresses the career, academic and counseling needs of students at City College of San Francisco. We strive to assist students in developing skills to succeed in college, graduate, earn certificates, transfer, and to create and maintain meaningful careers. Students can work with counselors to discuss their academic goals, develop or revise educational plans, course/major selection and career/vocational guidance. They can also discuss the requirements needed for a certificate, a degree, or transfer to a 4-year institution. Counselors make referrals to helpful support services on and off campus and provide specialized workshops including probation, transfer planning, and Internet resources. Academic Counseling offers both express counseling for short questions, and counseling by appointment for educational plans and more complicated academic planning issues. Students may call (415) 239-3302 to make a counseling appointment. Counselors are available Monday-Friday on the Ocean Campus in Multi-use Building 39/101.

City College of San Francisco's **New Student Counseling Department (NSCD)** provides the following services: 1) assist students in the decision making process needed to begin their academic life on campus, 2) discuss requirements for CCSF certificates, graduation, transfer to public and private institutions, 3) support them in their academic life and career achievement goals, 4) offer information regarding access to campus resources and student support services, 5) through counseling, educational planning, workshops and classes, teach students about skills and strategies that support their academic success, and 6) make referrals to personal counseling services as needed to enhance their success in college. We offer orientation to the college workshops, retention intervention classes for general and Basic Skills students, educational planning, student growth/development classes and short

personal counseling sessions leading to appropriate referrals. Our goal is supporting student success.

Students are expected to go through the enrollment process as mandated by Title V of California Ed Code or waive their participation when they begin their studies here at CCSF. This process is comprised of the following steps.

1. Applying to the college
2. Getting an English/ESL and Math Course Placement
3. Attending an orientation workshop or doing online orientation
4. Seeing a counselor to assist with course selection
5. Registering for classes

City College of San Francisco offers counseling services at the following locations: Ocean Campus, Chinatown Center, Downtown Center, Evans Center, John Adams Center, Mission Center, and Southeast Center.

The Ocean Campus office is open Monday - Friday. To reach the Campus please call (415)239-3296 for current hours. Call the main switchboard at (415)239-3000 for other locations' counseling department numbers and contact each location directly for their office hours. Please see the City College of San Francisco map for campus locations.

You may view our New Student Counseling Department website at the following address: www.ccsf.edu/counseling.

Office of International Programs partnership with Counseling

OIP collaborates with Academic Counseling to provide wrap around services for F-1 students. Counselors will assist students with their academic, career, personal issues, and assist with understanding F-1 regulations which govern them.

Office of International Programs supports F-1 students with:

- Admission
- Letters (Verification of Enrollment, Employment)
- Travel Signatures
- Transfer of SEVIS/I-20 record (e.g. transfer to SFSU)
- Leave of Absence
- Reduced Course Load (RCL)
- Program Extension (I-20 Extension)
- Optional Practical Training (OPT)
- Curricular Practice Training (CPT)
- Any other F-1 status concerns

The Office of International Programs is located in Cloud 212. For more information call (415) 239-3895.

Additional Counseling Services

The Athletic Counseling Services ((415) 452-5659) in Multi-Use Building Room 39 provides academic, career, educational planning, and personal counseling to male and female students who are members of City College's intercollegiate athletic teams.

Counseling for Gay, Lesbian, Bisexual and Transgender Students Academic, career, and personal counseling is available with gay and lesbian identified counselors in the Academic Counseling Department (Multi-Use Building Room 39), as well as in the Disabled Student Programs and Services Department (DSPS), the Career Development and Placement Center (CDPC). For more information, please please

visit www.ccsf.edu/counseling or the Queer Resource Center, Cloud 232, at (415) 452-5723.

Career Counseling Services

The Career Development Center (part of the Student Development Counseling Services) provides career planning and job information services to students and alumni who want to best utilize their college/educational experience and prepare for their future careers/jobs. For a full description of the Career Center and its services online, visit the website: www.ccsf.edu/CareerCenter. MUB 101, (415) 239-3117

Help for Undecided Majors or Career Changers: Students who have not yet chosen careers or majors, or who wish to change their careers or majors may obtain guidance with these decisions from the career counselors. Through individual or group counseling, career assessment and exploration, labor market information, career workshops and career success courses, CRER 60, Creating Career Options; 61, Orientation to Career Success; 62, Successful Job Search Techniques; students will develop personal awareness and information essential in making sound decisions and choices about their major course of studies and careers.

Disabled Students Programs and Services (DSPS)

Sections 504 & 508 of the Rehabilitation Act of 1973, the Americans with Disabilities Act (ADA) 1990 and the ADA Amendments Act (2008) prohibit discrimination on the basis of disability of otherwise qualified persons in programs and/or activities at this institution. City College of San Francisco is committed to making programs, services and activities accessible for students with disabilities. DSPS provides reasonable accommodations and support services which assist the student with a disability to fully participate in academic and vocational programs for which they are otherwise qualified. Services may include, but are not limited to; counseling, advocacy, priority registration, testing accommodations, classroom relocation, learning disability assessments, hearing screenings, sign language interpreters, real-time captioning, assistive listening devices, note takers, alternate formats (Braille, electronic text, audio books) for instructional material, lockers, scooters, adaptive technology, adaptive furniture and special classes.

Students wishing to receive services through DSPS should schedule an appointment to meet with a counselor. Services are confidential. Students with disabilities who have a disability related need to bring an animal on campus, other than a service animal as defined by law, such as a guide dog, must request an assist animal tag from the DSPS office. For further information, call Disabled Students Programs and Services (DSPS) at (415)452-5481.

The DSPS Accessible Computer Labs are open to all CCSF students regardless of ability. DSPS Accessible Computer Labs (ACLs) offer free non-credit instruction in adaptive computer software and/or hardware and tutorial software for the development of academic, vocational and daily living skills. The ACLs also offer PCs and Macs, large screens, comfortable furniture, subdued lighting, a quiet environment, no time limit, color printing for a fee and the first 5 pages of Black and White printing are free at the Ocean ACL. CCSF has two DSPS Accessible Computer Lab locations: one on the Ocean Campus in Batmale Hall, Room 231, and the other at the John Adams Center, Room 104.

The DSPS Strategy Lab is open to all CCSF students regardless of ability. It is located on the Ocean Campus in Batmale Hall, Room 231. DSPS M and DSPS O are credit classes with small group instruction on learning strategies. The instructor and trained instructional aides assist students in applying learning strategies as they work on homework assignments.

DSPS has offices on the Ocean Campus, John Adams, Mission and Chinatown Northbeach Centers. DSPS services are also available at other centers by appointment. For further information, for office hours or to request an appointment, call or visit one of the offices.

The Ocean Campus DSPS office is located in the Rosenberg Library, Room 323, (415) 452-5481. The DSPS office at the John Adams Center is in Room 106, (415) 561-1001(voice). To reach the Mission Center DSPS office in Room 161, call (415) 920-6038. To reach the Chinatown Northbeach Center DSPS in Room 104, call (415) 395-8617. Hearing impaired students may contact DSPS by email at deafserv@ccsf.edu. A Sorenson public Video Phone is available for students who are deaf and use American Sign Language. It is located inside the Rosenberg Library on the 3rd Floor near the restrooms.

To view the Campus Access Guide and updated accessibility information, the DSPS Student Handbook, policies and procedures or Ocean and John Adams office hours, please visit the DSPS website at www.ccsf.edu/dsps. Should you have questions or encounter difficulty regarding access, please contact DSPS at (415) 452-5481.

Student Health Services

The Student Health Services Program assists students in achieving their educational goals by providing services and programs that address the whole student, by empowering students to make healthy lifestyle choices and to be wise health care consumers. This includes a wide range of medical/nursing, mental health, consultation and referral services, as well as health education and promotion activities.

All currently enrolled credit students are eligible for clinical services. Appointments are encouraged and drop-in visits are accommodated as feasible and prioritized by level of urgency.

All students may take advantage of the Student Health Services website, which includes health information, community resources, an informative student health e-magazine and interactive online trainings. All CCSF centers have a small Health Information Station with health information and resource materials, also available to all students.

Medical/Nursing Services

Professional nurse practitioner assessment and treatment of common acute illnesses and infections, comprehensive reproductive health care, and referrals to specialists as needed is offered. Also provided are first aid, TB testing, blood pressure screening, selected immunizations (MMR, Tdap, Hepatitis A and B, seasonal flu), smoking cessation support, and nutrition education and counseling.

Most services are free of charge, although discounted charges are applied for some specific services (e.g. labs). Specific family planning and STI (Sexually Transmitted Infection) screening services for individuals are available free to those eligible through the state Family PACT Program (this also includes PAP testing, breast exam, birth control counseling and dispensing).

Mental Health Services

Professional short-term psychotherapy for individuals and couples, as well as assessment, referral, crisis intervention, and information dissemination is provided by licensed clinicians and supervised interns. Support groups on topics such as procrastination, relationship concerns, managing anxiety and panic attacks, stress reduction and meditation are also conducted.

Consultation and Referral

Nurse practitioners and mental health providers are available for consultation with faculty, staff and administrators regarding student health/mental health issues and concerns regarding students.

When additional evaluation and/or treatment is warranted, students are referred to their primary care provider or a community health/mental health agency, as appropriate. Any costs incurred for off-campus health care is the responsibility of the respective student.

To make an appointment and/or to ask questions call 415.239.3110. For additional information refer to the website at <https://www.ccsf.edu/student-services/student-health-services>.

Teacher Prep Center

The Teacher Prep Center at City College of San Francisco is located in the Multi-Use Bldg. on Frida Kahlo Way Room 249 on the Ocean Campus. The Child Development and Family Studies Department provides resources, workshops, advising, career planning and job information, coursework, and support to future teachers.

Information on the certificates, permits and credentials required in the field assists ECE students and staff in San Francisco. CDEV provides assistance to students and community members interested in entering the field of ECE, TK, elementary, secondary, and community college or CTE teaching. Call (415) 452-5605, PDP or (415) 239-3890 for additional information or visit the web at: <https://www.ccsf.edu/academics/schools/business-fashion-hospitality/child-development-family-studies-department/teacher-prep-center>.

Transfer Center

Transfer Center is located in Multi-Use Building Room 101. Telephone: 415-239-3748. Website: www.ccsf.edu/transfer.

The Transfer Center is the core of the most current information to assist students to transfer to a baccalaureate institution. We work closely with CCSF's Articulation Officer to ensure transfer information is accurate and up-to-date. The Transfer Center provides students with transfer options and strategies. We endeavor to impart on students a distinction between meeting minimum transfer requirements vs. being a competitive transfer applicant. Special programs the Transfer Center oversee include the UC Transfer Admission Guarantee Program (TAG), UCLA's Transfer Alliance Program (TAP), and the "Degree with a Guarantee" – Associate Degree for Transfer (ADT) to CSU's. Check our website for a robust calendar of special events and visits from university representatives who come to meet directly with students for pre-admissions advising. Come to the annual Transfer Day/College Fair in October at Smith Hall Cafeteria on the Ocean Campus. Representatives from over 45 colleges and universities attend to meet CCSF students and discuss transfer opportunities and requirements. In addition, the Transfer Center offers an array of workshops for students on specialized transfer topics, for example, TAG, ADT, UC Personal Insight Questions, and College Admission Applications.

Additional Student Programs And Services African American Resource Center (AARC)

Mission

The African American Resource Center's (AARC) mission is to provide various academic support services, self-care items, and a welcoming space for Black students to gather in community to study, relax, learn, celebrate Black culture and Black history, and share Black college life experiences. AARC's faculty advisor and student staff welcome students to a safe space that is comfortable and inclusive for meditation and prayer (prayer rugs are available). The AARC fosters the Afrocentric principle of Unity to strengthen the bonds among Black students that will lead to greater student support, retention and academic success. The AARC aims to create opportunities where Black students, Black student organizations ~ Black Student Union, Black faculty and Black staff can network and make partnership connections.

Black scholars will have access to books from the book loan program, tutoring space, research help, computers and printing. They will learn about campus-wide events, AFAM Studies' course offerings, and scholarships. The center is also a repository of information promoting community organizations and events, educational and employment opportunities and internships, and Black entrepreneurship.

Black Lives Matter ~ Black Minds Matter! Our Student Ambassadors are here to help Black & African American students find the academic resources and training they need to successfully graduate from City College of San Francisco.

Services & Resources Provided

African-American Studies Book Loan Program/Research Library. Books for ALL African American Studies courses will be available for student use. A limited number of books will be available for semester loan; the remainder will be available for in-house use, 2-hour campus use, and 24-hour overnight use. A reference library for research purposes will also be available for students.

Food/Snacks/Water Pantry. Light healthy snacks, food, and water will always be available to students on a first come first serve basis.

Tutoring Services & Space. Student tutors in English, Math, and History and other subjects will be available first- come-first-serve via drop-in and by appointment.

Self-Healing/ Self Care. Prayer rugs for meditation. Personal self-care such as condoms, pads/tampons available. Personal reflection space, studying and recreational center. Black safe haven. Where you can be yourself, no double consciousness required.

Printing & Computers Computers will be available for student's use as well as a free printing for course work. (Coming soon...) Printing will be limited to 10 pages per student.

Child Care Services

The Child Development & Family Studies Department administers child development centers at CCSF at the Mission Center and at the Ocean Campus for children of CCSF students and other low income families. These centers function as lab-schools for child development students. The centers feature subsidized child care and development services and are full time at two locations. Children between the ages of 3-5 years are eligible for services and are admitted on a low income priority basis. Care for toddlers is only available at the Ocean Campus. Parents can learn about how to enroll their children by emailing childcare@ccsf.edu or dropping by the childcare centers. The Department also features Parent/Child Observation courses at 4 CCSF sites: Ocean, Mission, John Adams and Chinatown for parents who wish to participate in adult education opportunities. <https://www.ccsf.edu/academics/schools/business-fashion-hospitality/child-development-family-studies-department/child-development-family-studies-department-offerings>.

For further information on specific classes operated by the Department, please call the main office at Ocean Campus, Multi-Use Bldg., Room 249 (415) 239-3172 or visit our website at: www.ccsf.edu/Departments/Child_Development.

Completion Center

Established in Fall 2019, the Completion Center develops innovative strategies and coordinates activities to foster student success and completion. Whether a student's goal is to transition to a career, obtain a certificate or degree, transfer to pursue a higher degree, student completion at City College is a crucial step in the journey. CCSF offers many resources to support students in completing their edu-

cational goals including but not limited to degree, certificate and/or successfully transfer to a four-year university. For more information, please visit www.ccsf.edu/completion.

Dr. Betty Shabazz Family Resource Center (FRC)

The Family Resource Center (FRC) at CCSF is a multicultural center with members from all backgrounds, ethnicities, sexual orientations and cultures. Although all students are welcome, the mission is to provide a safe and supportive place for parenting students to receive the support and resources they need to reach their educational goals. The center provides information about on and off-campus resources, a child-friendly computer lab, a supervised child activity room for drop-in care and the Parent Exchange Program (PEP). The PEP program provides students with children up to 12 hours per week of free child care while they attend classes. For further information visit <https://www.ccsf.edu/student-services/resource-centers/family-resource-center>, or email frc@mail.ccsf.edu. Located in Student Union 201.

Lactation Center

The Child Development & Family Studies Dept. operates a lactation room at the Orfalea Family Center / Ocean Child Development Lab School offices in BNGL 213 on the Ocean Campus. The room provides access to new parents who need to use a private lactation area. Baby-changing facilities, a refrigerator and privacy are available during the day. The area is open on a first-come, first serve basis during the school year and is generally open between 8-4 daily. Funded by the Orfalea Foundation, the lactation center provides support to new parents who are working or attending school. Employees and students are invited to use the facility. For more information call 415-239- 3465 or 415-561-1895 or email: childcare@ccsf.edu, or visit <https://www.ccsf.edu/student-services/resource-centers/family-resource-center>.

Metro Transfer Program

The Metro Transfer Program (Metro) prepares students for transfer, community engagement and meaningful careers. Metro scholars receive personalized support for college success and take general education courses together, build close relationships with classmates and faculty, and get additional support in preparation for transfer. The Metro program includes academic support, academic counseling, tutoring, a student resource room, peer mentors, connections to scholarships, support with the transfer process and an emphasis on social justice and developing strong academic skills. Metro's outreach is geared towards high schools, community-based organizations, and classes that serve students who are first-generation, low income and/or historically underserved. Metro also partners with the Foundation Promise Scholarship program to provide \$10,000 merit-based scholarships every fall to first semester CCSF students straight out of high school.

Metro is located in MUB 338 on the Ocean Campus or online at www.ccsf.edu/metro.

Orientation Classes

To help students receive a more comprehensive understanding of the College, counselors offer Orientation Classes which thoroughly acquaint students to the demands of academic programs, the College's various services, including the development of personal, career, educational goals including a transfer plan, and obtaining job-seeking skills. Orientation classes are also offered through the Career Development, Counseling Development, and through New Student Counseling.

Project SURVIVE

Project SURVIVE is a peer education program dedicated to promoting healthy relationships and ending sexual violence, especially rape and/or abuse in intimate relationships. For more information call (415) 239-3899. Located in Cloud Hall, Room 402.

Puente Program

The Puente Project is an academic and community leadership program designed to increase the number of community college students transferring to four-year colleges and universities. Puente meets this goal through a writing, counseling, and mentoring program taught and conducted by specially trained English instructors and a counselors. The program is open to all interested students. For more information please visit www.ccsf.edu/counseling.

Queer Resource Center

The Queer Resource Center seeks to empower the lives of LGBTQIA+ (lesbian, gay, bisexual, transgender, queer, questioning, intersex, allies) students at CCSF by uniting the diverse individuals in the community across gender, race, age and economic standing, religion, and ability differences. It provides access to a support system of peers and allies and strengthens the LGBTQIA+ community at CCSF. In addition, the QRC acts as a center of education for and about the queer community through peer-led teachings, workshops, and other such events. The Queer Resource Center is a safe place for queer and transgender students and all, welcoming the opportunity build community with all. For further information visit <https://www.ccsf.edu/student-services/resource-centers/queer-resource-center> email qrc@ccsf.edu. Located in Cloud Hall 232.

SparkPoint CCSF (Basic Needs Center)

SparkPoint CCSF is a basic needs center that is centrally located on Ocean Campus in Science Hall #127 to support our needs-based, equity populations, credit and non-credit students experiencing food and housing insecurities. SparkPoint CCSF bridges the gaps students experience in connecting with the numerous campus resources and services. We provide students with guidance and navigation support to access snack and hygiene shelves, CalFresh and county benefits, one on one financial coaching, internal support programs and external community partnerships to help address basic needs, employment and education, and financial services. Learn more by visiting www.ccsf.edu/basicneeds or connecting with us at sparkpoint@CCSF.edu or by phone at 415-239-3776.

Students Supporting Students (S Cube or S³)

Students Supporting Students is the only student-initiated peer mentoring program on the Ocean Campus. S³ Peer mentors help students navigate their way through CCSF by providing vital information on topics such as financial aid, academic support, campus clubs/organizations, and other campus resources through a variety of ways including workshops and campus-wide events. The program's unique student perspective provides a welcoming environment for students who may feel uncomfortable going to other resources on campus. S³ was established through the advocacy and organizing of students affiliated with underrepresented communities at CCSF. Students Supporting Students' goal is to increase the transfer rates of these communities to 4-year universities and empower them during their time at CCSF. For further information visit <https://www.ccsf.edu/student-services/resource-centers/students-supporting-students> or email scube@mail.ccsf.edu. Located in Student Union 203.

The Link Center

The Link Center, linking learning and action, is located in MUB 301 on CCSF's Ocean Campus, overlooking Unity Plaza. Open to all, the Health Education Department's resource center is home to the Addiction and Recovery Counseling, Community Health Worker, Community Mental Health, Healthcare Interpreting and Peer Health Educator certificate programs along with the Gender Diversity Project. The center serves as a laboratory for applied learning and action on community health issues. We offer workspaces for computer use, individual and group study, and club meetings. We also provide masks, menstrual products, safer sex supplies, and resources for food, jobs and health promotion information including HIV/STI prevention. We are open Monday through Thursday, 10:10 AM-5 PM, during spring and fall semesters. We also offer virtual drop-in hours via Zoom for remote support, which varies by semester. Check our website at www.ccsf.edu/link for current hours.

Veterans Services

The Veterans Services is located in Cloud Hall, Room 332/333. Please visit the college website at www.ccsf.edu/veterans for more information about the VRC.

Veterans, veterans' dependents, and eligible persons may apply online for their VA benefits by visiting the VA's website at www.gibill.va.gov for or call the GI Bill directly at 1-888-442-4551 for assistance. For Veterans Readiness and Employment (VR&E) visit, <https://www.va.gov/careers-employment/vocational-rehabilitation/how-to-apply/>.

In order to have VA benefits certified at CCSF, students must:

Step #1 Apply for their VA Benefit

Step #2 Apply to CCSF: save student ID (WA/@) set up myRam portal account, and student email (Gmail) account.

Step #3 Complete the New Student Veteran Orientation (this is an Online orientation) in-person orientations starting soon.

Step #4 Submit documents: DD214, Certificate of Eligibility (COE) if using Post 9/11, Unofficial* and JST Transcripts (if applicable). Email documents to Veterans@ccsf.edu. If using VR&E there is not COE, your Rehabilitation Counselor will send your authorization (VA Form 22-1905) to our School Certifying Officials and the Bookstore

Step #5 Complete the Online Assessment Form to get a Math and English Placement, a Course Placement Report will be sent to your CCSF student Gmail. This is not an actual test, you will self-report your highest level of Math and English completed in high school or college. You will need to submit your HS or College Unofficial transcript for this

Step #6 Fill out the Student Veteran Intake. This only needs to be completed once.

Step #7 Declare their major at CCSF. Do this step in your myRam Portal before seeing a counselor.

Step #8 Develop an Education Plan with a Veterans Academic Counselor. If you schedule yourself before completing steps 1-7 you will be required to finish the steps and reschedule once complete.

Step #9 Register for Classes. If your registration does not match your education plan, your certification may be delayed.

Step #10 Submit Certification Request Form (EVERY Semester)

If a student veteran using VA Educational Benefits adds or drops any class after they have been certified for the semester, the VA requires the student to inform the School Certifying Officials. At CCSF student veterans do this by completing the: *Change of Enrollment form* found on at www.ccsf.edu/veterans under the *Certification Forms* page.

*Please send official transcript to Admission and Record Transcript Department and request Domestic Transcript Evaluation

**Post-9/11 GI Bill* students attending IHL facilities who receive Monthly Housing Allowance (MHA) and/or kicker payments are required to verify enrollment at the end of each month

**Not using VA education benefit but would like to get Priority Registration date, please complete steps 2,3,5,8 and provide DD214.

For assistance on completing the admissions process, contact the Office of Admissions and Records, MUB 188 or via email at admit@ccsf.edu or the Veterans Services at veterans@ccsf.edu.

Available Benefits:

1. GI Bill ** – Montgomery GI Bill Active Duty (MGIB-AD) (Chapter 30)
2. Veteran Readiness and Employment (Chapter 31)
3. Post 9/11, (Chapter 33) Detailed chapter 33 information is online at www.gibill.va.gov. Students who believe they may be eligible for chapter 33 should review chapter 33 online and call the Education Call Center (1-888-442-4551) with any questions.
4. Survivors and Dependents of Veterans' (who are either 100% disabled or died due to service-related conditions) Educational Assistance Program (Chapter 35)
5. Selected Reserve Educational Assistance Program (Chapter 1606)
6. Reserve Educational Assistance Program (REAP) Chapter 1607

GI Bill is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by the VA is available at the official U.S. government website at <http://www.benefits.va.gov/gibill>.

For further details regarding benefits, please visit the VA Web site (www.gibill.va.gov) or the Veterans Services. Eligible disabled veterans may qualify for Chapter 31 Vocational Rehabilitation Benefits. Disabled veterans are encouraged to contact the main DVA Regional Office for more information at 1 800 827 1000.

Credit for Military Service/Training.

Students interested in Credit for Prior Learning using Joint Service Transcripts shall receive credit as recommended by the American Council on Education (ACE) Directory and approved by the appropriate discipline faculty of the college under the following circumstances:

- Credit for Military Training: City College will grant six semester units of credit to students who present to the Office of Veterans Educational Benefits official documentation showing that they have completed one year or more of active duty in any of the Armed Forces of the United States. Veterans who have completed military-training courses equivalent to courses offered at City College will be awarded up to a maximum of ten units. These are based on the recommendations made by the American Council of Education.

Students may use such credit in partial unit satisfaction of the requirements for the degree of Associate in Arts or Associate in Science. Since many universities and colleges do not accept credit that other schools have granted for military service,

students who desire to transfer such credit should consult the policy of the school to which they intend to transfer.

- Official transcripts must be on file in the Admissions and Records Office. Unofficial military transcripts need to be provided to the Veterans Services Office.

These may include Joint Services Transcript (JST), Sailor/Marine American Council on Education Registry Transcript (SMART), Army and American Council on Education Registry Transcript Service (AARTS), Community College of the Air Force (CCAF), Coast Guard Institute (CGI), DANTES/USAFI, Defense Language Institute Foreign Language Transcripts (DLIFLC), Defense Manpower Data Center (DMDC), DLPT Examinee Results, DA Form 330 Language Proficiency Questionnaire, or verified copies of 00214 or 00295 military records.

- Credit course equivalency shall be determined by the faculty of the appropriate discipline

Transcripts and VA Education Benefits Certification.

Pursuant to Section 55050 of Title 5 and Title 38, Code of Federal Regulations, Sections 21.4253(d)(3) and 21.4254(c)(4) Veterans who have previously attended college must file official copies of all college and military unofficial transcripts with the Veterans Office within their first semester of attendance. Veterans utilizing VA Educational Benefits must submit a request for transcript evaluation if their prior transcripts are going to be used to obtain a degree at CCSF. Submitting a Transcript Evaluation of your prior college courses will help avoid overpayment or penalties from the VA.

Assessment Center steps.

All students must complete the matriculation process, which requires placement testing in both Math and English, or a CCSF Veterans Academic Counselor can approved a request to be Exempt from Enrollment steps. You can find the Criteria to Exempt Form Enrollment Steps at: <https://www.ccsf.edu/student-services/assessment-center/criteria-exempt-enrollment-steps>.

- Admission to CCSF
- Attend New Student Veteran Orientation
- Get Math and English Placement
- Create an Education Plan with an Academic Counselor
- Plan your schedule and register

OFFICIAL TRANSCRIPTS:

All official transcripts must be submitted before any prior units can be evaluated. Educational entitlements will not be processed until all official transcripts have been submitted.

EDUCATIONAL PLAN:

All veteran students must have on file a CCSF Educational Plan completed with the CCSF Veterans Academic Counselor. Courses will be certified only if they appear on the approved education plan.

PREREQUISITES:

All prerequisite requirements must be met. Prerequisite challenge process can be found at <https://www.ccsf.edu/student-services/assessment-center/prerequisite-challenge-process>.

ELECTIVES:

Elective units in the major are not authorized for payment if you have completed 60 or more units. However, they are authorized for payment if they are required to complete a total of sixty (60) units to graduate

with an AA/AS degree or seventy (70) transferable units to a four (4) year Institution. NOTE: Most program requirements do not leave room for elective units.

CHANGES IN ENROLLMENT:

All enrollment changes such as ADDS/DROPS, Withdrawals or Switching of Courses MUST be reported "IN WRITING" by completing the Change of Enrollment form to the School Certifying IMMEDIATELY following any changings after certification. Failure to do so may result in an overpayment that YOU are responsible for paying back fees to the federal VA.

SHORTER CLASSES:

These shorter classes have the potential to reduce the amount of benefits you receive. If one or more of your classes meets less than the full length of the term, the VA requires that the actual beginning and ending dates of the class be reported when your benefits are certified each term.

CHANGE OF MAJOR:

To change your major (goal) you must meet with the CCSF Veterans Counselor to develop a new Educational Plan before certification can be processed for the new major. The VA will make the final approval on all educational goal changes. (Some programs at City College are not approved for VA payment of educational benefits.)

COMPLIANCE:

In the event that a final grade of "F" is issued for any class during a semester, an "F Grade Letter" notice will be sent to you from the Veterans Services. It is mandatory that a response to the notice be sent to the CCSF Veterans Services via email (veterans@ccsf.edu) within two weeks from the date on the notice. Any failure to respond will result in a reduction of units that must be reported to the VA. Once a reduction of benefits is processed and reported to the VA, all students who have concerns of the status of the report need to directly contact the VA Processing Center in Muskogee, Oklahoma at (1-800-698- 2411)

Academic Progress Policy for Veteran Students.

If the student has been on either academic probation or on progress probation or on both academic and progress probation for more than two consecutive semesters, he or she will have their veteran's education benefits terminated. Appeals to the termination of veteran's educational benefits must be submitted and addressed to the Veteran Services Appeal Committee. All appeals will be reviewed on a case-by-case basis. In order to be reinstated, a student veteran not meeting Satisfactory Academic Progress (SAP) standards must raise their GPA to a 2.0 or higher and complete the following semester by passing 67% or more of the attempted units for the term.

Military Withdrawal (MW):

Military withdrawal shall be assigned to students who are members of a reserve or active military unit and received orders to report to active duty, requiring a withdrawal from all courses. (This does not apply to Basic Training assignments.) The student must bring a copy of their orders to the Office of Admissions and Records located in MUB, Room 188, prior to departure, if possible, to have their military withdrawal processed. All courses will be withdrawn without fee assessment. Military Withdrawal does not count against a student for the purposes of progress probation and academic dismissal calculations.

In-Person/Residence

In-person classes means, that there is physical presence requirement to show up at the building location on the days and times listed in the schedule

Parent School Policy.

Veteran students are required to complete a majority of their coursework at City College of San Francisco (CCSF) in order for the institution to approve certification as a Parent School. Each term, a minimum of 75% of the semester units must be taken at CCSF. Appeals must be submitted and addressed to the Department Chair/Dean overseeing the Veterans Benefits Office. All appeals will be reviewed on a case-by-case basis.

Out of State Fees

If you enroll at CCSF effective July 1, 2017, the VACA ACT and California Education Code (68075.7) grant full exemption from the nonresident fee for all students verified to be "covered individuals" that qualify to use post-9/11 GI Bill*, Montgomery GI Bill*, DEA, VR&E, TOE and Reservist (Chapters 33,30,35,31,1606) while living in California. For any further questions regarding out-of-state fee waiver, please contact the Veterans Services at 415-239-3486 or in person on the Ocean Campus in Cloud Hall 333.

Out-of-State Students:

SARA – the State Authorization Reciprocity Agreement – is an agreement between member states, territories and districts of the United States of America. As of July 2019, 49 states (all but California), the District of Columbia, Puerto Rico and the U.S. Virgin Islands have joined SARA.

Because California is not participating in SARA, students who do not physically live in California are not permitted to take distance education classes (fully online or online courses with required on-site meetings) at City College of San Francisco.

Federal regulations require institutions offering distance education to acquire authorization from any U.S. state in which it "operates." City College does not have the required permission for students from other states to take courses at City College. This permission is required to maintain eligibility for students of that state to receive federal financial aid.

At this time, City College is not filing for authorization to operate in other states. We recommend that out of state students seeking community college courses look for classes offered from an institution in their state of residence.

Residency

Veterans who are coming to California to go to City College of San Francisco must establish California Residency within the first semester of attendance at CCSF. The California Residency Requirement Criteria can be found at: <https://www.ccsf.edu/admissions-recordsregistration/residency-tuition-purposes>. Under Physical Presence you will find the documents that may be used to clearly demonstrate physical presence in California. A Reclassification Request Form may be submitted to the Residency Office. For more questions please contact the Residency Office at resident@ccsf.edu, they are located at MUB 188.

Priority Registration for Veterans:

Veterans will receive Priority Registration once they have submitted the following: copy of DD-214, online assessment placement, online orientation, meet with a Veterans Academic Counselor to develop student education plan. For more information contact Veterans Services at (415) 239-3712 or in person Cloud Hall 333.

Veterans Resource Center

Veterans Resource Center (VRC) located on the main Ocean Campus in Cloud Hall room 332 (next door to the VETS Office) serves as a student space on campus for Veterans, dependents, active duty or reserve

service members, and all students to build a meaningful community while committing to a common goal, excel, and succeed in the Higher Education Area by providing a quiet study space, a computer lab with 10 desktop computers (access to the internet and Wi-Fi) microwave & refrigeration, a snack bar and Coffee. In our VRC you will meet our staff and VA Work-Study student Veterans who help answer any questions and can direct you to on or off-campus resources quickly.

Student Veteran Health Program (SVHP)

A collaboration between the San Francisco VA Health Care System and City College of San Francisco (CCSF), the Student Veteran Health Program (SVHP) began in August 2010 and has led the nation in providing an array of comprehensive services to student veterans on campus. Our Student Veteran Health Program Team consists of SF VA Health Care Enrollment Services, Social Work and Psychiatry.

The SVHP is one of ~26 funded VA programs under the Veterans Integrative To Academic Leadership (VITAL) initiative, part of the VA's national effort to outreach and provide services to support student veterans.

The SF VA Student Veteran Health Program at CCSF helps CCSF veterans with the following:

1. Assist you with your enrollment in SFVA health care.
2. Assist you in scheduling medical and mental health appointments.
3. Aim to ease the experience of asking for and receiving help from the VA.
4. Coordinate and provide a series of lectures on relevant topics for student Veterans
5. Aim to support your well-being in an academic environment.
6. Provides some on-campus mental health services.

Services are available for:

- Time management
- Attention and/or memory difficulties
- Sleep issues
- Smoking Cessation
- Adjustment
- Stress Management
- Posttraumatic stress
- Depression
- Substance use
- Anxiety.
- TBI (traumatic brain injuries)
- Medication Management
- Social Work Services / Referrals to VA, Community, and/or Campus Resources Consultation with and Training of Faculty and Staff (release of information by veteran student is required for any release of specific veteran information)

Department of Veterans Affairs Student Work-Study Allowance Program

CCSF is a proud participant of the VA Work-Study Allowance Program. VA Work-Study Allowance Program, in addition of providing an option for extra financial resource for Veterans, allows a student Veteran who is receiving VA education Benefits as a ¾ time student

or more to gain insight into the CCSF enrollment process and policies through extensive training and hands on experience. Learning about VBA and the VA Education Benefits, giving them the opportunity to pass on accurate knowledge to fellow student Veterans and their families. For any further questions regarding VA Work-Study, please contact the Veterans Services at 415-239-3486 or in person Cloud Hall 333.

Women's Resource Center

The Women's Resource Center is a welcoming safe space for women and all students, providing information about resources available to them both on and off campus. The Center houses a lending library of nearly 1,000 books by and about women. It sponsors campus-wide events and hosts various workshops and programs. The Center is run by students who work closely with a faculty advisor from the Women's and Gender Studies department. For more information, call (415) 239-3112 or email sfwrc94@gmail.com. Located in Student Union 104A.

DEGREE AND CERTIFICATE REQUIREMENTS

DEGREE AND CERTIFICATE REQUIREMENTS

City College of San Francisco is dedicated to the principle that the highest quality education possible be provided to all students. Central to this philosophy is the belief that all students granted an associate degree should be required to study a variety of general breadth courses in addition to those courses which are required by a student's major. These courses shall introduce the student to the languages, the methods of inquiry, and the achievements of the major academic disciplines. Consistent with this philosophy, it is the intent of the College to involve students in the various disciplines in such a way that students will develop an interest in learning that will continue and expand throughout their lives.

Goals of the General Education Program

Through its general education program, the College intends to graduate students who have developed:

- skills in the principles and applications of language toward logical thought, clear and precise expression, and critical evaluation of communication in whatever symbol system the student uses.
- English language and information competency skills so that they can communicate clearly, both orally and in writing; can evaluate what they hear and read; and can acquire, interpret and use information appropriately.
- an appreciation and understanding of the scientific method, of the achievements of at least one of the natural sciences, and of the relationships between the natural sciences and other human activities.
- an appreciation and understanding of the methods of inquiry used in the social and behavioral sciences and of the ways people act and have acted in response to their societies.
- an appreciation and understanding of the ways in which people throughout the ages and in different cultures have responded to themselves and to the world around them through artistic and cultural creation and have developed aesthetic sensitivity and skills as well as an ability to make informed value judgments.
- an appreciation and understanding of American history and government so that they can be responsible and active citizens.
- an appreciation and understanding of the physical skills and health knowledge essential for mental and physical well-being.
- an appreciation and understanding of the history, culture, and perspective of diverse ethnic groups, of women, and of gays, lesbians, bisexuals, and transgenders.

Catalog Rights

City College of San Francisco issues a new catalog yearly. The courses required for a specific degree or certificate may change from one catalog to the next and often change during a student's tenure. For the purposes of meeting degree or certificate requirements based on catalog rights, students may elect to meet the requirements of either:

- The catalog which was in effect at the time the student began his/her course work at City College of San Francisco, or
- Any catalog that is or has been in effect during the time that the student has maintained continuous enrollment before graduation with the associate degree.

Students maintain catalog rights through continuous enrollment at City College of San Francisco prior to graduation with the associate degree. Continuous enrollment is defined as enrollment in at least one course per academic year (fall or spring semester only). Any of the following academic record symbols (A–F, P, NP, I, UG, IP, RD, W, EW, and MW) shall constitute continuous enrollment. Documented military or medical leave, not exceeding two years, will not be considered an interruption of enrollment. If an interruption in enrollment occurs, or if the student completes the associate degree, catalog rights are re-established based on the date of re-enrollment. Catalogs from years prior to re-enrollment are no longer available once an interruption in enrollment or completion of the associate degree occurs. Students planning to transfer to a four-year institution are advised to review that institution's catalog for "rights" accorded community college transfers. City College of San Francisco reserves the right to not offer course work which has been offered in the past.

**Students who initially enroll in summer session may claim catalog rights for the preceding academic year. Likewise, students who re-enroll in summer session after an interruption in continuous enrollment may also claim catalog rights for the preceding academic year.*

Graduation Requirements

A student may be graduated from City College of San Francisco by satisfying the requirements established by the Board of Governors of the California Community Colleges, the Governing Board of the San Francisco Community College District, and the faculty of the College. Two paths are available:

Option 1. CCSF Associate Degree

CCSF offers the Associate in Arts (AA) and Associate in Science (AS) degree. Students must complete the CCSF General Education requirements, the major requirement, 60 degree-applicable units, and other graduation requirements.

Option 2. CCSF Associate Degree for Transfer

CCSF offers Associate in Arts for Transfer (AA-T) and the Associate in Science for Transfer (AS-T) degrees. Students must complete the requirements listed below, including completion of either the CSU General Education or IGETC requirements, the major requirement, and 60 degree-applicable and CSU transferable units.

The following chart summarizes the two options. Details on the specific requirements of these two options follow the chart.

Associate Degree Graduation Requirements Overview

	Option 1: CCSF Associate Degree Associate in Arts (AA) or Associate in Science (AS)	Option 2: CCSF Associate Degree for Transfer Associate in Arts for Transfer (AA-T) or Associate in Science for Transfer (AS-T)
1. General Education	Completion of City College of San Francisco General Education pattern, Areas A-H.	Completion and certification of California State University (CSU) General Education pattern, Areas A-F or Completion and certification of the IGETC pattern, Areas 1-6 (CSU Transfer: Complete IGETC Areas 1-5; UC Transfer: Complete IGETC Areas 1A, 1B and 2-6). Advisory Note: Students transferring to CSU are strongly encouraged to complete the CSU American Institutions and U.S. History requirement. Note: Details of IGETC and CSU GE requirements are in the Transfer Information section of the Catalog.
2. Mathematics	Students can meet the general math competency for an associate degree in one of the following ways: <ul style="list-style-type: none"> • passing two semesters of high school math at or above the level of Algebra 2 with a grade of “C” or better • completing an approved math course • achieving a satisfactory score on the SAT, ACT, Advanced Placement (AP), or International Baccalaureate (IB) exam. 	Completion of Area B4 of the CSU General Education pattern, or Area 2 of the IGETC pattern.
3. Major	Completion of a major program specified by the department; or completion of 18 semester units in one of the four Liberal Arts and Sciences Areas of Emphasis.	Completion of an AA-T or AS-T program as specified by the department.
4. Units	A minimum of 60 semester units of degree-applicable courses.	A minimum of 60 semester units that are both degree applicable and CSU transferable. Advisory Note: Students planning to transfer to UC must have 60 UC-transferable units to meet UC Admission requirements.
5. Grade Point Average	Cumulative grade point average of at least 2.0, including a grade of C (or P) or higher in each course taken towards the Major Requirement.	
6. Residence	Completion of a minimum of 12 degree-applicable semester units at CCSF is required for graduation.	
Petitioning for the Associate Degree	Submission of a Petition for Graduation Form to the Office of Admission and Records by the deadline.	

CCSF Associate Degree 1. General Education Requirements

General education courses are required in the following areas:

- A. Communication and Analytical Thinking,
- B. Written Composition and Information Competency,
- C. Natural Sciences,
- D. Social and Behavioral Sciences,
- E. Humanities,
- F. United States History and Government,
- G. Health Knowledge and Physical Skills, and
- H. Ethnic Studies; Women's and Gender Studies; and Lesbian, Gay, Bisexual, and Transgender Studies. *

Most general education areas require a minimum of 3 semester units of coursework. However, a 4 quarter-unit course (transferred in from another college) may be used to satisfy a 3-semester-unit general education area. Students transferring in quarter-unit courses must complete, at minimum, the total numerical equivalent of 18 semester units (e.g., 27 quarter units) of general education coursework.

The requirement in each of the areas may be satisfied in any semester in which the student is in attendance, subject to the satisfaction of prerequisites.

Students satisfy the information competency requirement by successfully completing the Area B: Written Composition requirement, which includes teaching and assessment of specific information competency skill areas. Students who transfer in with a course approved as equivalent to English 1A have met this requirement.

A course listed in more than one of the areas may be offered in satisfaction of the requirement in only one of those areas. Exception: If an Area H course selected is also listed in Areas A through G, the course may be used to satisfy this requirement and one other area.

Students may satisfy the requirement for a general education course or courses by offering credit earned by examination, provided that they have earned that credit in conformance with the College regulations governing credit granted in this manner.

*Beginning in Fall '24, Title 5 Section 55063 will require a statewide Ethnic Studies requirement for all California Community Colleges. In Fall '24, CCSF H1, H2, and H3 will be revised to conform to the state-mandated regulations. Students who have Catalog rights prior to Fall '24 will be able to choose from the current H1, H2, and H3 courses.

Area A: Communication and Analytical Thinking Requirement

Upon completion of this coursework, a student will be able to:

1. Apply the principles of language toward logical thought.
2. Express ideas with clarity and precision.
3. Evaluate communications in whatever symbol system is employed.

To satisfy the graduation requirement in Communication and Analytical Thinking, the student must complete at least three semester units from the following courses:

American Sign Language 1A, 1B, 2A
 Business English 74
 Business Mathematics 68
 Career Development 60, 61*, 62*
 Chinese 1, 1A, 1B, 2, 2A, 2B, 3, 3A, 3B, 4, 4A, 4B, 10A, 10B, 10C, 10D, 12A, 12B, 12C, 14A, 14B, 14C, 30A, 30B, 31A, 31B, 32, 38

Communication Studies 1A, 2, 3, 4, 6, 20
 Comp. Networking & Info. Tech 131, 132
 Computer Science 10, 110A, 130A, 131B, 132A, 150A, 211D, 211E, 256
 Economics 5
 Engineering 38
 Engineering Technology 50
 English as a Second Language 67, 79
 French 1, 1A, 1B, 2, 2A, 2B, 3, 3A, 3B, 4, 10A, 10B, 10C, 10D, 11A, 11B, 22, 23
 German 1A, 1B
 Interdisciplinary Studies 50
 Italian 1, 1A, 1B, 2, 2A, 2B, 3A, 3B, 4A, 4B, 10A, 10B, 10C, 10D, 11A, 11B, 15A, 15B
 Japanese 1, 1A, 1B, 2, 2A, 2B, 3, 3A, 3B, 4, 4A, 4B, 10A, 10B, 10C, 16, 17, 18
 Journalism 19, 26
 Latin American & Latina/o/e/x Studies 2, 5
 Learning Assistance 50
 Management 234
 Mathematics 70, 75, 80, 90, 92, 95, 98, 100A, 108, 110A
 Music 3A, 29
 Philosophy 2, 4, 12A, 40
 Pilipino 1, 2, 10A, 10B, 10C
 Psychology 5
 Russian 1A, 1B, 21A, 21B
 Spanish 1, 1A, 1B, 2, 2A, 2B, 3, 3A, 3B, 5, 5S, 6A, 6B, 7, 10A, 10B, 10C, 10D, 22A, 22B, 22C, 31, 31A, 31B, 32, 32A, 32B, 42
 World Languages and Cultures 100

*Only partially satisfies the number of units required for this area

Area B: Written Composition Requirement

Upon completion of this coursework, a student will be able to:

1. Read critically to annotate, analyze, synthesize, and evaluate primarily non-fiction, college-level texts.
2. Compose organized and coherent source-based essays that demonstrate critical thinking and rhetorical strategies.
3. Demonstrate control over all major conventions of standard English grammar and punctuation.
4. Select and integrate reliable, credible, and scholarly sources to support essays, using a standardized citation format.

The student may satisfy the graduation requirement in Written Composition and Information Competency in one of these three ways:

1. Completing English 1A with a grade of C or higher
2. Scoring 3, 4, or 5 on College Board Advanced Placement Exam in English Language and Composition or English Literature and Composition
3. Completing a course equivalent to ENGL 1A with a grade of C or higher from an accredited U.S.-based college, as approved by the English Department

While English 1A satisfies this requirement, students intending to transfer to a four-year institution may need to complete an additional critical thinking course.

Area C: Natural Sciences Requirement

Upon completion of this coursework, a student will be able to:

PHYSICAL SCIENCE

1. Apply scientific inquiry and investigation of evidence to critically evaluate physical science arguments.

2. Communicate scientific ideas and theories effectively.
3. Apply scientific principles, theories, or models to explain the behavior of natural physical phenomena.
4. Apply physical science knowledge and reasoning to human interaction with the natural world and issues impacting society.

BIOLOGICAL SCIENCE

1. Apply scientific inquiry and investigation of evidence to critically evaluate biological science arguments.
2. Communicate scientific ideas and theories effectively.
3. Apply scientific principles, theories, or models to explain the behavior of natural biological phenomena.
4. Apply biological science knowledge and reasoning to human interaction with the natural world and issues impacting society.

To satisfy the graduation requirement in the Natural Sciences, the student must complete **at least three semester units** from the following courses:

Anthropology 1
 Astronomy 1, 4, 16*, 17, 18, 19
 Biology 9, 10, 11, 12, 14, 15, 19, 20, 21M, 32, 33, 40, 51, 53, 61, 100A, 100B, 106, 108, 111, 112, 114, 118, 118B, 119, 120, 121*, 130*, 132, 134
 Biotechnology 4, 115, 120
 Chemistry 32, 40, 101A, 103A, 110, 212B
 Energy 3
 Environmental Horticulture 76, 77
 Environmental Science and Sustainability 31
 Geography 1
 Geology 10, 11, 30, 111
 Health 70
 Oceanography 1
 Physical Science 11
 Physics 2A, 4A, 10, 20, 41
 Psychology 1B, 50

*Only partially satisfies the number of units required for this area

Area D: Social and Behavioral Sciences Requirement

Upon completion of this coursework, a student will be able to:

1. Exhibit an understanding of the methods of inquiry used by the social and behavioral sciences.
2. Critically evaluate the ways people act, think, and feel in response to their societies or cultures.
3. Analyze how societies and/or social subgroups operate.

To satisfy the graduation requirement in the Social and Behavioral Sciences, the student must complete **at least three semester units** from the following courses.

Academic Achievmt Pers Success 100
 Administration of Justice 57, 59, 65, 67
 African American Studies 30, 40, 42, 55, 60
 American Studies 5
 Anthropology 2, 3, 3C, 4, 8, 11, 12, 15, 20, 25, 50
 Asian American Studies 1, 8, 20, 22, 23, 27, 35, 40, 42
 Broadcast Electronic Media 101, 103
 Child Dev/Family Studies 53, 61, 67, 68
 Communication Studies 5
 Economics 1, 3, 6, 15, 20, 22, 25, 30
 Ethnic Studies 37, 45

Geography 3, 4, 7
 Health Education 10, 30, 48, 52, 53 (sp 24), 54, 97, 110, 221, 231
 History 1, 4A, 4B, 5, 9, 12A, 12B, 15A, 15B, 17A, 17B, 18A, 18B, 20, 21, 35A, 35B, 37, 40, 41A, 41B, 45, 49
 Interdisciplinary Studies 7, 17, 29, 30, 31, 37, 45, 80A*, 80C*, 80D*, 80E*, 80F*, 80G*, 81A, 81B*
 Labor & Community Studies 15, 70A, 70B, 88, 96C, 114, 115
 Latin American & Latina/o/e/x Studies 1, 2, 9, 10, 11, 13, 14, 15
 Lesbian, Gay, Bisexual & Trans 5, 9, 10, 21, 24, 50
 Philippine Studies 20, 30, 40, 50
 Physical Education 13, 28
 Political Science 1, 2, 3, 4, 5, 12, 15, 18, 19, 22, 43, 45
 Psychology 1, 4, 10, 11, 14*, 15*, 17*, 21, 23, 24, 25, 26, 32, 40, 50
 Sociology 1, 2, 3, 11, 25, 35, 52, 55
 Women's and Gender Studies 25, 35, 54

*Only partially satisfies the number of units required for this area.

Area E: Humanities Requirement

Upon completion of this coursework, a student will be able to:

1. Exhibit an understanding of the ways in which people in diverse cultures and eras have produced culturally significant works.
2. Communicate effectively the meanings and intentions of creative expression.
3. Use analytical techniques to assess the value of human creations in meaningful ways.
4. Demonstrate an understanding of the human condition through language, reasoning, or artistic creation.

To satisfy the graduation requirement in the Humanities, the student must complete **at least three semester units** from the following courses:

African American Studies 55, 60
 American Studies 5
 Architecture 31A, 31B
 Art 101, 102, 103, 104, 105, 106, 107, 108, 109, 118, 123Q, 123V, 123W, 125A, 126, 130A, 140A, 146A, 150A, 160A, 170A, 180A
 Asian American Studies 6, 10, 30, 35
 Asian Studies 11, 15, 30
 Chinese 1, 1A, 1B, 2, 2A, 2B, 3, 3A, 3B, 4, 4A, 4B, 10A, 10B, 10C, 10D, 12A, 12B, 12C, 14A, 14B, 14C, 30A, 30B, 31A, 31B, 32, 33, 38, 39
 Cinema 18, 19, 20A, 20B, 20C, 21, 22, 23A, 23B, 23C, 57
 Classics 35
 Communication Studies 5, 7, 8, 38, 50
 Dance 30
 Design 101
 English 30A, 30B, 35G, 43, 44A, 44B, 46A, 46B, 46C, 48C, 48K, 51, 52, 54, 55, 57, 58, 61, 62

Visual Media Design 101, 110
Women's and Gender Studies 10, 20
World Languages and Cultures 100

Area F: United States History and Government Requirement

Upon completion of this coursework, a student will be able to:

1. Examine, summarize, and evaluate American history.
2. Examine, summarize, and evaluate American government.
3. Examine and understand the importance of participating in civic duties and responsibilities based on historical and political precedent

To satisfy the graduation requirement in United States History and Government, the student must complete **at least three semester units** from the following courses:

African American Studies 60
Asian American Studies 20, 23
History 1, 9, 12A, 12B, 17A, 17B, 21, 41A, 41B, 45
Labor & Community Studies 70A, 70B
Latin American & Latina/o/e/x Studies 1
Political Science 1, 15

Area G: Health Knowledge (G1) and Physical Skills (G2) Requirement

Upon completion of this coursework, a student will be able to:

1. Analyze factors that influence and improve the health and well-being of individuals and communities.
2. Assess and perform the physical skills that contribute to mental health and physical well-being.

To satisfy the graduation requirement (1–3 units) in Physical Skills and Health Knowledge a student must complete **one course from area G1** and **one course from area G2**. If, in fulfilling this requirement, a student selects courses which total more than three units, the additional units may be counted towards the 60-unit graduation requirement.

Area G1

Biology 106, 130, 132, 134
Child Dev/Family Studies 107
Health Education 10, 25, 27, 33, 38, 48, 53, 54, 56, 67, 85, 97, 120, 177, 221
Interdisciplinary Studies 17
Physical Education 8, 9, 14, 20, 28, 204A, 204B
Psychology 9, 17
Women's and Gender Studies 55

Area G2

Dance 34A, 34B, 37, 100A, 100B, 101A, 102A, 102B, 110A, 111A, 119A, 119B, 119C, 119D, 121B, 122, 123A, 123B, 124A, 124B, 124C, 124D, 126B, 127A, 127B, 129A, 129B, 129C, 129D, 131A, 133A, 133B, 133C, 133D, 134A, 134B, 134C, 134D, 138A, 138B,

138C, 138D, 141A, 141B, 145A, 145B, 146A, 146B, 148A, 148B, 149A, 149B, 155A, 155B, 155C, 160A, 160B, 160C, 161, 172A, 172B, 173
Disabled Students Prog & Serv 20
Emergency Medical Technician 12, 14
Fire Science Technology 17
Health Education 91M, 91T
Intercollegiate Athletics 60, 61, 62, 63, 65, 66, 67, 68, 69, 80, 81, 82, 83, 85, 88, 89, 97, 98, 99
Physical Education 174A, 200B, 200C, 200D, 200E, 202, 204A, 204B, 204C, 205A, 205B, 205C, 206A, 206B, 206C, 210A, 210B, 211A, 211B, 212B, 212C, 212D, 214A, 214B, 215A, 215B, 216A, 216B, 217A, 217B, 218, 219A, 219B, 219C, 220, 222, 223A, 223B, 223C, 225A, 230A, 230B, 230C, 231A, 231B, 231C, 232A, 232B, 232C, 233A, 233B, 233C, 235A, 235B, 235C, 236A, 236B, 238A, 238B, 238C, 239A, 239B, 240A, 240B, 240C, 242A, 242B, 242C, 243A, 244A, 250A, 252A, 252B, 252C, 252D, 254, 255A, 255B, 255C, 255D, 255E, 256A, 256B, 256C, 256D, 258A, 258B, 258C, 258D, 260A, 260B, 260C, 271A, 271B, 271C, 271D, 274A, 274B, 274C, 274D, 276A, 276B

The general education graduation requirement for Area G, Health Knowledge and Physical Skills, may be waived for those students who are pursuing high-unit majors for the Associate of Art or Associate of Science. A high-unit major is one that requires a minimum of 27 units. Not all high unit majors are eligible for Area G waivers. The following is a list of high-unit majors that are eligible for Area G waivers during this catalog year:

Accounting
Administration of Justice
Administrative Support
Aircraft Powerplant Maintenance Technology
Airframe-Maintenance Technology
Architecture
Biological Sciences
Biological Sciences (Emphasis Health Science)
Biotechnology
Cardiovascular Technician/Echocardiography
Child Development
Cinema Production
Commercial Cut-Flower and Greenhouse Production
Construction Management
Culinary Arts Management
Data Science
Dental Assisting
Diagnostic Medical Imaging
Electrocardiography Technician
Electronic Engineering Technology
Engineering
Environmental Science
Environmental Studies
Fashion Design
Fashion Merchandising
Finance
Fire Science Technology
Floristry
Food Service Management
General Business
Graphic Design
Health Information Technology
Hospitality Management
Interior Design
Journalism

Landscape Gardening and Landscape Contracting
 Marketing
 Mechanical Engineering Technology
 Medical Administrative Assisting
 Medical Assisting
 Nursery and Garden-Center Operation
 Oceanography
 Paralegal/Legal Studies
 Paramedic
 Pharmacy Technician
 Photography
 Physics
 Registered Nursing

The following high-unit major is NOT eligible for Area G waivers:

Dance - Performance Art

Additional options for waiving the Area G requirement.

The Area G1 Health Knowledge graduation requirement may be waived upon successful completion of a competency examination. Students should contact their counselor or program adviser for additional information.

The Area G2 Physical Skills graduation requirement may be waived for those students who have completed one year or more of active duty in any of the Armed Forces of the United States and who present official documentation of this service to the CCSF Office of Veterans Educational Benefits.

Area H: Ethnic Studies (H1); Women's and Gender Studies (H2); and Lesbian, Gay, Bisexual, and Transgender Studies (H3)

Upon completion of this coursework, a student will be able to:

1. Analyze the historical and cultural/aesthetic experiences of women, different ethnic/racial groups, or lesbian, gay, bisexual, and/or transgender persons.
2. Compare and contrast the values, attitudes, modes of creative expression, and/or dynamics of interpersonal interactions of people from diverse ethnic/racial groups, women, or lesbian, gay, bisexual, and/or transgender persons.
3. Analyze relationships of power within or between different social groups.
4. Use ethical reasoning and/or cultural, political, or social awareness in order to be effective citizens participating in a diverse world.

To satisfy the graduation requirement in Ethnic Studies (H1); Women's and Gender Studies (H2); and Lesbian, Gay, Bisexual and Transgender Studies (H3), the student must complete **at least three semester units** from Area H1, H2, or H3. **If the course(s) selected is (are) also listed in Areas A through G, the course(s) may be used to satisfy this requirement and one other area.**

Area H1 (Ethnic Studies)

African American Studies 30, 40, 42, 55, 60
 Anthropology 3C, 12, 15
 Art 104, 106, 107
 Asian American Studies 1, 6, 8, 10, 20, 22, 23, 27, 30, 35, 40, 42
 Chinese 39
 Communication Studies 5
 Dance 133A*
 Economics 30
 Ethnic Studies 37, 45
 History 9, 15A, 15B, 20, 21, 35A, 35B, 37, 41A, 41B

Humanities 48
 Interdisciplinary Studies 14, 29, 30, 36, 37, 45, 46, 80A*, 81B*
 Japanese 39
 Labor & Community Studies 15
 Latin American & Latina/o/e/x Studies 1, 2, 9, 10, 14, 15

 Music 27Q
 Philippine Studies 50
 Political Science 19
 Psychology 24
 Spanish 42
 Women's and Gender Studies 35
 *Only partially satisfies the number of units required for this area

CCSF Associate Degree 2. Mathematics Requirement

Upon completion of this coursework, a student will be able to:

- Apply mathematical concepts through numerical, symbolic, graphical, and verbal methods to interpret quantitative information, solve problems, and communicate results.

Students may satisfy the graduation requirement in mathematics in any one of the following ways:

58 Degree and Certificate Requirements

1. Passing two semesters of high school math at or above the level of Algebra 2 with a grade of “C” or better
2. Completing with a grade of “C” or higher in MATH 46, MATH 60 (formerly MATH 860), MATH 98, MATH 108, ET 108B, or ET 50, or PSYC 5, or ECON 5, or LALS 5, or PHIL 12A, or FIN 136M, or CS 10. Mathematics department courses at a level higher than MATH 60 also satisfy this requirement.
3. Completing, at an accredited college with a grade of “C” or higher, any mathematics course equivalent to MATH 60, or equivalent to a higher level CCSF mathematics course.
4. Scoring:
 - 550 or higher on the Mathematics Section of the SAT Reasoning Test, or
 - 550 or higher on the SAT Subject Test in Mathematics (Level 1 or Level 2), or
 - 550 or higher on the Quantitative Section of the Graduate Record Examination (GRE), or
 - 23 or higher on the mathematics section of the American College Test (ACT), or
 - 3, 4, or 5 on the Advanced Placement Examination in Calculus AB or Calculus BC or Computer Science AB or Statistics, or
 - 5, 6, or 7 on the International Baccalaureate Examination in Mathematics HL

CCSF Associate Degree 3. Major Requirement

A student must complete a major in one of the following two ways. Courses taken to complete this requirement must be completed with a final grade of “C” or higher, or “P” if taken Pass/No Pass:

- a. Completion of 18 or more semester units in an Area of Emphasis of the Liberal Arts and Sciences degree program described in the Programs and Courses section of this catalog. The four areas of emphasis are:

Arts and Humanities
Communication
Science and Mathematics
Social and Behavioral Sciences

or

- b. completion of the 18 or more semester units in a curriculum specified by the department as indicated in the Programs and Courses section of this catalog.

CCSF Associate Degree 4. Unit Requirement

To satisfy the unit requirement for graduation, the student must complete a minimum of 60 semester units of college-level (degree applicable) work that include the courses and units

- a. Required for the student’s major, and
- b. Specified in the general education requirements described above.

CCSF Associate Degree 5. Grade-Point Requirement

To satisfy the grade-point requirement for graduation, a student must maintain a cumulative grade point average of at least 2.0 in all associate degree applicable courses at City College of San Francisco. Unless

otherwise noted (as in Written Composition Requirement and Major Requirement), it is not necessary to receive a grade of “C” or better in each course, but the overall grade point average in degree applicable courses must be at least 2.0. The student must also have at least a 2.0 combined grade point average which includes the cumulative grade point average for all associate degree applicable courses at City College of San Francisco combined with the grade point average of all transferable units completed at other accredited postsecondary institutions.

CCSF Associate Degree 6. Residence Requirement

The student may satisfy the residence requirement for graduation by completing a minimum of 12 of the 60 degree-applicable semester units required for graduation at City College of San Francisco.

CCSF Associate Degree for Transfer 1. General Education Requirements

Students satisfy the general education requirements for the Associate Degree for Transfer by completing and obtaining certification of one of the following two options:

- California State University (CSU) General Education pattern, Areas A-F
- IGETC pattern, Areas 1-6
CSU Transfer: Complete Areas 1-5
UC Transfer: Complete Areas 1A, 1B and 2-6

These requirements are outlined in the Transfer Information section of the catalog. Students transferring to CSU are strongly encouraged to complete the CSU American Institutions and U.S. History requirement before transferring.

CCSF Associate Degree for Transfer 2. Mathematics Requirement

Students satisfy the Mathematics requirement for the Associate Degree for Transfer by completing one of two options, concurrent with their completion of the General Education requirements noted above:

- Completion of Area B4 of the CSU General Education pattern
- Completion of Area 2 of the IGETC pattern

CCSF Associate Degree for Transfer 3. Major Requirement

Students satisfy the major requirement for the Associate Degree for Transfer by completing 18 or more units in a curriculum specified by the department. Courses taken to complete this requirement must be completed with a final grade of “C” (or “P”) or better. Specific requirements are listed in the Programs and Courses section of the catalog.

CCSF Associate Degree for Transfer 4. Unit Requirement

To satisfy the unit requirement for graduation, the student must complete a minimum of 60 semester units that are both CCSF degree applicable and CSU transferable. This includes the courses and units

- a. Required for the student’s major, and
- b. Specified in the general education requirements described above.

Advisory Note: Students planning to transfer to UC must have 60 UC-transferable units to meet UC Admission requirements.

CCSF Associate Degree for Transfer 5. Grade-Point Requirement

To satisfy the grade-point requirement for graduation, a student must maintain a cumulative grade point average of at least 2.0 in all CSU transferable courses at City College of San Francisco and any other institution. While it is not necessary to receive a grade of “C” or better in each course, the overall grade point average in degree applicable courses must be at least 2.0. However, each course taken to satisfy the major requirement must be completed with a final grade of C or higher.

CCSF Associate Degree for Transfer 6. Residence Requirement

The student may satisfy the residence requirement for graduation by completing a minimum of 12 of the 60 units required for graduation at City College of San Francisco.

Petitioning for the Associate Degree

Students seeking the Associate in Arts, the Associate in Science, Associate in Arts for Transfer, or Associate in Science for Transfer must complete and submit a Petition for Graduation Form to the Admissions and Records Office on or before the dates specified in the Calendar of Instruction.

Students should not petition for the Associate Degree until all the requirements are met or about to be satisfactorily completed in the current school term. Students are requested to review the completion of all requirements with their counselor or advisor prior to submitting the Petition for Graduation Form.

Students completing the graduation requirements during the academic year (including the preceding and following summers) are invited to participate in the commencement ceremony, which takes place once a year each May. For information on Commencement Ceremony participation, please see the CCSF Student Affairs website.

Multiple Majors/Multiple Degrees

Students may graduate with multiple majors or earn multiple degrees at City College. Multiple majors are considered to be the completion of more than one program of study (major) prior to graduation with the associate degree. Multiple degrees are the attainment of an additional degree after the student has already completed an associate degree or higher.

Multiple Majors

Students may earn an associate degree in more than one major providing:

1. Minimum requirements have been met for each major. *Students are allowed to earn different degrees in the same discipline, e.g., an associate degree and an associate degree for transfer in Biology*);
2. The majors are available in the same catalog year;
3. General education and all other graduation requirements in that same catalog year have been met. Courses used to fulfill the requirements of one major may be used to meet the requirements of an additional major.

Courses used to meet major requirements may be applied to general education requirements as well. The general education courses used to satisfy graduation requirements for one major may also be applied to additional majors. For multiple majors, a single diploma with all majors listed will generally be issued. If one major leads to an Associate

in Arts and another to the Associate in Science, two diplomas will be issued.

Multiple Degrees

Students who already possess an associate degree from City College of San Francisco may be awarded an additional, *different* degree upon completion of the following:

1. All requirements for the major. *Students are allowed to earn different degrees in the same discipline, e.g., an Associate Degree and an Associate Degree for Transfer in Business Administration*;
2. General education requirements for the catalog in effect when the student re-enrolls (subsequent to graduation with the associate degree) and for which the student maintains catalog rights; and
3. All other City College graduation requirements. Previous coursework may be used to meet the new major and general education requirements.

Catalog rights end upon completion of the Associate Degree (AA, AS, AA-T, or AS-T). If the student did not meet the requirements of the additional degree prior to graduation, catalog rights for the additional degree will begin after the previous degree was awarded.

Students who possess an associate degree or higher from another regionally accredited college or university may earn an associate degree from City College upon completion of the following:

1. All requirements for the major. *Students are allowed to earn different degrees in the same discipline, e.g., an Associate Degree and an Associate Degree for Transfer in Child Development*;
2. General education requirements for the catalog in effect when the student enrolls and for which the student maintains catalog rights; and
3. All other City College graduation requirements. Previous coursework may be used to meet the new major and general education requirements.

Certificate Programs

Types of Certificate Programs

City College of San Francisco offers both credit and noncredit certificated programs of study.

Certificate Curricula — Credit

City College offers two types of credit certificates, Certificates of Achievement and Certificates of Accomplishment, which prepare students for entry-level employment or further study, add special knowledge and skills to existing occupational competence, or mark an accomplishment in a particular area.

A Certificate of Achievement is a sequence of courses usually consisting of 16 or more units of degree-applicable coursework that has been approved by the State Chancellor’s Office. Students who successfully petition for a Certificate of Achievement will have the name of the certificate appear on their transcript.

A Certificate of Accomplishment is a sequence of courses consisting of fewer than 16 units of degree-applicable coursework. Students who successfully petition for a Certificate of Accomplishment will not have the name of the certificate appear on their transcript.

All CCSF credit certificates require the following:

- **Residency requirement:** Students must successfully complete at CCSF at least 20% of the units required to earn the certificate.

- **Grade requirement:** Students must pass all letter-graded certificate-applicable courses with a C or better and all P/NP certificate-applicable courses with a P.

Credit that students earn in a certificate curriculum may also be used toward satisfaction of the requirements for graduation from the College with an associate degree.

Certificate Curricula — Noncredit

City College offers two types of noncredit certificates, Certificate of Completion and Certificate of Competency, which prepare students for entry-level employment or further study. A Certificate of Completion is a sequence of courses designed to prepare students to progress in a career path or to undertake degree-applicable or non-degree applicable credit courses. A Certificate of Competency is a sequence of courses preparing students to demonstrate achievement in a set of competencies that prepares the student to progress in a career path or to undertake degree-applicable or non-degree applicable credit courses. Some noncredit certificate programs meet required guidelines for student financial assistance.

Petitioning for Certificate Programs

Students who have fulfilled the certificate program course requirements as stated in the CCSF college catalog may petition to receive their certificate. Petitions are available at the Admissions and Records Office, MUB 188. Petitions should be submitted by the deadline posted in the Calendar of Instruction. Information: (415) 239-3285.

The guidelines for petitioning for certificate programs are as follows:

- Students should discuss the curriculum requirements with their program advisor or department chair to assure that all program requirements are met.
- Students should submit a petition before the deadline indicated in the current College Catalog or Schedule of Classes.
- Students who are applying for multiple certificates should complete separate petitions for each.
- Students who wish to use courses taken at another college or university or substitute other equivalent CCSF courses for required certificate courses must have the department chair or faculty advisor complete and sign the appropriate areas of the petition form.

The College may award credit and noncredit certificates to eligible students who have fulfilled the certificate program requirements as stated in the CCSF college catalog without requiring students to submit a certificate petition through an auto-petition process. If a certificate petition is denied because of unmet requirements, consult the College Catalog for the catalog rights year being claimed. Students needing further clarification should contact the department chair or a faculty advisor. Please do not contact the Admissions and Records Office to request a waiver of requirements. The requirements for Certificates have been established by the faculty and the administration and approved by the Governing Board. The Admissions and Records Office does not have the authority to change or waive any of the requirements.

Commencement Ceremony

The CCSF Commencement Ceremony takes place every Spring semester in May at the end of the academic year. All students who submit a degree petition signed by a CCSF Counselor before the printed deadline are eligible to participate in the commencement ceremony that is held each Spring and have their names printed in the commencement

program. This includes both Fall and Spring semester graduates and those who have graduated the summer immediately prior or intend to graduate the summer immediately following the academic year in question. Students should not petition for the Associate Degree until all the requirements are met or are about to be satisfactorily completed in the current school term.

Participation in the commencement ceremony does not mean students have earned the degree. The degree is officially conferred after official grades are posted; degree completion is noted on the official transcript.

Students wishing to participate in commencement exercises not within their corresponding academic year may do so in cases of extenuating circumstances only and with approval from the Office of Student Affairs & Wellness.

Commencement registration is available online starting in the Spring Semester. In order to participate in the Commencement Ceremony, all graduates must be registered NO later than the designated Spring term deadline. Every effort is made to ensure that all graduating students who register before the designated deadline are listed in the Commencement program. Students who do not register for the Commencement Ceremony before the deadline will not have their name listed in the Commencement program. The College has a printing approval deadline that will preclude inclusion of late registrants. However, please be aware of the following information:

- By law, students who have requested privacy protection for their academic records at any time will *not* have their name published in the program, unless they indicate on their commencement registration form that they desire their name to be included.
- Students whose names are not included in the printed program will still be individually recognized by name as they cross the commencement stage.

Students graduating with Honors, High Honors, or Highest Honors status shall have a special notation next to their name in the program. This information must show on the official school records at the time of registration to be included.

Commencement packages as well as other commencement related items are available for purchase at the CCSF Bookstore, Ocean Campus. As an alternative, the Cap and Gown Loan Program, which was founded in Spring 2008, loans caps & gowns to graduating students with financial need on a first come, first served basis.

All commencement-related information including important links, forms, and deadlines is updated and released annually in the Commencement Circular which can be found online at <http://www.ccsf.edu/commencement> at the beginning of each Spring term.

TRANSFER INFORMATION

TRANSFER INFORMATION

General Information

This section of the College catalog contains general information for students planning to transfer to any of the University of California (UC) campuses or to any of the campuses of the California State University (CSU).

Listed in this section of the catalog (in the order given below) are three categories of information: (1) Courses which satisfy the general education requirements for all campuses of the California State University; (2) Courses from City College of San Francisco acceptable at all campuses of the University of California for **elective credit**; (3) Courses from City College that satisfy the Intersegmental General Education Transfer Curriculum (IGETC);

Transfer Information

Courses numbered from 1 through 799 are university courses except for some listed as “Credit, non-degree applicable” and a few others. With these exceptions, courses numbered 1 through 799 are considered to be baccalaureate in nature and carry transfer credit. However, according to their transfer policies, some universities and four-year colleges may not grant transfer credit for every City College baccalaureate course.

Courses named with one of the letters from A through Z are foundational courses: for example, Chemistry C. Credit earned in these courses is not accepted for graduation from City College and is generally not transferable to a university or a four-year college.

The California State University grants transfer credit for all courses numbered 1 through 799, except for some courses in Biotechnology, English, English as a Second Language, Engineering Technology and Mathematics. Those courses which are transferable to the California State University for **elective credit** are labeled with “CSU” following the description of the course content in its announcement.

A complete list of courses for which the University of California accepts credit is given in the Transfer section of this catalog. In addition, each course that is acceptable for **elective credit** at all campuses of the University of California has “UC” following the description of the course content in its announcement.

Courses designated as “UC upon review” are independent studies or variable topics courses which may earn UC elective credit, but which must be evaluated by the UC campus at the time the student is admitted for transfer before credit can be granted.

Students are advised to see their counselors or advisors for further information beyond that which is given on the following pages regarding transferring to a four-year college or university.

Articulation Agreements

Articulation agreements which list detailed information concerning specific majors and describe course transferability from City College of San Francisco to CSU and UC campuses are available on ASSIST, www.assist.org. Articulation agreements with private or out-of-state colleges may be found on the City College Articulation website: www.ccsf.edu/artic.

Associate Degrees for Transfer

City College of San Francisco also offers associate degrees for transfer primarily to the CSU. These include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. Students who are awarded an AA-T or AS-T degree are guaranteed

admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the similar 120 semester-unit or 180 quarter-unit baccalaureate degree within 60 semester or 90 quarter units.

For more information on the Associate Degrees for Transfer, see the Associate Degree Graduation Requirements section of this catalog. To find out which CSU campuses accept each degree, please go to <https://icangotocollege.com/associate-degree-for-transfer>. Current and prospective CCSF students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

California State University (All Campuses)

Admission Application Dates

To ensure consideration for admission to the campus of first choice, students are reminded to file a CSU application during the appropriate filing period shown below:

Term: Applications Accepted

Summer Quarter: February 1-28 (preceding the summer term)

Fall Semester/Quarter: October 1-November 30 (preceding the term)

Winter Quarter: June 1-30 (preceding the term)

Spring Semester/Quarter: August 1-31 (preceding the term)

Application for impacted programs and campuses must be filed during the initial application filing period. Otherwise, each campus accepts applications until capacities are reached. If you are applying after the initial filing period, consult the campus admissions office for current information.

Apply online, <https://www.calstate.edu/apply>.

Admission as a Transfer Student

A student may satisfy CSU admission requirements as an upper division transfer student by:

- Completing a minimum of 60 transferable semester units (CCSF courses numbered 1 through 799 except for some non-degree applicable Biotechnology, English, English as a Second Language, Engineering Technology, and Mathematics courses).
- Maintaining a grade point average of 2.00 or higher in all transferable units attempted.
- Satisfying a minimum of 30 units of General Education with grades of C or better including: A1 Oral Communication, A2 Written Communication, A3 Critical Thinking, B4 Quantitative Reasoning.

Supplementary Admissions Requirements. Some majors and campuses receive more applications during the initial filing period than can be accommodated and have higher admission standards. For detailed information regarding *Impacted Undergraduate Majors and Campuses in the California State University*, go to <https://www.calstate.edu/attend/degrees-certificates-credentials/Pages/impacted-degrees.aspx>.

Transfer of Credit to the California State University (All Campuses)

The campuses of the California State University accept credit from City College of San Francisco as follows:

1. They accept as elective credit toward graduation the units earned in all City College courses numbered 1 through 799, except for BTEC 108A, ESL 75, 122, 132, 142, 182; ENGL 12, 88, ET 108A, and MATH 46, 60, 80S, 90S.
2. They do not accept credit earned in City College foundational courses. (These courses are named with only one letter—for example, Chemistry C.)
3. They accept transfer credit as indicated above, but do not accept more than 70 semester units of community college credit to be used to satisfy the unit requirements for the baccalaureate degree.
4. They accept partial or full certification of completion of the Lower Division General Education requirements for graduation from the California State University for courses completed at City College.
5. They do not necessarily accept credit that City College has granted for work completed at other collegiate institutions or for The College Board's AP examinations.

American Institutions and United States History Requirement

Upon completion of this coursework, a student will be able to:

- US1: Analyze significant events from U.S. history, including cultural and regional influences.
- US2: Evaluate political institutions and processes in the United States.
- US3: Explain California's political processes and Constitution and its relationship to the federal government.

Candidates for a bachelor's degree must satisfy the requirement in American Institutions and United States History by completing one course from each of the following two groups:

- Group 1. (US-2&3) Asian American Studies 23; Political Science 1
- Group 2. (US-1) Asian American Studies 20; History 1, 9, 12A, 12B, 17A, 17B, 41A, 41B, 45; Labor and Community Studies 70A, 70B; Latin American & Latina/o/e/x Studies 1

General Education Requirements for the California State University (All Campuses) for 2023-24

CSU GE-Breadth handouts and related information are available from a counselor; the Transfer Center; ASSIST, www.assist.org; or the CCSF articulation webpage, www.ccsf.edu/artic.

Requirements for the baccalaureate degree at the California State University include the completion of a minimum of 48 semester units in general education within a prescribed pattern, including 9 semester units of upper-division work. A maximum of 39 semester units may be certified by City College as having met the CSU lower division General Education requirements.

The 39 semester-unit pattern is distributed among six broad areas as noted below. City College will certify completion of each area according to the unit limits shown. Students who complete the entire pattern may also petition for the Certificate of Achievement in CSU General Education Breadth.

Students have the option to complete the Intersegmental General Education Transfer Curriculum (IGETC) in lieu of the 39-unit CSU general education pattern.

Due to catalog publication deadlines, the following list of CSU GE approved courses is in process. Updated information is available from

a counselor; the Transfer Center; ASSIST, www.assist.org; or the CCSF articulation webpage, www.ccsf.edu/artic.

AREA A: Communication in the English language and Critical Thinking

Nine (9) certifiable semester units or 12–15 quarter units with at least one course from each of A1, A2, and A3

A1 Oral Communication:

Upon completion of this coursework, a student will be able to:

1. Demonstrate clear and precise oral expression.
2. Identify and use culturally competent communication practices.
3. Analyze how communication practices impact experiences.

One course from the following:

Communication Studies 1A, 3, 4, 6, 20
English as a Second Language 79

A2 Written Communication:

Upon completion of this coursework, a student will be able to:

1. Read critically to annotate, analyze, and evaluate primarily non-function, college-level texts.
2. Compose organized and coherent source-based essays that demonstrate critical thinking and rhetorical strategies.
3. Demonstrate control over all major conventions of standard English grammar and punctuation.
4. Select and integrate reliable, credible, and scholarly sources to support essays, using a standardized citation format.

Take the following course:

English 1A

A3 Critical Thinking:

Upon completion of this coursework, a student will be able to:

1. Practice inductive and deductive reasoning in written or oral contexts.
2. Integrate support for ideas into an argument structure.
3. Identify formal and informal fallacies of language in thought.

One course from the following:

Communication Studies 2, 3
English 1B, 1C
Latin American & Latina/o/e/x Studies 2
Philosophy 2, 4, 40

AREA B: Physical Universe and its Life Forms

Nine (9) certifiable semester units or 12–15 quarter units required with at least one course each from B1, B2 [at least one to contain a laboratory component identified in B3] and B4

B1 Physical Science:

Upon completion of this coursework, a student will be able to:

Physical Science

1. Apply scientific inquiry and investigation of evidence to critically evaluate physical science arguments.
2. Communicate scientific ideas and theories effectively.
3. Apply scientific principles, theories, or models to explain the behavior of natural physical phenomena.
4. Apply physical science knowledge and reasoning to human interaction with the natural world and issues impacting society.

64 Transfer Information

One course from the following:

Astronomy 1, 17, 18, 19
Chemistry 32, 40, 101A, 101B, 103A, 110, 208A, 208B, 212A, 212B
Energy 3
Geography 1
Geology 10, 11, 30, 111
Oceanography 1
Physical Science 11
Physics 2A, 2B, 4A, 4B, 4C, 4D, 10, 20, 41

B2 Life Science:

Upon completion of this coursework, a student will be able to:

Biological Science

1. Apply scientific inquiry and investigation of evidence to critically evaluate biological science arguments.
2. Communicate scientific ideas and theories effectively.
3. Apply scientific principles, theories, or models to explain the behavior of natural biological phenomena.
4. Apply biological science knowledge and reasoning to human interaction with the natural world and issues impacting society.

One course from the following:

Anthropology 1
Astronomy 4
Biology 9, 10, 11, 12, 14, 15, 19, 20, 32, 33, 40, 51, 53, 61, 100A, 100B, 106, 108, 111, 112, 114, 118, 118B, 119, 120, 134
Biotechnology 4
Environmental Science and Sustainability 31
Psychology 1B

B3 Laboratory Activity (to be taken with course from B1 or B2)

Upon completion of this coursework, a student will be able to:

Laboratory Science

1. Investigate natural phenomena through a variety of scientific inquiry techniques.
2. Analyze and evaluate data from the natural world.
3. Apply scientific principles, theories, or models to predict and explain the behavior of natural phenomena.

One course from the following:

Anthropology 1L
Astronomy 16
Biology 9, 10, 11, 12, 14, 19, 32L, 51L, 100A, 100B, 106, 108, 111, 112, 118, 120
Biotechnology 4
Chemistry 32, 40, 101A, 101B, 103A, 208A, 208B, 212A, 212B
Energy 3L
Environmental Science and Sustainability 31L
Geography 1L
Geology 10L, 11L, 30L, 111
Oceanography 1L
Physical Science 11L
Physics 2AL, 2BL, 4AL, 4BL, 4CL, 4DL, 10L

B4 Mathematics/Quantitative Reasoning:

Upon completion of this coursework, a student will be able to:

1. Apply mathematical concepts through numerical, symbolic, graphical, and verbal methods to interpret quantitative information, solve problems, and communicate results

One course from the following:

Economics 5
Engineering Technology 50
Finance 136M
Latin American & Latina/o/e/x Studies 5
Mathematics 70, 75, 80, 90, 92, 95, 98, 100A, 100B, 108, 110A, 110B, 110C, 115, 120, 125, 130
Philosophy 12A
Psychology 5

AREA C: Arts, Literature, Foreign Language and Philosophy

Nine (9) certifiable semester units or 12-15 quarter units with at least one course in the Arts and one course in the Humanities

C1 Arts:

Upon completion of this coursework, a student will be able to:

1. Identify connections between the arts and cultural and social awareness.
2. Analyze the broader social/historical contexts of works of art.
3. Evaluate the creative expression of self and others.

At least one course from the following:

African American Studies 55
Architecture 31A, 31B, 102
Art 101, 102, 103, 104, 105, 106, 107, 108, 109, 118, 122A, 123Q, 123U, 123V, 123W, 125A, 130A, 140A, 146A, 146B, 160A, 170A, 180A
Asian Studies 11
Cinema 18, 21, 23A, 23B, 57
Communication Studies 38
Dance 30, 100A
Fashion 55
Interior Design 138
Latin American & Latina/o/e/x Studies 14
Lesbian, Gay, Bisexual & Trans 20, 55
Maker Studies 100
Music 3A, 3B, 5A, 5B, 9A, 21, 22A, 22B, 22C, 23, 24, 25, 26, 27A, 27B, 27Q, 27R, 28, 100, 128
Photography 40, 50A, 50B
Theatre Arts 30, 31, 32, 33, 150A
Visual Media Design 110

C2 Humanities:

Upon completion of this coursework, a student will be able to:

1. Exhibit an understanding of the ways in which people in diverse cultures and eras have produced culturally significant works.
2. Communicate effectively the meanings and intentions of creative expression.
3. Use analytical techniques to assess the value of human creations in meaningful ways.
4. Demonstrate an understanding of the human condition through language, reasoning, or artistic creation.

At least one course from the following:

African American Studies 30, 40, 60
American Sign Language 2A
American Studies 5
Asian American Studies 6, 10, 30, 35
Asian Studies 15, 30
Chinese 1, 1A, 1B, 2, 2A, 2B, 3, 3A, 3B, 4, 4A, 4B, 10A, 10B, 10C, 10D, 12A, 12B, 12C, 14A, 14B, 14C, 30A, 30B, 31A, 31B, 32, 33, 39

Cinema 19, 20A, 20B, 21, 22, 23C
 Classics 35
 Communication Studies 8
 English 1B, 30A, 30B, 35A, 35B, 35C, 35D, 35G, 35H, 43, 44A, 44B, 46A, 46B, 46C, 48C, 48K, 51, 52, 54, 55, 57, 58, 61, 62
 English as a Second Language 188
 Ethnic Studies 37, 45
 French 1, 1A, 1B, 2, 2A, 2B, 3, 3A, 3B, 4, 5, 10A, 10B, 10C, 10D, 11A, 11B, 41, 42
 German 1A, 1B
 History 1, 4A, 4B, 5, 9, 12A, 12B, 15A, 15B, 17A, 17B, 18A, 18B, 20, 21, 35A, 35B, 37, 40, 41A, 41B, 45, 49
 Humanities 7, 8, 11, 12, 20, 25, 41A, 41B, 48
 Interdisciplinary Studies 3, 4, 14, 27B, 29, 30, 31, 36, 37, 45, 46, 47
 Italian 1, 1A, 1B, 2, 2A, 2B, 3A, 3B, 4A, 4B, 10A, 10B, 10C, 10D, 11A, 11B, 15A, 15B
 Japanese 1, 1A, 1B, 2, 2A, 2B, 3, 3A, 3B, 4, 4A, 4B, 10A, 10B, 10C, 39
 Latin American & Latina/o/e/x Studies 1
 Lesbian, Gay, Bisexual & Trans 11, 12, 15, 18, 75
 Philippine Studies 30, 42
 Philosophy 2, 4, 25A, 25C
 Pilipino 1, 2, 10A, 10B, 10C, 39A, 39B
 Russian 1A, 1B, 21A, 21B
 Spanish 1, 1A, 1B, 2, 2A, 2B, 3, 3A, 3B, 5, 5S, 6A, 6B, 7, 10A, 10B, 10C, 10D, 22A, 22B, 22C, 31, 31A, 31B, 32, 32A, 32B, 42
 Women's and Gender Studies 10
 World Languages and Cultures 100

AREA D: Social Sciences

Upon completion of this coursework, a student will be able to:

1. Exhibit an understanding of methods of inquiry used by the social and behavioral sciences.
2. Critically evaluate the ways people act, think and feel in response to their societies.
3. Demonstrate socio-cultural participation skills, ethical reasoning, and/or political awareness in order to be effective citizens in a diverse world.

Six (6) certifiable semester units or 8 quarter units with courses to be selected from the following[^]:

Administration of Justice 57, 59, 65, 67
 African American Studies 30, 42, 60
 American Studies 5
 Anthropology 2, 3, 3C, 4, 8, 11, 12, 15, 20, 25, 50
 Asian American Studies 1, 8, 20, 22, 23, 27, 30, 35, 40, 42
 Broadcast Electronic Media 101, 103
 Child Dev/Family Studies 53, 61, 67, 97
 Communication Studies 5
 Economics 1, 3, 6, 15, 20, 22, 25, 30
 Ethnic Studies 37, 45
 Geography 3, 4, 7
 Health Education 10, 30, 52, 54, 56, 97, 110, 221, 231
 History 1, 4A, 4B, 5, 9, 12A, 12B, 15A, 15B, 17A, 17B, 18A, 18B, 20, 21, 35A, 35B, 37, 40, 41A, 41B, 45, 49
 Interdisciplinary Studies 7, 17, 30, 31, 37, 45
 International Business 162
 Labor & Community Studies 15, 70A, 70B, 88, 96C, 114
 Latin American & Latina/o/e/x Studies 1, 2, 9, 10, 11, 13, 15
 Lesbian, Gay, Bisexual & Transgender Studies 5, 9, 10, 21, 50

Philippine Studies 20, 40, 50
 Physical Education 13, 28
 Political Science 1, 2, 3, 4, 5, 12, 15, 18, 19, 22, 43, 45
 Psychology 1, 2, 4, 10, 11, 21, 23, 24, 25, 26, 32, 40
 Sociology 1, 2, 3, 21, 25, 35, 52, 55
 Women's and Gender Studies 25, 35, 54

[^]If two different disciplines are not completed at the lower division level, a second discipline must be chosen at the upper division level.

AREA E: Lifelong Understanding and Self-Development

Upon completion of this coursework, a student will be able to:

1. Identify strategies for continual sociological and biological well-being.
2. **PE/Dance Specific Outcome:** Examine, summarize, and value the physical skills essential for mental and physical well-being.

Three (3) certifiable semester units or 4-5 quarter units from the following:

Career Development 60

VETERANS: Students who have completed at least six (6) months of continuous active U.S. military service have satisfied Area E. DD214 or military transcript must be on file.

Area F: Ethnic Studies

Upon completion of this coursework, a student will be able to:

1. Analyze and articulate concepts of race, ethnicity, and identity in the U.S. through the lens of colonialism, anti-racism, and equity

- Apply theory and knowledge produced by U.S. ethnic communities in order to describe their histories, cultures, contributions, struggles, and agency
- Analyze critical intersections of race and racism as they relate to identities and forms of oppression in U.S. ethnic communities
- Review critically how struggle, resistance, racial and social justice, solidarity, and liberation as experienced and enacted by U.S. ethnic groups are relevant to current and structural issues
- Describe and engage with anti-racist and anti-colonial issues and the practices and movements in U.S. ethnic communities building a just and equitable society

Three (3) certifiable semester units or 4-5 quarter units from the following:

African American Studies 30, 40, 42, 55, 60
 Asian American Studies 1, 6, 8, 10, 20, 22, 23, 27, 30, 35, 40
 Ethnic Studies 37
 Interdisciplinary Studies 37
 Latin Amer & Latina/o/e/x Studies 1, 2, 9, 10
 Lesbian, Gay, Bisexual & Trans 9

University of California (All Campuses)

Admission Application Dates

Beginning Fall '23, all University of California campuses will accept applications from October 1-November 30.
 Apply online, www.universityofcalifornia.edu/apply.

Minimum U.C. Transfer Eligibility Requirements

To be eligible for admission to UC as a transfer student, you must fulfill the following criteria:

- Complete 60 semester units (90 quarter units) of transferable college credit with a grade point average of at least 2.4, **and**
- Complete a course pattern requirement to include:
 - Two transferable college courses (3 semester units or 4–5 quarter units each) in English composition; **and**
 - One transferable college course (3 semester units or 4–5 quarter units) in Mathematical Concepts and Quantitative Reasoning; **and**
 - Four transferable college courses (3 semester units or 4–5 quarter units each) chosen from at least two of the following subject areas: the arts and humanities, the social and behavioral sciences, the physical and biological sciences.

The current admission requirements for **nonresident** transfer applicants are the same as those for residents except that nonresidents must have a grade point average of 2.8 or higher in all transferable college course work.

In recent years, the number of applicants to many campuses and majors has greatly exceeded the spaces available. This increased competition means the University may no longer be able to guarantee admission to all eligible students. When a campus has to choose among qualified students, it applies standards that are more demanding than the minimum requirements. Using a process called comprehensive review, admissions officers look beyond the required course work and grades to evaluate applicants' academic achievements in light of the opportunities available to them and the capacity each student demonstrates to contribute to the intellectual life of the campus.

Courses from City College of San Francisco Acceptable at All Campuses of the University of California for 2023-24

- The University of California (all campuses) accepts as elective credit toward graduation the units earned in the courses listed below, subject to the limitations and exclusions noted.
- The following is a complete list of City College courses for which the University of California accepts credit, subject to the limitations listed. If a City College course does not appear on this list, the course is not accepted for credit by the University of California.

The following information is based upon information received from the University at the time of the publication of this catalog. The University may decide after the publication of this catalog to limit or not to accept units earned in some City College courses.

Due to catalog publication deadlines, the following list of approved courses is in process. Updated information is available from a counselor; the Transfer Center; ASSIST, www.assist.org; or the CCSF articulation webpage, www.ccsf.edu/artic.

City College courses which are accepted for credit by all campuses of the University of California:

Academic Achievement Personal Success 103
 Administration of Justice 52, 57, 59, 65, 67
 African American Studies 30, 40, 42, 55, 60
 American Sign Language 1A, 1B, 2A
 American Studies 5
 Anthropology 1, 1L, 2, *3, *3C, 4, 8, 11, 12, 15, 20, 25, 50
 *3 and 3C combined: maximum credit, one course
 Architecture 22A, 29A, 29B, 31A, 31B, 100, 101, 102, 103, 218
 Art 101 thru 109, 118, 122A, 123Q, 123U, 123V, 123W, 125A, 125B, 126, 130A, 130B, 130C, 132A, 132B, 132C, 132D, 139, 140A, 140B, 140C, 140D, 142A, 145A, 145B, 145C, 145D, 146A, 146B, 146C, 146D, 150A, 150B, 150C, 150D, 152A, 152B, 152C, 156A, 156B, 160A, 160B, 160C, 160D, 170A, 170B, 170C, 170D
 Asian American Studies 1, 6, 8, 10, 20, 22, 23, 27, 30, 35, 40, 42, *65
 *Independent Study course — to be reviewed for credit by UC campus upon transfer
 Asian Studies 11, 15, 30
 Astronomy *1, 4, 16, *17, *18, *19
 *1, 17, 18, 19 combined: maximum credit allowed, 2 courses

BIOLOGICAL SCIENCES:

Anthropology 1
 Biology 9, ++10, *11, 12, 14, 15, 19, 20, 21M, 32, 32L, 33, 40, 51, 51L, 53, 61, 100A, 100B, ^106, ^108, ^111,, ^112, 114, 118, 118B, 119, 120, #132, #134
 *No credit for 11 if taken after Biology 100A, 100B
 ++No credit for 10 if taken after Biology 11, 100A, 100B, or Biology 111 (formerly: Physiology 1) or Biology 112 (formerly: Physiology 12)
 ^No credit for Biology 106 (formerly: Anatomy 14) if taken after Biology 108 (formerly: Anatomy 25) or 111 (formerly: Physiology 1) or Biology 112 (formerly: Physiology 12); Biology 106 or Biology 108 combined with Biology 11 or Biology 112: Maximum credit, 2 courses
 #BIO 132 and BIO 134 combined: maximum credit, 1 course
 Biotechnology (see Engineering & Technology)
 Broadcast Electronic Media Arts 100, 101, 103

BUSINESS:**Accounting** 1, 2**Business Law** 1, 2**General Business** 119, 120**Management** 235**Microcomputer Applications for Business** +60

+CNIT 100, CS 100M, and MABS 60 combined: maximum credit, one course

Paralegal Studies 10**Career Development** 60**Chemistry** ^# 32, ^#40, *85, °101A, 101B, °103A, ^# 110, **208A, **208B, **212A, **212B

^32, 40 and 110 combined: maximum credit, 1 course

No credit for 32, 40 or 110 if taken after 101A

°101A, 103A combined: maximum credit allowed, one course.

#40, 110 combined: maximum credit allowed, one course. No credit for 40, 110 if taken after 101A or 103A

*Variable Topic Course - to be reviewed for credit by UC Campus upon transfer.

**208A-208B and 212A-212B combined: maximum credit allowed, one series; no credit for 212AB if taken after 208AB

Chinese *1, *1A, *1B, +2, +2A, +2B, #3, #3A, #3B, ^4, ^4A, ^4B, 30A, 30B, #31A, #31B, 32, 33, 39

*1AB is equivalent to 1: maximum credit, 6 units;

+2AB is equivalent to 2: maximum credit, 6 units;

#3AB is equivalent to 3: 3, 3AB, and 31AB combined: maximum credit, 6 units;

^4AB is equivalent to 4: maximum credit, 6 units;

Child Development 53, 67, 75, 150**Cinema** 18, 19, **20A, **20B, 21, 22, 23A, 23B, 23C, 24, 57,

**20A, 20B, and LGBT 11, LGBT 12 combined: maximum credit allowed, two courses

Classics 35**Communication Studies** 1A, 2, 3, 4, 5, 7, 8, 20, 50**Computer Aided Drafting** (see Engineering & Technology)**Computer Networking & Information Technology** +100, +100M, 133M

*Variable Topics course — to be reviewed for credit by UC campus transfer

World Languages and Cultures 100

Zoology (see Biological Science)

The University accepts transfer credit as indicated above, but does not accept more than 70 semester units of lower division credit toward graduation. Lower division courses in excess of 70 semester units will receive subject credit and may be used to satisfy University subject requirements. The University does not accept credit that students have been granted for military service, nor does the University necessarily accept credit that City College of San Francisco has granted for work completed at other institutions.

Intersegmental General Education Transfer Curriculum (IGETC) for 2023-24

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education pattern that fulfills all lower-division general education requirements at most California State University (CSU) and most University of California (UC) campuses/majors. It is also accepted by some private/independent or out of state universities. Completion of IGETC is not a requirement for transfer to the CSU or UC, nor is it the only way to fulfill the lower division general education requirements. Students transferring to CSU campuses may find it advantageous to follow CSU-GE requirements. Students transferring to UC may also complete campus specific breadth requirements. Please note: IGETC is not recommended and/or acceptable for some colleges and majors within the UC system. Please consult with your counselor.

Notes:

- IGETC does not guarantee admissions to any CSU or UC campus. Please consult with a counselor regarding limitations or restrictions on the IGETC acceptance.
- All courses for IGETC must be completed with “C” or better grade. A grade of Credit or Pass may be used if the community college’s policy states it is equivalent to a grade of C or better.
- Courses marked with an “*” have limits placed on transfer credits by UC or CSU. Courses listed in multiple AREAS shall not be certified in more than one area except for courses in Languages Other Than English (AREA 6 LOTE), which can be certified in both AREAS 3B and 6.
- Course requirements for ALL areas must be completed before IGETC can be fully certified, though IGETC may be partially certified if all but two courses on the IGETC pattern have been completed.
- IGETC Certification needs to be requested by students through a counselor.
- Students completing the IGETC pattern may petition for a CCSF Certificate of Achievement.

Due to catalog publication deadlines, the following list of approved IGETC courses is in process. Updated information is available from a counselor; the Transfer Center; ASSIST, www.assist.org; or the CCSF articulation webpage, www.ccsf.edu/artic.

AREA 1: English Communication

CSU—Three courses required—one (1) course from each group

UC—Two courses required—one from Group A, & one from Group B.

1A-English Composition:

Upon completion of this coursework, a student will be able to:

1. Read critically to annotate, analyze, synthesize, and evaluate primarily non-fiction, college-level texts.
2. Compose organized and coherent source-based essays that demonstrate critical thinking and rhetorical strategies.
3. Demonstrate control over all major conventions of standard English grammar and punctuation.
4. Select and integrate reliable, credible, and scholarly sources to support essays, using a standardized citation format

One course, 3 semester units (4 quarter units):

English 1A

1B-Critical Thinking—English Composition:

Upon completion of this coursework, a student will be able to:

1. Practice inductive and deductive reasoning in written or oral contexts.
2. Integrate support for ideas into an argument structure.
3. Identify formal and informal fallacies of language in thought.

One course from the following, 3 semester units (4 quarter units):

Communication Studies 2
English 1B, 1C

1C-Oral Communication (CSU-ONLY):

Upon completion of this coursework, a student will be able to:

1. Demonstrate clear and precise oral expression.
2. Identify and use culturally competent communication practices.
3. Analyze how communication practices impact experiences.

One course from the following, 3 semester units (4 quarter units):

Communication Studies 1A, 3, 4, 20

AREA 2: Mathematical Concepts and Quantitative Reasoning

Upon completion of this coursework, a student will be able to:

1. Apply mathematical concepts through numerical, symbolic, graphical, and verbal methods to interpret quantitative information, solve problems, and communication results.

One course from the following, 3 semester units (4 quarter units):

Economics *5
Latin American & Latina/o/e/x Studies *5
Mathematics 70, *75, *80, *90, *98, *100A, *100B, *108, *110A, *110B, *110C, 115, 120, 125, *130
Psychology *5

AREA 3: Arts and Humanities

At least three courses, with at least one from the Arts and one from the Humanities, 9 semester units (12 –15 quarter units).

3A Arts:

Upon completion of this coursework, a student will be able to:

1. Identify connections between the arts and cultural and social awareness.
2. Analyze the broader social/historical contexts of works of art.
3. Evaluate the creative expression of self and others.

At least one course from the following:

African American Studies 55
Architecture *31A, *31B
Art 101, 102, 103, 104, 105, 106, 107, 108, 109, 118, 122A, 123Q, 123U, 123V, 123W
Asian Studies 11
Cinema 18, 23A, 23B, 57
Dance 30
Latin American & Latina/o/e/x Studies 14
Lesbian, Gay, Bisexual & Trans 20, 55
Maker Studies 100
Music 3A, 3B, 5A, 5B, 21, 22A, 22B, 22C, 23, 24, 25, 26, 27A, 27B, 27Q, 27R, 28, 128
Photography 40, 50A, 50B

70 Transfer Information

Theatre Arts 30, 31, 32, 33
Visual Media Design 110

3B Humanities:

Upon completion of this coursework, a student will be able to:

1. Exhibit and understanding of the ways in which people in diverse cultures and eras have produced culturally significant works.
2. Communicate effectively the meanings and intentions of creative expression.
3. Use analytical techniques to assess the value of human creations in meaningful ways.
4. Demonstrate an understanding of the human condition through language, reasoning, or artistic creation.

At least one course from the following:

African American Studies 30, 40, 60
American Sign Language 2A
American Studies 5
Asian American Studies 6, 10, 35
Asian Studies 15, 30
Chinese *3, *3A, *3B, *4, *4A, *4B, 30A, 30B, *31A, *31B, 32, 33, 39
Cinema 19, *20A, *20B, 21, 22, 23C
Classics 35
Communication Studies 8
English 1B, 30A, 30B, 43, 44A, 44B, 46A, 46B, 46C, 48C, 48K, 51, 52, 54, 55, 57, 58, 61, 62
Ethnic Studies 37
French *3, *3A, *3B, 4, 5, 41, 42
History 1, 4A, 4B, 5, 9, 12A, 12B, 15A, 15B, *17A, *17B, 18A, 18B, 20, 21, 35A, 35B, 37, 40, *41A, *41B, 45
Humanities 7, 8, *11, *12, 20, 25, *41A, *41B, 48
Interdisciplinary Studies 3, 4, 14, 27B, 29, 30, 31, 36, 37, 46, 47
Italian 3A, 3B, 4A, 4B
Japanese *3, *3A, *3B, *4, *4A, *4B, 39
Latin American & Latina/o/e/x Studies 1
Lesbian, Gay, Bisexual & Trans *11, 12, 15, 18, 75

Women's and Gender Studies 10

AREA 4: Social and Behavioral Sciences

Upon completion of this coursework, a student will be able to:

1. Exhibit an understanding of methods of inquiry used by the social and behavioral sciences.
2. Critically evaluate the ways people act, think and feel in response to their societies.
3. Demonstrate socio-cultural participation skills, ethical reasoning, and/or political awareness in order to be effective citizens in a diverse world.

Two (2) courses from two (2) academic disciplines 6 semester units (9 quarter units)

Administration of Justice 57, 59, 65, 67
African American Studies 42
American Studies 5

Anthropology 2, 3, 3C, 4, 8, 11, 12, 15, 20, 25, 50
Asian American Studies 8, 20, 22, 23, 27, 30, 35, 40, 42
Broadcast Electronic Media Arts 101, 103
Child Development 53, 67
Communication Studies 5
Economics 1, 3, 6, 15, 20, 22, 25, 30
Ethnic Studies 37, 45
Geography 3, 4, 7
Health 10, 52, 54, 56, 221, 231
History 1, 4A, 4B, 5, 9, 12A, 12B, 15A, 15B, 17A, 17B, 18A, 18B, 20, 21, 35A, 35B, 37, 40, 41A, 41B, 45
Interdisciplinary Studies 7, 17, 30, 31, 37, 45
Labor Studies 15, 70A, 70B, 88, 114
Latin American & Latina/o/e/x Studies 1, 2, 9, 10, 11, 13, 15
Lesbian, Gay, Bisexual, & Transgender Studies 5, 9, 10, 50
Philippine Studies 20, 40, 50
Physical Education 13, 28
Political Science 1, 2, 3, 4, 5, 12, 15, 18, 19, 22, 43, 45
Psychology 1, 2, 10, 11, 21, 23, 24, 25, 32, 40
Sociology 1, 2, 3, 21, 25, 35, 52, 55
Women's and Gender Studies 25, 35, 54

AREA 5: Physical and Biological Sciences

Two (2) courses, one Physical Science course and one Biological Science course: must include at least one Laboratory Activity, 7-9 semester units. (9-12 quarter units)

5A Physical Sciences

Upon completion of this coursework, a student will be able to:

1. Apply scientific inquiry and investigation of evidence to critically evaluate physical science arguments.
2. Communicate scientific ideas and theories effectively.
3. Apply scientific principles, theories, or models to explain the behavior of natural physical phenomena.
4. Apply physical science knowledge and reasoning to human interaction with the natural world and issues impacting society.

One course from the following:

Astronomy 1, 17, 18, 19
Chemistry 32, 40, 101A, 101B, 103A, 110, 208A, 208B, 212A, 212B
Energy 3
Geography 1
Geology 10, 11, 30
Oceanography 1
Physical Science 11
Physics 2A, 2B, 4A, 4B, 4C, 4D, 10, 20, 41

5B Biological Sciences

Upon completion of this coursework, a student will be able to:

1. Apply scientific inquiry and investigation of evidence to critically evaluate biological science arguments.
2. Communicate scientific ideas and theories effectively.
3. Apply scientific principles, theories, or models to explain the behavior of natural biological phenomena.
4. Apply biological science knowledge and reasoning to human interaction with the natural world and issues impacting society.

One course from the following:

Anthropology 1
Astronomy 4
Biology 9, 10, 11, 12, 14, 15, 19, 20, 32, 33, 40, 51, 53, 61, 100A, 100B, 106, 108, 111, 112, 114, 118, 118B, 119, 120
Biotechnology 4
Environmental Science and Sustainability 31
Psychology 1B

5C Laboratory Activity

Upon completion of this coursework, a student will be able to:

1. Investigate natural phenomena through a variety of scientific inquiry techniques.
2. Analyze and evaluate data from the natural world.
3. Apply scientific principles, theories, or models to predict and explain the behavior of natural phenomena.

One course from the following:

Anthropology 1L
Astronomy 16
Biology 9, 10, 11, 12, 14, 19, 32L, 51L, 100A, 100B, 106, 108, 111, 112, 118, 120
Biotechnology 4
Chemistry 32, 40, 101A, 101B, 103A, 208A, 208B, 212A, 212B
Energy 3L
Environmental Science and Sustainability 31L
Geography 1L
Geology 10L, 11L, 30L
Oceanography 1L
Physical Science 11L
Physics 2AL, 2BL, 4AL, 4BL, 4CL, 4DL, 10L

AREA 6: Language Other Than English

Upon completion of this coursework, a student will be able to:

1. Communicate effectively, beyond beginning level, in a language other than English.
2. Compose well-organized writing in a language other than English.
3. Demonstrate comprehension of the spoken non-English language in a variety of listening situations.
4. Interpret a variety of written texts in a language other than English.

(UC requirement ONLY)

Complete ONE of the following ways to demonstrate proficiency in a language other than English:

1. Coursework

- a. High school courses
 - i. In a high school where the language of instruction is English, completion of the second level of high school coursework in a language other than English with a letter grade of "C-" or better in the second semester of the second year.
 - ii. In an institution where the language of instruction is not English, formal schooling through the sixth-grade level or higher. Appropriate documentation must be presented to substantiate the language of instruction. If an official sealed transcript cannot be obtained from an

international institution, an unofficial or opened transcript may be used.

b. College courses

- i. Satisfactory completion of a course (or courses) at a college or university equivalent to the 2nd level of high school instruction, with a letter grade of "C" (2.0) or better; or a Pass grade where the pass is equivalent to 2.00 or better, in each course. CCSF courses that meet this requirement are: American Sign Language 1B, 2A; Chinese *2, *2B, *3, *3A, *3B, *4, *4A, *4B, *30A, *30B, *31A, *31B; French *2, *2B, *3, *3A, *3B, 4, 5, 22; Italian *2, *2B, 3A, 3B, 4A, 4B; Japanese *2, *2B, *3, *3A, *3B, *4, *4A, *4B; Pilipino 2; Spanish *2, *2B, *3, *3A, *3B, 5, 5S, 6A, 6B, 7, 22A, 22B, 22C, *31, *31A, *31B, *32, *32A, *32B, 42
- ii. A Defense Language Institute Foreign Language Center (DLIFLC) language other than English course which is indicated as passed with a "C" or higher on the official transcript.

2. Examinations

- a. **SAT II: Subject Tests** in languages other than English with minimum scores as indicated below:
Before May 1995 use 1st score; if taken after May 1995 use 2nd score:
Chinese with listening: 500/520
French/French with listening: 500/540
German/German with listening: 500/510
Hebrew (Modern): 500/470
Italian: 500/520
Japanese with listening: 500/510
Korean/Korean with listening: --/500
Latin: 500/530
Spanish/Spanish with listening: 500/520
- b. **Advanced Placement (AP)** examinations in languages other than English with a score of 3 or higher.
- c. **International Baccalaureate Higher Level (IBHL)** examinations in languages other than English with a score of 5 or higher.
- d. **(International) General Certificate of Secondary Education [(I)GCSE]/General Certificate of Education (GCE) "O" level** exams in languages other than English with a grade of "A", "B", or "C."
- e. **General Certificate of Education (GCE) "A" Level** exams in languages other than English with a grade of "A", "B" or "C."

3. Other

- a. Satisfactory completion of an achievement test administered by a community college, university, or other college in a language other than English. The test will have to assess the student's proficiency at the level equivalent to two years of high school language. This conclusion must be posted on a transcript indicating unit, course title and grade or on a document with letterhead of the institution granting proficiency stating that the student has mastered proficiency in the language equivalent to two years of high school language.

- b. If an achievement test is not available, a faculty member associated with a United States regionally accredited institution of higher education can verify a student's competency. The institution must provide a document on letterhead asserting that the student has mastered proficiency in the language equivalent to two years/second level of high school instruction.

Area 7: Ethnic Studies

Upon completion of this coursework, a student will be able to:

1. Analyze and articulate concepts of race, ethnicity, and identity in the U.S. through the lens of colonialism, anti-racism, and equity
2. Apply theory and knowledge produced by U.S. ethnic communities in order to describe their histories, cultures, contributions, struggles, and agency
3. Analyze critical intersections of race and racism as they relate to identities and forms of oppression in U.S. ethnic communities
4. Review critically how struggle, resistance, racial and social justice, solidarity, and liberation as experienced and enacted by U.S. ethnic groups are relevant to current and structural issues
5. Describe and engage with anti-racist and anti-colonial issues and the practices and movements in U.S. ethnic communities building a just and equitable society

One (1) course from the following, 3 semester units (4 quarter units):

African American Studies 30, 40, 42, 55, 60

Asian American Studies 1, 6, 8, 10, 20 22, 23, 27, 30, 35, 40

Ethnic Studies 37

Interdisciplinary Studies 37

Latin Amer & Latina/o/e/x Studies 1, 2, 9, 10

Lesbian, Gay, Bisexual & Trans 9

*Reduction of units in Area 4 and inclusion of Area 7 take effect for students matriculating at a California community college beginning in Fall 2023.

IGETC for STEM

IGETC for STEM is a separate IGETC track available for students planning to major in science, technology, engineering, or mathematics. It is a series of courses that California community college students may complete to satisfy the lower-division breadth/general education requirements before transferring to either the California State University or most colleges and majors at UC campuses.

For CSU: If any specific AS-T degree allows IGETC for STEM Majors as its general education pattern, the specific courses that should replace the deferred lower division general education courses may be indicated on the Transfer Model Curriculum (TMC) for that discipline.

For UC: UC will accept IGETC for STEM only if:

- Student is earning an associate degree for transfer (ADT) at a California community college that offers IGETC for STEM as an option for those degrees AND
- The UC major program or college you're applying to accepts partial IGETC certification.

IGETC for STEM Majors is applicable only to majors in which the TMC explicitly indicates the availability of the option. As of May 2020, only Chemistry, Biology and Environmental Science allow for IGETC

for STEM. A current list of associate degrees for transfer (ADTs) that allow for use of IGETC for STEM can be found at www.c-id.net.

Although IGETC for STEM is an option, students should prioritize completing major-preparation courses for the specific campuses and programs under considering. Consult ASSIST to determine whether IGETC is a good option and what courses at the community college fulfill IGETC requirements.

CSU Only: U.S. History, Constitution and American Ideals

(Not part of IGETC; may be completed prior to transfer.)

Upon completion of this coursework, a student will be able to:

US1: Analyze significant events from U.S. history, including cultural and regional influences.

US2: Evaluate political institutions and processes in the United States.

US3: Explain California's political processes and Constitution and its relationship to the federal government.

Six (6) units, one course from Group 1 (US-2&3) and one course from Group 2 (US-1):

Group 1: Asian American Studies 23; Political Science 1

Group 2: Asian American Studies 20; History 1, 9, 12A, 12B, 17A, 17B, 41A, 41B, 45; Labor and Community Studies 70A, 70B; Latin American & Latina/o/e/x Studies 1

Course Identification Numbering System (C-ID)

The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by individual California community colleges. A C-ID number next to a course signals that participating California colleges and universities have determined that courses offered by other California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Thus, if a schedule of classes or catalog lists a course bearing a C-ID number, for example COMM 110, students at that college can be assured that it will be accepted in lieu of a course bearing the C-ID COMM 110 designation at another community college. In other words, the C-ID designation can be used to identify comparable courses at different community colleges. However, students should always go to www.assist.org to confirm how each college's course will be accepted at a particular four-year college or university for transfer credit.

The C-ID numbering system is useful for students attending more than one community college and is applied to many of the transferable courses students need as preparation for transfer. Because these course requirements may change and because courses may be modified and qualified for or deleted from the C-ID database, students should check with a counselor to determine how C-ID designated courses fit into their educational plans for transfer.

Students may consult the ASSIST database at www.assist.org for specific information on C-ID course designations. Counselors can help students interpret or explain this information.

Following are CCSF courses that have been approved for C-ID numbers at the time of this catalog's publication. Updated information is available at http://www.c-id.net/course_compare.html.

(PHOTOGRAPH BY KATIE LOUX)

PROGRAMS AND COURSES

Institutional Learning Outcomes

Students who successfully complete their educational programs at CCSF will achieve all or an appropriate set of the following Institutional Learning Outcomes:

1. Critical Thinking and Information Competency
 - Apply quantitative reasoning to questions or problems
 - Locate, evaluate, and use information appropriately
 - Use critical or creative reasoning, including diverse perspectives
2. Communication
 - Communicate effectively
 - Demonstrate respectful interpersonal and intercultural communication
 - Recognize and interpret creative expression
3. Cultural, Social, and Environmental Awareness
 - Examine the history and values of diverse cultures
 - Evaluate the impact of civic, social, and/or environmental choices
 - Engage effectively with others in diverse social and/or cultural settings
4. Personal and Career Development
 - Assess one's strengths to evaluate areas for personal, academic, or career development
 - Make use of resources or opportunities for personal, academic, or career development
 - Maintain and improve one's health and safety and/or that of others
 - Use technology in pursuit of intellectual growth and/or career development

Degree and Certificate Curricula

City College of San Francisco offers degree, credit certificate, and non-credit certificate courses of study.

Degree Curricula

A degree curriculum requires completion of 60 or more semester units (normally two years of full-time work) in conformance with the requirements of a particular department of instruction. (Students who have not satisfied course prerequisites may need more than two years to complete a degree curriculum.) Students who satisfy these requirements receive the degree of Associate in Arts for Transfer (AA-T), Associate in Science for Transfer (AS-T), Associate in Arts (AA), or Associate in Science (AS). General requirements for these degrees are outlined in the Associate Degree Graduation Requirements section of this catalog; information on requirements for the degree majors is detailed in this Programs and Courses section.

Certificate Curricula — Credit

City College offers two types of credit certificates, Certificate of Achievement and Certificate of Accomplishment, which prepare students for entry-level employment or further study, add special knowledge and skills to existing occupational competence, or mark an accomplishment in a particular area.

A Certificate of Achievement is a sequence of courses usually consisting of 16 or more units of degree-applicable coursework that has been

approved by the State Chancellor's Office. Students who successfully petition for a Certificate of Achievement will have the name of the certificate appear on their transcript.

A Certificate of Accomplishment is a sequence of courses consisting of fewer than 16 units of degree-applicable coursework. Students who successfully petition for a Certificate of Accomplishment will not have the name of the certificate appear on their transcript.

Credit that students earn in a certificate curriculum may also be used toward satisfaction of the requirements for graduation from the College with an Associate Degree.

Certificate Curricula — Noncredit

City College offers two types of noncredit certificates, Certificate of Completion and Certificate of Competency, which prepare students for entry-level employment or further study. A Certificate of Completion is a sequence of courses designed to prepare students to progress in a career path or to undertake degree-applicable or non-degree applicable credit courses. A Certificate of Competency is a sequence of courses preparing students to demonstrate achievement in a set of competencies that prepares the student to progress in a career path or to undertake degree-applicable or non-degree applicable credit courses. Some noncredit certificate programs meet required guidelines for student financial assistance.

Course Information

Course Identifiers

Courses are identified by a subject and a number (for example, MATH 97), a subject and a number/letter combination (for example, CS 110A), or by a subject and a letter (for example, ENGL L).

Units

The number or numbers in parentheses following the title of a course indicate its semester unit (s.u.) value. Note that the semester unit is not equal to a quarter unit (q.u.). (2 s.u. = 3 q.u.)

Method of Delivery

For credit courses, the total number of hours of lecture (lec), laboratory (lab), and/or work experience (work) are given.

Grading

Some courses may be taken on a pass/no pass or a letter grade basis. Others may be taken only on a pass/no pass basis. This is indicated by "P/NP available" and "P/NP only" respectively on the same line as the delivery pattern. In this symbolism "available" means the "P" (pass) or "NP" (no pass) grades are available for the course instead of the regular grades of "A" through "F" if the election to take the course for pass/no pass is made at registration or by the end of the first 30% of the term of offering for the course. If no notation occurs regarding pass/no pass, the course is a "letter grade only" course.

Prerequisites, Corequisites, and Advisories

Some courses may require students to have taken a course prior to enrollment (prerequisite), or may require courses to be taken simultaneously (corequisite). Others may have recommended, but not required, preparation (advisory). See the "Challenge of a Prerequisite or a Corequisite" section of the Academic Policies section of this Catalog for information about challenging prerequisites.

Repeatability

Some credit courses may be repeated even if a student has taken the course previously. Repeatability limits are typically expressed as a maximum number of units that a student can accumulate in the same

course (original enrollment plus any repetitions). In some cases, the repetition limit is expressed as a total number of enrollments (original enrollment plus any repetitions). When a department offers a series of courses on the same topic, and a repetition limit applies across the series of courses, the limit is expressed in terms of a combination of units across the set of courses (e.g., Repeat: ASAM 61-62-63 combined, maximum 15 units).

Field Trips

Some courses may require field trips; others have optional field trips. The instructor will specify details about any field trips in the course syllabus.

Transferability

A basic description of the course content generally concludes the course announcement. At the end of this description, the abbreviation CSU indicates that the course transfers for elective credit to any California State University, and the abbreviation UC indicates that the course is acceptable for elective credit at all campuses of the University of California. Courses designated as “UC upon review” are independent studies or variable topics courses which may earn UC elective credit, but which must be evaluated by the UC campus at the time the student is admitted for transfer before credit can be granted.

Course Offering Frequency

Unless otherwise noted, courses are generally offered in both Fall and Spring semesters.

Course History

If the course recently had a different CCSF course number or if an equivalent CCSF course exists, that information will be the last item in the announcement, for example “Formerly ENGL 5A” or “SPAN 2A-2B = SPAN 2.” If the course has been taken under its former number and a grade of “C” or better or of P has been earned, the newly numbered course may not be taken because the two are really the same. In addition, if two courses are listed as equivalent, only one of the two may be taken.

C-ID Number

The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by individual California community colleges. A C-ID number next to a course signals that participating California colleges and universities have determined that courses offered by other California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Thus, if the course description displays a C-ID number, for example COMM 110, students can be assured that it will be accepted in lieu of a course bearing the C-ID COMM 110 designation at another community college. In other words, the C-ID designation can be used to identify comparable courses at different community colleges. However, students should always go to www.assist.org to confirm how each college’s course will be accepted at a particular four-year college or university for transfer credit. Updated information on C-ID course approvals is available at http://www.c-id.net/course_compare.html.

Schedule of Classes

Students should check the time schedules, published separately, for the times when courses are offered. The schedules also identify the locations at which the courses will be taught. The Time Schedule is available at the College Bookstore; the Office of Admissions and

Records, MUB 188; and the Registration Center, MUB 130B. To see the Time Schedule online, visit: <http://www.ccsf.edu/Schedule>

Announcement of Curricula

General Information

This Department offers curricula in two fields—Administration of Justice and Fire Science Technology. Each two-year curriculum is designed to prepare students for civil-service and related private sector employment and also satisfies College graduation requirements. The following is a description of the program.

Administration of Justice

Degree Curriculum

The curriculum in Administration of Justice is arranged to meet the needs of three groups of students: those who plan to seek employment with public and private agencies concerned with maintaining public safety, crime prevention, treatment, rehabilitation and research; those who are employed by a correctional or law-enforcement agency and desire to obtain training for promotion; and those who desire to obtain background in administration of justice in preparation for the study of policing, probation and parole, social welfare, law, and non-profit community corrections.

Admission. Enrollment is open to all interested students.

Course of Study. The two-year course of study includes instruction in the following: introduction to administration of justice, principles and procedures of the justice system, criminal identification, criminal law, organized crime and gangs, criminal investigation, physical evidence, narcotic investigation, probation and parole, juvenile procedures, and law enforcement field work. Beside instruction in administration of justice, the curriculum includes course work in general education so that students may satisfy the College graduation requirements in this area.

Credit for Preservice Training in Administration of Justice.

Administration of Justice majors who have completed a minimum of 12 semester units at City College, and who have also completed a preservice administration of justice-training program certified by the Commission on Peace Officers Standards and Training of the Department of Justice of the State of California, may petition the Administration of Justice Department for six semester units to be applied toward completion of the curriculum in administration of justice. A transcript or other acceptable evidence of completion of the preservice training program must be submitted with the petition.

Approval of Instruction. The curriculum is offered in cooperation with local agencies concerned with the administration of justice and is reviewed annually by an advisory committee composed of persons active in the field of law enforcement. In-service courses within the curriculum are certified by the Commission on Peace Officers Standards and Training of the Department of Justice of the State of California. For more information about this agency, see the “Overview of the College” section of this Catalog.

Employment. Students who complete the curriculum satisfactorily may be qualified to take civil-service examinations for employment with federal, state, county, and city agencies in capacities such as the

following: investigator; forensic identification, highway patrol, correctional officer; juvenile counselor; police officer; or deputy sheriff. Graduates are also qualified for employment as private investigators and private security officers.

Administration of Justice Major (AS-T)

Associate in Science in Administration of Justice for Transfer. This course of study prepares students for transfer, particularly to CSU, to complete work for a bachelor's degree in criminal justice. Students will be able to describe the individual functions and components of the modern criminal justice system; use introductory concepts of legal research as it relates to discussing the content of statutory and case law; and explain the underlying cause of antisocial and criminal behavior. This program is appropriate for students considering law school or careers in law enforcement.

Learning Outcomes

Upon completion of this program, students will be able to:

- Relate the theory, techniques, and knowledge of law enforcement to criminal justice system processes.
- Evaluate the legal aspects of criminal investigations, constitutional law, and case law.
- Interpret the laws and procedures relied upon for the collection and use of evidence.
- Examine the ethical standards placed on law enforcement professionals in the American justice system

Students who wish to earn the Associate in Science in Administration of Justice for Transfer (AS-T) must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of "C" (or "P") or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

The minimum time for completion is 4 semesters; completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AS-T in Administration of Justice

Course Units
Required

ADMJ 52 Concepts of Criminal Law 3.0
 ADMJ 57 Introduction to Administration of Justice 3.0

Choose two (2) of the following

ADMJ 51 Juvenile Procedures 3.0
 ADMJ 53 Legal Aspects of Evidence. 3.0
 ADMJ 54 Principles and Procedures of the Justice System 3.0
 ADMJ 62 Criminal Investigation 3.0
 ADMJ 66 Forensic Evidence 3.0

Choose two (2) of the following

PSYC 1 General Psychology 3.0
 or SOC 1 Introduction to Sociology. 3.0
 or One of the following Statistics courses:
 ECON 5 Introductory Statistics for Economics,
 Business and Social Sciences. 5.0
 LALS 5 Introduction to Statistical Methods in Latin
 American and Latino/a Studies 5.0
 MATH 80 Probability and Statistics 5.0
 PSYC 5 Statistics for Behavioral Sciences. 5.0

Total: 18.0 – 20.0

Administration of Justice Major (AS)

The Associates Degree in Administration of Justice provides a strong theoretical and practical foundation for a broad range of careers in criminal justice, such as police officer, deputy sheriff, coroner, inspector, corrections, parole, and district attorney investigators. Students must complete required and elective courses in Administration of Justice and satisfy the General Education requirements of the college.

Learning Outcomes

Upon completion of this program, students will be able to:

- Describe the history, structure, and functions of the main components of the American criminal justice system.
- Analyze principles and applications of California and Constitutional law, particularly the requirements adhered to by law enforcement, courts, and corrections.
- Produce written communications that meet the professional standards of the criminal justice system.
- Analyze critical contemporary problems and issues within criminal justice, such as nationwide crime rates, prison population and buildup, the costs of incarceration, and individuals killed by police
- Implement investigative and forensic skills, techniques, and procedures in a variety of practical settings.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is 4 semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Administration of Justice

ADMJ 85 P.C. 832 Arrest and Control Certification.	3.0
F SC 145 Introduction to Homeland Security	3.0
Total:	30.0

Certificate Curricula

The certificate program is designed to meet the needs of students who want to obtain entry-level positions and/or promotional positions within law enforcement agencies in the public sector and employment opportunities within the private security sector. It also provides students who are currently employed in law enforcement an opportunity to increase their knowledge in the field of Administration of Justice and enhance their skills and abilities as police officers, correctional officers, probation and/or parole officers, investigators and private security officers. This program also provides an opportunity for students returning to college after completing an Associate in Arts/Science or Baccalaureate degree in other fields to earn a certificate in Administration of Justice without completing the general education requirements for graduation from City College.

Administration of Justice Certificate

This Certificate of Achievement in Administration of Justice provides students with foundational, practical, and theoretical knowledge in the main components of the American criminal justice system, and prepares students for entry-level positions in a wide range of criminal justice occupations including law enforcement, courts, corrections, and private security.

Learning Outcomes

Upon completion of this program, students will be able to:

- Describe the history, structure, and functions of the main components of the American criminal justice system.
- Analyze principles and applications of California and Constitutional law, particularly the requirements adhered to by law enforcement, courts, and corrections.
- Produce written communications that meet the professional standards of the criminal justice system.
- Analyze critical contemporary problems and issues within criminal justice nationwide crime rates; prison population and buildup; the costs of incarceration; and individuals killed by police
- Implement investigative and forensic skills, techniques, and procedures in a variety of practical settings.

This certificate is available for students who do not choose to complete the general education requirements for graduating with the AS degree in Administration of Justice.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Administration of Justice

Course	Units
Required	
ADMJ 52 Concepts of Criminal Law	3.0
ADMJ 53 Legal Aspects of Evidence.	3.0
ADMJ 54 Principles and Procedures of the Justice System	3.0
ADMJ 57 Introduction to Administration of Justice	3.0
ADMJ 62 Criminal Investigation	3.0
ADMJ 64 Progressive Policing in the 21st Century	3.0
ADMJ 68 Criminal Justice Report Writing	3.0
Total:	21.0

Basic Police Officer Certificate

Principles, procedures, and techniques of law enforcement: criminal law, patrol and investigative procedures, report writing, use of force tactics, weapons use, community relations, vehicle operations, traffic enforcement, accident investigation, first aid, CPR, academic and physical skills training and assessment required by the State Commission on Peace Officer Standards and Training to meet the minimum standards for employment as a peace officer in California (1280 in-class hours).

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply the legal and ethical principles and procedures associated with the duties of a police officer.
- Interpret and apply criminal law.
- Implement appropriate patrol and investigation procedures.
- Manage and write accurate law enforcement reports.
- Employ legally approved defensive policing tactics and appropriate levels of use of force

Admission Requirements. California P.O.S.T. (Commission on Peace Officer Standards and Training) reading and writing exam or employment by a P.O.S.T. approved agency; Department of Justice clearance; medical verification: clearance from a licensed physician to participate in intensive physical activity commensurate with a police academy.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Basic Police Officer

Course	Units
Required	
ADMJ 101 Basic Police Academy.	38.5
ADMJ 72 Police Work Experience	8.0
Total:	46.5

Crime Scene Investigation Certificate

The 18-unit certificate in Crime Scene Investigation offers instruction in the areas of crime scene processing and documentation, evidence preservation, fingerprints, photography, report writing, and legal issues relating to physical evidence. The curriculum is designed to meet the needs of students desiring an entry-level, civilian position working crime scenes or handling evidence, or enhancing the credentials of police officers in order to join a sworn CSI unit. Students may earn the certificate as a stand-alone credential or as part of their Associate of Science degree in Administration of Justice.

Learning Outcomes

Upon completion of this program, students will be able to:

- Display foundational knowledge in the history and sub-disciplines of forensic science, lab organization, and analytical techniques.
- Articulate a realistic perspective of the field of forensic science and operations of crime scene investigation.
- Apply knowledge of sequential fingerprint development techniques for porous and non-porous surfaces.
- Write clear, correct, detailed, and descriptive reports.
- Utilize appropriate methods to document, collect, and preserve evidence at a variety of crime scenes.
- Apply critical thinking, logic, and the scientific method to investigating crime scenes.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Crime Scene Investigation

Course	Units
First Semester:	
ADMJ 52 Concepts of Criminal Law	3.0
ADMJ 57 Introduction to Administration of Justice	3.0
ADMJ 68 Criminal Justice Report Writing	3.0
Second Semester:	
ADMJ 63 Fingerprints	3.0
ADMJ 66 Forensic Evidence	3.0
ADMJ 69 Crime Scene Documentation	3.0
Total:	18.0

Criminal and Constitutional Law Certificate

This certificate addresses a citizen’s criminal and civil rights under the United State Constitution. Students will learn about criminal statutes and protections provided by the Constitution. Students will review the court system, procedures from incident to final disposition in the criminal justice system, and principles of civil law with constitutional, federal, state and local emphasis. The concepts and skills covered in this certificate provide support for employment in fields such as detective and criminal investigators, fire investigators, forensic science technicians, administrative law judges or hearing officers, immigration and custom inspectors, lawyers, and government property inspectors and investigators.

Learning Outcomes

Upon completion of this program, students will be able to:

- Compare the relationship of the legislative and judicial branches of the government to the U.S. Constitution and the Penal Code of California
- Explain each step of the criminal justice process from arrest to trial
- Describe the various types of law
- Evaluate ways that individuals can effectively participate in politics at the national, state, county, and/or local levels
- Analyze the contemporary history and role of race and ethnicity in the American political system

Students must complete five (5) of the six (6) courses at City College of San Francisco.

The minimum time for completion of this certificate is four semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Criminal and Constitutional Law

Course	Units
Required courses:	
ADMJ 52 Concepts of Criminal Law	3.0
ADMJ 53 Legal Aspects of Evidence	3.0
ADMJ 54 Principles and Procedures of the Justice System	3.0
POLS 1 American Government	3.0
POLS 12 Ethnic Politics in the United States	3.0
POLS 43 The Constitution and Individual Rights	3.0
Total:	18.0

Public Safety LGBTQ+ Awareness Certificate

The Public Safety LGBTQ+ Awareness Certificate of Achievement examines the structure of the American criminal justice system and its relationship with the LGBTQ+ community. It provides an increased understanding of the LGBTQ+ community, with an emphasis on communities of color, for new and incumbent public safety personnel by meeting the requirements of California Penal Code section 13519.41.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze the history of the LGBTQ+ community and policing in the contexts of race and class.
- Explain the differences between sexual orientation and gender identity.
- Recognize and apply the laws and civil rights related to the LGBTQ+ community.
- Examine strategies for public safety agencies to build effective relationships and trust with the LGBTQ+ community.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Total:	18.0

Fire Science Technology

General Information

The curriculum in Fire Science Technology is designed to provide training for three groups of students: those who plan to seek employment as members of city and county fire departments and other governmental agencies that involve fire prevention, fire investigation, fire suppression, and fire protection engineering; those who are employed in the fire service who want further technical training to prepare for promotion; and those who plan to seek private employment as safety instructors in industry, insurance adjusters, fire-protection technicians, fire equipment salespeople, and fire-equipment installers.

Admission. Enrollment is open to all interested students.

Accreditation. The curriculum in Fire Science Technology is accredited by the State Fire Marshal’s Office of State Fire Training. For more information about this agency, see the “Overview of the College” section of this Catalog.

Course of Study. The California Community College Association of Fire Technology Directors recommends that six courses be offered as a basis for all fire technology programs in the State of California. These courses are: introduction to fire protection, fire prevention, fire protection equipment and systems, building construction for fire protection, fire behavior and combustion, principles of fire emergency services, safety and survival. These courses serve as the basis of the fire science technology program at City College of San Francisco along with a pre-hospital emergency care and wildland fire control courses. This curriculum

represents the base knowledge, the foundation, upon which a student can build, regardless of where he or she works in the fire protection field.

Fire Science Technology Major (AS)

Students completing the Fire Science Technology Major will be eligible for career positions such as Firefighter, Fire Prevention Specialists, Wildland Firefighter, Fire Investigator, Fire Engineer, Fire Hydraulics specialist, First Responder, Emergency Medical Technician, and Life Safety Directors in High Rise Buildings.

Learning Outcomes

Upon completion of this program, students will be able to:

- Articulate fire department organizational structure and operational levels.
- Compare fire suppression systems and fire prevention programs that protect the public in various types of building construction.
- Compare the effects of topography, aspect, and environmental factors on wildland fire behavior, suppression, and prevention.
- Define occupational safety and health concerns as they relate to emergency service organizations, including medical emergencies and activation of the 911 system

Students must complete at least 4 of the 7 required courses at CCSF. Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

F SC 53 Building Construction for Fire Protection	3.0
F SC 55 Wildland Fire Control	3.0
F SC 57 Principles of Fire and Emergency Services: Safety and Survival	3.0
F SC 61A Introduction to Fire Prevention	3.0
F SC 64 Fire Behavior and Combustion	3.0

Choose one of the following options

OPTION ONE

EMT 100 Emergency Medical Technician	8.0
--	-----

OPTION TWO

F SC 17 Public Safety: Emergency Medical Response . . . 3.0 and F SC 62 Rescue Practices	3.0
---	-----

Choose 3 units from the following if not used above

F SC 51A Fire Tactics and Strategy	3.0
F SC 62 Rescue Practices	3.0
F SC 63 Vehicle Extrication	0.5
F SC 65 Hazardous Materials First Responder Operations	3.0
F SC 107A Fire Training Work Experience	0.5
F SC 107B Fire Training Work Experience	2.5
F SC 111 Firefighter One Academy	13.0
F SC 145 Introduction to Homeland Security	3.0
F SC 150 Fire Service Career Preparation	2.0
LBCS 94D Labor Relations in America	1.0
Total:	30.0 – 40.5

Certificate Curricula

The certificate programs are designed to meet the needs of students who want to obtain entry-level positions in the fire protection field whether in the public or the private sector. These programs also provide an opportunity for students returning to college after completing a degree in other fields to earn a certificate in fire protection without completing the general education requirements for graduation from City College.

Basic Fire Academy (Accredited Local Academy) Certificate

Basic Fire Academy (Accredited Local Academy) is for entry level Firefighter positions with the San Francisco Fire Department. Training meets the standards of the National Fire Protection Association and California State Fire Marshal Office of State Fire Training, and the Firefighter (2019) curriculum. Emphasis is on Firefighter training, Wildland Firefighter training, and Hazardous Materials /Weapons of Mass Destruction (WMD) training in areas such as fire service communications, fire-ground and rescue operations, preparedness and maintenance of fire service equipment and specialized apparatus, mitigation of hazardous materials incidents, recognition of potential WMD incidents, and assistance of scene preservation for law enforcement.

Learning Outcomes

Upon completion of this program, students will be able to:

- Execute job knowledge and performance specific to the firefighter profession.
- Recognize and execute decisions related to wildland fire incidents, including use of personal protective equipment, wildland fire tools and apparatus, wildland fire safety, and fire suppression operations
- Identify and define hazardous materials and associated risks present in a hazardous materials emergency,
- Assess patient status and apply the correct basic life support interventions to patients with a variety of emergency medical and traumatic conditions, in accordance with local and national EMT protocols.

Entry level firefighters are required to have a current EMT certification; AHA BLS Healthcare Provider or Red Cross CPR for Professional Rescuer; Passing score on the Candidate Physical Agility Test (CPAT); Live Scan; valid California Driver's License.

The minimum time for completion of this certificate is four semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Basic Fire Academy (Accredited Local Academy)

Course	Units
Required	
F SC 108 Fire Service Work Experience	8.0
F SC 110 Basic Fire Academy	24.5
Total:	32.5

Company Officer Certificate

Company Officer is the first certification in the California Office of the State Fire Marshal (OSFM) Officer series. The Company Officer Certification utilizes NFPA 1021 Standard for Fire Officer Professional Qualifications (2020) and NFPA 1051 Standard for Wildland Fire Fighter Professional Qualifications (2020) to provide the qualifications for State Fire Training's Company Officer certification.

Learning Outcomes

Upon completion of this program, students will be able to:

- Evaluate member performance, supervise personnel, and integrate health and safety plans and safe procedures into daily activities in emergency and non-emergency environments.
- Describe general administrative functions and how the implementation of department policies and procedures convey the fire department’s role, image, and mission to the public.
- Conduct fire inspections and fire investigations that identify hazards and violations as well as preserve crime scenes.
- Utilize the Incident Command System (ICS) to manage resources on single and multi-unit incidents such as wildland fires.
- Deliver a course of instruction on officer competencies and supervisory responsibilities from a prepared lesson plan utilizing instructional aids and evaluation methods.

The minimum time for completion of this certificate is 5 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester, and availability of classes offered each semester.

Courses Required for the Certificate of Achievement in Company Officer

Course.....	Units
Required	
F SC 75A Company Officer 2A: Human Relations Management	2.0
F SC 75B Company Officer 2B: General Administrative Functions	1.0
F SC 75C Company Officer 2C: Fire Inspections and Investigations	2.0
F SC 75D Company Officer 2D: All-Risk Command Operations.....	2.0
F SC 75E Company Officer 2E: Wildland Incident Operations.....	2.0
F SC 75F Instructor I State Fire Trng	2.0
Total:	11.0

Firefighter 1 Academy Certificate

Includes the principles, procedures, and techniques of firefighting and rescue. Technical and manipulative skills and concepts of fire control, fire behavior, tactics and strategy, and emergency management will be reviewed and put into practice during this course. The student will be trained according to the National Fire Protection Association, Standard 1001, and the California State Fire Marshal Office of State Fire Training Firefighter 1 and 2 that emphasize training in Firefighter 1 and 2, Wildland Firefighter, and Hazardous Materials First Responder Operations. Students completing this certificate program will be qualified to test for employment with agencies and departments hiring entry level firefighters.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply the standards for Firefighter as established by the National Fire Protection Association and the California State Fire Marshal Office of State Fire Training
- Apply the standards for Wildland Firefighter as established by the National Fire Protection Association and the California State Fire Marshal Office of State Fire Training
- Apply the standards for Hazardous Materials First Responder Operations as established by the National Fire Protection

Association and the California State Fire Marshal Office of State Fire Training

In addition to satisfying course prerequisites, students must have documented clearance from a licensed physician to participate in intensive physical activity required of the F SC 111 Firefighter One Academy Program. Minimum hiring requirements to be a Firefighter include a current Emergency Medical Technician (EMT) Certification, but EMT certification is not required to apply for the City College Fire Academy program.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Certificate of Achievement in Firefighter 1 Academy

Fire Protection Certificate

This program is designed to prepare students for employment or career advancement in fire protection jobs. It may be of particular interest to students with existing degrees looking to change careers. It is also available for persons who do not want to complete the general education requirements for graduation.

Learning Outcomes

Upon completion of this program, students will be able to:

- Evaluate fire suppression and fire prevention systems that protect the public in various types of building construction.
- Explain the effects of topography, aspect, and environmental factors on wildland fire behavior, suppression, and prevention operations.
- Describe fire department organizational structure and operational levels.
- Analyze occupational safety and health concerns as they relate to emergency services, including basic life support or advanced life support assistance in medical emergencies.

Students must complete 6 of the 8 core courses at City College of San Francisco.

The minimum time for completion of this certificate is two semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Fire Protection

Course.....	Units
Required	
F SC 50 Introduction to Fire Science	3.0

Total:	24.0 – 29.0

Homeland Security Certificate

The Homeland Security Certificate of Achievement is designed to give students an up-to-date overview of the issues in Homeland Security, with an emphasis on the role of first responders. Using an “all-hazards” perspective, this certificate will help prepare students for public or private sector employment in Homeland Security and related areas, such as transportation security officers, program analysts, intelligence researchers, criminal investigators, and border patrol agents. Veterans with a background in homeland security related issues are encouraged to consider this program as a way to leverage military experience into civilian employment.

Learning Outcomes

Upon completion of this program, students will be able to:

- Compare and contrast the main issues and threats in homeland security
- Analyze law enforcement first responder roles in providing public safety from Homeland Security threats
- Analyze fire service first responder roles in providing public safety from Homeland Security threats
- Demonstrate first responder skills required to prevent and respond to Homeland Security threats

Students must complete each course with a grade of “C” or higher. Students must complete 5 of the 7 courses at City College of San Francisco. All courses must be taken within a three-year period.

The minimum time for completion of this certificate is 4 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Fire Science

Credit, Degree Applicable Courses:

F SC 17. Public Safety: Emergency Medical Response (3)

Lec-52.5

Basic knowledge and skills necessary to provide lifesaving interventions and assist higher level Emergency Medical Services (EMS) personnel at the scene and during transport and perform basic interventions with minimal equipment. Meets national EMS education standards for Emergency Medical Responder (EMR) level training. CSU

ALL SECTIONS WILL CHARGE A MATERIAL FEE OF \$5.00.

OFFERED FALL AND SPRING SEMESTERS

F SC 50. Introduction to Fire Science (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introductory course to fire science that examines fire technology, department organizational structures, Incident Command System, fire protection systems and equipment, and provides an overview of careers in fire investigation, fire prevention, and fire suppression. The class meets the Fire Fighter I and II certification of the National Fire Protection Association's (NFPA?) Standard 1001. CSU

OFFERED FALL AND SPRING SEMESTERS

F SC 51A. Fire Tactics and Strategy (3)

Lec-52.5, field trips

PREREQ: F SC 50

This elective in the Fire Science major is for students pursuing a career in the Fire Service to obtain a better understanding of situational awareness when responding to emergency incidents. This course also prepares those who hope to improve their firefighting skills and prepare for promotion. CSU

F SC 50 INTRODUCTION TO FIRE SCIENCE IS A PRE-REQUISITE FOR F SC 51A.

OFFERED ON OCCASION

F SC 52A. Fire Protection Equipment & Systems (3)

Lec-52.5, field trips

A study of automatic sprinkler systems, standpipe systems, fire detection devices and systems, manual fire suppression equipment, water supplies, extinguishing agents, pumps used in fire protection, smoke management systems and special extinguishing systems. CSU

OFFERED FALL SEMESTERS

F SC 53. Building Construction for Fire Protection (3)

Lec-52.5, field trips P/NP available

PREREQ: F SC 50

Components of building construction that relate to fire safety; elements of construction and design of structures as key factors when inspecting buildings; preplanning fire operations and operating at fires; development and evolution of building and fire codes studied in relationship to past fires in residential, commercial and industrial occupancies. CSU

OFFERED SPRING SEMESTERS

F SC 55. Wildland Fire Control (3)

Lec-52.5, field trips P/NP available

PREREQ: F SC 50

The course will cover wildland fire behavior, fireline safety, fire prevention, fire extinguishment methods, strategy and tactics, Incident Command System, communications, use of fire apparatus, aircraft, bulldozers, and handcrews, and analysis of wildland fire incidents. The course is also a pre-requisite for F SC 111 Firefighter Academy. CSU

OFFERED FALL AND SPRING SEMESTERS

F SC 57. Principles of Fire and Emergency Services: Safety and Survival (3)

Lec-52.5, field trips P/NP available

PREREQ: F SC 50

RECOMMENDED PREP: F SC 52A OR F SC 53 OR F SC 55 OR F SC 61A OR F SC 64

This course introduces the basic concepts of occupational health and safety as it relates to emergency service organizations. Topics include risk evaluation and control procedures for emergency and non-emergency situations. The course curriculum will be guided by the National Fire Protection Association (NFPA) standards, such as National Fire Protection Association 1500, Fire Department Occupational Health and Safety Programs. CSU

OFFERED SPRING SEMESTERS

F SC 61A. Introduction to Fire Prevention (3)

Lec-52.5 P/NP available

PREREQ: F SC 50

RECOMMENDED PREP: F SC 52A OR F SC 53 OR F SC 64

This course provides fundamental information regarding the history and philosophy of fire prevention, organization and operation of a fire prevention bureau, use of fire codes, identification and correction of fire hazards, and the relationships of fire prevention with built-in fire

protection systems, fire investigation, and fire and life-safety education. CSU

OFFERED FALL SEMESTERS

F SC 62. Rescue Practices (3)

Lec-52.5, field trips P/NP available

Technical rescue practices of the fire service-vehicle extrication, confined space, trench rescue, high & low angle rescue, building collapse scenarios, fire ground rescue operations, and aquatic response emergencies. Examines current tools and technologies, role of fire service heavy rescue, operational issues confronting basic level rescue providers. CSU

OFFERED FALL AND SPRING SEMESTERS

F SC 63. Vehicle Extrication (.5)

Lec-9.5, Lab-14.5, field trips P/NP only

PREREQ: EMT 14 OR F SC 17; COMPLETION OF OR CONCURRENT ENROLLMENT IN: F SC III OR OTHER FIREFIGHTER ONE TRAINING (CERTIFICATION NOT REQUIRED)

This course provides the knowledge and skills to prepare a Firefighter to extricate victim(s) from vehicles in a safe and effective manner in accordance with Authority Having Jurisdiction (AHJ) policies and procedures. CSU

OFFERED ON OCCASION

F SC 64. Fire Behavior and Combustion (3)

Lec-52.5

Theory and fundamentals of how and why fires start, spread and are controlled. An in depth study of fire chemistry and physics, fire characteristic of materials, extinguishing agents and fire control techniques. CSU

OFFERED FALL SEMESTERS

F SC 65. Hazardous Materials First Responder Operations (2)

Lec-32, Lab-9, field trips P/NP available

COREQ: F SC III

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

This course is designed to accomplish an understanding of the operational level component associated with hazardous materials. Fulfills the requirements by the National Fire Protection Association (NFPA) 472 and exceeds the requirements of Occupational Safety and Health Administration (OSHA) 29 CFR 1910.120 standard for competent response to Hazardous Materials / Weapons of Mass Destruction incidents. CSU

OFFERED CONCURRENT WITH FIRE ACADEMY

F SC 75A. Company Officer 2A: Human Relations Management (2)

Lec-35 P/NP available

RECOMMENDED PREP: F SC 50

How company officers in fire departments use human resources to accomplish assignments, to evaluate members on performance, to supervise personnel, and integrate health and safety plans, policies, and procedures into daily activities, and during emergency incidents. CSU

PARTIAL CERTIFICATE COURSE REQUIREMENT FOR NEW COMPANY OFFICER, WHICH REPLACES THE FORMER REQUIREMENTS FOR FIRE OFFICER THAT EXPIRED 12/31/2016.

OFFERED ON OCCASION

F SC 75B. Company Officer 2B: General Administrative Functions (1)

Lec-20, field trips P/NP available

RECOMMENDED PREP: F SC 50

General administration functions along with implementation of depart

ment policies and procedures. Addresses projecting the fire department's role, image, and mission to the public. CSU

OFFERED ON OCCASION

F SC 75C. Company Officer 2C: Fire Inspections and Investigations (2)

Lec-40, field trips P/NP available

RECOMMENDED PREP: F SC 50

This course provides information on conducting inspections, identifying hazards and addressing violations consistent with fire service standards. The course also provides information for performing a fire investigation in order to determine the preliminary cause of the fire as well as procedures to follow for securing the incident scene and preserving evidence. CSU

OFFERED ON OCCASION

F SC 75D. Company Officer 2D: All-Risk Command Operations (2)

Lec-35, field trips P/NP available

RECOMMENDED PREP: F SC 50

Approaching an emergency and observing scene, developing a strategy and assigning tactical resources to mitigate an emergency for single-family dwelling fires, multi-family dwelling fires, commercial fires, high rise fires, multi-casualty medical incidents and technical rescue incidents. CSU

OFFERED ON OCCASION

F SC 75E. Company Officer 2E: Wildland Incident Operations (2)

Lec-35, field trips P/NP available

RECOMMENDED PREP: F SC 50

Reporting incident conditions, analyzing incident needs, developing and implementing a plan of action to deploy incident resources, completing all operations to suppress a Wildland fire, creating an incident action plan, and completing incident records and reports. CSU

OFFERED ON OCCASION

F SC 75F. Instructor I - State Fire Trng (2)

Lec-35 P/NP available

Provides the skills and knowledge needed for entry level professional instructor to perform his or her duties, safely, effectively, and competently. Follows National Fire Protection Association 1041 Standard for Fire Service Instructor. Also, meets partial requirements for Instructor 1 and Company Officer, California State Fire Marshal Office, State Fire Training Meets minimum requirement for San Francisco Fire Department for Training Instructor at the Division of Training (DOT). CSU

PARTIAL CERTIFICATE COURSE REQUIREMENT FOR NEW COMPANY OFFICER OR CERTIFICATION FOR INSTRUCTOR 1 TO TEACH STATE FIRE TRAINING LEVEL 1 COURSES. ALSO, MEETS REQUIREMENT TO TEACH AT THE SAN FRANCISCO FIRE DEPARTMENT TRAINING ACADEMY.

OFFERED ON OCCASION

F SC 106. Fire Safety Director (1.5)

Lec-27 P/NP available

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Provides basic knowledge and skills in the preparation of facility emergency plans; fire prevention and protection; life safety systems; evacuation and relocation procedures; earthquake preparedness; management of various emergencies and coordinating with emergency responders. This course is for those falling under jurisdictions of the San Francisco Fire Department, California State Fire Marshal's Office, and Fire Protection Division of California Health and Safety Code. Announcement of Curricula

Social Justice Studies: African American Studies Major (AA-T)

The African American Studies major is an interdisciplinary program that studies the history, arts and humanities, economy, culture, music, media, and politics of Black and African Americans in the United States. Using an interdisciplinary approach, African American Studies students actively engage in examining the realities of Black and African American experience in the United States. The Associate of Arts in Social Justice: African American Studies for Transfer Degree (AA-T SJS: African American Studies) prepares students for transfer with priority admissions and junior class status to a CSU campus program or major in Africana Studies, Race & Resistance Studies, or similar major for completion of a baccalaureate degree. Future careers include teaching, social work, law, community organizing, public health, non-profit

program management, diversity positions, as well as higher education or graduate school.

Learning Outcomes

Upon completion of this program, students will be able to:

- Describe the diverse historical experiences of Black and African Americans in the United States.
- Analyze social, political, cultural, and economic issues and conditions related to diversity of Black and African American communities in the United States.
- Analyze the intersections of race, gender, class, ethnicity, and sexuality within the Black and African American experience.
- Apply appropriate research methodologies in examining the Black/African American Experience.

Students who wish to earn the AA-T SJS: African American Studies degree must complete 60 CSU-transferable units with at least a 2.0 grade point average. This must include units required for full completion of the IGETC or CSU GE Curriculum and the units for the major as specified below. Each course in the major must be completed with a “C” (or “P”) or better. Courses that meet the major requirements may also be used to meet IGETC or CSU GE requirements.

The minimum time for completion is 4 semesters; completion time will vary depending on student preparation and number of units completed per semester.

Courses Required for the AA-T in Social Justice Studies: African American Studies

Required Courses

AFAM 30 African American Consciousness 3.0
 IDST 37 Introduction to Ethnic Studies 3.0

and one of the following courses

LGBT 5 Introduction to Lesbian, Gay, Bisexual, and Transgender Studies 3.0
 or WGST 25 Introduction to Women’s and Gender Studies: Feminism Demystified 3.0

Select three courses from at least two of the following discipline areas:

Area 1: History and Government

HIST 41A African American History From Ancestral West Africa to the Civil War 3.0
 HIST 41B 20th Century African American History from the Reconstruction to 21st Century 3.0

Area 2: Arts and Humanities

AFAM 40 The Black Experience in California 3.0
 AFAM 55 From Funk to Hip Hop 3.0
 HUM 48 African-American Music, Art and Literature . . 3.0
 IDST 36 Poetry for the People 3.0

Area 3: Social Science

AFAM 42 The Origins and History of Race Theory and Modern Racism 3.0
 AFAM 60 African American Women in the U.S. 3.0
 ECON 30 Economics of the African American Community 3.0
 LGBT 50 LGBT Communities of Color in the U.S. . . . 3.0
 PSYC 23 Psychology of Race and Ethnic Relations . . . 3.0

Area 4: Quantitative Reasoning and Research Methods

LALS 5 Introduction to Statistical Methods in Latin American and Latino/a Studies 5.0

Total: 18.0 – 20.0

Black/African American Studies Major (AA)

The African American Studies major is an interdisciplinary program that studies the history, arts and humanities, economy, culture, music, media, and politics of Black and African Americans in the United States. Using an interdisciplinary approach, African American Studies students actively engage in examining the realities of Black and African American experience in the United States. The degree in African American Studies provides a basis for students pursuing further education toward careers in non-profit program management, public sector, private sector, international development, community organizing, policy analysis, education, and journalism, among others.

Learning Outcomes

Upon completion of this program, students will be able to:

- Describe the diverse historical experiences of Black and African Americans in the United States.
- Analyze social, political, cultural, and economic issues and conditions related to the diversity of Black and African American communities in the United States.
- Analyze the intersections of race, gender, class, ethnicity, and sexuality within the Black and African American experience.
- Apply appropriate research methodologies in examining the Black/African American experience.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is 4 semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major Black/African American Studies

Course Units
Required

AFAM 30 African American Consciousness 3.0
 AFAM 40 The Black Experience in California 3.0
 AFAM 42 The Origins and History of Race Theory and Modern Racism 3.0
 IDST 37 Introduction to Ethnic Studies 3.0

Choose one of the following gender courses

AFAM 60 African American Women in the U.S. 3.0
 LGBT 5 Introduction to Lesbian, Gay, Bisexual, and Transgender Studies 3.0
 LGBT 50 LGBT Communities of Color in the U.S. 3.0
 WGST 25 Introduction to Women’s and Gender Studies: Feminism Demystified 3.0

Choose one of the following history courses

HIST 41A African American History From Ancestral West Africa to the Civil War 3.0
 HIST 41B 20th Century African American History from the Reconstruction to 21st Century 3.0

Choose one of the following elective courses

Choose a course listed above not previously selected or one of the following elective courses 3.0
 or AFAM 55 From Funk to Hip Hop 3.0
 ART 107 African-American Art History 3.0
 ECON 30 Economics of the African American Community 3.0

PSYC 23 Psychology of Race and Ethnic Relations	3.0
IDST 36 Poetry for the People	3.0
Total:	21.0

Black/African American Studies Certificate

The Certificate of Achievement in African American Studies provides an introduction to the Black/African American experience in the United States. The certificate provides students with the theoretical and methodological tools to understand and analyze the complex experience of Black/African Americans in the United States. It is designed for students who wish to pursue a specialization in Africana/African American/Black studies and for professionals in the public, private, and nonprofit sector and/or who work with or wish to learn about Black/African American communities and experiences in the United States to further their career goals.

Learning Outcomes

Upon completion of this program, students will be able to:

- Describe the diverse historical experiences of Black and African Americans in the United States.
- Analyze social, political, cultural, and economic issues and conditions related to the diversity of Black and African American communities in the United States.
- Explain the intersections of race, class, gender, and sexuality affecting Black/African American communities and experiences in the United States.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Announcement of Courses

Credit, Degree Applicable Courses:

AFAM 30. African American Consciousness (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

AFAM 30 is an Ethnic Studies course that focuses on W. E. B. Dubois’ term “The Souls of Black Folk.” Using frameworks of race and ethnicity, students will gain a critical understanding of the complex expressions of what African American people think, feel, and imagine in their conscious existence, historically and geographically. UC/CSU

AFAM 40. The Black Experience in California (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Review and comparative analysis of African heritage people and African Americans in California. The emphasis is on the African/African American heritage in the establishment, development, and evolution of California from the 1500s through the Gold Rush Era to the present, using Ethnic Studies methodologies. UC/CSU

OFFERED SPRING SEMESTERS

AFAM 42. The Origins and History of Race Theory and Modern Racism (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Utilizes ethnic studies methodologies and critical race theory to explore the history of race theory and racism in the United States from early antecedents in antiquity through the emergence of modern race theory and racism in the 18th and 19th centuries to the present. Also includes the ways that race theory has shaped intellectual discourse and popular consciousness. UC/CSU

AFAM 55. From Funk to Hip Hop (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Explores African American culture as reflected through theories of race and ethnicity and the aesthetics and politics of Black popular music from the Black Awakening of the 1960s to Hip-hop. Provides an understanding of how Black music forms have impacted and represented African American social consciousness, struggles, resistance, and racial justice. UC/CSU

AFAM 60. African American Women in the U.S. (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Examines and analyzes African American women in the U.S. with particular emphasis on the struggle for rights as people of African descent. Frameworks of race and ethnicity are used to gain a critical understanding of the contributions, strategies for success, and political activism of African American women from 1619 to the present. UC/CSU

OFFERED FALL SEMESTERS

ART 107. African-American Art History (3)

Lec-52.5, field trips
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Heritage of West African civilizations prior to and during the slave trade, and of African-Americans from colonial to contemporary times.

All art will be discussed from both a critical and historical perspective with regard to formal visual elements of style and the societies, values and ideas that gave birth to African-American art. UC/CSU

OFFERED SPRING SEMESTERS

DANC 129A. Beginning Jazz Dance (1)

Lab-35 P/NP available

Beginning jazz dance with emphasis on basic technique, terminology, dance combinations and basic rhythms of jazz dance. UC/CSU

FORMERLY DANC 130A

DANC 129B. Advanced Beginning Jazz Dance (1)

Lab-35 P/NP available

PREREQ: DANC 129A

Advanced beginning jazz dance builds upon skills learned in beginning jazz dance technique with emphasis on refining technique, increasing vocabulary, movement through space, and combinations. UC/CSU

DANC 129C. Intermediate Jazz Dance (1)

Lab-35 P/NP available

RECOMMENDED PREP: DANC 129B

Intermediate Jazz builds upon skills learned in Advanced Beginning Jazz Dance with emphasis on refining technique, musicality, increasing vocabulary and movement through space and combinations. UC/CSU

DANC 129D. Advanced Jazz Dance (1)

Lab-35 P/NP available

RECOMMENDED PREP: DANC 129C

Advanced Jazz Dance builds upon skills learned in Intermediate Jazz Dance technique with emphasis on refining technique, rhythmic structure, increasing vocabulary, movement through space, improvisation, and combination. UC/CSU

DANC 133A. Beginning African-Haitian Dance (1)

Lab-35 P/NP available

Beginning African-Haitian dance will be examined through technical demonstration and practice. Emphasis will be placed on traditional movements, isolations, movement progressions, dance patterns, and musicality. Dance pioneers and their contribution to African-Haitian dance will be discussed. UC/CSU

DANC 133B. Advanced Beginning African Haitian (1)

Lab-35 P/NP available

PREREQ: DANC 133A OR DEMONSTRATION OF EXIT SKILLS

Advanced beginning African Haitian Dance is a continuation of beginning African Haitian with an emphasis on building vocabulary on traditional movements and integrating isolations and movement progressions in connection to dance patterns and correct musicality. UC/CSU

DANC 133C. Intermediate African-Haitian Dance (1)

Lab-35 P/NP available

RECOMMENDED PREP: DANC 133B OR DEMONSTRATION OF EXIT SKILLS

Intermediate African Haitian dance builds on advanced beginning level skills. Through demonstration, practice, correction, and review, emphasis is placed on expansion into more intricate traditional movements, Dunham technique, dance patterns, styles, and musicality. Historical and cultural elements will be explored through lectures, films, research, and discussions. Creative expression will be encouraged through group choreographic activities and individual projects. UC/CSU

DANC 133D. Advanced African-Haitian Dance (1)

Lab-35 P/NP available

RECOMMENDED PREP: DANC 133C OR DEMONSTRATION OF EXIT SKILLS

Advanced African Haitian Dance is a continuation of intermediate African Haitian with an emphasis on building vocabulary on traditional movements and integrating isolations and movement progressions in connection to dance patterns and correct musicality. UC/CSU

FORMERLY DANC 132C

DANC 138A. Beginning Hip Hop Dance (1)

Lab-35 P/NP available

Beginning Hip Hop dance with emphasis on technique, vocabulary, dance combinations and basic rhythms of hip hop dance. UC/CSU

FORMERLY DANC 137A

DANC 138B. Advanced Beginning Hip Hop Dance (1)

Lab-35 P/NP available

RECOMMENDED PREP: DANC 138A OR DEMONSTRATION OF EXIT SKILLS

Beginning Hip Hop dance with emphasis on technique, vocabulary, dance combinations and basic rhythms of hip hop dance. UC/CSU

DANC 138C. Intermediate Hip Hop Dance (1)

Lab-35 P/NP available

RECOMMENDED PREP: DANC 138B OR DEMONSTRATION OF EXIT SKILLS

Intermediate Hip Hop dance builds upon skills learned in Advance Beginning Hip Hop with emphasis on increasing vocabulary, styles, and length of dance combinations with more complex rhythms. Using hip hop dance as a vehicle, students will be able to explore their own movement expression and choreography. UC/CSU

FORMERLY DANC 137B

DANC 138D. Advanced Hip Hop Dance (1)

Lab-35 P/NP available

RECOMMENDED PREP: DANC 138C OR DEMONSTRATION OF EXIT SKILLS

Advanced Hip Hop dance builds upon skills learned in Intermediate Hip Hop with emphasis on increasing vocabulary, styles, and length of dance combinations with more complex rhythms. Using hip hop dance as a vehicle, students will be able to explore their own movement expression and choreography in both group and solo settings. UC/CSU

ECON 30. Economics of the African American Community (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introduction to the principles of Black political economy. Topics will include: Black employment, employment discrimination, Black capitalism, the Black underclass, homelessness, and community economic development. The empirical link between race, class and income distribution will also be examined. UC/CSU

OFFERED ON OCCASION

HIST 41A. African American History From Ancestral West Africa to the Civil War (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE LEVEL ENGLISH OR ESL 188

The political, social, artistic, and cultural history of people of African-American descent in the United States from their African beginnings

to the Civil War. Covering the development of African-American culture and heritage from ancestral West Africa. UC/CSU

HIST 41B. 20th Century African American History from the Reconstruction to 21st Century (3)

Lec-52.5, field trips P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE LEVEL ENGLISH OR ESL 188

The political, social, artistic, and cultural history of the African American people in the United States from the Civil War to the 21st Century. HIST 41B covers from the Reconstruction to the present. UC/CSU

HUM 48. African-American Music, Art and Literature (3)

Lec-52.5, field trips P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A study of significant works in African-American literature, philosophy, art, and music, including their roots in African cultures. UC/CSU
OFFERED ON OCCASION

IDST 14. American Cultures in Literature and Film (3)

Lec-52.5, field trips P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An interdisciplinary survey of literary and cinematic works of fiction, drama, non-fiction and poetry that investigates unity in diversity in the shifting trajectories of American identities and interrelationships. Groups featured to assess their interactive contributions to American cultures include Native-, European-, African-, Latin-, Asian-Americans, and Pacific Islanders. UC/CSU
OFFERED ON OCCASION

IDST 29. Islam: Identity & Culture (3)

Lec-52.5, field trips P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An interdisciplinary survey of Muslim identity and the origins, principles, and practices of Islam, comparing and contrasting them with those of other major religions. Focus on the historical development and current practices of Islam and its impact on philosophy, art, music, architecture, gender, media, popular culture, and politics. UC/CSU
OFFERED ON OCCASION

IDST 37. Introduction to Ethnic Studies (3)

Lec-52.5 P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introduction to concepts, theories, methodologies and social policy related to the history, culture, concerns, and conditions of the field of Ethnic Studies. Employs Critical Race Theory, Intersectionality, and Indigenous Methodologies to analyze and articulate cultural, political, and economic practices and institutions that support or challenge racism, racial and ethnic inequalities, and patterns of interaction between various racial and ethnic groups. UC/CSU
C-ID SOCI 150
CROSSLISTED WITH ETHN 37

IDST 80A. Diversity and Social Justice: Racism (.5)

Lec-9 P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 186

A consciousness-raising analysis and evaluation of race-based oppression on individual, institutional, and cultural levels in the U.S. Emphasis

on expanding knowledge about racism, increasing awareness of one's own socialization and assumptions, and the application of this knowledge and awareness for individual and social change. CSU
OFFERED FALL SEMESTERS

IDST 80C. Diversity and Social Justice: Sexism (.5)

Lec-9 P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 186

A consciousness raising analysis and evaluation of sexism on individual, institutional, and cultural levels in the United States. Expanding one's knowledge about sexism, increasing personal awareness of one's own sexism and assumptions, and the application of this knowledge and awareness for individual and social change are emphasized. CSU
OFFERED FALL SEMESTERS

IDST 80D. Diversity and Social Justice: Heterosexism (.5)

Lec-9 P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 186

A consciousness-raising analysis and evaluation of homophobia and heterosexism (discrimination based on perceived or real sexual orientation and identity) oppression on individual, institutional, and cultural levels in the U.S. Emphasis on expanding knowledge about heterosexism, increasing awareness of one's own socialization and assumptions, and the application of this knowledge and awareness for individual and social change. CSU
OFFERED FALL SEMESTERS

IDST 80E. Diversity and Social Justice: Ableism (.5)

Lec-9 P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 186

A consciousness-raising analysis and evaluation of ableism (disability-based oppression) on individual, institutional, and cultural levels in the U.S. Emphasis on expanding knowledge about ableism, increasing awareness of one's own socialization and assumptions, and the application of this knowledge and awareness for individual and social change. CSU
OFFERED FALL SEMESTERS

IDST 80F. Diversity and Social Justice: Class and Classism (.5)

Lec-9 P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 186

A consciousness-raising analysis and evaluation of class oppression and classism on individual, institutional, and cultural levels in the U.S. Emphasis on expanding knowledge about class, class oppression and classism, increasing awareness of one's own socialization and assumptions, and the application of this knowledge and awareness for individual and social change. CSU
OFFERED SPRING SEMESTERS

IDST 80G. Diversity and Social Justice: Transphobia (.5)

Lec-9 P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 186

A consciousness-raising analysis and evaluation of transphobia and gender oppression on individual, institutional, and cultural levels in the U.S. Emphasis on expanding knowledge about transphobia and gender diversity, increasing awareness of one's own socialization and assumptions, and the application of this knowledge and awareness for individual and social change. CSU
OFFERED FALL SEMESTERS

IDST 81B. Diversity and Social Justice: Anti-Semitism/Anti-Arabism (1)

Lec-18 P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 186

A consciousness-raising analysis and evaluation of anti-Semitism and anti-Arabism on individual, institutional, and cultural levels in the U.S. Emphasis on expanding knowledge about anti-Semitism and anti-Arabism, increasing awareness of one's own socialization and assumptions, and the application of this knowledge and awareness for individual and social change. CSU

OFFERED SPRING SEMESTERS

LGBT 50. LGBT Communities of Color in the U.S. (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A survey of the histories, power dynamics, intersectionalities, cultures, communities and resistance of LGBTQ+ Black, Latinx, Chicana, Indigenous and API people in the U.S. UC/CSU

FORMERLY LESBIAN/GAY/BISEXUAL/TRANSGENDER/COMMUNITIES OF COLOR IN THE U.S.

OFFERED SPRING SEMESTERS

MUS 8A. Beginning Jazz & Other Popular Piano (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: MUS 9A OR DEMONSTRATION OF EXIT SKILLS

Beginning study and exploration of jazz piano technique in myriad forms through the application of jazz theory, blues, Afro-Cuban, Brazilian and other popular styles. UC/CSU

MUS 8B. Intermediate Jazz & Other Popular Piano (3)

Lec-52.5, field trips P/NP available
 PREREQ: MUS 8A
 An intermediate study of basic jazz, blues, Afro-Cuban, Brazilian and other popular piano techniques. UC/CSU

MUS 21. Traditional African Music (3)

Lec-52.5, field trips P/NP available
 An introduction to the many styles of African music with emphasis on the function of traditional music and how it is organized as an integral part of everyday activity. UC/CSU

MUS 23. History of Jazz: Musical Traditions of the African-American (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A course composed of lectures, discussions, assigned reading and listening designed to explore African-American musical heritage and its relationship to other folk expressions and to Western European Art Music. This heritage includes spirituals, work songs, blues, jazz, gospel and a broad range of popular music. UC/CSU

MUS 26. Music in American Culture (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

A survey of the music of America's diverse populations such as Native American, Anglo-American, African American, Cajun, Creole, Hawaiian and other styles and genres such as country, Tex-Mex, Klezmer and polka. UC/CSU

MUS 41. African Drumming Ensemble (3)

Lec-52.5, field trips P/NP available
 REPEAT: STUDENTS CAN REPEAT THREE TIMES (TOTAL 4 ENROLLMENTS)

In African Drumming Ensemble students play traditional African music; the class is an in-depth examination of African drumming and performance of African music integral to everyday festivities and life in African society UC/CSU

THE CONTENT OF THIS COURSE VARIES. STUDENTS MAY RE-ENROLL WITHOUT REPEATING SUBJECT MATTER.

PSYC 23. Psychology of Race and Ethnic Relations (3)

Lec-52.5 P/NP available
 An exploration of the experiences, theories, and research concerning issues of race and ethnicity as they relate to individual and group behavior, emotion, and thinking, including attitudes, identity development, racism, privilege, coping strategies, and intersectional experiences. Psychohistorical analysis of the experiences of African Americans, Asian Americans, Latino(a) Americans, and Native Americans. UC/CSU

Aircraft Maintenance Technology

Office: Airport
 Phone Number: (650) 821-0219
 Web Site: www.ccsf.edu/aeronaut

Announcement of Curricula

General Information

City College of San Francisco offers two years of specialized training for students desiring preparation for employment as aircraft technicians maintaining powerplants, airframes, or avionics equipment.

Employment. Students who successfully complete the degree or certificate curricula are qualified for employment in various positions, including those in the following fields:

Powerplant Maintenance—Entry positions as accessory mechanic, general powerplant mechanic, maintenance-crew member, ramp service-crew member, and hangar-crew member. Positions to which graduates may advance after obtaining experience and further training include those of aircraft powerplant technician (licensed), supervisor, and inspector.

Airframe Maintenance—Entry positions as general aircraft-overhaul mechanic, accessory mechanic, electric-shop mechanic, general cabin-equipment mechanic, maintenance-crew member, ramp-service crew member, and hangar-crew member. Positions to which graduates may advance after obtaining experience and further training include those of airframe technician (licensed), supervisor and inspector.

Avionics Maintenance—Entry positions as avionics technician, radio/electric line mechanic. Positions to which graduates may advance after obtaining experience and further training include those of lead systems specialist, supervisor and inspector.

Federal Certification. The Aircraft Maintenance Technology programs are certified by the Federal Aviation Administration. For more information about this agency, see the "Overview of the College" section of this Catalog.

The Federal Aviation Administration permits those who hold the Associate of Science (or the Certificate of Achievement) in Aircraft Powerplant Maintenance Technology to take the examination for the F.A.A. Powerplant Certificate. The Federal Aviation Administration permits those who hold the Associate of Science (or Certificate of

Achievement) in Airframe Maintenance Technology to take the examination for the F.A.A. Airframe Certificate.

Degree Curriculum

The Degree Curriculum in Aircraft Maintenance Technology offers three majors: Aircraft Powerplant Maintenance Technology, Airframe-Maintenance Technology, and Avionics-Maintenance Technology. Students who complete all courses required for the major and satisfy general College graduation requirements will receive the Associate in Science Degree.

To enroll:

1. File with the Office of Admissions and Records an application for admission to City College.
2. Complete the assessment process to get an English/ESL and Math course placement, Orientation, Counseling

Communication and Computation Skills. Federal Aviation Administration (F.A.A.) regulations require that a student be able to read, speak, and understand English and perform basic computation. It is highly recommended that applicants, prior to enrolling in the Aircraft Maintenance Technology program,

1. complete ESL188 or ENGL 88 or 88B with a C or higher, or place in ENGL 88; and
2. complete MATH 30, or place in MATH 40.

Previous Aircraft Job-Related or Educational Experience. In limited cases, and with Aircraft Maintenance Technology Department approval, previous aircraft job-related experience and training may substitute for certain course requirements. Previous job-related experience and training must be documented according to F.A.A. regulations. This experience will not guarantee a waiver to any requirements in the Department, but will usually provide the student with a greater chance of success in both training and placement in the industry.

Special Regulations and Policies. The Aircraft Maintenance Technology Program is regulated by the Federal Aviation Administration. As a result, all students will be issued a “Department of Aircraft Maintenance Technology Student Handbook.” Contained in the handbook are special regulations regarding attendance, performance levels, conditions of academic probation and dismissal from the program. Also included are notices concerning personal safety equipment, hand tools and supplies which the student will be responsible to purchase.

Transfer to San Jose State University. Although students in the Aircraft Maintenance Program generally enter industry upon graduation, for those students who may prefer to earn the Bachelor’s degree, San Jose State University offers graduates this opportunity. Those students who intend to transfer should consult a counselor at City College of San Francisco.

Aircraft Powerplant Maintenance Technology Major (AS)

This major is for potential AMT technicians that are interested in receiving training in Aircraft Powerplant Maintenance. The Aircraft Powerplant Maintenance training received at the CCSF Aeronautics Department is certified by the FAA, CFR Part 147. Some of the subject areas that are covered in the Powerplant Maintenance Training include topics such as reciprocating engine overhaul, turbine theory and operation, systems such as fuel systems, lubrication systems, ignition and starting systems, troubleshooting and inspections as well as testing engines for proper operation. Students will learn the proper nomenclature of aircraft powerplant parts and components. Upon successfully completing and passing (with at least a 70% score) all required subject areas associated with the Powerplant Maintenance

training as well as completing and passing the required general education courses, the student will then qualify to receive the Aircraft Powerplant Maintenance Technology major and qualify to take their Federal Aviation Administration exams. Once the graduating student passes all of the required FAA exams, they are qualified to work in the aviation industry as a FAA Certified Powerplant Technician.

Learning Outcomes

Upon completion of this program, students will be able to:

- Describe and analyze the various aircraft parts and components, and troubleshoot the related systems.
- Use shop safety practices related to aircraft maintenance.
- Perform inspections that will determine the airworthiness of aircraft systems and components.
- Demonstrate proper aircraft maintenance procedures as per specified authorized references.
- Apply the techniques utilized in overhauling an aircraft reciprocating engine.

Assuming students start this AA or AS with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Aircraft Powerplant Maintenance Technology

Course	Units
Required Courses:	
AIRC 101 Introduction to Aircraft Maintenance	8.0
AIRC 102 Basic Electricity and Electrical Circuits	8.0
AIRC 103 Powerplant Theory & Maintenance	8.0
AIRC 104 Propulsion Powerplant Systems	8.0
AIRC 105 Powerplant Systems and Components	8.0
Total:	40.0

Airframe Maintenance Technology Major (AS)

This major is for potential AMT technicians that are interested in receiving training in Airframe Maintenance. The Airframe Maintenance training received at the CCSF Aeronautics Department is certified by the FAA, CFR Part 147. Some of the subject areas that are covered in the Airframe Maintenance training include topics such as assembly and rigging, hydraulic and pneumatic power systems, cabin atmosphere control systems, communication and navigation systems, aircraft fuel systems, position and warning systems as well as fire protection systems. Students will learn the proper nomenclature of airframe parts and components. Upon successfully completing and passing (with at least a 70% score) all required subject areas (associated with the Airframe Maintenance Training) as well as passing the required General Education courses, the student will then qualify to receive the Airframe Maintenance Technology major and qualify to take their Federal Aviation Administration exams. Once the graduating student passes all of the required FAA exams, they are qualified to work in the aviation industry as a FAA Certified Airframe Technician.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze and differentiate the various airframe parts and components, and troubleshoot the related systems.
- Perform airframe conformity and airworthiness inspections of airframe systems and components.
- Identify and demonstrate proper aircraft maintenance procedures as per specified authorized references.

- Inspect, check and service landing gear position indicating and warning system.
- Inspect and repair sheet metal structures.

Assuming students start this AA or AS with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Airframe Maintenance Technology

Required Courses:

AIRC 101 Introduction to Aircraft Maintenance. 8.0
 AIRC 102 Basic Electricity and Electrical Circuits 8.0
 AIRC 106 Aircraft Structural Repair. 8.0
 AIRC 107 Landing Gear, Hydraulics, and
 Pneumatics 8.0
 AIRC 108 Airframe Systems & Components. 8.0

Total: 40.0

Aircraft Powerplant Maintenance Technology Certificate

The Aircraft Powerplant Maintenance Technology Certificate prepares students for entry positions in aircraft powerplant maintenance including accessory mechanic, general powerplant mechanic, maintenance crew member, ramp service crew member and hangar crew member. The Aircraft Powerplant Maintenance Training received at the CCSF Aeronautics Department is certified by the FAA, CFR Part 147. Some of the subject areas that are covered in the Powerplant Maintenance Training include topics such as Reciprocating Engine Overhaul, Turbine Theory and Operation, Systems such as Fuel Systems, Lubrication Systems, Ignition and Starting Systems, Troubleshooting and inspections as well as testing engines for proper operation. Students will learn the proper nomenclature of aircraft powerplant parts and components. Students may obtain the Certificate of Achievement in Aircraft Powerplant Maintenance Technology by successfully completing and passing (with at least a 70% score) all required subject areas associated with the Powerplant Maintenance training, the student will then qualify to receive the Aircraft Powerplant Maintenance Technology Certificate of Achievement and qualify to take their Federal Aviation Administration exams. Once the graduating student passes all the required FAA exams, they are qualified to work in the Aviation Industry as a FAA Certified Powerplant Technician.

Learning Outcomes

Upon completion of this program, students will be able to:

- Describe and analyze the various aircraft parts, components, and troubleshoot the related systems.
- Use shop safety practices related to aircraft maintenance.
- Perform inspections that will determine the airworthiness of aircraft systems and components.
- Demonstrate proper aircraft maintenance procedures as per specified authorized references.
- Apply the techniques utilized in overhauling an aircraft reciprocating engine.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Aircraft Powerplant Maintenance Technology

Course.....Units

Required courses:

AIRC 101 Introduction to Aircraft Maintenance. 8.0
 AIRC 102 Basic Electricity and Electrical Circuits 8.0
 AIRC 103 Powerplant Theory & Maintenance 8.0
 AIRC 104 Propulsion Powerplant Systems 8.0
 AIRC 105 Powerplant Systems and Components 8.0

Total: 40.0

Airframe-Maintenance Technology Certificate

The Airframe Maintenance Technology Certificate prepares students for entry positions in airframe maintenance including general aircraft overhaul mechanic, accessory mechanic, electric shop mechanic, general cabin equipment mechanic, maintenance crew member, ramp service crew member and hangar crew member. The Airframe Maintenance Training received at the CCSF Aeronautics Department is certified by the FAA, CFR Part 147. Some of the subject areas that are covered in the Airframe Maintenance Training include topics such as Assembly and Rigging, Hydraulic and Pneumatic Power Systems, Cabin Atmosphere Control Systems, Communication and Navigation Systems, Aircraft Fuel Systems, Position and Warning Systems as well as Fire Protection Systems. Students will learn the proper nomenclature of aircraft airframe parts and components. Students may obtain the Certificate of Achievement in Airframe Maintenance Technology by successfully completing and passing (with at least a 70% score) all required subject areas associated with the Airframe Maintenance training, the student will then qualify to receive the Airframe Maintenance Technology Certificate of Achievement and qualify to take their Federal Aviation Administration exams. Once the graduating student passes all the required FAA exams, they are qualified to work in the Aviation Industry as a FAA Certified Airframe Technician.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze and differentiate the various airframe parts, components, and troubleshoot the related systems.
- Perform airframe conformity and airworthiness inspections of airframe systems and components.
- Identify and demonstrate proper aircraft maintenance procedures as per specified authorized references.
- Inspect, check and service landing gear position indicating and warning systems.
- Inspect and repair sheet metal structures.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Airframe-Maintenance Technology

Course.....Units

Required courses:

AIRC 101 Introduction to Aircraft Maintenance. 8.0
 AIRC 102 Basic Electricity and Electrical Circuits 8.0
 AIRC 106 Aircraft Structural Repair. 8.0
 AIRC 107 Landing Gear, Hydraulics, and Pneumatics. 8.0
 AIRC 108 Airframe Systems & Components. 8.0

Total: 40.0

Announcement of Courses

Credit, Degree Applicable Courses:

AIRC 101. Introduction to Aircraft Maintenance (8)

Lec-87.5, Lab-175, field trips

Introduction to the General Curriculum of the aircraft maintenance technician program. Foundational course that teaches many of the basic skills required to be an aircraft maintenance technician. CSU

AIRC 102. Basic Electricity and Electrical Circuits (8)

Lec-87.5, Lab-175, field trips

RECOMMENDED PREP: AIRC 101

Principles of electricity that prepares the student to maintain, repair and overhaul basic aircraft electrical systems and components.

Foundational course for aircraft maintenance training. Other topics covered in AIRC 102 are battery servicing, weight & balance, mathematics, and aircraft engine electrical systems. CSU

AIRC 103. Powerplant Theory & Maintenance (8)

Lec-87.5, Lab-175, field trips

RECOMMENDED PREP: AIRC 101; AIRC 102

Powerplant theory and systems of reciprocating engines. Inspection, overhaul and repair techniques used in powerplant maintenance. Topics include technical vocabulary, physical properties and inspection, among others. Attention will be given to safety procedures and hands-on skills of maintenance and repair of aircraft reciprocating engines. CSU

AIRC 104. Propulsion Powerplant Systems (8)

Lec-87.5, Lab-175, field trips

RECOMMENDED PREP: AIRC 101; AIRC 102

Powerplant theory and systems of turbine engines. Additional topics will include engine instrument systems, engine fire protection systems and powerplant electrical systems, among others. Attention will be given to safety procedures and hands-on skills building. CSU

AIRC 105. Powerplant Systems and Components (8)

Lec-87.5, Lab-175, field trips

RECOMMENDED PREP: AIRC 101; AIRC 102

Powerplant systems and components such as engine instrument and engine fuel systems. Procedures necessary to properly repair and maintain systems such as induction systems, engine cooling systems and engine exhaust systems. Emphasis will be put on troubleshooting, operating and testing carburetors and propellers. Attention will be given to safety procedures and hands-on skills of basic maintenance and repair. CSU

AIRC 106. Aircraft Structural Repair (8)

Lec-87.5, Lab-175, field trips

RECOMMENDED PREP: AIRC 101; AIRC 102

Principles of complex airframe structures and stresses absorbed by skin coverings. Applied methods and techniques in sheetmetal and non-metallic structural repair in such things as plastics, composites, and honeycomb. Students will learn how to make approved repairs to aircraft structures using standard sheetmetal, fiberglass, and composite technology. Attention will be given to safety procedures and hands-on skills of aircraft structure repair. CSU

AIRC 107. Landing Gear, Hydraulics, and Pneumatics (8)

Lec-87.5, Lab-175, field trips

RECOMMENDED PREP: AIRC 101; AIRC 102

Aircraft systems and components. Some subject areas covered are landing gear systems, hydraulic/pneumatic systems and aircraft fuel systems. Includes basic nomenclature, theory of operation, inspection techniques, and troubleshooting. Attention will be given to safety

procedures and hands-on skills of maintenance and repair of aircraft systems. CSU

AIRC 108. Airframe Systems & Components (8)

Lec-87.5, Lab-175, field trips

RECOMMENDED PREP: AIRC 101; AIRC 102

Various airframe systems and components. Some subject areas are flight control rigging, communication and navigation, and cabin pressurization. Also covered are aircraft instrument systems and aircraft inspection among other topics. Attention will be given to safety procedures and hands-on skills of maintenance and repair of airframe systems. CSU

AMSL 1A. Elementary American Sign Language (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: (ANY CITY COLLEGE OR UNIVERSITY FOREIGN LANGUAGE COURSE) OR READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

This is a course for the student with no prior or minimal skills in and knowledge of AMSL. The course is designed primarily to develop the students' receptive skills in functional settings. Everyday communication emphasizing vocabulary, syntax, and fingerspelling to enable students to communicate with Deaf individuals in a culturally appropriate manner. UC/CSU

AMSL 1B. Elementary American Sign Language (3)

Lec-52.5

P/NP available

PREREQ: AMSL 1A

Continued development of American Sign Language (AMSL) receptive/expressive skills and knowledge learned in AMSL 1A. Emphasis on conversational skills in functional situations, continued vocabulary and sentence structure expansion, and knowledge of Deaf culture and the Deaf community. UC/CSU

AMSL 2A. Continuation of Elementary American Sign Language (3)

Lec-52.5

P/NP available

PREREQ: AMSL 1B OR DEMONSTRATION OF EXIT SKILLS

Continued development of American Sign Language (AMSL) receptive/expressive skills and knowledge learned in AMSL 1A and 1B. Emphasis on conversational skills in functional situations, continued vocabulary and sentence structure expansion, focus on Deaf Culture and the Deaf Community. UC/CSU

 Web Site: www.ccsf.edu/behavior

Announcement of Curricula

Anthropology Major (AA-T)

Associate in Arts in Anthropology for Transfer. The program is designed to prepare students who wish to transfer to pursue further studies in anthropology. It is a broad introduction to the four fields of anthropology (biological/physical, archaeology, cultural, and linguistic), and the basic concepts of anthropological inquiry.

Learning Outcomes

Upon completion of this program, students will be able to:

- Compare the major contemporary theoretical perspectives in the four major subfields of anthropology
- Analyze and interpret anthropological data
- Apply the methods of cross-cultural comparison and the concept of cultural relativism to past and present cultures

Students who wish to earn the Associate in Arts in Anthropology for Transfer (AA-T) must complete 60 CSU transferable units (or 90 quarter units) with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units required for the major as specified below. Each course in the major must be completed with a minimum grade of “C” (or “P”) or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

The minimum time for completion is 4 semesters; completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AA-T in Anthropology

Course.....Units

Required Courses:

ANTH 1 Biological Anthropology*..... 3.0
 ANTH 2 Archaeology and Prehistory 3.0
 ANTH 3 Introduction to Social and Cultural Anthropology 3.0

* Students are encouraged to enroll concurrently in ANTH 1L, Biological Anthropology Lab.

Group 1: Choose ONE of the following courses.

ANTH 3C Introduction to Cultural Anthropology:
 Focus on U.S. Cultures..... 3.0
 ANTH 4 Introduction to Linguistic Anthropology..... 3.0
 GEOG 4 Cultural Geography 3.0

Or choose ONE of the following Statistics courses

PSYC 5 Statistics for Behavioral Sciences..... 5.0
 LALS 5 Introduction to Statistical Methods in Latin American and Latino/a Studies 5.0
 ECON 5 Introductory Statistics for Economics, Business and Social Sciences..... 5.0
 MATH 80 Probability and Statistics..... 5.0

Group 2: Choose 3-5 units.

Any Group 1 course not already used.

PSYC 2 Research Methods..... 3.0
 GEOL 10 Physical Geology 3.0
 and GEOL 10L Physical Geology Lab 2.0

Group 3: Choose 3 elective units.

Any Group 1 or Group 2 course not already used.

ANTH 1L Biological Anthropology Laboratory 1.0
 ANTH 8 Magic, Witchcraft, and Religion 3.0
 ANTH 11 Latin American Cultures and Societies..... 3.0
 ANTH 12 Indigenous Peoples of North America..... 3.0
 ANTH 15 Philippine Culture and Society 3.0
 ANTH 20 Queer Anthropology 3.0
 ANTH 25 Culture, Gender and Sexuality 3.0
 ANTH 50 Anthropology of Cannabis 3.0
 AFAM 30 African American Consciousness..... 3.0
 ASAM 42 Southeast Asians in the U.S.: Experience and Culture 3.0
 HUM 7 Comparative Religions..... 3.0
 LALS 9 The Latinx LGBTQ+ Experience..... 3.0
 SOC 52 Men, Masculinity, and Society 3.0
Total: 18.0 – 22.0

Announcement of Courses

Credit, Degree Applicable Courses:

ANTH 1. Biological Anthropology (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The biological nature of humans and the changes that have occurred from prehistoric times to the present. The place of humans in nature, primates, fossil evidence for human antiquity, individual and population genetics, mechanisms of evolution, and modern human variation. UC/CSU

C-ID ANTH 110

ANTH 1L. Biological Anthropology Laboratory (1)

Lab-52.5, field trips P/NP available
 Laboratory course designed to accompany Anthropology 1. It includes hands-on study of human and primate skeletal materials and replica fossils, primate behavior and taxonomy, and human variation. Application of the scientific method and evolutionary theory are also included. UC/CSU

ANTH 2. Archaeology and Prehistory (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Overview of contemporary archaeological methods of survey, excavation, analysis, and interpretation. Discussion of various theoretical approaches used to explain past human behavior. Thematic discussion of the major events in prehistory from human origins to appearance of agriculture and cities. UC/CSU

C-ID ANTH 150

ANTH 3. Introduction to Social and Cultural Anthropology (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introduction to the central concepts, theories, and techniques employed by cultural anthropologists to explore the social and cultural dimensions of human experience. Major topics include cross-cultural

comparisons of subsistence patterns, economic and political organization, kinship and marriage, language and symbolism, religion and belief systems, artistic expression, colonialism and globalization, gender, sexuality, and race. UC/CSU
C-ID ANTH 120

ANTH 3C. Introduction to Cultural Anthropology: Focus on U.S. Cultures (3)

Lec-52.5, field trips P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introduces cultural anthropology through the focus on cultures in the United States. The course also investigates aspects of the sociocultural structures of the United States such as inequality, power, race/ethnicity, kinship, gender, and globalization. Ethnographic studies, history, literature, film, and music are used to illustrate the ways that people living in the United States negotiate cultural values and confront social conflict. UC/CSU
FORMERLY ANTH 3AC
OFFERED ON OCCASION

ANTH 4. Introduction to Linguistic Anthropology (3)

Lec-52.5 P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The study of language, including its general nature and its cognitive, biological, and social bases. Languages as they reflect the separate cultural realities of different societies. UC/CSU
OFFERED SPRING SEMESTERS

ANTH 8. Magic, Witchcraft, and Religion (3)

Lec-52.5, field trips P/NP available
A cross-cultural exploration of supernatural belief systems focusing on small scale cultures; the history, theory, and methods of the anthropology of religion; the dynamics of myth, superstition, possession, altered states of consciousness, magic, rituals, taboos, cults, and sects. UC/CSU

ANTH 11. Latin American Cultures and Societies (3)

Lec-52.5, field trips P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Comprehensive and critical analysis of the cultures and traditions of the peoples in Latin America. Critical in-depth study of contemporary society and political systems, inter-ethnic relations, traditional medicinal healing, religions, and sorcery. Analysis of the history and development of Latin American cultures and the impact of state forms of social organization on its traditional societies. UC/CSU

ANTH 12. Indigenous Peoples of North America (3)

Lec-52.5, field trips P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The indigenous peoples of North America are described in terms of their precontact adaptation to the natural environment. Language, kinship, religion, and other aspects of culture are studied. UC/CSU
OFFERED FALL SEMESTERS

ANTH 15. Philippine Culture and Society (3)

Lec-52.5 P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The course introduces students to the peoples and cultures of the Philippines and the impact of Eastern and Western civilizations on the

development of its peoples; emphasis on the ways of life in Philippine rural and urban areas and the cultures of its diverse ethnolinguistic communities. UC/CSU

ANTH 15 STUDIES THE DEVELOPMENT OF PHILIPPINE PEOPLES AND CULTURE USING THE PERSPECTIVE OF ANTHROPOLOGY AND ITS SUB-DISCIPLINES IN ARCHEOLOGY, LINGUISTICS, AND GEOGRAPHY, AND THE INFLUENCE OF COLONIALISM ON THE SCIENCE OF ANTHROPOLOGY AND ON COUNTRY'S CULTURAL DEVELOPMENT
OFFERED ON OCCASION

ANTH 20. Queer Anthropology (3)

Lec-52.5 P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A sub-discipline of socio-cultural anthropology that focuses on contexts of difference in sexuality from the (presumed) norms of sexual and gender variation within social systems, practices, and ideologies. Queer anthropology utilizes intersectional studies of sex, race, ethnicity, gender, gender expression, religion, colonialism, and globalization. UC/CSU

ANTH 25. Culture, Gender and Sexuality (3)

Lec-52.5 P/NP available
This course explores how gender and sexuality are expressed in various cultures around the world. Focuses on gender in non-Western cultures such as Native American, African and Asian societies. Discusses relationship of gender to aspects of culture such as kinship, economics, politics, and religion. UC/CSU
OFFERED SPRING SEMESTERS

ANTH 50. Anthropology of Cannabis (3)

Lec-52.5 P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188
This course examines anthropological perspectives of human cannabis use through time. Topics include the archaeological evidence of cannabis use, cross-cultural and symbolic meanings of cannabis, institutional ideologies, and ethnographic studies of cannabis related behaviors. UC/CSU

Apprenticeship

Office: Ocean
Phone Number: (415) 452-5664; (415) 452-7117
Web Site: https://www.ccsf.edu/en/educational-programs/cte/earn_and_learn/apprenticeship_and_preparation.html

Announcement of Curricula

General Information

Apprenticeship is designed to prepare individuals, often a high school graduate, and produce highly qualified and well-trained workers who have solid knowledge as well as specific, technical job skills for occupations including but not limited to the skilled trades and crafts. CCSF offers several Apprenticeship programs across multiple sectors including pre-apprenticeship.

The City College of San Francisco, in cooperation with the California Division of Apprenticeship Standards and local joint apprenticeship Committees, offers "related training" apprenticeship programs in designated trades or occupations. Apprenticeship on-the-job training is not offered by the College. Most apprenticeship programs are three to five years in length, similar to a four year bachelor's degree program.

Upon completion of an apprenticeship program, the State of California Department of Industrial Relations California Apprenticeship Council awards a Certificate of Completion of Apprenticeship in the trade.

Course	Occupation	Prog. Yrs.	Class Hrs.
APPR 9713	Plastering Appr	4	576
APPR 9714	Plumber Appr	5	1080–1296

Persons interested in seeking apprentice status and enrollment in apprenticeship “related training” classes listed in the catalog should contact the State of California Department of Industrial Relations, Division of Apprenticeship Standards of the local sponsoring joint apprenticeship committee.

For further information, please call the CCSF Apprenticeship Programs at (415) 452-5664.

Announcement of Courses

Noncredit Courses:

APPR 9713. Plastering Apprentice (72 hrs)

PREREQ: ACCEPTANCE INTO THE NORTHERN CALIFORNIA PLASTERERS LOCAL 66 APPRENTICE PROGRAM

Study of and practice in the trade of plastering as required by the apprenticeship program established by the local joint apprentice program established by the local joint apprenticeship committee and approved by the Division of Apprenticeship Standards Department of Industrial Relations, State of California. Focus on safety, mathematics, hand tools, equipment, materials, mixing, applying plaster, blueprint reading, bases, fireproofing, problems, and repairs.

APPR 9714. Plumbing Apprentice (108 hrs)

PREREQ: ACCEPTANCE INTO THE UA LOCAL 38 APPRENTICE PROGRAM

The practice and study of skills and knowledge required for entry level employment as a journeyman in the plumbing industry. Focus on occupational hazards, safety, first aid, CPR, blueprint reading, use of basic drawings, common cutting and welding practices, gas and arc welding, soldering, brazing, residential plumbing repairs and installations, troubleshooting residential plumbing problems, and recommended industrial practices.

FORMERLY PLUMBER APPRENTICE

APPR 9715. Refrigeration/Air Conditioning (1050 hrs)

PREREQ: PASS THE UA LOCAL 38 (PLUMBING) APPRENTICE EXAM
Required for preparation for employment as a journey person in refrigeration/air conditioning industry. Classroom instruction (6 hrs/wk over 10 semesters) supplements on-the-job training apprentices receive. Theoretical instruction and practice of performance skills are specified by the standards established by the joint apprenticeship committee and approved by the Division of Apprenticeship Standard, Department of Industrial Relations, State of California.

APPR 9721. Steamfitter Apprentice (1050 hrs)

PREREQ: PASS THE UA LOCAL 38 (PLUMBING) APPRENTICE EXAM
Required for preparation for employment as a journey person in steamfitting. Classroom instruction (6 hrs/wk over 10 semesters) supplements the on-the-job training apprentices receive. Theoretical instruction and practice of performance skills are specified by the standards established by the joint apprenticeship committee and approved by the Division of Apprenticeship Standard, Department of Industrial Relations, State of California.

Architecture

Office: Batmale 244
Phone Number: (415) 452-5293
Web Site: www.ccsf.edu/arch

Announcement of Curricula

Learning Outcomes

Architecture and Interior Architecture students will develop an understanding of design as a model for creative inquiry, using necessary resources from history, technology, the humanities and contemporary culture issues in response to the fundamental principle that design’s relevance is based on its ability to engage society’s concerns.

Construction Management students will learn the basic effective management techniques related to the planning, design, and construction of a project from inception to completion for the purpose of controlling time, cost and quality.

The requirements for an Associates degree from CCSF and requirements for transferring to a baccalaureate program in another college or university are different. Students who are seeking to attain an Associates of Science in Architecture, or Construction Management should follow the major requirements listed below. *Students who are seeking to transfer to another university or college to attain a 4- or 5-year degree are strongly encouraged to consult with an advisor within your program of study.*

Laptop Recommendation: *The Department of Architecture strongly recommends that all students planning to transfer to a 4- or 5-year university program in Architecture or Interior Design purchase a Windows portable computer with dedicated graphics card for use in certain design and graphic courses.* The use of computers in most architecture and design schools has become an essential tool in lab-based design education and would benefit your education immensely. Please inquire with the department what kind of laptop computer would be helpful and when you could consider obtaining it.

Architecture Major (AS)

The Associate’s Degree in Architecture will prepare students in areas of design, technology, digital skills, drawing, delineation and rendering, structures, history, and professional practice. This program is closely aligned with the requirements necessary for transferring to the four-year program within the UC system. Students who wish to pursue a bachelor’s degree (either the 4-year BA or the 5-year BArch) should understand that each transfer institution has its own set of transfer requirements. Those different requirements can be found on the individual transfer institutions’ websites.

Students pursuing the Associate Degree in Architecture are required to take major courses in the categories of sketching, studio, delineation and rendering, history, and construction.

Graduates of the Associate Degree in Architecture may also choose to enter directly into the marketplace and would be qualified in various capacities in the fields of architecture, construction, and related fields. Positions such as architectural technician, construction detailer, building materials salesperson, or manufacturer’s representative are examples of possible employment a graduate may pursue after completing this course of study.

Learning Outcomes

Upon completion of this program, students will be able to:

- Develop architectural graphics using digital and analog tools that communicate design intentions and document construction requirements.

- Create architectural solutions to a set of project requirements.
- Compare exemplary historical examples of architecture as impacted by social, political, economic, and/or environmental factors.
- Explain the duties and responsibilities of stakeholders within the legal and regulatory environments.
- Identify building and material systems that are responsive to the major requirements of a project.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, the minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Architecture

Course.....	Units
Required	
ARCH 100 Introduction to Architecture and Design.	2.0
ARCH 29A Freehand Drawing I.....	1.0
ARCH 29B Freehand Drawing II	1.0
ARCH 102 Architecture Design Studio II	3.0
ARCH 103 Architecture Design Studio III.	3.0
Choose one course from the following	
ARCH 20 Architectural Graphics I.	3.0
ARCH 101 Architecture Design Studio I	3.0
Choose two courses from the following	
ARCH 22A Delineation and Rendering.....	3.0
ARCH 218 Fundamentals of Rhino 3D	3.0
ARCH 214 AutoCAD I	3.0
BIM 120 Revit Architecture I.	3.0
Choose one course from the following	
ARCH 31A History of Architecture I	3.0
ARCH 31B History of Architecture II.	3.0
ART 103 History of Modern Art	3.0
Choose one course from the following

ARCH 127 Fundamentals of Building Structures	3.0
ARCH 160 Professional Practice	3.0
ARCH 240 Fundamentals of the International Building Code.	3.0
INTD 100 Introduction to Residential Interior Design	3.0
VMD 154 Photoshop I	3.0
Total:	25.0

Interior Design Major (AS)

The Associate in Science Degree in Interior Design will prepare students in areas of design, technology, digital skills, drawing, delineation and rendering, structures, history, and professional practice. Entry positions for which graduates who have received the degree may qualify for employment positions that may include those of draftsman, delineator, salesperson, furniture designer, and assistant in the coordination of colors, fabric, furniture, lighting systems, and exhibits. The A.S. degree in Interior Design has a strong emphasis on both Architecture and Art. Students are required to take courses covering design studio, graphics, color, and history.

Students who wish to transfer to a bachelor’s degree program should understand that each transfer institution has its own set of transfer requirements. Those different requirements can be found on the individual transfer institutions’ websites.

Learning Outcomes

Upon completion of this program, students will be able to:

- Create interior solutions to a set of project requirements, including material and color selection.
- Produce interior graphics using digital and analog tools that communicate design intentions and document construction requirements.
- Analyze the historical periods and movements of interior design.
- Explain the duties and responsibilities of stakeholders within the legal and regulatory environments.
- Analyze technical building and material systems and their interface with interior spaces.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Construction Management Major (AS)

This Associate in Science Degree Program prepares students to enter the construction management profession in responsible positions. The program is comprehensive and provides students with the practical knowledge and skills required to be effective in professional environments. The California State Contractors License Board gives students who graduate with this degree credit for one and a half of the four years of practical experience required of applicants for the state

building contractor's license. Upon graduation from the Construction Management Program, students are qualified to enter the profession through a wide variety of employers, such as construction managers, general contractors, and sub-contractors, as well as architectural and engineering offices. Opportunities upon entry into the profession are varied and include estimating and cost control, scheduling and planning, document control, quality assurance, and inspection.

Learning Outcomes

Upon completion of this program, students will be able to:

- Estimate, organize and manage construction project resources through the use of cost estimates and schedules.
- Analyze and interpret construction documents.
- Assess the role of material selection and structures in the field of construction management.
- Assess the contractual and regulatory considerations and restraints associated with the administration of a construction project.
- Apply effective methods of communication in a professional work environment.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Architectural Drafting Technology Certificate

This program focuses on technical skills in producing architectural drawings and technology-related skills in the fields of architecture, interior design, construction, engineering and related fields. The certificate is designed to meet the needs of students who want to obtain entry-level jobs as architectural technologists. It also provides students who are currently employed in related industries the opportunity for career advancement. Most courses required for the certificate program are also required for the Associate Degree in Architecture, Associate Degree in Interior Design, and transfer to a bachelor's degree in Architecture program if students wish to continue their studies.

Learning Outcomes

Upon completion of this program, students will be able to:

- Create and modify architectural design documents.
- Apply various relevant software technology to architectural design.
- Evaluate architectural design documents.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and the number of units or classes completed per semester.

Construction Management: Advanced Skills Certificate

The Certificate of Achievement in Construction Management: Advanced Skills includes courses that focus on the technical and management skills required in the field of construction management, as well as courses that provide knowledge in the technical aspects of construction and general business. This certificate is designed to meet the needs of students who are returning to college after completing a degree in another field who seek to enter into the profession of construction management. It also provides students who are currently employed in the construction management industry in entry-level positions the opportunity for advancement by enhancing their knowledge. All courses required for the certificate program are also required for the associate in science, making it easier for students to continue their studies to enhance their opportunities for career advancement.

Learning Outcomes

Upon completion of this program, students will be able to:

- Estimate, organize, and manage construction project resources through the use of cost estimates and schedules.

- Analyze and interpret construction documents.
- Assess the role of material selection and structures in the field of construction management.
- Assess the contractual and regulatory considerations and restraints associated with the administration of a construction project.
- Apply effective methods of communication in a professional work environment.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Construction Management: Advanced Skills

Course Units
Required

- CM 100 Fundamentals of Construction Management . . . 3.0
- CM 110 Construction Graphics 3.0
- CM 240 Construction Cost Estimating 3.0
- CM 244 Construction Scheduling 3.0
- CM 248 Construction Project Administration 3.0
- ARCH 120 Fundamentals of Building Construction . . . 3.0

Choose 6 units from the following

- BSEN 74 Written Business Communication 3.0
- CM 20 Introduction to Building Industry Projects 1.0
- CM 250 Building Industry Communications and Documents. 2.0
- CMST 1A Elements of Public Speaking 3.0
- CMST 4 Group Communication 3.0
- CMST 6 Workplace Communication. 3.0
- MGT 234 Communication for Business Management . . . 3.0

Choose 6 units from the following

- ACCT 10 Introduction to Accounting 5.0
- ARCH 127 Fundamentals of Building Structures 3.0
- ARCH 160 Professional Practice 3.0
- ARCH 240 Fundamentals of the International Building Code. 3.0
- BSL 1 Business Law I 3.0
- CM 10 Introduction to Construction Management 1.0
- GNBS 100 Essential Skills for Business Professionals. . . 1.0
- GNBS 119 Introduction to Business 3.0
- MGT 231 Introduction to Supervision and Management 3.0

Total: 30.0

Construction Management: Core Skills Certificate

The Certificate of Achievement in Construction Management: Core Skills is a course of study focused on the core technical and management skills required in the field of Construction Management. This certificate is designed to meet the needs of students who want to obtain entry-level positions within the Construction Management profession. It also provides students who are currently employed in trades positions in the construction industry the opportunity for entry and/or advancement in management positions.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply project management methodologies to plan and control construction work activities.

- Analyze and interpret construction documents.
- Assess the contractual and regulatory considerations and restraints associated with the administration of a construction project.
- Communicate effectively in a professional construction management work environment.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Construction Management: Core Skills

Course Units
Required

- ARCH 120 Fundamentals of Building Construction . . . 3.0
- CM 10 Introduction to Construction Management 1.0
- CM 100 Fundamentals of Construction Management . . . 3.0
- CM 110 Construction Graphics 3.0
- CM 240 Construction Cost Estimating 3.0
- CM 248 Construction Project Administration 3.0

Choose one of the following options

- BSEN 74 Written Business Communication 3.0
 or CM 20 Introduction to Building Industry Projects . . 1.0
 and CM 250 Building Industry Communications and Documents. 2.0

Total: 19.0

Core Skills Interior Design Certificate

This program focuses on the areas of interior design and technology, and is designed to meet the needs of students who want to obtain entry-level jobs within the interior design profession, such as interior design assistants and drafters. It also provides students who are currently employed in a related industry the opportunity for career advancement. Most courses required for the certificate program are also required for the Associate in Science Degree in Interior Design and Associate in Science Degree in Architecture, if students wish to continue their studies.

Learning Outcomes

Upon completion of this program, students will be able to:

- Create interior design solutions and graphics for a set of project requirements in a residential or commercial design environment.
- Assess materials and technical systems used in the field of interior design.
- Analyze professional, legal, and regulatory environments.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and the number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Core Skills Interior Design

Course Units
Required

- ARCH 120 Fundamentals of Building Construction . . . 3.0
- INTD 100 Introduction to Residential Interior Design. . . 3.0
- INTD 102 Interior Design Studio I 3.0

Choose 3 units from the following

- ARCH 214 AutoCAD I 3.0
- ARCH 218 Fundamentals of Rhino 3D 3.0
- BIM 120 Revit Architecture I 3.0

ARCH 22A Delineation and Rendering.....	3.0

Collaborative Design Certificate*

The certificate program in Collaborative Design provides students with a strong foundation in multidisciplinary approaches to design and collaboration.

*See Maker Studies section of the catalog.

Announcement of Courses

Architecture

Credit, Degree Applicable Courses:

ARCH 20. Architectural Graphics I (3)
 Lec-35, Lab-70, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188
 Introduction to techniques, conventions, meanings, and purposes related to drawing and drafting conventions as used in architecture and interior design. Fundamental graphic principles, concepts, and strategies are examined through hand and digital production. CSU
 OFFERED FALL AND SPRING SEMESTERS

ARCH 22A. Delineation and Rendering (3)
 Lec-35, Lab-70, field trips P/NP available
 PREREQ: ARCH 20 OR ARCH 101
 Basic drawing techniques in graphic communication. Two and three-dimensional representations with various media expressing architectural ideas and concepts. UC/CSU
 OFFERED FALL SEMESTERS

ARCH 29A. Freehand Drawing I (1)
 Lec-17.5, Lab-17.5, field trips P/NP available
 Introduction to freehand drawing skills as a method of observation and visual communication in Architecture and Interior Design. The use of drawing in seeing and expressing shape, form, value, texture and proportion. Techniques include contour line, tonal drawing, and linear perspective. UC/CSU
 OFFERED FALL AND SPRING SEMESTERS

ARCH 29B. Freehand Drawing II (1)
 Lec-17.5, Lab-17.5, field trips P/NP available
 PREREQ: ARCH 29A
 A continuing development of skills in freehand drawing methods, with more complex subject matters and the use of color media. Focus is on the drawing from observation of buildings and architectural space. UC/CSU
 OFFERED FALL AND SPRING SEMESTERS

ARCH 31A. History of Architecture I (3)
 Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188
 A survey of the history of Architecture from prehistory through the the Middle Ages. Focus on visual environmental literacy through the analysis of key design movements during the time period. UC/CSU
 ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

ARCH 31B. History of Architecture II (3)
 Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188
 A survey of the history of architecture from the early Renaissance to the present times. Focus on visual environmental literacy through the analysis of key design movements during the time period.
 UC/CSU
 OFFERED FALL SEMESTERS

ARCH 100. Introduction to Architecture and Design (2)
 Lec-35, field trips P/NP available
 This course introduces students to the fundamental principles related to design of physical environments. Students will be introduced to an overview of the architecture and interior design fields, along with fundamental concepts and considerations inherent within them.
 UC/CSU
 ARCH 100=ARCH 48
 OFFERED FALL AND SPRING SEMESTERS

ARCH 101. Architecture Design Studio I (3)
 Lec-35, Lab-70
 RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: ARCH 100
 Introduction to architectural concepts and principles through 2-D and 3-D design projects. Focus is on issues, requirements, and objectives related to visual perception of form and space, architectural meaning, spatial experiences, as these relate to the human condition.
 UC/CSU
 OFFERED FALL AND SPRING SEMESTERS

ARCH 102. Architecture Design Studio II (3)
 Lec-35, Lab-70, field trips P/NP available
 PREREQ: ARCH 101 OR ARCH 20
 A second design studio course in a sequence that expands upon fundamental architectural principles and concepts within Architecture and Design. Students explore topics related to design process, site, program, place, order, space within simple architectural problems.
 UC/CSU
 OFFERED FALL SEMESTERS

ARCH 103. Architecture Design Studio III (3)
 Lec-35, Lab-70, field trips
 PREREQ: ARCH 102; COMPLETION OF OR CONCURRENT ENROLLMENT IN: ARCH 22A
 A third semester design studio course in a sequence that expands upon fundamental architectural principles and concepts within architecture and design. Students focus on urban analysis and design process, program, site and place in response to increasingly complex project requirements. UC/CSU
 OFFERED SPRING SEMESTERS

ARCH 120. Fundamentals of Building Construction (3)
 Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188
 Comprehensive survey of all major building materials and systems of assembly in architecture and construction. Topics include wood, masonry, concrete, steel, glass, foundations, roofing, walls, frames, doors, and windows as well as considerations of sustainability in the construction process. CSU
 OFFERED FALL AND SPRING SEMESTERS

ARCH 127. Fundamentals of Building Structures (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Awareness of architectural structural concepts; fundamental aspects and principles of basic structural forms, loads and materials. Reveal and discuss the multi-discipline nature of structural systems in the built environment (including sustainability and the environment) within the architectural and construction fields. CSU

FORMERLY ARCH 27

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

ARCH 160. Professional Practice (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: ENGL 88

An overview of the professional practice of architecture, interior design, construction management and building construction from design through construction. Topics include licensing and training requirements; project delivery methods and contracts; business considerations; the influence of such factors as ethics, sustainability, economics, and legal regulations on the design and construction process. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

ARCH 214. AutoCAD I (3)

Lec-35, Lab-70, field trips P/NP available
 PREREQ: ARCH 20

An introduction to the Autodesk AutoCAD software, starting with a basic understanding of the software interface and moving to two dimensional line drawings for an architectural application. Explore collaborative drawing with externally referenced files and management using a layering system. CSU

OFFERED FALL SEMESTERS

ARCH 218. Fundamentals of Rhino 3D (3)

Lec-35, Lab-70, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introduction to Rhinoceros three-dimensional surface modeling software. Rhino's NURB based geometry enables the construction of free-form organic surfaces that can be applied to architectural and other design fields such as jewelry, marine, transportation, and industrial designs. The focus will be on creating, editing, and transforming three-dimensional surface models. UC/CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

ARCH 240. Fundamentals of the International Building Code (3)

Lec-52.5, field trips P/NP available
 A comprehensive introduction to the fundamentals of the International Building Code (IBC) that is adopted and used throughout most jurisdictions of the United States to regulate the use, design, construction, and maintenance of buildings. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

Building Information Modeling**Credit, Degree Applicable Courses:****BIM 120. Revit Architecture I (3)**

Lec-35, Lab-61.25, field trips P/NP available
 RECOMMENDED PREP: ARCH 20 AND ARCH 120

An introduction to Building Information Modeling (BIM) and Revit

Architecture software. Automation and creation of building design and documentation, interface and tools, and coordination of data. No previous CAD experience required. CSU

OFFERED SPRING SEMESTERS

Construction Management**Credit, Degree Applicable Courses:****CM 10. Introduction to Construction Management (1)**

Lec-17.5 P/NP available

Overview of the Construction Management profession and the requirements for programs of study. This course focuses on the scope and nature of work in Construction Management, including professional roles, skills and responsibilities, career opportunities, and higher education pathways. CSU

OFFERED FALL AND SPRING SEMESTERS

CM 20. Introduction to Building Industry Projects (1)

Lec-17.5, field trips P/NP available

Overview of Building Industry projects and lessons learned. Provides more real-life experiences about professional roles, skills and responsibilities, career opportunities, and higher education pathways. CSU

OFFERED FALL AND SPRING SEMESTERS

CM 100. Fundamentals of Construction Management (3)

Lec-52.5 P/NP available

Introduction to the basic concepts of construction project management including: the building design and construction process; project participants, their roles and responsibilities. Areas of focus to include the application of the principles of contracts in relation to construction projects, estimating, scheduling and project control. CSU

OFFERED FALL AND SPRING SEMESTERS

CM 110. Construction Graphics (3)

Lec-52.5 P/NP available

Introduction to basic graphic and communication skills and knowledge required to effectively read and use drawings in the construction industry. Analysis of drawings in the civil, architectural, structural, mechanical, and electrical fields and their relationship to construction planning and estimating. Material quantity surveying. Freehand sketching. CSU

OFFERED SPRING SEMESTERS

CM 240. Construction Cost Estimating (3)

Lec-52.5 P/NP available

PREREQ: CM 110 OR DEMONSTRATION OF CM 110 EXIT SKILLS

A study of the fundamental approaches to estimating the cost of building construction projects. Topics discussed include: types of construction estimates; the material takeoff process; the use of computers in estimating; total project estimating including direct costs, indirect costs, contingency and profit. CSU

OFFERED FALL SEMESTERS

CM 244. Construction Scheduling (3)

Lec-52.5 P/NP available

PREREQ: CM 240 OR DEMONSTRATION OF CM 240 EXIT SKILLS

Study of the basic concepts of construction scheduling: scheduling techniques with a focus on Critical Path Method; CPM schedule planning, scheduling, updating and analysis. Manual procedures in scheduling are followed by computer applications. CSU

OFFERED FALL SEMESTERS

CM 248. Construction Project Administration (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: CM 100

Principles and practical applications of construction project administration with an emphasis on construction-phase services. Topics include: an overview of project administration throughout the phases of a construction project; the contractual and regulatory environment of construction projects; the development of a project procedures manual; computer-based project administration. CSU

OFFERED SPRING SEMESTERS

CM 250. Building Industry Communications and Documents (2)

Lec-35 P/NP available

RECOMMENDED PREP: BSEN 74

Introduction to the selection, applicability, and purpose of the different documents used in the Engineering and Construction Project Management Process. Theoretical concepts and practical applications including pre-construction, meetings, submittals, site visits, observations, inspections, quality assurance, and quality control. CSU

OFFERED FALL SEMESTERS

Interior Design

Credit, Degree Applicable Courses:

INTD 100. Introduction to Residential Interior Design (3)

Lec-35, Lab-70 P/NP available

Introduction to residential interior design concepts and principles through two-dimensional and three-dimensional design projects. Exploration of topics related to design process, color, material finishes, and spatial composition as these relate to the profession. UC/CSU

OFFERED FALL SEMESTERS

INTD 102. Interior Design Studio I (3)

Lec-35, Lab-70 P/NP available

RECOMMENDED PREP: ARCH 100

Introduction to interior design fundamentals relating to space and form of commercial and institutional interior environments. Topics include color, space, form, light, sustainability, material, furniture selection, windows, floors, and accessories as these relate to the profession. CSU

OFFERED SPRING SEMESTERS

INTD 138. Global History of Interior Design (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The history of Interior Design ranging from ancient times to the 21st Century, including Western, Asian, Middle Eastern, African and Latin American cultures. The course will focus on historical periods and their influences on the design of interior spaces. CSU

OFFERED SPRING SEMESTERS

Announcement of Curricula

General Information

The Art Department offers students a comprehensive lower division program in the areas of Art History and Fine Art/Studio Arts. Centered upon visual literacy, design and drawing curriculum, the Art Department prepares students for transfer to upper division courses or

for direct entry into art careers. Most of our courses are accepted for credit at the University of California and California State University.

Students intending to transfer and major in Fine Art/Studio Arts are advised to enroll in two art history courses, along with general education and studio courses. Students intending to transfer and major in Art History are advised to enroll in one studio course, along with general education and art history courses.

Studio Arts Major (AA-T)

Associate in Arts in Studio Arts for Transfer. The AA-T in Studio Arts offers students a comprehensive lower division program in the fine arts, revolving around the basic core program. The AA-T prepares students for transfer to upper division Fine Art or Studio Arts programs at four-year colleges and universities, particularly to California State University campuses.

Learning Outcomes

Upon completion of this program, students will be able to:

- Engage in a visual literacy based upon the elements of design and an awareness of historical and contemporary artistic cultures and trends.
- Evaluate artwork by identifying design elements and using discipline specific terminology and skills.
- Develop a series of projects that demonstrate critical analysis, creative thinking, and technical skill in a variety of media.
- Solve problems identified in the processes of creation.

Students who wish to earn the Associate in Arts in Studio Arts for Transfer (AA-T) must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of "C" (or "P") or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AA-T in Studio Arts

Course Units

Required courses:

- ART 102 Western Art History II 3.0
- ART 103 History of Modern Art 3.0
- ART 125A Basic Design: 2-D Foundations 3.0
- ART 125B Advanced Design: 3D Foundations 3.0
- ART 130A Basic Drawing 3.0

Choose 1 course from the following Art History course selection:

- ART 101 Western Art History I 3.0
- or ART 104 Asian Art History 3.0
- or ART 109 History of Contemporary Art 3.0

Choose 3 courses, each from a different Studio Arts area:

- Area 1: Color**
- ART 126 Color 3.0
- Area 2: Drawing**
- ART 130B Intermediate Drawing 3.0
- ART 132A Beginning Figure Drawing 3.0
- Area 3: Painting**
- ART 140A Beginning Painting 3.0
- Area 4: Printmaking**
- ART 150A Beginning Intaglio & Relief Printmaking . . . 3.0

Area 5: Ceramics

ART 160A Beginning Ceramics 3.0

Area 6: Sculpture

ART 170A Beginning Sculpture 3.0

Area 7: Metal Arts

ART 180A Beginning Jewelry/Metal Arts 3.0

Area 8: Other Media

ART 136A Introduction to Illustration 3.0

ART 145A Beginning Watercolor Painting 3.0

Area 9: Photography

PHOT 51 Beginning Photography 3.0

Area 10: Second Level Courses

ART 140B Intermediate Painting 3.0

ART 150B Intermediate Intaglio and Relief Printmaking 3.0

ART 170B Intermediate Sculpture 3.0

ART 160B Intermediate Ceramics 3.0

Total: 27.0**Art History Major (AA-T)**

Associate in Arts in Art History for Transfer offers students a comprehensive lower division program in the history of art, revolving around the basic core program. The AA-T prepares students for transfer to upper division Art History programs at four-year colleges and universities, particularly to California State University campuses.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze a variety of techniques and formal visual elements of individual works of art in different media and diverse cultures.
- Define and differentiate various styles of art throughout history.
- Evaluate works of art in relation to context, historical background, and influence on subsequent artistic periods.
- Compare stylistic elements that distinguish aesthetic and cultural trends.

Students who wish to earn the Associate in Arts in Art History for Transfer (AAT) must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of “C” (or “P”) or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

Assuming students start this AAT with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AA-T in Art History

Course Units

Required Core Courses

ART 101 Western Art History I 3.0

ART 102 Western Art History II 3.0

ART 103 History of Modern Art 3.0

ART 130A Basic Drawing 3.0

Choose one (1) of the following non-Western Art History Courses

ART 104 Asian Art History 3.0

ART 105 Ancient Art and Architecture of Latin America 3.0

ART 106 Latin American Art History 3.0

Choose one (1) course from the following studio arts courses:

ART 125A Basic Design: 2-D Foundations 3.0

ART 132A Beginning Figure Drawing 3.0

ART 136A Introduction to Illustration 3.0

ART 140A Beginning Painting 3.0

ART 150A Beginning Intaglio & Relief Printmaking 3.0

ART 160A Beginning Ceramics 3.0

ART 170A Beginning Sculpture 3.0

ART 180A Beginning Jewelry/Metal Arts 3.0

PHOT 51 Beginning Photography 3.0

Choose one (1) of the following Art History elective courses

ART 107 African-American Art History 3.0

ART 108 Women Through Art History 3.0

ART 109 History of Contemporary Art 3.0

ART 118 American Art 3.0

ART 122A Russian Art at the Legion 3.0

ART 123Q Baroque Masters of Light 3.0

ART 123U 18th c. French Art at the Legion 3.0

ART 123V Renaissance Art at the Legion 3.0

ART 123W 19th Century Painting at the Legion 3.0

PHOT 50A History & Aesthetics Pre-1945 4.0

PHOT 50B History & Aesthetics Since 1945 4.0

Total: 21.0 – 22.0**Asian Art and Culture Certificate**

The Asian Art and Culture Certificate of Achievement provides essential knowledge, processes, principles, and skills for visual artists. Students will produce works of art based on Asian design principles and develop a background in Asian history and culture. It can serve as a stand-alone certificate or as a basis for advanced study in painting, art history, criticism, or other visual arts disciplines.

Learning Outcomes

Upon completion of this program, students will be able to:

- Produce and peer critique student works of art influenced by Asian design principles, skillful techniques, and personal aesthetics.
- Describe historical and contemporary calligraphy and painting approaches to Asian art.
- Examine works of art in relation to the cultural and sociological context in which they were created.
- Evaluate works of art in terms of technique, function, form, and content using art and discipline terminology.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Asian Art and Culture

Course Units

Required

ART 104 Asian Art History 3.0

ART 146A Beginning Chinese Brush Painting 3.0

ASIA 11 East Asian Calligraphy: An Introduction 3.0

ASIA 15 Asian Societies and Cultures through Film 3.0

Choose 2 courses from the following

ART 146B Intermediate Chinese Brush Painting 3.0

ASIA 30 Manga and Anime 3.0

CHIN 33 Chinese Culture for Heritage Learners 3.0

HIST 35A Chinese History	3.0
HIST 35B History of China	3.0
HIST 37 History of the Philippines.	3.0
JAPA 39 Japanese Culture and Civilization	3.0
PHST 30 Philippine Society and Culture Through Film.	3.0
PHST 42 Introduction to Philippine Arts	3.0
Total:	18.0

Announcement of Courses

The majority of advanced classes in the Art Department require that prerequisites be completed before taking those classes. Students who have not completed those prerequisites must demonstrate the exit skills required upon completion of the prerequisite(s). (See specific courses for prerequisite requirements.)

Most Art Studio courses listed will require a laboratory fee.

Art History Courses

The Art History Curriculum offers a wide selection of courses which apply critical thinking and analytical skills to an understanding of visual arts from around the world. The course selection includes: Art 101 through 118, of which several are offered online, and Selected Topics Courses (Art 122 and 123 series) that offer a more in-depth study of art at the Legion of Honor and the De Young Fine Arts Museums of San Francisco. All Art History courses may be taken in any sequence. College-level reading and writing skills are advised.

Credit, Degree Applicable Courses:

ART 101. Western Art History I (3)

Lec-52.5, field trips

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Survey of Western art from the Paleolithic period through Late Antiquity and the art of Byzantium. Art will be discussed from critical and historical perspectives with regard to formal visual elements of style and the social context of the societies, values, and ideas that gave birth to Western art. UC/CSU

C-ID ARTH 110 (ART 101 + ART 102)

FORMERLY WESTERN ART HISTORY

OFFERED FALL AND SPRING SEMESTERS

ART 102. Western Art History II (3)

Lec-52.5, field trips

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Survey of Western art from the sixth to the early nineteenth centuries: Medieval through the Romantic periods. Art will be discussed from critical and historical perspectives with regard to formal visual elements of style and social context of the societies, values, and ideas that determined the course of Western art. UC/CSU

C-ID ARTH 110 (ART 101 + ART 102); C-ID ARTH 120 (ART 102 + ART 103)

FORMERLY WESTERN ART HISTORY

OFFERED FALL AND SPRING SEMESTERS

ART 103. History of Modern Art (3)

Lec-52.5, field trips

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Survey of modern and contemporary art in Europe and America from the mid-19th century through the early 21st century. Art will be discussed and analyzed from critical and historical perspectives, formal visual elements of style, and social/cultural contexts. Students will

learn to identify pivotal artists, styles, and techniques and to critically analyze art within its cultural framework. UC/CSU

C-ID ARTH 120 (ART 102 + ART 103)

OFFERED FALL AND SPRING SEMESTERS

ART 104. Asian Art History (3)

Lec-52.5, field trips

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A survey of the artistic heritages of Asia from the Neolithic period to the present. Painting, sculpture, architecture, and crafts will be examined within their historical, political, and socio-cultural background. Students learn to identify styles, recognize techniques and formal visual elements, and critically analyze artwork within its contextual framework. UC/CSU

C-ID ARTH 130

OFFERED FALL AND SPRING SEMESTERS

ART 105. Ancient Art and Architecture of Latin America (3)

Lec-52.5, field trips

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A survey of the artistic heritage of Ancient Mexico, Central, and South America. Art 105 explores the stylistic traditions and themes which gave unity to the art of this part of the world as well as the diverse cultural characteristics which led to the development of regional styles. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ART 106. Latin American Art History (3)

Lec-52.5, field trips

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The artistic heritage of Latin America from the sixteenth century CE to the present. All art will be discussed from both a critical and historical perspective with regard to formal visual elements of style and the societies, values, and ideas that gave birth to Latin American Art. UC/CSU

OFFERED FALL SEMESTERS

ART 107. African-American Art History (3)

Lec-52.5, field trips

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Heritage of West African civilizations prior to and during the slave trade, and of African-Americans from colonial to contemporary times. All art will be discussed from both a critical and historical perspective with regard to formal visual elements of style and the societies, values and ideas that gave birth to African-American art. UC/CSU

OFFERED SPRING SEMESTERS

ART 108. Women Through Art History (3)

Lec-52.5, field trips

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Investigation of women's roles in European and non-European society as artists, patrons and subjects in art from pre-history to the present. Artworks are examined through formal and thematic characteristics and from a historical, social and gender-based perspective. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ART 109. History of Contemporary Art (3)

Lec-52.5, field trips

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Survey of late modern and contemporary art from 1945 to the present day. Art will be discussed and analyzed from critical and historical

perspectives, formal visual elements of style, social/cultural contexts, and changing scholarship. Students will learn to identify pivotal artists, styles, and techniques and to critically analyze art within its cultural framework. UC/CSU

OFFERED SPRING SEMESTERS

ART 118. American Art (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The history of American art from colonial times to the present. Painting, sculpture, architecture, and crafts will be examined within their historical, political and sociocultural background. Students learn to identify works by pivotal artists, recognize techniques and formal visual elements, and critically analyze artwork within its contextual framework. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ART 122A. Russian Art at the Legion (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Russian art from the 10th to early 20th century will cover the Medieval Period, Western Academic Tradition, Romanticism and Critical Realism, Neo-nationalist Movement and the Russian Avant Garde. All art will be discussed for its formal qualities of style, culture, iconography and technical achievement. UC/CSU

CLASS HELD AT THE LEGION OF HONOR MUSEUM

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

ART 123Q. Baroque Masters of Light (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The course examines Baroque art at the Legion of Honor museum. All art will be discussed from both a critical and historical perspective with regard to cultural context and formal elements of styles.

UC/CSU

CLASS HELD AT THE LEGION OF HONOR FINE ARTS MUSEUM

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

ART 123U. 18th c. French Art at the Legion (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The course examines 18th-century French paintings from the permanent collection at the Legion of Honor Museum. Paintings will be discussed from both a critical and historical perspective with reference to cultural context and formal elements of style. UC/CSU

CLASS HELD AT THE LEGION OF HONOR FINE ARTS MUSEUM

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

ART 123V. Renaissance Art at the Legion (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The course examines Renaissance art from the permanent collection and special exhibitions at the Legion of Honor Museum. Art will be discussed from a critical and historical perspective with regard to cultural context and formal elements of style. UC/CSU

CLASS HELD AT THE LEGION OF HONOR FINE ARTS MUSEUM

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

ART 123W. 19th Century Painting at the Legion (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The course examines 19th-century painting from the permanent collection and special exhibitions at the Legion of Honor Museum. All art will be discussed from both a critical and historical perspective, with regard to cultural context and formal elements of style. UC/CSU

CLASS HELD AT THE LEGION OF HONOR FINE ARTS MUSEUM

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

Fine Arts Courses

The Fine Art/Studio Arts Curriculum provides students with a comprehensive range of instruction in the methods of producing two- and three-dimensional artwork. Basic Design- ART 125A is the prerequisite for ART 125B – Advanced Design: 3D and Basic Drawing - ART 130A serves as the prerequisite for ART 130B - Intermediate Drawing, ART 132A - Beginning Figure Drawing, and ART 139 - Live Model Character Illustration. All studio classes, several of which are offered in hybrid format, should be taken sequentially in order for students to acquire the skills necessary for their success in intermediate, advanced and mastery course work.

Enrollment Limitations on Physical Education and Visual or Performing Arts Courses

Per title 5 Section 55041, effective Fall 2013, students may not enroll more than four times in “active participatory courses that are related in content” in the areas of physical education or visual and performing arts, which includes art, dance, music, and theatre. This limitation applies even if a student receives a substandard grade or “W” during one or more of the enrollments in such a course or if the students petition for repetition due to extenuating circumstances.

Art courses that are related in content are grouped together in “families” of courses below. The families are indicated by their headings, e.g., Design, Basic Drawing, etc. For the most up-to-date listing of courses and families, refer to the online catalog, www.ccsf.edu/catalog.

Design

ART 125A. Basic Design: 2-D Foundations (3)

Lec-35, Lab-70, field trips

Introduction to visual perception, concepts, methods and applications of two-dimensional design across visual art disciplines and platforms. Self-expression and creative problem-solving through studio art projects. Lecture presentations, readings, verbal articulation, and critiques to develop visual literacy. Study of design theory with a focus on interdependence of content, form and context, combined with visual analysis of art from different eras and cultures. UC/CSU

C-ID ARTS 100

FORMERLY BASIC DESIGN. ART 125A AND ART 130A MAY BE TAKEN IN EITHER ORDER OR CONCURRENTLY. IN-PERSON SECTIONS WILL CHARGE A \$10.00 MATERIALS FEE.

OFFERED EVERY SEMESTER

ART 125B. Advanced Design: 3D Foundations (3)

Lec-35, Lab-70, field trips

PREREQ: ART 125A

RECOMMENDED PREP: ART 130A

An introduction to the basic elements of three-dimensional form and design, including concepts and language fundamental to all art making. This course covers design innovation and prototyping while

applying the structural and visual elements of three-dimensional design, which applies to a wide range of artistic, technical, and industrial fields. UC/CSU

C-ID ARTS 101

FORMERLY ADVANCED DESIGN: 3D

OFFERED SPRING SEMESTERS

ART 126. Color (3)

Lec-35, Lab-70, field trips

A comprehensive course in the study of color, its sources, properties, theories and applications in additive and subtractive media. Develops conceptual and practical skills for effective visual communication utilizing color. Color mixing, color interaction, harmonies, contrasts, optical, spatial, psychological, subjective, cultural, historical uses of color are explored through creative projects. UC/CSU

C-ID ARTS 270

OFFERED FALL AND SPRING SEMESTERS

Drawing

ART 130A. Basic Drawing (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: ART 125A

A course in the theory and practice of drawing using a variety of media and subject matter. The student will develop drawing skills through the use of line, plane, tone, shape, form, volume, chiaroscuro and perspective. Group and individual instruction related to progressive assignments will encourage subjective and analytical development. UC/CSU

C-ID ARTS 110

OFFERED FALL AND SPRING SEMESTERS

ART 130B. Intermediate Drawing (3)

Lec-35, Lab-70, field trips

PREREQ: ART 130A

RECOMMENDED PREP: ART 125A

Continued development of drawing skills via projects of greater complexity. This also includes additional approaches to drawing, composition, and varied drawing materials. This course is a member of the drawing family of courses. UC/CSU

C-ID ARTS 205

OFFERED SPRING SEMESTERS

ART 130C. Advanced Drawing (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 130B

Building on the rigorous drawing studies of ART 130A and ART 130B, students will now focus on developing a self-directed creative process that is informed by research into the expressive, historical, personal, and contemporary aspects of media use and content development as applied in the creation of a series of related thematic drawings. UC/CSU

OFFERED SPRING SEMESTERS

Figure Drawing

ART 132A. Beginning Figure Drawing (3)

Lec-35, Lab-70, field trips

PREREQ: ART 130A

RECOMMENDED PREP: ART 125A

Introduction to the basic concepts of drawing the nude figure from life. Students develop a practical understanding of surface anatomy and proportions using a variety of media and techniques, acquire

perceptual and critical thinking skills, and are introduced to the expressive potential of figurative drawing. UC/CSU

C-ID ARTS 200

ART 132A IS STRONGLY RECOMMENDED FOR ALL ART MAJORS.

OFFERED FALL AND SPRING SEMESTERS

ART 132B. Intermediate Figure Drawing (3)

Lec-35, Lab-70, field trips P/NP available

PREREQ: ART 132A

Building on the previously acquired basic knowledge of drawing the nude figure from life, intermediate students will further develop their understanding of concepts and techniques of figure drawing, continue with more in-depth study of anatomy and proportion, and start working with color and experimental mixed-media approaches. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ART 132C. Advanced Figure Drawing (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 132B

Building on a rigorous study of drawing the nude figure from life, students will focus on developing a self-directed creative process, leading to advanced-level exploration of contemporary art issues and media, while creating a series of related figurative compositions. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ART 132D. Figure Drawing Special Topics (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 132C

Students will integrate advanced figure drawing skills with a focus on special topics such as portraiture, narrative art, mixed media or figurative mural art to develop a personal and expressive body of artwork in a medium of their choice. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

Illustration

ART 136A. Introduction to Illustration (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 125A AND ART 130A

Introduction to the professional field of illustration. Instruction will focus on principal areas within the field (Editorial, Advertising, Fashion, Fantasy and Scientific), its history, standards, practices and current trends. Students will explore and apply a variety of media and illustration techniques, while developing critical thinking, research, and problem solving skills. CSU

OFFERED FALL AND SPRING SEMESTERS

ART 136B. Intermediate Illustration (3)

Lec-35, Lab-70, field trips

PREREQ: ART 136A

Further exploration of visual communication strategies as they relate to the field of illustration. Experimenting with wet and dry media, use of research, techniques and professional presentation in the development of personal style. Focus on professional problem-solving approach in the following areas: book illustration, graphic narrative, caricature, and character design. CSU

OFFERED FALL AND SPRING SEMESTERS

ART 136C. Advanced Illustration (3)

Lec-35, Lab-70, field trips

PREREQ: ART 136B

Through exploration of varied media techniques, content, and experimentation with working methods, students will develop a

professional portfolio that can be applied towards transfer to university, art school or professional practice. Emphasis on creating self-directed artwork that connects working approach, style, and content with refinement of critical thinking, presentation, and technical skills. CSU

OFFERED FALL AND SPRING SEMESTERS

ART 139. Live Model Character Illustration (3)

Lec-35, Lab-70, field trips

PREREQ: ART 130A

RECOMMENDED PREP: ART 132A

Develop unique character designs, engage in figurative storytelling, and work from live models as well as photographic resources. Focus on portraiture and facial expressions, dynamic gesture, and prolonged studies of models in costumes and theatrical settings with props using a variety of painting and drawing techniques in color media.

UC/CSU

ALL SECTIONS WILL CHARGE A MATERIAL FEE OF \$15.00.

OFFERED SPRING SEMESTERS

Painting

ART 140A. Beginning Painting (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 125A AND 130A

Studio course in the technical and conceptual basics of painting in oils or acrylics. Lectures, hands-on studio practice and critiques cover historical and contemporary methods, techniques, concepts, and perceptual skills of painting. UC/CSU

C-ID ARTS 210

OFFERED FALL AND SPRING SEMESTERS

ART 140B. Intermediate Painting (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 140A

Widens and deepens the skills, techniques, methods, and processes learned in ART 140A. Emphasis on personally expressive themes and content. Expanded materials, and complexity of techniques, and processes. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ART 140C. Advanced Painting (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 140B

Focus is on the formulation of a self-directed creative process that builds upon the skills, methods, and concepts of Intermediate Painting. Advanced painting techniques, materials, themes, concepts and critical skills are emphasized. Ideas are developed into finished works through long-term and series projects. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ART 140D. Painting Mastery (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 140C

This capstone course of the painting family supports students in developing greater technical expertise and further develop conceptual, analytical and material skills begun in Art 140C, while investigating issues specific to painting in order to transition into upper division university classes, private art schools, or as a means to enter the professional art world by approaching galleries, curators, art directors, artist registries with a fully developed body of work.

UC/CSU

OFFERED FALL AND SPRING SEMESTERS

Mural Art

ART 142A. Mural Ideation to Creation I (3)

Lec-35, Lab-70, field trips

PREREQ: ART 140A

Introduction to the history and techniques of mural painting.

Traditional and contemporary mural techniques and themes will be explored through the creation of a mural project installed in a school or public space and collectively designed by the class. Students will develop the confidence and ability to work on a large scale, explore new avenues for your painting practice, build collaborative skills, and gain a global perspective on the art of mural painting. UC/CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

Watercolor

ART 145A. Beginning Watercolor Painting (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 125A AND ART 130A

Introduction to the basic characteristics of watercolor, its physicality, tools, techniques, and history. Students will explore methods and techniques in order to develop an understanding of the medium. Emphasis will be placed on aptitude, artistic growth, and technical, perceptual, and conceptual skills to produce and analyze watercolor paintings. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ART 145B. Intermediate Watercolor (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 145A

Intermediate-level examination of watercolor painting characteristics. Students will explore methods and techniques in order to develop a deeper sensitivity to the medium. Focus on extending one's knowledge of color and texture. Emphasis on combining traditional and experimental approaches and the development of a personal style and subject matter. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ART 145C. Advanced Watercolor/Water Media (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 145B

Focus on development of a cohesive body of watercolor and water media paintings. Expanding upon watercolor skills with those related to acrylic, ink, and gouache. Emphasis will be placed on advanced development of a personal content and image style in which materials and techniques play an essential role. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ART 145D. Watercolor Special Topics (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 145C

Expanding upon advanced-level watercolor/water media techniques and idea development practices, students focus on creating a self-directed, unified body of artwork in order to successfully transfer to a university, art school, or professional practice. Emphasis on creating artwork that connects media, style, content, culture, and meaning. Refinement of critical thinking, presentation, and technical skills.

UC/CSU

OFFERED FALL AND SPRING SEMESTERS

Chinese Brush Painting

ART 146A. Beginning Chinese Brush Painting (3)

Lec-35, Lab-70, field trips

Students will learn Chinese traditional calligraphy and brush painting through demonstrations, lectures, video and museum visits. Based on

studying a series of Chinese masterpieces of flowers, landscape and animals, students will develop academic, technical and creative skills. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ART 146B. Intermediate Chinese Brush Painting (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 146A

Emphasis is on the student's aesthetic and creative success in producing a portfolio of work for transfer and professional opportunities as well as the student's appreciation of Chinese art and culture. An intermediate brush painting course that focuses on the development of a body of work using varied classical and contemporary calligraphy and painting techniques. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ART 146C. Advanced Chinese Brush Painting (3)

Lec-35, Lab-70, field trips

PREREQ: ART 146B OR DEMONSTRATION OF EXIT SKILLS

Emphasis will be placed on advanced development of a personal language and style in which materials and techniques play an essential role. An advanced brush painting course focusing on a self-directed creative process to build upon the skills, methods, and concepts of Intermediate Chinese Brush Painting. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ART 146D. Chinese Brush Painting Mastery (3)

Lec-35, Lab-70, field trips

PREREQ: ART 146C OR DEMONSTRATION OF EXIT SKILLS

Emphasis on creating self-directed artwork that connects working approach, style, and content with refinement of critical thinking, presentation, and technical skill. This mastery level Chinese brush painting course expands upon ART 146C skills, concepts, and issues to produce a unified body of artwork for transfer to university, art school or professional practice. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

Fine Arts Printmaking

ART 150A. Beginning Intaglio & Relief Printmaking (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 130A

Introduction to the basics of intaglio and relief printmaking with an emphasis on both contemporary and traditional aspects of the medium based on reference to historical, cultural and contemporary issues of the field. Various plate making and printing techniques will be explored as students develop their aesthetic skills and creative ideas. This course is part of the AA-T Studio Arts Major.

UC/CSU

C-ID ARTS 220

OFFERED FALL SEMESTERS

ART 150B. Intermediate Intaglio and Relief Printmaking (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 150A

This is an intermediate level intaglio and relief printmaking course which expands upon beginning level intaglio and relief plate making and printing techniques. As the second course of the Fine Arts Printmaking family, it is designed to strengthen problem solving skills while creating multi-layered, personal imagery that involves color. This course is part of the AA-T Studio Arts Major.

UC/CSU

OFFERED FALL SEMESTERS

ART 150C. Advanced Intaglio and Relief Printmaking (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 150B

This advanced intaglio and relief printmaking course expands upon intermediate plate making and printing techniques in support of innovative working styles and unique content that result in the creation of complex prints. The course emphasizes the layering of color and surface information using single and multiple plates. UC/CSU

OFFERED FALL SEMESTERS

ART 150D. Printmaking Special Topics (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 150C

Expanding upon advanced techniques, working methods, and idea development practices, students produce a unified body of artwork for that can be applied towards transfer to university, art school or professional practice. Emphasis on creating self-directed artwork that connects working approach, style, and content with refinement of critical thinking, presentation, and technical skill. UC/CSU

OFFERED FALL SEMESTERS

Screen Printing

ART 152A. Beginning Screen Printing (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 125A AND ART 130A

An introduction to screen printing processes through exploration of hand-cut stencils, directly drawn stencils and photographic techniques for limited-edition and one-of-a-kind fine art prints. In the context of contemporary and traditional printmaking approaches, students develop their aesthetic, critical, and creative thinking skills. UC/CSU

OFFERED SPRING SEMESTERS

ART 152B. Intermediate Screen Printing (3)

Lec-35, Lab-70, field trips

PREREQ: ART 152A

Expanding upon the stenciling and photographic techniques introduced in ART 152A, this course covers various stencil creation techniques for exposure to photo-screens and ultimately multiple-color printing using single and multiple screens for limited-edition and one-of-a-kind fine art prints. In the context of contemporary and traditional printmaking approaches, students develop their aesthetic, critical, and creative thinking skills. UC/CSU

ALL SECTIONS WILL CHARGE A MATERIAL FEE OF \$15.00.

OFFERED SPRING SEMESTERS

ART 152C. Advanced Screen Printing (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 152B

In the context of contemporary and traditional printmaking approaches, students develop their aesthetic, critical, and creative thinking skills that expand upon photographic stencil and digital techniques introduced in ART 152A and 152B. Using various autographic, photographic and digital stencil creation techniques and multiple-color printing with single and multiple screens for limited-edition and one-of-a-kind fine art print. UC/CSU

OFFERED SPRING SEMESTERS

Mixed Media

ART 156A. Beginning Mixed Media (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 125A

Focuses on the contemporary practice and conceptual basis of selecting and combining various media and techniques into two and

three-dimensional works of art. Contemporary issues and approaches are explored through lecture and demonstration. UC/CSU

FORMERLY ART 156

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

ART 156B. Intermediate Mixed Media (3)

Lec-35, Lab-70, field trips

PREREQ: ART 156A

Building on the previously acquired knowledge of 156A, intermediate students will further develop their understanding and abilities to combine various media and techniques with the goal of creating two and three-dimensional works of art. Contemporary issues and approaches are explored through lecture and demonstration. UC/CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

Ceramics

ART 160A. Beginning Ceramics (3)

Lec-35, Lab-70, field trips

Introduction to developing ceramic forms. Basic methods of forming through the use of the potter's wheel, hand-construction, glaze application and kiln-firing processes. Historical uses of clay and its relationship to the development of civilizations and industry. Technical development and exploration of clay as a means for aesthetic growth. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ART 160B. Intermediate Ceramics (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 160A OR DEMONSTRATION OF EXIT SKILLS

Continued development of skills used to create ceramic forms using the potter's wheel, and hand-construction techniques, glaze formulation, glaze application, and kiln-firing processes. Lectures on the historical and contemporary uses of clay. Emphasis on technical and conceptual development of ceramic design. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ART 160C. Advanced Ceramics (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 160B

Advanced ceramic forming methods using the wheel, extruder and hand-construction techniques, glaze formulation, advanced glaze application and kiln-firing processes. Lectures on the historical and contemporary uses of clay. Emphasis on advanced technical and conceptual development. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ART 160D. Ceramics Studio (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 160C

Advanced-studio level class building on the skills, concepts and issues addressed in ART 160C. To refine analytical skills and technical expertise in the exploration of contemporary art and ceramics issues and create a self-directed, unified body of work in preparation for transferring to university, art school, or professional activities. UC/CSU

ALL SECTIONS WILL CHARGE A MATERIAL FEE OF \$20.00

OFFERED FALL AND SPRING SEMESTERS

Sculpture

ART 170A. Beginning Sculpture (3)

Lec-35, Lab-70, field trips

Introduction to the design principals and elements of three-dimensional form, exposure to contemporary sculptural concepts, and the historical evolution of sculpture. Students will learn sculptural concepts, techniques, media, tools, and vocabulary in order to further

develop visual perception and skills in additive and subtractive techniques. Emphasis will be placed on traditional materials, technical information, and personal expression. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ART 170B. Intermediate Sculpture (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 170A

An intermediate level course which expands on techniques and processes of sculpture such as: basic metal fabrication, mold-making, stone or woodcarving. Intermediate level topics such as site-specific sculpture or installation will also be explored. Emphasis will be placed on building and strengthening technical skills, individual expression and conceptual growth. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ART 170C. Advanced Sculpture (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 170B

Focuses on advanced techniques, practices and concepts specific to sculpture. Course is designed to cultivate individual conceptual development. Students produce artworks in a variety of materials, advanced fabrication techniques, and make aesthetic choices based on individual interest informed by research. Emphasis is placed on interplay between concept, material and context. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ART 170D. Sculpture Studio (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 170C

An advanced sculpture course designed to further individual conceptual development; enabling students to be self-directed, produce a body of work, investigate techniques and make aesthetic choices based on individual interests. An understanding of sculpture materials, fabrication techniques, formal relationships, art history, and safety procedures is necessary to enroll. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

Metal Arts and Jewelry

ART 180A. Beginning Jewelry/Metal Arts (3)

Lec-35, Lab-70, field trips

An introduction to basic fabrication processes and design approaches, including use of tools and materials, soldering, cold connections, forming, stone setting, and basic 3-D design principles. Emphasis is placed on gaining technical skill, knowledge of safe practices, personal expression, and evolution of aesthetic sense. CSU

OFFERED FALL AND SPRING SEMESTERS

ART 180B. Intermediate Jewelry/Metal Arts (3)

Lec-35, Lab-70, field trips

PREREQ: ART 180A

Building on previous experience, intermediate students will explore more advanced jewelry and metal smithing techniques including faceted stone setting, angle raising, kinetic junctions, and forging. Emphasis is placed on refining technical skill, development of tool use, knowledge of safe practices, personal expression, and refinement of aesthetic sense. CSU

OFFERED FALL AND SPRING SEMESTERS

ART 180C. Advanced Jewelry/Metal Arts (3)

Lec-35, Lab-70, field trips

PREREQ: ART 180B.

Advanced students are provided with an opportunity to focus exploration on subjects of interest to the student. Subjects can include historic,

contemporary, one of a kind, or production jewelry/metal arts. The student will be highly self motivated and directed, ready to develop their work, concepts, and design capabilities. CSU

OFFERED FALL AND SPRING SEMESTERS

ART 180D. Metal Arts Studio (3)

Lec-35, Lab-70, field trips

PREREQ: ART 180C

Capstone course building on the skills, concepts, issues addressed in ART 180C to create a self-directed, unified body of work in preparation for transferring to university, art school, or professional activities. Emphasis on refinement of analytical skills and technical expertise in the exploration of contemporary art and jewelry/metal arts issues. CSU

OFFERED FALL AND SPRING SEMESTERS

Lost Wax Casting

ART 181A. Beginning Casting for Metal Arts (3)

Lec-35, Lab-70, field trips

An introduction to basic casting techniques including direct and lost wax methods via the use of the centrifugal and vacuum casting machine, as well as use of the oxy/acetylene torch and electromelt furnace. Emphasis is placed on developing proficiency, thorough knowledge of safe practices, and development of 3-D design skills and personal aesthetic sense. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

ART 181B. Intermediate Casting for Metal Arts (3)

Lec-35, Lab-70, field trips

PREREQ: ART 181A

Building on beginning casting knowledge and skills, ART 181B students will incorporate traditional and nontraditional techniques to further develop the student's casting competency, including large scale casting, bi-metal casting, mold making and casting multiples. Emphasis is placed on creative risk taking, refining technical skill, knowledge of safe practices, developing content of work, and design aesthetic. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

ART 181C. Advanced Casting for Metal Arts (3)

Lec-35, Lab-70, field trips

PREREQ: ART 181B

Exploring subjects of interest that can include historic, contemporary, one of a kind, or production casting techniques, students hone working skills and ideation techniques. The course promotes sustainable self-motivation through time management approaches and analysis of working approaches, concept development, and design practices. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

Portfolio

ART 185. Art Career/Transfer Portfolio Prep (3)

Lec-35, Lab-70, field trips

RECOMMENDED PREP: ART 136A OR ART 130B OR ART 132A OR ART 140A OR ART 145A OR ART 146A OR ART 150A OR ART 152A OR ART 156A OR ART 160A OR ART 170A OR ART 180A OR ART 181A OR FASH 112 OR FASH 35A OR PHOT 51

Intensive survey of professional art practices that are necessary for a career as a visual artist. These practices include marketing, promoting, and exhibiting artwork, staging an exhibition, and preparing a transfer portfolio for a 4-year or graduate art program. CSU

Announcement of Curricula

Social Justice Studies: Asian American Studies Major (AA-T)

The Associate of Arts in Social Justice: Asian American Studies for Transfer Degree, (AA-T SJS Asian American Studies) prepares students for a seamless transfer with priority admissions and Junior class status to a CSU campus program or major in Asian American Studies, or similar major, for completion of a baccalaureate degree. The degree will also prepare Asian American Studies major students for transfer to a U.C. or other baccalaureate degree institution. Students should consult with a counselor to verify specific transfer requirements. Future careers might include teaching, social work, law, community organizing, public health, as well as graduate school or higher education.

Learning Outcomes

Upon completion of this program, students will be able to:

- Identify, describe, and compare the diverse historical experiences of different groups of Asian Pacific Americans in the United States
- Analyze and evaluate social, political, cultural and economic issues and conditions related to diverse Asian Pacific American communities in the United States, using appropriate social science methodologies and theories.
- Analyze the intersections of race, gender, class, ethnicity and sexuality within the Asian Pacific American experience.
- Use Asian American Studies scholarship and research methodologies to produce research papers.

Students who wish to earn the Associate in Arts in Social Justice Studies: Asian American Studies (AA-T) must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of "C" (or "P") or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

The minimum time for completion is four semesters; completion time will vary depending on student preparation and number of units completed per semester.

Courses Required for the AA-T in Social Justice Studies: Asian American Studies

Course Units

Required Core 1: Race and Ethnicity (3 units)

IDST 37 Introduction to Ethnic Studies. 3.0

Required Core 2: Introduction to Gender (3 units)

Total:	18.0

Asian American Studies Major (AA)

The Associate of Arts in Asian American Studies examines the diverse experience of Asians in the United States through core courses and additional electives in the Humanities, Social Sciences, Area Studies and other interdepartmental courses. In Humanities, students explore Asian American issues in popular culture, film or literature. In Social Sciences, students choose to explore a specific group in the Asian American community in depth, or explore race relations, or community work. Students are prepared for transfer to University of California, and other universities, especially for majors in Asian American Studies and Ethnic Studies, which are often majors not impacted at some UC campuses.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze the diverse experiences of Asian Pacific Americans in the United States.
- Examine the social, political, cultural and economic conditions of Asian Pacific Americans in the United States.
- Analyze the intersections of race, gender, class, ethnicity, and sexuality within the Asian Pacific American experience.
- Apply appropriate theories and methodologies to understanding the Asian Pacific American experience.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is 4 semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Asian American Studies Course Units

Choose 3 of the following courses

ASAM 20 Asian American Experience Since 1820	3.0

Announcement of Curricula

Asian Studies Certificate

This certificate introduces students to the diversities and commonalities of Asian cultures and society, focusing primarily on arts, religion, languages, popular culture and history of the regions of East Asia, South East Asia, and The Middle East. The program integrates area studies and ethnic studies, using interdisciplinary methodologies. It appeals to a broad range of students including international students, students interested in tourism or global business, artists, and students wanting to know more about their cultures of origin. The program serves primarily students who are transferring to a four-year university, but additionally offers professional development for employers, as well as community-based organizations serving global audiences.

Learning Outcomes

Upon completion of this program, students will be able to:

- Identify specific cultural areas of Asian civilizations from pre-colonization to twenty-first century and evaluate their contributions to the development of distinct artistic traditions.
- Interpret Asian religious and ethnic formations in relation to socio-political trends.
- Identify the cultural areas of modern Asia and their contributions to modern and postmodern aesthetics.
- Compare the unique features of Asian languages, writing forms, and arts embedded in culture.

The Asian Studies Certificate of Accomplishment is open to any student enrolled at City College of San Francisco.

The minimum time for completion of this certificate is two semesters. Completion time will vary based on student preparation and number of classes completed per semester.

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A consideration of the major achievements of Japanese culture as reflected in language, literature, art, religion, and daily life. No knowledge of Japanese required. UC/CSU

NO KNOWLEDGE OF JAPANESE LANGUAGE REQUIRED. NOT RECOMMENDED FOR STUDENTS WHO ARE ENROLLED IN OR HAVE COMPLETED JAPA 49.

OFFERED ON OCCASION

LGBT 50. LGBT Communities of Color in the U.S. (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A survey of the histories, power dynamics, intersectionalities, cultures, communities and resistance of LGBTQ+ Black, Latinx, Chicanx, Indigenous and API people in the U.S. UC/CSU

FORMERLY LESBIAN/GAY/BISEXUAL/TRANSGENDER/COMMUNITIES OF COLOR IN THE U.S.

OFFERED SPRING SEMESTERS

MUS 24. Music of East Asia (3)

Lec-52.5, field trips P/NP available

A cross-cultural, comparative survey of both historical and recent developments in the music of China, Japan, and Korea, including the relationship of East Asian music to other aspects of East Asian cultures-philosophy, religion, theater, and dance. UC/CSU

PSYC 23. Psychology of Race and Ethnic Relations (3)

Lec-52.5 P/NP available

An exploration of the experiences, theories, and research concerning issues of race and ethnicity as they relate to individual and group behavior, emotion, and thinking, including attitudes, identity development, racism, privilege, coping strategies, and intersectional experiences. Psychohistorical analysis of the experiences of African Americans, Asian Americans, Latino(a) Americans, and Native Americans. UC/CSU

Announcement of Courses

Credit, Degree Applicable Courses**ASTR 1. Cosmic Evolution (3)**

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introductory astronomy course with an emphasis on the development of the cosmos and its components. The origin, evolution, and final state of our physical universe. Properties, formation, and evolution of our galaxy and other galaxies, the sun and other stars, and our solar system. Extrasolar planets and the possibility of life elsewhere in the universe. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ASTR 4. Life in the Universe (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The origin and evolution of life on Earth and the possibility of life elsewhere in the Universe. Applying the disciplines of astronomy, biology, and planetary science, students study the chemical and biological basis for life, limits of life on Earth, and techniques used to search for life beyond Earth. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ASTR 16. Observational Astronomy (1)

Lab-52.5

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: ASTR 1 OR ASTR 17 OR ASTR 18 OR ASTR 19

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Through direct investigation, students will examine the motion and appearance of the night sky, characterize and classify astronomical objects such as planets, moons, stars, nebulae, and galaxies, and become familiar with modern observational tools and techniques. UC/CSU

UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ASTR 17. Planets (3)

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Methods and practice of planetary science and its impact on humanity. Fundamental physical sciences for understanding the origin and evolution of planetary systems. Comparative examination of planetary attributes including atmospheres, geospheres, magnetospheres, and hydrospheres. Solar System and extra-solar planetary systems and life-bearing possibilities. Detailed planetary information revealed by space missions. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

ASTR 18. Stars (3)

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introduction to stars and stellar systems, including their apparent motions and their use in navigation. Observations and theories regarding stars as the primary producers of energy in the universe and of the chemical elements necessary for life. Evolution of stars and their impact within galaxies and on planets. UC/CSU

OFFERED SPRING SEMESTERS OFFERED FALL AND SPRING SEMESTERS

ASTR 19. Galaxies and the Universe (3)

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introduction to cosmology, galactic and extragalactic astronomy, with a focus on basic questions of existence: Where do we come from and what is our fate? Covers the universe's origin, evolution, fate, expansion and acceleration, cosmological models explaining these, large scale structure, dark matter and dark energy, properties and phenomena of galaxies, including the Milky Way and active galactic nuclei. UC/CSU

UC/CSU

OFFERED FALL AND SPRING SEMESTERS

Announcement of Curricula

City College offers credit for two years of pre-apprentice training for students seeking employment in the automotive industry. Students may apply the earned credit toward the Associate in Science degree.

Employment. Successful completion of training in this program prepares students for entry employment in the areas of automotive-mechanic and body person apprenticeship. Training will be considered in determining level of entry into apprenticeship.

Admission. Applicants for admission must complete an application form which may be obtained from the automotive-technology adviser at 1400 Evans Avenue training center. All applications are reviewed and evaluated, and the results are forwarded to each applicant. To be accepted into the program, it is recommended that students complete the following advisories:

1. ESL 186 or ENGL 88 or readiness for college-level English
2. Math 30 or placement in Math 40

Recommended High School Preparation. Preparation is recommended in auto shop, electricity, machine shop, mechanical drawing, and welding.

Counseling. The automotive-technology advisor consults individually with students in order to help each student select a program best suited to the student's interests and abilities.

General Education. Instruction in general education is included so that students may satisfy the College graduation requirements in this area.

Associate in Science Degree. Students who wish to earn an Associate in Science degree must complete the general-education requirements for graduation from the College and additional electives. Students who satisfy these requirements and complete either of the options in the Curriculum receive the degree of Associate in Science in Automotive Technology. Such students are advised to consult with a College counselor.

Automotive Technology

Automotive Technician Major (AS)

This Automotive Technician Associate in Science Degree prepares students to enter the automotive maintenance field with all the necessary skills to perform entry level work, as well as have a thorough understanding of theory so they will be qualified to participate in advanced training at the dealer level. This program complies with national Automotive Service Excellence (ASE) certification through the accreditation body National Automotive Teachers Education Foundation (NATEF), through which the Automotive department is required to maintain certification every five years.

Learning Outcomes

Upon completion of this program, students will be able to:

- Classify and summarize automotive systems, functions, and their interrelation.

- Identify and use basic hand, power, lifting tools, and equipment.
- Perform scheduled automotive maintenance and repairs, and utilize service repair information.
- Analyze automotive wiring diagrams and troubleshoot computer circuits and systems.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Automotive Technician

Course	Units
Required	
AUTO 50 Intro to Automotive Mechanics	3.0
AUTO 51 Automotive Electrical	7.0
Choose two courses from the following	
AUTO 52 Brakes, Suspension, Alignment	7.0
AUTO 53 Automatic & Manual Transmission	7.0
AUTO 54 Engine Repair	7.0
AUTO 55 Engine Performance and Drivability	7.0
AUTO 56 Introduction to Hybrid and EV Auto Maintenance and Repair	4.0
AUTO 58 Automotive Heating and Air-Conditioning	3.0
AUTO 59 Automotive Suspension and Steering	4.0
AUTO 63 Automotive Braking Systems	4.0
AUTO 115 Service Consultant	3.0
Total:	16.0 – 24.0

Automotive Hybrid and EV Technology Certificate

This certificate is for students seeking training in hybrid and electric vehicle maintenance. This certificate includes instruction in basic automotive systems (AUTO 50), a thorough understanding of automotive electrical systems (AUTO 51), and an in depth study of hybrid and electric vehicles, system operation, inspection, diagnosis and repair (AUTO 56). Prepares the student for entry-level employment in the maintenance and repair of existing and emerging technology hybrid and electric vehicles.

Learning Outcomes

Upon completion of this program, students will be able to:

- Distinguish and classify automotive systems, functions, and their interrelation.
- Demonstrate safe shop practices and operate diagnostic equipment.
- Describe the function of vehicle electrical, hybrid, and battery systems and components.
- Analyze and repair existing and emerging hybrid and electric vehicles.
- Evaluate innovative fuel saving vehicle systems.

Students must complete each course with a grade of “C” or higher.

Students may apply for certificate having completed course work or equivalent standards within the past 5 years.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Automotive Hybrid and EV Technology

Course	Units
Required courses:	
AUTO 50 Intro to Automotive Mechanics	3.0
AUTO 51 Automotive Electrical	7.0
AUTO 56 Introduction to Hybrid and EV Auto Maintenance and Repair	4.0
Total:	14.0

Automotive Technician Certificate

This Automotive Technician Certificate of Achievement prepares students to enter the automotive maintenance field with all the necessary skills to perform entry level work as well as have a thorough understanding of theory so they will be qualified to participate in advanced training at the dealer level. This program complies with our national Automotive Service Excellence (ASE) certification through the accreditation body: National Automotive Teachers Education Foundation (NATEF), through which the Automotive department maintains certification every five years.

Learning Outcomes

Upon completion of this program, students will be able to:

- Classify and summarize automotive systems, functions, and their interrelation.
- Identify and use basic hand, power, lifting tools, and equipment.
- Perform scheduled automotive maintenance and repairs, and utilize service repair information.
- Analyze automotive wiring diagrams and troubleshoot computer circuits and systems.

The minimum time for completion is 2 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Utility Technician/Helper Certificate

This certificate is for students seeking entry level employment in the automotive industry. This certificate includes instruction in basic automotive systems, automotive body and paint maintenance and detailing.

Learning Outcomes

Upon completion of this program, students will be able to:

- Evaluate overall vehicle condition.
- Perform basic automotive repairs.

Students may apply for certificate having completed course work or equivalent standards within the past 5 years.

The minimum time for completion of this certificate is 1 semester. Completion time will vary based on student preparation and number of classes completed per semester.

Auto Body Technology

Autobody Repair and Refinishing Major (AS)

This Autobody Repair and Refinishing Associate of Science Degree prepares students to enter the auto body repair field with all the necessary skills to perform entry level work, as well as providing a thorough understanding of auto body and paint theory. This credential provides education to work safely in an independent or dealership auto body repair facility with a good foundation for advanced training and skill development.

The AS degree may be obtained by completion of the required program plus general education requirements and sufficient electives to meet a 60 unit total.

Learning Outcomes

Upon completion of this program, students will be able to:

- Identify auto body safety requirements and employ proper safety actions.
- Use appropriate tools, equipment, and supplies to perform auto-body repairs to industry quality standards
- Interpret auto body service repair information and evaluate service measurements.

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Autobody Repair and Refinishing

Motorcycle Technology

Motorcycle Technician Major (AS)

This Motorcycle Technician Associate in Science Degree prepares students to enter the motorcycle maintenance field with all the necessary skills to perform entry-level work as well as to have a thorough understanding of theory so they will be qualified to participate in advanced training at the dealer or manufacturer. Degree holders are

expected to be qualified for jobs as service managers and manufacturer's representatives.

Associate in Science Degree. The AS Degree may be obtained by completion of the required program plus general education requirements and sufficient electives to meet a 60 unit total.

Learning Outcomes

Upon completion of this program, students will be able to:

- Describe the history, culture, and aesthetics of the motorcycle.
- Perform basic tune-up and service operations and interpret maintenance schedules.
- Evaluate, service, and troubleshoot cooling, lubrication, and fuel systems.
- Practice safe shop and personal safety procedures.

Assuming students start this AS with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Construction

Construction Major (AS)

This Construction Associate in Science Degree prepares students to enter the construction field with all the necessary skills to perform entry-level work as well as have a thorough understanding of theory so they will be qualified to participate in advanced training. Students completing this Associates Degree will be qualified for employment in companies both union and non-union where construction skills are called upon.

Learning Outcomes

Upon completion of this program, students will be able to:

- Identify basic OSHA (Occupational Safety and Health Administration) requirements and employ proper safety actions.
- Use appropriate tools and materials to plan and execute construction projects.
- Apply construction skills to a variety of construction projects.
- Describe concepts and components of construction fields and building trades.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Carpentry Certificate

This certificate provides training in the nomenclature, methods, and materials necessary to build a complex wood framed building, including framing of floors, walls, ceilings, roofs, and stairways. This

certificate includes required instruction in appropriate safety practices and procedures, basic blueprint reading, construction principles, procedures, tools, and equipment, basic carpentry nomenclature, and hands-on tool usage and framing skills. Additional elective coursework is required in one or more of the following areas: advanced framing, concrete, woodworking, finish carpentry, contractor license preparation, and drywall skills. Students completing this certificate program will be qualified for employment in companies both union and non-union where carpentry or woodworking skills are needed.

Learning Outcomes

Upon completion of this program, students will be able to:

- Identify basic OSHA (Occupational Safety and Health Administration) requirements and employ proper safety actions.
- Use appropriate tools to plan construction projects accurately.
- Describe and evaluate different framing systems and the materials required for building plan specifications.
- Apply construction skills to a variety of rough and finish construction projects.
- Analyze and evaluate floor plans and their interconnected systems.

Students must pass each class with a grade of “C” or higher.

Students may apply for a certificate having completed course work or equivalent standards within the past 5 years.

The minimum time for completion of this certificate is 1 semester. Completion time will vary based on student preparation and number of classes completed per semester.

Construction Certificate of Completion

This certificate of completion validates training in tool, equipment, personal safety, use of proper and appropriate materials and supplies, and proper handling of diverse power tools. Students successfully completing this certificate will be qualified for entry-level construction and building maintenance employment.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply construction terminology and units of measurement to complete construction tasks.
- Manage tools, equipment, and materials safely and appropriately.
- Apply recommended practices to the use of construction tools, machines, and specialized equipment.
- Interpret and explain workplace instructions.

The minimum time for completion of this certificate is 1 semester. Completion time will vary based on student preparation and number of classes completed per semester.

Building Maintenance/Custodial

Custodian for Health Care Industry Certificate of Completion

Students who have successfully earned a Custodial Health Care Certificate are qualified to work in the healthcare industry as a custodian. Training includes biohazard and blood-borne pathogen safety procedures in a variety of environments. These can include hospitals, emergency rooms, labs, and doctors' offices. The program was created in cooperation with local hospitals and agencies.

Learning Outcomes

Upon completion of this program, students will be able to:

- Select and safely handle appropriate equipment and materials.
- Apply custodial terminology and instructions when engaging in custodial tasks
- Interpret and explain workplace instructions
- Apply industry-standard techniques and approved procedures while cleaning healthcare sites and disposing of waste.

The minimum time for completion of this certificate is two semesters. Completion time will vary based on student preparation and or classes completed per semester.

Custodial Training Certificate of Completion

This certificate of completion validates training in tool, equipment, chemical and personal safety, use of proper and appropriate cleaning and maintenance equipment and supplies, and proper handling of diverse chemicals. Students successfully completing this certificate will be qualified for entry level custodial and building maintenance employment.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply custodial terminology, directions, units of measurement and instructions to complete custodial tasks.
- Manage chemicals and toxic waste safely and appropriately.
- Apply recommended practices to the use of custodial tools, machines, and specialized equipment.
- Interpret and explain workplace instructions.

The minimum time for completion of this certificate is 1 semester. Completion time will vary based on student preparation and number of classes completed per semester.

Announcement of Courses

Automotive Technology

Credit, Degree Applicable Courses:

AUTO 49. Auto Body Maintenance and Detailing (2)

Lec-17.5, Lab-52.5, field trips P/NP available

RECOMMENDED PREP: ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Introductory course on general vehicle body maintenance, minor body part replacement and adjustment, glass replacement, and exterior and interior detailing. CSU

AUTO 50. Intro to Automotive Mechanics (3)

Lec-35, Lab-70

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 186

Introduction to automotive systems, industry best practices, basic vehicle fluid and wheel services, and safety practices. Orientation to the automobile: technical vocabulary, systems, components, safety procedures, proper use of appropriate tools and equipment, and development of hands-on skills. Basic maintenance and repair of the automobile in accord with Automotive Service Excellence (ASE) certification. CSU

AUTO 51. Automotive Electrical (7)

Lec-97, Lab-97, field trips

PREREQ: AUTO 50 OR PASS CHALLENGE TEST

This course prepares students to diagnose and repair automotive electrical systems. Includes specialized training in the use of electrical meters, scopes and electrical testing equipment. Preparation for the Automotive Service Excellence (ASE) A-6 test. CSU

AUTO 52. Brakes, Suspension, Alignment (7)

Lec-97, Lab-97, field trips

PREREQ: AUTO 50 OR PASS CHALLENGE TEST

This course prepares students to diagnose and repair automotive brake and suspension systems. Includes specialized training in the use of Hunter alignment machines, tire mounting and road force tire balancing equipment. Preparation for the Automotive Service Excellence (ASE) A-4 and A-5 tests. CSU

OFFERED SPRING SEMESTERS

AUTO 53. Automatic & Manual Transmission (7)

Lec-97, Lab-97, field trips

PREREQ: AUTO 50 OR PASS CHALLENGE TEST

This course prepares students to diagnose and repair automotive manual and automatic transmission units. Includes specialized training in the use of specialized lifts and factory scantools. Preparation for the Automotive Service Excellence (ASE) A-2 and A-3 tests. CSU

OFFERED FALL SEMESTERS

AUTO 54. Engine Repair (7)

Lec-97, Lab-97, field trips

PREREQ: AUTO 50 OR PASS CHALLENGE TEST

This course prepares students to diagnose and repair automotive engines. Includes specialized training in the use of specialized

measuring devices and assembly equipment. Preparation for the Automotive Service Excellence (ASE) A-1 test. CSU
OFFERED SPRING SEMESTERS

AUTO 55. Engine Performance and Drivability (7)

Lec-97, Lab-97, field trips

PREREQ: AUTO 50 OR PASS CHALLENGE TEST

This course prepares students to diagnose and repair automotive drivetrain control systems. Includes specialized training in the use of factory scan tools and electronic automotive diagnostic equipment. Preparation for the Automotive Service Excellence (ASE) A-8 and L1 tests. CSU

OFFERED FALL SEMESTERS

AUTO 56. Introduction to Hybrid and EV Auto Maintenance and Repair (4)

Lec-52.5, Lab-52.5, field trips P/NP available

PREREQ: AUTO 50 AND AUTO 51

Principles and functions of hybrid automobiles, and procedures for their maintenance, problem diagnosis and repair. Function of individual system components examined. Critical importance of safety and hybrid-unique equipment and procedures. Maintenance procedures and diagnostic and repair processes for common hybrids (Toyota and Ford) taught in detail. CSU

OFFERED ON OCCASION

AUTO 58. Automotive Heating and Air-Conditioning (3)

Lec-35, Lab-70, field trips

PREREQ: AUTO 50

Learners will study the history, principles of operation, environmental concerns, scientific principles, mechanical components, diagnosis, servicing and testing, system controls, retrofit of old systems, and future trends of automotive HV AC systems. Preparation for Automotive Service Excellence (ASE) A-7 Test. CSU

OFFERED FALL SEMESTERS

AUTO 59. Automotive Suspension and Steering (4)

Lec-52.5, Lab-52.5, field trips

PREREQ: AUTO 50

This course prepares students to diagnose and repair automotive tire, wheel, suspension and steering systems. Includes specialized training in the use of Hunter alignment, tire mounting and tire balancing equipment. Preparation for the Automotive Service Excellence (ASE) A-4 test. CSU

AUTO 60. Independent Study (Auto Technology) (1-3)

Lab-52.5 to 157.5 P/NP available

PREREQ: AUTO 50 OR DEMONSTRATION OF EXIT SKILLS

Research and application of advanced skills within the topic of Automotive/Trade Skills. Allows student to investigate subjects of special interest and develop skills toward those interests, such as frame design and fabrication, suspension design and fabrication, engine performance modification and reflash of engine computer. CSU

OFFERED ON OCCASION

AUTO 63. Automotive Braking Systems (4)

Lec-52.5, Lab-52.5

PREREQ: AUTO 50

This course prepares future technicians to perform automotive brake system repair with an understanding of operation, troubleshooting, and preventive maintenance, including disk brakes, drum brakes, anti-lock, and stability control systems. Preparation for the ASE Brakes test (A-5 test) CSU

AUTO 68. Introduction to Diesel Technology (3)

Lec-35, Lab-70, field trips

PREREQ: AUTO 50

Prepares students for careers in diesel engine repair. Theory of operation and hands-on practice repairing diesel engines. Preparation for the Automotive Service Excellence (ASE) A9 examination. CSU

AUTO 108. Automotive Work Experience (1-6)

Work: 75-450 (total hrs) P/NP available

PREREQ: AUTO 50

REPEAT: REPEATED UP TO 6.00 UNITS

Paid work experience in the automotive industry under the supervision of a qualified professional. Positions can include dealership technician, independent shop technician and automotive shop office work. Student will attend an initial training and apply to job opportunity with no guarantees of being hired. CSU

OFFERED SPRING SEMESTERS

AUTO 115. Service Consultant (3)

Lec-52.5, field trips P/NP available

PREREQ: AUTO 50 OR DEMONSTRATION OF EXIT SKILLS

Techniques and practices for creating automotive service orders. Training in industry best practices and legal requirements of creating automotive service orders. Training for career as automotive service writer. Preparation for ASE C1 test. CSU

OFFERED ON OCCASION

AUTO 117. Subaru Technical Training (2)

Lec-35, Lab-22, field trips

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: AUTO 50

Subaru specific online and hands-on training to prepare students to repair Subaru vehicles. CSU

AUTO 180. Reflashing and Factory Scan Tools for Technicians (3)

Lec-35, Lab-70, field trips P/NP available

PREREQ: AUTO 50

This course prepares students to use factory scan tools to troubleshoot, diagnose, and repair next generation automobiles. In-depth study of factory scan tool use includes module scanning and reflashing. CSU

AUTO 200. Auto Body Dent and Damage Repair (2)

Lec-17.5, Lab-52.5 P/NP available

RECOMMENDED PREP: AUTO 50

Basic introduction to welding, metal bumping, metal finishing, and plastic filling. Students will learn analysis of minor body and fender damage and the sequential procedures involved in proper metal damage repair by integrating their classroom gained knowledge with shop practice. CSU

OFFERED ON OCCASION

AUTO 201. Bolted Panel Replacement (2)

Lec-17.5, Lab-52.5 P/NP available

RECOMMENDED PREP: AUTO 50

This course concerns the methods and techniques of fastening and joining metal and plastic parts as they relate to a professional fit and finish on vehicle body and frame structures, including alignment of metal and plastic parts. CSU

OFFERED FALL SEMESTERS

AUTO 202. Welded panel repair and replacement (2)

Lec-17.5, Lab-52.5 P/NP available

RECOMMENDED PREP: AUTO 50

This course involves the various methods and techniques of repairing

or cutting, fastening, and joining of metals and metal parts as they relate to vehicle body and frame structures, including plasma arc cutting, electric spot, MIG (Metal Inert Gas), gas welding, brazing, and epoxy-joining processes. CSU

OFFERED FALL SEMESTERS

AUTO 203. Introduction to Auto Painting and Refinishing (2)

Lec-17.5, Lab-52.5 P/NP available

RECOMMENDED PREP: AUTO 50

This course is designed as an introduction to automotive urethane, polyurethane and water based refinishing. It includes a comprehensive study of the materials, equipment, techniques and processes in the successful application of each of the automotive refinishing materials by integrating classroom gained knowledge with shop practice. This course is required for the Auto body Painting and Refinishing certificate. CSU

OFFERED ON OCCASION

AUTO 204. Body/Frame Straightening & Repair (2)

Lec-17.5, Lab-52.5 P/NP available

RECOMMENDED PREP: AUTO 50

This course concerns the study and repair of conventional and unitized vehicle frames, their straightening and alignment, alignment at cross members, rear and side frame members, suspension systems and steering principles. Frame straightening machines, gauges, and tools as well as appropriate safety will be covered. CSU

OFFERED SPRING SEMESTERS

AUTO 205. Auto Body Welding (2)

Lec-17.5, Lab-52.5 P/NP available

RECOMMENDED PREP: AUTO 50

In this course students will learn how to identify and work with different types of welding equipment used in the installation of welded panels. They will also learn various methods of welding, brazing, soldering and plasma arc cutting of thin auto body material. CSU

OFFERED SPRING SEMESTERS

AUTO 206. Plastic Repair & Refinishing (2)

Lec-17.5, Lab-52.5 P/NP available

RECOMMENDED PREP: AUTO 50

This course concerns the techniques of repairing, replacing, and refinishing the many types of plastic and fiberglass parts now being used in auto body construction. Many plastics can be heated, reshaped, repaired and refinished using a variety of different methods. CSU

OFFERED ON OCCASION

Motorcycle Technology

Credit, Degree Applicable Courses:

MOTO 61. Custom Metal Fabrication (3)

Lec-35, Lab-70 P/NP available

RECOMMENDED PREP: AUTO 205

Intermediate course to develop the skills necessary to cut, shape, weld, and fabricate various types of metal products from raw materials.

Usage of MIG (Metal Inert Gas), TIG (Tungsten Inert Gas), gas welding, English Wheel, Power Hammer, and various other metal shaping equipment and techniques will be presented. CSU

OFFERED ON OCCASION

MOTO 63. Auto-Moto Custom Painting (4)

Lec-52.5, Lab-52.5, field trips

RECOMMENDED PREP: AUTO 203

This creative spray painting and custom graphics course introduces

students to a process of transforming imagination into a unique vehicle appearance. This course is part of the motorcycle certificate series and a more advanced auto body painting and refinishing course. CSU

MOTO 90. Introduction to Motorcycle Technology (4)

Lec-52.5, Lab-52.5 P/NP available

This course provides entry to the motorcycle technician series.

Overview of the history and culture of motorcycles, industry vocabulary and language, safety, tools, theory of operation, and the basic use of hand tools in shop-related projects and electronic diagnostic equipment. “Soft” skills of customer relations and “hard” skills of hands-on technical training. CSU

MOTO 91. Motorcycle General Service (4)

Lec-52.5, Lab-52.5 P/NP available

PREREQ: MOTO 90

This course covers the principles, theory of operation, design and functions of motorcycle, fuel, lubrication, frame, suspension, brakes and cooling systems including skills necessary for inspection, disassembly, cleaning, measuring and rebuilding the components and perform preventive maintenance, troubleshooting discrepancies, repairing system components and selecting after market parts. CSU

OFFERED SPRING SEMESTERS

MOTO 92. Tune-up, Electrical and Performance (4)

Lec-52.5, Lab-52.5 P/NP available

PREREQ: MOTO 90

This course builds on the basic maintenance learned in Moto 90, adding motorcycle tune-up, troubleshooting, and performance tuning; electrical principles and components; and generation, regulation, distribution, control, switching and testing of electrical systems. Learn many aspects of scheduled maintenance, troubleshooting, and repair problems associated with electronic ignition, fuel management, and on-board computer systems. CSU

OFFERED SPRING SEMESTERS

MOTO 93. Engine & Power Train Repair (4)

Lec-52.5, Lab-52.5 P/NP available

PREREQ: MOTO 90

This course trains students in the theory of operation, troubleshooting, major overhaul, and general repairs of motorcycle engines and power trains. CSU

OFFERED FALL SEMESTERS

MOTO 500. Bicycle Maintenance (3)

Lec-35, Lab-70, field trips

Course in basics of bicycle and electric bicycle repair and maintenance. Students will learn how to perform maintenance such as repairing flat tires, adjusting derailleurs, chain maintenance, Basic electric system troubleshooting and safety inspection. Rebuilding of wheel, steerer, and bottom brackets bearings will be covered. Frame modifications, wheel-building/truing, and various electric bike services will also be covered. Emphasis on “hands on” implementation and practice. CSU

Construction

Credit, Degree Applicable Courses:

CNST 69. Construction Safety (1)

Lec-17.5 P/NP available

A study of Occupational Safety and Health Administration requirements for the construction industry, leading to an ability to identify safety hazards and prevent accidents. Students who successfully

complete the course with a “B” or better have the option to apply to the state for an OSHA 10 hour Construction Safety Certificate. CSU
UPON SUCCESSFUL COMPLETION OF THIS COURSE, “C” OR BETTER, STUDENTS WILL ALSO HAVE THE OPTIONS TO OBTAIN AN OSHA 10 CARD FOR A SMALL FILING FEE.

CNST 77. OSHA 30 (2.5)

Lec-45

CAL-OSHA 30 training: Industry Standards for regulations covered by the Occupational Safety and Health Administration (OSHA) Standards for the Construction Industry. CSU

UPON SUCCESSFUL COMPLETION OF THIS COURSE, “C” OR BETTER, STUDENTS WILL ALSO HAVE THE OPTION TO OBTAIN AN OSHA 30 CARD FOR A SMALL FILING FEE.

CNST 88. Practical Mathematics for Trades (3)

Lec-52.5, field trips P/NP available

Applied competency-based course designed to prepare students entering the construction, automotive, or custodial trades. Practical applications to trades math will prepare students for trades tests, success in content classes, and work in the field. CSU

FORMERLY PRACTICAL MATHEMATICS FOR CONSTRUCTION TRADES

CNST 100. Introduction to Construction Applications (3)

Lec-35, Lab-70, field trips P/NP available

RECOMMENDED PREP: CNST 69 OR POSSESSION OF OSHA 10 CERTIFICATE

Overview of trades, design and management occupations connected to building projects. Introduction to use of project documents, plans and specifications. Introduces relevant green technologies in the construction field. Practice in using measuring, hand, and power tools. Hands-on use of tools and materials to complete group projects. CSU

CNST 103. Residential Plumbing (3)

Lec-35, Lab-70, field trips P/NP available

RECOMMENDED PREP: CNST 100 OR CNST 69

An introductory course in the methods and materials necessary to install a residential plumbing system. This course offers hands-on practice in the installation of supply, Drain/Waste/Vent (DWV), and gas systems. CSU

CNST 107. Blueprint Reading (3)

Lec-35, Lab-70, field trips P/NP available

RECOMMENDED PREP: CNST 100; ET 108A

This course teaches the skills for reading a variety of construction plans, details, schedules and specifications. The course is a beginning course, yet also enhances skills of those who have existing knowledge of construction drawings. CSU

CNST 107A. Practical Blueprint Reading (1)

Lec-9, Lab-26 P/NP available

This course teaches the basic skills of reading blueprints and specifications. CSU

OFFERED SPRING SEMESTERS

CNST 108. Contractor License Preparation (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: CNST 100 AND CNST 107; OR DEMONSTRATED UNDERSTANDING OF CONSTRUCTION PRINCIPALS OR EXPERIENCE IN THE CONSTRUCTION INDUSTRY, AND THE ABILITY TO INTERPRET PLANS AND SPECIFICATIONS

Principles for managing a construction business, California Contractor Licensing Law, worker’s compensation, construction bonds, labor code,

employee relations, safety, construction contracts, fiscal responsibility, scheduling, construction documents, plans, specifications, and the estimating process. CSU

OFFERED ON OCCASION

CNST 109. Residential Wiring (4)

Lec-52.5, Lab-52.5 P/NP available

COREQ: CNST 100

RECOMMENDED PREP: CNST 136

Introduction to basics of residential wiring practices which includes identifying required circuits, load calculations for a circuit and for a service, and the principles of grounding and bonding. The hands-on portion of the course includes best practices for the installation of energy efficiency devices and equipment, as well as the wiring and testing of such gear as heat pumps, occupancy sensors, mini splits and instantaneous water heaters. CSU

CNST 111. Carpentry - Rough Framing (3)

Lec-35, Lab-70 P/NP available

RECOMMENDED PREP: CNST 69 OR CNST 100

An introductory course in the methods and materials necessary to build a wood framed building. This course offers hands-on practice in the framing of simple floors, walls, ceilings, roofs, and stairways. CSU

CNST 112. Carpentry-Advanced Framing (3)

Lec-35, Lab-70 P/NP available

PREREQ: CNST III

RECOMMENDED PREP: CNST 69 AND CNST 100

An advanced course in the methods, materials and seismic requirements necessary to build a wood framed building. This course offers hands-on practice in the framing of more complicated floors, walls, ceilings, roofs, stairways and decks. CSU

OFFERED SPRING SEMESTERS

CNST 113. Finish Carpentry (3)

Lec-35, Lab-70 P/NP available

RECOMMENDED PREP: CNST 69 OR CNST 100 OR CNST 1069

A course in the methods, materials, and installation techniques necessary to install doors, paneling, countertops, cabinets, crown moulding, baseboard, chair rail, picture rails and similar trim. This course offers hands-on practice in the fine craftsmanship required for finish work. CSU

OFFERED FALL SEMESTERS

CNST 114. Custom Cabinetmaking (3)

Lec-35, Lab-70 P/NP available

RECOMMENDED PREP: CNST 100; CNST 1069

Introductory course in the basics of custom cabinetmaking and installation from simple “standalone” cabinets to complete wall-to-wall bookcases and kitchens, as well as stand-alone furniture-grade casework. Approaches and techniques of designing, constructing and installing custom casework including: Face-frame, European, and Die-wall construction; drawer making, associated material and hardware use. CSU

CNST 116. Furniture Making & Woodworking (3)

Lec-35, Lab-70 P/NP available

RECOMMENDED PREP: CNST 69

Designed to prepare students for entry-level work or to upgrade their existing skills in woodworking. Course has a hands-on focus that covers safety procedures, furniture design, hand and machine tools, materials identification and applications, fabrication processes, and project planning. CSU

CNST 118A. Advanced Project Furniture Making I (3)

Lec-35, Lab-70 P/NP available

PREREQ: CNST 116

Individualized project-based course designed for advanced-level students in furniture making, incorporating the furtherance of those skills (safety, project planning, design, hand and machine tools, material knowledge) acquired in the basic CNST 116 course. CSU

CNST 118B. Advanced Project Furniture Making II (3)

Lec-35, Lab-70 P/NP available

PREREQ: CNST 118A

Individualized project-based course designed as a continuation to CNST 118A for advanced-level students in furniture making, incorporating the furtherance of those skills (safety, project planning, design, hand and machine tools, materials knowledge) acquired in CNST 116 and CNST 118A. CSU

CNST 125. Drywall Hanging and Finishing (1.5)

Lec-17.5, Lab-35 P/NP available

RECOMMENDED PREP: CNST 100 AND CNST 69

Introductory course in the techniques and applications of hanging, taping and applying smooth and textured finishes. CSU

CNST 132. Fundamentals of Refrigeration for Industrial Maintenance (4)

Lec-52.5, Lab-52.5 P/NP available

Basic principles and operation of industrial refrigeration systems; refrigeration cycle, Environmental Protection Agency (EPA) laws and regulations for safe refrigerant handling. CSU

CNST 133. Sales and Marketing Photovoltaics (1.5)

Lec-24, Lab-12

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: CNST 121
Best practices for marketing strategies based on California and federal incentives and to represent a photovoltaic system's performance to a client. CSU

CNST 134. Electrical-Mechanical Fundamentals (4)

Lec-52.5, Lab-52 P/NP available

Fundamentals of electricity and magnetism as they apply to the training of refrigeration technicians. Hands on work with transformers, solenoids, relays, motor starters, and single and three phase hermetic motors and motor control circuits. CSU

CNST 136. Electrical Circuits (4)

Lec-52.5, Lab-52.5 P/NP available

Introduction to basic electrical terms and principles. Includes the design, construction and testing of basic alternating currents (AC) and direct currents (DC) in series, parallel and combination circuits. CSU

Noncredit Courses:**CNST 1000. Introduction to Construction (145 hrs)**

Overview of trades, design and management, occupations connected to building projects. Introduction to use of project documents, plans and specifications, as well as relevant green technologies in the construction field. Practice with measuring and using hand and power tools.

CNST 1069. Construction Safety (17.5 hrs)

A study of Occupational Safety and Health Administration requirements for the construction industry, leading to an ability to identify safety hazards and prevent accidents. It covers safety issues as they apply to general construction. Also, the subject matter is tailored to specific occupations/trades and to safety issues in our construction

courses. Students who successfully complete the course with a "B" or better have the option to apply to the state for a lifetime OSHA 10 hour Construction Safety Certificate.

CNST 8800. Applied Trades Math (52.5 hrs)

Applied competency-based course designed to prepare students entering the construction, automotive, or custodial trades. Practical applications to trades math will prepare students for trades tests, success in content classes, and work in the field.

Custodial**Noncredit Courses:****TICU 5000. Custodial Supervisor Training Course (108 hrs)**

PREREQ: TICU 9540 OR AT LEAST TWO YEARS OF CUSTODIAL EXPERIENCE

This CCSF Custodial Supervisor Training Course covers aspects of managing two or more employees. Geared toward students who have been a custodian/janitor for two years or more and who want to get to the next level in their career.

NEXT CLASS TO TAKE AFTER TICU 9550 AND TICU 9551.

TICU 9540. Custodial Training (108 hrs)

Preparation for entry level employment as a custodian. Training in safety, use of tools, equipment, chemicals, materials and supplies, and the proper application of dusting, sweeping, mopping, use of ladders, scaffolds, various floor machines and specialized equipment.

TICU 9551. Custodial Training for Healthcare Workers (105 hrs)

RECOMMENDED PREP: TICU 9550; ESLV 3816

Safety practices, procedures, tools, equipment and supplies required by a healthcare custodian (healthcare porter). Hands-on training in the methods and materials as they relate specifically to a healthcare environment and in topics covered on the civil service exam required for employment in San Francisco's medical centers. Preparation for custodial work in any medical office or nursing home.

Biological Sciences

Office: Science 304

Phone Number: (415) 239-3645

(For courses and programs in Biotechnology, see Engineering and Technology.)

Biology Major (AS-T)

Biology is the scientific study of life through the observation of structure, function, reproduction, growth, origin, evolution, and behavior of living organisms and their relation to each other and their environment. Biologists have deepened our understanding of processes and interactions on all levels of biological organization from elucidating cellular processes to fight cancer to also assessing interactions in communities that might help prevent the extinction of species. Studying biology provides a background for students to evaluate and understand new discoveries and to make informed decisions about the use of scientific knowledge to benefit all living organisms. The Associate of Science in Biology for Transfer (AS-T) prepares students for upper-division biology courses, including general biology, cell or molecular biology, organism biology, marine biology, botany, zoology, ecology, evolution, genetics, anatomy, physiology, microbiology, and agricultural

sciences. The AS-T in Biology is designed to prepare students for transfer to a baccalaureate degree program in biology, particularly at the California State University system.

Learning Outcomes

Upon completion of this program, students will be able to:

- Interrelate the scientific method, scientific research and established scientific knowledge.
- Communicate scientific hypotheses, theories, and findings.
- Summarize major scientific and mathematical concepts necessary for a foundation in biological sciences.
- Apply laboratory skills fundamental to biological investigations.
- Analyze and interpret scientific data relevant to a foundation in biological sciences.

Degree Requirements. Students who wish to earn the Associate in Science in Biology for Transfer must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for completion of either IGETC for STEM or CSU GE for STEM and the units for the major as specified below. Each course in the major must be completed with a grade of “C” (or “P”) or better. The IGETC for STEM and CSU GE for STEM options permit students completing the AS-T in Biology to follow the IGETC or CSU GE curriculum but delay one Arts or Humanities course and one Social or Behavioral Science course until after transfer. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AS-T in Biology

Course Units

Required core courses:

BIO 100A General Biology 5.0
BIO 100B General Biology 5.0

Chemistry Requirements:

CHEM 101A General College Chemistry 6.0
CHEM 101B General College Chemistry 5.0

Choose one of the following Calculus courses:

MATH 110A Calculus I 5.0
MATH 100A Short Calculus I 3.0

Complete one of the following Physics series:

OPTION 1:

PHYC 2A Introductory Physics I 3.0
PHYC 2AL Introductory Physics Laboratory 1.0
PHYC 2B Introductory Physics II 3.0
PHYC 2BL Introductory Physics Laboratory 1.0

OPTION 2:

PHYC 4A Classical Mechanics for Scientists and Engineers 3.0
PHYC 4AL Mechanics Laboratory for Scientists and Engineers 1.0
PHYC 4B Electromagnetism for Scientists and Engineers 3.0
PHYC 4BL Electromagnetism Laboratory for Scientists and Engineers 1.0

Recommended optional elective courses (not required)

CHEM 208A Chemical Structure and Reactivity I 4.0
CHEM 208B Chemical Structure/Reactivity II 4.0

BIO 10 Animal Biology	4.0
BIO 12 Plant Biology	4.0
BIO 19 Ecology	4.0
BIO 20 Introduction to Ecology	3.0
BIO 32 Marine Biology	3.0
and BIO 32L Marine Biology Laboratory	1.0
BIO 108 General Human Anatomy	4.0
BIO 111 Human Physiology	5.0
BIO 112 Introduction to Human Physiology	4.0
BIO 120 Introduction to Microbiology	4.0
BIO 132 Introduction to Nutrition	3.0
BIO 134 Introduction to Nutrition for Health Sciences	3.0
Total:	32.0 – 34.0

Biological Sciences Major (AS)

CCSF’s Biological Sciences major offers basic courses in chemistry and biology to serve students with diverse goals, including transfer to biology programs at U.C., C.S.U. or other four-year institutions. Biological Sciences majors will be able to take most or all of their lower division courses at CCSF before they transfer but should see a counselor to confirm their program of study. Additional courses might be required to transfer to particular institutions. The Biological Sciences major is suitable for students planning to transfer into programs in the biological sciences, including general biology, cell or molecular biology, organism biology, marine biology, botany, zoology, ecology, evolution, genetics, anatomy, physiology, microbiology, and agricultural sciences. The major is also designed for students planning to transfer into a pre-medical, pre-veterinary, pre-dental, pharmacy, or chiropractic degree program.

Through the core units of the Biological Sciences major, students will gain the scientific knowledge necessary to investigate problems and ideas presented in upper division biology courses and to evaluate scientific information critically. The laboratory work will train students to use current laboratory technologies, equipment, and techniques to engage in the research process.

Learning Outcomes

Upon completion of this program, students will be able to:

- Interrelate the scientific method, scientific research and established scientific knowledge.
- Communicate scientific hypothesis, theories, and findings.
- Summarize major biological concepts.
- Apply laboratory skills fundamental to biological investigation.
- Analyze and interpret biological scientific data.

The minimum time for completion is 4 semesters; completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Biological Sciences

Course Units

Required

BIO 100A General Biology 5.0
BIO 100B General Biology 5.0
CHEM 101A General College Chemistry 6.0
CHEM 101B General College Chemistry 5.0
CHEM 208A Chemical Structure and Reactivity I 4.0
PHYC 2A Introductory Physics I 3.0
PHYC 2AL Introductory Physics Laboratory 1.0
PHYC 2B Introductory Physics II 3.0

PHYC 2BL Introductory Physics Laboratory 1.0

Choose one of the following calculus courses:

MATH 110A Calculus I 5.0

MATH 100A Short Calculus I 3.0

Choose two of the following biology electives:

BIO 10 Animal Biology 4.0

BIO 12 Plant Biology 4.0

BIO 120 Introduction to Microbiology 4.0

BIO 132 Introduction to Nutrition 3.0

BIO 19 Ecology 4.0

BIO 51 Introduction to Genetics 3.0

Total: 42.0 – 46.0

Biological Sciences (Emphasis Health Science) Major (AS)

CCSF's Biological Sciences (Emphasis Health Science) major offers courses in chemistry, anatomy, physiology, and microbiology to serve students with diverse goals in health sciences, including preparation for Registered Nursing (RN), Bachelors of Science in Nursing (BSN) and Masters of Science in Nursing (MSN) degrees. Note that those transferring to MSN programs already possess BS or BA degrees and are completing prerequisites required for admission. Biological Sciences (Emphasis Health Science) majors will be able to take most or all of their lower division courses at CCSF before they transfer but should see a counselor to confirm their program of study. Additional courses might be required to transfer to particular institutions.

A major in Biological Sciences (Emphasis Health Science) prepares students for further study, certification, and employment in a variety of health science careers such as nursing, radiologic technology, respiratory therapy, occupational therapy, and physical therapy. In addition to these diagnostic and therapeutic fields, students will also be prepared to pursue further education and training in a variety of non-clinical support services, public health, and health administration careers. This program provides most, if not all, of the prerequisite courses needed for entry in RN and BSN programs and most, if not all, of the lower division courses needed for transfer to a four-year college or university.

Through the core units of the Biological Sciences (Emphasis Health Science) major, students will gain the scientific background necessary to complete courses in a variety of healthcare related professional programs and upper division nursing courses. The laboratory work will provide students with fundamental laboratory skills and the ability to critically evaluate and use scientific information.

Learning Outcomes

Upon completion of this program, students will be able to:

- Articulate the relationship between structure and function in the human body.
- Describe how disease states modify normal homeostatic functions.
- Evaluate social and environmental impacts on human health.
- Apply basic laboratory skills and analytical methods to scientific study.
- Critique health-care related scientific information based on the strength and quality of the supporting evidence.

The minimum time for completion is 4 semesters; completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Biological Sciences (Emphasis Health Science)

Course	Units
Required	
CHEM 32 Introduction to Medical Chemistry	4.0
or CHEM 101A General College Chemistry	6.0
MATH 80 Probability and Statistics	5.0
BIO 108 General Human Anatomy	4.0
BIO 112 Introduction to Human Physiology	4.0
BIO 120 Introduction to Microbiology	4.0
CMST 1A Elements of Public Speaking	3.0
or CMST 20 Interpersonal Communication	3.0
PSYC 1 General Psychology	3.0
or PSYC 21 Lifespan Development	3.0
Total:	27.0 – 29.0

Environmental Science Major (AS)

CCSF's Environmental Science major provides students with a strong foundation in the natural sciences in preparation for transfer to a bachelor's degree program in environmental science and related fields. The major integrates coursework, lab work, field studies, and projects in the life sciences and physical sciences with electives from the social sciences to increase the breadth of disciplines that underlie the environmental sciences.

Through the required units for the Environmental Science major, students will gain an understanding of core scientific concepts and their importance in understanding human impacts on the environment. Students will also be able to critically evaluate the scientific evidence and sociopolitical aspects of environmental and natural resource problems, their causes, and proposed solutions.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply concepts, models, and quantitative techniques from mathematics, life sciences, and physical sciences to solve complex problems related to the natural world.
- Evaluate quantitative and qualitative evidence regarding the causes and consequences of human impacts on the environment and their implications for ecosystem services and societal welfare.
- Collect, analyze, and interpret environmentally relevant data in laboratory or field settings.
- Apply scientific, economic, and sociopolitical concepts and models to both critically evaluate and propose sustainable solutions to environmental degradation and resource depletion.

See major requirements at the intended transfer institution to choose the appropriate course(s) when options are given.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Environmental Science

Course	Units
Required	
ENVS 31 Introduction to Environmental Science	3.0
ENVS 31L Environmental Science Laboratory	1.0

132 Biological Sciences

CHEM 101A General College Chemistry	6.0
BIO 100A General Biology	5.0

Choose one of the following Earth Science combinations

GEOL 10 Physical Geology	3.0
and GEOL 10L Physical Geology Lab	2.0
or GEOL 30 Environmental Geology	3.0
and GEOL 30L Environmental Geology Lab	1.0
or GEOG 1 Physical Geography	3.0
and GEOG 1L Physical Geography Laboratory	1.0

Choose one of the following Math courses

MATH 100A Short Calculus I	3.0
MATH 110A Calculus I	5.0

Choose one of the following Physics combinations

Note that the Physics 4 series is often required for those majors with a physical science focus.

PHYC 4A Classical Mechanics for Scientists and Engineers	3.0
and PHYC 4AL Mechanics Laboratory for Scientists and Engineers	1.0
or PHYC 2A Introductory Physics I	3.0
and PHYC 2AL Introductory Physics Laboratory	1.0

Choose one of the following second semester core courses

A second semester in ALL of these courses is HIGHLY recommended

BIO 100B General Biology	5.0
CHEM 101B General College Chemistry	5.0
PHYC 4B Electromagnetism for Scientists and Engineers	3.0
and PHYC 4BL Electromagnetism Laboratory for Scientists and Engineers	1.0
PHYC 2B Introductory Physics II	3.0
and PHYC 2BL Introductory Physics Laboratory	1.0
MATH 100B Short Calculus II	3.0
MATH 110B Calculus II	5.0

Choose 6 units from the following courses

BIO 19 Ecology	4.0
BIO 20 Introduction to Ecology	3.0
BIO 33 Introduction to Conservation Biology	3.0
CHEM 208A Chemical Structure and Reactivity I	4.0
CHEM 212A Organic Chemistry	6.0
ECON 1 Principles of Macroeconomics	3.0
ECON 3 Principles of Microeconomics	3.0
ECON 22 Introduction to Environmental Economics	3.0
ENRG 3 Introduction to Alternative Energy	3.0

Total:35.0 – 40.0

Foundations in Biological Sciences Certificate

CCSF's Foundations in Biological Sciences Certificate offers key biology and support courses to serve students with the intention to major in Biology. All of the courses in the certificate are part of CCSF's AS and AS-T degrees in biology or transfer to biology programs at U.C.,

C.S.U. or other four-year institutions. Generally students will require a year of chemistry and physics to earn a degree in these areas, and students should refer to the transfer institutions requirements when selecting courses. Additional courses might be required to transfer to particular institutions. The Foundations in Biological Sciences Certificate is suitable for students planning to transfer into programs in the biological sciences, including general biology, cell or molecular biology, organism biology, marine biology, botany, zoology, ecology, evolution, genetics, anatomy, physiology, or microbiology. The certificate is also designed for students planning to transfer into a premedical, preveterinary, pre-dental, pharmacy, or chiropractic degree program.

Through the core units of the Foundations in Biological Sciences Certificate, students will gain the scientific knowledge necessary to investigate problems and ideas presented in upper division biology courses and to evaluate scientific information critically. The laboratory work will train students to use current laboratory technologies, equipment, and techniques to engage in the research process.

Learning Outcomes

Upon completion of this program, students will be able to:

- Describe biological concepts relevant to diverse biological disciplines.
- Apply laboratory skills fundamental to biological investigation.
- Analyze and interpret biological scientific data.
- Communicate scientific hypothesis, theories, and findings.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Foundations in Biological Sciences

Course	Units Required
--------	----------------

CHEM 101A General College Chemistry	6.0
BIO 100A General Biology	5.0
BIO 100B General Biology	5.0

Choose one of the following physics options

OPTION ONE:

PHYC 2A Introductory Physics I	3.0
PHYC 2AL Introductory Physics Laboratory	1.0

OPTION TWO:

PHYC 4A Classical Mechanics for Scientists and Engineers	3.0
PHYC 4AL Mechanics Laboratory for Scientists and Engineers	1.0

Choose one of the following calculus courses

MATH 100A Short Calculus I	3.0
MATH 110A Calculus I	5.0

Total:23.0 – 25.0

Science Core for Nursing Certificate

Registered nurses (RNs) provide and coordinate patient care, educate patients and the public about various health conditions, and provide advice and emotional support to patients and their family members. Registered Nurses usually take one of three education paths: a Bachelor of Science degree in nursing (BSN), an associates degree in nursing (ADN) or a diploma from an approved nursing program. All of these types of programs require students to take a series of prerequisites prior to entry. Depending on the program various paths that may

include courses in speech, communication, statistics, English and psychology may be required. However, all programs require the successful completion of a core set of science courses including courses in Anatomy, Physiology and Microbiology. This program is designed to ensure the successful completion of these key courses as well as providing a fundamental background for successful completion of the scientific portion of the ATI Test of Essential Academic Skill (TEAS).

Learning Outcomes

Upon completion of this program, students will be able to:

- Articulate the structure function relationships within the human body.
- Differentiate between commonly encountered infectious and non-infectious disease states in humans.
- Evaluate the impacts of society and the environment on human health outcomes.
- Apply basic laboratory skills and analytical methods to test a scientific hypothesis.
- Critique health-care related scientific information based on the strength and quality of the supporting evidence

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Science Core for Nursing

Course	Units
Required	
CHEM 32 Introduction to Medical Chemistry	4.0
or CHEM 101A General College Chemistry	6.0
BIO 108 General Human Anatomy	4.0
BIO 112 Introduction to Human Physiology	4.0
BIO 120 Introduction to Microbiology	4.0
Total:	16.0 – 18.0

Announcement of Courses

Credit, Degree Applicable Courses:

Biology

BIO 9. Human Biology (4)

Lec-52.5, Lab-52.5, field trips
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188
 An introduction to scientific and biological principles through the study of humans as exemplary organisms. Lectures and laboratory exercises will explore current scientific issues, develop critical thinking skills, and examine the structure and function of the human body in relation to health and disease. UC/CSU

BIO 10. Animal Biology (4)

Lec-52.5, Lab-52.5, field trips P/NP available
 RECOMMENDED PREP: (ESL 186 OR PLACEMENT IN ESL 188) OR READINESS FOR COLLEGE-LEVEL ENGLISH
 An introduction to the biology, evolution, and ecology of animals. Topics include chemistry, cell biology, anatomy, physiology, behavior, evolution, classification, genetics, and the diversity of invertebrate and vertebrate organisms. UC/CSU
 FORMERLY ZOOLOGY 10 BIOLOGY 10 IS DESIGNED FOR STUDENTS NOT SPECIALIZING IN BIOLOGY, ZOOLOGY, BOTANY, OR THE MEDICAL SCIENCES

AND IS NOT RECOMMENDED FOR STUDENTS WHO HAVE TAKEN BIO 100A, 100B, 11, OR PHYS 1.
 OFFERED FALL SEMESTERS

BIO 11. Science of Living Organisms (4)

Lec-52.5, Lab-52.5 P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188
 The major concepts of the biological sciences including biochemistry, cells, evolution, genetics, bioenergetics, microbiology, botany, mycology, zoology, ecology, and biotechnology UC/CSU
 NOT RECOMMENDED FOR STUDENTS WHO HAVE TAKEN BIO 100A OR 100B.
 OFFERED FALL AND SPRING SEMESTERS

BIO 12. Plant Biology (4)

Lec-52.5, Lab-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188
 Introduction to structure, function, evolution, classification and ecology of plants. Topics include life history plants, levels of organization, metabolism, form and function, and a survey of major taxa (including fungi and photosynthetic protists). Laboratory exercises are coordinated with lecture topics and may include field exercises. UC/CSU
 FORMERLY BOT 10
 OFFERED SPRING SEMESTERS

BIO 14. Plant Ecology (4)

Lec-52.5, Lab-52.5, field trips P/NP available
 Plant ecology is the study of interrelationships between plants and their environment and informs us about processes behind patterns observed in nature. Within plant ecology we will synthesize information across levels of ecological organization and address plant physiological ecology, population biology, community and ecosystem ecology and biogeography. UC/CSU

BIO 15. Biology of HIV (3)

Lec-52.5, field trips P/NP available
 This course presents the biological basis for HIV/ AIDS origins and emergence; epidemiology; virus structure and replication; interaction of HIV with the immune system and disease; HIV testing; current prevention, treatment, and cure strategies. UC/CSU

BIO 19. Ecology (4)

Lec-52.5, Lab-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188
 Fundamental concepts of ecology, field observations and experiments applying the scientific method; chemical and energy cycles; effect of physical and biological environment on community structure; diversity and distribution; population dynamics and interspecific reactions; biodiversity of the genetic, species, and ecosystems level and relevant social ecological problems. UC/CSU
 FORMERLY ECOLOGY 20, BIOLOGY 19 MAY INCLUDE SEVERAL REQUIRED SATURDAY FIELD TRIPS IN EXCHANGE FOR CLASS TIME.
 OFFERED EVERY SEMESTER

BIO 20. Introduction to Ecology (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188
 This introductory ecology course will study the relationships between organisms and their environment. We will examine species

adaptations, population, community and ecosystem ecology, and survey the world's biomes. We will also evaluate humanities impacts on the living world and explore sustainable solutions. UC/CSU

FORMERLY ECOL 10. CLASS WILL HAVE FIELD TRIPS WHICH MAY INCLUDE A SATURDAY FIELD TRIP. THE COURSE IS NOT OPEN TO STUDENTS CONCURRENTLY ENROLLED IN ECOL 10 OR TO THOSE WHO HAVE TAKEN ECOL 10 IN THE PAST.

OFFERED EVERY SEMESTER

BIO 21A. Ecology of San Francisco Bay (1)

Lec-17.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An investigation of the ecological significance of San Francisco Bay and historical and current abiotic and biotic factors shaping it. Identification of habitats and the adaptations of their key microbial, plant, and animal components. CSU

FORMERLY ECOL 80A. THIS COURSE IS OFFERED AS A WEEKEND COURSE WITH A PRIOR MANDATORY EVENING ORIENTATION ON CAMPUS.

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

BIO 21B. Ecology of the City of San Francisco (1)

Lec-17.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An examination of abiotic and biotic factors shaping nature in San Francisco. An analysis of plant, animal, and human interactions within diverse habitat types over time. CSU

FORMERLY BIO 81A. THIS IS A COURSE TAUGHT ON TWO WEEKEND DAYS WITH A MANDATORY EVENING ORIENTATION.

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

BIO 21C. Ecology of Golden Gate National Recreation Area (1)

Lec-17.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An investigation of the ecological significance of Golden Gate National Recreation Area (GGNRA) and the role of historical and current biotic and abiotic factors in shaping it. Observe and describe the diverse habitats and their associated fauna and flora. Highlight management issues that affect the conservation and restoration of these biological and cultural resources. CSU

FORMERLY BIO 28 AND ECOL 80C

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

BIO 21D. Ecology of Point Reyes National Seashore (1)

Lec-17.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An investigation of the ecological significance of the Point Reyes National Seashore (PRNS) and the role of historic and current biotic and abiotic factors that shape it. Observation of the diversity of habitats within PRNS and description of their associated fauna and flora. CSU

FORMERLY ECOL 80D

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

BIO 21E. Ecology of Coastal Mendocino County (1)

Lec-17.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An investigation of the ecological significance of coastal Mendocino County and historical and current abiotic and biotic factors shaping it. Identification of habitats and the adaptations of their key microbial,

plant and animal components. CSU

FORMERLY ECOL 80E. THIS IS A ONE WEEKEND FIELD COURSE WITH A MANDATORY ORIENTATION ON CAMPUS.

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

BIO 21F. Ecology of the San Francisco Bay Delta (1)

Lec-17.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An investigation of the ecological significance of the San Francisco Bay Delta and historical and current abiotic and biotic factors shaping it. Identification of habitats and the adaptations of their key microbial, plant and animal components. CSU

FORMERLY ECOL 80F. THIS COURSE IS TAUGHT ON TWO WEEKEND DAYS WITH ONE MANDATORY ON-CAMPUS ORIENTATION.

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

BIO 21J. Agroecology (1)

Lec-18, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An examination of ecological issues surrounding agriculture. Analysis of ecosystem services (benefits) provided by sustainable agriculture.

Evaluation of different farming methods practiced on local urban farm and how this may relate to personal food choices. CSU

FORMERLY BIO 80C. TOPICS IN BIOLOGY-AGROECOLOGY

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

BIO 21M. Coastal Ecosystem Field Studies (2)

Lec-35, field trips P/NP available

RECOMMENDED PREP: (READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188) AND (PROFICIENCY IN SWIMMING AND WADING TO ACCESS STUDY SITES)

An investigation into coastal patterns and processes that shape marine ecosystems with emphasis on biodiversity. Students will apply ecological concepts during field studies of natural history, adaptations and community dynamics. Course field sites will vary among years from domestic to international locations. UC/CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

BIO 26. Habitat Restoration Field Studies (1)

Lec-18, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introductory course analyzing the principles of habitat restoration and habitat restoration techniques. This class will be conducted as a field experience class. The concepts will be developed at specific restoration sites in the San Francisco Bay Area. Students will participate in a restoration activity under the direction of a field ecologist. CSU

BIO 32. Marine Biology (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The natural history of California marine biota with emphasis on the interrelationships between marine life and their environment. UC/CSU

OFFERED SPRING SEMESTERS

BIO 32L. Marine Biology Laboratory (1)

Lab-52.5, field trips P/NP available

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: BIO 32
A laboratory course, utilizing a laboratory/field trip format, designed to reinforce and augment the student's understanding of basic prin

ciples of marine biology as taught in BIO 32. UC/CSU

OFFERED SPRING SEMESTERS

BIO 33. Introduction to Conservation Biology (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introduction to the discipline of conservation biology focusing on biodiversity, the threats to biodiversity from human activities and the practical aspects of conserving species, habitats and ecosystem function. UC/CSU

OFFERED FALL SEMESTERS

BIO 40. Plants and Animals of California (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Analysis of California's natural geographic, biological, and climatic regions. Examine the basic concepts of ecology and evolution as they relate to the adaptations and distributions of California's plants and animals. Assessment of impacts of modern human society on the California biodiversity hotspot and evaluation of mitigating strategies. UC/CSU

BIO 51. Introduction to Genetics (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: ((ESL 186 OR PLACEMENT IN ESL 188) OR READINESS FOR COLLEGE-LEVEL ENGLISH)) AND (BIO 9 OR BIO 11 OR HIGH SCHOOL BIOLOGY COURSE)

A general survey of the basic principles of genetics and organic evolution with a historical perspective. Classical genetics, molecular genetics, population genetics and evolution, current genetic research and technologies. UC/CSU

FORMERLY GEN 10

OFFERED SPRING SEMESTERS

BIO 51L. Genetics Laboratory (1)

Lab-52.5 P/NP available

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: BIO 51 BIO 53

Hands-on investigative laboratory experiments encompassing cellular genetics, classical plant and animal genetics, microbial genetics, molecular genetics, biotechnology, forensics, and natural selection. UC/CSU

FORMERLY GEN 11

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

BIO 53. Human Genetics (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: ((ESL 186 OR PLACEMENT IN ESL 188) OR READINESS FOR COLLEGE-LEVEL ENGLISH)) AND (BIO 9 OR BIO 11 OR HIGH SCHOOL BIOLOGY COURSE)

Basic principles of human genetics. Genetics in development, health and behavior. Family and population genetics. Effects of mutation, assortative mating, and reproductive rates upon gene distribution. Potential advances in human genetic engineering, and the role of genetic counseling. UC/CSU

FORMERLY GEN 15

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

BIO 61. The Biology of Cancer (3)

Lec-52.5

RECOMMENDED PREP: (ESL 186 OR PLACEMENT IN ESL 188) OR READINESS FOR COLLEGE-LEVEL ENGLISH

This course discusses the history of cancer and its molecular and cel

lular underpinnings. It examines possible causes and progression of cancer, prevention, screening tests, symptoms, diagnosis, and treatment. UC/CSU

OFFERED SPRING SEMESTERS ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

BIO 92. Work Experience in Biology, Ecology, and Environmental Studies and Science (1-8)

Work-60-600, field trips P/NP available

PREREQ: APPROVAL OF BIOLOGY DEPARTMENT

REPEAT: REPEATED UP TO 16.00 UNITS

College work experience on-campus or with an approved community partner in the fields of biology, ecology, or environmental studies and science under the supervision of an instructor. One unit of credit is earned for 60 hours of unpaid or 75 hours of paid work. CSU

BIO 100A. General Biology (5)

Lec-52.5, Lab-105

PREREQ: CHEM 101A

RECOMMENDED PREP: (BIO 11 OR 1 YR. HS BIOLOGY) AND (READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188)

A general introduction to cell structure and function, cell biochemistry, cell cycle, principles of molecular and organismal genetics, genetic engineering, and animal form and function. Intended for students majoring in the biological sciences, but open to all qualified students. UC/CSU

C-ID BIOL 135S (BIO 100A + BIO 100B)

OFFERED FALL AND SPRING SEMESTERS

BIO 100B. General Biology (5)

Lec-52.5, Lab-105, field trips

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A general introduction to evolution, the diversity of life, plant form and function, and ecology. Intended for students majoring in the biological sciences, but open to all qualified students. UC/CSU

C-ID BIOL 135S (BIO 100A + BIO 100B)

OFFERED FALL AND SPRING SEMESTERS

BIO 106. Introduction to Human Anatomy and Physiology (4)

Lec-52.5, Lab-52.5

RECOMMENDED PREP: (ESL 186 OR PLACEMENT IN ESL 188) OR READINESS FOR COLLEGE-LEVEL ENGLISH

An integrated course covering the fundamental principles of human anatomy and physiology. UC/CSU

FORMERLY ANAT 14

OFFERED FALL AND SPRING SEMESTERS

BIO 108. General Human Anatomy (4)

Lec-52.5, Lab-52.5

P/NP available

RECOMMENDED PREP: (ESL 186 OR PLACEMENT IN ESL 188) OR READINESS FOR COLLEGE-LEVEL ENGLISH

Study of the gross and microscopic structure of the human body. UC/CSU

C-ID BIOL 110 B

FORMERLY ANAT 25

OFFERED FALL AND SPRING SEMESTERS

BIO 111. Human Physiology (5)

Lec-52.5, Lab-105, field trips

PREREQ: CHEM 32 OR CHEM 101A

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A course in systems physiology with an emphasis on the quantitative

136 Biological Sciences

aspects of cellular and molecular mechanisms contributing to homeostasis of the human organism. This course is intended for students transferring to four-year institutions and for those entering graduate-level professional allied health programs. UC/CSU

C-ID BIOL 120 B

FORMERLY PHYS 1

BIO 112. Introduction to Human Physiology (4)

Lec-52.5, Lab-52.5

PREREQ: CHEM 32 OR CHEM 101A

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A course in general human physiology which stresses the analysis of normal function of the human body, including the physiology of cells, muscles, the nervous system, sensation, digestion, circulation, respiration, metabolism, excretion, endocrines, and reproduction. This course is intended for students entering allied health professions. UC/CSU

C-ID BIOL 120 B

FORMERLY PHYS 12

OFFERED FALL AND SPRING SEMESTERS

BIO 114. Exploring Neuroscience: An introduction to the Brain (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Designed to expose students to topical questions in neural science, this course will investigate cellular communication, simple reflexes, complex neural networks and complex behaviors such as consciousness, coordinated movement, emotions, motivation, and memory. Intended for all students interested in understanding the science behind the brain. UC/CSU

FORMERLY PHYS 67

OFFERED SPRING AND SUMMER SEMESTERS

BIO 118. Introduction to Entomology (4)

Lec-52.5, Lab-52.5

RECOMMENDED PREP: (BIO 100A OR BIO 100B OR BIO 11 OR BIO 9 OR A HIGH SCHOOL BIOLOGY COURSE) AND (ELEMENTARY ALGEBRA OR HIGHER) AND (READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188)

An introduction to the biology of arthropod organisms, including insects and arachnids. Topics include the biochemistry, cell biology, anatomy, physiology, behavior, evolution, classification, genetics, diversity, and distribution of arthropods and their effects on human populations and public health. UC/CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

BIO 118B. Introduction to Entomology (3)

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introduction to the biology of arthropod organisms, including insects and arachnids. Topics include the biochemistry, cell biology, anatomy, physiology, behavior, evolution, classification, genetics, diversity, and distribution of arthropods and their effects on human populations and public health. UC/CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

BIO 119. Emerging Diseases (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A general education course emphasizing the intersection of microbio-

logy, epidemiology, ecology and public health as they relate to selected infectious disease agents that threaten human and animal welfare around the globe. It analyzes the influence of biological, environmental and socio-political factors on the emergence of "new" diseases as well as the reemergence of ancient plagues. UC/CSU

FORMERLY MICROBIOLOGY 10 (M B 10)

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

BIO 120. Introduction to Microbiology (4)

Lec-52.5, Lab-70 P/NP available

PREREQ: CHEM 32 OR CHEM 101A OR DEMONSTRATION OF CHEM 32 OR CHEM 101A EXIT SKILLS

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

This course explores the evolution, structure, function, diversity, and medical importance of microbes and infectious disease agents. Emphasis is placed on the interactions of microbes with the environment, animals, plants, and other microbes in health and disease. UC/CSU

FORMERLY M B 12

OFFERED FALL AND SPRING SEMESTERS

BIO 121. Principles of Food Safety (2)

Lec-35 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Principles of food-borne illness etiology and transmission; food-borne agents resulting in food spoilage, infections, and poisonings; sanitary, preventive, and managerial practices mandated by public health laws for food service personnel and health inspectors to ensure food safety. Use of fermentation microorganisms in food preparation. CSU

C-ID HOSP 110

FORMERLY MB 51

OFFERED EVERY SEMESTER

BIO 122. Food Safety Manager Preparation (1)

Lec-17.5 P/NP available

This course prepares culinary professionals for the implementation of food safety practices, maintenance of a safe and hygienic foodservice operation, and oversight and training of hourly food workers to prevent the transmission of foodborne illness. The course content is aligned with the Food and Drug Administration (FDA) Food Code and prepares certification candidates for any of the nationally-accredited Certified Food Safety Manager Exams. CSU

THIS COURSE IS DESIGNED FOR STUDENTS WHO HAVE PREVIOUSLY BECOME CERTIFIED FOOD SAFETY/PROTECTION MANAGERS AND ARE REFRESHING THEIR KNOWLEDGE PRIOR TO RECERTIFYING.

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

BIO 130. Nutrition and Culinary Arts (2)

Lec-35 P/NP available

RECOMMENDED PREP: (ESL 186 OR PLACEMENT IN ESL 188) OR READINESS FOR COLLEGE-LEVEL ENGLISH

Nutrition and food concepts relevant to students in the Culinary Arts and Hospitality Management Programs. Review properties of nutrients, common metabolic and digestive problems and the required diet modifications and treatment. CSU

FORMERLY NUTR 51. NOT INTENDED FOR STUDENTS WHO HAVE COMPLETED BIO 132, BIO 134, NUTR 12 OR NUTR 52.

OFFERED FALL AND SPRING SEMESTERS

BIO 132. Introduction to Nutrition (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: (ESL 186 OR PLACEMENT IN ESL 188) OR READINESS FOR COLLEGE-LEVEL ENGLISH

Emphasis on the practical application of nutrition to everyday life such as planning a healthy diet, assessing one's nutritional food intake, understanding nutritional labels and useful sources for nutrition information. Scientific principles behind the development of Dietary Reference Intakes (DRIs) and Food Guidelines. UC/CSU
 FORMERLY NUTR 52. NOT INTENDED FOR STUDENTS WHO HAVE COMPLETED BIO 130, 134, NUTR 12 OR NUTR 51.

OFFERED SPRING AND SUMMER SEMESTERS

BIO 134. Introduction to Nutrition for Health Sciences (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: (ESL 186 OR PLACEMENT IN ESL 188) OR READINESS FOR COLLEGE-LEVEL ENGLISH

An introductory nutrition course intended for students interested in entering the allied health fields with emphasis on physiology, metabolism of nutrients, metabolic diseases and dietary modification to optimize recovery and health. Students will understand and evaluate dietary intake, nutritional assessment, and nutrition care commonly used at clinics and hospitals. UC/CSU

C-ID NUTR 110

FORMERLY NUTR 12

OFFERED EVERY SEMESTER

Environmental Science and Sustainability**ENVS 5. Sustainability and the Environment Speaker Series (1)**

Lec-18, field trips P/NP available

RECOMMENDED PREP: BACKGROUND IN ENVIRONMENTAL SCIENCE; COMPLETION OF OR CONCURRENT ENROLLMENT IN: ENVS 31

Students will hear from professionals and experts from government, private, non-profits and public sectors as they share their insights on careers in sustainability and the environment. Career opportunities, academic and job training pathways will also be discussed. CSU

FORMERLY SUST 5

ENVS 31. Introduction to Environmental Science (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An examination of the scientific evidence informing our understanding of the causes and consequences of human impacts on the environment. Application of core principles, methods, qualitative and quantitative reasoning from the natural sciences, social sciences, and engineering and technology to investigate and evaluate sustainable solutions to environmental degradation and resource depletion.

UC/CSU

FORMERLY SUST 31 = BIO 31 = GEOG 31

OFFERED EVERY SEMESTER

ENVS 31L. Environmental Science Laboratory (1)

Lab-52.5, field trips P/NP available

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: ENVS 31

An introduction to tools and techniques used by environmental scientists to investigate human impacts on the environment in lab and/or field settings. Application of qualitative and quantitative concepts and models to evaluate environmental problems and their proposed solutions. CSU
 FORMERLY ALSO LISTED AS BIO 31L, GEOG 31L, AND SUST 31L

OFFERED EVERY SEMESTER

ENVS 91. Applied Research in Sustainability (.5-8)

Work-30-600, field trips P/NP available

PREREQ: APPROVAL OF ENGINEERING & TECHNOLOGY DEPARTMENT
RECOMMENDED PREP: ENVS 31

REPEAT: REPEATED UP TO 16.00 UNITS

Internship in sustainability-related settings (such as environmental education, alternative energy systems, sustainable water systems, green building, habitat restoration, urban agriculture) under the supervision of a qualified professional. The student will need to arrange the internship and then contact the instructor to enroll in this class. Suggestions and strategies are available on course website. One unit of credit is earned for 60 hours of unpaid or 75 hours of paid work. CSU

FORMERLY SUST 91

Broadcast Electronic Media Arts

Office: Art X 160

Phone Number: (415) 239-3351

Web Site: www.ccsf.edu/bema**Announcement of Curricula****General Information**

The BEMA department is perfectly located within a top-ten media market, and is adjacent to Silicon Valley, which is home to many tech media giants. Our in-depth programs include video production, editing, finishing and motion graphics; sound recording arts, including multi-track recording, sound design and live sound reinforcement; and digital media content creation, broadcast, journalism; as well as audiovisual technology. BEMA courses, certificates, and degrees are designed to serve equally – new college students intending to transfer, returning students who wish to pivot to a new industry, and industry professionals needing to update their skill set. Located in the dynamic and diverse city of San Francisco, BEMA is a rewarding and engaging place to study.

Admission. Enrollment is open to all interested students. Please note that some classes have prerequisites, corequisites, and advisories.

Work Experience and Internships. Students enrolled in Broadcast Electronic Media Arts classes refine skills in an in-house internship program which provides the College with media services, video production services, programming for education access television, and support for the college public relations office. After basic production craft skills are mastered, students are supported in internships at industry sites such as broadcast stations, video production houses, sound recording studios, live sound companies, streaming companies, and in-house media services for corporations.

Transfer Information. All Broadcast Electronic Media Arts courses are credit and degree applicable, and selected courses transfer to the CSU and/or UC systems. Students are encouraged to work with a college counselor and a department program advisor to establish an education plan during the first semester of study. For additional information consult the "Transfer Information" section of this catalog.

Facilities and Equipment. Broadcast Electronic Media Arts facilities have undergone extensive upgrades which include installation of a digital video editing lab, digital audio production lab, hybrid sound recording studio, plus two digital teleproduction studios. San Francisco's Educational Access Television Channel 27 and Channel 75 cablecast citywide from the department's facilities.

Additional Information: Broadcasting students who wish to earn the Film, Television & Electronic Media Major (AS-T) in preparation for transfer to a broadcasting department at a four-year university should emphasize the BCST courses in the degree program. Please consult the Department Chair for more information at (415) 239-3527.

Film, Television & Electronic Media Major (AS-T)

The Associate in Science in Film, Television, and Electronic Media for Transfer (AS-T) is designed to build students’ performance skills in the areas of film, television, and digital media. Courses emphasize production and operations, technical and aesthetic skills, collaboration, teamwork, as well as analysis and media literacy. The AS-T is a comprehensive lower division program that will prepare students for transfer into bachelor degree programs in broadcast and digital media, film, TV, and similar majors. The Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major.

Learning Outcomes

Upon completion of this program, students will be able to:

- Describe and analyze the history, issues and impact of film, television and electronic media in a local and global context.
- Demonstrate media literacy as a key part of the development of critical thinking skills.
- Apply introductory analytical skills to the design and creation of content for film, television, and electronic media with a focus on writing, storytelling, teamwork, and leadership in preparation for further study at the university level.
- Demonstrate film, television and electronic media production and performance craft skills suitable for further development at the university level.
- Demonstrate standards of professional conduct in a media context.

Degree Requirements. Students who wish to earn the Associate in Science in Film, Television and Electronic Media for Transfer (AS-T) must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and for the major as specified below. Each course in the major must be completed with a grade of “C” (or “P”) or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AS-T in Film, Television & Electronic Media

Course.....Units

Choose two courses from the following

- BCST 100 Introduction to Electronic Media..... 3.0
- BCST 110 Introduction to Writing for Electronic Media..... 3.0
- CINE 21 Introduction to Film Studies 3.0

Choose one of the following options

- BCST 120 Audio Production 3.0
- CINE 60 Sound for Motion Pictures I 3.0

Choose one of the following options

- BCST 140 Studio Video Production 3.0
- BCST 141 Field Video Production..... 3.0

CINE 24 Basic Film Production 4.0

Area 1 Elective: Choose one of the following options not used above

- BCST 103 Mass Media and Society..... 3.0
- BCST 140 Studio Video Production 3.0
- BCST 141 Field Video Production..... 3.0
- CINE 20A International Film History (1880s-1930s).... 3.0
- CINE 20B International Film History (1930s-1960s).... 3.0
- CINE 24 Basic Film Production 4.0
- CINE 25 Narrative Filmmaking 3.0
- CINE 54 Cinematography & Lighting..... 3.0

Area 2 Elective: Choose one of the following options not used above

- BCST 101 Media Literacy 3.0
- BCST 115 Announcing and Performance..... 3.0
- BCST 144A Video Editing Premiere Intro..... 4.0
- BCST 146A Video Motion Graphics..... 4.0
- CINE 18 American Cinema 3.0
- CINE 20C International Film History (1960s-Present) .. 3.0
- CINE 56 Introduction to Digital Film Editing 4.0
- CINE 126 Documentary Filmmaking..... 3.0
- CINE 136 Special Effects..... 3.0

Total: 18.0 – 21.0

Audio and Video for the Web Certificate

The Audio and Video for the Web certificate combines the study of creating media content, process and problem solving with tools and techniques of visual communication for broadband distribution. This course of study prepares the student to distribute audio and video content effectively via broadband.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze the processes involved in creating audio and video content for broadband delivery.
- Evaluate the impact internet content has on society.
- Plan, organize and create effective online content that conveys intended message.

Students must complete courses at City College of San Francisco.

The minimum time for completion of this certificate is 1 semester. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Audio and Video for the Web

Course.....Units

Required courses:

- BCST 119 Digital Media Skills 3.0
- BCST 135 Audio for the Web/Podcasting..... 1.0
- BCST 136 Video for the Web 1.0
- BCST 159 Digital Media Portfolio..... 1.0

Total: 6.0

Audio Production and Post-Production Certificate

The Audio Production and Post-Production certificate provides students with foundational technical skills for a number of jobs in the audio industry, including live sound event production, music recording studios, sound design for film, television, and video.

The Audio Production and Post-Production program is a stand-alone certificate with a choice of emphasis either in the sound reinforcement industry or sound design and sound for visual media.

The Live Sound emphasis provides students with a foundation in the application of audio production in various acoustic spaces and venues. Students learn how to operate and troubleshoot live sound production equipment and are prepared for entry-level work doing live sound for theaters, nightclubs, concert halls, sporting events, conferences, conventions, presentations, and live sound distribution via broadcast, cable, wireless, mobile devices and emerging media.

The Sound Design emphasis includes use of industry-standard equipment in audio-for-visual media production facilities and in location sound. Students who complete this certificate are prepared for entry-level positions in facilities specializing in audio-for-video and film production, television, radio production, advertising, and theater.

Learning Outcomes

Upon completion of this program, students will be able to:

- Plan and execute a production set-up for voice, acoustic, and electronic instruments.
- Produce content working in a variety of professional roles in the context of audio production and post-production.
- Utilize equalization techniques to remedy problems with acoustics.
- Apply industry-standard audio workflows to projects.
- Display professionalism, communication skills, and effective application of workforce protocol in the sound production and post-production industry.

Students must complete at least 8 units from the courses listed below at City College of San Francisco.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Audio Production and Post-Production

Course.....	Units
Required	
Prerequisites may apply.	
BCST 120 Audio Production	3.0
BCST 124A Pro Tools Editing Essentials	2.0
BCST 124B Pro Tools Mixing with Plugins	2.0
BCST 125A Music Recording Studio	2.0
BCST 125B Music Mixing Studio	2.0

Choose 2 courses from the following

For a live sound emphasis, choose BCST 127B and BCST 128. For a sound design emphasis, choose BCST 127A and CINE 61. (prerequisites may apply)

BCST 127B Interconnected Audio Systems	1.0
and BCST 128 Sound Reinforcement.	3.0
or BCST 127A Surround and Immersive	
Sound Mixing	1.0
and CINE 61 Sound for Motion Pictures II.	3.0

Choose 2 units from the following

BCST 160 College Internship.....	1.0 – 2.0
BCST 165 Industry Internship.....	1.0 – 2.0
Total:	17.0

Entrepreneurship and Innovation in Broadcast Media Certificate

This certificate program is designed to prepare students in Broadcast Electronic Media Arts to engage in the world of entrepreneurship. The program’s interdisciplinary approach to entrepreneurship equips students with relevant tools in exploring various pathways to entrepreneurship, such as full-time business ownership, subcontracting (freelancing), consulting, corporate intrapreneurship or mission-driven social entrepreneurship.

Students will utilize common tools and techniques to create effective and engaging internet content. They will be able to conceptualize, produce, and deliver meaningful multimedia material. Those who complete this program can apply for entry level social media positions or media content creator positions, or use these skills to improve their creative portfolio and express opinions effectively in online campaigns.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply an entrepreneurial mindset that breeds creativity and innovation in broadcast and electronic media arts.
- Use terms and concepts related to functional areas of entrepreneurship and innovation necessary for startups.
- Analyze the marketing environment to identify entrepreneurial opportunities and areas for growth and development.
- Develop an agile and lean business plan for a startup project/enterprise that is ready for pitching.
- Compare different entrepreneurship pathways in relation to a project or business idea.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Entrepreneurship and Innovation in Broadcast Media

Course.....	Units
Required	
BCST 119 Digital Media Skills	3.0

ENTR 102 Applied Design Thinking for	
Entrepreneurship	1.5
MRKT 140 Introduction to Marketing.....	3.0
MRKT 180 Social Media Marketing	3.0
Total:	17.0

Foundations in Broadcast Electronic Media Arts Certificate

The Foundations in Broadcast Electronic Media Arts certificate provides essential knowledge and skills in audio, video, and interactive media in preparation for intermediate and advanced practice and study of media arts and related certificates. It can serve as a stand-alone certificate in the basics of media arts or the basis for a pathway to further instruction in theory, practice, and aesthetics in the craft of the audio, video, and media arts.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze major mass communication issues and the impact of new technology in the sound recording, video, multimedia, television, and radio industries.
- Plan and implement projects that include using the basics of sound, video, and internet tools.
- Display professionalism and effective application of workforce protocol and communication skills.

Students must complete at least 8 units from the courses listed below at City College of San Francisco.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Foundations in Broadcast Electronic Media Arts

Course Units

Required

BCST 110 Introduction to Writing for Electronic Media 3.0
 BCST 119 Digital Media Skills 3.0
 BCST 120 Audio Production 3.0

Choose one of the following options

BCST 100 Introduction to Electronic Media 3.0
 BCST 101 Media Literacy 3.0
 BCST 103 Mass Media and Society 3.0

Choose one of the following options

BCST 140 Studio Video Production 3.0
 BCST 141 Field Video Production 3.0

Choose one of the following options

BCST 115 Announcing and Performance 3.0
 BCST 124A Pro Tools Editing Essentials 2.0
 BCST 144A Video Editing Premiere Intro 4.0

Total: 17.0 – 19.0

Multimedia Broadcast Journalism Certificate

This certificate provides students with news research, writing, reporting, and packaging skills for entry-level employment in radio, television, cable, syndicated, Internet, and satellite news organizations. The Multimedia Journalism certificate is also recommended for degree holders seeking to upgrade skills for career transition.

Learning Outcomes

Upon completion of this program, students will be able to:

- Identify and analyze structure and writing style of material for electronic media news.
- Integrate and apply various news media writing and announcing techniques through information gathering, writing news stories, and on-camera presentations.
- Apply techniques and practices for digital video, audio production, and cross platform distribution for electronic news gathering.
- Assess and discuss the ethical issues of multi-media journalism.
- Display professionalism and effective application of workforce protocol in the multi-media news industry.

Students must complete at least 16 units from the courses listed below at City College of San Francisco.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Multimedia Broadcast Journalism

Course Units
 Courses can be taken in any order (pre-requisites may apply), however these are foundational courses and should be taken in the first semester if possible.

BCST 115 Announcing and Performance 3.0
 BCST 119 Digital Media Skills 3.0
 BCST 141 Field Video Production 3.0
 BCST 159 Digital Media Portfolio 1.0
 JOUR 21 News Reporting and Writing 3.0

These courses are more advanced and should be taken the second semester if possible:

BCST 110 Introduction to Writing for Electronic Media . 3.0
 BCST 135 Audio for the Web/Podcasting 1.0
 BCST 136 Video for the Web 1.0
 BCST 158 Social Media for Professionals 3.0
 JOUR 35 Data and Multimedia Journalism 3.0

Choose 2 units from the following internship courses:

BCST 160 College Internship 1.0 – 2.0
 BCST 165 Industry Internship 1.0 – 2.0

Total: 26.0

Multimedia Content Creation for the Internet Certificate

Students will utilize common tools and techniques to create effective and engaging internet content. They will be able to conceptualize, produce, and deliver meaningful multimedia material including video, audio, and social media posts. Those who complete this program can apply for entry-level social media positions or media content creator positions, or use these skills to improve their creative portfolio and express opinions effectively in online campaigns.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze the processes involved in creating audio, video, and social media content for broadband delivery.
- Evaluate the impact internet content has on society.
- Plan, organize, and create effective online content that conveys an intended message.

At least 10 units must be completed at City College San Francisco.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Multimedia Content Creation for the Internet

Course Units

Announcement of Courses

Students enrolled in Broadcast Electronic Media Arts lecture and laboratory courses may be required to purchase additional materials. Students may be charged a materials use fee.

Credit, Degree Applicable Courses:

BCST 100. Introduction to Electronic Media (3)

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Development and impact of electronic media institutions of radio, television, cable, satellite, internet, and new media technologies as social, vocational, economic, and political forces in American society. The emphasis of this course is on history, organization, operation, occupation, programming, political development, regulation, and business practices. UC/CSU

OFFERED EVERY SEMESTER

142 Broadcast Electronic Media Arts

BCST 101. Media Literacy (3)

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Critical analysis of aesthetic and thematic aspects of television, cable, streaming audio, video, and mobile device programming. Methods of interpreting visual and oral messages present in news, entertainment, sports and advertising. Impact of emerging technologies on program content and form. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

BCST 103. Mass Media and Society (3)

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A general interest course covering the history, organization and social role of major mass communication media, such as radio, television, motion pictures, print, recording industries, Internet, and the World Wide Web. Basic theory of communication and communication research. Emphasis on the influence of mass media on the individual and society. UC/CSU

OFFERED EVERY SEMESTER

BCST 110. Introduction to Writing for Electronic Media (3)

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Basic introductory course in writing for electronic media. Emphasis on preparing scripts in proper formats, including fundamental technical, conceptual and stylistic issues related to writing non-fiction and fiction scripts for informational and entertainment purposes in electronic media. Includes a writing evaluation component as a significant part of the course requirement. CSU

OFFERED FALL SEMESTERS

BCST 115. Announcing and Performance (3)

Lec-52.5, field trips

RECOMMENDED PREP: BCST 120 AND (READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188)

Introduction to basic theory and practice in interpretation of copy, pronunciation, and announcer's duties for radio, television, podcast and web video. Study and practice of oral skills for effective communication of meaning in scripts, newscasts, voiceovers and commercial messages with emphasis on development of voice, articulation and pronunciation. CSU

OFFERED SPRING SEMESTERS

BCST 119. Digital Media Skills (3)

Lec-52.5

A hands-on overview of computer operations, equipment common to digital video and audio production, industry standard software, media storage, and manipulation of video and audio media with proper management of files. CSU

OFFERED FALL AND SPRING SEMESTERS

BCST 120. Audio Production (3)

Lec-52.5, Lab-17.5

Introduction to the theory and practice of audio production and recording techniques. Fundamentals of sound design, aesthetics, microphones, signal processing, and digital recording. Students gain hands-on experience in recording, editing, and mixing audio combined with basic knowledge of applied audio concepts, production

workflow, equipment functions, audio editing software and career possibilities. CSU

C-ID FTVE 120

OFFERED FALL AND SPRING SEMESTERS

BCST 124A. Pro Tools Editing Essentials (2)

Lec-35

PREREQ: BCST 119 OR DEMONSTRATION OF BCST 119 EXIT SKILLS

An introductory short-course to provide foundational skills necessary to edit audio using Digital Audio Workstations (DAWs) with a focus on Avid Pro Tools software. Overview of industry standard digital audio software and hardware. CSU

FORMERLY BCST124

OFFERED FALL AND SPRING SEMESTERS

BCST 124B. Pro Tools Mixing with Plugins (2)

Lec-35

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN:

BCST 120

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: BCST 124A OR DEMONSTRATION OF 124A EXIT SKILLS

This beginning level course follows the 124A introduction to Pro Tools editing and further develops skills the students need to properly use digital signal processors in the final stage of mixing a multitrack digital project. CSU

OFFERED FALL AND SPRING SEMESTERS

BCST 125A. Music Recording Studio (2)

Lec-35, Lab-8, field trips

PREREQ: BCST 120 OR DEMONSTRATION OF EXIT SKILLS

RECOMMENDED PREP: BCST 124A AND BCST 124B

An introduction to the analog and digital multi-track techniques used in various stages of professional sound recording as well as the workflow and etiquette required in a professional recording studio environment. The processes of capturing basic tracks and overdubbing will be examined using tech-enhanced materials. CSU

OFFERED FALL SEMESTERS

BCST 125B. Music Mixing Studio (2)

Lec-35, Lab-8, field trips

PREREQ: BCST 125A

RECOMMENDED PREP: BCST 124B

Project-based course designed as a continuation of BCST 125A for intermediate-level students focusing on their skills in professional sound recording and mixing. Practice in the development of workflow and etiquette required in a professional mixing studio environment will be further developed using tech-enhanced materials. CSU

OFFERED FALL SEMESTERS

BCST 127A. Surround and Immersive Sound Mixing (1)

Lec-12, Lab-24, field trips

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: BCST 120 AND BCST 124B

Project-intensive course practicing the skills required for mixing audio in surround sound with a focus on a variety of immersive audio environments. Students learn to apply multi-channel audio plug-ins and the techniques used to mix to multiple speakers and binaural headphones for music mixes and sound-for-visual-media projects. CSU

OFFERED FALL SEMESTERS

BCST 127B. Interconnected Audio Systems (1)

Lec-17.5, Lab-8, field trips

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: BCST 128 OR DEMONSTRATION OF EXIT SKILLS

RECOMMENDED PREP: CNIT 106

Short course to demonstrate how to build, manage, and maintain interconnected audio systems using WiFi, Audio over Ethernet (AoE) and Audio over IP (AoIP) standards. CSU

*THIS COURSE WILL BE OFFERED IN SPRING SEMESTERS ONLY.**OFFERED SPRING SEMESTERS***BCST 128. Sound Reinforcement (3)**

Lec-35, Lab-70, field trips

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: BCST 120

Live sound history, theory, technology, and craft skills with an emphasis on the technical manipulation of sound in acoustic spaces. Includes hands-on live sound production and operations for nightclubs, theaters, large-scale concert venues, and distributed sound systems. CSU

*OFFERED SPRING SEMESTERS***BCST 135. Audio for the Web/Podcasting (1)**

Lec-22

P/NP available

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: BCST 119 OR DEMONSTRATION OF EXIT SKILLS

RECOMMENDED PREP: BCST 120

Students will create podcasts in this hands-on class which focuses on the technical considerations and content issues required to produce and deliver audio over the web. The student will research the history of audio on the web, and its impact on traditional broadcast media. CSU

*OFFERED FALL AND SPRING SEMESTERS***BCST 136. Video for the Web (1)**

Lec-22

P/NP available

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: BCST 119 OR DEMONSTRATION OF EXIT SKILLS

RECOMMENDED PREP: BCST 141

Students will create a vlog channel and episodes in this hands-on class focusing on technical considerations and content issues required to produce and deliver video content over the Internet. The student will research the history of video on the web, and its impact on traditional broadcast media. CSU

*OFFERED FALL AND SPRING SEMESTERS***BCST 140. Studio Video Production (3)**

Lec-35, Lab-70, field trips

RECOMMENDED PREP: BCST 119

Theory and operation of video production equipment and facilities. Video production planning and organization; concept development, and production management. Instruction in camera, audio, lighting, live switching, server operation as well as above-the-line roles such as writer, director, producer. Students acquire knowledge and skills by creating studio-based video programming. CSU

*CAN BE APPLIED TO CSU SFSU BECA PROGRAM AS REPLACEMENT FOR BECA 240**OFFERED FALL SEMESTERS***BCST 141. Field Video Production (3)**

Lec-35, Lab-70, field trips

RECOMMENDED PREP: BCST 119

This course offers aesthetic and technical instruction in video field production with emphasis on industry phases of pre-production, video production, post-production. Students collaborate to create video

programs outside a studio, learn common approaches to broadcast and online storytelling, and acquire skills in the operation of video cameras, location sound, and lighting equipment. CSU

*C-ID FTVE 130**OFFERED SPRING SEMESTERS***BCST 144A. Video Editing Premiere Intro (4)**

Lec-52.5, Lab-52.5, field trips

PREREQ: BCST 119 OR DEMONSTRATION OF EXIT SKILLS

RECOMMENDED PREP: BCST 140 OR BCST 141

An introduction to digital video editing for television, video, and multimedia programs using primarily Adobe Premiere Pro and Apple Macintosh operating system. This hands-on class focuses on the operation, technology, techniques, and aesthetic process of editing video content with related title and visual effects components. CSU

*OFFERED SPRING SEMESTERS***BCST 144B. Video Editing Premiere Intermediate (4)**

Lec-52.5, Lab-52.5, field trips

PREREQ: BCST 144A OR DEMONSTRATION OF EXIT SKILLS

RECOMMENDED PREP: BCST 140 OR BCST 141

Digital video finishing for television, video, and multimedia programs using primarily Adobe Premiere Pro and the Apple Macintosh operating system. This hands-on class focuses on deepening the experience and skill of the operation, technology, techniques, and aesthetic process of editing video content with related title and visual effects components. CSU

*OFFERED SPRING SEMESTERS***BCST 146A. Video Motion Graphics (4)**

Lec-52.5, Lab-52.5, field trips

PREREQ: BCST 143A OR BCST 144A OR VMD 150 OR CINE 56 OR PHOT 57 OR PHOT 60A

RECOMMENDED PREP: BCST 141

Introduces students to core processes involved in conceptualizing and executing digital effects, compositing techniques, and motion graphics sequences. Concepts and skills are introduced, practiced, and integrated in projects in a hands-on, classroom/laboratory setting. Topics include layering, animating, compositing, effects, as well as technical and creative considerations. Formerly BCST 146. CSU

*FORMERLY BCST 146. THIS COURSE USES ADOBE AFTER EFFECTS**OFFERED FALL SEMESTERS***BCST 146B. Video Motion Graphics - Intermediate (4)**

Lec-52.5, Lab-52.5, field trips

PREREQ: BCST 146A OR DEMONSTRATION OF BCST 146A EXIT SKILLS

Continuation course for intermediate level Motion Graphics students to further develop knowledge and skills in conceptualizing and executing digital effects, compositing and motion graphics projects for distribution in broadcast, cablecast, webcast and on mobile devices. Concepts and skills previously introduced in BCST 146A are expanded upon in a hands-on classroom/laboratory setting. CSU

*THIS COURSE USES ADOBE AFTER EFFECTS.**OFFERED FALL SEMESTERS***BCST 147. Advanced Video Editing (4)**

Lec-52.5, Lab-52.5, field trips

PREREQ: BCST 143 OR BCST 143A OR BCST 144 OR BCST 144A OR CINE 56 OR DEMONSTRATION OF EXIT SKILLS

An advanced video editing course that builds on prior introductory classes. The focus is on understanding and practicing video editing processes and techniques across a variety of TV and video genres in order to

gain solid skills and work examples of current video technology as related to processes, storytelling, formats, visual effects, and hardware. CSU
THIS COURSE MEETS REQUIREMENTS FOR THE FOLLOWING BEMA CERTIFICATES: BROADCAST MOTION GRAPHICS CERTIFICATE OF ACHIEVEMENT VIDEO EDITING AND POST PRODUCTION CERTIFICATE OF ACHIEVEMENT
OFFERED ON OCCASION

BCST 148. Intermediate Studio Video Production (2)

Lec-35, Lab-8, field trips

PREREQ: BCST 140 OR DEMONSTRATION OF EXIT SKILLS
 RECOMMENDED PREP: BCST 110 OR BCST 115 OR BCST 119 OR BCST 141
 A hands-on, project-oriented course teaching intermediate technical skills and aesthetics of studio production for TV. Students collaborate to develop, plan, and produce a video production segment in the TV studio. Students engage in all aspects of multi-camera video production including pre-production planning, multiple sound sources, lighting, and distribution. Students' projects air on San Francisco's Educational Access TV Channel 27. CSU
FORMERLY HDTV STUDIO PRODUCTION
OFFERED SPRING SEMESTERS

BCST 149. Intermediate Field Video Production (2)

Lec-35, Lab-8, field trips

PREREQ: BCST 141 OR DEMONSTRATION OF EXIT SKILLS
 RECOMMENDED PREP: BCST 110 OR BCST 140 OR BCST 144A
 This project-oriented, hands-on course teaches intermediate technical skills and aesthetics of video field production. Students collaborate in teams to produce a commercial, documentary, and promotional package from concept to production. Field Production students collaborate with other departments to produce content college wide, applying storytelling techniques and deepening skills in video camera, location sound and lighting equipment operation. CSU
FORMERLY HDTV VIDEO PRODUCTION
OFFERED SPRING SEMESTERS

Announcement of Curricula

General Information

The Business Department offers two-year degree programs in accounting, administrative support, general business, finance, marketing, paralegal/legal studies and real estate. Credit certificate programs

are available in real estate, microcomputer accounting, general business, finance, international business, marketing, paralegal/legal studies, office technology and real estate. Noncredit (no tuition fees) two semester certificate programs are available in various areas of administrative/office support, computerized accounting, computer applications, and small business. In addition, a variety of mini-certificates in areas such as word processing (Word), spreadsheets (Excel), web pages for business, and office publishing can be earned in less than a semester.

Admission. Enrollment in the Business Program is open to all interested students. In some curricula, however, students must satisfy prerequisites before being admitted to certain courses.

Instruction in Business and General Education. Training is designed to help students acquire a high degree of technical skill, familiarize themselves with business principles and procedures, and develop the sense of responsibility essential to success. Each curriculum in the Credit Business Programs includes instruction in both a major field and related subjects such as business correspondence, speech, and business mathematics. Instruction in general education is included so that students may satisfy the College graduation requirements in this area.

Work Experience Training. Students enrolled in the Credit Business Programs may obtain credit for experience in their major fields by enrolling in work experience courses. Students are supervised by both employers and instructors.

Students may offer toward graduation a maximum of six semester units of credit earned in off- or on-campus work-experience courses or in any combination of both.

Associate in Science Degree. The Business Department offers majors in accounting, administrative support, general business, finance, marketing, paralegal/legal studies and real estate. Students who complete all courses required for their major and satisfy general College graduation requirements will receive the Associate in Science Degree.

Transfer Information. The Business Department offers the Associate in Science in Business Administration for Transfer. Students in the Business Program who intend to transfer to other colleges or universities should consult their academic advisers and their counselors and should consult the section of this catalog entitled, "Transfer Information."

Noncredit Certificate Programs. These programs provide directed training for employment in the modern office. Computer skills, communication skills, and job preparation courses are emphasized in the noncredit sequences to prepare students for entry-level, clerical employment.

Accounting

Accounting Major (AS)

Students who satisfactorily complete the curriculum in Accounting, a two-year course of study, are qualified for employment as junior accountants in private, public, and civil-service accounting and as junior auditors in private and civil-service accounting. The program also gives graduates skills which would lead to many opportunities for career advancement.

The course of study includes instruction in principles of accounting, intermediate accounting, auditing, cost accounting, microcomputer accounting, and income-tax procedure.

Learning Outcomes

Upon completion of this program, students will be able to:

- Develop and maintain a financial information system
- Apply uniform commercial law to common business transactions
- Generate and analyze management reports
- Analyze and explain financial statements in oral and written communication
- Prepare individual federal and California income tax returns

The minimum time for completion is 4 semesters; completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Accounting

Course Units

First Semester:

ACCT 1 Financial Accounting 5.0
 MABS 60 Introduction to Computer Applications
 for Business 3.0
 BSMA 68 Mathematics of Business 3.0

Second Semester:

ACCT 2 Managerial Accounting 5.0
 BSEN 74 Written Business Communication 3.0
 ACCT 59 Federal Income Tax 3.0
 MABS 101 Microsoft Excel 3.0

Third Semester

BSL 1 Business Law I 3.0
 ACCT 51 Intermediate Accounting 5.0
 ACCT 55 Cost Accounting 3.0
 ACCT 53 Accounting with Sage 50 3.0
 ACCT 59B California Income Tax 1.0

Fourth Semester

BSL 2 Business Law II 3.0
 ACCT 52 Intermediate Accounting 5.0
 ACCT 54 Auditing 3.0
 CRER 62 Successful Job Search Techniques 1.0
Total: 52.0

Computer Accounting Certificate

Prepares students to enter the job market in positions that use a computerized accounting system for Accounts Receivable, Accounts Payable, Payroll, General Ledger, and other functions. Admission: Enrollment is open to all interested students.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze and record transactions following the appropriate accounting guidelines.
- Design, set up and maintain an accounting system that utilizes accounting and business software.
- Generate and analyze computerized accounting reports, financial statements, and payroll reports.
- Identify and plan for computer accounting employment options appropriate to one's skills

Students may obtain the Certificate of Achievement in Computer Accounting by completing each of the following courses with a final grade of "C" or higher.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Computer Accounting

Course Units

Required courses:

ACCT 53 Accounting with Sage 50 3.0
 ACCT 57 Accounting with QuickBooks 3.0
 MABS 60 Introduction to Computer Applications
 for Business 3.0

MABS 101 Microsoft Excel 3.0
 BSMA 68 Mathematics of Business 3.0
 CRER 62 Successful Job Search Techniques 1.0

Choose one of the following accounting courses:

ACCT 10 Introduction to Accounting 5.0
 ACCT 1 Financial Accounting 5.0
Total: 21.0

Administrative Support/Office Technnology

Microsoft Office Specialist Certificate

Completion of this certificate allows students to demonstrate competency in Microsoft Office programs by passing the Microsoft Office Specialist (MOS) exams for Word, Excel, Access, PowerPoint, and Outlook. The MOS certification credential is a globally recognized standard demonstrating software skills widely used in current office environments. Students will also learn essential soft skills which are key to building relationships, gaining visibility, and creating more opportunities for career advancement.

Learning Outcomes

Upon completion of this program, students will be able to:

- Manage advanced Outlook email features and collaborative information management tools.
- Create and manage professional Word documents for a variety of specialized purposes and situations.
- Construct, manage, and distribute professional Excel spreadsheets for business use.
- Use Access for database management design.
- Design, edit, and enhance PowerPoint presentations and slideshows.
- Apply soft skills needed for workplace success.

The minimum time for completion of this certificate is 1 semester. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Microsoft Office Specialist

Course Units

Required

MABS 50 Microsoft Outlook and OneNote 3.0
 MABS 391 Word Processing/Microsoft Word 3.0
 MABS 101 Microsoft Excel 3.0
 MABS 202 PowerPoint Presentations 3.0
 MABS 67 Database for Business/Microsoft Access 3.0

Total: 16.0

Entrepreneurship

Entrepreneurship and Innovation in Business Certificate

This certificate program is designed to prepare Business students to engage in the world of entrepreneurship. The program's interdisciplinary approach to entrepreneurship equips students with relevant tools in exploring various pathways to entrepreneurship such as full-time business ownership, sub-contracting (freelancing), consulting, corporate intrapreneurship or mission-driven social entrepreneurship.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply an entrepreneurial mindset that breeds business creativity and innovation.
- Use terms and concepts related to functional areas of entrepreneurship necessary for startups.
- Analyze the marketing environment to identify entrepreneurial opportunities and areas for growth and development.
- Develop an agile and lean business plan for startup project/enterprise that is ready for pitching.
- Compare different entrepreneurship pathways in relation to a project or business idea.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

General Business

Business Administration 2.0 Major (AS-T)

The Associate in Science in Business Administration 2.0 for Transfer is designed to prepare students who wish to transfer to pursue a baccalaureate degree in Business Administration, Business Management or General Business, particularly to the California State University system. This program provides the academic foundation required for various areas of business, such as accounting, management, finance, and marketing.

Learning Outcomes

Upon completion of this program, students will be able to:

- Examine the external forces that impact business decisions.
- Analyze information and data to solve problems and make decisions.
- Apply standards of professional practice and demonstrate awareness of ethical and social responsibilities in today's business environment.
- Utilize business terms and concepts related to functional areas of business.

Degree Requirements. Students who wish to earn the Associate in Science in Business Administration 2.0 for Transfer (AS-T) must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of “C” (or “P”) or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AS-T in Business Administration 2.0

Course.....Units

Required Courses

ACCT 1 Financial Accounting.....5.0

ACCT 2 Managerial Accounting.....5.0

PSYC 5 Statistics for Behavioral Sciences.....5.0

Total: 30.0

General Business Major (AS)

This major allows students to earn the Associate Degree while partially preparing them for transfer into the Business Administration major at a four-year college or university. In addition, it prepares the student for an entry-level position in any business office.

Learning Outcomes

Upon completion of this program, students will be able to:

- Employ high standards of professional practice, demonstrating awareness of ethical and social responsibilities in today's multicultural, team-oriented, rapidly-changing environment.
- Apply terms and concepts related to functional areas of business.
- Examine the external forces that impact business decisions.
- Analyze information to solve problems to make effective business decisions.
- Analyze the impact of globalization on business and the diverse world of global business.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in General Business

Supervision and Management Program Major (AS)

The Supervision and Management program (SAM) is designed to comprehensively cover the major aspects of supervision and management necessary to advance and succeed in the business economy. Course work will cover the basic business management skills with emphasis on human relations, leadership, and communications designed to meet the needs of those who are (1) preparing for supervisory positions, (2) seeking advancement opportunities, and (3) planning to own and operate their own business. This program prepares students to move into positions as supervisors, team leaders, or managers. Students will become proficient in problem solving, decision-making, communicating, managing people, working in groups and teams, and understanding and applying basic managerial skills.

Learning Outcomes

Upon completion of this program, students will be able to:

- Use the functions and roles of management to achieve organizational success.
- Apply theories of behaviors to workplace situations.

- Apply effective communication skills.
- Determine the appropriate human resources procedures and processes for various situations.
- Integrate critical thinking and problem solving in making strategic decisions.
- Discuss practices to minimize bias and promote equity in the workforce.
- Maintain and improve technological and interpersonal skills for professional development.

Paralegal/Legal Studies

Paralegal/Legal Studies Major (AS)

The program of study for the Associate in Science degree in Paralegal/Legal Studies is ABA-approved and complies with the requirements established under current California law to become a paralegal. NOTE: Paralegals may not provide legal services directly to the public except as permitted by law.

The major is designed for students who do not already hold a college degree. Upon completion, a student will satisfy the general education requirements and paralegal course requirements simultaneously to earn both the AS degree and the Certificate of Achievement to gain employment as a paralegal working under the supervision of an attorney. (The paralegal certificate is ONLY awarded upon completion of the general education requirements for the Associate degree.)

Students are taught how to write and communicate in formats acceptable in today’s law offices; how to locate and apply the proper laws; how to handle the ethical issues facing today’s legal professionals; how to navigate through the federal and California court systems; and how to operate within a law office. This program provides practical skills in law office software and business practices as well as instruction in the areas of substantive law.

General Education Requirements by the ABA. The ABA has general requirements that are different than those required by CCSF. If you have questions on the general education requirements, please call 415/239-3508 to speak to the Paralegal/Legal Studies Program Coordinator. Currently, the ABA does NOT accept courses approved for CCSF’s General Education areas as follows:

Area A: Business English, Business Mathematics, Computer Science, Design, Microcomputer Applications for Business, and Supervision and Management

Area C: Nutrition and Ornamental Horticulture

Area D: Academic Achievement Personal Success, Health Education, and Physical Education

Area E: Design

Area G: Culinary Arts, Health Education, Nutrition, and Physical Education

Area H: Health Education, Physical Education, and Supervision and Business Management

Learning Outcomes

Upon completion of this program, students will be able to:

- Locate and apply the proper laws for the legal situation given.
- Prepare and file pleadings in both the federal and California court systems.
- Use law office software efficiently.

Admission Requirements. Enrollment is open to all interested students who have completed ENGL 1A or its equivalent with a final grade of C or higher. Students transferring general education coursework completed at another school must furnish an official transcript.

Students may transfer up to 12 units of paralegal courses completed at another ABA-approved paralegal program provided that the student submit an official transcript verifying the following: (1) the courses are similar in content and contact hours to our existing courses and (2) the letter grade earned in such courses was a C or higher. Courses completed in a law school are not acceptable for transfer as these courses do not emphasize or teach paralegal skills. The Program reserves the right to determine the transferability of any coursework completed outside City College of San Francisco.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Learning Outcomes

Upon completion of this program, students will be able to:

- Locate and apply the proper laws for the legal situation given.
- Prepare and file pleadings in both the federal and California court systems.
- Use law office software efficiently.

Admission Requirements. Enrollment is open to all interested students who already hold a college degree OR who have completed 30 units of general education or law-related courses with a 2.0 grade point average or higher at an accredited, post-secondary school prior to admission into our paralegal program. In addition, all students entering the Certificate of Achievement in Paralegal/Legal Studies program must have completed ENGL 1A or its equivalent with a final grade of C or higher. Students transferring general education coursework completed at another school must furnish an official transcript.

Students may transfer up to 12 units of paralegal courses completed at another ABA-approved paralegal program provided that the student submit an official transcript verifying the following: (1) the courses are similar in content and contact hours to our existing courses and (2) the letter grade earned in such courses was a C or higher. Courses completed in a law school are not acceptable for transfer as these courses do not emphasize or teach paralegal skills. The Program reserves the right to determine the transferability of any coursework completed outside City College of San Francisco.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Paralegal/Legal Studies

Course.....	Units
Required	
PLS 1 Introduction to Paralegal Studies	3.0
PLS 2 Legal Research and Writing I	3.0

PLS 12 Family Law.....	3.0
PLS 13 Intellectual Property.....	3.0
PLS 14 Immigration Law	3.0
PLS 16 Paralegal Work Experience	3.0
Total:	27.0

Real Estate

California Real Estate Major (AS)

The curriculum in Real Estate, a two-year course of study, is designed to give students a sound foundation in theory and practice so that they may hold a position specialized in realty work, and to help them obtain the California real estate salesperson's license. The curriculum is approved by the Department of Real Estate of the State of California, the California Association of Realtors, and the San Francisco Board of Realtors.

Entry positions open to graduates who pass the California State examination for a salesperson's or broker's license include those of sales agent, rental agent, or property manager for a bank or land-development company; or in the property department of a corporation, a savings-and-loan company, or an insurance company. Graduates may also search titles and close transactions in the escrow departments of any of these establishments or for escrow companies.

Students interested in obtaining a real estate salesperson's or a broker's license may obtain information by visiting the the State of California Department of Real Estate website at www.dre.ca.gov

The course of study includes instruction in the following: principles of real estate, real estate practice, real estate economics and investments, legal aspects of real estate, principles of real estate appraisal, and principles of real estate finance.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply the principles and practice of real estate in California.
- Apply critical thinking and analytical skills of California real estate concepts.
- Explain California real estate contracts, disclosures and procedures.
- Apply real estate ethics as outlined in business and professional code of conduct.
- Analyze and evaluate the financial suitability of real estate opportunities.

Students must satisfy the City College graduation requirements and must complete the following courses.

Assuming students start this AS with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in California Real Estate

Course	Units
Required	
R E 181 Principles of Real Estate	3.0
R E 185 Legal Aspects of Real Estate	3.0
R E 184 Real Estate Practice	3.0
R E 186 Principles of Real Estate Finance	3.0
R E 189 Real Estate Economics	3.0
R E 191 Principles of Real Estate Appraisal	3.0
Total:	18.0

California Real Estate Certificate

The California Real Estate Certificate is currently awarded by 70 community colleges in California. City College of San Francisco participates in this Statewide program and awards the California Real Estate Certificate to any day or evening student who completes this prescribed program.

A student may complete only those courses required for the California

Real Estate Certificate, since this is awarded independently of the Associate in Science degree. However, students who complete the full course of study leading to that degree will have completed the requirements for, and may be awarded, the California Real Estate Certificate.

The Certificate of achievement is designed so that those seeking entry employment may prepare themselves to take the State licensing examination for real estate salespersons, and so that those already employed in various branches of real estate work may gain further knowledge and develop additional competence.

Learning Outcomes

Upon completion of this program, students will be able to:

- Define an overview of the basic concepts of California Real Estate.
- Apply tools learned to the California Real Estate market place.
- Apply knowledge of agency and fiduciary responsibility.
- Explain real estate opportunities and risk.
- Identify and understand key real estate terms.
- Qualify to take the California Department of Real Estate State Exam.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in California Real Estate

Course	Units
Required	
R E 181 Principles of Real Estate*	3.0
R E 184 Real Estate Practice	3.0
R E 185 Legal Aspects of Real Estate	3.0
R E 186 Principles of Real Estate Finance	3.0
R E 189 Real Estate Economics	3.0
R E 191 Principles of Real Estate Appraisal	3.0

* If the candidate for the California Real Estate Certificate holds a valid California real estate salesperson's or broker's license, a three-unit course in real estate or another area of business may be substituted in lieu of RE 181.

Choose 6 units from the following courses

R E 182 Escrow Fundamentals	3.0
R E 183 Real Estate Property Management	3.0
R E 187 Real Estate Taxation	3.0
R E 192 Advanced Real Estate Appraisal	3.0
Total:	24.0

Small Business

Small Business Certificate of Competency

The Small Business Certificate prepares students for a successful launch of their own small business and helps small business owners increase the effectiveness and operation of their business marketing, planning, technology, finance, and communications.

Learning Outcomes

Upon completion of this program, students will be able to:

- Plan and execute various activities required for the successful launch of a small business.
- Research and create the plans necessary for the successful funding and ongoing management of a small business.

The minimum time for completion of this certificate is 1 semester.

Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Completion in Small Business

Course Hours

Required courses:

SMBU 9419 Developing a Business Plan 18.0

SMBU 9467 Getting Started in Business 18.0

Choose two of the following elective courses:

SMBU 9888 Small Business Funding 18.0

SMBU 9476 Green and Sustainable Small Business 18.0

SMBU 9793 Small Business Marketing and Sales 18.0

SMBU 9799 Technology for Small Business 18.0

Total: 72.0

Announcement of Courses

Accounting

Credit, Degree Applicable Courses:

ACCT 1. Financial Accounting (5)

Lec-87.5

RECOMMENDED PREP: (READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 186) AND BSMA 68

Introduction to accounting information system and recording and reporting of business transactions with a focus on the accounting cycle, terminology, application of basic principles and theories, classified financial statements and statement analysis for decision makers. Includes issues relating to balance sheet valuations, revenue and expense recognition and cash flows. UC/CSU

C-ID ACCT 110

ACCT 2. Managerial Accounting (5)

Lec-87.5

PREREQ: ACCT 1

Fundamental concepts and applications of managerial accounting techniques in the business world. Cost determination, cost analysis and control, performance evaluation, and the preparation and use of economic information for internal management purposes. UC/CSU

C-ID ACCT 120

ACCT 10. Introduction to Accounting (5)

Lec-87.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Designed to meet the needs of students in specific occupational programs and as an exploratory course to determine student interest and aptitude in accounting. Emphasis on the principles of double-entry bookkeeping, business and accounting terminology, and the use of various accounting worksheets to calculate and prepare accounting and business reports. CSU

ACCT 1 MAY BE ELECTED IN LIEU OF ACCT 10 TO SATISFY THE REQUIREMENT IN ANY CURRICULUM IN BUSINESS.

ACCT 51. Intermediate Accounting (5)

Lec-87.5

RECOMMENDED PREP: ACCT 2

Designed for students who pursue accounting beyond introductory study. A rapid review of fundamentals, with problems in valuation and presentation of assets, and liabilities, together with a study of analytical procedures. Course meets the educational requirements for the Certified Public Accountant (CPA) exam as determined by the California State Board. CSU

ACCT 52. Intermediate Accounting (5)

Lec-87.5

PREREQ: ACCT 51

Designed for students who pursue accounting beyond introductory study. Course topics include investments, revenue recognition, income taxes, accounting changes, and error analysis. This course may help meet the educational requirement for the Certified Public Accountant (CPA) exam as determined by the California State Board of Accountancy. CSU

OFFERED SPRING SEMESTERS

ACCT 53. Accounting with Sage 50 (3)

Lec-52.5

PREREQ: ACCT 10 OR ACCT 1.

RECOMMENDED PREP: MABS 60 AND BSMA 68.

Design, setup, and implementation of an accounting system in Sage 50 while following Generally Accepted Accounting Principles. Topics include accounts receivable, accounts payable, payroll, general ledger, financial statement analysis, and the comparison, analysis, and use of computer accounting software systems. CSU

ACCT 54. Auditing (3)

Lec-52.5

RECOMMENDED PREP: ACCT 2

Designed for students who are pursuing accounting beyond introductory study. Covers the objectives, scope and history of external auditing for financial statements. Qualifies as meeting a part of the educational requirements for the Certified Public Accountant exam as determined by the California State Board of Accountancy. CSU

ACCT 55. Cost Accounting (3)

Lec-52.5

RECOMMENDED PREP: ACCT 2

Fundamental accounting procedures covering job order, process, and standard cost systems; budgetary control; direct costing; cost reports for management use. CSU

ACCT 56. Municipal Governmental Accounting (3)

Lec-52.5

P/NP available

PREREQ: ACCT 1

RECOMMENDED PREP: ACCT 51

A study of the practices and methods of municipal governmental accounting encompassing terminology, reporting requirements, recording methods and the uses of funds. CSU

OFFERED SPRING SEMESTERS

ACCT 57. Accounting with QuickBooks (3)

Lec-52.5

PREREQ: ACCT 10 OR 1

Design and operate an accounting system using Quickbooks software while following Generally Accepted Accounting Principles. Topics include implementing an accounting system for a new company, preparing reports on customer and sales activities, employee and payroll activities and purchase transactions. CSU

ACCT 58. Accounting Ethics (3)

Lec-52.5

P/NP available

PREREQ: ACCT 1

Ethical standards of the accounting profession with emphasis on contemporary issues confronting accountants and auditors including their social and ethical responsibilities. Topics include the history of ethical thought, tax and auditing fiduciary responsibilities, the America Institute of Certified Public Accountants Code of Professional Conduct, financial

statement representations, and the theoretical and practical application of ethical principles in business and accounting. CSU

ACCT 59. Federal Income Tax (3)

Lec-52.5 P/NP available

Designed for students who want to pursue the study of tax accounting or who want to prepare their own individual tax returns. Topics include tax filing requirements, gross income, itemized deductions, capital gains and losses. Helps to prepare students to meet requirements for the Certified Public Accountant (CPA) exam. CSU

ACCT 59B. California Income Tax (1)

Lec-18 P/NP available

PREREQ: ACCT 59 OR DEMONSTRATION OF EXIT SKILLS

Study of California State Income Tax law, income tax problems, and preparation of California income tax returns. CSU

Business English

Credit, Degree Applicable Courses:

BSEN 74. Written Business Communication (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: BSEN 70 OR ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Extensive practice in writing and editing business letters, memorandums, e-mail messages, social media messages, and other business documents. Class discussions on style, structure, goals of written business communication, and cultural diversity in business. Practice in using appropriate vocabulary and tone in business documents. CSU

Noncredit Courses:

BOSS 4510. Business Communications (45 hrs)

RECOMMENDED PREP: BOSS 4500 OR ESLN 3800

A lecture-lab course to develop basic writing skills for the business world. Topics include the business writing process, various business audiences, and skills to improve writing, as well as practice writing emails, letters, instructions, and summaries.

BOSS 4515. Business Writing for Digital Media (45 hrs)

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: BOSS 4510

A hands-on course to develop skills in business writing for digital platforms. Topics include the interactive nature of digital business communication, internet research, multi-media storytelling, writing for business websites, and business use of social media.

Business Law

Credit, Degree Applicable Courses:

BSL 1. Business Law I (3)

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Study of the nature, purpose, and sources of law; the historical development of the law and its function with respect to society and business; contracts, agency, tort, criminal law, business ethics, corporation, partnership and legal concepts. UC/CSU

C-ID BUS 125

FORMERLY CLW 18

BSL 2. Business Law II (3)

Lec-52.5

PREREQ: BSL 1

Continued study of concepts and practices introduced in Business Law I with a focus on sales, regulation of business, real property,

community property, environmental law, employment law, bailment law, wills and trusts, and security regulations. UC/CSU

FORMERLY BUSINESS LAW 2

Business Mathematics

Credit, Degree Applicable Course:

BSMA 68. Mathematics of Business (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: (MATH 30 OR MATH 43 OR MATH 75)

COMPLETION OF OR CONCURRENT ENROLLMENT IN: (MABS 60 OR MABS 101)

A study of mathematical problems in business including Accounting (payroll, depreciation, inventory, financial statements), Finance (Investments, Time Value of Money, simple and compound interest), Marketing (metrics, ROI), and the use of graphs and tables. While this class will include a basic introduction to performing calculations using spreadsheet software, no background is required. CSU

Commercial Law*

* See Business Law.

Computer Applications for Business

Credit, Degree Applicable Courses:

MABS 30. Computer Keyboarding (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: ESL 184 OR PLACEMENT IN ESL 186 OR HIGHER
Students learn to keyboard by touch on the computer for efficiency in executing routine business tasks. Topics include searching the Internet, maintaining electronic files, and using business applications. Course also includes basic computer concepts of hardware, software, and the operating system. CSU

MABS 35. Keyboarding: Speedbuilding (1.5)

Lab-87.5 P/NP available

RECOMMENDED PREP: MABS 30

Keyboarding skill development on computer keyboard with associated software, emphasizing proper technique to develop speed and accuracy. Drills target individual student deficiencies. Develop proper touch control of entire computer keyboard (including alphabetic, number, and symbol keys; numeric keypad) with proper control of the Space Bar, Enter, Tab, and Shift keys. CSU

OFFERED ON OCCASION

MABS 50. Microsoft Outlook and OneNote (3)

Lec-52.5 P/NP available

An introduction to the features of Microsoft Outlook and OneNote. Students learn to manage messages, appointments, tasks and contact lists, and customize Outlook for the workplace. Emphasis is placed on the advanced features of Outlook for communication, sharing information, and productivity within a business. Students also learn to organize projects and share notes and ideas using Microsoft OneNote. This course prepares students for the Microsoft Office Specialist exam for Microsoft Outlook. CSU

MABS 55. Microsoft Office and QuickBooks Prep (2)

Lec-35, field trips P/NP available

RECOMMENDED PREP: MABS 50 OR MABS 67 OR MABS 70 OR MABS 75 OR MABS 101 OR MABS 202 OR MABS 391

This course trains students to use Gmetrix and Certiport software to prepare for Microsoft Office Specialist (MOS) and/or QuickBooks industry standard certification. Students will engage in real-world simulated projects using applications in their selected core areas:

QuickBooks, MS Word, MS Excel, MS PowerPoint, MS Access, and/or MS Outlook. CSU

MABS 60. Introduction to Computer Applications for Business (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: MABS 30

Introduction to the concepts and skills required for using computer applications for business. Includes fundamental concepts of hardware, the operating system, and the most frequently used office applications: word processing, electronic spreadsheet, database management, presentations, web browsers, and email. UC/CSU

MABS 67. Database for Business/Microsoft Access (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: MABS 30

Introduction to dynamic relational database management using Microsoft Access. This course provides in-depth coverage of the concepts and techniques required to create, manage, format, modify, and configure Access database objects. Topics covered include creating tables with fields, defining table relationships, constructing queries, designing custom forms, and custom reports. Course completion will assist in the preparation for the Microsoft Office Specialist MS Access certification exams. CSU

MABS 70. QuickBooks for Small Business (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: MABS 60 AND BSMA 68

An introduction to QuickBooks desktop accounting software designed for small businesses. Topics include setting up a new company; recording sales and purchases; processing payroll and inventory; generating financial statements, and to assist in the preparation for the QuickBooks Certified User Desktop certification exam. Customizing and integrating QuickBooks desktop with Microsoft Excel and Word are also introduced. CSU

MABS 75. QuickBooks Online for Small Business (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: MABS 60 AND BSMA 68

An introduction to QuickBooks Online (QBO) a cloud-based accounting subscription service designed for small businesses. Topics include setting up a new company; recording sales and purchases; processing payroll and inventory; generating financial statements; evaluating QBO mobile and third party apps; and to assist in the preparation for the QuickBooks Certified User Online certification exam. Customizing and integrating QBO with Microsoft Excel and Word are also introduced. CSU

MABS 101. Microsoft Excel (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: MABS 30

This course provides in-depth coverage of the concepts and techniques required to use Microsoft Excel to create spreadsheets to express, analyze, and solve business-related problems, and to assist in the preparation for the Microsoft Office Specialist Excel certification exam. CSU

MABS 150. Project Management with Microsoft Project (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: MABS 60

Plan, implement, and manage projects using Microsoft Project. Create and share a project schedule, create tasks and resources, track costs and resources, produce reports, and keep projects on track. CSU

MABS 202. PowerPoint Presentations (3)

Lec-52.5 P/NP available

This course provides in-depth coverage of the concepts and techniques required to use Microsoft PowerPoint to create compelling slide show presentations. Topics include planning an effective presentation, adding and editing video and audio clips, creating tables and charts, animating graphics, and applying artistic effects. This course prepares students for the Microsoft Office Specialist PowerPoint certification exam. CSU

MABS 391. Word Processing/Microsoft Word (3)

Lec-52.5 P/NP available

Experience creating and editing documents using Microsoft Word including paragraph and page formatting, proofing tools, tables, styles, columns, mail merge, and headers/footers. Advanced features include building blocks, references, and sharing/protecting documents. CSU

FORMERLY WDPR 391

MABS 404. Storefront Apps for E-Business (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: BSEN 74

Perform business functions faster, cheaper, and better using storefront apps to handle the flow of merchandise, services, information, and revenue. Focus is on the apps and tools needed to manage an e-business and/or e-store. Topics include entrepreneurial business strategy, offering products and services, managing customers and orders, product and market research, advertising and promotions, customer service, search engine optimization, online storefront options, and mobile e-business apps. CSU

MABS 406. Developing Web Sites-Dreamweaver (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: MABS 60

Experience in developing and maintaining a business website with HTML and CSS. Topics include tables, page divisions, links, image, forms, and built-in JavaScript behaviors. CSU

MABS 408. Website Builder for Business Portfolio / Productivity (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: MABS 60 AND BSEN 70

This course will provide students with an overview of webpage development using drag and drop website builders. Assignments will focus on online website builders, cloud-based productivity tools, and software applications available to users as and when needed for specific temporary projects, known or unexpected business workloads, and portfolio development. CSU

OFFERED ON OCCASION

MABS 409. Developing Business Websites - Adobe Muse (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: MABS 60 AND BSEN 70

Fundamentals of custom business website development without coding using Adobe Muse web development software. Topics include tools that create and format web pages, add text, images, media, and widgets, add basic e-business functions, optimize layouts for mobile devices, and create a responsive business website. CSU

MABS 410. Photoshop and Acrobat for Business (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: MABS 60; BSEN 70

Create, edit, organize, and optimize web images and documents using industry standard programs Adobe Photoshop and Adobe Acrobat.

Topics include digital image editing, automation batch tools, document manipulation and conversion, optical character recognition (OCR), encryption, and interactive forms, and portable document format. Produce business office materials for outreach, social networks, electronic publications, print and web, and documents for use in content management systems (CMS). CSU

MABS 412. Mobile Apps for Business (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: BSEN 74

Overview of industry standard mobile apps and tools used to perform, transform, and manage business processes, services, operations, and functions. Topics include building an effective mobile business strategy, improving productivity, enhancing customer experience, promoting a business through mobile operations, and utilizing mobile apps for communications, productivity, planning, organizing, billing, payments, sales, marketing, and mobile e-business applications. CSU

MABS 413. E-Commerce Apps for Entrepreneurial Business (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: MABS 60; BSEN 70

This course will survey contemporary e-commerce apps, marketplaces, and platforms that facilitate entrepreneurial business success. Topics include planning, marketing, and managing business products and services with specific e-commerce apps. Students will be able to identify the most appropriate e-business options and e-commerce apps for a given business function. CSU

Noncredit Courses:

BOSS 5500. Keyboarding for Computers (45 hrs)

RECOMMENDED PREP: ESLN 3400

Students will acquire basic knowledge of the keyboard to interact more efficiently with desktop computers. Instruction covers introduction to the keyboard and development of basic keyboarding skills.

COMP 9000. Supervised Training of Computer Applications for Business (90 hrs)

COREQ: CONCURRENT ENROLLMENT IN A BUSINESS COURSE

Academic support for currently enrolled Business Department students in an instructor-supervised computer lab. Students work on assignments given in other Business Department credit and noncredit classes. Instructors assist students with computer skills and assignment content to achieve academic course learning outcomes.

COMP 9245. Computer Literacy - Basic Level (30 hrs)

RECOMMENDED PREP: ESLN 3560 OR TRST 1322

Essential computer concepts and techniques for the beginning computer user, including how to use a Windows or Mac-based operating system. Introduction to the internet and email basics with an overview of business office productivity tools.

COMP 9899. Electronic Publishing for Business I (45 hrs)

RECOMMENDED PREP: ESLN 3700 AND COMP 9245 OR COMP 9905 OR COMP 9967

Electronic publishing for the business office using such programs as Microsoft Publisher or Adobe InDesign. Students will create and manage business documents for print or electronic distribution including business newsletters, postcards, interactive forms, flyers, and web publications. Students develop page layouts, edit text, optimize bit-maps, correct simple spelling, punctuation, and grammar errors in the development of business documents.

COMP 9900. Microsoft Excel for Business I (45 hrs)

RECOMMENDED PREP: ESLN 3600

A beginning course to analyze and solve business-related problems using Microsoft Excel. Topics include set up and customize a spreadsheet; create and manage charts; create simple formulas, and use functions. This course helps students prepare for the Microsoft Office Specialist Excel certification exam.

COMP 9901. Microsoft Access for Business I (45 hrs)

RECOMMENDED PREP: ESLN 3600

Learn database design guidelines to create the structure of the business Access database, which allows users to create tables, queries, forms, and reports for business data. Build table relationships, establish query criteria, and create and customize forms and reports.

COMP 9903. Software Essentials (15 hrs)

RECOMMENDED PREP: ESLN 3700 OR TRST 2322; COMP 9245 OR COMP 9905

An overview course that introduces students to current business software, including, but not limited to Windows/Mac operating systems, MS Office (word processing, spreadsheets, databases, presentations), internet and email, cloud based business productivity tools, computerized accounting, business graphics or desktop publishing software, Web authoring and animation software, and business multimedia software.

COMP 9904. Microsoft Excel for Business II (45 hrs)

RECOMMENDED PREP: ESLN 3600; COMP 9900

This is an intermediate course to analyze and solve business-related problems using Microsoft Excel. Topics include creating and managing tables, using conditional and text functions, organizing large worksheets, inserting macros, and using pivot tables. This course helps students prepare for the Microsoft Office Specialist Excel Core and Excel Expert certification exam.

COMP 9905. Computer Basics for Business (45 hrs)

RECOMMENDED PREP: ESLN 3700

An introduction for beginning computer students to computer concepts and techniques used in business. Topics include navigating an operating system and organizing and managing files as well as Internet, email, and a brief introduction of the MS Office applications: Word, Excel, PowerPoint and Access.

COMP 9907. Electronic Publishing for Business II (45 hrs)

RECOMMENDED PREP: ESLN 3700; COMP 9933; COMP 9245 OR COMP 9905

This course further develops electronic publishing by enhancing business office publications and making them interactive using such programs as Microsoft Publisher, Adobe InDesign, and Adobe Acrobat Professional. Students deconstruct business documents and templates, create a business office newsletter, business posters, interactive business registration forms, upload files and folders in a cloud-based drive, and import/export documents in various file formats.

COMP 9909. Microsoft Excel for Business III (45 hrs)

RECOMMENDED PREP: ESLN 3700; COMP 9904

Students learn advanced spreadsheets formulas and formatting techniques and will concentrate on various Excel applications including formula auditing, PivotTables, PivotCharts, and troubleshooting formulas.

COMP 9910. Microsoft Access for Business II (45 hrs)

RECOMMENDED PREP: COMP 9901

Create business reports, import and export business data. Data searches with multiple criteria using action queries and outer join. Create easy access database by applying business macros. Improve database performance by setting passwords and changing startup options.

COMP 9912. PC Upgrade and Optimization (15 hrs)

RECOMMENDED PREP: COMP 9245; ESLN 3600

An overview course that introduces students to the basic concepts of computer components, installing and uninstalling Microsoft Office application software, installing device drivers, installation and use of antivirus and spyware, and install memory cards.

OFFERED SPRING SEMESTERS

COMP 9917. Building Individual Websites (45 hrs)

RECOMMENDED PREP: ESLN 3700; COMP 9905

Fundamentals of website content management and blogging tools for creation of an individual or business website. Students will create an individual or business website or blog. Students will develop, organize, format, manage, and publish content to the web using WordPress.

OFFERED SPRING SEMESTERS

COMP 9918. Building Business Web Sites (45 hrs)

RECOMMENDED PREP: ESLN 3700; COMP 9905

An introductory hands-on project based website development course for the business office. Students will plan, format, develop, and test a basic business website using Adobe website development tools and online website builders without coding. Students will add text, images, media, widgets, navigation elements, and links to a website. Topics include adding basic e-business and e-commerce functions to a website.

OFFERED SPRING SEMESTERS

COMP 9919. Using Dreamweaver for Basic Business Web Pages (45 hrs)

RECOMMENDED PREP: ESLN 3600 AND COMP 9905 OR COMP 9245

Developing and maintaining a personal or business website using HTML and CSS built-in functions of Adobe Dreamweaver. Topics include new website definition, creating and editing the site, adding pages, links, images, text, and media. Beginning through intermediate skills are taught.

COMP 9921. Introduction to Internet and Email for Business (45 hrs)

RECOMMENDED PREP: ESLN 3700 OR TRST 2322

Introductory course on internet and email. Topics include business email, browser features, navigating the web, cloud computing services, and web research skills.

COMP 9922. Adobe Apps for Bus/Web Presentations (45 hrs)

RECOMMENDED PREP: COMP 9905; ESLN 3700

Introduces business students to the basic concepts of creating interactive business website presentations using Adobe Creative Cloud software. Students learn introductory techniques for creating interactive content for advertising and marketing promotions. Students view their work in the browser or in web pages.

OFFERED SPRING SEMESTERS

COMP 9928. PowerPoint for Business (45 hrs)

RECOMMENDED PREP: ESLN 3700 OR TRST 2322; COMP 9245

The course is designed for the office business professional or other computer user. Topics include creating a PowerPoint slide show, adding visuals to enhance a slide show, customizing a presentation, and delivering a presentation.

COMP 9932. Excel for Accounting Principles (45 hrs)

RECOMMENDED PREP: ESLN 3600

Instruction in the utilization of Microsoft Excel as it relates to accounting principles. Practice in formatting, formulas, and functions, PivotTables and PivotCharts, worksheet manipulation, table, and macro commands.

OFFERED SPRING SEMESTERS

COMP 9933. Building Business Web Pages with Adobe Web Standard-Level I (45 hrs)

RECOMMENDED PREP: ESLN 3600 AND (COMP 9905 OR COMP 9245)

Project-oriented approach to developing a business website using various Adobe web development software applications. Topics include types and functions of software applications; creating and formatting web pages with text, graphics, and media; adding forms and interactivity, and integration of output from several software applications into a single website project.

COMP 9934. Building Business Web Pages with Adobe Web Standard-Level II (45 hrs)

PREREQ: COMP 9933 OR COMP 9919 OR COMP 9918

RECOMMENDED PREP: ESLN 3600 AND COMP 9905

Project-oriented approach using Adobe web development software for the development of e-business and mobile websites. CSU

Chemistry

Office: Science 233

Phone Number: (415) 452-5651

Web Site: www.ccsf.edu/chemistry

Chemistry Certificate

Chemistry is the investigation of matter. Grappling with the difficult problems students will face during their lifetimes, such as the treatment of disease, assessment of environmental pollutant risk, the challenge of feeding a growing world population, understanding the processes that affect the Earth's climate, and the continuous improvement of technology, requires an understanding of chemistry and an integrated approach to problem-solving. Students obtaining a Certificate of Achievement in Chemistry will demonstrate a view of the world around them that is shaped by their understanding of chemical and physical principles, and the language of mathematics. Through experiences in a laboratory setting, students will practice the scientific method to explore chemical phenomena, solve problems in a strategic fashion, and formulate and communicate an understanding of matter from a chemist's perspective.

Students obtaining a Certificate of Achievement in Chemistry are prepared to transfer to a Bachelor of Science in Chemistry program at a four-year college, to take upper-division chemistry coursework in organic, inorganic, and nuclear chemistry; thermodynamics; and quantum mechanics. Simultaneously, they are prepared to enter the chemistry workforce, or pursue other opportunities where chemistry plays a role. Future careers for students obtaining a Certificate of Achievement in Chemistry, after further education, include:

- Physician
- Patent attorney
- Chemical Engineer
- Criminologist
- Museum Curator
- Environmental Engineer
- High school or middle school teacher

Learning Outcomes

Upon completion of this program, students will be able to:

- Assess scientific data and use those data to evaluate the quality of conclusions.
- Perform multistep organic syntheses, planning through implementation and structural verification, with the aid of gas chromatography/mass spectrometry, infrared spectroscopy, and nuclear magnetic resonance spectroscopy.
- Identify and quantify organic chemical compounds after obtaining and purifying them from their natural plant sources.
- Use multiple pieces of scientific laboratory instrumentation to analyze environmental samples and use these data to evaluate the risks of environmental exposure.
- Apply current technology and databases to organize, analyze, and assess relevant scientific information.

- Apply mathematical representations and the language of chemistry to communicate an understanding of chemistry in written and oral form.

The minimum time for completion of this certificate is 4 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Chemistry

Course	Units
Required	
CHEM 101A General College Chemistry	6.0
CHEM 101B General College Chemistry	5.0
CHEM 212A Organic Chemistry	6.0
CHEM 212B Organic Chemistry II	6.0
MATH 110A Calculus I	5.0
MATH 110B Calculus II	5.0
MATH 110C Calculus III	5.0
MATH 130 Linear Algebra and Differential Equations	5.0
PHYC 4A Classical Mechanics for Scientists and Engineers	3.0
PHYC 4AL Mechanics Laboratory for Scientists and Engineers	1.0
PHYC 4B Electromagnetism for Scientists and Engineers	3.0
PHYC 4BL Electromagnetism Laboratory for Scientists and Engineers	1.0
Students may substitute MATH 120 + 125 for MATH 130.	
Total:	51.0

Announcement of Courses

Credit, Non-Degree Applicable Course:

CHEM C. Problem Solving in Chemistry (1.5)

Lec-26.25 P/NP only

COREQ: CHEM 101A.

Support for students who are concurrently enrolled in Chem 101A, the first semester of General College Chemistry. Topics include problem-solving concepts and skills necessary for success in calculations involving chemical equations, chemical formulas, stoichiometry, gas laws, kinetic molecular theory, thermochemistry, atomic structure, molecular structure, and chemical equilibrium. Concepts are taught in the context of the linked Chem 101A course.

RECOMMENDED AS A SUPPLEMENT TO BE TAKEN CONCURRENTLY WITH CHEM 101A FOR STUDENTS WHO NEED ADDITIONAL HELP.

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

Credit, Degree Applicable Courses:

CHEM 32. Introduction to Medical Chemistry (4)

Lec-52.5, Lab-52.5 P/NP available

RECOMMENDED PREP: ELEMENTARY ALGEBRA OR HIGHER

Basic concepts of general, organic, and biological chemistry as they apply to the human body. No previous chemistry required. Satisfies the requirements of nursing and related majors that require one semester of chemistry. UC/CSU

NO PREVIOUS CHEMISTRY OR PHYSICS REQUIRED. SATISFIES THE REQUIREMENTS OF NURSING AND RELATED MAJORS THAT REQUIRE ONE SEMESTER OF CHEMISTRY. ALSO SATISFIES THE PREREQUISITE FOR BIO 112 AND BIO 120. STUDENTS TAKING A MAJOR THAT REQUIRES TWO SEMESTERS OF CHEMISTRY SHOULD ENROLL IN CHEM 40 FIRST, THEN CHEM 101A.

CHEM 40. Introduction to Chemical Principles (5)

Lec-70, Lab-52.5

PREREQ: ET 108A OR BTEC 108A OR (INTERMEDIATE ALGEBRA OR HIGHER)

Introductory chemistry. Nomenclature, stoichiometry, gases, acids/bases, solutions, chemical reactivity, atomic/molecular structure. UC/CSU
C-ID CHEM 101

STUDENTS MAY ENROLL IN THIS COURSE TO REMOVE A HIGH SCHOOL DEFICIENCY IN CHEMISTRY. DESIGNED TO PREPARE THE BEGINNING STUDENT AS WELL AS TO STRENGTHEN THE RE-ENTRY STUDENT FOR CHEM 101A.

CHEM 85. Seminar in Chemistry (1)

Lec-18 P/NP available

In partnership with San Francisco State University, career professionals in chemistry and related fields will discuss their current research programs and provide information on career opportunities. Presentations on career opportunities for students studying chemistry. CSU

UC UPON REVIEW

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

CHEM 101A. General College Chemistry (6)

Lec-70, Lab-105

PREREQ: CHEM 40 OR CHEMISTRY ADVANCED PLACEMENT TEST SCORE OF 3 OR HIGHER; INTERMEDIATE ALGEBRA OR HIGHER

Stoichiometry, solutions and aqueous reactions, gas behavior, thermochemistry, atomic structure and periodic properties, chemical bonding, molecular structure, condensed phases and intermolecular forces, and an introduction to equilibrium. UC/CSU

C-ID CHEM 110; C-ID CHEM 120S (CHEM 101A + CHEM 101B)

CHEM 101A/B ARE THE STANDARD COLLEGE COURSES REQUIRED IN MANY CURRICULA. CHEM 101A MAY BE SUBSTITUTED FOR CHEM 103A.

CHEM 101B. General College Chemistry (5)

Lec-52.5, Lab-105

PREREQ: CHEM 101A OR CHEM 103A

Chemical kinetics, applications of aqueous equilibrium, chemical thermodynamics, oxidation and reduction, electrochemistry, symmetry, crystal structures and solid state chemistry, transition metal ions, descriptive chemistry of selected elements. UC/CSU

C-ID CHEM 120S (CHEM 101A + CHEM 101B)

CHEM 103A. General Chemistry for Engineering (5)

Lec-70, Lab-52.5

PREREQ: CHEM 40 OR CHEMISTRY ADVANCED PLACEMENT TEST SCORE OF 3 OR HIGHER OR (PLACEMENT IN CHEM 101A OR CHEM 103A); INTERMEDIATE ALGEBRA OR HIGHER

Thermochemistry, atomic structure, periodic properties, bonding, solid-state structures, fundamentals of organic chemistry, solution chemistry, thermodynamics, kinetics, equilibrium, acids and bases, and electrochemistry. UC/CSU Designed for students majoring in all engineering programs except chemical engineering. Students who have passed CHEM 101A may not receive credit for CHEM 103A. UC/CSU
DESIGNED FOR STUDENTS MAJORING IN ALL ENGINEERING PROGRAMS EXCEPT CHEMICAL ENGINEERING.

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

CHEM 110. Chemistry and the Environment (3)

Lec-52.5 P/NP available

A presentation of chemical fundamentals related to environmental issues and society. Intended for non-science majors. UC/CSU

OFFERED SUMMER SEMESTERS

CHEM 208A. Chemical Structure and Reactivity I (4)

Lec-52.5, Lab-52.5

PREREQ: CHEM 101A OR CHEM 103A

The first semester of a one-year course in organic chemistry for students not majoring in chemistry or biochemistry. CHEM 208A/208B is designed for students majoring in the life sciences, including pre-medical students. UC/CSU

C-ID CHEM 150; C-ID CHEM 160S (CHEM 208A + CHEM 208B)

CHEM 208B. Chemical Structure/Reactivity II (4)

Lec-52.5, Lab-52.5

PREREQ: CHEM 208A OR 212A

The second semester of a one-year course in organic chemistry for students not majoring in chemistry or biochemistry. CHEM 208A/208B is designed for students majoring in the life sciences, including pre-medical students. UC/CSU

C-ID CHEM 160S (CHEM 208A + CHEM 208B)

CHEM 212A. Organic Chemistry (6)

Lec-70, Lab-105

PREREQ: CHEM 101B

The first semester of a one-year course in organic chemistry for students who major in chemistry, biochemistry, and other chemistry intensive sciences. CHEM 212A/212B also satisfies the organic chemistry requirements of medical schools. UC/CSU

C-ID CHEM 150; C-ID CHEM 160S (CHEM 212A + CHEM 212B)

CHEM 212A MAY BE SUBSTITUTED FOR CHEM 208A.

OFFERED FALL SEMESTERS

CHEM 212B. Organic Chemistry II (6)

Lec-70, Lab-105

PREREQ: CHEM 208A OR CHEM 212A

The second semester of a one-year course in organic chemistry for students who major in chemistry, biochemistry, and other chemistry intensive sciences. A fundamental study of organic chemistry including nomenclature, physical properties, reactions, mechanisms, multi-step synthesis, theoretical aspects, and structure determination of major classes of organic compounds. UC/CSU

C-ID CHEM 160S (CHEM 212A + CHEM 212B)

CHEM 212B MAY BE SUBSTITUTED FOR CHEM 208B.

OFFERED SPRING SEMESTERS

Child Development and Family Studies

Office: (New Building) Multi-Use Bldg. MUB 249

Phone Number: (415) 239-3172

Web Site: www.ccsf.edu/cdev

Announcement of Curricula

General Information

The Child Development and Family Studies Department provides educational curriculum for adult students interested in entering or continuing education for careers with children and provides services to support the needs of children and families from diverse backgrounds.

The Department offers a wide variety of credit, noncredit and grant-funded programs and services that further adult understanding of how children learn, grow and develop, including: educational and practicum experiences for adults, quality ECE programs for infants, preschoolers and school-age children, and youth, parent education programs at varied times and community locations throughout San

Francisco, and transfer courses for students interested in K–12 teaching, CTE teaching and related careers.

Child and Adolescent Development Major (AA-T)

The Associate in Arts in Child and Adolescent Development for Transfer (AA-T) degree provides students with an interdisciplinary course of study in Child Development. For students not interested in teaching or in caring for children in group settings, this major provides an alternative preparation for students interested in working with children and families in a range of settings and provides lower division major preparation for transfer, particularly to Child and Adolescent Development majors at the California State University. This major provides coursework examining research that focuses on developmental outcomes and factors spanning conception to emerging adulthood. This option of study is intended for students who aspire to careers in developmental research, public policy, social work, school psychology, family support and similar fields. The courses provide content breadth in Child Development.

Learning Outcomes

Upon completion of this program, students will be able to:

- Identify and compare the stages of human development from conception to emerging adulthood.
- Analyze developmental milestones and typical and atypical development.
- Apply statistical and research methodologies for comparing and contrasting data on developmental outcomes and conditions.
- Differentiate cultural and historical impacts on development
- Analyze and apply relevant psychological concepts to self-reflection and everyday life.

Students who wish to earn the Associate in Arts in Child and Adolescent Development for Transfer (AA-T) must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of “C” (or “P”) or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

Assuming students start this AA-T program with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AA-T in Child and Adolescent Development

Course	Units
--------	-------

Required core courses:

PSYC 1 General Psychology	3.0
---------------------------	-----

CDEV 53 Child Growth and Development	3.0
--------------------------------------	-----

Choose one of the following Statistics core courses:

ECON 5 Introductory Statistics for Economics,	
---	--

Business and Social Sciences	5.0
------------------------------	-----

PSYC 5 Statistics for Behavioral Sciences	5.0
---	-----

LALS 5 Introduction to Statistical Methods in Latin	
---	--

American and Latino/a Studies	5.0
-------------------------------	-----

MATH 80 Probability and Statistics	5.0
------------------------------------	-----

Choose 3 courses (minimum of 9 semester units) from the following:

GEOG 4 Cultural Geography	3.0
---------------------------	-----

PSYC 21 Lifespan Development	3.0
------------------------------	-----

CDEV 67 Child, Family, and Community	3.0
CDEV 73 Observing and Assessing Young Children	3.0
BIO 9 Human Biology	4.0
or BIO 11 Science of Living Organisms	4.0
Total:	20.0 – 21.0

Early Childhood Education Major (AS-T)

Associate in Science in Early Childhood Education for Transfer. This degree is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU or articulated private college or university program. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major; they may also be guaranteed admission to participating private institutions. A student graduating with an Associate in Science in Early Childhood Education for Transfer (Early Childhood Education AS-T) may transfer to complete a Bachelor’s Degree in Early Childhood Education, Child and Adolescent Development, Family and Consumer Sciences, Human Communication, Human Services, Liberal Studies or related fields.

Learning Outcomes

Upon completion of this program, students will be able to:

- Articulate stages of child growth and development, including brain development, sensory motor development, cognitive development, language development, physical development and social-emotional development.
- Examine the role of families and communities in the lives of children and youth, including secure relationships, community resources, diverse family structures, inclusion and the development of a community commitment to social justice.
- Explain developmentally appropriate practice and diverse philosophical approaches in early childhood settings.
- Describe the fundamental importance of play, sensory learning, inclusion and nurturing and responsive relationships.
- Compare and apply practices that promote professional and personal integrity among children, families, staff and colleagues including reflective practice, collaboration and teamwork strategies.
- Design and apply cross-cultural skills and knowledge to develop curriculum, communicate with families, build relationships with families and support the positive identity development of culturally diverse children and families.
- Describe safe and healthful environments in early education settings and in the community.
- Evaluate and demonstrate formal and informal observations and assessments of children to document development, play, growth and learning.

Students who wish to earn the Associate in Science in Early Childhood Education for Transfer (AS-T) must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of “C” (or “P”) or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

Assuming students start this AS-T with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AS-T in Early Childhood Education

Course	Units
Required courses:	
CDEV 53 Child Growth and Development	3.0
CDEV 65 Orientation to ECE Principles and Practice	3.0
CDEV 66 Introduction to Early Childhood Curriculum	3.0
CDEV 67 Child, Family, and Community	3.0
CDEV 72 Supervised Field Experience in Early Childhood Education	3.0
CDEV 73 Observing and Assessing Young Children	3.0
CDEV 92 Health, Safety and Nutrition in Early Childhood Programs	3.0
CDEV 93 Cultural Diversity in Early Childhood Education	3.0
Total:	24.0

Child Development and Family Studies Major (AS)

The Child Development Program is designed so that students may satisfy the requirements for graduation from the College with a major in Child Development and Family Studies. Students are prepared for a variety of careers including early childhood education, family support, recreation, after-school and school-based professions and after additional study, can enter a variety of careers including TK-12 classroom teaching, school administration, etc. The program is aligned with other ECE/CDEV majors throughout the state Curriculum Alignment Project to allow for statewide uniformity in the major and portability of coursework from other California Community Colleges.

Learning Outcomes

Upon completion of this program, students will be able to:

- Articulate the stages of child growth and development, including brain development, sensory motor development, cognitive development, language development, physical development and social-emotional development.
- Examine the role of families and communities in the lives of children and youth, including secure relationships, community resources, diverse family structures, inclusion and the development of a community commitment to social justice.
- Explain developmentally appropriate practice and diverse philosophical approaches in early childhood settings.
- Describe the fundamental importance of play, sensory learning, inclusion and nurturing and responsive relationships.
- Compare and apply practices that promote professional and personal integrity among children, families, staff and colleagues including reflective practice, collaboration and teamwork strategies.
- Design and apply cross-cultural skills and knowledge to develop curriculum, communicate with families, build relationships with families and support the positive identity development of culturally diverse children and families.
- Describe safe and healthful environments in early education settings and in the community.
- Evaluate and demonstrate formal and informal observations and assessments of children to document development, play, growth and learning.

Enrollment is open to all students interested in working with children in early childhood, after-school or community based programs or in

gaining knowledge needed to become employed in related professions such as TK-12 teacher, recreation worker, paraprofessional, youth worker or to transfer for further study.

The Degree curriculum requires a total of 60 semester units. After completing units from the Child Development Department and the General Education Requirements, a student may enroll in any approved course (as electives) to total the 60 units for an A.S. Degree.

Assuming students start this AS with graduation-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Child Development and Family Studies

Course Units

Required courses:

CDEV 53 Child Growth and Development	3.0
CDEV 65 Orientation to ECE Principles and Practice	3.0
CDEV 66 Introduction to Early Childhood Curriculum	3.0
CDEV 67 Child, Family, and Community	3.0
CDEV 72 Supervised Field Experience in Early Childhood Education	3.0
CDEV 73 Observing and Assessing Young Children	3.0
CDEV 92 Health, Safety and Nutrition in Early Childhood Programs	3.0
CDEV 93 Cultural Diversity in Early Childhood Education	3.0
Choose 6 units from the following elective courses:	
CDEV 68 Interactions with Children	3.0
CDEV 74 Children with Special Needs	3.0
CDEV 96 Understanding Children with Challenging Behaviors	3.0
CDEV 98 Sensory Motor Development and Activities	3.0
CDEV 108 Communicating with Families	3.0
CDEV 120 Special Education TK-12	3.0
Total:	30.0

Child Development: Administration Certificate

This certificate prepares students interested in assuming leadership and administrative positions in early childhood, school-age and other community-based settings. Competencies required to lead and administer a variety of programs are included as well as introductory business and management strategies appropriate for leading programs serving children, youth and their families.

This certificate satisfies the educational requirements and courses needed for the specialization component of the California Commission on Teacher Credentialing, Child Development Permit.

Learning Outcomes

Upon completion of this program, students will be able to:

- Differentiate and describe stages of child growth and development.
- Examine the role of families and communities in the lives of children and youth.
- Distinguish developmentally appropriate practice and diverse philosophical approaches in a range of settings for children and youth.
- Identify the general competencies and regulatory requirements needed to administer a child development program.

- Classify and explain the components of supervision needed to lead a child development program.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Child Development: Administration

Course Units

Required

CDEV 53 Child Growth and Development	3.0
CDEV 65 Orientation to ECE Principles and Practice	3.0
CDEV 66 Introduction to Early Childhood Curriculum	3.0
CDEV 67 Child, Family, and Community	3.0

Required courses for area of specialization: Administration

CDEV 90 Early Childhood Administration I	3.0
CDEV 91 Early Childhood Administration II	3.0
Total:	18.0

Child Development: Family Childcare Certificate

This certificate is appropriate for those students interested in opening or further developing a licensed family child care program or beginning a career in family child care. Current family child care providers interested in topical content and specific subjects would also be served.

The Certificate of Accomplishment will be granted upon successful completion of the required number of units in course work. A grade of “C” or better is required in all certificate courses.

Learning Outcomes

Upon completion of this program, students will be able to:

- Differentiate basic components of and professional responsibilities in family childcare settings.
- Distinguish and describe the elements of family child care, including regulatory requirements.
- Explain the developmental needs of children and families when planning family child care programs.

The minimum time for completion of this certificate is 1 semester. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Child Development: Family Childcare

Course Units

Choose three of the following

CDEV 41E Starting A Large Family Child Care or Center	1.0
CDEV 41I Advanced Business Practices in Family Child Care	1.0
CDEV 41J Development of Infancy in Family Child Care	1.0
CDEV 41K Infant/Toddler Curriculum in Family Child Care	1.0
CDEV 44 Family Child Care Environmental Rating Scale	1.0

Choose three of the following

CDEV 41C Issues in CDEV – Leadership Seminar	1.0
CDEV 41F Serving Children with Special Needs in Family Child Care	1.0
CDEV 41G Communicating with Families in Family Child Care	1.0

CDEV 41H Family Child Care Environment	1.0
CDEV 41N Music and Movement in Family Child Care	1.0
CDEV 41O Outdoor Learning in Family Child Care	1.0
CDEV 41P Mixed Ages in Family Child Care	1.0
CDEV 41S Learning Activities in Family Child Care	1.0
CDEV 41V Exploring Math in Family Child Care	1.0
CDEV 41W Exploring Science in Family Child Care	1.0
Total:	6.0

Child Development: Infant/Toddler Care Certificate

This certificate prepares students to care for infants and toddlers in a range of educational settings. This certificate satisfies the specialty area in Infant /Toddler Care for the California Commission on Teacher Credentialing Child Development Permit.

Learning Outcomes

Upon completion of this program, students will be able to:

- Differentiate stages of child growth and development.
- Examine the role of families and communities in the lives of children and youth.
- Distinguish developmentally appropriate practice and diverse philosophical approaches in infant/toddler settings.
- Differentiate the critical elements of developmental needs for infants and toddlers.
- Apply understanding of infant and toddler development when caring for infants and toddlers.
- Examine and analyze appropriate curriculum choices for infants and toddlers.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Child Development: Infant/Toddler Care

Course	Units
Required	
CDEV 53 Child Growth and Development	3.0
CDEV 65 Orientation to ECE Principles and Practice	3.0
CDEV 66 Introduction to Early Childhood Curriculum	3.0
CDEV 67 Child, Family, and Community	3.0
Choose 6 units from following courses	
CDEV 61 Infant/Toddler Growth and Development	3.0
CDEV 62 Infant/Toddler Care in Group Settings.	3.0
CDEV 85 Relationship-based Infant/Toddler Care	3.0
Total:	18.0

Child Development: Pre-Teacher Certificate

This Certificate of Accomplishment in TK-12 Pre-Teacher is an entry level certificate to introduce students to the field of TK-12 education and to begin on a pathway to earning an AS degree, a BA and a Multiple Subject or Single Subject credential. This certificate represents a beginning step for future TK to 12th grade classroom teachers. Coursework focuses on preparing students for teaching as a career and includes key content and fieldwork. The program prepares students to be classroom aides, para-professionals and to begin careers as assistants in TK to 12th grade classrooms as a first step.

Learning Outcomes

Upon completion of this program, students will be able to:

- Differentiate stages of growth and development of children and youth.
- Distinguish developmentally appropriate practice and diverse philosophical approaches in TK-12 settings.
- Examine the role of families and communities in TK-12 education.
- Examine the role of the TK-12 teacher and trends in public education.
- Organize the steps to becoming a credentialed teacher in California and examine current educational requirements.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Child Development: Pre-Teacher

Course	Units
Required courses:	
CDEV 53 Child Growth and Development	3.0
CDEV 150 Orientation to TK-12 Education	3.0
Choose one of the following field experience courses:	
CDEV 71 Elementary Supervised Field Experience	3.0
CDEV 75 High School Supervised Field Experience	3.0
Choose 6 units from the following elective courses:	
CDEV 67 Child, Family, and Community	3.0
CDEV 120 Special Education TK-12	3.0
P SC 11 Conceptual Physical Science	3.0
P SC 11L Physical Science Laboratory	1.0
LERN 53A Test Prep for CBEST Basic Skills Test-English	0.5
LERN 53B Test Prep: Standardized Exams: CBEST-Math	0.5
LERN 53C Test Prep: Standardized Exams: CSET	0.5
LERN 53D Test Prep for CSET Multiple Subjects Exam: Math	0.5
Total:	15.0

Child Development: Professional Development and Advocacy Certificate

The Professional Development & Advocacy Certificate prepares students to better understand the decisions and beliefs that shape policies and programs for children and families and to advocate for improvements and changes. This certificate builds upon practitioner content in the field and extends to coursework that introduces advocacy and the importance of professional development to improve quality settings for children and youth.

Learning Outcomes

Upon completion of this program, students will be able to:

- Explain the stages of child growth and development across all domains including brain, sensory motor, language, cognitive, physical and social-emotional development.
- Examine the role of families and communities in the lives of children and youth, including secure relationships, community resources, diverse family structures and the development of a community commitment to social justice.

- Articulate developmentally appropriate practice and diverse philosophical approaches in early childhood settings.
- Analyze and examine the impact of federal and state policies on children and families and advocacy strategies in the field of early childhood education.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Child Development: Professional Development and Advocacy

Course Units

Required courses:

CDEV 53 Child Growth and Development	3.0
CDEV 65 Orientation to ECE Principles and Practice	3.0
CDEV 66 Introduction to Early Childhood Curriculum	3.0
CDEV 67 Child, Family, and Community	3.0

Choose 1 unit from the following area of specialization:

Professional Development and Advocacy elective courses:

CDEV 41B Issues in CDEV Teacher Seminar	0.5
CDEV 41C Issues in CDEV – Leadership Seminar	1.0
CDEV 41L Advocacy and Professional Standards in ECE	1.0

Choose 3 units from the following elective courses:

CDEV 41M Substitute Teaching in ECE Programs.	1.0
CDEV 41U Dual Language Learning in Early Childhood	3.0
CDEV 44 Family Child Care Environmental Rating Scale	1.0
CDEV 45 ITERS and ECERS Rating Scale	1.0
CDEV 46 ECE Teacher-Child Interactions Using the Classroom Assessment Scoring System (CLASS)	1.0
CDEV 81 Early Literacy Development--Preschool.	1.0
CDEV 87 Promoting Social and Emotional Competence in Young Children.	3.0
CDEV 105 Adult Supervision and Mentoring in Early Care and Education	2.0
CDEV 114 Work Experience in Child Development.	1.0 – 3.0

Total: 16.0

Child Development: School-Age Care Certificate

This Certificate prepares students to work with school-age children in group educational settings and satisfies the educational requirements for the California Commission on Teacher Credentialing’s Child Development School Age Permit.

Learning Outcomes

Upon completion of this program, students will be able to:

- Differentiate and describe stages of child growth and development.
- Examine the role of families and communities in the lives of children and youth.
- Distinguish developmentally appropriate practice and diverse philosophical approaches in a range of settings for children and youth.
- Classify and distinguish the unique characteristics of child development settings for older, school-age children in out-of-school time settings.

- Analyze the core teaching competencies practiced in school-age education.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Child Development: School-Age Care

Course Units

Required courses:

CDEV 53 Child Growth and Development	3.0
CDEV 65 Orientation to ECE Principles and Practice	3.0
CDEV 66 Introduction to Early Childhood Curriculum	3.0
CDEV 67 Child, Family, and Community.	3.0

Required courses for area of specialization: School-Age Care

CDEV 95 School-Age Child Care Curriculum	3.0
CDEV 97 School Age Growth & Development.	3.0

Total: 18.0

Child Development: Violence Intervention in Early Childhood Certificate

This Certificate prepares students to implement trauma-informed practices in community-based organizations and educational settings with a focus on how to understand and support families and children exposed to violence. This Certificate satisfies the educational requirements for the Specialization Component of the California Commission on Teacher Credentialing’s Child Development Permit.

Learning Outcomes

Upon completion of this program, students will be able to:

- Differentiate and describe stages of child growth and development.
- Examine the role of families and communities in the lives of children and youth.
- Distinguish developmentally appropriate practice and diverse philosophical approaches in a range of settings for children and youth.
- Analyze the impact of violence and trauma on children and families.
- Assess violence prevention and intervention strategies for children, families and communities.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Child Development: Violence Intervention in Early Childhood

Course Units

Required courses:

CDEV 53 Child Growth and Development	3.0
CDEV 66 Introduction to Early Childhood Curriculum	3.0
CDEV 67 Child, Family, and Community.	3.0
CDEV 65 Orientation to ECE Principles and Practice	3.0

Required courses for area of specialization: Violence Intervention

CDEV 100 Violence and Its Impact on Children and Their Families	3.0
CDEV 101 Introduction to Violence Intervention	3.0

Total: 18.0

Child Development: Youth Worker Certificate

The Youth Worker Certificate is designed to prepare students interested in pursuing careers with older children and youth in a variety of settings. Content includes youth development principles relevant to working in group or one-on-one settings with older children and youth. Students can also pursue transfer opportunities in recreation, child and adolescent development, social work, teaching, health education and other related fields.

Learning Outcomes

Upon completion of this program, students will be able to:

- Compare the developmental needs of older children and youth when planning curriculum for youth programs in the community.
- Examine the role of families and communities in the lives of children and youth.
- Analyze the emerging field of youth worker and examine the variety of settings where youth are served.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

ECE Associate Teacher Certificate

This certificate includes Early Childhood Education (ECE) courses and is an entry level certificate for students preparing to work with groups of children in early childhood settings. The courses are required by the Department of Social Services, Community Care Licensing to work in licensed child care facilities in California. Completing the certificate also satisfies the educational requirements for the Associate Teacher level of the California Commission on Teacher Credentialing's Child Development Permit. These core courses form the foundational requirements for continued work with young children in a variety of educational and classroom settings, including ECE, infant/toddler care, school-age care, and after additional study, K-12 classrooms.

Learning Outcomes

Upon completion of this program, students will be able to:

- Differentiate stages of child growth and development.
- Examine the role of families and communities in the lives of children and youth.
- Distinguish developmentally appropriate practice and diverse philosophical approaches in a range of settings for young children.

The minimum time for completion of this certificate is 1 semester. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in ECE Associate Teacher

Course.....Units

Required Courses:

CDEV 53 Child Growth and Development..... 3.0

CDEV 65 Orientation to ECE Principles and Practice.. 3.0

CDEV 66 Introduction to Early Childhood

Curriculum..... 3.0

CDEV 67 Child, Family, and Community..... 3.0

Total:.....12.0

ECE Practitioner Certificate

This Certificate provides the Early Childhood Education Practitioner with a course of study that satisfies multiple requirements and content needs. The core licensing requirements required by the Department of Social Services, Community Care Licensing are satisfied as well as the courses required for the California Commission on Teacher Credentialing, Child Development Permit. Students interested in working as a classroom teacher in ECE, early elementary (TK) or similar settings will develop the foundational knowledge of how children learn and grow and what they need for optimal development in a range of settings.

Learning Outcomes

Upon completion of this program, students will be able to:

- Differentiate stages of child growth and development.
- Examine the role of families and communities in the lives of children and youth.
- Distinguish developmentally appropriate practice and diverse philosophical approaches in a range of settings for young children.

- Distinguish best practices and professional competencies for a variety of careers in teaching.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in ECE Practitioner

Course Units
Required courses:

- CDEV 53 Child Growth and Development 3.0
- CDEV 65 Orientation to ECE Principles and Practice . . 3.0
- CDEV 66 Introduction to Early Childhood Curriculum . . 3.0
- CDEV 67 Child, Family, and Community 3.0

Choose 3 units from following elective courses:

- CDEV 72 Supervised Field Experience in Early Childhood Education 3.0
- CDEV 73 Observing and Assessing Young Children . . . 3.0
- CDEV 92 Health, Safety and Nutrition in Early Childhood Programs 3.0
- CDEV 93 Cultural Diversity in Early Childhood Education 3.0

Choose 3 units required from following depth elective courses:

- CDEV 64 Introduction to Stress Reduction and Coping in Early Childhood and Elementary School Programs . 3.0
- CDEV 68 Interactions with Children 3.0
- CDEV 76 Supporting LGBT Families in Educational Settings 3.0
- CDEV 98 Sensory Motor Development and Activities . . 3.0
- CDEV 106 Exploring Science in Early Childhood 3.0
- CDEV 107 Introduction to Child Nutrition 3.0
- CDEV 108 Communicating with Families 3.0

Total: **18.0**

Introduction to Special Education Certificate

This Certificate of Accomplishment in Special Education-Autism is a 8 unit entry point into the field of Special Education and prepares students to work in entry-level positions with children with special needs in a variety of school settings. It completes the educational requirements for a Behavioral Specialist Internship working one-on-one with children with autism. These units also count towards a Certificate of Achievement in Special Education.

Learning Outcomes

Upon completion of this program, students will be able to:

- Distinguish appropriate interventions for children with autism aged 0-5.
- Plan differentiated teaching strategies for creating developmentally appropriate inclusive classrooms.
- Differentiate strategies for collaborating with families and connecting families with community resources.

The minimum time for completion of this certificate is 1 semester. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Introduction to Special Education

Course Units
Required courses:

- CDEV 41T Early Autism Spectrum Disorders 1.0
- CDEV 74 Children with Special Needs 3.0
 or CDEV 120 Special Education TK-12 3.0

- CDEV 53 Child Growth and Development 3.0
 or CDEV 67 Child, Family, and Community 3.0

Choose 1 unit from the following elective courses:

- CDEV 121 Children with ADHD 1.0
- CDEV 122 Social Emotional Differences K-12 1.0
- CDEV 123 Learning Disabilities 1.0
- CDEV 124 Individualized Education Programs 1.0

Total: **.8.0**

Special Education TK-12 Certificate

This Certificate of Achievement in Special Education TK (transitional kindergarten) -12 builds on the Special Education Certificate of Accomplishment to build knowledge, skills and abilities related to inclusive and special education in TK-12 settings working with children 4-18 years old. This certificate completes additional educational requirements for Special Education teaching assistant positions and is part of a pathway towards earning a Special Education and/or Multiple Subjects Teaching Credential to teach in TK-5 classrooms.

Learning Outcomes

Upon completion of this program, students will be able to:

- Differentiate stages of child growth and development, with particular emphasis on typical and atypical development.
- Examine the role of families and communities in the lives of children and youth, particularly children and youth with special needs.
- Describe developmentally appropriate practices for the inclusion of children with special needs in TK-12 settings.
- Categorize sensory and learning challenges in TK-12 aged children and identify strategies to address them.

The minimum time for completion of the certificate is 2 semesters. Completion will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Special Education TK-12

Course Units
Required Courses:

- CDEV 53 Child Growth and Development 3.0
- CDEV 67 Child, Family, and Community 3.0
- CDEV 120 Special Education TK-12 3.0
- CDEV 150 Orientation to TK-12 Education 3.0

Choose one of the following courses:

- CDEV 95 School-Age Child Care Curriculum 3.0
- CDEV 97 School Age Growth & Development 3.0

Choose three of the following one-unit courses:

- CDEV 121 Children with ADHD 1.0
- CDEV 122 Social Emotional Differences K-12 1.0
- CDEV 123 Learning Disabilities 1.0
- CDEV 124 Individualized Education Programs 1.0

Total: **18.0**

Special Education: ECE Intervention Certificate

This Certificate of Achievement builds on the Introduction to Special Education Certificate of Accomplishment and continues the pathway to an ongoing career in Early Childhood Special Education. The coursework builds skills for general and special education teachers to understand the strengths and challenges of children with special needs and to describe inclusive strategies to respond to them. The course

work prepares students to work with young children with special needs in a range of settings, both one-on-one and group, in both general education and special education environments. Taken together, the courses complete educational requirements for the California Commission on Teacher Credentialing's Child Development Permit and satisfy the core licensing requirements required by the Department of Social Services Community Care Licensing. The Certificate of Accomplishment will be granted upon successful completion of the required number of units of coursework.

Learning Outcomes

Upon completion of this program, students will be able to:

- Differentiate stages of child growth and development, with particular emphasis on typical and atypical development.
- Examine the role of families and communities in the lives of children and youth, particularly children with special needs.
- Distinguish developmentally appropriate practice and diverse philosophical approaches in early childhood settings.
- Compare differentiated teaching strategies for creating inclusive early childhood classrooms and engaging children with diverse learning styles, strengths and needs.
- Categorize sensory and learning challenges for children and identify strategies to address them.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Announcement of Courses

Child Development

Credit, Degree Applicable Courses:

CDEV 11B. Pediatric Preventive Health Ed (.5)
 Lec-9 P/NP available
 Instruction in recognition and management of preventive health practices, prevention health policies, and injury prevention in the child care setting. Course partially fulfills the requirement of AB243 mandated Health and Safety Training established by State EMS Authority for childcare providers. CSU

CDEV 11C. First Aid Care for Children (.5)
 Lec-9
 Identification, transmission, control, and care for common childhood illness and communicable disease. Child care first aid practices and procedures for the management of well children with mild illness, chronic health conditions and special needs. This course fulfills the partial continuing education requirement of the AB 243 mandated Health and Safety Training established by the State EMS Authority for Child Care Providers. CSU

CDEV 41B. Issues in CDEV-Teacher Seminar (.5)
 Lec-8.75 P/NP available
 Teachers in ECE, K-12 and youth-serving programs attend seminars on emerging trends and issues related to improving program quality, understanding child development, specific curricular content, advocacy and community resources in the SF Bay Area, assessment and planning and teaching and learning. CSU
OFFERED ON OCCASION

CDEV 41C. Issues in CDEV-Leadership Seminar (1)
 Lec-17.5 P/NP available
 Courses in seminar format for practitioners, directors, site supervisors, leaders and staff in programs serving children and youth related to professional development, including topics such as: emerging trends in the field, quality improvement efforts, advocacy, staff supervision, legal and licensing issues, facilities and fund development and other topics as needed. CSU
OFFERED ON OCCASION

CDEV 41D. The Child Development Permit and Professional Growth Advising (1)
 Lec-17.5
 Overview of the Child Development Permit Matrix, including the application process, recent changes and requirements for education and experience. Emphasis on the role of the Professional Growth Advisor using the "California Early Childhood Educator (ECE) Competencies". Utilizing the CA ECE Registry and the role of the Registry in tracking professional development and academic coursework will also be covered. CSU
OFFERED ON OCCASION

CDEV 41E. Starting A Large Family Child Care or Center (1)
 Lec-17.5
 RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH
 Requirements for opening a child care center or family child care, or expanding an existing family child care. Emphasis on space and program considerations, including those unique to San Francisco. Strategies for the provision of quality, developmentally appropriate and culturally relevant services to children and families. CSU
OFFERED ON OCCASION

CDEV 41F. Serving Children with Special Needs in Family Child Care (1)
 Lec-17.5 P/NP available
 RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH
 An overview of the range of developmental differences of children with special needs with an emphasis on the role of the family child care provider in designing environments to include children with special needs; creating appropriate accommodations; sharing community support strategies and resources with families; and participating in the Individualized Education Plan (IEP) process. CSU
OFFERED ON OCCASION

CDEV 41G. Communicating with Families in Family Child Care (1)
Lec-17.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT INTO ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Techniques and strategies for communicating the developmental needs of children with a variety of social, economic, cultural and family structures are considered. Importance of developing positive family-provider communication for successful relationships in family child care settings. CSU
OFFERED ON OCCASION

CDEV 41H. Family Child Care Environment (1)
Lec-17.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT INTO ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Overview of developmentally appropriate environments in home-based group care for children at various ages and stages, and areas of development. The role of licensed family child care providers in supporting growth and development in all domains, particularly in physical-sensory motor development through thoughtful design of the environment. CSU
OFFERED ON OCCASION

CDEV 41I. Advanced Business Practices in Family Child Care (1)
Lec-17.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Overview of the operation of a family child care. Information on continuous compliance with licensing requirements, procedures for a successful business, marketing and meeting the developmental needs of young children in group care. CSU
OFFERED ON OCCASION

CDEV 41J. Development of Infancy in Family Child Care (1)
Lec-17.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

A brief introduction to infant development from prenatal care to toddler years for Family Child Care (FCC) providers. Providing Developmentally Appropriate Practices (DAP) to enhance their skills in caring for infants and toddlers in a Family Child Care setting. CSU
OFFERED ON OCCASION

CDEV 41K. Infant/Toddler Curriculum in Family Child Care (1)
Lec-17.5

A brief introduction to infant/toddler curriculum with an emphasis on the significance of how infants and toddlers learn. The importance of quality care, relationships, and planning curriculum and environments that meet the needs of young children in a Family Child Care (FCC) setting will be addressed, CSU
OFFERED ON OCCASION

CDEV 41L. Advocacy and Professional Standards in ECE (1)
Lec-17.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Professional standards in child development including quality rating scales, the profession's code of ethics, and strategies for advocacy. CSU
OFFERED ON OCCASION

CDEV 41M. Substitute Teaching in ECE Programs (1)
Lec-17.5

P/NP available

This course is specifically designed to provide students with a basic understanding of working as a substitute teacher in licensed childcare settings. Students will learn strategies for effectively functioning as a

temporary teaching team member that includes bringing their own supplies, arriving early, and having a back-up plan. CSU
OFFERED ON OCCASION

CDEV 41N. Music and Movement in Family Child Care (1)
Lec-17.5

Integrating music and movement activities into the family child care curriculum for infants, toddlers and preschoolers. Opportunities for physical, cognitive and social-emotional and cultural learning will be covered along with effective strategies for facilitating small group activities. CSU
OFFERED ON OCCASION

CDEV 41O. Outdoor Learning in Family Child Care (1)
Lec-17.5, field trips

An exploration of outdoor learning opportunities for young children in home-based child care focused on the developmental needs of infants, preschoolers and school-age children. Active and sensory play, discoveries in nature, imaginative and creative arts, safety standards, design elements, and community resources. CSU
OFFERED ON OCCASION

CDEV 41P. Mixed Ages in Family Child Care (1)
Lec-17.5

An exploration of the benefits and challenges of meeting the developmental needs of mixed ages of children in family child care. Environmental adaptations for time together and time apart, daily planning and flexibility, and effective strategies to maximize the benefits will be examined and practiced. CSU
OFFERED ON OCCASION

CDEV 41S. Learning Activities in Family Child Care (1)
Lec-17.5

An examination of the learning activities during play and routine care in family child care programs. Materials, arrangement, scheduling and caregiver strategies that support language and reasoning, problem solving, concept development and socialization will be emphasized. CSU
OFFERED ON OCCASION

CDEV 41T. Early Autism Spectrum Disorders (1)
Lec-17.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Overview of the unique characteristics and needs of young children with Autism Spectrum Disorder (ASD). Roles of paraprofessionals and behavior interventionists in supporting young children with autism will be examined. Early intervention strategies will be emphasized. CSU
OFFERED ON OCCASION

CDEV 41U. Dual Language Learning in Early Childhood (3)
Lec-52.5

Emphasis is on the acquisition of second languages in Dual Language and Bilingual Early Care and Education programs. Current research on language acquisition, public policy implications, best practices for language curriculum development and strategies for authentic assessment and home/school connections will be emphasized. CSU
OFFERED ON OCCASION

CDEV 41V. Exploring Math in Family Child Care (1)
Lec-17.5

An exploration of the developmental sequence of early mathematical concepts and their application in the family child care setting. Selection of materials, the development of activities and games to

foster math learning and the practice of using teachable moments during daily routine and play experiences. CSU

OFFERED ON OCCASION

CDEV 41W. Exploring Science in Family Child Care (1)

Lec-17.5

An active exploration of the materials and strategies that can support young children's interest in how the world works. Emphasis on the natural and physical sciences and the promotion of inquiry-based experiences in family child care. CSU

OFFERED ON OCCASION

CDEV 44. Family Child Care Environmental Rating Scale (1)

Lec-17.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

The Family Child Care Environmental Rating Scale, Revised (FCCERS-R) for family child care providers in multi-age groupings. The FCCERS-R continues to be used nationally and locally to measure quality of care of family child care programs. This course is designed to support current practitioners in using the FCCERS-R in family child care programs. CSU

OFFERED ON OCCASION

CDEV 45. ITERS and ECERS Rating Scale (1)

Lec-17.5

Examination of standardized environmental rating scales for early care and education programs. Provides knowledge and skills necessary for administering and interpreting the Early Childhood Environment Rating Scale-third edition (ECERS-3) and the Infant Toddler Environment Rating Scale-third edition (ITERS-3) for the development of high quality care. CSU

OFFERED ON OCCASION

CDEV 46. ECE Teacher-Child Interactions Using the Classroom Assessment Scoring System (CLASS) (1)

Lec-17.5

Overview of the Classroom Assessment Scoring System (CLASS) with an emphasis on the importance of adult-child interactions for development and learning outcomes, the analysis of classroom practice, and the use of the scoring instrument. CSU

OFFERED ON OCCASION

CDEV 53. Child Growth and Development (3)

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Examines the progression of development in the physical, cognitive, social/emotional domains and identifies developmental milestones for children from conception through adolescence. Emphasis on interactions between biological processes and environmental factors. Students will observe children, evaluate individual differences, and analyze characteristics of development at various stages according to developmental theories. UC/CSU

C-ID CDEV 100

CDEV 61. Infant/Toddler Growth and Development (3)

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Physical/sensory-motor, social-emotional, and cognitive/language development of the prenatal period throughout the first three years will be studied with an emphasis on interactions between genetic and environ-

mental factors. Brain development research and major developmental theories are the guiding principles for practice. Caring adults as a foundation for all development will be emphasized. CSU

CDEV 62. Infant/Toddler Care in Group Settings (3)

Lec-52.5, field trips

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Introduction to relationship-based care in infant/toddler programs supported by current brain development research. Curriculum planning is based on observation, meeting infants/toddlers' needs and providing positive guidance. Focus is on primary care, continuity of care, and individualized care in small groups. CSU

CDEV 64. Introduction to Stress Reduction and Coping in Early Childhood and Elementary School Programs (3)

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Overview of theories, issues, concerns and concepts related to the origins of stress; exploration of stress reduction techniques and coping strategies designed for young children and teachers in early childhood and elementary school programs. CSU

OFFERED ON OCCASION

CDEV 65. Orientation to ECE Principles and Practice (3)

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Theoretical perspectives & historical contexts of developmentally-appropriate practices applied to environments & programs for children from birth through age eight. Examines the role of relationships, constructive adult-child interactions, & teaching strategies in supporting development across all domains for all children, including those from diverse backgrounds (culture, learning styles, special needs). Evolution of professional practices promoting advocacy, ethics, and professional identity. CSU

C-ID ECE 120

CDEV 66. Introduction to Early Childhood Curriculum (3)

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Appropriate curriculum and environments for children from birth to age 8. Teachers' roles in supporting development and joy of learning for all children using observation and assessment and emphasizing the essential role of play through language, literacy, social/emotional learning, physical/motor activity, sensory learning, art, creativity, math, and science. CSU

C-ID ECE 130

CDEV 67. Child, Family, and Community (3)

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

An examination of the developing child in a societal context focusing on the interrelationship of family, school, and community, and emphasizing historical and socio-cultural factors. The processes of socialization and identity development will be highlighted, showing the importance of respectful, reciprocal relationships that support and empower families. UC/CSU

C-ID CDEV 110

CDEV 68. Interactions with Children (3)

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Children's interactions and their relationship with teachers; dynamics of social interaction in the context of child growth and development; motivation and management of children's social behavior; working in childcare settings; current trends in care. CSU

OFFERED ON OCCASION

CDEV 71. Elementary Supervised Field Experience (3)

Lec-26.5, Work-90-112.5

PREREQ: APPROVAL OF THE CHILD DEVELOPMENT DEPARTMENT

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Supervised fieldwork in diverse public elementary schools. Practical classroom experiences linking theory and practice, professionalism and comprehensive understanding of elementary school children and various roles of adults. Assessment and curriculum emphasized, as students design, implement and evaluate experiences for development and learning for elementary school children. One unit of credit is earned for each 60 hours of unpaid, or 75 hours of paid work. CSU

OFFERED FALL SEMESTERS

CDEV 72. Supervised Field Experience in Early Childhood Education (3)

Lec-26.5, Work-90

PREREQ: CDEV 53; CDEV 65; CDEV 66; CDEV 67; APPROVAL OF THE CHILD DEVELOPMENT DEPARTMENT

Demonstration of early childhood teaching competencies under guided supervision. Practical classroom experiences linking theory and practice, professionalism, and comprehensive understanding of children and families. Child centered, play-oriented teaching, learning, assessment and curriculum as students design, implement and evaluate experiences for development and learning for young children. One unit of work experience credit is earned for each 60 hours of unpaid, or 75 hours of paid work. CSU
C-ID ECE 210

CDEV 73. Observing and Assessing Young Children (3)

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Introduces the appropriate use of assessment and observation tools and strategies to document young children's development and learning. The use of findings to inform and plan learning environments and experiences are emphasized. Recording strategies, rating systems, portfolios, and multiple assessment tools will be discussed, along with strategies for collaboration with families and professionals. CSU

*C-ID ECE 200***CDEV 74. Children with Special Needs (3)**

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Early childhood teachers and paraprofessionals will explore the developmental strengths and needs of young children 0-8 years with special needs using inclusion strategies and techniques for partnering with families. CSU

CDEV 75. High School Supervised Field Experience (3)

Lec-26.5, Work-90-112.5

PREREQ: APPROVAL OF THE CHILD DEVELOPMENT DEPARTMENT

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Supervised fieldwork in diverse secondary schools (grades 6-12). Practical classroom experiences linking theory and practice, with a comprehensive understanding of the needs of secondary school youth and the various roles of adults. An introduction to the secondary environment and Common Core Standards under guided supervision. One unit of work experience credit is earned for each 60 hours of unpaid or 75 hours of paid work. UC/CSU

OFFERED ON OCCASION

CDEV 76. Supporting LGBT Families in Educational Settings (3)

Lec-52.5

RECOMMENDED PREP: CDEV 67

Analysis of challenges faced by lesbian, gay, bisexual and transgender (LGBT) families in educational settings and exploration of the role of educators and educational programs in creating inclusive, accepting and celebratory environments. CSU

OFFERED ON OCCASION

CDEV 78. Supervised Field Experience in Community Youth Organizations (3)

Lec-26.5, Work-90-112.5

PREREQ: APPROVAL OF THE CHILD DEVELOPMENT DEPARTMENT

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Supervised work experience in youth-serving agencies to make connections between theory and practice. Observation and evaluation of school-age children and youth, planning of group activities, and the role of adults in youth programs will be examined in this course. This course fulfills the requirement for the Community Youth Worker Certificate. One unit of work experience credit is earned for each 60 hours of unpaid or 75 hours of paid work. CSU

OFFERED SPRING SEMESTERS

CDEV 79. Youth Program Development (3)

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Explore various aspects of programming for youth, including curriculum planning, observation, evaluation and assessing developmental needs. Youth settings and programs will be examined with an emphasis on the cultivation of an "assets-based" model of youth development and leadership principles. This course fulfills the requirement for the Community Youth Certificate. CSU

OFFERED FALL SEMESTERS

CDEV 81. Early Literacy Development--Preschool (1)

Lec-17.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Strategies in preschool to develop language, pre-reading and pre-writing skills. Selecting books and materials; engaging children in shared literary experiences, promoting skills and early experiments with print. Issues and strategies for second language learners. CSU

OFFERED ON OCCASION

CDEV 85. Relationship-based Infant/Toddler Care (3)

Lec-52.5

RECOMMENDED PREP: ESL 182 OR PLACEMENT IN ESL 184

Principles and practices of relationship-based care that support infant/toddler social-emotional development, learning during routine care and play activities, and development of language and communication. The parent-provider partnership is explored as key to understanding children and keeping them connected to the family and culture. CSU

CDEV 87. Promoting Social and Emotional Competence in Young Children (3)

Lec-52.5

RECOMMENDED PREP: ESL 182 OR PLACEMENT IN ESL 184

Course topics will include strategies to promote children's social and emotional development and tools to address challenging behaviors and mental health needs. Course includes interrelated levels of practice in developing positive relationships with children, families and colleagues; creating supportive environments; utilizing social and emotional teaching strategies to provide intensive, individualized interventions. CSU

THIS COURSE MEETS REQUIREMENTS FOR THE CERTIFICATE OF ACHIEVEMENT IN CHILD DEVELOPMENT: PROFESSIONAL DEVELOPMENT AND ADVOCACY.

*OFFERED ON OCCASION***CDEV 89. Early Childhood Administration Practicum (3)**

Lec-52.5

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: CDEV 90 OR CDEV 91

Advanced content for administrators and directors in effective administration, supervision and management of early childhood programs. Emphasis will be on financial management, governance, data-based decision making, and human relations. CSU

CDEV 90. Early Childhood Administration I (3)

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

A course focusing on the business and administrative aspects of operating early childhood education programs. Explores regulatory requirements including legal issues to analyze impact on center operations and specific management tools used to reflect upon about current business practices. CSU

CDEV 91. Early Childhood Administration II (3)

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Administration, supervision and management of early childhood programs. Emphasis on human relations including staffing; family involvement; and developing communication guidelines for director/teacher, teacher/teacher, teacher/family and managing the daily operations of program. CSU

CDEV 92. Health, Safety and Nutrition in Early Childhood Programs (3)

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Introduction to laws, regulations, standards, curriculum, policies, and procedures related to health, safety, and nutrition for all children. Components that ensure physical health, mental health, and safety for children and staff and the importance of collaboration with families and health professionals. Focus on integrating concepts into planning and program development. CSU

*C-ID ECE 220***CDEV 93. Cultural Diversity in Early Childhood Education (3)**

Lec-52.5, field trips

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Theoretical and practical implications of social identity, oppression and privilege for young children, families, programs, and teaching. Strategies for culturally and linguistically appropriate anti-bias approaches support

ing all children in a diverse society. Self-examination and reflection on social identity, stereotypes and bias, social and educational access, media, and schooling. CSU

*C-ID ECE 230***CDEV 95. School-Age Child Care Curriculum (3)**

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Understanding child development and family concerns essential in planning a developmentally appropriate school-age child care program. Explores relationships with children and families, age appropriate activities, positive guidance and planning the environment. CSU

CDEV 96. Understanding Children with Challenging Behaviors (3)

Lec-52.5

P/NP available

PREREQ: CDEV 53

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Overview of issues related to children who exhibit behaviors that are challenging for adults in early childhood programs. Explores current brain research, theories in preventing challenging behaviors, sensory-motor intervention approaches, the importance of nurturing relationships and reflective practices. CSU

*OFFERED ON OCCASION***CDEV 97. School Age Growth & Development (3)**

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Human growth and development, ages five to twelve, and early and mid-adolescence, covering physical, cognitive, language, and social development. Developmental theories and issues affecting the lives of school age children in contemporary society. Required for the Certificate of Achievement in Child Development: Youth Worker and School Age Childcare. CSU

CDEV 98. Sensory Motor Development and Activities (3)

Lec-52.5, field trips

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: CDEV 53

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Overview of sensory motor development in young children; developmentally appropriate sensory motor activities and experiences; and the relationship of physical, cognitive, and social-emotional development to brain development in young children. CSU

*OFFERED ON OCCASION***CDEV 99. Sensory Processing Disorder in Children (1)**

Lec-17.5

RECOMMENDED PREP: CDEV 53

Overview of issues related to Sensory Processing Disorder (SPD) in young children, with an emphasis on early identification and intervention strategies. The class will explore subtypes of SPD, sensory integration interventions and overlapping patterns with ADHD and autistic-spectrum disorders. CSU

*OFFERED ON OCCASION***CDEV 100. Violence and Its Impact on Children and Their Families (3)**

Lec-52.5

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An exploration of violence and its impact on the physical and psycho

logical well-being of children, families, early childhood teachers, and others. Emphasis is on early relationships and how they affect a child's worldview, plus practitioner self-care and multi-cultural awareness. CSU
OFFERED FALL SEMESTERS

CDEV 101. Introduction to Violence Intervention (3)

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An overview of violence prevention and intervention strategies found in best practice early childhood programs. This course focuses on developing professional and interpersonal skills of educators to respond to diverse children and their families who experience high levels of stress and chronic violence that compromise development and can result in the need for trauma care. CSU

OFFERED SPRING SEMESTERS

CDEV 105. Adult Supervision and Mentoring in Early Care and Education (2)

Lec-35

P/NP available

PREREQ: CDEV 90

Methods and principles of supervising adults in early childhood classrooms. Emphasis on the role of the experienced teacher who functions as the supervisor to center staff. Explores the head teachers' relationship to new teachers while simultaneously addressing the needs of children, parents, and other staff. CSU

OFFERED SPRING SEMESTERS

CDEV 106. Exploring Science in Early Childhood Education (3)

Lec-52.5

RECOMMENDED PREP: CDEV 66

Early childhood teachers will explore materials and teaching strategies that support young children's interest in and understanding of science and the natural world. CSU

OFFERED SPRING SEMESTERS

CDEV 107. Introduction to Child Nutrition (3)

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

The course provides an overview of child nutrition issues, with an emphasis on practical skills and approaches to influence positive eating behaviors that promote optimal health and nutrition. Topics include basic nutrition principles, the feeding relationship, breastfeeding & child nutrition, planning healthy meals & snacks, food safety, childhood obesity, physical activity, nutrition education, child nutrition programs & food assistance resources. CSU

CROSS-LISTED WITH HLTH 177 (FORMERLY HLTH 107)

CDEV 108. Communicating with Families (3)

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Importance of communication in child care and school settings. Family needs, differences, and expectations are stressed. Special attention paid to cultural, racial, economic, gender, and family structure differences and their various impacts on communication strategies. CSU

CDEV 114. Work Experience in Child Development (1-3)

Work-60-225

P/NP only

PREREQ: APPROVAL OF THE CHILD DEVELOPMENT DEPARTMENT

REPEAT: REPEATED UP TO 6.00 UNITS

This course will provide on or off-campus experience in early childhood/child development- ECE, K -12 classroom, after-school or youth

work settings. The focus will be on providing practical experience in the methods and principles of teaching in early childhood and school-age classrooms. Emphasis will be placed on the role of the teacher in the field experience setting. One unit of credit is earned for each 60 hours of unpaid, or 75 hours of paid work. CSU

STUDENTS MUST OBTAIN REQUIRED TB TESTING, AND OTHER CLEARANCES (CRIMINAL RECORD, IMMUNIZATIONS) DEPENDING ON SITE REQUIREMENTS. APPROVAL OF CHILD DEVELOPMENT WORK EXPERIENCE COORDINATOR. TO BE MADE AT FIRST MEETING AFTER COURSE REGISTRATION AND ENROLLMENT.

CDEV 120. Special Education TK-12 (3)

Lec-52.5, field trips

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Introduction to basic issues in special education TK (transitional kindergarten-12 including legal rights of children with disabilities and their families, Individual Educational Plans (IEPs), disability sensitivity and awareness, inclusion, collaboration strategies and community resources. CSU

OFFERED FALL SEMESTERS

CDEV 121. Children with ADHD (1)

Lec-17.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Explore behaviors, strengths, and needs of children with ADHD and develop teaching strategies that support them and their families.

Conventional and alternative approaches to diagnosis and treatment as well as prevention and inclusion strategies will be explored. CSU

CDEV 122. Social Emotional Differences K-12 (1)

Lec-17.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Explore the definition and etiology of social emotional differences (also known as social emotional disturbance or SED), disproportionality and strategies to address it, prevention/intervention strategies for supporting children diagnosed with SED, and strategies for teacher self-awareness and reflection. CSU

Lec-17.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Explore specific learning disabilities including dyslexia, dyscalculia, dysgraphia, and non-verbal learning disability. Identify multi-sensory strategies for teaching children with learning disabilities; identify student strengths and use them to address weaknesses; learn how to create an inclusive learning environment; and become aware of community resources. CSU

CDEV 124. Individualized Education Programs (1)

Lec-17.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Learn about Individualized Education Programs (IEPs) and Individualized Family Service Plans (IFSPs) for children with special needs, including planning IEP/IFSP meetings, setting goals and objectives, writing the IEP plan, legal rights of children with disabilities, and the importance of working collaboratively with multidisciplinary teams including culturally diverse families, advocates, general

education teachers and support personal to meet the social and academic success of each student. CSU

OFFERED ON OCCASION

CDEV 125. Children's Emotional Development (1)

Lec-17.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Learn about emotional development of young children, and using empathy and brain science to understand and solve children's behavioral challenges through connection, responsiveness, co-regulation and tools for understanding the roots of behavioral responses to the environment. CSU

CDEV 150. Orientation to TK-12 Education (3)

Lec-52.5, field trips

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

An overview of TK-12 teaching from multicultural perspectives including the history of US public education, inequities in the field, actions to address inequities, current trends in the field, philosophies of teaching, and teaching strategies. UC/CSU

Noncredit Courses:

Infancy and Early Childhood

CDEV 8000. Careers in Teaching in CA (3-6 hrs)

An overview of teaching opportunities, requirements and certifications in California in a range of school settings. Career opportunities and labor market demand will be covered. Credentialing, permitting and certifications to be defined. ECE, Transitional Kindergarten, K-12 (elementary, middle and high school) and community college teaching requirements will be reviewed.

CDEV 8002. Parents and Infants (45 hrs)

Informal lecture and discussion on infant development during the first seven months of life and on issues of concern to new parents. Topics include characteristics of normal infant development, daily routines and feeding practices, and impact of the infant on the family.

CDEV 8003. Infant Development (45 hrs)

Informal discussion on the growth and development of infants 8-14 months in an enriched play environment. Topics include physical/sensory-motor, social-emotional, cognitive and language development; influence of parenting styles; family life; and the infant's impact on the family.

CDEV 8004. Postpartum Doula Training (18 hrs)

An introduction to the practice of postpartum doulas, providing support for newborns and new parents at home. Topics include birth recovery, bonding, infant soothing, basic newborn care, infant feeding and giving culturally appropriate care to support the emotional and physical development of the newborn and the family. Building a practice and doula self care are incorporated to support practitioners.

Preschool and School-Age Children

CDEV 8100. Child Observation (54 hrs)

An exploration of child growth and development through observation and interaction with children 15 months through kindergarten age: child-rearing practices; effective caregivers; health, safety and nutrition; decision-making in family life; utilization of community resources.

CDEV 8101. The Child Development Lab School (54 hrs)

Focused study of child growth and development and family resources utilizing laboratory child development facilities. Practice in utilizing teaching techniques while interacting with young children 18 months to 5 years old for caregivers whose children are enrolled in the center and students who are completing field experience hours. Educational opportunities and community service resource information provided.

CDEV 8104. Parenting Participating Class (270-306 hrs)

An exploration of early childhood development with an emphasis on parent/child relationships, community resources and parent/child communication. Discussion of the developmental needs of children 2-5 years. Parents attend 5-17 hours per week.

CDEV 8117. Positive Parenting (54 hrs)

Study of the role of parents/guardians in the healthy development of children from birth through adolescence. Emphasis on building positive relationships with children in the areas of bonding, attachment, self esteem, family dynamics, age-appropriate expectations and the importance of positive communications. Fulfills court-mandated parent education requirements.

Parenting

CDEV 8202. Foster Parenting and Resource Families (18 hrs)

Exploration of the role of the foster parent and resource families. Emphasis placed on human development from birth through adolescence. Topics include separation and grieving; drug and sexual education for adolescents; the roles of foster parents and biological parents; community resources including the agency and placement worker. Fulfills requirements of the California Community FKCE Licensing mandated in-service curriculum.

CDEV 8203. Overview of Growth and Development: Birth through Age 10 with an Emphasis on Out-of-Home Placement (12-18 hrs)

An exploration of child growth and development from birth through age 10 with an emphasis on the impact of out-of-home placement on the physical, cognitive, and psychosocial domains.

CDEV 8204. Overview of Growth and Development: Ages 10-18 with an Emphasis on Out-of-Home Placement (12-18 hrs)

An exploration of child growth and development ages 10-18 with an emphasis on the impact of out-of-home placement on the physical, cognitive, and psycho-social domains.

CDEV 8205. Foster/Resource Families: Working with Agencies and Community Resources (12-18 hrs)

An overview of the processes and procedures involved in the care of children in out-of-home placement. Topics include communicating with social workers, advocating for children, and navigating the special education system.

CDEV 8206. Parenting in the Business Community (54 hrs)

General principles of human development, birth through adolescence. Emphasis on issues for working parents, family dynamics, and community resources for child care. (Classes may be available at the college or in community or workplace settings).

OFFERED ON OCCASION

CDEV 8213. Working with Youth in Group Settings (9-18 hrs)

This course presents an overview of preadolescent and adolescent growth, development, communication, learning, and behavior for caregivers in group home settings. It includes educational special

needs support, communication strategies, and independent living preparation.

CDEV 8506. Preparing Youth for Independent Living/Skills for Resource Families (6-12 hrs)

Explores the programs and resources available to youth in out-of-home placement as they transition to living independently. Strategies and activities for Resource Families and group home staff will be explored.

CDEV 8507. Becoming a Resource Family (6-12 hrs)

Explores the basics of becoming a resource/foster family, what is involved in the process, and how that transition can impact the family. It is not a substitute for the required pre-licensing training offered by agencies and counties.

CDEV 8508. Parenting Basics: Birth to Two Years (12-24 hrs)

Informal lecture and discussion on Child Development during the first two years of life and on issues of concern to new parents. Course will cover characteristics of typical infant and child development, daily routines and feeding practices, and impact of the child on the family.

CDEV 8509. Parenting Basics 3-5 years (12-24 hrs)

Informal lecture and discussion on child development ages 3-5 years and on issues of concern to parents. Course will cover characteristics of typical child development and behavior, keeping children healthy, and an overview of care and education programs for preschool aged children.

CDEV 8510. Parenting Basics 5-10 years (12-24 hrs)

Informal lecture and discussion on child development ages 5-10 years and on issues of concern to parents. Course will cover characteristics of typical child development and behavior, keeping children healthy, and an overview of care and education programs for school aged children.

CDEV 8511. Parenting Basics 10-14 years (12-24 hrs)

Informal lecture and discussion on child development ages 10-14 years and on issues of concern to parents. Course will cover characteristics of typical child and preadolescent development and behavior, keeping children healthy, and an overview of care and education programs for school aged children.

Announcement of Curricula

Chinese (Mandarin) Major (AA)

Program Information: The Chinese instructional program covers beginning to intermediate level written and oral communication in Chinese. It also helps students gain knowledge of Chinese culture throughout the world. The program is designed to meet transfer goals as well as personal development and career growth. Students must complete the curriculum with final grades of C or higher in their major preparation. The minimum time for completion of this certificate is four semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.”

Degree Curriculum: The Degree Curriculum in Chinese is a two-year course of study designed to build a strong language foundation as well

as expose students to Chinese cultural content and some literature. Students who complete the curriculum are better prepared to transfer to the CSU and UC systems as well as other universities with the intent of majoring or minoring in Chinese.

Learning Outcomes

Upon completion of this program, students will be able to:

- Interpret authentic input and communicate in spoken Chinese using a range of vocabulary, language functions, and sentence structures at an intermediate level.
- Respond to authentic materials and current media at an intermediate level of proficiency in reading and writing in Chinese to perform successfully in upper division work.
- Analyze and synthesize aspects of geography and cultural differences in various parts of the Chinese-Speaking world.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Chinese (Mandarin)

CourseUnits
18 total units -- either Option 1 (Chinese Language Learners) or Option 2 (Native Speakers)

OPTION 1: Chinese Language Learners

Choose 15 units from the following

- CHIN 2 Continuation of Elementary Chinese 5.0
- or CHIN 2A Continuation of Elementary Chinese 3.0
- CHIN 2B Continuation of Elementary Chinese 3.0
- CHIN 3 Intermediate Chinese 5.0
- or CHIN 3A Intermediate Chinese 3.0
- and CHIN 3B Intermediate Chinese 3.0
- CHIN 4 Continuation of Intermediate Chinese 5.0
- or CHIN 4A Continuation of Intermediate Chinese 3.0
- and CHIN 4B Continuation of Intermediate Chinese 3.0
- CHIN 1 Elementary Chinese 5.0
- CHIN 1B Elementary Chinese 3.0

Choose 3 units from the following courses or any course not used from the list above:

- CHIN 12B Continuation of Beginning Conversational Mandarin 3.0
- CHIN 12C Intermediate Conversational Mandarin 3.0
- CHIN 30A Mid-Intermediate Chinese 3.0
- CHIN 30B Continuation of Mid-Intermediate Chinese 3.0

OPTION 2: Native Speakers:

Required

- CHIN 31A Pre-Advanced Mandarin Chinese for Bilingual Students 3.0
- CHIN 31B Continuation of Pre-Advanced Mandarin Chinese for Bilinguals 3.0

Choose 12 units from the following

- CHIN 14A Beginning Conversational Mandarin for Speakers of Other Chinese Dialects 3.0

CHIN 14B Conversational Mandarin for Other Dialect Speakers	3.0
CHIN 14C Advanced Conversational Mandarin for Speakers of Other Chinese Dialects.	3.0
CHIN 32 Chinese Language and Culture.	3.0
CHIN 33 Chinese Culture for Heritage Learners	3.0
CHIN 38 Translation Foundation in Chinese	3.0
Total:	18.0

Chinese (Mandarin) Certificate

The Certificate of Achievement in Chinese (Mandarin) provides students, prospective employers, and others with documented evidence of persistence and academic achievement in Mandarin Chinese at an intermediate level.

Note that CHIN 2A + 2B = CHIN 2; CHIN 3A + 3B = CHIN 3; CHIN 4A + 4B = CHIN 4

Learning Outcomes

Upon completion of this program, students will be able to:

- Interpret the main points of standard spoken and written Chinese relating to everyday matters.
- Communicate in spoken Mandarin Chinese using a range of vocabulary, language functions, and sentence structures.
- Compare and analyze aspects of Chinese culture and society.
- Write simple connected text using a range of intermediate Chinese vocabulary, grammar, and sentence structures.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Total:	9.0

Announcement of Courses

Students of beginning Mandarin are directed to consider CHIN 1, 1A, 12A, 14A. A placement test in Chinese is available for guidance in selecting the appropriate course. For information, call 239-3223.

Credit, Degree Applicable Courses:

CHIN 1. Elementary Chinese (5)

Lec-87.5 P/NP available
Beginner's course in grammar, composition, and reading. Practice in speaking and understanding Mandarin. UC/CSU

CHIN 1A. Elementary Chinese (3)

Lec-52.5 P/NP available
Beginner's courses. (Especially recommended for students starting the study of Chinese for the first time.) Grammar, composition, and reading. Practice in speaking and understanding Mandarin. UC/CSU
CHIN 1A+1B = CHIN 1

CHIN 1B. Elementary Chinese (3)

Lec-52.5 P/NP available
PREREQ: CHIN 1A OR DEMONSTRATION OF CHIN 1A EXIT SKILLS.
Beginner's course, especially recommended for students starting the study of Chinese for the first time. Grammar, composition, and reading. Practice in speaking and understanding Mandarin. UC/CSU
CHIN 1A+1B = CHIN 1

CHIN 2. Continuation of Elementary Chinese (5)

Lec-87.5 P/NP available
 PREREQ: CHIN 1 OR 1B OR DEMONSTRATION OF CHIN 1/1B EXIT SKILLS.
 Second semester course in Mandarin grammar, composition, and reading. Practice in speaking and understanding Mandarin Chinese language and culture. UC/CSU

CHIN 2A. Continuation of Elementary Chinese (3)

Lec-52.5 P/NP available
 PREREQ: CHIN 1 OR 1B OR DEMONSTRATION OF CHIN 1/1B EXIT SKILLS.
 Continuation of the study of grammar, composition, and reading. Practice in speaking and understanding Mandarin. UC/CSU
 CHIN 2A+2B = CHIN 2

CHIN 2B. Continuation of Elementary Chinese (3)

Lec-52.5 P/NP available
 PREREQ: CHIN 2A OR DEMONSTRATION OF CHIN 2A EXIT SKILLS.
 Continuation of the study of grammar, composition, and reading. Practice in speaking and understanding Mandarin. UC/CSU
 CHIN 2A+2B = CHIN 2

CHIN 3. Intermediate Chinese (5)

Lec-87.5 P/NP available
 PREREQ: CHIN 2 OR CHIN 2B
 Grammar, composition and reading. Practice in speaking and understanding Mandarin. Understanding of Chinese culture. Not for speakers of Mandarin. UC/CSU

CHIN 3A. Intermediate Chinese (3)

Lec-52.5 P/NP available
 PREREQ: CHIN 2 OR CHIN 2B
 Grammar, composition and reading. Practice in speaking and understanding Mandarin. Understanding of Chinese culture. Not for speakers of Mandarin. UC/CSU
 CHIN 3A+3B = CHIN 3

CHIN 3B. Intermediate Chinese (3)

Lec-52.5 P/NP available
 PREREQ: CHIN 3A
 Grammar, composition and reading. Practice in speaking and understanding Mandarin. Understanding of Chinese culture. Not for speakers of Mandarin. UC/CSU
 CHIN 3A+3B = CHIN 3

CHIN 4. Continuation of Intermediate Chinese (5)

Lec-87.5 P/NP available
 PREREQ: CHIN 3 OR CHIN 3B OR DEMONSTRATION OF CHIN 3 OR 3B EXIT SKILLS
 Continuation of intermediate grammar, composition, and reading. Practice in speaking and understanding Mandarin. Understanding of Chinese culture. UC/CSU
 OFFERED ON OCCASION

CHIN 4A. Continuation of Intermediate Chinese (3)

Lec-52.5 P/NP available
 PREREQ: CHIN 3 OR CHIN 3B OR DEMONSTRATION OF CHIN 3 OR CHIN 3B EXIT SKILLS
 Chinese 4A is the first half of the Chinese 4 course. Intermediate grammar, composition, and reading. Practice in speaking and understanding Mandarin. Understanding of Chinese culture. UC/CSU
 OFFERED ON OCCASION

CHIN 4B. Continuation of Intermediate Chinese (3)

Lec-52.5 P/NP available
 PREREQ: CHIN 4A OR DEMONSTRATION OF CHIN 4A EXIT SKILLS
 Chinese 4B is the second half of the Chinese 4 course. It is the continuation of intermediate grammar, composition, and reading. Practice in speaking and understanding Mandarin. Understanding of Chinese culture. UC/CSU
 OFFERED ON OCCASION

CHIN 10A. Beginning Conversational Cantonese (3)

Lec-52.5 P/NP available
 Beginner's course in Cantonese. Extensive oral training in Cantonese. Emphasis on practical vocabulary and idiom rather than on formal grammar and literature. Students will learn tone and markings rather than Chinese characters. CSU
 RECOMMENDED FOR ALL BEGINNING STUDENTS. NOT RECOMMENDED FOR NATIVE SPEAKERS OF CANTONESE.
 OFFERED FALL SEMESTERS

CHIN 10B. Continuation of Beginning Conversational Cantonese (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: CHIN 10A OR DEMONSTRATION OF EXIT SKILLS
 Second semester course in Cantonese. Continuation of extensive oral training in Cantonese. Emphasis on practical vocabulary and idiom rather than on formal grammar and literature. Students will learn tone and markings rather than Chinese characters. CSU
 NOT RECOMMENDED FOR NATIVE SPEAKERS OF CANTONESE.
 OFFERED SPRING SEMESTERS

CHIN 10C. Intermediate Conversational Cantonese (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: CHIN 10B OR DEMONSTRATION OF EXIT SKILLS
 Third semester course in Cantonese. Continuation of extensive oral training in Cantonese. Designed for students who wish to continue acquiring more advanced skills of the spoken language with a minimum of formal grammar. Students will learn tone and markings rather than Chinese characters. CSU
 NOT RECOMMENDED FOR NATIVE SPEAKERS OF CANTONESE.
 OFFERED FALL SEMESTERS

CHIN 10D. Continuation of Intermediate Conversational Cantonese (3)

Lec-52.5, Lab-17.5 P/NP available
 RECOMMENDED PREP: CHIN 10C OR DEMONSTRATION OF EXIT SKILLS
 Fourth semester course in Cantonese. Continuation of extensive oral training in Cantonese. Designed for students who wish to continue acquiring more advanced skills of the standard spoken language with a minimum of formal grammar. Students should have command of tone and markings, rather than Chinese characters. CSU
 FORMERLY INTERMEDIATE CANTONESE
 OFFERED SPRING SEMESTERS

CHIN 12A. Beginning Conversational Mandarin (3)

Lec-52.5 P/NP available
 Beginner's course in Mandarin. Extensive oral training in Mandarin. Emphasis on practical vocabulary, pronunciation, and idiomatic usage. Designed for students who wish to acquire basic skills of spoken Mandarin rather than reading and writing in Chinese characters. CSU
 NOT RECOMMENDED FOR NATIVE SPEAKERS OF MANDARIN NOR FOR SPEAKERS OF OTHER CHINESE LANGUAGES. THESE STUDENTS SHOULD CONSIDER CHIN 14A, BEGINNING CONVERSATIONAL MANDARIN FOR SPEAKERS OF OTHER CHINESE DIALECTS.

CHIN 12B. Continuation of Beginning Conversational Mandarin (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: CHIN 12A OR CHIN 1A OR DEMONSTRATION OF CHIN 12A OR 1A EXIT SKILLS

Second semester course. Continuation of beginner's course in Mandarin. Extensive oral training in Mandarin. Emphasis on practical vocabulary, pronunciation, and idiomatic usage. Designed for students wishing to acquire basic skills of spoken Mandarin rather than reading and writing in Chinese characters. CSU

NOT RECOMMENDED FOR NATIVE SPEAKERS OF MANDARIN NOR FOR SPEAKERS OF OTHER CHINESE LANGUAGES. THESE STUDENTS SHOULD CONSIDER CHIN 14B, CONVERSATIONAL MANDARIN FOR SPEAKERS OF OTHER DIALECT SPEAKERS.

CHIN 12C. Intermediate Conversational Mandarin (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: CHIN 12B OR CHIN 1 OR CHIN 1B OR DEMONSTRATION OF EXIT SKILLS

Third semester course. Continuation of extensive oral training in Mandarin. Emphasis on practical vocabulary, pronunciation and idiomatic usage. Designed for students who wish to acquire more advanced skills of spoken Mandarin with a minimum of formal grammar rather than reading and writing in Chinese characters. CSU

RECOMMENDED FOR ALL STUDENTS WITH LIMITED BACKGROUND IN CHINESE. NOT RECOMMENDED FOR NATIVE SPEAKERS OF MANDARIN. OFFERED ON OCCASION

CHIN 14A. Beginning Conversational Mandarin for Speakers of Other Chinese Dialects (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: ORAL FLUENCY IN AT LEAST ONE CHINESE DIALECT OTHER THAN MANDARIN.

The first third of the beginner's course in Mandarin for students who speak another dialect of Chinese. Emphasis on pronunciation and fundamental vocabulary, using Pinyin. Designed for students who wish to acquire basic skills of spoken Mandarin rather than formal grammar and literature. CSU

RECOMMENDED FOR ALL BEGINNING STUDENTS OF MANDARIN WHO CAN SPEAK AT LEAST ONE CHINESE DIALECT AND FOR STUDENTS WHO HAVE SOME KNOWLEDGE OF CHINESE. NOT RECOMMENDED FOR NATIVE SPEAKERS OF MANDARIN.

Announcement of Curricula General Information

The Cinema Department is ideally situated in the San Francisco Bay Area, which is home to one of the country's most vibrant film cultures and traditions. Our program is unique in the breadth of its course

offerings, the quality of its instruction, and the accessibility of its equipment. As part of one of the largest, most diverse community colleges in the country, the Cinema Department is an exciting and rewarding place to study film.

The Cinema department is equipped to fulfill a wide range of professional and academic goals. Production and studies classes include, but are not limited to: cinematography and lighting, screenwriting, directing, producing, editing, sound for motion picture, feature and documentary production, film history, aesthetics and genre/auteur studies.

Students work with evolving technologies and state of the art equipment that emphasizes hands-on training and portfolio production. Film studies courses provide a historical view of film in our culture through the examination of aesthetic and technical changes in the medium. The knowledge and experience acquired in the program will prepare students to pursue their goals in the motion picture industry or transfer to an institution of higher learning.

Our dedicated faculty and staff consist of award-winning filmmaking professionals who create an environment that encourages creativity, technical proficiency, and critical thinking.

Each year students in the Cinema Department produce CITY SHORTS, a high-profile film festival. This public event provides students an opportunity to showcase their work and celebrate with the community.

Career Opportunities

- Production Assistant
- Grip and Lighting Technician
- Camera Operator
- Film and Video Editor
- Motion Picture Director
- Producer
- Production Manager
- Screenwriter
- Sound Recordist
- Sound Mixer
- Festival Curator

Cinema Production Major (AS)

The Associate in Science Degree in Cinema Production is intended for students who are interested in pursuing a career in film production and/or preparing to continue in a production program at a 4-year institution. The curriculum focuses on the hands-on nature of the craft from pre-production to production and post, providing real-world skills such as cinematography, narrative conventions, working as part of a crew, post-production editing and sound design. Students who complete this degree are prepared for entry level positions in production, ranging in positions such as production assistant, camera operator, editing assistant, lighting technician, and assistant director.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply basic principles of film production and industry practice.
- Analyze different film forms and genres.
- Execute technical and aesthetic skills in celluloid and digital film production.
- Demonstrate storytelling skills for film.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

In the first semester, students may enroll concurrently in the following courses: CINE 24, 30, 60, and 75A.

Courses Required for the Major in Cinema Production

Course Units

Required

CINE 24 Basic Film Production 4.0
CINE 25 Narrative Filmmaking 3.0
CINE 54 Cinematography & Lighting 3.0
CINE 60 Sound for Motion Pictures I 3.0

Choose one of the following options

CINE 57 Experimental Filmmaking 3.0
CINE 126 Documentary Filmmaking 3.0
CINE 131 Directing Motion Pictures 3.0

Choose two courses from the following

CINE 30 Production Planning 3.0
CINE 56 Introduction to Digital Film Editing 4.0
CINE 61 Sound for Motion Pictures II 3.0
CINE 72 Nonfiction Scriptwriting 3.0
CINE 74 Advanced Cinematography And Lighting 3.0
CINE 75A Introduction to Screenwriting 3.0
CINE 75B Intermediate Screenwriting 3.0
CINE 75C Advanced Screenwriting 3.0
CINE 136 Special Effects 3.0
CINE 170 Film/Video Work Experience 2.0

Total: 21.0 – 23.0

Film Studies Major (AA)

The Film Studies major provides students with critical thinking skills and various perspectives on historical and contemporary media forms. The major focuses on close study of media in social, cultural, political, aesthetic, and technological contexts to promote the understanding of film as a crucial element of the global environment. The Film Studies AA also prepares students for transfer to upper division film/cinema programs at four-year colleges and universities.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply media literacy through critical, analytical, and argumentation skills and independent research.
- Analyze formal elements of film to critically assess the language of cinema.
- Evaluate the ways in which film is influenced and shaped by individuals, movements, institutions, and technologies.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is 4 semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Film Studies

Through Film 3.0
WGST 10 Women and Film 3.0

Total: 18.0 – 19.0

Film, Television & Electronic Media Major (AS-T)*

* See Broadcast Electronic Media Arts section of the Catalog.

Cinema Foundations Certificate

This Certificate provides foundational elements of motion picture concepts, production and post-production. Upon completion students will have the essential tools to take back to their current or new employment, thrive in a 4-year program, obtain entry-level work in the field and/or execute their own independent projects.

Learning Outcomes

Upon completion of this program, students will be able to:

- Operate camera, lighting and sound equipment in accordance with industry standards.
- Utilize post-production techniques to produce narrative films with picture, sound and editing.
- Apply pre-production, production and post-production skills to film production workflow.

In the first semester CINE 24, 25 and 60 may be taken concurrently.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Cinema Foundations

Course Units

Required courses:

CINE 24 Basic Film Production 4.0
CINE 25 Narrative Filmmaking 3.0

CINE 54 Cinematography & Lighting	3.0
CINE 60 Sound for Motion Pictures I	3.0

Choose one of the following editing courses:

BCST 144A Video Editing Premiere Intro	4.0
CINE 56 Introduction to Digital Film Editing	4.0

Total: 17.0

Cinematography Certificate

The Cinematography certificate provides students with well-rounded technical skills in camera and lighting techniques and aesthetics grounded in film studies. The curriculum provides students with experience with advanced camera, grip and lighting gear as students learn to use these to tell stories and move viewers. Students who complete this certificate will be prepared for entry level positions in commercial and independent narrative, documentary, music video or corporate production as director/producers, cinematographers, gaffers, grips, set electricians and audio video technicians.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply cinematography fundamentals for film and video.
- Collaborate in a group to plan and execute a dramatic scene, functioning in the role of producer, director, director of photography and editor.
- Demonstrate expressive use of composition, lens choice, lighting and camera movement.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Cinematography

Course Units

Required courses:

CINE 21 Introduction to Film Studies	3.0
CINE 24 Basic Film Production	4.0
CINE 25 Narrative Filmmaking	3.0
CINE 54 Cinematography & Lighting	3.0
CINE 56 Introduction to Digital Film Editing	4.0
CINE 74 Advanced Cinematography And Lighting.	3.0

Total: 20.0

Directing Certificate

The Directing Certificate provides a strong foundation in narrative filmmaking focusing on the role and responsibilities of the Director from creation of shooting scripts to optimizing collaborative skills with set crew and talent. Completion prepares students for upper division film work at a 4-year university, entry-level work in the field or applicable creative and professional assets to utilize in creative work environments.

With completion of this Certificate entry-level employment opportunities may include: Production Assistant, Script Reader/Development Assistant, Casting Director (Assistant), Choreographer Trainee, Assistant to the Director, Assistant Director Music Video Director, Assistant to the Producer, Production Design Intern/Assistant, Independent Filmmaker.

In the first semester CINE 24, 25, 30, 75A and TH A 154A can be taken concurrently. College-level English preparedness is strongly advised.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply knowledge of continuity, shooting styles, and editing methods to direct narrative films.
- Analyze crew roles and interpret results during the film production phase.
- Identify, analyze and solve performance issues through script analysis and establishing performance guidelines
- Apply technical and communication skills to work effectively on a film set
- Analyze and formulate shot lists to prepare a film for production.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Directing Course Units
Required

CINE 24 Basic Film Production	4.0
CINE 25 Narrative Filmmaking	3.0
CINE 30 Production Planning	3.0
CINE 54 Cinematography & Lighting	3.0
CINE 131 Directing Motion Pictures	3.0

Choose one of the following options

CINE 75A Introduction to Screenwriting	3.0

Pre-Production/Producing Certificate

The Pre-Production/Producing certificate prepares students in the planning and the business of the production of motion pictures including inter-disciplinary instruction in Cinema production, pre-production and basic business offerings. The curriculum examines the narrative and provides real world skills such as evaluating cost, budgeting and marketing in order to complete a film or commercial project. Students who complete this certificate are prepared for entry level positions in a producer's office in positions such as Assistant Production Office Coordinator, Travel Coordinator, or Transportation Dispatcher.

Learning Outcomes

Upon completion of this program, students will be able to:

- Manage technical aspects of motion picture and video production.
- Analyze data to make responsible business decisions relevant to motion picture and video production.
- Use motion picture and video terms and concepts when communicating with client and crew.
- Propose solutions to ethical and social conflicts in a multicultural, team-oriented, rapidly changing environment.
- Act professionally and employ workforce protocol in collaboration, communication, and behavior in a film production environment

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

ENTR 101 Introduction to Entrepreneurship	3.0

Total: 20.0 – 21.0

Screenwriting Certificate

The Screenwriting Certificate of Achievement provides students with skills in screenwriting for narrative films. The Certificate also includes a broad range of elective writing courses on subjects such as documentary film, broadcasting, radio, electronic media, and journalism. Students gain knowledge of professional formats, research methods, story elements, visual grammar, and aesthetic considerations in the course of developing writing skills specific to each format.

With a curriculum that spans writing for narrative film, applied courses in non-fiction film and electronic media, film history and film studies, and cross-departmental electives, the Certificate expands students' understanding of historical, cultural, and political contexts, and of informational, entertainment, and persuasive uses of media. It provides solid grounding for continued education at a 4-year university.

With completion of this Certificate, possible entry-level employment opportunities include: Broadcast Journalist, Video Writer/Producer for cultural, educational, informational, and commercial applications, Computer App Writer/Producer, Advertising Copywriter, Website Narrative Writer/Designer, Content Developer, Documentarian, Screenwriter, Independent Filmmaker, Game Writer/Designer, and Story Editor.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply basic principles of cinematic storytelling
- Evaluate historically and culturally significant film narratives
- Create original scripts and screenplays
- Revise the structure of original scripts and screenplays

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Lec-52.5, field trips

P/NP available

RECOMMENDED PREP: CINE 24 AND CINE 25

Explore non-narrative filmmaking techniques stressing personal expression through individual production of short films in a historical context. Projects include utilization of a range of different experimental techniques and will reference films screened and discussed in class. UC/CSU

REMOVED CO-REQUISITE CINE 54 AND CHANGED PREREQUISITES CINE 24 AND 25 TO ADVISORIES, PER CURRICULUM COMMITTEE APPROVAL MARCH 20, 2019.

*OFFERED FALL SEMESTERS***CINE 60. Sound for Motion Pictures I (3)**

Lec-52.5, field trips

P/NP available

RECOMMENDED PREP: CINE 24 AND CINE 25

An overview of sound recording and design with a focus on hands-on, practical approaches. Sound recording techniques using a variety of microphones and audio recorders; sound editing and design using digital audio workstations to manipulate sync sound, dialogue, sound effects, music, and for sound mixing. Film screenings, lectures, demonstrations, and field trips. CSU

CINE 61. Sound for Motion Pictures II (3)

Lec-52.5, field trips

P/NP available

PREREQ: CINE 24; CINE 25; CINE 60

Advanced work for filmmakers in sound recording, editing, design and mixing for motion pictures. Demonstrations of professional film location sound equipment, digital sound editing workstations, and film sound mixing studios. Film screenings and field trips to complement class lectures, discussions, exercises, demonstrations, group and individual work projects. CSU

*OFFERED ON OCCASION***CINE 72. Nonfiction Scriptwriting (3)**

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introductory course that offers essential skills in writing a professional nonfiction script. Attention to research methods supporting content development, interviewing technique, story structure, script format, and cinematic grammar are emphasized. Historical nonfiction

films and their influence on current work will also be explored. CSU
OFFERED ON OCCASION

CINE 74. Advanced Cinematography And Lighting (3)

Lec-52.5, field trips

PREREQ: CINE 54.

Building on CINE 54 Cinematography & Lighting, students will further develop their ability to translate theme, story, and emotion into motion picture imagery. Cinematography & lighting skills are refined via single-camera styled projects. Assignments focus on complex lighting design and camera movement as students employ advanced camera, lighting & grip equipment. CSU

OFFERED ON OCCASION

CINE 75A. Introduction to Screenwriting (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introductory course in writing for cinema, emphasizing professional format, screenplay structure, building conflict, character and thematic development, and visual storytelling skills. Students will create the first act of an original screenplay. CSU

CINE 75B. Intermediate Screenwriting (3)

Lec-52.5 P/NP available

PREREQ: CINE 75A

An intermediate course in writing for cinema, emphasizing professional format, screenplay structure, building conflict, character and thematic development, and visual storytelling skills. These skills are employed in creating the second act of an original screenplay. CSU

CINE 75C. Advanced Screenwriting (3)

Lec-52.5 P/NP available

PREREQ: CINE 75B

An advanced screenwriting course focused on professional format, deep character, theme, and plot development, escalating conflict, and enhanced visual storytelling skills. Students in CINE 75C will complete Act III, the final act of a feature screenplay ideally developed in CINE 75B, and engage in intensive revisions. CSU

CINE 76. Advanced Digital Film Editing (4)

Lec-52.5, Lab-52.5, field trips

PREREQ: CINE 56

Advanced editing skills and techniques to create professional quality projects, including transcoding, color correction, and mastering. Historical and contemporary editing styles are explored. CSU

OFFERED ON OCCASION

CINE 126. Documentary Filmmaking (3)

Lec-52.5, field trips

PREREQ: CINE 24

Introduction to documentary filmmaking production, from concept to distribution. Emphasis on fundamental skills including documentary producing, sound recording, lighting, cinematography and editing. Production practice is explored in the context of historical movements and contemporary issues. CSU

OFFERED ON OCCASION

CINE 131. Directing Motion Pictures (3)

Lec-52.5 P/NP available

PREREQ: CINE 24 AND CINE 25; COMPLETION OF OR CONCURRENT ENROLLMENT IN: CINE 54

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Explores the role of the film director in the translation of script to screen through development and execution of single-camera-style projects. Emphasis is on script analysis, pre-visualization planning and blocking, crew management and working with actors. CSU

OFFERED ON OCCASION

CINE 136. Special Effects (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: CINE 24 AND CINE 25

Introduction to design and creation of professional level special effects for cinema using industry standard tools, including After Effects. Focus is on Computer Generated Imagery (CGI), motion graphics for film/video, and the special effects production process. CSU

OFFERED SPRING SEMESTERS

CINE 170. Film/Video Work Experience (1-2)

Work-60-150 P/NP available

PREREQ: APPROVAL OF THE CINEMA DEPARTMENT

REPEAT: STUDENTS CAN REPEAT THREE TIMES (TOTAL 4 ENROLLMENTS)

Jobs usually arranged by the student, subject to Cinema Department approval. Job experience at CCSF, such as issuing film equipment, mentoring/tutoring cinema students, crewing or editing sound or picture for a local production company, are within the scope of this learning experience of film/video industry or related projects. Two units of credit are earned for 120 hours of unpaid work or 150 hours of paid work. One unit of credit is earned for 60 hours of unpaid or 75 hours of paid work. CSU

Communication Studies

Office: Cloud 208A

Phone Number: (415) 452-7126

Web Site: www.ccsf.edu/CMST

Announcement of Curricula

Communication Studies Major (AA-T)

Communication studies majors learn about the communication process and acquire the skills needed to effectively communicate with others--both within and across cultural boundaries--in a variety of public, small group, and interpersonal settings. Students develop organizational, critical thinking, research, and active listening skills as they craft messages that are adapted for the audience, context, and communication modality.

Learning Outcomes

Upon completion of this program, students will be able to:

- Articulate an understanding of the communication process and the ways communication practices shape perceptions of civic, social, and environmental issues.
- Identify and use culturally competent communication practices.
- Deliver presentations with effective verbal and nonverbal communication.
- Apply advanced critical thinking skills to structure logical, credible, and well researched arguments that address complex social problems.
- Critique the communication practices of others and demonstrate critical listening skills that further the constructive exchange of ideas.

Students who wish to earn the Associate in Arts in Communication Studies for Transfer (AA-T) must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the

major as specified below. Each course in the major must be completed with a grade of “C” (or “P”) or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements. The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AA-T in Communication Studies

Course Units

Required course:

CMST 1A Elements of Public Speaking 3.0

List A Choose 2 courses (6 units)

CMST 3 Argumentation and Debate 3.0

CMST 4 Group Communication 3.0

CMST 20 Interpersonal Communication 3.0

List B Choose 2 courses (6 units)

CMST 2 Introduction to Rhetorical Criticism 3.0

CMST 5 Intercultural Communication 3.0

CMST 7 Oral Interpretation of Literature 3.0

CMST 38 Forensics Competition 3.0

Any course not selected from List A

List C- Choose 1 course (3 units)

ANTH 3 Introduction to Social and Cultural

Anthropology 3.0

CMST 8 Rhetoric of Popular Culture 3.0

ENGL 1B Writing about Literature 4.0

ENGL 1C Writing about Nonfiction 4.0

JOUR 21 News Reporting and Writing 3.0

PSYC 1 General Psychology 3.0

SOC 1 Introduction to Sociology 3.0

Any course not selected from lists A or B

Total: 18.0 – 19.0

Announcement of Courses

Credit, Degree Applicable Courses:

CMST 1A. Elements of Public Speaking (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Mastery of the research, organization, and delivery of extemporaneous speeches. Focus on rhetorical theory, listening, audience analysis, speech construction, and use of evidence, language, and presentation aids. UC/CSU
C-ID COMM 110

FORMERLY SPCH 1A.

CMST 2. Introduction to Rhetorical Criticism (3)

Lec-52.5

PREREQ: ENGL 1A

Studies the rhetorical tradition and significant rhetorical artifacts. Analyzes public discourse through the application of rhetorical methods. Communication artifacts are evaluated for support, reasoning, language use, message construction, and context in a series of academic research papers. Emphasizes critical thinking principles alongside techniques of effective discourse. UC/CSU

FORMERLY SPCH 2.

CMST 3. Argumentation and Debate (3)

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Critical approaches to social, legal, and political problems are studied

through oral argument and debate. Analysis, evidence, reasoning, ethics, rhetorical power and persuasion from a communication studies perspective. UC/CSU

C-ID COMM 120

FORMERLY SPCH 3.

CMST 4. Group Communication (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Focus on the principles of group interaction and decision making, including the study of leadership, teamwork, and conflict resolution. Participation in groups to share information, solve problems, and reach consensus. UC/CSU

C-ID COMM 140

FORMERLY SPCH 4.

CMST 5. Intercultural Communication (3)

Lec-52.5, field trips

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

This course develops competence in managing conflict and interacting with people who are culturally different. Students participate in discussions and complete written and oral assignments, developing communication strategies and skills that result in deliberate and fruitful intercultural outcomes. UC/CSU

C-ID COMM 150

FORMERLY SPCH 5.

CMST 6. Workplace Communication (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Study and application of effective workplace communication principles. Focus on development of communication skills that support the development of healthy workplace relationships, delivery of effective business presentations, and pursuit of career opportunities. CSU

FORMERLY SPCH 6.

CMST 7. Oral Interpretation of Literature (3)

Lec-52.5, field trips

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Focus on interpretation as a creative and analytical meaning-making process. Training in solo, duet and group readings of drama, prose and poetry. Through selecting, reading, analyzing, editing and interpreting culturally diverse literature, students will better understand the structural and aesthetic components of narrative and performance. UC/CSU

C-ID COMM 170

FORMERLY SPCH 7.

CMST 8. Rhetoric of Popular Culture (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Studies U.S. popular culture as a means to communicate cultural values and attitudes. Evaluates popular culture in different mediums, such as advertisements, social media, television, film, and politics. Uses communication methods to develop a greater understanding of the ways communication functions as a vehicle for social change. UC/CSU

FORMERLY SPCH 8.

CMST 20. Interpersonal Communication (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Focus on the impact that communication has on the interaction between individuals in settings including family, friendship, intimate and work situations. Students are expected to demonstrate and apply these skills through individual and group presentations and activities. UC/CSU
C-ID COMM 130

FORMERLY SPCH 20

CMST 30. Individual Project in Oral Communication (1)

Lec-11, Lab-20, field trips

P/NP only

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Skills development in researching, writing, and delivering scripted speeches or debates that publicly address a socially significant issue. CSU

OFFERED ON OCCASION

CMST 38. Forensics Competition (3)

Lec-52.5, field trips

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

REPEAT: STUDENTS CAN REPEAT THREE TIMES (TOTAL 4 ENROLLMENTS)

Development of speaking and argumentation skills through participation in intercollegiate speech and debate tournaments. Course repetition allows mastery of communication skills through the recursive process of researching, writing, practicing, and delivering speeches. CSU

C-ID COMM 160B

FORMERLY SPCH 38.

CMST 50. Rhetoric of Cannabis (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A study of cannabis representations to better understand how social discourse informs perceptions and political realities. Examines how rhetorical acts shape cultural values and beliefs, with an emphasis on the culture of cannabis. UC/CSU

Noncredit Course:**CMST 1001. Communication Anxiety (20 hrs)**

RECOMMENDED PREP: ESLN 3800

Develop confidence and learn strategies to manage apprehension and anxiety when delivering presentations and communicating in small groups. This course may be taken alone or as supplemental instruction for courses that involve oral communication.

OFFERED SPRING SEMESTERS

Computer Networking and Information Technology

Office: Science 147

Phone Number: (415) 452-5323

Web Site: www.ccsf.edu/cnit

Announcement of Curricula

General Information

For students who wish to earn an Associate's degree, or who want computer training that will lead to employment, the Computer Networking and Information Technology Department offers certificate programs.

Areas of study include computer technical support, networking, cyber security and web development.

Transfer to Other Colleges and Universities. Students who complete the two-year Associate in Science degree program may choose to continue their education and earn a Bachelor's degree. City College of San Francisco has transfer agreements with many of the California State University and University of California campuses.

Students who are interested in transferring after completion of the two-year degree program should consult the "Transfer Information" section of this catalog and discuss their plans with their program advisor or counselor.

Computer Networking and Information Technology Major (AS)

The Associate of Science degree with a major in Computer Networking and Information Technology (CNIT) not only provides students with a solid foundation of skills, knowledge, and hands-on experience in the core areas of the field of Computer Networking and Information Technology but also with the current trends and technologies used in the computer industry. The topics covered in this major include computer hardware, network administration, network security, and the basics of Internet and Web development, as well as one of the following optional areas: computer technical support, internet and web development techniques, network security, wireless networks, Cisco networking, or Microsoft Windows administration. This degree qualifies students for employment in entry-level network administration, computer technical support, or web development positions.

Learning Outcomes

Upon completion of this program, students will be able to:

- Demonstrate the use of network devices, network operating systems, and networking models and their related protocols.
- Develop and maintain a basic web site using web development industry standards.
- Evaluate computer hardware components and design a functional computer system.
- Explain the basics of network security systems.
- Apply networking competency in analyzing problems and resolving system faults

Optional competency areas:

- Computer technical support: Troubleshoot and repair defective computer systems
- Internet and web development techniques: Recognize and use appropriate web development technologies to promote or enhance the work environment
- Network security: Develop strategies for network defense using firewalls, routers, switches, antivirus, anti-spyware tools, and hacking techniques
- Wireless networks: Evaluate components to prepare and install wireless networks
- Cisco networking: Configure and operate Cisco Local and Wide Area Networking hardware and software
- Microsoft Windows: Install and support a Microsoft Windows networking environment including Windows Server, SQL Server database and Windows Desktop edition

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Computer Networking and Information Technology

Course.....Units

Core courses:

- CNIT 103 Computer Hardware 3.0
- CNIT 120 Network Security..... 3.0
- CNIT 131 Internet Basics and Beginning HTML 3.0

Choose one of the following network courses:

- CNIT 106 Introduction to Networks 3.0
- CNIT 201C Introduction to Cisco Networks..... 3.0

Choose option 1, 2, 3, 4, 5, or 6

OPTION 1: COMPUTER TECHNICAL SUPPORT

- CNIT 103L Computer Hardware Lab 1.0
or CNIT 105L Computer Technical Support 1.0
- CNIT 104 Operating Systems Technologies 3.0
- CNIT 105 IT Customer Support 3.0
- CNIT 401 Windows 10 Technical Support 3.0

OPTION 2: FRONT END WEB DEVELOPMENT

- CNIT 132 Intermediate HTML and CSS 3.0
- CNIT 133 JavaScript, jQuery, AJAX 3.0
- CNIT 134 Server Side Technologies for the Web 3.0

OPTION 3. CYBERSECURITY

- CNIT 121 Computer Forensics..... 3.0
- CNIT 122 Firewalls 3.0
- CNIT 123 Ethical Hacking & Network Defense 3.0

OPTION 4: WIRELESS NETWORKS

- CNIT 107 Wireless LANs 3.0
- CNIT 108 Wireless Networks, Advanced..... 3.0
- CNIT 113 Technology of Smartphones & Mobile Devices 3.0

OPTION 5: CISCO NETWORKING

- CNIT 202C Routing and Switching Essentials 3.0
- CNIT 203C Scaling Networks 3.0
- CNIT 204C Connecting Networks 3.0

OPTION 6: MICROSOFT WINDOWS

- CNIT 416 Installing and Configuring Windows Server 2016..... 3.0
- CNIT 417 Administering Windows Server 2016..... 3.0
and CNIT 401 Windows 10 Technical Support 3.0
or CNIT 415 SQL Server Administration 3.0
or CNIT 420 Configuring and Administering Microsoft Azure 3.0

Total: 21.0 – 22.0

Certificate Curricula

The certificate programs are designed to meet the needs of students who want 1) to obtain entry-level employment, 2) to advance in their current positions, or 3) to change careers. Certificate programs enable students to demonstrate specialization in areas such as computer technical support, networking, security, and web site development techniques.

Requirements for the Certificate of Accomplishment or Achievement. A student may obtain the Certificate of Accomplishment or Achievement by completing each of the courses offered in the certificate programs as listed below with a grade of “C” or better.

Several certificate programs are available. Each program prepares a student for a different career path. Additional information is available from the Department Chairperson.

Advanced Web Development Techniques Certificate

This certificate includes instruction and practice in advanced techniques for development, configuration, and operation of websites focusing on performance, accessibility, and user experience of web applications. Students completing this certificate program will be qualified for employment in entry-level or mid-level positions in front-end website development.

Learning Outcomes

Upon completion of this program, students will be able to:

- Develop and maintain websites according to industry standards
- Apply techniques to add interactivity to web pages via scripting programs and use of libraries/frameworks
- Apply techniques to enhance ranking of websites in search engines and enhance accessibility

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Advanced Web Development Techniques

Course.....Units

Required courses:

- CNIT 132 Intermediate HTML and CSS 3.0
- CNIT 132A Advanced HTML and CSS 3.0
- CNIT 133 JavaScript, jQuery, AJAX 3.0
- CNIT 133A JavaScript Libraries/Frameworks 3.0
- CNIT 133M Mobile Web w/HTML, CSS & JS..... 3.0

Choose one of the following work experience courses:

- CNIT 195 Web Development Capstone 3.0
- CNIT 198 Internship and Work Experience 2.0

Total: 17.0 – 18.0

Computer Technical Support Certificate

This certificate includes instruction in the support of a modern workplace computer environment including hardware, operating systems, online environments, and application programs. Students in this program practice modern diagnostic troubleshooting, technical and logical problem solving, end-user training, and customer relations skills. Students completing this certificate program will be qualified for entry-level computer technical support, IT, and help desk positions.

Learning Outcomes

Upon completion of this program, students will be able to:

- Evaluate components and configure a functional computer system.
- Troubleshoot and repair defective computer systems.
- Configure and diagnose basic network connectivity.
- Demonstrate correct use of office productivity applications.

Students must complete each course with a grade of “C” or higher.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Computer Technical Support

Course.....Units

Required courses:

- CNIT 100 Intro to Computers Using PC’s..... 3.0

CNIT 101 Operating Systems I Windows	3.0
CNIT 102 Operating Systems II Command Line	3.0
CNIT 103 Computer Hardware	3.0
CNIT 104 Operating Systems Technologies	3.0
CNIT 105 IT Customer Support	3.0
CNIT 106 Introduction to Networks	3.0

Choose one of the following courses:

CNIT 197 Internship and Work Experience	1.0
CNIT 103L Computer Hardware Lab	1.0
CNIT 105L Computer Technical Support	1.0

Total: 22.0

Computer Technician Certificate

This certificate includes instruction and practice in the identification, installation, and configuration of hardware devices to build, maintain, upgrade, and improve performance of a computer system. This course prepares students for CompTIA's A+ exam, a certification equivalent to six months' work experience as a computer technician. Students completing this certificate program will be qualified for entry-level computer technician and technical support positions.

Learning Outcomes

Upon completion of this program, students will be able to:

- Identify, install and configure hardware devices.
- Build, maintain and upgrade computer systems.
- Improve performance of computer systems.
- Prepare for industry certification exam equivalent to 6 months' work experience as a computer technician.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Computer Technician

Course	Units
------------------	-------

Required courses:

CNIT 101 Operating Systems I Windows	3.0
CNIT 102 Operating Systems II Command Line	3.0
CNIT 103 Computer Hardware	3.0
CNIT 103L Computer Hardware Lab	1.0
CNIT 104 Operating Systems Technologies	3.0
CNIT 197 Internship and Work Experience	1.0

Total: 14.0

Cybersecurity Certificate

This certificate includes instruction in threats to networked computers and devices, and defense techniques.

Students completing this certificate program will be qualified for employment as networking professionals at security-conscious companies and be able to prepare for the CompTIA Security+ exam and the E-C Council Certified Ethical Hacker exam.

Learning Outcomes

Upon completion of this program, students will be able to:

- Evaluate common security threats and implement proper defenses.
- Analyze networked systems for evidence of abuse or intrusions.
- Perform basic penetration tests and security audits of networked systems.

The minimum time for completion of this certificate is two semesters. Completion time will vary based on student preparation and the number of classes completed per semester.

Courses Required for the Certificate of Achievement in Cybersecurity

Course	Units
------------------	-------

Required courses:

CNIT 120 Network Security	3.0
CNIT 121 Computer Forensics	3.0
CNIT 122 Firewalls	3.0
CNIT 123 Ethical Hacking & Network Defense	3.0
CNIT 40 DNS Security	1.0

Choose one of the following network courses:

CNIT 106 Introduction to Networks	3.0
CNIT 201C Introduction to Cisco Networks	3.0

Total: 16.0

Advanced Cybersecurity Certificate

This certificate includes instruction in security risks and protection techniques for mobile devices, Web applications, and telephone networks, and how to manage information security programs. Students completing this certificate program will be qualified for employment as incident response specialists, Chief Security Officers, or malware analysts, and be able to prepare for the (ISC)² Certified Information Systems Security Professional exam.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Learning Outcomes

Upon completion of this program, students will be able to:

- Describe common cybersecurity threats and defenses, prioritize them, and properly implement defenses such as firewalls and intrusion defense systems
- Analyze systems for evidence of abuse or intrusions
- Perform advanced attacks and defend against them
- Communicate with management effectively and clearly, and prepare security management policies

Courses Required for the Certificate of Accomplishment in Advanced Cybersecurity

Course	Units
------------------	-------

Core courses:

CNIT 124 Advanced Ethical Hacking	3.0
CNIT 125 Information Security Professional Practices	3.0
CNIT 126 Practical Malware Analysis	3.0
CNIT 127 Exploit Development	3.0
CNIT 128 Hacking Mobile Devices	3.0

Total: 15.0

Front-End Web Development Certificate

This certificate includes instruction and practice in the development, configuration, and operation of websites or web applications. Students completing this certificate program will be qualified for employment in entry-level positions or internships in front-end web development. This certificate also provides a foundation for students to proceed to other certificates and the AS and specialize in different areas of web development.

Learning Outcomes

Upon completion of this program, students will be able to:

- Develop and maintain websites or web applications according to industry standards
- Recognize and use appropriate Web 2.0 technologies to promote or enhance the work environment
- Add interactivity to web pages via scripting programs and/or server-side technologies

Students must complete each course with a grade of “C” or higher.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Front-End Web Development

Course Units

Required courses:

CNIT 131H Introduction to HTML and CSS 1.0
 CNIT 132 Intermediate HTML and CSS 3.0
 CNIT 133 JavaScript, jQuery, AJAX 3.0
 CNIT 134 Server Side Technologies for the Web 3.0

Choose one of the following courses:

CNIT 131A XML and JSON 3.0
 CNIT 129 Social Media, Blogs in Web Development . . . 3.0

Total: 13.0

Fundamentals of Networking Certificate

This certificate provides a solid core of the concepts and terminology, and introduction and overview of all aspects of computer networking, including components and principles of local and wide area networking and the Internet. Students who complete this certificate will be ready to undertake further study and advance to more specific industry training in order to be qualified for entry-level positions in network administration.

Learning Outcomes

Upon completion of this program, students will be able to:

- Define the major hardware components of computers and network devices.
- Describe the role of operating systems including network operating systems.
- Compare and contrast the OSI and TCP/IP networking models and their related protocols.
- Create a simple web site using HTML and upload it on a server.
- Explain the role of switches and routers in LANs and WANs.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Fundamentals of Networking

Course Units

Required courses:

CNIT 103 Computer Hardware 3.0
 CNIT 104 Operating Systems Technologies 3.0
 CNIT 106 Introduction to Networks 3.0

CNIT 131 Internet Basics and Beginning HTML 3.0
 CNIT 120 Network Security 3.0
Total: 15.0

Fundamentals of Technical Support Certificate

This certificate includes instruction in introductory technical support skills. Students will learn the fundamentals of: problem-solving technical support issues related to end-user computer applications, hardware and operating systems. Students completing this certificate program will be qualified for employment in entry-level computer technical support positions.

Learning Outcomes

Upon completion of this program, students will be able to:

- Recognize technical support skills required by the IT industry.
- Identify and solve computer-related issues.
- Support and maintain computer applications, hardware and operating systems.
- Provide basic IT Project Management skills.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Fundamentals of Technical Support

Course Units

Required courses:

CNIT 100 Intro to Computers Using PC's 3.0
 CNIT 103 Computer Hardware 3.0
 CNIT 104 Operating Systems Technologies 3.0
 CNIT 105 IT Customer Support 3.0
 CNIT 103L Computer Hardware Lab 1.0
 or CNIT 197 Internship and Work Experience 1.0

Total: 13.0

Internet of Things Certificate

The Internet of Things, also referred to as IoT, describes the exponential increase in connected devices, embedded computing, and edge and cloud networking worldwide. This proliferation of devices and networking technologies has created a new field for students and new demand for a prepared workforce to build, maintain and secure the hardware, software and networking technologies connecting people, processes, things, and data via emerging Internet technologies. This program includes Cisco Academy curriculum.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze the things and connections that make up the Internet of Things (IoT) in relation to the physical world
- Build IoT systems using computer and networking hardware, sensors, actuators and other physical materials
- Employ IP networks and cloud applications to securely interconnect things and devices on an IoT system
- Create scripts to provide functionality for the Internet of Things
- Develop IoT solutions that address real-world problems

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Internet of Things

Course.....	Units
Required Courses	
MAKR 100 Introduction to History, Culture and Practices of Making	3.0
CNIT 201C Introduction to Cisco Networks.	3.0
or CNIT 106 Introduction to Networks.	3.0
CNIT 133 JavaScript, jQuery, AJAX	3.0
CNIT 133I JavaScript for IoT and XR.....	3.0
CNIT 214 Internet of Things	3.0
CNIT 216 Internet of Things Security.	3.0
Total:	18.0

JavaScript Specialist Certificate

This certificate includes instruction and practice in the development, configuration and operation of web sites focusing on JavaScript and its libraries/frameworks. Students completing this certificate program will be qualified for employment in entry-level positions in dynamic front-end web site, mobile web app development, and IoT projects.

Learning Outcomes

Upon completion of this program, students will be able to:

- Develop and maintain web applications according to industry standards.
- Apply techniques to add interactivity to web applications via scripting programs and/or use of libraries/frameworks.
- Select and apply current JavaScript libraries/frameworks to web application projects maintaining usability and accessibility.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in JavaScript Specialist

Course.....	Units
Required courses:	
CNIT 132 Intermediate HTML and CSS	3.0
CNIT 133 JavaScript, jQuery, AJAX	3.0
CNIT 133A JavaScript Libraries/Frameworks	3.0
CNIT 133I JavaScript for IoT and XR.	3.0
CNIT 133M Mobile Web w/HTML, CSS & JS.....	3.0
Choose one of the following courses:	
CNIT 195 Web Development Capstone	3.0
or CNIT 198 Internship and Work Experience	2.0
Total:	17.0 – 18.0

Microsoft Windows Networking Certificate

This certificate includes instruction and practice in the theory, design, configuration, and operation of local and wide area networks using Microsoft Windows servers. Students completing this certificate program will be qualified for employment in entry-level positions in network management and technical support of Windows networks.

Learning Outcomes

Upon completion of this program, students will be able to:

- Define various components of Windows Server

- Use advanced techniques to implement and manage active directory infrastructure
- Support hardware, software and end-users of Windows OS Desktop edition

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Microsoft Windows Networking

Course.....	Units
Required courses:	
CNIT 40 DNS Security.....	1.0
CNIT 416 Installing and Configuring Windows Server 2016.....	3.0
CNIT 417 Administering Windows Server 2016.....	3.0
CNIT 418 Identity With Windows 2016.....	3.0
CNIT 401 Windows 10 Technical Support.....	3.0
Choose one of the following courses:	
CNIT 106 Introduction to Networks	3.0
CNIT 201C Introduction to Cisco Networks.....	3.0
Total:	16.0

Mobile Web App Development Certificate

The program of study for the Certificate of Achievement in Mobile Web App Development includes instruction and practice in the development of websites and web apps for mobile devices. This course of study prepares students for adapting and/or creating websites, web apps, and hybrid apps that are able to work well in mobile devices.

Learning Outcomes

Upon completion of this program, students will be able to:

- Use front-end web development techniques to develop websites, or web apps, or hybrid applications for different platforms (desktop and mobile devices)
- Evaluate, select, and use appropriate tools to convert/adapt and test websites for mobile devices
- Apply the different available solutions to build web apps or hybrid web apps

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Mobile Web App Development

Course.....	Units
Required courses:	
CNIT 131H Introduction to HTML and CSS.....	1.0
CNIT 132 Intermediate HTML and CSS	3.0
CNIT 133 JavaScript, jQuery, AJAX	3.0
CNIT 133M Mobile Web w/HTML, CSS & JS.....	3.0
CNIT 134 Server Side Technologies for the Web	3.0
Choose one of the following courses:	
CNIT 131A XML and JSON	3.0
CNIT 113 Technology of Smartphones & Mobile Devices	3.0
Total:	16.0

Network Security Certificate

This certificate includes instruction in the measures that must be taken to detect and prevent network security mistakes and vulnerabilities, and includes descriptions of common attacks and methods to configure operating systems, servers, routers, firewalls, and email. Students completing this certificate program will be qualified for employment in entry-level network security positions and be able to prepare for CompTIA Security+ exam.

Learning Outcomes

Upon completion of this program, students will be able to:

- Explain the basics of network security.
- Protect the IT environment using hacking techniques.
- Assess confidentiality, integrity, availability, and non-repudiation (CIAN).
- Apply strategies for network defense.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Network Security

Course.....	Units
Required courses:	
CNIT 40 DNS Security.....	1.0
CNIT 106 Introduction to Networks	3.0
CNIT 120 Network Security.....	3.0
CNIT 122 Firewalls	3.0
CNIT 123 Ethical Hacking & Network Defense	3.0
Choose one of the following courses:	
CNIT 121 Computer Forensics.....	3.0
CNIT 124 Advanced Ethical Hacking.....	3.0
CNIT 125 Information Security Professional Practices.....	3.0
Total:	16.0

NextGen Automotive and IT Technician Certificate

Automotive technologies in the 21st century require a workforce prepared with both automotive and technical computer skills. Embedded throughout modern automobiles, as well as autonomous and electric vehicles, are computer systems made up of software, hardware, and networked electronic control units. This joint program between AUTO and CNIT prepares students with both automotive technology skills -- including safe tool and equipment handling and automobile maintenance and repair--and computer and IT technical skills, including hardware, software, networking, and cyber security.

Learning Outcomes

Upon completion of this program, students will be able to:

- Describe the hardware, software, and networking components of modern and next generation automobiles.
- Maintain and secure modern vehicles with hardware and software tools.
- Set up the correct environment to use computer technology tools in an automotive repair shop.
- Identify and repair security threats to modern automotive systems with NextGen hardware, software, and physical tools.

The minimum time for completion of this certificate is two (2) semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in NextGen Automotive and IT Technician

Course.....	Units
Required Courses	
CNIT 106A Introduction to Networking.....	1.0
AUTO 50 Intro to Automotive Mechanics	3.0
CNIT 100 Intro to Computers Using PC's.....	3.0
CNIT 131 Internet Basics and Beginning HTML	3.0
AUTO 180 Reflashing and Factory Scan Tools for Technicians	3.0
CNIT 182 Hacking and Securing Automotive Systems ..	3.0
Total:	16.0

Routing and Switching (Cisco) Certificate

This certificate includes instruction and practice in the theory, design, configuration, and operation of simple Local and Wide Area Networks. Students completing this certificate program will be qualified for employment in entry-level positions in network administration and be able to prepare for the Cisco Certified Entry Networking Technician (CCENT) and the Cisco Certified Network Associate (CCNA) certification exam.

Learning Outcomes

Upon completion of this program, students will be able to:

- Compare OSI and TCP/IP networking models and their related protocols
- Explain the importance of addressing and naming schemes of various layers of data
- Compare and configure various internal routing protocols
- Analyze, configure, and troubleshoot switch configurations including LANs and VLANs
- Describe and configure a variety of WAN protocols in routers
- Define basic network security issues and possible solutions

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Routing and Switching (Cisco)

Course.....	Units
Required courses:	
CNIT 103 Computer Hardware.....	3.0
CNIT 201C Introduction to Cisco Networks.....	3.0
CNIT 202C Routing and Switching Essentials	3.0
CNIT 203C Scaling Networks	3.0
CNIT 204C Connecting Networks.....	3.0
CNIT 120 Network Security.....	3.0
CNIT 417 Administering Windows Server 2016.....	3.0
Total:	21.0

Security for Web App Development Certificate

The program of study for the Certificate of Accomplishment in Security for Web App Development includes instruction and practice in the development of web sites and web apps using the most current security techniques. This course of study prepares students for adapting

and/or creating web sites with techniques that enhance the security of those applications.

Learning Outcomes

Upon completion of this program, students will be able to:

- Use front-end web development techniques to develop and publish web sites or web apps for different platforms
- Compare the different methods for securing shared resources used by web apps
- Evaluate the different types of security problems that might occur in a web application project
- Implement web application security techniques effectively

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Security for Web App Development

Course.....	Units
Required	
CNIT 120 Network Security.....	3.0
CNIT 132 Intermediate HTML and CSS.....	3.0
CNIT 133 JavaScript, jQuery, AJAX.....	3.0
CNIT 129S Securing Web Applications.....	3.0
Choose one of the following courses	
CNIT 131A XML and JSON.....	3.0
CS 150A Introduction to SQL Databases and NoSQL... .	3.0
Total:	15.0

Wireless Networking Certificate

This certificate includes instruction in the description, installation, and configuration of network devices for wireless communication, focusing on issues of performance and security. Students completing this certificate program will be qualified for employment in entry-level positions in the administration of wireless networks and to begin preparation for the Certified Wireless Network Administrator (CWNA) and Certified Wireless Security Professional (CWSP) industry certification exam.

Learning Outcomes

Upon completion of this program, students will be able to:

- Configure and diagnose basic network connectivity
- Evaluate components of and prepare a wireless network
- Install a wireless network
- Troubleshoot a wireless network
- Configure mobile network technology

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Wireless Networking

Course.....	Units
Required	
CNIT 106 Introduction to Networks.....	3.0
CNIT 107 Wireless LANs.....	3.0
CNIT 108 Wireless Networks, Advanced.....	3.0
CNIT 120 Network Security.....	3.0
CNIT 113 Technology of Smartphones & Mobile Devices. .	3.0
Total:	15.0

Announcement of Courses

Credit, Degree Applicable Courses:

CNIT 11. IT Professional Conduct (1)

Lec-17.5 P/NP available

RECOMMENDED PREP: CRER 62

Skills and techniques for effective professional self-promotion and workplace rapport in an Information Technology environment. Establishing a professional image and reputation, including resumes and portfolio building, and adhering to workplace protocols and standards for professional conduct. CSU

CNIT 34. Computer Technology Skills for Teachers (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

General and specialized computer and technology skills for teachers and future teachers. Desktop and mobile computer hardware, networking and security basics, software and coding tools for teaching and learning, and representative and emerging technologies in use in educational settings such as K-12 and higher education. Meets multiple and single subject credential state requirements. CSU

OFFERED ON OCCASION

CNIT 40. DNS Security (1)

Lec-17.5 P/NP available

RECOMMENDED PREP: CNIT 106

DNS is essential but has numerous security issues: hijacking, packet amplification, spoofing, snooping, and more. Configure secure DNS servers and detect malicious activity. DNSSEC (DNS Security) principles and deployment. Hands-on projects using both Windows and Linux platforms. CSU

OFFERED ON OCCASION

CNIT 50. Network Security Monitoring (1)

Lec-17.5 P/NP available

RECOMMENDED PREP: CNIT 106

Learn modern, powerful techniques to inspect and analyze network traffic, to quickly detect abuse and attacks and respond to them. This class also covers the configuration and use of Security Onion, a popular open-source Linux distribution designed for network security monitoring. CSU

OFFERED FALL SEMESTERS

CNIT 100. Intro to Computers Using PC's (3)

Lec-52.5

A computer literacy course using personal computers. Prepares students to use computer applications. Provides an overview of computer components including hardware, software, and data, as well as computer concepts related to networks and security. Includes fundamentals of Windows and other operating systems and applications such as word processing, spreadsheets, database, presentations and the internet. Students use computers to complete class assignments. UC/CSU

CNIT 100M. Intro to Computers Using Macintosh (3)

Lec-52.5 P/NP available

Computer literacy course using Apple computers. Prepares students to use computers to write papers, organize information and use email. Overview of computer components including hardware, software and data. Fundamentals of Finder and applications such as word processing, spreadsheets, email, and the Internet. Students use Apple computers to complete class assignments. UC/CSU

OFFERED ON OCCASION

CNIT 101. Operating Systems I - Windows (3)

Lec-52.5

RECOMMENDED PREP: CNIT 100

A technical course about the Microsoft Windows operating system for students who have some computer experience. Learn techniques to manage a personal computer through the use of operating system utilities and commands. Practice setting up and customizing the interface and managing programs and data. Manage the computer system hardware. CSU

OFFERED ON OCCASION

CNIT 102. Operating Systems II - Command Line (3)

Lec-52.5

RECOMMENDED PREP: CNIT 101

An intermediate to advanced-level course covering the use of Windows command line tools with the primary focus on Command Prompt and Windows PowerShell. This course is designed for students planning to take a certificate with concentration in Windows server and client administration, networking or hardware, and for advanced Windows users. Students will learn how to use Windows command line tools to manage and troubleshoot Windows servers and workstations. CSU

CNIT 103. Computer Hardware (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: CNIT 101

This course provides the knowledge and skills needed to install hardware, configure, repair and maintain computer system in a typical office environment. Topics include hardware components and peripherals, assembly, upgrading and basic troubleshooting. CSU

CNIT 103L. Computer Hardware Lab (1)

Lab-52.5

P/NP available

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: CNIT 103

A project-oriented hands-on introduction to hardware identification, maintenance, upgrade, diagnosis, and troubleshooting. Designed to provide practice with concepts, techniques and procedures covered in CNIT 103 with hands-on exercises that prepare for A+ certificate exams. Teamwork will be emphasized. CSU

CNIT 103M. Apple Mac Hardware (3)

Lec-52.5

P/NP available

ADVISE: CNIT 100M

This course provides the knowledge and skills needed to service the hardware on various Apple Mac systems. Topics include hardware components, system configuration, hardware upgrades, troubleshooting techniques, Apple specific tools and safety procedures. CSU

OFFERED ON OCCASION

CNIT 104. Operating Systems Technologies (3)

Lec-52.5

RECOMMENDED PREP: CNIT 103

This course provides the knowledge and skills to select and install system software, and to diagnose and troubleshoot system problems due to software configuration. Covers all aspects of the operating system, configuration files, drivers, and resource allocation. Topics include computer architecture and the interaction of hardware and software, documentation, command line operations, use of utilities for diagnostics and for configuration, and editing the Registry. CSU

CNIT 105. IT Customer Support (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: CNIT 103 AND CNIT 104

Introduction to the field of technical support, including the critical people skills and exceptional technical knowledge required to provide outstanding service. Emphasis on information resources and technical tools needed most to function effectively in a technical support position. CSU

OFFERED SPRING SEMESTERS

CNIT 105L. Computer Technical Support (1)

Lab-52.5

P/NP available

RECOMMENDED PREP: CNIT 105.

Hardware diagnosis and troubleshooting, software maintenance, upgrading, and problem-solving. Work with Help Desk software to log calls and real end-user problems in a simulated service center. Designed to provide hands-on practice with hardware and software, techniques and procedures, covered in CNIT 105. Teamwork will be emphasized. CSU

OFFERED SPRING SEMESTERS

CNIT 106. Introduction to Networks (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: CNIT 100; CNIT 103

This course will teach the skills required to troubleshoot, configure, and manage common network devices; establish basic network connectivity; understand and maintain network documentation; identify network limitations and weaknesses; and implement network security, standards, and protocols. The candidate will have a basic understanding of enterprise technologies, including cloud and virtualization technologies. Follows objectives of CompTIA Network+ certification exam. CSU

CNIT 106A. Introduction to Networking (1)

Lec-17.5

This is a course for students in related disciplines such as audiovisual technology, who need a basic understanding of networking to use equipment in the field. CSU

CNIT 107. Wireless LANs (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: CNIT 106

Selection, installation and configuration of wireless networks, including: fundamentals and standards of wireless communication, installation of network access points, and installation, configuration and management of typical products. Also included: common applications, monitoring the network, security, troubleshooting, upgrade, and modification. Students in this course should be already familiar with LAN technologies. CSU

CNIT 108. Wireless Networks, Advanced (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: CNIT 107

Students will design, install, configure, manage, and maintain wireless networks with advanced fundamentals of WLANs, current and developing standards and protocols, boosting, detecting and extending signal, troubleshooting and monitoring the network, security issues, research of proposed security solutions. The course follows objectives for the Certified Wireless Network Administrator Exam (CWNA). CSU

OFFERED SPRING SEMESTERS

CNIT 113. Technology of Smartphones & Mobile Devices (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 100

Overview of mobile device technologies with an emphasis on smartphones, tablets, and wearable devices. This course will introduce the technologies behind smartphones, tablets, and wearable devices including the hardware, cellular networks, operating systems, browsers, app development process, and support needs from an individual and corporate perspective. CSU

*OFFERED FALL SEMESTERS***CNIT 120. Network Security (3)**

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 201C AND CNIT 106

Knowledge and skills - to recognize security vulnerabilities, implement security measures, analyze network environments for known security threats or risks, defend against attacks or viruses, ensure data privacy and integrity. Terminology and procedures for implementation and configuration of security: access control, authorization, encryption, packet filters, firewalls and Virtual Private Networks (VPNs). CSU

CNIT 121. Computer Forensics (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 120

Forensics tools, methods and procedures for investigating computers. Data recovery techniques and evidence collection, protection of evidence, expert witness skills and computer crime investigation techniques. Analysis of various file systems and specialized diagnostic software to retrieve data. Prepares in part for CompTIA Security+ and maps to Computer Investigation Specialists exam. CSU

CNIT 122. Firewalls (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 120

Fundamentals, techniques, and procedures to design an effective secure Internet connection using software or hardware firewalls. Discussion of types of firewalls, packet filtering, proxy servers, Intrusion Detection Systems, and Virtual Private Networks (VPNs). CSU

CNIT 123. Ethical Hacking & Network Defense (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 106 OR CNIT 201C OR CNIT 120

Learn how hackers attack computers and networks, and how to protect Windows and Linux systems. Legal restrictions and ethical guidelines will be taught and enforced. Students will perform many hands-on labs, both attacking and defending, using port scans, footprinting, buffer overflow exploits, SQL injection, privilege escalation, Trojans, and backdoors. CSU

CNIT 124. Advanced Ethical Hacking (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 123

Advanced techniques in ethical hacking of Windows and Linux systems. Hands-on labs include Google hacking, automated footprinting, sophisticated ping and port scans, privilege escalation, attacks against telephone and Voice over Internet Protocol (VoIP) systems, routers, firewalls, wireless devices, web servers, and Denial of Service attacks. CSU

*OFFERED FALL SEMESTERS***CNIT 125. Information Security Professional Practices (3)**

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 123

In-depth course in information security, including access control, application security, enterprise continuity, cryptography, technical risk management, physical security, and telecommunications and network security. This course supports preparation for the Certified Information Systems Security Professional (CISSP) credential, which is essential for high-level information security professionals. CSU

*OFFERED SPRING SEMESTERS***CNIT 126. Practical Malware Analysis (3)**

Lec-52.5 P/NP available

RECOMMENDED PREP: CS 110B OR EQUIVALENT FAMILIARITY WITH PROGRAMMING

Learn how to analyze malware, including computer viruses, trojans, and rootkits, using basic static analysis and dynamic analysis, including IDA Pro and other tools. CSU

*OFFERED SPRING SEMESTERS***CNIT 127. Exploit Development (3)**

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 123

Learn how to find vulnerabilities and exploit them to gain control of target systems including operating systems. Covers essential exploit development skills for advanced penetration testers and security professionals. Students will be required to obey high ethical principles and not exploit systems without authorization. CSU

*OFFERED FALL SEMESTERS***CNIT 128. Hacking Mobile Devices (3)**

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 113 AND CNIT 123

Mobile devices run specialized operating systems with security problems. Students will learn how mobile operating systems and apps work, how to find and exploit vulnerabilities and how to defend them. Topics will include phone call, voicemail, SMS intrusion, jailbreaking, rooting, NFC attacks, malware, browser exploitation, and application vulnerabilities. CSU

*OFFERED ON OCCASION***CNIT 129. Social Media, Blogs in Web Development (3)**

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 100 OR DEMONSTRATION OF CNIT 100 EXIT SKILLS

Overview of Wordpress and social media technologies to develop websites and/or use together with existing websites. Covers Web 2.0 and 3.0 technologies such as blogs, sites, social media, wikis, video and photo sharing and other tools how to integrate those technologies together. CSU

*OFFERED SPRING SEMESTERS***CNIT 129S. Securing Web Applications (3)**

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 120 AND CNIT 131

This course teaches techniques used by attackers to breach Web applications and how to prevent security attacks. Topics include how to secure and manage assets such as authentication systems, access controls, databases, and back-end components, and how to protect users from attackers, including identifying common vulnerabilities in compiled code and source code. CSU

OFFERED FALL SEMESTERS

CNIT 131. Internet Basics and Beginning HTML (3)

Lec-52.5 P/NP available

Methods of using the Internet. History, design and protocol methods used on Internet including: electronic mail, connection to remote computers, file transfer, World Wide Web, basic web page creation and publishing using HTML and CSS. Additional topics include: computer security, copyright and electronic commerce, and basic Unix shell commands requisite to shell account use. CSU

CNIT 131A. XML and JSON (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 131H OR CNIT 131

Introduction to eXtensible Markup Language (XML) and JavaScript Object Notation (JSON). Hands-on experience with XML documents, Document Type Definition (DTD), namespaces, schemas, and data presentation with eXtensible Style Language (XSLT) or Cascading Style Sheets (CSS). Introduction to JSON syntax to store and exchange data. CSU

*OFFERED FALL SEMESTERS***CNIT 131H. Introduction to HTML and CSS (1)**

Lec-17.5 P/NP available

RECOMMENDED PREP: CNIT 100

This is a beginning course in the use of HTML and CSS. It will prepare students to build simple web pages using basic HTML and CSS according to the latest standards. Students will also learn how to upload the web page files to a web server. CSU

CNIT 132. Intermediate HTML and CSS (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 131 OR CNIT 131H

Intermediate and advanced HTML and CSS, based on W3C latest standards, to create websites or web applications on the World Wide Web, including images, multimedia, tables, and forms. Cascading Style Sheets used to standardize the appearance of web pages. Introduction to JavaScript, XML and definition of server side technology. CSU

*HAND-CODED WEB PAGES USING HTML, CSS FOLLOWING LATEST STANDARDS AND FTP TO TRANSFER TO WEB SERVER***CNIT 132A. Advanced HTML and CSS (3)**

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 132

Advanced HTML & CSS techniques such as performance, advanced styling and animation techniques, semantics, accessibility, preprocessors, search engine optimization, and use of analytics reports. CSU

*OFFERED FALL SEMESTERS***CNIT 133. JavaScript, jQuery, AJAX (3)**

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 132

Creation of interactive web pages using JavaScript, ECMAScript including properties, methods, objects, and event handlers of the Document Object Model (DOM). Introduction of jQuery and AJAX techniques in web pages. CSU

CNIT 133A. JavaScript Libraries/Frameworks (3)

Lec-52.5 P/NP available

PREREQ: CNIT 133

RECOMMENDED PREP: CNIT 132

An extension of the JavaScript course to define and study the use of the most common JavaScript frameworks/libraries to enhance web development projects. CSU

*OFFERED FALL SEMESTERS***CNIT 133I. JavaScript for IoT and XR (3)**

Lec-52.5 P/NP available

PREREQ: CNIT 133

RECOMMENDED PREP: CNIT 214

Using JavaScript as the framework to code Internet of Things (IoT) devices, eXtended Reality (XR), Augmented Reality (AR), and Virtual Reality (VR) projects in which people, processes, things, and data are connected via emerging Internet technologies. Students will integrate a variety of networking and computer hardware devices in end-to-end systems to solve practical problems. This course also includes an introduction to TypeScript, which can be used in different projects in this area. CSU

CNIT 133M. Mobile Web w/HTML, CSS & JS (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 133 OR EQUIVALENT KNOWLEDGE OF HTML, CSS, AND JAVASCRIPT/JQUERY

Conversion of desktop websites and an introduction to building web applications for smartphones and mobile devices with intermediate HTML, CSS, and JavaScript. Includes techniques such as Geolocation, Local Storage, RWD, PWA, etc. and how to use famous development frameworks and platforms. UC/CSU

*OFFERED FALL SEMESTERS***CNIT 134. Server Side Technologies for the Web (3)**

Lec-52.5 P/NP available

PREREQ: CNIT 133 OR CS 110A

Creation and maintenance of web applications on ASP.NET or ASP.NET Core using Visual Studio IDE (Integrated Development Environment) or Visual Studio Code. Installation of packages to be used in the web applications done via the use of NuGet Management in Visual Studio IDE. CSU

*FIRST PART REQUIRES WINDOWS OS TO INSTALL VISUAL STUDIO**OFFERED SPRING SEMESTERS***CNIT 140. IT Security Practices (3)**

Lec-52.5

RECOMMENDED PREP: CNIT 124

Intensive training and preparation for national security competitions and CTF (capture the flag) events. Material includes penetration testing methodology, network defense methodology, and report writing. CSU

*OFFERED ON OCCASION***CNIT 141. Cryptography for Computer Networks (3)**

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 120 AND (ELEMENTARY ALGEBRA OR HIGHER)

The class focuses on practical applications: selecting, implementing, testing, and maintaining systems to protect data on modern computer networks. Mathematical underpinnings and practical applications of modern cryptographic systems, including the Advanced Encryption Standard (AES), the Secure Hash Algorithms (SHA), and Rivest-Shamir-Adleman (RSA). CSU

*OFFERED FALL SEMESTERS***CNIT 151. Introduction to Virtualization (3)**

Lec-52.5

This course is an introduction to virtualization. Students will learn about server, cloud, client, storage networking and application virtualization in the public and private cloud, and requirements for virtual environments, administration, and data security. Students will be

exposed to different virtualization applications and platforms such as VMware, Oracle VBox and Azure. CSU
OFFERED ON OCCASION

CNIT 152. Incident Response (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 120

When computer networks are breached, incident response (IR) is required to assess the damage, eject the attackers, and improve security measures so attackers cannot return. As part of the Advanced Cybersecurity Certificate, this class covers the IR tools and techniques required to defend modern corporate networks. CSU

OFFERED SPRING SEMESTERS

CNIT 153. VMware: Install, Configure, Manage (3)

Lec-52.5 P/NP available

PREREQ.: CNIT 106

This hands-on training course explores installation, configuration, and management of VMware products. Upon completion of this course students can take the examination to become a VMware Certified Professional. The course is based on the latest release of VMware software available. CSU

OFFERED ON OCCASION

CNIT 154. EMC - Information Storage and Management (3)

Lec-52.5 P/NP available

PREREQ: CNIT 106

Students will learn about the transition from a Classic Data Center environment to Virtual Data Center and the Cloud virtualization at each layer - compute, storage, network, desktop, and application - along with business continuity in a VDC environment. Students will also learn Cloud computing basics, infrastructure components, service management activities, security concerns, and considerations for Cloud adoption. CSU

OFFERED ON OCCASION

CNIT 155. AWS Cloud Practitioner (3)

Lec-52.5 P/NP available

This course covers Amazon Web Server Cloud deployment and service models, Cloud infrastructure, and the key considerations in migrating to Cloud computing. This course also provides the required technology essentials across all domains including server, storage, networking, applications, and databases to help develop a strong understanding of virtualization and Cloud computing technologies. CSU

OFFERED ON OCCASION

CNIT 160. Cybersecurity Responsibilities (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 120

Explores security technology, risks, countermeasures, and consequences, to help cybersecurity analysts protect those who rely on them. Includes hands-on activities such as packet analysis, exploiting vulnerable systems, and password cracking, and also research, presentations, and debates about current controversies, laws, and policies. Addresses topics such as surveillance, cyberwar, and computer crime. CSU

OFFERED SPRING SEMESTERS

CNIT 170. Introduction to Cloud Computing (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: CNIT 103; CNIT 131; CNIT 106

Technical Cloud infrastructure skills that can be applied to a variety of Cloud vendors and technologies. Configuration and deployment,

security, maintenance, management and troubleshooting of Cloud systems. Follows the objectives of the CompTIA Cloud+ certification exam and is a required course for the Cloud Administration Certificate of Achievement. CSU

CNIT 182. Hacking and Securing Automotive Systems (3)

Lec-52.5 P/NP available

PREREQ: CNIT 131 AND AUTO 50

Students will learn about cybersecurity threats to computer systems and embedded software in modern vehicles. Topics include vulnerabilities of communications over the vehicle CAN bus and between devices and systems. Students will learn to intercept data and perform specific hacks to track vehicles, unlock doors, glitch engines and flood communication. Part of a joint program offering between AUTO and CNIT. CSU

CNIT 195. Web Development Capstone (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: CS 130B OR CS 231 OR CS 150A OR CS 232 OR CNIT 133 OR CS 110B OR CS 111B

Develop, design and program a professional web application or web site project in a team environment. Set professional social media profile and e-portfolio and learn about tools used in web application projects to work on realistic projects. CSU

OFFERED ON OCCASION

CNIT 197. Internship and Work Experience (1)

Work-60-75

PREREQ: APPROVAL OF THE CNIT DEPARTMENT

RECOMMENDED PREP: COMPLETION OF 9 UNITS OF CNIT COURSES

REPEAT: REPEATED UP TO 8.00 UNITS

Supervised on- or off-campus work involving computer use. Internships are joint ventures between institutions or companies and the Computer Networking and Information Technology Department. Students must be employed in any area including, but not limited to, help desk, hardware technician, networking technician, system administration, internet, web development, or computer operation. One unit of credit is earned for 60 hours of unpaid, or 75 hours of paid work. CSU

CNIT 198. Internship and Work Experience (2)

Work-120-150

PREREQ: APPROVAL OF THE CNIT DEPARTMENT

RECOMMENDED PREP: COMPLETION OF 9 UNITS OF COURSEWORK IN CNIT

REPEAT: REPEATED UP TO 8.00 UNITS

Supervised on- or off-campus work involving computer use. Internships are joint ventures between institutions or companies and the Computer Networking and Information Technology Department. Students must be employed in any area including, but not limited to, help desk, hardware technician, networking technician, system administration, internet, web development, or computer operation. One unit of credit is earned for 60 hours of unpaid or 75 hours of paid work. CSU

CNIT 201C. Introduction to Cisco Networks (3)

Lec-52.5

PREREQ: CNIT 100

Architecture, structure, functions, components, and models of the Internet and other computer networks. Use of OSI and TCP layered models to examine protocols and services. IP addressing and subnetting. Fundamentals of Ethernet concepts, media, and operations. First course of Cisco Networking Academy Exploration series preparing for CCENT and CCNA Certifications. CSU

CNIT 202C. Routing and Switching Essentials (3)

Lec-52.5

RECOMMENDED PREP: CNIT 201C

Architecture, components, and operations of routers and switches in a small network. Configure router and switch for basic functionality. Troubleshoot and resolve common issues with RIPv1, RIPv2, single-area OSPF, virtual LAN, and inter-VLAN routing in IPv4 and IPv6 networks. Second course in Cisco Networking Academy towards CCENT and CCNA Certifications. CSU

*OFFERED SPRING SEMESTERS***CNIT 203C. Scaling Networks (3)**

Lec-52.5

PREREQ: CNIT 202C

Architecture, components, and operations of routers and switches in larger and more complex networks. Configuration and troubleshooting of routers and switches for advanced functionality with OSPF, EIGRP, and STP in both IPv4 and IPv6 networks. Knowledge and skills needed to implement a WLAN in a small-to-medium network. CSU

*OFFERED FALL SEMESTERS***CNIT 204C. Connecting Networks (3)**

Lec-52.5

PREREQ: CNIT 202C

RECOMMENDED PREP: CNIT 203C

WAN technologies and network services required by converged applications in a complex network. Selection criteria of network devices and WAN technologies to meet network requirements. Configuration and troubleshooting of network devices with data link protocols. Implementation of virtual private network (VPN) operations in a complex network. CSU

*OFFERED FALL SEMESTERS***CNIT 205C. CCNA Security (3)**

Lec-52.5

P/NP available

PREREQ: CNIT 201C; COMPLETION OF OR CONCURRENT ENROLLMENT IN: CNIT 202C

Cisco Certified Network Associate (CCNA) Security provides the knowledge and skills needed to prepare for entry-level security specialist careers. CCNA Security aims to develop an in-depth understanding of network security principles as well as the tools and configurations required to secure a network. Preparation for the CCNA-Security certification exam. CSU

*OFFERED ON OCCASION***CNIT 214. Internet of Things (3)**

Lec-52.5

P/NP available

PREREQ: CNIT 106 OR CNIT 201C

Introduction to the Internet of Things (IoT), where people, processes, things, and data are connected via emerging Internet technologies. A variety of networking and computer hardware devices will be integrated into end-to-end systems to solve practical problems. CSU

*OFFERED ON OCCASION***CNIT 216. Internet of Things Security (3)**

Lec-52.5

P/NP available

PREREQ: CNIT 214

Model and protect against threats to the Internet of Things (IoT) environment of an organization or workplace. Learn foundational knowledge in security analysis such as vulnerability and risk assessment of IoT systems. Perform threat modeling activities on physical devices, communication systems and applications found in the IoT. CSU

CNIT 401. Windows 10 Technical Support (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: CNIT 101

Knowledge, skills and hands-on experience to install, configure, and maintain Windows 10 Operating system. Course aligned with the Microsoft Certification Certificates. CSU

*OFFERED FALL SEMESTERS***CNIT 415. SQL Server Administration (3)**

Lec-52.5

This advanced course covers the SQL Server database management system. Students will gain the knowledge and skills to install, configure, and maintain SQL Server and manage the day-to-day administration of a client/server database in an enterprise network environment. CSU

*OFFERED ON OCCASION***CNIT 416. Installing and Configuring Windows Server 2016 (3)**

Lec-52.5

P/NP available

RECOMMENDED PREP: CNIT 103; COMPLETION OF OR CONCURRENT ENROLLMENT IN: CNIT 106

This course introduces the new line of servers by Microsoft. It provides students with the knowledge and skills required to install and configure Windows 2016 core infrastructure services. This course is aligned with the Microsoft Certified System Administrator 70-740. CSU

*OFFERED SPRING SEMESTERS***CNIT 417. Administering Windows Server 2016 (3)**

Lec-52.5

P/NP available

RECOMMENDED PREP: CNIT 416

This course introduces the new line of servers by Microsoft. It provides students with the knowledge and skills required to administer Windows core infrastructure services. This course is aligned with the Microsoft Certified System Administrator exam. CSU

*OFFERED FALL SEMESTERS***CNIT 418. Identity With Windows 2016 (3)**

Lec-52.5

P/NP available

RECOMMENDED PREP: CNIT 417

This course provides the knowledge and skills required to administer advanced Microsoft servers. The students acquire hands-on knowledge of real world experience to become IT administrators. This course is aligned with the Microsoft Certifications exams on configuring advanced server services. CSU

*OFFERED SPRING SEMESTERS***CNIT 420. Configuring and Administering Microsoft Azure (3)**

Lec-52.5

P/NP available

RECOMMENDED PREP: CNIT 101 OR CNIT 416

Azure administrator skills training needed to be successful deploying Software-as-a-Service (SaaS), Infrastructure-as-a-Service (IaaS), and Platform-as-a-Service (PaaS) solutions. Includes training in planning IaaS solutions for fault tolerance and performance, deployment of Virtual Machines (VMs), and systems management using Windows Powershell and the Azure CLI V2. CSU

CNIT 501. Certified Information Systems Auditor (3)

Lec-52.5

P/NP available

PREREQ: CNIT 120

Preparation for the Certified Information Systems Auditor (CISA) credential. This field includes information systems audit, governance, life cycle, system implementation, protecting information assets, business continuity, and disaster recovery. CSU

OFFERED ON OCCASION

Web Site: www.ccsf.edu/cs

Announcement of Curricula

General Information

The Computer Science Department offers courses in computer programming, databases, and Unix/Linux system administration. We have transfer and degree programs, as well as certificate programs. Our courses range from entry-level to professional development.

Computer Science Major (AS)

Graduates of the associate's degree program in computer science will have the skills in computer programming required for transfer to California State University, University of California, and other universities for career paths in computer science, software engineering, computer engineering, and related fields. The curriculum includes instruction in the fundamentals of problem-solving and analysis, programming, data structures, and computer architecture.

Students who complete the Associate Degree in Computer Science are encouraged to continue their education and earn a bachelor's degree. Students who are interested in transferring after completion of this degree program should consult the "Transfer Information" section of the catalog and discuss their plans with their program advisor or counselor. To not duplicate course work, it is recommended that students try to satisfy the requirements of the transfer institution as well as those of City College. To substitute another class because of specific requirements of the transfer institution, consult with the Computer Science Department Chair.

Universities may have additional or different lower-division course requirements before transfer. Students need to check the particular institution for their requirements. Students should pay particular attention to which programming series they take (CS 110B + 110C or CS 111B + 111C), as different universities may prefer or require one series over the other. The website www.assist.org can provide information about applicable courses for transfer to satisfy degree requirements. Some universities will require math and/or physics classes beyond those required here, and those additional classes can be taken at CCSF.

Learning Outcomes

Upon completion of this program, students will be able to:

- Create and program algorithmic solutions to solve problems.
- Solve mathematical problems using discrete math and calculus.
- Create assembly language programs and describe how such programs are carried out by the CPU.

Recommended preparation. Math 60 or equivalent knowledge of Algebra; ENGL 88, ESL 188, or readiness for college level English; CS 10, CS 110A, or equivalent knowledge of programming.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Computer Science

Course Units
Programming fundamentals requirement choose one of the following courses:

CS 110B Programming Fundamentals: C++ 4.0
CS 111B Programming Fundamentals: Java 4.0

Data structures and algorithms requirement choose one of the following courses:

CS 110C Data Structures and Algorithms: C++ 4.0
CS 111C Data Structures and Algorithms: Java 4.0

Computer architecture and assembly programming requirement:

CS 270 Computer Architecture with Assembly Language 4.0

Required math courses:

MATH 110A Calculus I 5.0
MATH 110B Calculus II 5.0
MATH 115 Discrete Mathematics 3.0

The following courses are NOT required for the AS degree. They are examples of common requirements for students hoping to transfer to a 4-year school with a major in computer science. Please see a counselor regarding requirements for the institution to which you wish to transfer.

PHYC 4A Classical Mechanics for Scientists and Engineers 3.0
PHYC 4AL Mechanics Laboratory for Scientists and Engineers 1.0
PHYC 4B Electromagnetism for Scientists and Engineers 3.0
PHYC 4BL Electromagnetism Laboratory for Scientists and Engineers 1.0
MATH 110C Calculus III 5.0
Total: 25.0

Certificate Curricula

The certificate programs are designed to meet the needs of students who want 1) to obtain entry-level employment, 2) to increase their opportunities to advance in their current positions, or 3) to change the kind of work they do currently. Certificate programs make it possible for a student to demonstrate specialization in the areas such as computer programming, databases, and Unix/Linux system administration.

Requirements for the Certificate of Accomplishment or Achievement. A student may obtain the Certificate of Accomplishment or Achievement by completing each of the courses offered in the certificate program with a grade of "C" or higher.

Many certificate programs are available. Each program prepares a student for a different career path. Additional information is available from the Department degree advisor or the Department Chairperson.

Android App Programming Certificate

This certificate is designed to teach students how to program native apps (mobile device applications) to run on Android phones and tablets. Students learn programming in Java and Kotlin, including the specifics of how to program for Android devices, as well as best practices regarding data structures and algorithms, and Linux system utilities. Students completing this certificate program will be qualified for employment as entry-level app developers.

Learning Outcomes

Upon completion of this program, students will be able to:

- IAnalyze problems and interpret technical specifications to create and program appropriate algorithmic solutions.
- IWrite Linux commands to manipulate directories, their contents, and permissions.
- ICreate Java programs with graphical user interfaces.
- IImplement applications that utilize the distinctive capabilities of Android.
- IOperate effectively within a team, gaining work experience.
- IEvaluate and implement data structures and algorithms for given problems, considering appropriateness and efficiency.

Students who have never done any programming are advised to take CS 110A before beginning this program.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Android App Programming

Course Units

Required

CS 160A Introduction to Unix/Linux 2.0
 CS 111B Programming Fundamentals: Java 4.0
 CS 111C Data Structures and Algorithms: Java 4.0
 CS 211S Advanced Java: Standard Edition 3.0
 CS 211D Android Programming 3.0

Choose one of the following courses

CS 177 Software Engineering 3.0
 CS 195 Software Development Practicum 3.0
 CS 198 Industry Internship 1.0 – 4.0
 CNIT 197 Internship and Work Experience 1.0
 CNIT 198 Internship and Work Experience 2.0

Total: 17.0 – 20.0

Build Automation for DevOps & QA Certificate

The program of study for the certificate in Build Automation for DevOps & QA will give students a solid grounding in the automation of software quality assurance testing (QA), as well as systems to build and release software. Students will learn the fundamentals of working in a Linux environment, writing shell scripts and automation scripts using Ruby or Python, and Software Engineering principles. This course of study prepares students for entry-level positions in DevOps, Software QA and/or Build and Release Automation.

Learning Outcomes

Upon completion of this program, students will be able to:

- Write Unix/Linux commands to manipulate the contents and permissions of files and directories.
- Analyze common text processing and system tasks and interpret technical specifications to create object-oriented algorithmic solutions that use common control and data structures.
- Implement and test software thoroughly and methodically in a team environment.
- Implement and run continuous integration tests and regression tests to verify specific functionalities in a repository.
- Manage version tags and branches to build specific software versions.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Build Automation for DevOps & QA

Course Units

Required courses:

CS 160A Introduction to Unix/Linux 2.0
 CS 160B Unix/Linux Shell Scripting 2.0
 CS 177 Software Engineering 3.0
 CS 178 Build Automation for DevOps & QA 3.0

Choose one of the following courses:

CS 131B Programming Fundamentals: Python 4.0
 CS 132A Ruby Programming 3.0
 CNIT 133 JavaScript, jQuery, AJAX 3.0

Total: 13.0 – 14.0

Computer Programming: C++ Certificate

The program of study for the certificate in Computer Programming: C++ includes instruction and practice in the programming language C++, use of the Linux operating system, and a broader context of computer architecture, parallel programming, shell scripting, or database queries. This course of study prepares students for entry-level positions in software quality assurance, computer programming, and related fields.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze problems and interpret technical specifications to create and program appropriate algorithmic solutions, utilizing the most appropriate features of C++.
- Compare and contrast algorithms for efficiency.
- Predict the results of code using standard data structures with associated algorithms.
- Write Linux/Unix commands to manipulate files, directories, their contents and their permissions.
- Program within a specialized context: write programs that use more than one thread, process or task concurrently to solve a problem, selecting data structures that maintain integrity under concurrent access; design computer circuits and implement code in assembly language; write multiple table database queries in SQL; or write shell scripts to accept command-line arguments and capture program output.
- Operate effectively within a team, gaining work experience.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Computer Programming: C++

Course Units

Required

CS 110B Programming Fundamentals: C++ 4.0
 CS 110C Data Structures and Algorithms: C++. 4.0
 CS 160A Introduction to Unix/Linux 2.0

Choose one of the following courses

CS 280 Introduction to Parallel and Cloud
 Programming 4.0
 CS 270 Computer Architecture with Assembly Language . . 4.0

CS 150A Introduction to SQL Databases and NoSQL . . .	3.0
CS 160B Unix/Linux Shell Scripting	2.0
Choose one of the following courses	
CS 195 Software Development Practicum	3.0
CS 177 Software Engineering	3.0
CS 198 Industry Internship	1.0 – 4.0
CNIT 197 Internship and Work Experience	1.0
CNIT 198 Internship and Work Experience	2.0
Total:	13.0 – 18.0

Computer Programming: Java Certificate

The program of study for the certificate in Computer Programming: Java includes instruction and practice in the Java programming language including database interaction, as well as software engineering practices. This course of study prepares students for entry-level positions in quality assurance and computer programming in a variety of settings.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze problems and interpret technical specifications to create and program appropriate algorithmic solutions, utilizing the most appropriate features of Java.
- Write Java code for array-based and linked data structures that work with generics.
- Compare and contrast algorithms for efficiency.
- Predict the results of code using standard data structures with associated algorithms.
- Write Linux/Unix commands to manipulate files, directories, their contents and their permissions.
- Write multiple table database queries in SQL.
- Operate effectively within a team, gaining work experience.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Certificate of Achievement in Computer Programming: Java

Course	Units
Required	
CS 111B Programming Fundamentals: Java	4.0
CS 111C Data Structures and Algorithms: Java	4.0
CS 160A Introduction to Unix/Linux	2.0
CS 211S Advanced Java: Standard Edition	3.0

Choose one of the following courses

CS 150A Introduction to SQL Databases and NoSQL . . .	3.0
CS 211E Advanced Java: Enterprise	3.0

Choose one of the following courses

CS 195 Software Development Practicum	3.0
CS 177 Software Engineering	3.0
CS 198 Industry Internship	1.0 4.0
CNIT 197 Internship and Work Experience	1.0
CNIT 198 Internship and Work Experience	2.0

Total: **17.0 – 20.0**

Data Analytics Fundamentals Certificate

This certificate provides an introduction to data analytics and technical computing skills. Students learn the basics of working in a Unix or Linux environment, basic programming techniques using Python,

database fundamentals using SQL, data visualization techniques, statistics, and machine learning tools.

Learning Outcomes

Upon completion of this program, students will be able to:

- Write Unix commands to manipulate directories, their contents, and permissions.
- Create regular expressions to perform pattern matching.
- Analyze common text processing tasks and interpret technical specifications to create and program algorithmic solutions.
- Write multiple table database queries in SQL.
- Access and analyze data to produce information visualizations and discover patterns.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Certificate of Achievement in Data Analytics Fundamentals

Course	Units
Required Courses	
MATH 108 Foundations of Data Science	5.0
CS 150A Introduction to SQL Databases and NoSQL . . .	3.0
CS 160A Introduction to Unix/Linux	2.0
CS 131B Programming Fundamentals: Python	4.0
CS 256 Data Visualization	3.0
Total:	17.0

Database Administration Certificate

This certificate includes instruction and practice in interacting with and administering SQL databases. It prepares prospective entry-level database administrators. It can also prepare students for an industry SQL administration certification exam.

Learning Outcomes

Upon completion of this program, students will be able to:

- Design and create queries in SQL for accessing and updating data.
- Develop and test procedural and transactional MySQL routines.
- Manage SQL database user accounts, network access, performance, and backup.
- Write shell scripts to accept command-line arguments and capture program output.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Certificate of Achievement in Database Administration

Course	Units
Required	
CS 150A Introduction to SQL Databases and NoSQL . . .	3.0
CS 155P MySQL Programming	3.0
CS 160A Introduction to Unix/Linux	2.0
CS 160B Unix/Linux Shell Scripting	2.0

Choose one of the following courses

CS 155B MySQL Database Administration	3.0
or CNIT 415 SQL Server Administration	3.0

Total: **13.0**

Databases for Developers Certificate

This certificate includes instruction and practice in database fundamentals and interacting with databases using both SQL queries and procedural programming. It is designed to prepare prospective developers to use databases in their work. It is recommended for students also looking to pursue a bachelor's degree or master's degree in computer science or a related field.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze a problem and interpret technical specifications to create and program appropriate algorithmic solutions.
- Design and create queries in SQL for accessing and updating data.
- Write commands to navigate and manipulate files, directories, and text in a Unix environment.
- Write programs that interact with databases and/or structure databases to interact with programs.
- Operate effectively and professionally in a software development team environment.

Students who have never done any programming are advised to take CS 110A before beginning this program.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester. Some combinations of courses for this certificate may require additional course units to meet course requisites.

Courses Required for the Certificate of Achievement in Databases for Developers

Course Units

Required

CS 150A Introduction to SQL Databases and NoSQL . . . 3.0
 CS 155P MySQL Programming 3.0
 CS 160A Introduction to Unix/Linux 2.0

Choose one of the following courses

CS 111B Programming Fundamentals: Java 4.0
 CS 131B Programming Fundamentals: Python 4.0

Choose one of the following courses

CS 231 Advanced Python Programming 3.0
 CS 211E Advanced Java: Enterprise 3.0

Choose one of the following courses

CS 177 Software Engineering 3.0
 CS 195 Software Development Practicum 3.0
 CNIT 197 Internship and Work Experience 1.0
 CNIT 198 Internship and Work Experience 2.0

Total: 16.0 – 18.0

Game and Simulation Programming Certificate

The Game and Simulation Programming certificate prepares students for careers as video game developers and programmers of simulations, using some of the most popular gaming languages/platforms: C++, C#, and Unity. Students will learn about game design and the game industry, C++ programming including data structures and algorithms, and programming simulations and games in Unity using C#. Students will have a foundation of algebra and physics to better simulate real-world situations and behaviors.

Learning Outcomes

Upon completion of this program, students will be able to:

- Design and implement modular programs using modern features of C++.
- Evaluate and implement data structures and algorithms for given problems, considering appropriateness and efficiency.
- Utilize the Unity game engine and integrated development environment (IDE) to the creation of games.
- Simulate real-world situations and behaviors.
- Operate effectively within a team, gaining work experience.

Students who have never done any programming are advised to take CS 110A before beginning this program.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Certificate of Achievement in Game and Simulation Programming

Course Units

Required

CS 185 Exploring Game Worlds 3.0
 CS 110B Programming Fundamentals: C++ 4.0
 CS 110C Data Structures and Algorithms: C++ 4.0
 CS 214U Game and Simulation Programming in Unity . . 4.0
 MATH 90 Precalculus Algebra 5.0
 or MATH 90 Precalculus Algebra 5.0
 and MATH 90S Support for Precalculus Algebra 3.0
 or placement into MATH 100A or 110A

Choose one of the following courses

PHYC 2A Introductory Physics I 3.0
 PHYC 4A Classical Mechanics for Scientists and Engineers 3.0

Choose one of the following courses

CS 177 Software Engineering 3.0
 CS 195 Software Development Practicum 3.0
 CS 198 Industry Internship 1.0 – 4.0
 CNIT 197 Internship and Work Experience 1.0
 CNIT 198 Internship and Work Experience 2.0

Total: 24.0 – 35.0

iPhone App Programming Certificate

This certificate teaches how to program native apps (mobile device applications) to run on iPhones, iPads, and other iOS devices. Students learn programming in Swift, and also programming of data structures and algorithms in Java or C++. The specifics of how to program for iPhones is covered, as well as substantial project experience. Students completing this certificate program will be qualified for employment as entry-level app developers and quality assurance technicians.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze a problem and interpret technical specifications to create and program appropriate algorithmic solutions.
- Develop and test Swift classes and protocols, interfacing with Web APIs.
- Extend User Interface Kit (UIKit) classes to create custom view controllers.
- Create working iPhone applications that utilize the distinctive capabilities of iOS.

- Compare and contrast algorithms for efficiency.
- Predict the results of code using standard data structures with associated algorithms.
- Operate effectively within a team, gaining work experience

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Certificate of Achievement in iPhone App Programming

Course	Units
Choose one of the following Programming Fundamentals courses:	
CS 112 Beginning iPhone Programming using Swift	4.0
CS 110B Programming Fundamentals: C++	4.0
CS 111B Programming Fundamentals: Java	4.0
Required capstone course:	
CS 212 iPhone Programming	4.0
Choose one of the following Data Structures & Algorithms courses:	
CS 110C Data Structures and Algorithms: C++	4.0
CS 111C Data Structures and Algorithms: Java	4.0
Choose one of the following Internship/Project Experience courses:	
CS 177 Software Engineering	3.0
CS 195 Software Development Practicum	3.0
CS 198 Industry Internship	1.0 – 4.0
CNIT 197 Internship and Work Experience	1.0
CNIT 198 Internship and Work Experience	2.0
Total:	13.0 – 16.0

Linux Administration Certificate

The program of study for this certificate in Linux Administration will give students the skills needed to install and configure a basic Linux server in a networked environment. Besides basic command-line use, students will learn intermediate-level Linux administration skills including configuring and managing file systems, configuring and monitoring basic system security, and configuring default servers. It is designed to prepare students for entry-level positions in Linux Administration.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze common text processing tasks and write Unix commands to solve them.
- Design and implement bash shell scripts to solve administrative tasks.
- Analyze a Linux system and revise its configuration to solve issues of performance, security, connectivity, and availability of services.
- Configure default NFS, ftp, and http servers and the firewall and SELinux settings to access them.
- Install entire physical or virtual machines with custom physical file systems and logical volumes.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Linux Administration

Course	Units
Required courses:	
CS 160A Introduction to Unix/Linux	2.0
CS 160B Unix/Linux Shell Scripting	2.0

CS 260A Linux System Administration	4.0
Total:8.0

Web Application Programming Certificate

The program of study for the certificate in Web Application Programming will give students a solid grounding in full-stack open source web development skills. Students will learn the fundamentals of: working in a Linux environment; developing front-end web pages using HTML and JavaScript; using SQL databases; and server-side programming techniques using Ruby, PHP, Python, ASP.NET and/or Java. This course of study prepares students for entry-level positions developing web applications.

Learning Outcomes

Upon completion of this program, students will be able to:

- Write Unix/Linux commands including redirection and pipes, to manipulate files, directories, their contents and their permissions.
- Create regular expressions to perform pattern matching.
- Analyze a problem and interpret technical specifications to create and program algorithmic solutions.
- Write multiple table database queries in SQL.
- Create, build, and publish interactive Web pages using HTML and JavaScript.
- Write object-oriented server-side web site programs that interact with databases.
- Operate effectively within a team, gaining work experience.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester. Students who have never done any programming are advised to take CS 110A before beginning this program.

Courses Required for the Certificate of Achievement in Web Application Programming

Course	Units
Required	
CS 160A Introduction to Unix/Linux	2.0
CNIT 132 Intermediate HTML and CSS	3.0
CNIT 133 JavaScript, jQuery, AJAX	3.0
CS 150A Introduction to SQL Databases and NoSQL	3.0
Choose one of the following courses	
CS 111B Programming Fundamentals: Java	4.0
CS 131B Programming Fundamentals: Python	4.0
CS 132A Ruby Programming	3.0
CS 130A PHP Programming	4.0
Choose one of the following courses	
CS 211E Advanced Java: Enterprise	3.0
CS 231 Advanced Python Programming	3.0
CS 232 Ruby on Rails Development	3.0
CS 130B Advanced PHP Programming	3.0
CNIT 134 Server Side Technologies for the Web	3.0
Choose one of the following courses	
CS 195 Software Development Practicum	3.0
CS 177 Software Engineering	3.0
CS 198 Industry Internship	1.0 – 4.0
CNIT 197 Internship and Work Experience	1.0
CNIT 198 Internship and Work Experience	2.0
Total:	18.0 – 22.0

Announcement of Courses

Credit, Degree Applicable Courses:

CS 10. Introduction to Computer Science (4)

Lec-70 P/NP available

PREREQ: INTERMEDIATE ALGEBRA OR HIGHER

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Broad introduction to fundamental concepts in computer science. Investigate how computers store and transmit information, how to solve problems with computers by designing and implementing algorithms, and how computing fits into larger social issues. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

CS 110A. Intro to Programming (4)

Lec-70

RECOMMENDED PREP: INTERMEDIATE ALGEBRA OR HIGHER

Introduction to computer programming and problem solving. No prior programming experience required. Course concepts include: problem solving techniques, algorithms, program design, control structures, functions, and arrays. UC/CSU

C-ID COMP 112

OFFERED EVERY SEMESTER

CS 110B. Programming Fundamentals: C++ (4)

Lec-70

RECOMMENDED PREP: CS 10 OR CS 110A OR MATH 108

This course covers programming fundamentals using the C++ language, using procedural and object-oriented approaches to problem solving. Topics include structured elements, classes, objects, references, dynamic memory allocation, inheritance, polymorphism, arrays, pointers, files, design and implementation of abstract data types, in numerical and non-numerical applications. UC/CSU

C-ID COMP 122

OFFERED FALL AND SPRING SEMESTERS

CS 110C. Data Structures and Algorithms: C++ (4)

Lec-70

PREREQ: CS 110B

The analysis and design of computer algorithms and their underlying data structures. Analysis of the timing and efficiency of algorithms. Study of lists, stacks, queues, trees, backtracking, searching, sorting and recursion. Introduction to graphs, hash tables, heaps, priority queues and direct access files. Further study of abstract data types and object-oriented programming. UC/CSU

C-ID COMP 132

OFFERED FALL AND SPRING SEMESTERS

CS 111B. Programming Fundamentals: Java (4)

Lec-70

RECOMMENDED PREP: CS 10 OR CS 110A OR MATH 108

This course covers programming fundamentals using the Java language, emphasizing an object-oriented approach to problem solving. Topics include classes, objects, references, dynamic memory allocation, inheritance, polymorphism, arrays, files, design and implementation of abstract data types, in numerical and non-numerical applications. UC/CSU

C-ID COMP 122

OFFERED FALL AND SPRING SEMESTERS

CS 111C. Data Structures and Algorithms: Java (4)

Lec-70

PREREQ: CS 111B.

The analysis and design of computer algorithms and their underlying data structures. Analysis of the timing and efficiency of algorithms.

Study of lists, stacks, queues, trees, backtracking, searching, sorting and recursion. Introduction to graphs, hash tables, heaps, priority queues and direct access files. Further study of abstract data types and object-oriented programming. UC/CSU

C-ID COMP 132

OFFERED FALL AND SPRING SEMESTERS

CS 112. Beginning iPhone Programming using Swift (4)

Lec-70

P/NP available

This course provides a hands on, project based curriculum for first-time programmers to learn the very basics of computer programming using the Swift language. Students will learn how to use variables, basic logic, and simple Object Oriented Programming to create working apps. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

CS 130A. PHP Programming (4)

Lec-70

P/NP available

RECOMMENDED PREP: CNIT 132 OR DEMO OF EXIT SKILLS; AND CS 110A OR 111A OR SIMILAR PROGRAMMING EXPERIENCE

Introduction to the open source Web scripting language PHP. Build dynamic Web applications. Semantics and syntax of the PHP language, including discussion on the practical problems that PHP solves. Write server-side cross-platform HTML-embedded scripts to implement dynamic Web pages that interact with databases and files. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

CS 130B. Advanced PHP Programming (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: CS 130A

This class covers using PHP for database connectivity to build scalable, dynamic websites. Assignments emphasize using PHP for user authentication, site personalization, content management, session tracking, and user-driven database updating. Class project demonstrates using PHP and a database (MySQL) to build a scalable, object oriented, template-based web application. CSU

OFFERED ON OCCASION ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

CS 131B. Programming Fundamentals: Python (4)

Lec-70

P/NP available

RECOMMENDED PREP: CS 10 OR CS 110A OR MATH 108

This course covers programming fundamentals using the Python language. Python is interpreted, interactive, and object-oriented. Recommended for general-purpose programming, system administration, or web programming. Topics include classes, objects, inheritance, polymorphism, design and implementation of abstract data types, dictionaries, lists, list comprehensions, files, modules, and mutable and immutable types. UC/CSU

FORMERLY CS 131A

OFFERED FALL AND SPRING SEMESTERS

CS 132A. Ruby Programming (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: CS 110A OR CS 130A OR CS 160B OR 160B

Ruby is interpreted, interactive, and object-oriented. Recommended for general-purpose programming, system administration, or web programming with the Ruby on Rails web framework. Write stand-alone programs that perform tasks including interfacing or system calls and libraries, processing text using regular expressions, and retrieving information from web sites. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

CS 142. Programming Techniques for XML (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: CS 110A OR CS 130A OR CS 131B OR CS 132A OR CS 160B

Programming techniques for processing XML data. Comparison of programming approaches, including SAX, SAX-like, and DOM interfaces. Navigating, filtering, and modifying XML. Transformation of XML data. Use of XML with databases and serialization. CSU

*ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION***CS 150A. Introduction to SQL Databases and NoSQL (3)**

Lec-52.5 P/NP available

A course in the use of SQL database management systems to create, query, and update database tables. The course covers both the syntax and the logic of the major features of the SQL language. It also covers a brief overview of NoSQL (Not Only SQL) data sources such as JSON and MongoDB. CSU

*OFFERED EVERY SEMESTER***CS 155B. MySQL Database Administration (3)**

Lec-52.5 P/NP available

RECOMMENDED PREP: CS 150A AND CS 160B

Students install and configure a MySQL server and create and manage user accounts. Issues pertaining to optimization, security, privileges, tuning, troubleshooting, and performing upgrades are studied and practiced. CSU

*ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION***CS 155P. MySQL Programming (3)**

Lec-52.5 P/NP available

RECOMMENDED PREP: CS 150A

An advanced course in the use of MySQL techniques to process database objects. Design and develop MySQL program units: stored procedures, functions, and database triggers. Work with dynamic SQL and with XML data. CSU

*OFFERED SPRING SEMESTERS***CS 160A. Introduction to Unix/Linux (2)**

Lec-35 P/NP available

Introduction to using the Unix/Linux operating system. Unix/Linux file management and common text processing utilities including searching. UC/CSU

*OFFERED FALL AND SPRING SEMESTERS***CS 160B. Unix/Linux Shell Scripting (2)**

Lec-35 P/NP available

RECOMMENDED PREP: CS 160A

Analyze, design, write, test, and debug shell scripts. Students learn basic shell scripting techniques and develop scripting skills needed for Unix/Linux System Administration courses. The bash shell is used. UC/CSU

*OFFERED FALL AND SPRING SEMESTERS***CS 177. Software Engineering (3)**

Lec-52.5 P/NP available

RECOMMENDED PREP: SOME PROGRAMMING EXPERIENCE

Introduction to principal software engineering processes and pitfalls. Focus on users, development methodologies, testing, and tools. Use of techniques including version control, functional specification, Agile and Test-Driven Development. UC/CSU

*OFFERED FALL AND SPRING SEMESTERS***CS 178. Build Automation for DevOps & QA (3)**

Lec-52.5, Lab-17.5 P/NP available

RECOMMENDED PREP: CS 132A AND CS 177 AND CS 260A

Development and Operations (DevOps) is the use of build automation tools to automate provisioning, configuration, monitoring, and management of data centers and networks. These same tools are used to automatically build and test software for Quality Assurance (QA). Design tests and use tools like Jenkins to execute planned systematic actions that provide confidence in a software product under development, and its infrastructure. CSU

*ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION***CS 185. Exploring Game Worlds (3)**

Lec-52.5 P/NP available

RECOMMENDED PREP: VMD 105

Utilizing Unity game engine and a range of additional tools, this course is an introduction to the career opportunities in the games industry. Students will learn how individual games are made, distributed, and sold both via physical media and online. Also examined are virtual reality and augmented reality. CSU

*FORMERLY VMD 180**ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION***CS 186. XR: Games, Virtual and Augmented Reality using Unity (3)**

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: CS 185; VMD 166

Develops fundamental skills in the use of the Unity 3D game engine to develop games and X Reality (XR or Cross Reality), including virtual reality, augmented reality and simulations or 'experiences'. Students will design independently and as part of a team. Also covers workflow itself - time and resource management, planning and production strategies for entertainment products. CSU

*FORMERLY VMD 182**ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION***CS 195. Software Development Practicum (3)**

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: CS 177 OR CS 131B OR CS 111B OR CS 110B OR CS 132A OR CS 130A OR CS 150A

Integrate and apply knowledge gained through CCSF coursework in a team-based environment, collaborating with students in Visual Media Design's VMD 200A/B: Design Studio Practicum. Work on realistic projects with input invited from local employers. Develop, design and program a professional software project in a team environment. CSU

*ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION***CS 197P. Technical Interview Preparation (1)**

Lec-17.5 P/NP only

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: CS 110C OR CS 111C

Preparation for programming job interviews: problem-solving and algorithm questions solved on a white board or online chat, approaches to technical interviews, and solving common kinds of problems. Requires prior experience programming Data Structures and Algorithms in C++, Java, or similar. CSU

*ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION***CS 197V. Version Control and Online Code Repositories (1)**

Lec-17.5 P/NP only

RECOMMENDED PREP: CS 10 OR MATH 108 OR PRIOR PROGRAMMING EXPERIENCE

Using version control software such as Git and online code repositories such as GitHub. Use these systems for team collaboration in

210 Computer Science

software development, and to present work online as a portfolio for job applications. Set up an online code repository as a portfolio for employers to assess what kind of programming experience an applicant has. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

CS 198. Industry Internship (1-4)

Work-60 to 300 P/NP available

REPEAT: REPEATED UP TO 9.00 UNITS

Provides students with the opportunity to earn course and certificate credit for working in the field, in a supervised setting in the ICT/Computer Science industry. Internships include software quality assurance (QA), junior developer, database programmer or administrator, Linux system administrator, etc. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

CS 199. Independent Study (1-3)

Lab-52.5 to 157.5 P/NP available

RECOMMENDED PREP: CS 110C OR CS 111C OR CS 160B OR CS 177 OR CS 211S OR CS 211D OR CS 212 OR CS 214U OR CS 231 OR CS 232 OR CS 256 OR CS 280

Large-scale individual projects in computer science to be defined in cooperation with an instructor/supervisor. The project must be in an area not covered by other course offerings. The student is responsible for the project definition and completion under the guidance of an instructor/supervisor. CSU

UC UPON REVIEW

OFFERED FALL AND SPRING SEMESTERS

CS 211D. Android Programming (3)

Lec-52.5

RECOMMENDED PREP: CS 111B

An advanced course in the design and development of applications for mobile devices running the Android operating system. Use the Android SDK and Android Studio to craft user interfaces (UIs) and create applications that make use of web services, long-term storage, user location, and media. CSU

OFFERED FALL SEMESTERS

CS 211E. Advanced Java: Enterprise (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: CS 111B AND CS 211S

Advanced Java Enterprise Edition covers features of the Java language essential for building network- and web-oriented applications. Topics include networking, Java Database Connectivity (JDBC), Servlets, JavaBeans, JavaServer Pages (JSP), Remote Method Invocation (RMI), JavaScript Object Notation (JSON), and Extensible Markup Language (XML). UC/CSU

OFFERED FALL SEMESTERS

CS 211S. Advanced Java: Standard Edition (3)

Lec-52.5

PREREQ: CS 111B

Introduces advanced Java language features and packages that are essential for building Java Standard Edition applications. Topics include object-oriented design, updated Java features, file input and output, exception handling, collections, generics, graphical user interfaces (GUIs), functional programming, reflection, and multithreading. Helps prepare students for industry certification in Java programming. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

CS 212. iPhone Programming (4)

Lec-70

P/NP available

RECOMMENDED PREP: CS 112 OR CS 110B OR CS 111B

An advanced course in the design and development of iOS applications using Xcode and Swift. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

CS 214U. Game and Simulation Programming in Unity (4)

Lec-70

P/NP available

PREREQ: CS 110B OR CS 111B

This course provides students with the opportunity to learn computer science concepts in the context of game and simulation development. Data algorithms, behavioral algorithms, memory management, object and class hierarchy, and Unity's architectural pattern will be presented. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

CS 230W. WordPress and Drupal CMS Development (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: CS 130A AND CNIT 132 AND CS 160A

This course introduces students to creating and deploying WordPress and Drupal content management systems (CMS) for web development using custom plug-ins and modules. Topics include WordPress and Drupal core features, APIs, plug-in and module development, architecture, deploying to cloud hosting, PHP performance tuning, data management, and security. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

CS 231. Advanced Python Programming (3)

Lec-52.5

P/NP available

PREREQ: CS 131B

Second course in the Python programming language. Covers resources, practices, and modules used by successful Python programmers; functional and imperative programming in Python; debugging and testing; data serialization and use of persistent stores and web services. Students write useful programs demonstrating mastery of these techniques, which are applicable to real world problems. UC/CSU
CS 131A MAY BE USED TO SATISFY THE PREREQUISITE. PLEASE CONTACT THE COMPUTER SCIENCES DEPARTMENT FOR MORE INFORMATION.

OFFERED FALL AND SPRING SEMESTERS

CS 232. Ruby on Rails Development (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: CNIT 132 AND CS 132A

Developing data driven web applications with Ruby on Rails. Core aspects of the framework including ActiveRecord, HTML with embedded Ruby (ERB), Rails Controller classes, Action Mailer, and application testing. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

CS 256. Data Visualization (3)

Lec-52.5

P/NP available

PREREQ: CS 131B OR CS 111B OR CS 110B

RECOMMENDED PREP: MATH 80 OR ECON 5 OR PSYC 5 OR LALS 5 OR MATH 108

Access and analyze data and produce information visualizations to discover patterns. Fundamental skills and concepts for data science applicable to scientists, journalists, business people, and database programmers. Requires programming in a language of the student's choice. CSU

OFFERED FALL SEMESTERS

CS 260A. Linux System Administration (4)

Lec-70 P/NP available

RECOMMENDED PREP: CS 160B

The administration of a Linux server. Prepares students for industry certification and entry-level employment in system administration. Topics include process control, system monitoring, filesystem preparation and maintenance, logical volumes, basic servers and the firewall, virtual machines, startup and shutdown, user accounts, periodic tasks, security issues, and installations. CSU

OFFERED SPRING SEMESTERS

CS 270. Computer Architecture with Assembly Language (4)

Lec-70

PREREQ: CS 110B OR CS 111B

RECOMMENDED PREP: CS 160A

Basic computer organization including the von Neumann architecture, the instruction cycle, parts of a CPU (central processing unit), pipelining, memory hierarchy, and interrupt handling. Representation of numerical and non-numerical data. Translation to assembly code from high-level constructs such as if statements, loops, and function calls. UC/CSU

C-ID COMP 142

OFFERED FALL AND SPRING SEMESTERS

CS 280. Introduction to Parallel and Cloud Programming (4)

Lec-70, Lab-17.5 P/NP available

RECOMMENDED PREP: CS 110B OR CS 111B OR CS 131B

Programming fundamentals using multiple processors or computers to solve a problem. Mechanics of computation, multi-tasking, multi-threading, and object-oriented approaches to managing many computing elements working on the same problem. Programming for Cloud computation, Big Data access, and highly parallel computing hardware, e.g. multi-core processors and Graphics Processing Units (GPU). CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

Construction Trades*

* See Automotive/Motorcycle, Construction, and Building Maintenance.

Counseling Development

Office: MUB 39

Phone Number: (415) 452-5235

Web Site: www.ccsf.edu/cscd**Announcement of Course****Credit, Degree Applicable Course:**

COUN 105. Student Success Seminar II (.5)

Lec-9 P/NP only

This brief course is intended to help students on third and fourth semester probation re-gain good academic standing. Students develop time management and motivational strategies and learn about college policies, study skills, and student resources. Developing a comprehensive educational plan is key. CSU

Counseling, New Student

Office: Conlan 205

Phone Number: (415) 239-3296

Web Site: www.ccsf.edu/nscd**Announcement of Courses****Credit, Degree Applicable Courses:****AAPS 100. Achieving an Academic Attitude (3)**

Lec-52.5, field trips P/NP available

Students learn performance/achievement-based tools and competencies to assist in thinking critically about personal development expectations and social contexts. Engage in an action plan for future academic and personal success by understanding topics such as communication, motivation, and cultural competencies. CSU

OFFERED FALL AND SPRING SEMESTERS

AAPS 101. College Orientation (.5)

Lec-9 P/NP only

Assists students to identify their educational goals and chart their course to achieve success at City College of San Francisco. Topics include college policies and procedures, programs and services, expectations and requirements as well as the campus facilities, student's rights and responsibilities. CSU

AAPS 103. Orientation to College Transfer (3)

Lec-52.5 P/NP available

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: ENGL 1A AND ENGL 1AS

An overview of the concepts and significance of factors that contribute to college transfer and success in college. Factors to be explored include social awareness, cultural identity, goal setting, educational planning, and college resources. Focus on understanding the college/university systems and on understanding of the relationship of cultural experiences and college success. UC/CSU

OFFERED FALL SEMESTERS

AAPS 104. Student Success Seminar (.5)

Lec-9 P/NP only

This course is intended to help students on academic and/or progress probation to regain good academic standing. Students develop time management and motivational strategies and learn about available college resources to help them reach academic success. Students also learn about academic policies and educational goal options. CSU

Noncredit Course:**AAPS 1111. Orientation to Noncredit Certificate Programs (10 hrs)**

RECOMMENDED PREP: ESLN 3300 OR PLACEMENT IN ESLN 3400

(BEGINNING HIGH 4)

Introduction to the nature, purpose and application of noncredit studies and programs at City College of San Francisco. Topics include the range and variety of noncredit studies, contrast to credit studies, expectations for noncredit students, and introduction to the college's services for noncredit students' success.

CSU GE-BreadthWebsite: www.ccsf.edu/artic**Announcement of Curricula****CSU GE-Breadth Certificate**

Students who complete the approved California State University General Education-Breadth transfer pattern might be eligible to obtain the Certificate of Achievement in CSU GE-Breadth. Details of

the course requirements and learning outcomes are available in the Transfer Information section of this catalog. Students are strongly encouraged to consult with a counselor for further information.

(See also IGETC Certificate)

Culinary Arts and Hospitality Studies

Office: Statler Wing 156
Phone Number: (415) 239-3152
Web Site: www.ccsf.edu/cahs

Announcement of Curricula

The Culinary Arts and Hospitality Studies (CAHS) Department (formerly the Hotel and Restaurant Department) includes both credit and noncredit programs.

Credit, Associate in Science Degree programs are offered with three distinct majors: Culinary Arts Management; Food Service Management; or Hospitality Management. (See below for details about these programs).

Noncredit Certificate Programs. The Culinary and Service Skills Training Certificate Program, and the Baking and Pastry Certificate Program, provide short-term skills training for entry into the labor market and are offered for noncredit (no college credit). (See below for details about these programs).

Credit, Consumer Classes. These classes are offered for college credit and are designed for non-professionals and open to the general public. These courses are not included in the CAHS degree programs.

General Information

History. Established in 1936 as the Hotel and Restaurant Department, this was the first community college program in the United States offering training in hospitality subjects. Since then, thousands of hospitality professionals have graduated from the Program. The department is also supported by our extensive hospitality library, the Alice Statler Library.

Culinary Arts and Hospitality Studies Mission Statement. The Culinary Arts and Hospitality Studies Department at City College of San Francisco is designed to provide students with strong foundational and practical culinary and management skills necessary to succeed in the hospitality industry.

Our Vision. Equally grounded in culinary arts and management, students learn through hands-on culinary, management and academically related classes, to develop real-world skills and knowledge necessary to excel in the food service, restaurant and hospitality industry.

Employment. Graduates find employment in many facets of the hospitality industry including hotels, restaurants, clubs, cafeterias, cruise ships, retirement communities, catering companies, educational institutions and purveyors, to name a few career possibilities.

The jobs that students receive immediately upon graduating varies greatly, depending upon which program they completed, their career goals, and practical experience. Graduates may accept positions such as: line cook, pastry cook, baker, host, food server, hotel reservationist, desk clerk, cashier and night auditor; to entry level management positions, such as: assistant restaurant manager, hotel reservations manager, assistant front office manager, and purchasing agent.

Graduates progress in their careers to such positions as: executive chef, restaurant and hotel general manager, executive pastry chef, concierge, restaurant owner, food and beverage director, garde manger chef, sales manager, bakery owner, catering director, food service director, sous

chef, country club manager, hotel director of sales and marketing, director of banquets are a few higher level career possibilities.

Associate in Science Degree Programs

Please visit www.ccsf.edu/cahs for more information and an application.

Accreditation. The Culinary Arts Management Program and the Food Service Management Program are accredited by The American Culinary Federation. Upon completion of their A.S. degree major, students can apply for a Certificate of Completion from the Accrediting Commission of the American Culinary Federation (ACF). Please see Program Advisor for more information regarding the certificate. For more information about this agency, see the "Overview of the College" section of this Catalog.

Food Safety Managers Certification. As a prerequisite to graduation from the Culinary Arts Management Program, or from the Food Service Management Program, Food Safety Management Certificate, students are required to successfully pass a California food safety certification examination* issued by an accredited food protection manager certification organization (SB602 & Sec 113790 of CA Health & Safety Code).

* e.g.: The National Registry of Food Safety Professionals - Food Safety Manager Certification exam or the ServSafe Food Protection Manager Certification exam, issued by the National Registry of Food Safety Professionals.

* This exam is administered through the CCSF Biology 121 (formerly Microbiology 51) course.

Applicants who have already earned a college degree (A.S./A.A., B.A./B.S., etc.) are still required to fulfill CCSF A.S. degree requirements. Students accepted to one of the CAHS degree programs and are registered in classes, request an "Evaluation of Transferred Credit". Please see CAHS Program Advisor or CCSF Counselor for more information.

Transfer. Students who intend to transfer to four year universities for a baccalaureate degree should consult with our Program Advisor or Counselor for guidance on planning a program to transfer. The degree programs are designed to facilitate transferring to four year universities.

Program Probation Policy. Academic probation occurs when a student fails to maintain a 2.00 cumulative grade point average. Students are removed from probation when their cumulative grade point average is increased to a minimum of 2.50.

Disqualification. Students may be disqualified from the Program for any of the following reasons:

1. Receiving a final grade of "D" or "F" in any of the required major courses.
2. Remaining on probation for two consecutive semesters.
3. Receiving a final grade of "D" or "F" in a laboratory class being repeated, because of receiving an initial grade of "D" or "F".
4. For reasons described in various sections of this catalog.

Students receiving a final grade of "D" or "F" in any of the consecutive laboratory series class (CAHS 10A-B/N-NL, CAHS 20A-B-C, CAHS 30A-B) must confer with the Program Advisor and repeat those classes before progressing to the next class in the sequence.

Culinary Arts Management Program

Introduction. An Associate in Science degree with a major in the Culinary Arts Management is offered to prepare students for a culinary career. This is a two year, four semester course of study. This program

and all of the degree programs include management related course in their respective fields.

This is a rigorous, full time, day program. Students are advised to be well prepared to commit themselves to being in school 8 hours per day, 5 days a week for the duration of the Program. Students who are entering college for the first time usually take five or more semesters to complete the program.

Accreditation. The Culinary Arts Management Program and the Food Service Management Program are accredited by The American Culinary Federation. Upon completion of their A.S. degree major, students can apply for a Certificate of Completion from the Accrediting Commission of the American Culinary Federation (ACF). Please see Program Advisor for more information regarding the certificate. For more information about this agency, see the “Overview of the College” section of this Catalog.

Admission and Applications. Prior to being admitted to Culinary Arts Management Program, applicants must complete the procedure for admission to City College of San Francisco.

When applicants have been admitted to the College, they must also complete the CAHS Department’s application form, which may be obtained at the CAHS office located at Statler Wing, Room 156, by calling the office at (415) 239-3152, or by printing the application from our website: www.ccsf.edu/cahs and mailing it in.

Completed applications must be submitted by the second Monday in November for the following Spring semester and by the second Monday in April for the following Fall semester (unless these dates are displaced by a holiday). Applicants should call (415) 239-3152 for the exact deadline dates for each semester.

Prerequisites:

- Applicants are advised to have ENGL 88 or ESL 186 or placement in ESL 188 or readiness for college-level English; or to have completed ENGL 1A at CCSF or its equivalent at another college.
- A 2.0 grade point average on prior college or high school transcripts is advised.

Note: Applicants who have already earned a college degree (A.S./A.A., B.A./B.S., etc.) are required to fulfill CCSF A.S. degree requirements. Students should request an “Evaluation of Transfer Credit” after they are registered in classes and accepted to one of the CAHS degree programs. Please see Program Advisor or CCSF Counselor for more information.

Students are required to confer with the Program Advisor as to the specific classes necessary to complete their program and the order in which courses should be taken. Laboratory classes are restricted to program majors.

Costs. In addition to the current applicable tuition, fees, books, and other such college expenses, students will need to purchase uniforms, kitchen tools, and material fees at an approximate cost of \$575.00 (a one-time cost).

Course of Study. Students must take a core group of courses. Students in the Culinary Arts Management Program must take sequential laboratory courses in food preparation and service: CAHS 10A, 10B, CASH 10N/NL, CAHS 20A, CAHS 20B, CAHS 20C, CAHS 30A, 30B and the internship class CAHS 40W.

This program includes extensive hands-on training in the department’s four kitchens, bake shop, quick service cafe, cafeteria, and fine dining restaurant.

Students must complete an unpaid industry internship for which they earn class credit (CAHS 40W). Students secure these internships with the assistance of the Program Advisor.

In addition, business and management courses are also required to prepare students to be professionals in the culinary field.

General education courses (English, math, humanities, history, and diversity classes) are also required to fulfill A.S. degree requirements.

Culinary Arts Management Major (AS)

Are you someone who loves to cook? Have an adventurous spirit? Enjoy tasting new foods? This is the program for you! Whether you are new to the hospitality industry or a seasoned veteran, we can give you the support and encouragement you need to fulfill your dreams and aspirations of becoming a chef. The exciting field of culinary arts is ever changing with new food trends and ways to impact your community and the planet in a sustainable way. Students will be trained in all aspects of culinary arts and hospitality and will be well suited to enter the fast-paced, ever-growing job market as cooks, bakers and servers in hotels, restaurants, wineries, and catering companies. An Associate in Science degree with a concentration in Culinary Arts is a two-year program that provides theory and hands-on training to develop your culinary craft and includes management-related courses in the culinary industry. Our program gives you the tools, experience, and inspiration to excel in a career in the culinary arts.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply the concept and techniques of sanitation, personal hygiene and professional attire to hospitality environments.
- Use costing principles and trends to profitably operate hospitality establishments
- Anticipate and perform the responsibilities of a line and/or pastry cook in a professional kitchen.

A separate application form specific to the Culinary Arts and Hospitality Studies (CAHS) program must be submitted in addition to the CCSF application. Applicants may contact the CAHS department for the application and assistance.

Recommended course sequencing for CAHS classes:

- CAHS 100 should be taken in the first semester of study.
- CAHS 10A-B, 20A-B-C, 30A-B must be taken in sequence.
- CAHS 40W is to be taken in a student’s final semester and by consent of the instructor.
- Students must complete 12 units of A.S. degree requirements before continuing to the second year.

Recommended preparation for entry into the program. ESL 186 or placement in ESL 188 or readiness for college-level English; MATH 30 or equivalent.

Note that the program description below outlines only how students fulfill the Major requirement for an associate degree (AS). The CCSF associate degree also includes general education requirements. Please read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, the minimum time for completion of an AS degree is four semesters, depending on student preparation and the number of units completed per semester. The CAHS department program advisor assists all students with the application process, course registration, scholarships, internships, and job placement.

Total:	58.0

Food Service Management Program

Introduction. The major in Food Service Management is offered to prepare students who are interested in a food related career in the “front of the house” – but NOT in the kitchen. This program focuses on food service management, such as restaurant management, catering management, banquet management, purchasing, etc.

This is a two year, four semester course of study and is a rigorous, full time, day program. Students are advised to be well prepared to commit themselves to being in school 8 hours per day, 5 days a week for the duration of the Program. Students who are entering college

for the first time usually take five or more semesters to complete the Program.

Accreditation. The Food Service Management Program is accredited by The American Culinary Federation. Upon completion of their A.S. degree major, students can apply for a Certificate of Completion from the Accrediting Commission of the American Culinary Federation (ACF). Please see Program Advisor for more information regarding the certificate. For more information about this agency, see the “Overview of the College” section of this Catalog.

Admission and Applications. Prior to being admitted to Food Service Management Program, applicants must complete the procedure for admission to City College of San Francisco.

When applicants have been admitted to the College, they must also complete the CAHS Department’s application form, which may be obtained at the CAHS office located at Statler Wing, Room 156, by calling the office at (415) 239-3152, or by printing the application from our website: www.ccsf.edu/cahs and mailing it in.

Completed applications must be submitted by the second Monday in November for the following Spring semester and by the second Monday in April for the following Fall semester (unless these dates are displaced by a holiday). Applicants may call (415) 239-3152 for the exact deadline dates for each semester.

Prerequisites:

- Applicants are advised to have ENGL 88 or ESL 186 or placement in ESL 188 or readiness for college-level English; or to have completed ENGL 1A at CCSF or its equivalent at another college.
- A 2.0 grade point average on prior college or high school transcripts is advised.

Note: Applicants who have already earned a college degree (A.S./A.A., B.A./B.S., etc.) are required to fulfill CCSF A.S. degree requirements. Students should request an “Evaluation of Transfer Credit” after they are registered in classes and accepted to one of the CAHS degree programs. Please see Program Advisor or CCSF Counselor for more information.

Students are required to confer with the Program Advisor as to the specific classes necessary to complete their program and the order in which courses should be taken. Laboratory classes are restricted to program majors.

Costs. In addition to the current applicable tuition, fees, books, and other such college expenses, students will need to purchase uniforms, kitchen tools, and material fees at an approximate cost of \$575.00 (a one-time cost).

Course of Study. All students must take a core group of courses which includes one semester in the kitchen and the following semesters emphasize front of the house service and management. Students in the Food Service Management Program must take sequential laboratory courses in food preparation, service and management: CAHS 208, CAHS 10A, 10B, CAHS 10N/NL, CAHS 30A, 10B and the internship class CAHS 40W.

This program includes extensive hands-on training in the department’s four kitchens, bake shop, quick service cafe, cafeteria, and fine dining restaurant. Students must complete an unpaid industry internship for which they earn class credit (CAHS 40W). Students secure these internships with the assistance of the Program Advisor.

Note: The first semester of this program requires the same classes as the first semester of the Culinary Arts Program.

General education courses (English, math, humanities, history, and diversity classes) are also required to fulfill A.S. degree requirements.

Food Service Management Major (AS)

Students may earn an Associate in Science Degree with a major in Food Service Management. This major is offered to prepare students who are interested in a front of the house food-related career.

Learning Outcomes

Upon completion of this program, students will be able to:

- Practice communication skills, professional behaviors and techniques required to execute superior customer service and exceed guest's expectations
- Apply professional, supervisory and interpersonal skills needed to work with diverse groups and successfully manage food and beverage operations.
- Implement principles of cost control and sound business practices to profitably operate and evaluate food service establishments.
- Apply fundamental front and back-of-house skills in a variety of food service operations.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is 4 semesters, depending on student preparation and the number of units completed per semester.

There is a separate application form for the CAHS program. Applicants should contact the Culinary Arts and Hospitality Studies department for deadline dates.

 * CAHS 40W to be taken in student's final semester
 and by consent of instructor.

Choose one of the following required courses:

CAHS 205 Introduction to Wine 3.0
 CAHS 222 Beverage Management 3.0

Choose one of the following required courses:

PSYC 26 Applied Psychology 3.0
 LBCS 96C Labor Relations in the Modern American
 Workplace 3.0

Total: 58.0 – 58.5

Hospitality Management Program

Introduction. Students may earn an Associate in Science with a major in Hospitality Management. This major is designed to prepare students to work in the rooms division of a hotel or lodging facility. Students also spend one semester in the kitchen to help prepare for the Food and Beverage department of a hotel. However, this major does not prepare students for a culinary career.

Admission and Applications.

Prior to being admitted to Hospitality Management Program, applicants must complete the procedure for admission to City College of San Francisco.

When applicants have been admitted to the College, they must also complete the CAHS Department's application form, which may be obtained at the CAHS Department office located at Statler Wing, Room 156, by calling the office at (415) 239-3152, or by printing the application from our website: www.ccsf.edu/cahs and mailing it in.

Completed applications must be submitted by the second Monday in November for the following Spring semester and by the second Monday in April for the following Fall semester (unless these dates are displaced by a holiday). Applicants may call (415) 239-3152 for the exact deadline dates for each semester.

Prerequisites:

- Applicants are advised to have ENGL 88 or ESL 186 or placement in ESL 188 or readiness for college-level English; or to have completed ENGL 1A at CCSF or its equivalent at another college.
- A 2.0 grade point average on prior college or high school transcripts is advised.
- Applicants must be in good physical and mental health.

Note: Applicants who have already earned a college degree (A.S./A.A., B.A./B.S., etc.) are required to fulfill CCSF A.S. degree requirements. Students should request an "Evaluation of Transfer Credit" after they are registered in classes and accepted to this program. Please see Program Advisor or CCSF Counselor for more information.

Students are required to confer with the Program Advisor as to the specific classes necessary to complete their program and the order in which courses should be taken.

Costs. In addition to the current applicable tuition, fees, books, and other such college expenses, students will need to purchase uniforms, kitchen tools, and material fees at an approximate cost of \$575.00 (a one-time cost).

Course of Study. Students are required to take all the classes listed in the Hospitality Management Curriculum below along with requirements for an A.S. degree. Students must complete an unpaid industry

internship for which they earn college credit (CAHS 40W). Students secure these internships with the assistance of the Program Advisor.

General education courses (English, math, humanities, history, and diversity classes) are also required to fulfill A.S. degree requirements.

Hospitality Management Major (AS-T)

The Associate in Science in Hospitality for Transfer is designed to provide students with foundational knowledge and skills desirable for further advanced study in Hospitality, particularly at the California State University system. This program provides the academic foundation required for various areas of hospitality studies, such as hotel administration, restaurant operations, hospitality law, finance, and marketing. This transfer degree also prepares students for work in the following industries: Hotel operations including Rooms Division, Food & Beverage and Sales & Marketing; Restaurant Operations; Corporate Food Service; Travel & Tourism Industry; and Meeting, Conventions & Special Events. Note--There is a separate application form for the CAHS program. Applicants should contact the Culinary Arts and Hospitality Studies Department for deadline dates.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply best practices in the hospitality industry to further economic and environmental sustainability.
- Employ multicultural perspectives to meet the needs of guests and employees.
- Use creative and critical thinking to problem solve and make decisions effectively in the community and industry.
- Apply essential hospitality operations and management skills.

Degree Requirements. Students who wish to earn the Associate in Science for Transfer (AS-T) in Hospitality Management must complete 60 CSU or IGETC transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and for the major as specified below. Each course in the major must be completed with a minimum grade of “C” (or “P”). Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

Recommended preparation for entry into the program. ENGL 88 or ESL 186 or placement in ESL 188 or readiness for college-level English; MATH 30 or equivalent skills.

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AS-T in Hospitality Management

Course Units
Required

CAHS 100 Introduction to Hospitality 3.0
ECON 3 Principles of Microeconomics 3.0
CAHS 43 Principles of Hotel Administration 3.0
CAHS 34 Fundamentals of Contemporary
Hospitality Law 3.0

Choose 6-10 units from the following courses

BIO 121 Principles of Food Safety 2.0

or BSL 1 Business Law I 3.0
or ECON 5 Introductory Statistics for Economics,
Business and Social Sciences 5.0
or LALS 5 Introduction to Statistical Methods in
Latin American and Latino/a Studies 5.0
or MATH 80 Probability and Statistics 5.0
or PSYC 5 Statistics for Behavioral Sciences 5.0
Total: 18.0 – 22.0

Hospitality Management Major (AS)

The Associate of Science in Hospitality is designed to prepare students who wish to enter the hospitality industry with the skills to succeed in entry level positions. This program provides the academic foundation required for various areas of hospitality, such as hotel administration, restaurant operations, hospitality law, finance, marketing, meetings, conventions and special events and culinary arts.

Learning Outcomes

Upon completion of this program, students will be able to:

- Categorize the different departments within a hotel and explain the interactions between them.
- Enhance organizational performance through use of industry specific technology.
- Apply costing principles and trends to profitably operate hospitality establishments.
- Apply the concept and techniques of sanitation, personal hygiene and professionalism to hospitality environments.

Recommended preparation for entry into the program. ENGL 88 or ESL 186 or placement in ESL 188 or readiness for college-level English; MATH 30 or equivalent skills.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with the Department’s Program Advisor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Total:	47.0 – 53.5

Culinary Arts and Hospitality Certificate

This certificate program is designed to prepare students in the Culinary Arts. The program's approach equips students with the relevant skills to enter a robust hospitality job market in the bay area. This credit certificate provides short-term culinary and service skills training for entry into the labor market.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply front of the house operations and methods of service to a variety of tasks in the food service industry.
- Apply the concept and techniques of sanitation, personal hygiene and professional attire to hospitality environments.
- Anticipate and perform the responsibilities of a line and/or pastry cook in a professional kitchen.

Completion of ESL 186 or placement in ESL 188 or ENGL 1A+1AS or higher.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Culinary Arts and Hospitality

Course	Units
Required	
CAHS 10A Culinary Fundamentals: Intro to Food Prep	5.0
CAHS 10B Culinary Fundamentals: Baking and Pastry	5.0

CAHS 100 Introduction to Hospitality	3.0
BIO 121 Principles of Food Safety	2.0
Total:	33.0

Entrepreneurship and Innovation in Hospitality Management Certificate

This certificate program is designed to prepare students in Hospitality Management to engage in the world of entrepreneurship. The program's interdisciplinary approach to entrepreneurship equips students with relevant tools in exploring various pathways to entrepreneurship such as full-time business ownership, sub-contracting (freelancing), consulting, corporate intrapreneurship or mission-driven social entrepreneurship.

The interdisciplinary focus provides basic culinary and service skills training for business startups. While generally designed for those interested in attaining a certificate in hospitality field, this skillset allows students to participate in today's gig economy as a freelance chef, a food blogger, or a content creator in the hospitality industry.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply an entrepreneurial mindset that breeds creativity and innovation in hospitality management.
- Use terms and concepts related to functional areas of entrepreneurship necessary for startups.
- Analyze the marketing environment to identify entrepreneurial opportunities and areas for growth and development.
- Develop an agile and lean business plan for a startup project or enterprise that is ready for pitching.
- Compare different entrepreneurship pathways that are available for people venturing into food and beverage industry.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Announcement of Courses

NOTE: Some lecture courses are not offered every semester. Consult the Time Schedule for the times these courses will be offered.

Credit, Degree Applicable Courses:

CAHS 10A. Culinary Fundamentals: Intro to Food Prep (5)

Lec-35, Lab-170

PREREQ: ADMISSION TO THE CULINARY ARTS AND HOSPITALITY STUDIES DEGREE PROGRAM; COMPLETION OF OR CONCURRENT

ENROLLMENT IN: CAHS 10B

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Introductory commercial food preparation for professional kitchens through a combination of extensive hands-on practice, lecture and demonstrations. Focus on preparation of multicultural breakfast foods, salads, and sandwiches while taking into account sanitation, sustainability, waste reduction, and seasonality. CSU

FORMERLY CULINARY FUNDAMENTALS I

CAHS 10B. Culinary Fundamentals: Baking and Pastry (5)

Lec-35, Lab-170

PREREQ: ADMISSION TO THE CULINARY ARTS AND HOSPITALITY STUDIES DEGREE PROGRAM; COMPLETION OF OR CONCURRENT

ENROLLMENT IN: CAHS 10A

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Pastry and baking production skills through extensive hands-on practice complemented by a combination of lectures and demonstrations. Working in a professional kitchen environment at City College, students prepare an impressive and varied assortment of breads, breakfast pastries, cookies, cakes, pies, tarts and fine-dining plated desserts, honing organizational skills, accuracy, and speed while adhering to sanitation and safety protocols. CSU

FORMERLY CULINARY FUNDAMENTALS I

CAHS 10N. Culinary Fundamentals 1 (4)

Lec-70

PREREQ: ADMISSION TO THE CULINARY ARTS AND HOSPITALITY STUDIES DEGREE PROGRAM

COREQ: CAHS 10NL

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Fundamentals of commercial food preparation for the hospitality industry. Concepts for handling professional kitchen tools and equipment, food sanitation, safety, kitchen mathematics and terminology. Theory of the preparation of various hot and cold savory dishes and various baked goods. This course is the lecture component for CAHS 10NL. CSU

ALL SECTIONS WILL CHARGE A MATERIAL FEE OF \$75.00

CAHS 10NL. Culinary Fundamentals 1 Laboratory (6.5)

Lab-350

COREQ: CAHS 10N

Fundamentals of commercial food preparation for the hospitality industry. Skills for handling professional kitchen tools and equipment through practical application. Preparation of various hot and cold savory dishes and various baked goods. Practice of food sanitation,

safety techniques, organizational skills, and kitchen mathematics and terminology. This course is the laboratory component for CAHS 10N. CSU

ALL SECTIONS WILL CHARGE A MATERIAL FEE OF \$75.00

CAHS 20A. Culinary Fundamentals II A (3)

Lec-22, Lab-116

PREREQ: (CAHS 10A AND CAHS 10B) OR (CAHS 10N AND CAHS 10NL)

Advanced principles of food preparation and service. Emphasis is on classical French cooking and its foundation for modern styles of cuisine. Practice classical and modern cooking techniques employing all standard cooking methods. Production is centered around butchery and utilizing related cuts for curing, smoking, sausage making and the art of garde manger - patés, terrines and hors d'oeuvres. CSU

C-ID HOSP 160 (CAHS 20A + CAHS 20B + CAHS 20C)

CAHS 20A + CAHS 20B + CAHS 20C MAY BE TAKEN IN ANY ORDER.

CAHS 20B. Culinary Fundamentals II B (3)

Lec-22, Lab-116

PREREQ: (CAHS 10A AND CAHS 10B) OR (CAHS 10N AND CAHS 10NL); COMPLETION OF OR CONCURRENT ENROLLMENT IN: CAHS 20A AND CAHS 20C

Advanced principles of food preparation for fine dining kitchens through a combination of extensive hands-on practice, lecture, and demonstrations. Focus on line-cooking in various stations with preparation of seasonal menus while taking into account sanitation, sustainability, and restaurant cooking techniques. CSU

C-ID HOSP 160 (CAHS 20A + CAHS 20B + CAHS 20C)

CAHS 20C. Culinary Fundamentals II C (3)

Lec-22, Lab-116

PREREQ: (CAHS 10A AND CAHS 10B) OR (CAHS 10N AND CAHS 10NL); COMPLETION OF OR CONCURRENT ENROLLMENT IN: CAHS 20A; CAHS 20B

Advanced principles of food preparation and service. Emphasis is on classical French cooking and its foundation for modern styles of cuisine. Students will practice classical and modern cooking in a production lab environment (Industrial kitchen), employing all standard cooking techniques, producing a variety of entrees, starches, vegetables, sauces and a variety of foods from around the world. CSU

C-ID HOSP 160 (CAHS 20A + CAHS 20B + CAHS 20C)

CAHS 21. Meat Analysis (2)

Lec-35

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: CAHS 20A AND CAHS 20B AND CAHS 20C

Focuses on the fabrication of beef, pork, veal, lamb, poultry, and fish; proper cuts and their uses; and recognition of the quality of meat and cooking methods used for various cuts of meats. Also learn about purchasing specifications and ordering terms. CSU

CAHS 30A. Restaurant Operations: Front of House, Fine Dining (4.5)

Lec-43, Lab-131

PREREQ: CAHS 20A AND CAHS 20B AND CAHS 20C COMPLETION OF OR CONCURRENT ENROLLMENT IN: CAHS 30B

Focus on front-of-house restaurant operations and dining service, management and equity issues, restaurant trends, and cost controls. A key component of the course is intensive hands-on training in our fine dining restaurant. CSU

C-ID HOSP 130 (CAHS 30A + CAHS 30B)

FORMERLY RESTAURANT OPERATIONS

CAHS 30B. Restaurant Operations: Cafeteria & Quick Service (4.5)

Lec-43, Lab-131

PREREQ: CAHS 20A AND CAHS 20B AND CAHS 20C; COMPLETION OF OR CONCURRENT ENROLLMENT IN: CAHS 30A

Focus on food service operations such as management, cost control for cafeterias and quick service business models. A key component of the course is intensive hands-on training in the two college food service outlets: the cafeteria and quick service outlets. CSU

C-ID HOSP 130 (CAHS 30A + CAHS 30B)
FORMERLY RESTAURANT OPERATIONS
CAHS 32. Hospitality Marketing (3)

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Fundamentals of marketing in the hospitality industry, including research, sales, advertising, public relations, social media and other concepts related to hospitality marketing. CSU

OFFERED SPRING SEMESTERS
CAHS 33. Procurement and Costing (3)

Lec-52.5, field trips

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Examine current issues in procurement for the hospitality industry, such as sourcing sustainably, ensuring diversity, and understanding where food and other goods come from. Other topics include emerging purchasing technologies and external forces that affect the supply chain. Learn the skills needed to plan what, how much, when, from whom, and how much to pay for products and services in order to maintain a profitable business. CSU

C-ID HOSP 120
CAHS 34. Fundamentals of Contemporary Hospitality Law (3)

Lec-52.5

An overview of the legal system as it pertains to hotels, restaurants, bars, and private clubs with an emphasis on liability prevention particularly in the areas of employment, ADA and civil rights compliance, food service liability, responsible beverage service and the innkeeper/guest relationship. CSU

C-ID HOSP 150
OFFERED FALL SEMESTERS
CAHS 40W. Work Experience (5)

Work-300-375

PREREQ: EVIDENCE OF PASSING A CA FOOD SAFETY MANAGER CERTIFICATION EXAM ADMINISTERED BY AN ACCREDITED FOOD PROTECTION MANAGER CERTIFICATION ORGANIZATION (E.G. SERVSAFE OR NATIONAL REGISTRY OF FOOD SAFETY PROFESSIONALS) PER SB 602 & CA HEALTH & SAFETY CODE; AND APPROVAL OF CAHS WORK EXPERIENCE INSTRUCTOR/COORDINATOR

REPEAT: STUDENTS CAN REPEAT TWICE (TOTAL 3 ENROLLMENTS)

Off campus laboratory training in hotels, restaurants and other allied areas. This final course in the program is designed to provide practical experience in the branch of the industry to which the student shows to be best adapted or in which the student desires additional training beyond that given in prior classes. One unit of credit is earned for 60 hours of unpaid work, or 75 hours of paid work. CSU

CSU

MUST BE TAKEN IN THE STUDENT'S FINAL SEMESTER IN THE PROGRAM.
CAHS 42. Fundamentals of Hospitality Financial Reports (3)

Lec-52.5

An introductory and practical overview of hotel and restaurant accounting with emphasis on understanding what the numbers mean and how to apply them in actively managing the operation of a hotel, restaurant, or other food business. CSU

CAHS 43. Principles of Hotel Administration (3)

Lec-52.5, field trips

Comprehensive survey of operating system and components of a hotel-resort facility, including front office, housekeeping, food and beverage, sales and marketing, accounting, property maintenance, human resources management. Describes management administration, concepts, principles, hotel operations as a major industry. Introduction to how revenue management, social media marketing, reputation management, Smith Travel Report and profit and loss statements show the success or failure of a hotel. CSU

C-ID HOSP 140
CAHS 53A. Cuisines of Mexico: Oaxaca (3)

Lec-17.5, Lab-105, field trips P/NP available

RECOMMENDED PREP: (CAHS 10A AND CAHS 10B) OR (CAHS 10N AND CAHS 10NL) OR CULINARY INDUSTRY EXPERIENCE

An advanced culinary course that explores the authentic cuisine of Oaxaca, Mexico. History and use of indigenous ingredients, local cooking methods, techniques, and terminology related to Oaxacan cuisine through instructor-led demonstrations, hands-on cooking experience and market visits. CSU

CAHS 60A. Sous Vide Cooking (1)

Lec-17.5

PREREQ: (CAHS 10A AND CAHS 10B) OR (CAHS 10N AND CAHS 10NL); COMPLETION OF OR CONCURRENT ENROLLMENT IN: CAHS 20A OR CAHS 20B OR CAHS 20C

Lecture and demonstration of the history, trends, and applications of sous vide cooking. CSU

OFFERED SPRING SEMESTERS
CAHS 60B. Classic & Modern Sauces (1)

Lec-17.5

PREREQ: (CAHS 10A AND CAHS 10B) OR (CAHS 10N AND CAHS 10NL); COMPLETION OF OR CONCURRENT ENROLLMENT IN: CAHS 20A OR CAHS 20B OR CAHS 20C

Lecture and demonstration of the history, trends, and techniques of classic and modern sauce-making. CSU

OFFERED FALL SEMESTERS
CAHS 60E. Charcuterie, Forcemeats, and Pates (1)

Lec-17.5

PREREQ: (CAHS 10A AND CAHS 10B) OR (CAHS 10N AND CAHS 10NL); COMPLETION OF OR CONCURRENT ENROLLMENT IN: CAHS 20A OR CAHS 20B OR CAHS 20C

Basic techniques including smoking and curing, for creating charcuterie, sausages and pates. CSU

OFFERED ON OCCASION
CAHS 60G. Global Cuisines: France (1)

Lec-18

PREREQ: (CAHS 10A AND CAHS 10B) OR (CAHS 10N AND CAHS 10NL); COMPLETION OF OR CONCURRENT ENROLLMENT IN: CAHS 20A OR CAHS 20B OR CAHS 20C

An advanced culinary course including lecture on the history,

techniques, ingredients, and current trends of French cuisine, and demonstration of techniques for production. CSU

OFFERED SPRING SEMESTERS

CAHS 60H. Global Cuisines: Italy (1)

Lec-18

PREREQ: (CAHS 10A AND CAHS 10B) OR (CAHS 10N AND CAHS 10NL); COMPLETION OF OR CONCURRENT ENROLLMENT IN: CAHS 20A OR CAHS 20B OR CAHS 20C

An advanced culinary course including lecture and demonstration of the history, techniques, ingredients, and current trends of Italian cuisine. CSU

OFFERED FALL SEMESTERS

CAHS 60J. Global Cuisines: United States (1)

Lec-18

PREREQ: (CAHS 10A AND CAHS 10B) OR (CAHS 10N AND CAHS 10NL)
COREQ: CAHS 20A OR CAHS 20B OR CAHS 20C

An advanced culinary course including lecture and demonstration of the history, techniques, ingredients, and current trends of United States cuisine. CSU

OFFERED FALL SEMESTERS

CAHS 60L. Advanced Pastry Doughs, Batters, and Creams (1)

Lec-17.5

PREREQ: (CAHS 10A AND CAHS 10B) OR (CAHS 10N AND CAHS 10NL) OR CSST 9661; COMPLETION OF OR CONCURRENT ENROLLMENT IN: (CAHS 20A OR CAHS 20B OR CAHS 20C) OR (CSST 9650 OR CSST 9651)

A study of the history and techniques for the production of tart doughs, choux paste, puff pastry, cookie doughs, creams and curds and their use in finished desserts. CSU

OFFERED ON OCCASION

CAHS 60M. Chocolate and Confections (1)

Lec-17.5

PREREQ: (CAHS 10A AND CAHS 10B) OR (CAHS 10N AND CAHS 10NL) OR CSST 9661; COMPLETION OF OR CONCURRENT ENROLLMENT IN: CAHS 20A OR CAHS 20B OR CAHS 20C OR CSST 9650 OR CSST 9651

Lecture and demonstration on the history of chocolate, chocolate tempering, and the production process for making ganaches, molded truffles and chocolate decor. Techniques for producing assorted confections and candies. CSU

OFFERED SUMMER SEMESTERS

CAHS 60N. Mousses: Cakes and Desserts (1)

Lec-17.5

PREREQ: (CAHS 10A AND CAHS 10B) OR (CAHS 10N AND CAHS 10NL) OR CSST 9661; COMPLETION OF OR CONCURRENT ENROLLMENT IN: (CAHS 20A OR CAHS 20B OR CAHS 20C) OR (CSST 9650 OR CSST 9651)

Applied study of techniques for the production process for creating mousse-based desserts and “entremet” cakes. Emphasis on current trends, including use of seasonal and local produce. CSU

OFFERED SPRING SEMESTERS

CAHS 60O. Wedding Cakes (1)

Lec-17.5

PREREQ: (CAHS 10A AND CAHS 10B) OR (CAHS 10N AND CAHS 10NL) OR CSST 9661; COMPLETION OF OR CONCURRENT ENROLLMENT IN: CAHS 20A OR CAHS 20B OR CAHS 20C OR CSST 9650 OR CSST 9651

Lecture and demonstration on wedding cake production including pricing, sizing, design considerations, techniques for assembly, and

delivery. Preparation and use of sponge cakes, fillings, buttercreams, fondant, royal icing, decorations, and dummy cakes. Includes discussion on the history of wedding cakes. CSU

OFFERED ON OCCASION

CAHS 60P. Plated Desserts: Presentations & Techniques (1)

Lec-17.5

PREREQ: (CAHS 10A AND CAHS 10B) OR (CAHS 10N AND CAHS 10NL) OR CSST 9661; COMPLETION OF OR CONCURRENT ENROLLMENT IN: CAHS 20A OR CAHS 20B OR CAHS 20C OR CSST 9650 OR CSST 9651

Applied study of dessert presentations for restaurants and buffets: menu planning, development, assembly techniques, plating, and buffet design. Emphasis on current trends, including use of seasonal and local produce. CSU

OFFERED SPRING SEMESTERS

CAHS 60V. Cooking for Vegetarian and Other Special Diets (1)

Lec-17.5

PREREQ: (CAHS 10A AND CAHS 10B) OR (CAHS 10N AND CAHS 10NL); COMPLETION OF OR CONCURRENT ENROLLMENT IN: CAHS 20A OR CAHS 20B OR CAHS 20C

This class covers various flavor profiles, cooking techniques, ingredients, and equipment used to create dishes for vegetarian, vegan, gluten-free, allergen-free, and other special diets. CSU

CAHS 100. Introduction to Hospitality (3)

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

A comprehensive examination of the hospitality industry, including lodging, restaurants, recreation, meeting, conventions, special events and the travel and tourism sectors. Emphasis on organizational structures, departments, job classifications, and career paths within each sector. Lecture and discussions are enhanced by industry guest speakers. CSU

C-ID HOSP 100

CAHS 205. Introduction to Wine (3)

Lec-52.5

PREREQ: STUDENTS MUST BE 21 TO ENROLL

An introduction to the history of wine, major wine regions and production of grapes along with basic techniques of sensory evaluation of wines, with emphasis on the major grape varieties and their varying Old and New World expressions. CSU

OFFERED SPRING SEMESTERS

CAHS 208. Meetings, Conventions & Special Events (3)

Lec-52.5

RECOMMENDED PREP: ENGL 88 OR ESL 186 OR (PLACEMENT INTO ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH)

An introduction to the meetings, conventions and special events industry. Topics include types of meetings, conventions and events, the necessary steps needed to plan a successful meeting or event from site selection, budgeting, space usage, food and beverage, and security to wrap-up. CSU

OFFERED SPRING SEMESTERS

CAHS 209. Food Business Entrepreneurship (3)

Lec-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Through lectures and industry guest speakers this class explores the fundamentals of what it takes to start a food business such as a food

truck, pop up, or brick and mortar restaurant. Topics covered include components of a business plan, lease or purchase negotiations, design and build out of a space, staffing, permits and licenses, how to plan for profitability and more. CSU

METHODS: 1. LECTURE TO PRESENT FACTS, PRINCIPLES AND CONCEPTS OF THE ABOVE TOPICS 2. GUEST LECTURES TO PROVIDE SPECIFIC PRACTICAL INFORMATION AND INSIGHTS 3. CLASS DISCUSSION TO REVIEW, DISCUSS AND CLARIFY MATERIAL COVERED 4. SCHEDULED MEETINGS WITH STUDENTS TO MEASURE PROGRESS ON TERM PROJECT
OFFERED FALL SEMESTERS

CAHS 222. Beverage Management (3)

Lec-52.5, field trips

This course covers the basics of beverage management for hotels, restaurants, and bars. Topics covered will include alcoholic and non-alcoholic beverage production methods and proper service, creation of beverage lists, costing, bar design and equipment, hiring, management, and the fundamentals of mixology. CSU

OFFERED FALL SEMESTERS

CAHS 245. Introduction to Food Preparation for Home (3)

Lec-35, Lab-52.5

P/NP available

Introduction to hands-on food preparation techniques with an emphasis on practical skills. Course also includes nutritious meal planning, cost effective, seasonal food selection, purchasing, storage, preservation concepts, safety, sanitation, elementary nutrition and standards for sensory evaluation. CSU

REQUESTED CREDIT CLASSIFICATION A. CREDIT/DEGREE APPLICABLE (MEETS ALL STANDARDS OF TITLE V. SECTION 55002(A))

OFFERED ON OCCASION

CAHS 246. Special Occasion Cooking (3)

Lec-35, Lab-52.5

P/NP available

Special occasion menu planning and preparation including food selection, food preparation, sanitation and safety, and use of specialized cooking equipment. Students prepare and serve complete menus for special occasions, family celebrations, and holidays. Students learn wine and food pairings and food presentation. Special occasion table setting and service also included. CSU

REQUESTED CREDIT CLASSIFICATION DEGREE APPLICABLE (MEETS ALL STUDENTS OF TITLE V, SECTION 55002 (A))

OFFERED SPRING SEMESTERS

CAHS 247. Food and Culture (2)

Lec-17.5, Lab-52.5

P/NP available

Hands-on food preparation focusing on the cuisine of multiple cultures. Topics covered: food in relation to historical, geographical, and social customs; principles of international food preparation and evaluation of specialized equipment UC/CSU

OFFERED ON OCCASION

Noncredit Programs

The noncredit programs provide both short-term and one-year certificates in introduction to culinary fundamentals, culinary and service skills, and baking and pastry. These programs are designed for entry into the labor market.

Program Advisory. Strong verbal and written skills, and the ability to lift 50 pounds. Classes are taught through a combination of lecture and hands-on training in the Educated Palate restaurant at the Downtown Center or at facilities at the Chinatown/North Beach center. These courses prepare students for entry-level work in restaurant and hotel kitchens and dining rooms.

Procedures for noncredit enrollment:

1. File a CCSF noncredit student application either online or at the Downtown or Chinatown/North Beach centers.
2. Meet with a counselor for program information, placement test dates, and instructions on how to enroll.
3. Take the following placement tests (if you have not yet taken any ESL or TRST courses):
 - Noncredit English (CASAS) or Noncredit ESL, and
 - Noncredit math test (CASAS).

CASAS testing is available at Downtown, John Adams, and Southeast campuses. Non credit ESL testing is available at all City College campuses except Southeast and Evans. The following link can be used to find the noncredit testing schedule: http://www.ccsf.edu/NEW/en/future-students/future_noncreditstudents.html
4. Bring testing information to a counselor to receive enrollment instructions.
5. Enrollment will begin the first day of noncredit instruction.

For more information about our noncredit programs, please call: 415.239.3152 or visit www.ccsf.edu/cahs.

Baking and Pastry Noncredit Certificate

The noncredit certificate programs provide short-term culinary and service skills training for entry into the labor market. While generally designed for those interested in attaining a certificate, these classes also work well for professionals and non-professionals interested in refining their skills.

Learning Outcomes

Upon completion of this program, students will be able to:

- Work in a safe and sanitary manner
- Employ basic kitchen math including recipe costing and sizing.
- Identify and properly utilize professional bakery tools and equipment.
- Work in a professional bakery and/or baking department.

A certificate will be awarded after successful completion of both courses with the grade of “C” or better, and a minimum of 80% attendance.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Noncredit Certificate in Baking and Pastry

Course.....	Hours
Required courses:	
CSST 9650 Introduction to Baking and Pastry.....	510.0
CSST 9651 Advanced Baking and Pastry.....	510.0
Total:	1020.0

Announcement of Courses

Noncredit Courses:

CABT 9000. Introduction to Culinary Fundamentals (250 hrs)
PREREQ: ESLN 3600 OR TRST 2322 OR (PLACEMENT INTO ESLN 3700 OR TRST 3331); TRST 2421 OR PLACEMENT IN TRST 3421
Introduction to kitchen basics, including equipment use, safety, and sanitation. In addition, this course focuses on culinary fundamentals such as knife skills, classic cooking methods and preparation, vocabulary, and basic kitchen math.

222 Dental Assisting

CABT 9001. Hospitality Customer Service Skills (15 hrs)

RECOMMENDED PREP: CABT 9000

Teaches specific skills to effectively deal with customers and clients in the hospitality industry. For the front-line employee who is the first point of contact with customers.

CSST 9650. Introduction to Baking and Pastry (510 hrs)

RECOMMENDED PREP: ESLN 3600 OR TRST 2322 OR PLACEMENT IN ESLN 3700 OR TRST 3331; AND TRST 2421 OR TRST 3421

Development of the skills necessary for an entry-level position in the baking and pastry industry. Topics include safety and sanitation, bake-shop terminology, proper use of equipment, weights and measures, ingredients and their functions, baker's math, baking methods and the development of basic baking skills. Students learn through a combination of lecture, demonstrations, and extensive hands-on practice.

ALL SECTIONS WILL CHARGE A MATERIAL FEE OF \$75.00

CSST 9651. Advanced Baking and Pastry (510 hrs)

PREREQ: CSST 9650

RECOMMENDED PREP: ESLN 3600 OR PLACEMENT IN ESLN 3700 OR TRST 3331; TRST 2421 OR TRST 3421

Development and improvement upon the basic skills and common techniques used in the baking and pastry industry. Topics include meringues, petit fours and miniatures, mousses and creams, frozen desserts, chocolate and confections, fancy and display cakes, yeast-raised products using preferments, baker's math, ingredient functionality, troubleshooting.

ALL SECTIONS WILL CHARGE A MATERIAL FEE OF \$75.00

Announcement of Curricula

Dental Assisting Major (AS)

Degree Curriculum

Training in the curriculum in Dental Assisting is designed to prepare students for employment as Registered and Certified Dental Assistants in private practice, specialty dentistry, hospitals, clinics and dental schools. Positions to which graduates may advance with experience and further training include those of dental product sales representative, insurance auditor, manager, supervisor, educator, and RDAEF. This program includes instruction in intra-oral dental functions and direct patient care/chairside experience in dental schools, clinics and private offices and public dental care facilities in San Francisco and the Daly City/South San Francisco area. Students who have completed their training satisfactorily are qualified to take the state licensure examination to become Registered Dental Assistants and the national examination to become Certified Dental Assistants.

Accreditation. The program in Dental Assisting is accredited by the American Dental Association's Commission on Dental Accreditation, a specialized accrediting body recognized by the Council on Postsecondary Accreditation and by the United States Department of Education, and is accredited by the California Board of Dentistry,

Department of Consumer Affairs, State of California. For more information about this agency, see the "Overview of the College" section of this Catalog.

Course of Study. The two-year course of study includes instruction in traditional four-handed dental assisting techniques and in the legally allowed intra-oral functions delegated to a registered dental assistant. Courses in dental anatomy, dental materials, radiography, and preventive dentistry are prerequisites to clinical instruction. The clinical phase of the curriculum utilizes the School of Dentistry at the Arthur A. Dugoni School of Dentistry at the University of the Pacific, San Francisco; affiliated hospital clinics; and selected private dental offices.

Associate in Science Degree. The curriculum is designed so that students may satisfy the requirements for graduation from the College and receive the degree of Associate in Science.

Information Regarding Admission. Requests concerning admission should be addressed as follows: Department Chair, Dental Assisting, Box C-4, City College of San Francisco, 50 Frida Kahlo Way, San Francisco, California 94112.

Consideration for Admission to the Curriculum. The curriculum in Dental Assisting, offered to new applicants in the fall semester only, is open to all interested students who fulfill the following admission requirements:

1. Eligibility for admission to CCSF. (See in this catalog the Admission to College Admission open to individuals 18 years of age or older, high school graduates and others).
2. Complete the Program's application and health history forms and submit to the Dental Assisting Program's office.
3. Applications are required to complete the following courses with a C or higher prior to applying to the Dental Assisting Program:
 - ENGL 88 or ESL 186 or placement in ENGL 1A or ESL 188*
 - BIO 9 or BIO 106 (formerly ANAT 14) or BIO 108 (formerly ANAT 25) or BIO 111 (formerly PHYS 1) or BIO 112 (formerly PHYS 12) or the equivalent*
 - Typing skill of 45 wpm or better. This requirement may be met by successfully completing a computer or typing class, or a typing test can be administered at the Program's office. The course for the typing skill does not need to be met at college level. Proof of successful completion of a computer or typing class will be acceptable on any level.

*Students who have a Bachelor's degree (BS or BA), are waived from the English, Science, and typing requirements. Please provide proof of degree with your application.

It is highly recommended that students who have not attended college for more than 2 years or do not have a degree in science complete BIO 9 or BIO 106 as a refresher course prior to starting the program.

*Students may apply while you are concurrently enrolled in the prerequisite courses. Please indicate this in the application. Students may be conditionally accepted to the program, pending verification of your final grade. All courses must be completed PRIOR to the Fall semester.

Advanced Placement. Applicants who have been admitted to the curriculum and who have previous education or experience in dental assisting may apply for credit and advanced placement in the curriculum. However, such applicants should first have completed the science, English and keyboard requirements.

Bases for Disqualification. Students who receive a final grade lower than "C" in any dental assisting course will be disqualified from con

tinuing in the curriculum. Students who receive a final grade lower than “C” will be permitted to repeat a course only once and must achieve a grade of “C” at all evaluation periods. Students who repeat a course and who do not achieve a grade of “C” at an evaluation period will be disqualified from continuing in the curriculum. Students may also be disqualified for safety and other reasons consistent with College policy.

Major in Dental Assisting. Students who have satisfied the requirements for graduation from the College and who have completed the curriculum will receive the Major in Dental Assisting.

Eligibility for the Certification Examination and CA Licensure Examinations (RDA). Graduates who receive a Major or a Certificate of Achievement are eligible to take the Certification Examination given by the Dental Assisting National Board and the Licensure Examinations to become a Registered Dental Assistant given by the Dental Board of California.

Learning Outcomes

Upon completion of this program, students will be able to:

- Integrate the knowledge of dental science, materials, radiography, procedures, patient and office management into the clinical practices required of registered dental assistants in general and specialized dentistry.
- Perform with competency all registered dental assistant duties outlined by the California Dental Practice Act.
- Conduct work ethically and professionally, as expected in the dental assisting profession.
- Anticipate what is required in state and national licensure exams that authorize one to perform registered and certified dental assistant functions.

Assuming students start this AS with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Dental Assisting

Course	Units
First Semester:	
DENT 51 Applied Dental Science I	4.0
DENT 55A Dental Roentgenography I	2.0
DENT 62 The Dental Assistant in Practice	3.0
Second Semester:	
DENT 55B Dental Roentgenography II	2.0
DENT 57 Dental Office Management	3.0
Third Semester:	
DENT 52 Dental Materials and Procedures	3.0
DENT 53 Introduction to Chairside Assisting	3.0
Fourth Semester	
DENT 54 Applied Dental Science II	2.0
DENT 67 Advanced Dental Procedures	4.0
DENT 70 Clinical Chairside Assisting	7.0
DENT 110A Coronal Polish	0.5
Total:	33.5

Certificate Curriculum

The program of study for the Certificate of Achievement in Dental Assisting is designed to prepare students to take the licensing examination to be a Registered Dental Assistant as administered by the Dental Board of California and also to take the national certification examina-

tion to be a Certified Dental Assistant as administered by the Dental Assisting National Board. This course can be completed in two semesters (after completing prerequisites).

Accreditation. The curriculum is accredited by the Commission on Dental Accreditation of the American Dental Association and is approved by Dental Board of California, Department of Consumer Affairs, State of California.

Information Regarding Admission. Requests concerning admission should be addressed as follows: Department Chair, Dental Assisting, Box C-4, City College of San Francisco, 50 Frida Kahlo Way, San Francisco, CA 94112.

Consideration for Admission to the Curriculum. The curriculum in Dental Assisting is open to all interested students who fulfill the following requirements:

1. Eligibility for admission to CCSF. (Check this Catalog for college admissions requirements.)
2. File with the Office of Admissions and Records a completed application for admission to City College (for dates, see in this catalog the “Calendar of Instruction”). Students must also complete the Program’s application and health history forms and submit to the Dental Assisting Program’s office.
3. Recommended preparation for the program: Readiness for college-level English or ESL 186.
4. Applicants are required to complete the following courses with a C or higher prior to applying to the Dental Assisting Program:
 - BIO 9 or BIO 106 (formerly ANAT 14) or BIO 108 (formerly ANAT 25) or BIO 111 or BIO 112 (formerly PHYS 12)
 - Typing skill of 45 wpm or better. This requirement may be met by successfully completing a computer or typing class, or a typing test can be administered at the Program’s office. The course for the typing skill does not need to be met at college level. Proof of successful completion of a computer or typing class will be acceptable on any level

Advanced Placement. Applicants who have been admitted to the curriculum and who have previous education or experience in dental assisting may apply for credit and advanced placement in the curriculum. However, such applicants should first have completed the science, English and keyboard requirements.

Basis for Disqualification. Students who receive a final grade lower than “C” in any dental assisting course will be disqualified from continuing in the curriculum. Students who receive a final grade lower than “C” will be permitted to repeat a course only once and must achieve a grade of “C” at all evaluation periods. Students who repeat a course and who do not achieve a grade of “C” at an evaluation period will be disqualified from continuing in the curriculum. Students may also be disqualified for safety and other reasons consistent with College policy.

Eligibility for the Certification Examination and Licensure Examinations. Graduates who complete the Major or the Certificate of Achievement in Dental Assisting are eligible to take the Certification Examination given by the Dental Assisting National Board and the Licensure Examinations to become a Registered Dental Assistant given by the California Board of Dentistry.

Dental Assisting Certificate

Certificate Curriculum

The program of study for the Certificate of Achievement in Dental Assisting is designed to prepare students to take the licensing examina-

tion to be a Registered Dental Assistant as administered by the Dental Board of California and also to take the national certification examination to be a Certified Dental Assistant as administered by the Dental Assisting National Board.

Learning Outcomes

Upon completion of this program, students will be able to:

- Integrate the knowledge of dental science, materials, radiography, procedures, patient and office management into the clinical practices required of registered dental assistants in general and specialized dentistry.
- Perform with competency all registered dental assistant duties outlined by the California Dental Practice Act.
- Conduct work ethically and professionally, as expected in the dental assisting profession.
- Anticipate what is required in state and national licensure exams that authorize one to perform registered and certified dental assistant functions.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Credit Toward Graduation. All credits that students earn in obtaining the Certificate of Achievement in Dental Assisting may also be applied toward satisfaction of the requirements for graduation from the College.

Announcement of Courses

Credit, Degree Applicable Courses:

DENT 51. Applied Dental Science I (4)

Lec-52.5, Lab-52.5

PREREQ: BIO 9 OR BIO 106 OR BIO 108 OR BIO 112

COREQ: DENT 55A AND DENT 62

Dental terminology, anatomy and physiology, mechanisms for transmitting disease and controlling/decreasing resistance to infection; oral embryology, histology, pathology, morphology. Preliminary oral examination; charting conditions - hard/soft tissues; taking/record-ing vital signs, cavity detector, etc. Sterilization/disinfection, infection control procedures and infectious disease process. Lab fee is required. CSU

OFFERED FALL SEMESTERS

DENT 52. Dental Materials and Procedures (3)

Lec-35, Lab-52.5

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: DENT 51 AND DENT 55A AND DENT 62

COREQ: DENT 53

The study of the materials and their safe handling that are employed in dentistry for the fabrication of dental appliances and tooth restorations and the manipulation of these materials. Introduction to intra-oral tasks delegated to the qualified registered dental assistant, which are related to operative dentistry such as liners, cementation & facebow transfer. Lab fee is required. CSU

OFFERED FALL SEMESTERS

DENT 53. Introduction to Chairside Assisting (3)

Lec-35, Lab-52.5

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: DENT 51 AND DENT 55A AND DENT 62

COREQ: DENT 52

Instruction in the role and functions of chairside assistant, such as preparing the operatory, placement of topical agents, oral evacuation, instrument identification and grasps/transfers, hand and rotary instrument identification and maintenance, placement and removal of rubber dam and matrix retainers, placement of sedative restorations, fabrication of acrylic temporary crowns, and restoration, prosthodontics and endodontics armamentarium, tray set ups and procedures. Lab fee is required. CSU

OFFERED FALL SEMESTERS

DENT 54. Applied Dental Science II (2)

Lec-35

PREREQ: DENT 51 AND DENT 52 AND DENT 53 AND DENT 62;

COMPLETION OF OR CONCURRENT ENROLLMENT IN: DENT 55B AND DENT 57

COREQ: DENT 67 AND DENT 70 AND DENT 110A

Experiences are provided to review the student's knowledge of microbiology, disease transmission, and altering resistance to infection. Preventive dentistry, nutrition and application of the skills necessary for a preventive therapist are provided. Oral pathological conditions, the use of drugs, and dental therapeutics related to dental office emergencies are discussed. California RDA Law and Ethics. CSU

OFFERED SPRING SEMESTERS

DENT 55A. Dental Roentgenography I (2)

Lec-17.5, Lab-52.5

COREQ: DENT 51 AND DENT 62

Basic principles of radiography, history, protection, and safety guidelines. Physics and biological effects of radiation, for the patient's and operator's protection and comfort. Types of receptors, exposure and autoprocessing techniques on manikins. Composition and preparation of solutions. The relationship of dental anatomy and facial structures to the exposure and mounting of relationship of dental anatomy and facial structures to the exposure and mounting of films. Lab Fee is required. CSU

OFFERED FALL SEMESTERS

DENT 55B. Dental Roentgenography II (2)

Lec-17.5, Lab-52.5

PREREQ: DENT 51 AND DENT 55A AND DENT 62

COREQ: DENT 57

Advanced techniques of dental radiography, anatomical landmarks, dental anatomy pertaining to dental radiography, exposure and processing faults. Emphasis is on evaluation of the quality of the films both intra and extra oral. Experiences in exposing full mouth radiographs for diagnosis by dentists. Processing and maintaining automatic

processors. Knowledge of panoramic & digital techniques and other related radiographic equipment. Lab Fee is required. CSU

OFFERED SPRING SEMESTERS

DENT 57. Dental Office Management (3)

Lec-52.5

PREREQ: APPROVAL OF DENTAL ASSISTING DEPARTMENT

Instruction in the non-clinical functions which dental auxiliaries are required to perform with emphasis on financial arrangements, collection techniques, insurance processing and maintenance of office records, account receivable transactions, office mail, inventory, purchasing, accounts payable, payroll, disbursements, tax records, marketing and group practice. Use of computer to perform basic dental office management. CSU

OFFERED SPRING SEMESTERS

DENT 62. The Dental Assistant in Practice (3)

Lec-35, Lab-52.5, field trips

COREQ: DENT 51 AND DENT 55A

The dental health team, ethics/jurisprudence HIPAA, history of dentistry, home care instruction including whitening, applied psychology, communication skills; verbal and written (telephone/fax/computer) communication, the special patient, appointment control, recall systems and the administrative assistant, use of Dentrix software for office functions. Lab Fee is required. CSU

OFFERED FALL SEMESTERS

DENT 67. Advanced Dental Procedures (4)

Lec-52.5, Lab-52.5

PREREQ: DENT 52 AND DENT 53 AND DENT 62; COMPLETION OF OR CONCURRENT ENROLLMENT IN: DENT 55B

COREQ: DENT 54 AND DENT 70 AND DENT 110A

Instruction in the specialties of dentistry including advance endodontics, periodontics, orthodontics, oral surgery, removable prosthodontics, and pediatric dentistry as well as the armamentarium required for each. Development of preclinical skills in the expanded functions required of the Registered Dental Assistant. Students are required to meet standards of competency for all required tasks including coronal polishing and ultrasonic removal of cement from ortho bands. Lab fee is required. CSU

OFFERED SPRING SEMESTERS

DENT 70. Clinical Chairside Assisting (7)

Lec-42.5, Lab-10 P/NP only

PREREQ: CURRENT CERTIFICATION IN CARDIOPULMONARY RESUSCITATION (CPR) APPROVED BY AMERICAN HEART ASSOCIATION OR AMERICAN RED CROSS FOR HEALTHCARE PROVIDER. COMPLETION OF OR CONCURRENT ENROLLMENT IN: DENT 54 AND DENT 55B AND DENT 57 AND DENT 67

Clinical experiences and evaluations on delivery of direct patient care, critical thinking exercises, reports, projects. Clinical instruction and practice in four-handed procedures on general and specialty dentistry and intra-oral tasks assigned to the RDA. Development of professional attitude (ethics/jurisprudence) in dental assisting. Evaluation on pit and fissure sealant placement. Preparation for employment and career placement opportunities. Lab fee is required. CSU

OFFERED SPRING SEMESTERS

DENT 110A. Coronal Polish (.5)

Lec-7, Lab-8 P/NP available

PREREQ: CURRENT REGISTERED DENTAL ASSISTANT OR ELIGIBLE FOR THE RDA EXAMINATION

This course is designed and approved to meet the Dental Board of California's regulation for Coronal Polish. This course includes lecture

and clinical hours. Students will be taught and use techniques for removal from the clinical crown the following: pellicle, plaque, and extrinsic stain. The students will be required to provide their own patients and follow program's sterilization and infection control policies. CSU

OFFERED SPRING SEMESTERS

Disabled Students Courses

Office: Rosenberg Library 323

Phone Number: (415) 452-5481

Web Site: www.ccsf.edu/dsps

Announcement of Courses

Credit, Degree Applicable Courses:

DSPS 20. Adapted Fitness and Wellness (1)

Lab-35 P/NP available

An introduction to physical fitness and wellness for students with disabilities. Emphasis is placed on creating a modified exercise program to increase physical activity and cardiovascular conditioning. Course includes exercises such as walking, stretching, wheelchair movement, body weight movements and stress reduction techniques to enhance general wellness. UC/CSU

OFFERED ON OCCASION

Credit, Non-Degree Applicable Courses:

Title 5, Section 56029 of the California Code of Regulations allows DSPS students the option of repeating the following courses multiple times with the consent of the DSPS Department.

DSPS M. Learning Strategies for College (2)

Lec-17.5, Lab-52.5 P/NP only

COREQ: ENROLLMENT IN AT LEAST ONE OTHER CCSF CREDIT COURSE

REPEAT: AS ALLOWED BY TITLE 5 PROVISIONS

An individualized course designed for students who have learning disabilities. Focus is on utilizing skills and compensatory strategies to overcome learning challenges. Similar in content to DSPS O except that DSPS M is for those who require more intensive assistance.

DSPS O. Diagnostic Learning (1)

Lab-52.5 P/NP only

COREQ: ENROLLMENT IN AT LEAST ONE OTHER CCSF CREDIT COURSE

REPEAT: AS ALLOWED BY TITLE 5 PROVISIONS

An individualized course for students who have learning disabilities. Focus is on utilizing skills and compensatory strategies to overcome learning challenges. Students are assisted in the lab in using the strategies on assignments from their classes.

DSPS Q. Main Idea Strategies (1)

Lec-17.5 P/NP only

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT

IN: ENGL 88 OR ENGL 1AS OR ENGL 1A OR ESL 182 OR ESL 184 OR ESL 186 OR ESL 188

Designed for students with learning disabilities who are in courses involving reading and writing. Improvement of reading comprehension and basic written expression. Prerequisite language and reasoning skills necessary for identifying the main idea in addition to textbook reading study skills.

OFFERED ON OCCASION

DSPS S. Strategies for Problem Solving (2)

Lec-35 P/NP only

Practical application of analytical and creative problem-solving process strategies (goal setting, learning styles, decision-making, etc.) designed

for students with learning disabilities, but open to others. Reinforces student accountability. Major assignments, quiz, and final project are comprehensive, subjective, interactive, and conceptually-based rather than based on retention of facts.

OFFERED ON OCCASION

DSPS T. Diagnostic Learning Essentials (.5)

Lab-26.25 P/NP only

COREQ: ENROLLMENT IN AT LEAST ONE OTHER CCSF CREDIT COURSE

An individualized course for students who have learning disabilities. Focus is on instruction and practice of compensatory strategies to overcome learning weaknesses. Students are assisted in the lab in using the strategies on assignments from their classes.

DSPS X. Strategies for Success in Math (2)

Lec-26.25, Lab-35 P/NP only

RECOMMENDED PREP: MATH 30 OR MATH 40 OR MATH 43

Strategies for success in Math for students with learning disabilities who are enrolled in Math 30, 40, or 43. Emphasis on strategies for processing, language expression, memory, reasoning, and processing speed as they relate to Math.

Noncredit Courses

DSPS 4014. Accessible Arts and Crafts (90-108 hrs)

Arts and crafts adapted for all disabilities. Introduces basic art concepts and crafts skills. Students create projects using materials and processes increasingly more challenging as the course progresses and their abilities develop. Adaptive equipment and techniques introduced as needed. May lead to exhibition of student art work.

DSPS 4017. Accessible Theatre Arts (36-54 hrs)

Designed for students with disabilities to provide life-skill proficiencies essential to the fulfillment of academic, career technical, and personal goals in theatre arts. Students explore and develop abilities in creative self-expression, through participation in a variety of accessible dramatic experiences, increasing their range of physical expression, developing creative verbal self-expression, and learning to work collaboratively with others. Process may lead to dramatic productions.

DSPS 4023. Job Search Skills (72-108 hrs)

Course designed for students with disabilities. Emphasis on exploration of individual skills and interests, work options, communication skills and appropriate work behaviors. Small group work on developing attitudes, self-confidence, and competencies to locate, secure, and retain employment.

DSPS 4028. Coping with Acquired Brain Injury (108 hrs)

Students with mild acquired brain injury learn strategies to improve attention, memory, organization, planning, reasoning, and communication in a supportive group setting. Classroom tasks include following directions, problem-solving, time management, verbal and written skills. Emphasis is placed on student responsibility, reliability, goal-setting, and organization.

DSPS 4029. Learning with an Acquired Brain Injury (54 hrs)

Practical strategies to build and strengthen cognitive function for students with mild acquired brain injury. Focus is on improving attention, memory, organization, planning, reasoning, and communication in a supportive group setting. Tasks include following directions, problem-solving, and verbal skills.

DSPS 4033. Stroke - Communication (45-54 hrs)

For students experiencing receptive and/or expressive language difficulty (aphasia) resulting from a stroke or other acquired brain

impairment. Class focuses on improving overall functional communication skill in a group setting. Exercises include listening, speaking, reading, writing, and structured conversation. May also be useful to caregivers.

DSPS 4035. Accessible Computer Laboratory (45-90 hrs)

A laboratory course designed for students with disabilities. Needs-based instruction in adaptive computer software and equipment for academic, vocational or personal use. Also, computer-assisted instruction in Internet, email, business software, cognitive retraining, and/or basic skills.

DSPS 4040. Disability and Employment: Independent Vocational Exploration (20 hrs)

RECOMMENDED PREP: ESLN 3800 OR TRST 3346

For individuals interested in vocational rehabilitation process to secure competitive non-supported employment without assistance of a job developer or coach. Emphasis is on defining career options based on functional abilities and limitations. Topics include work-life balance, hiring discrimination laws, benefits planning and negotiation of workplace accommodations. Course utilizes assessment tools and research of resources to help explore local labor market trends and develop a career path.

DSPS 4044. Healthy Choices/Consumer Education (42.5-51 hrs)

This course is designed for adults with disabilities. Practical information and effective strategies to practice good nutrition, manage personal health, and maintain an active, healthy lifestyle for increasing independence. Focus on consumer skills related to food shopping, label reading, meal planning and food safety.

DSPS 4101. Communication for the Blind (72-90 hrs)

This class gives persons with visual disabilities the opportunity to interact with peers and participate in structured discussions, games and activities that improve or maintain skills in the areas of communication, problem-solving, memory, self-advocacy and self-expression and "brain fitness".

DSPS 4210. Lipreading (36-54 hrs)

Instruction and practice in lipreading, communication breakdown strategies, stress reduction, creative problem solving, and assertiveness. Acquaints students with assistive listening devices and available services. Supportive group environment. Appropriate for mild to severe hearing impairment.

DSPS 4222. Breath, Sound, and Motion for Well-being (35-44 hrs)

Reinforcement of healthy living choices. An introduction to the connections of breath, voice, body, and mind connections using movement. Practicing self-empowerment and relaxation techniques for overall well-being. Additional modalities explored for strength building, both physically and mentally, with an overall goal of increasing self enjoyment of life. Designed to be accessible for students with and without disabilities.
MODIFIED FOR INDIVIDUALS WITH ALL LEVELS OF ABILITY.

DSPS 4305. High School Level Learning Strategies (96-117 hrs)

Individualized course in learning strategies designed for students with disabilities who are taking high school level classes. Focus on identifying strengths and applying strategies to specific assignments in reading, writing, and/or math. May be repeated.

DSPS 4414. Accessible Arts and Crafts - Essentials (16-30 hrs)

Designed for students with disabilities. Introduces basic art concepts and crafts skills. Students create projects using materials and processes

that are increasingly more challenging as the course progresses, and the students' skills develop. Adaptive equipment and techniques are introduced as needed.

OFFERED ON OCCASION

DSPS 4417. Accessible Theater Arts - Essentials (16-30 hrs)

Designed for students with disabilities. Students explore and develop tools for creative self-expression. Through participation in a variety of dramatic experiences, students increase their range of physical expression, and learn to work collaboratively with others. The process may lead to dramatic productions.

OFFERED ON OCCASION

DSPS 4422. Digital Literacy (27 hrs)

Course designed for students with disabilities. Explore fundamental skills to begin to be digital citizens and responsibly use technology to find, evaluate, organize, create, and share information.

DSPS 4423. Preparation for Job Search (43-52 hrs)

This class emphasizes exploration of individual skills and interests to lay the groundwork needed to find and keep employment. Includes time management, accessing community resources, exploring work options, developing communication skills and appropriate work behaviors. Course designed for students with disabilities.

DSPS 4428. Financial Literacy (27 hrs)

Course designed for students with disabilities. Students explore fundamental information and develop basic skills necessary to more independently manage financial resources and financial well-being related to employment including basic budgeting, banking, and problem solving.

DSPS 4435. Accessible Computer Laboratory - Essentials (25-30 hrs)

A laboratory course designed for students with disabilities. Individualized instruction of adaptive computer software and equipment for academic, vocational, or personal use. Also, computer-assisted instruction in Internet, email, business software, basic skills, and cognitive development.

OFFERED ON OCCASION

Announcement of Curricula Degree Curricula

Environmental Studies Major (AS)

CCSF's Environmental Studies major provides students with a strong foundation in the natural and social sciences in preparation for transfer to a bachelor's degree program in environmental studies and related fields.

Through the required units for the Environmental Studies major, students will apply core principles and methods across the natural and social sciences to explore how the environment influences and is influenced by human institutions. Students will be able to analyze scientific, economic, political, and societal factors impacting environmental and natural resource problems and both critically evaluate and propose sustainable solutions. The major also provides

opportunities for experiential learning through laboratory work and field investigations.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply concepts, models, and quantitative techniques from mathematics and the natural and social sciences to solve complex problems related to the natural world and society.
- Apply tools, practices, and quantitative reasoning to collect, analyze, and interpret environmentally relevant data in laboratory or field settings.
- Evaluate quantitative and qualitative evidence regarding the causes and consequences of human impacts on the environment and their implications for societal welfare.
- Apply scientific, economic, and sociopolitical concepts and models to both critically evaluate and propose sustainable solutions to environmental degradation and resource depletion.

See major requirements at the intended transfer institution to choose the appropriate course(s) when options are given.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Environmental Studies

Course Units

Core course:

ENVS 31 Introduction to Environmental Science 3.0

Choose one of the following Biology courses:

BIO 11 Science of Living Organisms 4.0

BIO 100A General Biology 5.0

BIO 20 Introduction to Ecology 3.0

BIO 19 Ecology 4.0

Choose one of the following Chemistry courses:

CHEM 40 Introduction to Chemical Principles 5.0

CHEM 101A General College Chemistry 6.0

Choose one of the following Earth Science course combinations:

GEOG 1 Physical Geography 3.0

and GEOG 1L Physical Geography Laboratory 1.0

GEOG 10 Physical Geology 3.0

and GEOG 10L Physical Geology Lab 2.0

GEOG 30 Environmental Geology 3.0

and GEOG 30L Environmental Geology Lab 1.0

Choose one of the following Math courses:

ECON 5 Introductory Statistics for Economics,

Business and Social Sciences 5.0

MATH 80 Probability and Statistics 5.0

PSYC 5 Statistics for Behavioral Sciences 5.0

LALS 5 Introduction to Statistical Methods in Latin

American and Latino/a Studies 5.0

MATH 100A Short Calculus I 3.0

MATH 110A Calculus I 5.0

Choose two of the following social science courses:

ANTH 3 Introduction to Social and Cultural

Anthropology 3.0

ANTH 3C Introduction to Cultural Anthropology:
Focus on U.S. Cultures. 3.0

ECON 1 Principles of Macroeconomics. 3.0

ECON 3 Principles of Microeconomics. 3.0

GEOG 4 Cultural Geography 3.0

GEOG 7 Economic Geography 3.0

POLS 22 Environmental Politics and Policy 3.0

POLS 1 American Government 3.0

PSYC 1 General Psychology 3.0

SOC 1 Introduction to Sociology 3.0

Choose 6 units from the following courses:

ENVS 31L Environmental Science Laboratory 1.0

BIO 33 Introduction to Conservation Biology 3.0

BIO 100B General Biology 5.0

CHEM 101B General College Chemistry 5.0

ENRG 3 Introduction to Alternative Energy. 3.0

ENRG 3L Introduction to Alternative Energy Laboratory. . 1.0

GEOG 41A Climate Change 1.0

GEOG 110 Introduction to GIS 3.0

HLTH 53 Personal and Community Health 3.0

HLTH 221 Health and Social Justice. 3.0

OCAN 1 Oceanography 3.0

OCAN 1L Oceanography Lab 2.0

PHYC 10 Conceptual Physics 3.0

PHYC 10L Conceptual Physics Laboratory 1.0

Any of the above earth science, mathematics, biology, or social science options not already completed

Total: 30.0 – 36.0

Geography Major (AA-T)

Geographers study the relationships among places, natural systems, society and cultural activities and the interdependence of these from the spatial perspective.

Geographers today are active in the examination and planning of our communities and the development of our human landscapes along with the study of global warming, deforestation, pollution, and a variety of other environmental quandaries.

This Associate in Arts in Geography for Transfer (AA-T) is specifically designed to prepare students for transfer to a CSU geography program at the upper division level. It may also be appropriate for transfer to other four-year institutions. To accomplish this goal, majors will complete transferable lower-division courses in geography and related fields. Geography majors will be able to take most or all of their lower division courses at CCSF before they transfer, but should see a counselor to confirm their program of study. Additional courses might be required to transfer to particular institutions.

Through the core classes of the AA-T in Geography, students will gain the knowledge necessary to investigate problems and ideas presented in upper division geography courses. The laboratory work will train students to use current laboratory technologies, equipment and techniques to engage in the research process using scientific methods and to investigate research questions safely.

Learning Outcomes

Upon completion of this program, students will be able to:

- Interpret spatially-distributed data by using maps, graphs, and/or Geographic Information Systems (GIS)
- Evaluate core concepts in cultural and physical geography and apply them to contemporary events and issues

- Compare the general biophysical and socio-cultural characteristics among world regions
- Communicate geographic information effectively in oral, written, and graphic form

Degree Requirements. Students who wish to earn the Associate in Arts in Geography for Transfer must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of “C” or better (or “P”). Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

See major requirements at the intended transfer institution to choose the appropriate courses when options are given and to ensure complete coverage.

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AA-T in Geography

Course	Units
Required courses	
GEOG 1 Physical Geography	3.0
GEOG 1L Physical Geography Laboratory	1.0
GEOG 3 World Regional Geography	3.0
or GEOG 4 Cultural Geography.	3.0

LIST A: Select 2 courses

GEOG 110 Introduction to GIS	3.0
GEOG 3 World Regional Geography*	3.0
GEOG 4 Cultural Geography*.	3.0

* If not used to satisfy core requirements

LIST B: Choose 2 of the following courses

ANTH 3 Introduction to Social and Cultural Anthropology	
	3.0
GEOG 7 Economic Geography	3.0
GEOG 111 GIS Analysis and Modeling.	3.0
GEOG 112 GIS Software Technology	3.0
GEOL 10 Physical Geology	3.0
POLS 5 International Relations.	3.0

Recommended additional coursework (not required)

ENVS 31 Introduction to Environmental Science.	3.0
GEOG 41A Climate Change	1.0
GEOL 91 Geoscience Work Experience	0.5 – 3.0
OCAN 1 Oceanography	3.0
OCAN 1L Oceanography Lab	2.0

Total: 19.0

Geology Major (AS-T)

Geology is the study of the materials of which the Earth is made (rocks, minerals, water, oil, natural gas, and magmas), the structures that are produced (Earth layers, mountains, volcanoes, basins), the processes acting upon them (earthquakes, volcanism, landslides, floods, magnetic fields), and the evolution of Earth and its materials over time (Earth formation, early history, ice ages, and climate change).

Geology courses are recommended for anyone interested in understanding and living with the natural world around us and in making informed decisions on matters pertaining to interactions between natural Earth processes and society.

Geology, an interdisciplinary science, requires expertise in chemistry, physics, mathematics, computer science, and critical thinking. It requires skill in problem solving, analysis, scientific inquiry, and communication. This Associate's of Science Transfer in Geology is specifically designed to prepare students for transfer to a CSU geology program at the upper division level. It may also be appropriate for transfer to other four-year institutions. To accomplish this goal, majors will complete transferable lower-division courses in geology, math, and chemistry.

Geology majors will be able to take most or all of their lower division courses at CCSF before they transfer, but should see a counselor to confirm their program of study. Additional courses might be required to transfer to particular institutions. The geology transfer major is suitable for students planning to transfer into programs in the geology, oceanography, earth sciences, and environmental sciences.

Through the core classes of the AS-T in Geology, students will gain the scientific knowledge necessary to investigate problems and ideas presented in upper division geology courses. The laboratory work will train students to use current laboratory technologies, equipment and techniques to engage in the research process using scientific methods and to investigate research questions safely.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply tools, practices, and quantitative reasoning to collect, analyze, and interpret geologically relevant data in laboratory and field settings.
- Apply concepts, models, and quantitative techniques from mathematics, physics, chemistry, and biology to solve complex geologic problems.
- Apply scientific inquiry and investigation of evidence to formulate and critically evaluate scientific arguments, especially as relates to geologic phenomena.
- Evaluate quantitative and qualitative evidence for how humans impact earth processes and how earth processes impact humans.

Degree Requirements. Students who wish to earn the Associate in Science in Geology for Transfer (AS-T) must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of "C" (or "P") or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AS-T in Geology

Course.....	Units
Required courses:	
GEOL 10 Physical Geology	3.0
GEOL 10L Physical Geology Lab.....	2.0
GEOL 11 Historical Geology	3.0
GEOL 11L Historical Geology Lab	1.0
CHEM 101A General College Chemistry.....	6.0
CHEM 101B General College Chemistry.....	5.0
MATH 110A Calculus I.....	5.0
MATH 110B Calculus II	5.0

RECOMMENDED: One of the following physics courses

PHYC 4A Classical Mechanics for Scientists and Engineers.....	3.0
PHYC 4AL Mechanics Laboratory for Scientists and Engineers.....	1.0
PHYC 4B Electromagnetism for Scientists and Engineers.....	3.0
PHYC 4BL Electromagnetism Laboratory for Scientists and Engineers	1.0
or PHYC 2A Introductory Physics I	3.0
PHYC 2AL Introductory Physics Laboratory	1.0
PHYC 2B Introductory Physics II.....	3.0
PHYC 2BL Introductory Physics Laboratory	1.0

* NOTE: Students who want to increase their opportunities should choose Physics 4A/B series instead of 2A/B (especially if they plan to major in geochemistry or geophysics).

RECOMMENDED: One or more of the following course options for specialization:

GEOL 21A San Francisco Coastal Geology	0.5
GEOL 21B San Francisco Geology	0.5
GEOL 21C The San Andreas Fault System.....	0.5
OCAN 1 Oceanography	3.0
GEOL 30 Environmental Geology	3.0

Recommended additional activities:

Enroll in the Earth Sciences Club
 Become part of the Earth Sciences Mentoring Program (see Department website for details).

Total: 30.0

Oceanography Major (AS)

The Oceanography major is designed to clearly demonstrate the breadth of expertise required by Oceanographers and to prepare students for the advanced courses and projects that lie ahead should they transfer and pursue a Bachelor's major in Oceanography at a four-year college.

The ocean plays a central role in physical, biological, chemical, and geological processes on earth. As such, a degree in oceanography requires an understanding of the interactions between the biosphere, hydrosphere, lithosphere, and atmosphere.

Oceanography courses are recommended for anyone interested in better understanding and living with the natural water bodies around us, in understanding global climate system, and in making informed decisions on matters pertaining to interactions between natural Earth processes and society.

Oceanography, an interdisciplinary science, requires expertise in chemistry, physics, biology, geology, mathematics, computer science, and critical thinking. It requires skill in problem solving, analysis, scientific inquiry, and communication. Students completing the Associate in Science in Oceanography will be prepared for upper division studies in oceanography and for transfer to an oceanography program at a four-year college. To accomplish this goal, majors will complete transferable lower-division courses in oceanography, biology, math, chemistry, and physics.

Oceanography majors will be able to take most or all of their lower division courses at CCSF before they transfer but should see a counselor to confirm their program of study. Additional courses might be required to transfer to particular institutions. The Oceanography major is suitable for students planning to transfer into programs in marine

science, oceanographic and atmospheric sciences, oceanography, earth sciences, and environmental sciences. Note: because of the diversity within this discipline, students will narrow their focus once they get to their transfer institution (to biological oceanography, geological oceanography, physical oceanography, or chemical oceanography). We cannot provide coverage for all these areas of focus in this one major and don't intend to. Please seek advice to determine if there are additional courses you should take for your particular major.

Through the core units of the oceanography major, students will gain the scientific knowledge necessary to investigate problems and ideas presented in upper division oceanography courses. The laboratory work will train students to use current laboratory technologies, equipment and techniques to engage in the research process using scientific methods and to investigate research questions safely.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply the methods of scientific inquiry to investigate oceanographic phenomena.
- Synthesize ideas from physics, chemistry, biology, and geology to solve complex ocean-related problems.
- Analyze and discuss scientific topics with rigor, including a skeptical evaluation of evidence.
- Evaluate the impacts of society on the ocean ecosystem.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Oceanography

Course.....	Units
Required	

OCAN 1 Oceanography	3.0
OCAN 1L Oceanography Lab	2.0
CHEM 101A General College Chemistry.....	6.0
MATH 110A Calculus I.....	5.0
BIO 100A General Biology.....	5.0

Choose one of the following physics combinations:

PHYC 4A Classical Mechanics for Scientists and Engineers.....	3.0
and PHYC 4AL Mechanics Laboratory for Scientists and Engineers	1.0
or PHYC 2A Introductory Physics I	3.0
and PHYC 2AL Introductory Physics Laboratory.....	1.0

Choose 10 units from the following

CHEM 101B General College Chemistry.....	5.0
MATH 110B Calculus II	5.0
BIO 100B General Biology.....	5.0
GEOL 10 Physical Geology	3.0
and GEOL 10L Physical Geology Lab	2.0
PHYC 4B Electromagnetism for Scientists and Engineers.....	3.0
and PHYC 4BL Electromagnetism Laboratory for Scientists and Engineers	1.0
or PHYC 2B Introductory Physics II.....	3.0
and PHYC 2BL Introductory Physics Laboratory.....	1.0

Recommended

Enroll in the Earth Sciences Club
Enroll in both the geology and biology classes as many transfer programs will require both.
Enroll in a computer class, such as GEOG 110

Total:35.0

Certificate Curriculum

Geographic Information Systems (GIS) Certificate

Students will develop in-depth knowledge of the fundamental concepts and practice of Geographic Information Systems (GIS) and learn hands-on problem-solving skills doing real-world GIS application projects. Students will be able to apply this knowledge and hands-on skills to various fields including, but not limited to, planning, engineering, geography, criminology, real estate, biotech, public utilities, transportation, forestry, ecology, resource management, emergency response, business/marketing.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply GIS technology to evaluate real-world problems, and communicate the GIS project process and generate written and graphic medias at a professional level.
- Locate, assess, and retrieve spatial data and knowledge across the GIS technical community to design solutions for GIS projects.
- Distinguish from among the underlying theories of GIS technology (including projections and spatial databases) to effectively design appropriate solutions to project needs.

A minimum of two of the courses must be taken at City College of San Francisco.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Geographic Information Systems (GIS)

Total: 9.0

Announcement of Courses

General Information

The Earth Sciences Department offers day and evening courses that advance students toward degrees in both the natural and social sciences. Credit earned is transferable, and most courses satisfy specific graduation requirements at four-year universities. For more information, visit our website: www.ccsf.edu/Earth.

Credit, Degree Applicable Courses:

Environmental Science and Sustainability

ENVS 5. Sustainability and the Environment Speaker Series (1)

Lec-18, field trips P/NP available

RECOMMENDED PREP: BACKGROUND IN ENVIRONMENTAL SCIENCE;

COMPLETION OF OR CONCURRENT ENROLLMENT IN: ENVS 31

Students will hear from professionals and experts from government, private, non-profits and public sectors as they share their insights on

careers in sustainability and the environment. Career opportunities, academic and job training pathways will also be discussed. CSU
FORMERLY SUST 5

ENVS 31. Introduction to Environmental Science (3)

Lec-52.5, field trips P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An examination of the scientific evidence informing our understanding of the causes and consequences of human impacts on the environment. Application of core principles, methods, qualitative and quantitative reasoning from the natural sciences, social sciences, and engineering and technology to investigate and evaluate sustainable solutions to environmental degradation and resource depletion. UC/CSU

FORMERLY SUST 31 = BIO 31 = GEOG 31

OFFERED EVERY SEMESTER

ENVS 31L. Environmental Science Laboratory (1)

Lab-52.5, field trips P/NP available
PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: ENVS 31

An introduction to tools and techniques used by environmental scientists to investigate human impacts on the environment in lab and/or field settings. Application of qualitative and quantitative concepts and models to evaluate environmental problems and their proposed solutions. CSU

FORMERLY ALSO LISTED AS BIO 31L, GEOG 31L, AND SUST 31L

OFFERED EVERY SEMESTER

ENVS 91. Applied Research in Sustainability (.5-8)

Work-30-600, field trips P/NP available
PREREQ: APPROVAL OF ENGINEERING & TECHNOLOGY DEPARTMENT

RECOMMENDED PREP: ENVS 31

REPEAT: REPEATED UP TO 16.00 UNITS

Internship in sustainability-related settings (such as environmental education, alternative energy systems, sustainable water systems, green building, habitat restoration, urban agriculture) under the supervision of a qualified professional. The student will need to arrange the internship and then contact the instructor to enroll in this class. Suggestions and strategies are available on course website. One unit of credit is earned for 60 hours of unpaid or 75 hours of paid work. CSU

FORMERLY SUST 91

Geography

GEOG 1. Physical Geography (3)

Lec-52.5, field trips
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 186

An introduction to Earth's physical environment. Processes and patterns of weather and climate, climate change, the development of landforms, plant and animal distributions, and the interpretation of maps. Attention given to the physical environment and natural hazards of California and the Bay Area. UC and CSU transferable. UC/CSU

C-ID GEOG 110; C-ID GEOG 115 (GEOG 1 + GEOG 1L)

OFFERED EVERY SEMESTER

GEOG 1L. Physical Geography Laboratory (1)

Lab-52.5, field trips
COREQ: GEOG 1

The study of weather and climate, tectonic processes, and landforms. Emphasis on the interpretation of weather maps, climate data, aerial photographs, and topographic maps. UC/CSU

C-ID GEOG 111; C-ID GEOG 115 (GEOG 1 + GEOG 1L)

OFFERED EVERY SEMESTER

GEOG 3. World Regional Geography (3)

Lec-52.5
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A survey of the world's major geographic regions through their physical, cultural, demographic, political, and economic characteristics. This course emphasizes geographic factors related to demographic, environmental, and political transformations. UC/CSU

C-ID GEOG 125

OFFERED SPRING SEMESTERS

GEOG 4. Cultural Geography (3)

Lec-52.5, field trips
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introduction to patterns in the contemporary human landscape. Topics include dynamics of population growth, migration, systems of agriculture, the legacy of colonialism, uneven economic development, the historical development and spread of religion and language. UC/CSU

C-ID GEOG 120

OFFERED FALL SEMESTERS

GEOG 7. Economic Geography (3)

Lec-52.5, field trips
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introduction to economic geography. Topics include patterns and processes of urbanization, industrialization, and the inter-linked global economy. Contemporary issues such as international business and changing patterns of manufacturing in the United States. UC and CSU transferable. UC/CSU

OFFERED ON OCCASION

GEOG 41A. Climate Change (1)

Lec-17.5
An introduction to the science of climate change. Topics include basic processes of weather and climate, methods for studying past and current climate, models for climate change projects, and natural and human-induced processes of climate change. UC/CSU

OFFERED ON OCCASION

GEOG 110. Introduction to GIS (3)

Lec-44, Lab-26 P/NP available
RECOMMENDED PREP: CNIT 100 AND (READINESS FOR COLLEGE-LEVEL ENGLISH ESL 188)

A primer course for GIS technology. History, structure, uses, and current trends of GIS, related fundamental concepts, basic query, and cartography operations using industry-standard ESRI's ArcGIS software. UC/CSU

C-ID GEOG 155

OFFERED EVERY SEMESTER

GEOG 111. GIS Analysis and Modeling (3)

Lec-43.75, Lab-26.25 P/NP available
PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: GEOG 110

Foundational course of Geographic Information Systems (GIS) software. GIS database design, data collection, sophisticated analysis, 3D modeling, production of professional maps. Hands-on training using industry-standard GIS software by Environmental Systems Research Institute (ESRI). Introduces Global Positioning Systems (GPS) as they relate to GIS. CSU

OFFERED FALL SEMESTERS

GEOG 112. GIS Software Technology (3)

Lec-43.75, Lab-26.25 P/NP available

PREREQ: GEOG 110

Hands-on training in the advanced application of Geographic Information Systems (GIS) technology. Modeling, linear referencing data model, software customization using Environmental Systems Research Institute (ESRI) ModelBuilder? platform and Python programming language, web GIS using Google Map? and Keyhole Markup Language (KML?) mash-up technology. CSU

OFFERED SPRING SEMESTERS

Geology**GEOLOGICAL 10. Physical Geology (3)**

Lec-52.5

RECOMMENDED PREP: (INTERMEDIATE ALGEBRA OR HIGHER) OR ET 108B; READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introduction to the basic concepts of physical geology, including Earth's origins and internal structure, plate tectonics, mountain building, earthquakes, minerals, rocks, volcanic processes, geologic time, weathering, erosion, coastal processes, landslides, streams, glaciers, and ice ages and natural resources. Emphasis on geologic features of western North America. UC/CSU

C-ID GEOL 100; C-ID GEOL 101 (GEOL 10 + GEOL 10L)

OFFERED EVERY SEMESTER

GEOLOGICAL 10L. Physical Geology Lab (2)

Lec-17.5, Lab-52.5, field trips

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN:

GEOLOGICAL 10

RECOMMENDED PREP: (INTERMEDIATE ALGEBRA OR HIGHER) OR ET 108B; READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introduction to the materials of the Earth with emphasis on the identification and interpretation of common minerals and rocks (especially those common to California); interpretation of topographic, geologic, and structural maps; and analysis of plate tectonics processes.

UC/CSU

C-ID GEOL 100L C-ID GEOL 101 (GEOL 10 + GEOL 10L)

ONE MANDATORY FIELD TRIP. TRANSPORTATION IS NOT PROVIDED.

OFFERED EVERY SEMESTER

GEOLOGICAL 11. Historical Geology (3)

Lec-52.5, field trips

RECOMMENDED PREP: (INTERMEDIATE ALGEBRA OR HIGHER) OR ET 108A; READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The study of Earth's history and the methods and tools used in its interpretation. Includes topics such as the formation and growth of continents, the creation and destruction of ocean basins, and the evolution of life on Earth as represented by the fossil record. Emphasis on the geologic and life history of North America. UC/CSU

C-ID GEOL 110

OFFERED SPRING SEMESTERS

GEOLOGICAL 11L. Historical Geology Lab (1)

Lab-52.5, field trips

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN GEOLOGICAL 11

The laboratory component to an introduction to Earth's history and the life it supports. Subjects include geologic dating, plate tectonics, stratigraphy, fossils, biological evolution, the planet's origin and the processes that have influenced paleogeography during the past 4.6 billion years. UC/CSU

C-ID GEOL 110L

OFFERED SPRING SEMESTERS

GEOLOGICAL 21A. San Francisco Coastal Geology (.5)

Lec-3, Lab-17.5, field trips P/NP only

Field class that introduces students to geological processes at work along the San Francisco Pacific coastline, emphasizing scientific field work, coastal erosion, human interactions with the coastline, sand formation and migration, and geologic history of the coastline. Field work requires hiking across uneven terrain and up and down hills. CSU

OFFERED ON OCCASION

GEOLOGICAL 21B. San Francisco Geology (.5)

Lec-3, Lab-17.5, field trips P/NP only

Field class that introduces students to geological processes at work in the city of San Francisco, emphasizing scientific field work surface and rock types, topographic features and their formation, geologic hazards, and geologic history. Field work requires hiking across uneven terrain and up and down hills. CSU

OFFERED ON OCCASION

GEOLOGICAL 21C. The San Andreas Fault System (.5)

Lec-3, Lab-17.5, field trips P/NP only

Field class that introduces students to geological processes at work within the San Andreas fault system, emphasizing scientific field work, the physical, biological, and historical impacts of earthquakes, fault formation and evolution, and geologic history of local faults. Field work requires hiking across uneven terrain and up and down hills. CSU

OFFERED ON OCCASION

GEOLOGICAL 30. Environmental Geology (3)

Lec-52.5, field trips

RECOMMENDED PREP: (INTERMEDIATE ALGEBRA OR HIGHER) OR ET 108A; READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The scientific study of human interaction with Earth's near-surface environment. Topics include hazardous Earth processes, natural resources, climate and climate change, and the impacts of human population growth and pollution on environmental sustainability. UC/CSU

C-ID GEOL 130; C-ID GEOL 131 (GEOL 30 + GEOL 30L)

OFFERED ON OCCASION

GEOLOGICAL 30L. Environmental Geology Lab (1)

Lab-52.5, field trips

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: GEOLOGICAL 30

An introduction to the fundamentals of Environmental Geology through laboratory work in hazards and resource assessment, regional planning as relates to these assessments, and the nature and dynamics of human interactions with Earth's near-surface environment (hydrosphere, atmosphere, soil systems and land forms). UC/CSU

C-ID GEOL 130L; C-ID GEOL 131 (GEOL 30 + GEOL 30L)

OFFERED ON OCCASION

GEOLOGICAL 91. Geoscience Work Experience (.5-3)

Work-30-225 P/NP available

PREREQ: APPROVAL OF EARTH SCIENCES DEPARTMENT

REPEAT: REPEATED UP TO 9.00 UNITS

Internship in geoscience-related settings (such as a laboratory, museum, park, geotechnical firm, government agency, or CCSF department) under the supervision of a qualified professional. The student will need to arrange the internship and then contact the department to enroll in this class. Suggestions and strategies are on the CCSF Earth Science website. One unit of credit is earned for 60 hours of unpaid or 75 hours of paid work. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

GEOL 111. Historical Geology with Lab (4)

Lec-52.5, Lab-52.5, field trips

An introduction to Earth's history and the methods and tools used in its study and interpretation. Includes topics such as the formation and growth of continents, the creation and destruction of ocean basins, and the evolution of life on Earth as represented by the fossil record. Emphasis on the geologic and life history of North America. Includes a lab component. CSU

GEOL 111 = GEOL 11 + GEOL 11L

OFFERED SPRING SEMESTERS

Oceanography**OCAN 1. Oceanography (3)**

Lec-52.5, field trips

RECOMMENDED PREP: ((INTERMEDIATE ALGEBRA OR HIGHER) OR ET 108A)) AND (READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188)

Introduction to the major physical, biological, chemical, and geological processes at work in the oceans. Covers the formation and evolution of the oceans through Earth's history and the dynamics and interactions of currents, coastal processes, climate, seawater chemistry and physics, marine ecosystems, and society. UC/CSU

OFFERED EVERY SEMESTER

OCAN 1L. Oceanography Lab (2)

Lec-17.5, Lab-52.5, field trips

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: OCAN 1

RECOMMENDED PREP: (INTERMEDIATE ALGEBRA OR HIGHER) OR ET 108B; READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introduction to the physical, biological, chemical, and geological processes at work in the oceans with emphasis on measuring and analyzing data pertaining to San Francisco Bay and the Pacific Coast including the interactions of seafloor features, weather systems, currents, tides, swell, coastal processes, seawater chemistry and physics, and biological communities. UC/CSU

ONE MANDATORY FIELD TRIP. TRANSPORTATION IS NOT PROVIDED.

OFFERED EVERY SEMESTER

Physical Science**Credit, Degree Applicable Course:****P SC 11. Conceptual Physical Science (3)**

Lec-52.5, Lab-17.5, field trips

RECOMMENDED PREP: (ELEMENTARY ALGEBRA OR HIGHER) AND (READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188)

An overview of the physical sciences: physics, chemistry, Earth science and astronomy. Content is taught at a conceptual level using basic math such as ratios, square roots, scientific notation, graph interpretation, slope and simple algebra. Intended for non-science majors looking for a broad understanding of the physical universe. UC/CSU

NOT RECOMMENDED TO STUDENTS WHO HAVE COMPLETED A COLLEGE-LEVEL COURSE IN PHYSICS, PHYSICAL SCIENCE, CHEMISTRY, GEOLOGY, OR ASTRONOMY WITH A FINAL GRADE OF "C" OR HIGHER.

P SC 11L. Physical Science Laboratory (1)

Lab-52.5

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: P SC 11

RECOMMENDED PREP: ELEMENTARY ALGEBRA OR HIGHER

Physical Science laboratory integrates concepts from physics, chemistry, earth science and astronomy. Data collection, critical thinking, and laboratory skills are emphasized. UC/CSU

Economics

Office: Batmale 656

Phone Number: (415) 239-3330

Web Site: www.ccsf.edu/socialsci**Announcement of Curricula****Degree Curricula****Economics Major (AA-T)**

The AA-T in Economics offers students a comprehensive lower division program in Economics. The AA-T prepares students who wish to transfer and pursue a baccalaureate degree in Economics at California State University or University of California campuses.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply and evaluate economic concepts, principles, and methods.
- Identify and analyze important economic problems; compare and apply economic models and theories; and evaluate policy recommendations and alternatives.
- Describe and analyze economic development and institutions in diverse domestic and international contexts, including international trade and finance.
- Apply and interpret concepts and methods of descriptive and inferential statistics relevant for economics.

Degree Requirements: Students who wish to earn the Associate in Arts in Economics for Transfer (AA-T) must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of "C" (or "P") or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and the number of units completed per semester.

It is possible to complete this entire program online if desired.

Courses Required for the AA-T in Economics

Course Units

REQUIRED Core courses:

ECON 1 Principles of Macroeconomics 3.0

ECON 3 Principles of Microeconomics 3.0

Choose ONE of the following Statistics options:

ECON 5 Introductory Statistics for Economics,

Business and Social Sciences * 5.0

MATH 80 Probability and Statistics 5.0

PSYC 5 Statistics for Behavioral Sciences 5.0

LALS 5 Introduction to Statistical Methods in Latin

American and Latino/a Studies 5.0

* ECON 5 is recommended.

Choose ONE of the following Calculus options:

MATH 110A Calculus I* 5.0

MATH 100A Short Calculus I 3.0

* Students who want the option to apply to UC as an Economics major must take MATH 110A and MATH 110B. Students intending to pursue graduate study in Economics are encouraged to take MATH

110A, MATH 110B, MATH 110C, MATH 115, and MATH 130 (or MATH 120 and MATH 125).

Choose ONE of the following elective courses (List A):

MATH 110B Calculus II*	5.0
ACCT 1 Financial Accounting	5.0
ACCT 2 Managerial Accounting	5.0
CS 110A Intro to Programming	4.0
BSEN 76 Business and Technical Report Writing	3.0

* Students who want the option to apply to UC as an Economics major must take MATH 110B.

Choose ONE of the following elective courses (List B):

ECON 6 International Economics	3.0
ECON 15 Political Economy	3.0
ECON 20 LGBT Economics	3.0
ECON 22 Introduction to Environmental Economics	3.0
ECON 25 Women in the Economy	3.0
ECON 30 Economics of the African American Community	3.0
MATH 110C Calculus III	5.0
MATH 120 Linear Algebra	3.0
Total:	20.0 – 26.0

Announcement of Courses

(See also courses in “Business Administration” and “Business.”)

Credit, Degree Applicable Courses:

ECON 1. Principles of Macroeconomics (3)

Lec-52.5 P/NP available

PREREQ: ELEMENTARY ALGEBRA OR HIGHER

General principles, terminology, and methodology of economics with emphasis on macroeconomics. Economic organization and institutions, markets, national income analysis, business cycles, models of aggregate economic analysis, macroeconomic equilibrium, money and banking, fiscal and monetary policy, economic growth, fundamentals of international economics. UC/CSU

C-ID ECON 202

STUDENTS WHO MET THE PREREQUISITE WITH A COURSE TAKEN OTHER THAN AT CCSF MAY VERIFY THIS ON THE FIRST DAY OF CLASS

ECON 3. Principles of Microeconomics (3)

Lec-52.5 P/NP available

PREREQ: ELEMENTARY ALGEBRA OR HIGHER

General principles and terminology of economics, with emphasis on microeconomics. Supply and demand theory, utility, elasticity, production, costs, revenues, market structures, income distribution, market failures and government policy, and international trade. UC/CSU

C-ID ECON 201

ECON 5. Introductory Statistics for Economics, Business and Social Sciences (5)

Lec-87.5 P/NP available

PREREQ: INTERMEDIATE ALGEBRA OR HIGHER

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Application of statistical methods and interpretation of statistical findings to facilitate decision-making in Economics, Business, Political Science and other Social Sciences. Data sources, types and interpretation; descriptive statistics; probability theory; discrete and continuous probability distributions; sampling distributions; confidence intervals;

hypothesis tests; nonparametric statistics; simple linear regression analysis; computer-based statistical analysis. UC/CSU

C-ID MATH 110

STUDENTS TRANSFERRING TO UC CAN ONLY TRANSFER ONE OF ECON 5, MATH 80, PSYCH 5, AND LALS 5 FOR CREDIT.

ECON 6. International Economics (3)

Lec-52.5

RECOMMENDED PREP: ECON 1 AND (ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH)

Introduction to the general principles, terminology, and methods of international economics, with emphasis on international trade. Examine several alternative models of international trade as well as foreign exchange markets, currency/financial crisis, globalization, unfair trade practices, regional integration, and the impact of trade on economic growth. UC/CSU

OFFERED ON OCCASION

ECON 15. Political Economy (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE LEVEL ENGLISH OR ESL 188

Integrates economic analysis with the institutional and political structure of society. Basic principles, terminology and methods of political economy; alternative theories of economic growth and instability, income determination, discrimination, consumerism, and the inter-relationship of class, race and gender; political economy of current issues; alternatives to “free market” capitalism. UC/CSU

OFFERED ON OCCASION

ECON 20. LGBT Economics (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE LEVEL ENGLISH OR ESL 188

LGBT economic roles, including varying experiences of LGBT people with consideration of intersecting identities by class, race, gender, and ethnicity. This course introduces the principles of economic analysis in the study of the roles of LGBT people in cultures. Examines markets and government policies for heteronormative biases; the role of homophobia and sexism in economic inequality and discrimination of LGBT people; public policy regarding LGBT people’s work and incomes. UC/CSU

OFFERED ON OCCASION

ECON 22. Introduction to Environmental Economics (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introduction to environmental studies emphasizing the interplay of ecology, economics, ethics, and public policy. Topics include market failure as causes of environmental degradation; ecological sustainability; and incentive-based economics policies for resolving problems of resource scarcity and environmental pollution. UC/CSU

OFFERED ON OCCASION

ECON 25. Women in the Economy (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Women’s roles in the U.S. economy, including varying experiences related to race, ethnicity, sexuality, and class. Women’s occupations and earnings; unpaid household activities; experiences of women from

three American cultures; related public policy. Applies and contrasts mainstream economic and political economy theories of gender inequality. UC/CSU

OFFERED ON OCCASION

ECON 30. Economics of the African American Community (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introduction to the principles of Black political economy. Topics will include: Black employment, employment discrimination, Black capitalism, the Black underclass, homelessness, and community economic development. The empirical link between race, class and income distribution will also be examined. UC/CSU

OFFERED ON OCCASION

Engineering and Technology

Office: Science 148
 Phone Number: (415) 239-3505
 Web Site: www.ccsf.edu/engtech

Announcement of Curricula

General Information

Engineering and industrial practice in the United States is based to a considerable extent on the team concept. Engineers, scientists, experts in management and production, and others coordinate their work with that of technicians, craftspersons, and workers with varying degrees of skill in order to complete particular projects. To meet the varying needs of students and industry, the Engineering and Technology Department at City College of San Francisco offers an Engineering Program along with two Engineering Technology programs to train technicians. The programs are designed so that students may satisfy the requirements for graduation from the College and receive a degree of Associate in Science. In addition, the Engineering Technology programs provide a good foundation for transfer to a bachelor degree program in engineering technology or industrial technology.

Courses in the Engineering Department are identified according to the following headings: Computer Aided Drafting (CAD), Electronics (ELEC), Engineering (ENGN), Engineering Technology (ET), Welding (WELD), and Geographic Information System (GIS).

Engineering Major (AS)

The Associate in Science Degree in Engineering offers students the skills to design functional products and systems based on a foundation formed from engineering, physical science, and mathematics coursework. Graduates generally transfer to four-year institutions as juniors where they can major in a variety of engineering disciplines: computer, electrical, electronics, mechanical, civil, industrial, chemical, or manufacturing. Others seek employment as engineering technicians or technologists.

Engineering students on the transfer track are encouraged to complete additional general education college requirements so they may earn the AS in Engineering as they transfer to a four-year institution.

The degree program is based upon the recommendation of the Engineering Liaison Committee which represents the University of California, California State Universities, private universities, and community college engineering schools and departments.

Learning Outcomes

Upon completion of this program, students will be able to:

- Employ problem solving skills in basic engineering, physics, and chemistry topics.
- Calculate math skills through differential equations.
- Develop engineering analyses, reports and presentations using applicable software.
- Analyze and interpret general scientific and engineering information.
- Design experiments and numerical simulations.

Consult the catalog for specific requirements and courses available to satisfy the graduation requirements for the Associate in Science Degree. So as to not duplicate course work, it is recommended that you try to satisfy the requirements of your targeted transfer institution(s) as well as those of City College.

If you wish to substitute another class because of specific requirements of your targeted transfer institution(s) you will attend, consult with an Engineering Department Advisor.

NOTE: Four-year universities may have additional course requirements for completion of lower division. Consult the Transfer Center or an Engineering Advisor for additional information. Other technical courses that typically transfer in engineering include CHEM 101B; ENGN 24, 36, 37, 45; MATH 115, 120, 130; PHYC 4D and 4DL.

Assuming students start this AS with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Engineering

Course.....Units

Recommended First Semester:

ENGN 10A Introduction to Engineering:
 The Profession.....2.0
 ENGN 10B Introduction to Engineering: Software
 Tools and Design2.0
 MATH 110A Calculus I.....5.0

Choose one of the following Chemistry courses:

CHEM 101A General College Chemistry.....6.0
 CHEM 103A General Chemistry for Engineering5.0

Subsequent Semesters Additional Major Requirements

ENGN 20 Introduction to Circuit Analysis.....3.0
 ENGN 20L Introduction to Circuit Analysis
 Laboratory.....1.0
 ENGN 38 Introduction to Programming Concepts
 and Methodologies for Engineers3.0
 MATH 110B Calculus II5.0
 MATH 110C Calculus III5.0
 MATH 125 Differential Equations.....3.0
 PHYC 4A Classical Mechanics for Scientists and
 Engineers.....3.0
 PHYC 4AL Mechanics Laboratory for Scientists and
 Engineers.....1.0
 PHYC 4B Electromagnetism for Scientists and
 Engineers.....3.0
 PHYC 4BL Electromagnetism Laboratory for
 Scientists and Engineers1.0

PHYC 4C Waves and Thermodynamics for Scientists and Engineers	3.0
PHYC 4CL Waves and Thermodynamics Laboratory for Scientists and Engineers	1.0
Total:	46.0 – 47.0

Biotechnology Major (AS)

The Biotechnology Program, of the Engineering and Technology Department, offers students specialized training for employment as biotechnicians engaged in research and development, and a variety of biomanufacturing disciplines. Students can select courses that give training in career skills such as bioscience career exploration, networking, resume and interview skills and have multiple opportunities to network with biotech industry professionals. Program advisers work closely with each student to assure progress. Upon successful completion of the curriculum, students receive the Associate in Science degree with Biotechnology as the Major.

Explore careers in biotechnology here: <https://www.biotech-careers.org>

Training in the Major. The Biotechnology major focuses on hands-on skills needed to work in the biotechnology industry. In addition to training in basic chemistry and biology, and molecular and cell biology, students are trained in a variety of current biotechnology techniques. Students have the option of doing an internship, along with career development training tailored to the biotechnology industry.

Employment. Students who complete the curriculum satisfactorily are qualified for positions in quality control, research and development, and biomanufacturing technicians in research labs and biotechnology companies.

Four-year Degree Preparation. Students who wish to transfer to a biology program at UC/CSU can apply some transfer-level chemistry and biology courses toward the Biotechnology AS degree. UC/CSU transfer students will need to take additional courses after completion of the Biotechnology AS degree. Contact the Biotechnology Program Coordinator for more information about transferring to UC/CSU.

Learning Outcomes

Upon completion of this program, students will be able to:

- Use effective written and oral skills to communicate results and analyses of experiments.
- Design, perform, and analyze experiments on nucleic acids, proteins, and cell physiology.
- Apply basic molecular and cell biology principles as they relate to biotechnology.
- Use appropriate laboratory etiquette and professionalism to work effectively in the biotechnology industry.
- Evaluate how ethical concerns influence the biotechnology industry.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Please contact the Biotechnology Program Coordinator to plan the biotechnology courses for the AS Degree. Assuming a student starts this AS with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and the number of units completed per semester.

Courses Required for the Major in Biotechnology

Course	Units
Required math courses	
BTEC 108A Practical Mathematics for Laboratory Science	2.0
and MATH 80 Probability and Statistics	5.0
or MATH 90 Precalculus Algebra	5.0
Required math courses can be replaced by equivalent or more advanced math courses.	

Choose one of the following required biology courses

BIO 11 Science of Living Organisms	4.0
BIO 100A General Biology	5.0

Choose one of the following required chemistry courses

CHEM 32 Introduction to Medical Chemistry	4.0
CHEM 40 Introduction to Chemical Principles	5.0
CHEM 101A General College Chemistry	6.0

Choose one of the following communication courses

CMST 1A Elements of Public Speaking	3.0
CMST 4 Group Communication	3.0
CMST 6 Workplace Communication	3.0
CMST 20 Interpersonal Communication	3.0
ESL 79 Advanced Speaking and Pronunciation	3.0

Choose 22 units from the following technical elective courses

BTEC 5 Briefings in Biotechnology	1.0
BTEC 12A GLP and GMP Principles	1.0
BTEC 14A Biotechnology Laboratory Techniques	3.0
BTEC 14B Biotechnology Internship Support	4.0
BTEC 15 Career Exploration in Bioscience	2.0
BTEC 20 Mammalian Cell Culture	3.0
BTEC 21C Stem Cell Technology	3.0
BTEC 22 Enzyme Linked Immunosorbent Assay (ELISA)	1.0
BTEC 23 Western Blotting Techniques	1.0
BTEC 24 Introduction to PCR	1.0
BTEC 25 Analytical PCR Technology	1.0
BTEC 93 Biotechnology Work experience	1.0 – 3.0
BTEC 103 Protein Purification	2.0
BTEC 115 Recombinant DNA Biotechnology	5.0
BTEC 120 Molecular and Cell Biotechnology	5.0
CHEM 101B General College Chemistry	5.0
BIO 100B General Biology	5.0
BIO 120 Introduction to Microbiology	4.0

Total: **40.0 – 45.0**

Engineering Technology Program

General Information

In the Engineering Technology Programs, City College trains students for employment as engineering technicians - persons who work with or under the directions of engineers and perform duties requiring a combination of the theoretical knowledge of an engineer and some of the skills of a craftsman.

The College offers two-year curricula in engineering technology in two fields: Electronics Engineering Technology and Mechanical Engineering Technology. The curricula in these fields comprise the Engineering Technology Programs. Students should be aware that any change in major, such as a change from one technical curriculum to another or from one program to another, requires additional time for the completion of their revised educational objectives.

Prerequisites. High school prerequisites are one-year courses in elementary and advanced algebra, geometry, trigonometry, mechanical

drawing, and physics. A one-year course in high school chemistry is highly recommended for students intending to transfer to a bachelor degree program in Engineering Technology. Students who have not completed the required high school courses may take them at City College of San Francisco.

Students should possess a minimum level of competency in English communication skills. The completion of English as a Second Language 79 is recommended.

Broad Preparation for Employment. Because emphasis in the Program is on both fundamental engineering theory and basic industrial practices, graduates may qualify for employment in many fields: CAD operator, production planning and control, manufacturing, testing, inspection, sales, installation, maintenance, or servicing.

Each curriculum in engineering technology includes courses in subjects common to all branches of engineering. In general, these subjects include the following: graphics, mathematics, orientation to engineering, and physics. Through this related study, students obtain a better understanding of the work in their majors and develop a broad technical background.

General Education. The curricula also include instruction in general education so that students may satisfy the College graduation requirements in this area.

Associate in Science Degree and Major. The Engineering Technology Program is designed so that students may satisfy the requirements for graduation from the College. Students who satisfy these requirements and complete any of the curricula with final grades of C or higher in their major technical courses also receive the Associate in Science degree in Electronic Engineering Technology or Mechanical Engineering Technology. The Major may be considered a recommendation by the faculty of the Engineering and Technology Department which, in conjunction with the Career Development and Placement Center, will aid the graduate in finding a position.

Transfer to Other Colleges and Universities. Students in the Engineering Technology Programs may either enter industry upon graduation or transfer to a four-year institution to earn a bachelor's degree in engineering technology. Several campuses of the California State University such as the Sacramento, Long Beach, and Pomona campuses, as well as private institutions, such as DeVry University, offer graduates this opportunity. Engineering Technology students may also choose to transfer to a bachelor degree program in industrial technology offered at several campuses of the California State University, such as the San Francisco, San Jose, Fresno, and Chico campuses. The time required for completion of curricula open to graduates at these schools is normally two additional years. Students who intend to transfer should consult their advisers and the section in this catalog entitled "Transfer Information."

Common Core. All students in Engineering Technology initially enroll in common core courses.

Electronic Engineering Technology Major (AS)

The Major in Electronic Engineering Technology offers students training for employment in industries utilizing analog and digital systems, microprocessors, and communication electronics. The major is designed to be a two-year course of study in which students work closely with Engineering and Electronics faculty to develop the skills needed for work in the electronics industry. Upon successful completion of the curriculum, students receive the Associate in Science Degree in Electronic Engineering Technology.

Training in the first year is designed to provide students with a sound working knowledge of the theory of direct-and alternating-current circuits (common to both electrical and electronic applications). Students also study the basic principles of amplifiers, solid-state devices, digital techniques, circuits, and systems. In the second year, the student completes courses in advanced electronics; including microprocessors, communication systems (i.e. radios), and non-sinusoidal circuits.

Students who complete the curriculum satisfactorily are qualified for positions as technicians engaged in research and development, manufacturing, testing, installing, and maintaining electronic equipment. Graduates may advance after obtaining experience and further training to become production supervisors, sales engineers, field engineers, and test engineers.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply current technology to emerging applications of mathematics, science, and engineering.
- Employ circuit analysis and design, associated software, analog and digital electronics, and microcomputers to problem solving in an electronic systems technology environment.
- Apply knowledge of physics and hands-on competence to electronics circuits in a rigorous mathematical environment.
- Communicate digital and analog circuit designs effectively in a group environment.

Assuming students start this AS with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Electronic Engineering Technology

Course	Units
Required (first semester completion recommended)	
ELEC 101 Electronics I: Essentials of Electronics Measurements and Passive Circuits	2.5
ENGN 10A Introduction to Engineering: The Profession	2.0
ET 50 Technical Mathematics	4.0
ET 104 Introduction to Engineering Drawing and Manufacturing	2.0
PHYC 2A Introductory Physics I	3.0
PHYC 2AL Introductory Physics Laboratory	1.0
Required specialization courses	
CMST 4 Group Communication	3.0
ELEC 102A Electronics II: Active Analog Circuits and Practical Applications	2.5
ELEC 102B Electronics II: Digital Circuits and Practical Applications	2.5
ELEC 103A Electronics III: Analog Circuits and Practical Applications	2.5
ELEC 103B Electronics III: Digital Circuit Interfaces and Programming	2.5
ELEC 104A Electronics IV: Wireless and Industrial Communication Systems	2.5
ELEC 104B Electronics IV: Microcontroller Interfaces and Programming	2.5
MATH 100A Short Calculus I	3.0
PHYC 2B Introductory Physics II	3.0
PHYC 2BL Introductory Physics Laboratory	1.0

Choose 4 units of technical electives

Choose Technical Electives from Engineering (ENGN) and/or Computer Networking and Information Technology (CNIT) courses. Please consult an engineering advisor to ensure your choices match your academic goals. You may request to substitute courses not on the above list if you get approval of an engineering advisor. These could include mechanical courses, engineering courses, or courses in other departments. 4.0

Total: 43.5

Mechanical Engineering Technology Major (AS)

The Major in Mechanical Engineering Technology offers students specialized training for employment as engineering technicians engaged in research, design, operation, maintenance, testing, or sales. The major is designed to be a two-year course of study in which students work closely with Engineering and Engineering Technology faculty to develop the skills needed for work in various engineering related industries. Specialization options are offered from the second through the fourth semester. Upon successful completion of the curriculum, students receive the Associate in Science Degree in Mechanical Engineering Technology.

Training in the first year is designed to provide students with a sound working knowledge of the principles of engineering drawing, applied mathematics, electrical circuits, physics, manufacturing methods, and computers. In the second year, students have the option to focus on computer aided design (CAD), advanced manufacturing (CAM), heating ventilation and air-conditioning (HVAC), or engineered plumbing systems.

Students who complete the curriculum satisfactorily are qualified for positions such as an estimator-designer, assistant operating engineer, mechanical or research technician, or junior test engineer. Graduates may advance after obtaining experience and further training to become production supervisors, sales engineers, field engineers, and test engineers.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply and adapt current knowledge to emerging applications of mathematics, science, engineering and technology.
- Perform technical calculations and solve technical problems commonly encountered in mechanical engineering technology careers.
- Function competently in a laboratory environment, making measurements safely operating technical equipment, critically analyzing and interpreting experimental results, and properly reporting on experimental results, including their potential for improvement.
- Identify, analyze, formulate and solve technical engineering problems by applying modern tools, including scientific calculators, computers, and appropriate software.
- Apply technical and communication skills to work effectively in a group environment.

In almost all cases, more advanced physics, mathematics, or technical courses covering the same areas can be substituted for the required courses listed. This is ideal if you are on the transfer path and would also like to earn an AS Degree. Please contact the Department Chair to evaluate any substitutions.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Mechanical Engineering Technology

Course	Units Required
ELEC 101 Electronics I: Essentials of Electronics Measurements and Passive Circuits.	2.5
ENGN 10A Introduction to Engineering: The Profession.	2.0
ET 50 Technical Mathematics	4.0
ET 104 Introduction to Engineering Drawing and Manufacturing	2.0
PHYC 2A Introductory Physics I	3.0
PHYC 2AL Introductory Physics Laboratory	1.0
PHYC 2B Introductory Physics II.	3.0
PHYC 2BL Introductory Physics Laboratory	1.0

Choose one of the following

CMST 4 Group Communication	3.0
CMST 20 Interpersonal Communication	3.0

Choose one of the following options

OPTION 1: Computer Aided Drafting

REQUIRED:

CAD 99A 3D Printing & Solid Modeling	1.0
CAD 99B Advanced AutoCAD Techniques	1.0
CAD 180 Introduction to Technical Drawing	1.0
CAD 181 Introduction to Computer Aided Drafting CAD I.	2.5
CAD 182 Engineering Detailing in Revit®	2.5
CAD 184 Structural Building Information Modeling (BIM) in Revit.	2.5
CAD 190 Part Modeling in SOLIDWORKS®.	2.5

OPTION 2: HVACR and Engineered Plumbing Systems

REQUIRED:

ET 130 Applied Fluid Mechanics for Mechanical Engineering Technology	3.0
ET 136A HVAC System Fundamentals.	2.0
ET 136B Fundamentals of Air Conditioning and Refrigeration	2.0
ET 139A Engineering Plumbing Systems	3.0
ET 139B Plumbing System Design Fundamentals	3.0
CAD 187 Mechanical, Electrical, and Plumbing (MEP) Building Information Modeling (BIM) in Revit	2.5

Choose one of the following

ENGN 24 Engineering Design Graphics	3.0
ENGN 38 Introduction to Programming Concepts and Methodologies for Engineers	3.0
WELD 140 Manufacturing Processes	3.0

Up to 3 units of course work can be taken from courses not on the above technical elective list with approval of the Engineering and Technology Department Chair. These could include electronics courses, engineering courses, or CAD courses in other departments.

Total: 34.5 – 40.0

Engineering-Related Occupations

Certificate Curricula

General Information

The Certificate Programs in Engineering-Related Occupations consists of several programs of study: the Certificate Curriculum in Air-Conditioning and Refrigeration, the Certificate Curriculum in Biomanufacturing, the Certificate Curriculum in Biotechnology, the Certificate Curriculum in Stem Cell Technology, the Certificate Curriculum in Drafting, the Certificate Curriculum in Electronics, and the Certificate Curriculum in Engineering Plumbing Systems. For further information, contact the Engineering and Technology Department office, Science Hall, Room 148.

Admission. Enrollment in these curricula is open to those who:

1. Want to add to their knowledge of and skills in engineering-related occupations, and
2. Want to improve their competence in these fields in order to prepare for advancement. Students are required to satisfy prerequisites before admission in certain courses in the curricula; however, instructors will accept equivalent experience in lieu of various prerequisites.

Application for Certificate. To apply for a certificate in one of the curricula below, contact the Engineering and Technology Department office, Science Hall, Room 148, phone (415) 239-3505.

Heating, Ventilation, Air-Conditioning, and Refrigeration Certificate

The Heating, Ventilation, Air Conditioning, and Refrigeration (HVACR) program offers instruction, theory, and training in the design and repair of HVACR equipment. The program combines theory with practical hands-on training designed to simulate the work environment and skills needed to excel in this challenging field. The program prepares students for employment in the field and provides an opportunity for currently employed personnel to achieve a level of HVACR certification. Typically, in the spring semester, students take the EPA 608 technician certification exam. Students completing the program will be qualified for employment as HVACR installers, mechanics, and technicians.

Learning Outcomes

Upon completion of this program, students will be able to:

- Describe thermodynamic properties of steam tables, dry air, and psychrometric processes involved in air-conditioning cooling and heating systems.
- Calculate air-conditioning cooling and heating load calculations.
- Estimate fan horsepower from airflow quality and pressure drop for ductwork systems and water horsepower from water from through pipes.
- Select proper air conditioning units, refrigeration components, equipment and pipe sizes for fluid systems in buildings.
- Verify safety devices as they pertain to the functions of refrigeration equipment

Initially, ET130 and ET 136A should be taken in the fall semester, followed by ET136B and CAD187 in the spring. Students who have completed ET 135A, B, or C under the previous program will have their coursework honored and should speak to the department chair to determine the best course of academic study.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units completed per semester. Students must successfully complete at CCSF at least 20% of the units required to earn the certificate.

Courses Required for the Certificate of Accomplishment in Heating, Ventilation, Air-Conditioning, and Refrigeration

Course	Units
Required	
ET 130 Applied Fluid Mechanics for Mechanical	
Engineering Technology	3.0
ET 136A HVAC System Fundamentals.	2.0
ET 136B Fundamentals of Air Conditioning and Refrigeration	2.0
CAD 187 Mechanical, Electrical, and Plumbing (MEP) Building Information Modeling (BIM) in Revit	2.5
Total:	9.5

Biotechnology Certificate

The Biotechnology certificate program is designed to prepare students for employment in the biotechnology industry, research laboratories and biomanufacturing. The program emphasizes hands-on training and skills necessary for a successful career as a technician or research associate.

Learning Outcomes

Upon completion of this program, students will be able to:

- Record and communicate accurate records of laboratory work.
- Design and perform basic procedures and techniques used in the biotechnology and related industries.
- Discuss current scientific and ethical concepts in biotechnology.
- Apply and practice industry regulations and processes.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Biotechnology

Course	Units
Required courses:	

BTEC 12A GLP and GMP Principles	1.0
BTEC 20 Mammalian Cell Culture.	3.0
BIO 11 Science of Living Organisms	4.0
CHEM 32 Introduction to Medical Chemistry.	4.0

Choose one of the following courses or course combinations:

BTEC 115 Recombinant DNA Biotechnology	5.0
or BTEC 24 Introduction to PCR.	1.0
and BTEC 25 Analytical PCR Technology	1.0

Choose one of the following course or course combinations:

BTEC 120 Molecular and Cell Biotechnology.	5.0
or BTEC 22 Enzyme Linked Immunosorbent Assay (ELISA)	1.0
and BTEC 23 Western Blotting Techniques	1.0

Choose 3 additional units from the following elective courses not completed above:

BTEC 115 Recombinant DNA Biotechnology	5.0
BTEC 22 Enzyme Linked Immunosorbent Assay (ELISA)	1.0
BTEC 120 Molecular and Cell Biotechnology.	5.0
BTEC 23 Western Blotting Techniques	1.0

BTEC 5 Briefings in Biotechnology	1.0
BTEC 24 Introduction to PCR	1.0
BTEC 25 Analytical PCR Technology	1.0
BTEC 21C Stem Cell Technology	3.0
Total:	19.0 – 27.0

Biotechnology Lab Assistant Certificate

The Bay Area is the birthplace of biotechnology. The high density of biotechnology companies and universities in this area has generated an increased demand for entry-level jobs. This program is designed to give a rigorous and engaging hands-on introduction to the biosciences while strengthening the math and language skills needed for success in these entry-level positions. The Biotechnology Lab Assistant Certificate will prepare students for jobs such as laboratory aides & assistants, laboratory safety monitors and laboratory testing. No previous science coursework or experience is necessary for entry into this program. Students do need to have completed Math 40, or the equivalent. Students will gain valuable experience with laboratory work, documentation, and collaborative work with their peers. Students will also get an overview of the biotechnology industry and survey different careers. After successful completion of this certificate, students will be ready for an entry level position or a Biotechnology Program-supported internship. Some courses for this certificate also satisfy requirements for the AS in Biotechnology and for transfer to a four-year university.

Learning Outcomes

Upon completion of this program, students will be able to:

- Perform basic mathematical calculations and follow laboratory protocols used in common procedures and techniques in biotechnology and other related industries.
- Apply knowledge of cGMP (current Good Manufacturing Practices) and GLP (Good Laboratory Practices) to complete work in a regulated biotechnology operation.
- Record and communicate accurate records of laboratory work.
- Describe career skills in different fields in the biotechnology and other related industries.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Biotechnology Lab Assistant

Course	Units
Required Courses:	
BTEC 12A GLP and GMP Principles	1.0
BTEC 14A Biotechnology Laboratory Techniques	3.0
BTEC 15 Career Exploration in Bioscience	2.0
BTEC 108A Practical Mathematics for Laboratory Science	2.0
BIO 11 Science of Living Organisms	4.0
CMST 1A Elements of Public Speaking	3.0
CHEM 32 Introduction to Medical Chemistry	4.0

Choose one of the following courses:

BTEC 4 Introduction to Biotechnology	3.0
BTEC 5 Briefings in Biotechnology	1.0

Choose 2 units from the following electives:

BTEC 20 Mammalian Cell Culture	3.0
--------------------------------------	-----

BTEC 22 Enzyme Linked Immunosorbent Assay (ELISA)	1.0
BTEC 23 Western Blotting Techniques	1.0
BTEC 24 Introduction to PCR	1.0
BTEC 25 Analytical PCR Technology	1.0
Total:	22.0 – 25.0

Biotechnology Work Experience Certificate

The high density of biotechnology industry and research laboratories in the Bay area has generated an increased demand for jobs in biotechnology fields. This program is designed to provide laboratory skills and real-life work experience through internships for the students who are exploring careers in biotechnology. In addition to technical laboratory skills, the students will gain essential career skills with focus on workplace success. The internships are closely monitored by the faculty through a support class where the students share their experiences, discuss laboratory work etiquettes and practice scientific communication. The program provides networking opportunities for the students with biotechnology industry professionals. The program allows the students to gain valuable real-life work experience that prepares them for entry level careers such as research and laboratory assistants and technicians in industry and academic laboratories.

Learning Outcomes

Upon completion of this program, students will be able to:

- Communicate accurate records of laboratory work including objectives, procedures, and analysis of the results.
- Design and perform basic procedures and techniques used in the biotechnology industry.
- Research and communicate scientific concepts and principles to describe different fields of biotechnology industry and applications, as well as impacts on society.
- Practice professional skills, workplace etiquette and integrity in a biotechnology industry setting.

The Biotechnology Work Experience certificate may be a stand-alone program for the more advanced students or a capstone program for the students who have completed the Biotechnology or the introductory Biotechnology Lab Assistant Certificates of Achievement and wish to gain relevant work experience through internships.

The minimum time for completion of this certificate is 2 semesters. Students who have already completed the Biotechnology Lab Assistant certificate may complete this certificate in 1 semester. Completion time will vary based on the student's preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Biotechnology Work Experience

Course	Units
Required Courses:	
BTEC 93 Biotechnology Work experience	3.0
BIO 11 Science of Living Organisms	4.0
CHEM 32 Introduction to Medical Chemistry	4.0

Choose one of the following course combinations

BTEC 15 Career Exploration in Bioscience	2.0	and BTEC 14B Biotechnology Internship Support	4.0
or BTEC 21D Introductory Stem Cell Internship Support	4.0		

and BTEC 21E Advanced Stem Cell Internship Support 4.0

Choose a minimum of 4 units from the following electives:

BTEC 14A Biotechnology Laboratory Techniques 3.0

BTEC 20 Mammalian Cell Culture 3.0

BTEC 21A Mammalian Cell Culture 2.0

BTEC 21B Fluorescent Cell Technology 2.0

BTEC 21C Stem Cell Technology 3.0

BTEC 22 Enzyme Linked Immunosorbent Assay (ELISA) 1.0

BTEC 23 Western Blotting Techniques 1.0

BTEC 24 Introduction to PCR 1.0

BTEC 25 Analytical PCR Technology 1.0

BTEC 115 Recombinant DNA Biotechnology 5.0

BTEC 120 Molecular and Cell Biotechnology 5.0

Total: 21.0 – 24.0

Stem Cell Technology Certificate

Students in the Stem Cell Technology certificate program will be prepared to work at a biotech company or an academic research lab as a technician in mammalian cell culture or adult and embryonic stem cell culture.

Learning Outcomes

Upon completion of this program, students will be able to:

- Utilize proper aseptic technique in laminar flow hood and laboratory bench.
- Apply skills in culturing and maintaining mammalian cells including stem cells.
- Formulate and apply knowledge of fluorescent markers and stains in cell biology research.
- Evaluate and apply methods of quantifying and analyzing cellular proteins and nucleic acids.
- Apply knowledge of industry regulations and processes.

The Stem Cell Technology certificate is designed for students that have a strong grasp of algebra, biology, and chemistry from previous academic or work experience. The following courses (or the equivalent) are strongly recommended: One semester of elementary algebra or completion of a higher level math class, two semesters of general chemistry and one semester of general biology.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Certificate of Accomplishment in Stem Cell Technology

Course Units

Required courses:

BTEC 21A Mammalian Cell Culture 2.0

BTEC 21B Fluorescent Cell Technology 2.0

BTEC 21C Stem Cell Technology 3.0

BTEC 12A GLP and GMP Principles 1.0

Choose at least 2 units of the following course or course combinations:

BTEC 115 Recombinant DNA Biotechnology 5.0

BTEC 24 Introduction to PCR 1.0
and BTEC 25 Analytical PCR Technology 1.0

Choose at least 2 units from the following course or course combinations:

BTEC 120 Molecular and Cell Biotechnology 5.0

BTEC 22 Enzyme Linked Immunosorbent Assay (ELISA) 1.0
and BTEC 23 Western Blotting Techniques 1.0

Recommended additional coursework:

BTEC 5 Briefings in Biotechnology 1.0

Total: 12.0

Engineered Plumbing Systems Certificate

The Engineered Plumbing Systems program offers instruction in the design and sizing of a wide variety of plumbing systems and the application of basic fluid flow principles. These skills are necessary in the design of domestic water, rainwater, sanitary drainage, fire protection, fuel gas, compressed air, hydronic and steam heating systems. Students completing this certificate program will be qualified to work with engineers as plumbing systems designers.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply basic principles of plumbing systems to a variety of designs.
- Interpret and apply plumbing codes and regulations.
- Calculate system and equipment sizes based on engineering principles for a range of plumbing systems.
- Propose solutions to a variety of problems dealing with basic principles of fluid flow.
- Employ standard practices in fire protection system design.

ET130, ET139A, ET139B, and CAD187 may be taken in any order. Students who completed ET 139C under the previous program should speak to the instructor or department chair to determine the best course of academic study. Students with previous experience in this field may petition to waive or substitute requirements as approved the Department Chair.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units completed per semester. Students must successfully complete at CCSF at least 20% of the units required to earn the certificate.

Courses Required for the Certificate of Accomplishment in Engineered Plumbing Systems

Course Units

Required

ET 130 Applied Fluid Mechanics for Mechanical Engineering Technology 3.0

ET 139A Engineering Plumbing Systems 3.0

ET 139B Plumbing System Design Fundamentals 3.0

CAD 187 Mechanical, Electrical, and Plumbing (MEP) Building Information Modeling (BIM) in Revit 2.5

Total: 11.5

Machining Technology Level I Certificate

Machining technology programs prepare graduates for careers in manufacturing industries. Topics include detailed drawing (electrical, electronic, and mechanical) blueprint reading, hands-on set up, machine tools, and machine shop operations with emphasis on lathes, horizontal and vertical milling machines.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply basic measuring tools (steel rules, vernier calipers, and micrometers), layout tools, and hand tools.
- Comply with current machine shop safety and environmental regulations.
- Perform basic operations using manual mills, lathes, and drill presses in accordance with industry recognized and accepted practices.

Students may apply for certificate having completed course work within the past 5 years.

The minimum time for completion of this certificate is 1 semester. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Machining Technology Level I

Course.....	Units
Required courses:	
ET 104 Introduction to Engineering Drawing and Manufacturing	2.0
WELD 140 Manufacturing Processes	3.0
Total:5.0

Machining Technology Level II Certificate

Machining technology programs prepare graduates for careers in manufacturing industries. A level II certificate includes basic machine shop blueprint reading and machine shop operations. Added are more advanced applications of lathe and milling which include Computer Numerical Control (CNC) training in G and M codes and explanation of Geometric Dimensioning and Tolerancing (GD&T) symbols and their meanings.

Learning Outcomes

Upon completion of this program, students will be able to:

- Utilize hand and layout tools.
- Comply with current machine shop safety and environmental regulations.
- Perform operations using manual mills, lathes, and drill presses in accordance with industry recognized and accepted practices.
- Develop tool path codes required to produce products using multi axis CNC turning equipment.
- Establish uniform dimensioning and tolerancing practices on manufacturing drawings.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Machining Technology Level II

Course.....	Units
Required courses:	
ET 104 Introduction to Engineering Drawing and Manufacturing	2.0
WELD 140 Manufacturing Processes	3.0
ET 150 Metrology and CNC Machining	2.0
Total:7.0

Sustainability Certificate

The Sustainability Certificate Program is designed for working professionals, business owners, and students working towards a degree who wish to incorporate sustainability concepts into their existing or future educational pathways and careers.

Learning Outcomes

Upon completion of this program, students will be able to:

- Evaluate evidence regarding the causes and consequences of human impacts on the environment and societal welfare.
- Apply scientific, economic, and sociopolitical concepts and models to both critically evaluate and propose sustainable solutions to environmental degradation and resource depletion.
- Apply methods of scientific inquiry to collect, analyze, and interpret environmentally relevant data in laboratory or field settings.
- Assess future career or educational goals in the field of sustainability.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Sustainability

Course.....	Units
Required	
ENVS 31 Introduction to Environmental Science	3.0
ENVS 31L Environmental Science Laboratory	1.0
ENVS 91 Applied Research in Sustainability	2.0
Choose 10 units from the following courses	
BIO 19 Ecology	4.0
ENRG 3 Introduction to Alternative Energy	3.0
ENRG 3L Introduction to Alternative Energy Laboratory	1.0
ENVS 5 Sustainability and the Environment Speaker Series	1.0
GEOG 1 Physical Geography	3.0
GEOG 4 Cultural Geography	3.0
GEOG 7 Economic Geography	3.0
GEOG 30 Environmental Geology	3.0
GEOG 30L Environmental Geology Lab	1.0
GEOG 41A Climate Change	1.0
OCAN 1 Oceanography	3.0
OCAN 1L Oceanography Lab	2.0
POLS 22 Environmental Politics and Policy	3.0
** Up to 3 units from the following weekend field courses:	
GEOG 21A San Francisco Coastal Geology	0.5
GEOG 21B San Francisco Geology	0.5
GEOG 21C The San Andreas Fault System	0.5
BIO 21A Ecology of San Francisco Bay	1.0
BIO 21B Ecology of the City of San Francisco	1.0
BIO 21C Ecology of Golden Gate National Recreation Area	1.0
BIO 21D Ecology of Point Reyes National Seashore	1.0
BIO 21E Ecology of Coastal Mendocino County	1.0
BIO 21F Ecology of the San Francisco Bay Delta	1.0

BIO 21J Agroecology	1.0
BIO 26 Habitat Restoration Field Studies	1.0
Total:	16.0

Basic Electronics Certificate

The Certificate in Basic Electronics includes instruction in the fundamental principles of electronics. Students will be able to apply this knowledge and understanding to perform tests, troubleshooting and repair of analog and digital electronic circuits and instruments. Program provides instruction in the building of circuits that demonstrate an understanding of basic electronics device principles. Students will also learn how to develop procedural methods in troubleshooting and repair of analog and digital circuits and instruments.

Learning Outcomes

Upon completion of this program, students will be able to:

- Construct electronic circuits from schematics.
- Employ industry accepted procedures with typical electronic test and measurement equipment to verify circuit performance.
- Perform calculations as related to circuit components and parameters.
- Integrate discrete and IC components into functioning end products.
- Resolve schematic and build errors.

A minimum of two of the courses required for the Certificate of Accomplishment in Basic Electronics must be taken at City College of San Francisco.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Basic Electronics

Course	Units
Required	
ET 50 Technical Mathematics	4.0
ELEC 101 Electronics I: Essentials of Electronics Measurements and Passive Circuits	2.5
ELEC 102A Electronics II: Active Analog Circuits and Practical Applications	2.5
ELEC 102B Electronics II: Digital Circuits and Practical Applications	2.5
Total:	11.5

Intermediate Electronics Certificate

The Certificate in Intermediate Electronics provides advanced electronics instruction building upon foundations provided in the Basic Electronics Certificate. Students will be instructed in the implementation of projects utilizing industry standard electronic devices, learning their associated functions and principles. With these additional skills and knowledge, students will be able to resolve common software, hardware, and interface errors in electronic systems of increasing complexity.

Learning Outcomes

Upon completion of this program, students will be able to:

- Construct electronic circuits using discrete and IC components from schematics.

- Verify circuit performance using typical electronic test and measurement equipment following industry accepted procedures.
- Determine circuit parameters and component values via related rules and calculations.
- Design and merge analog and digital technology in modern radio circuits.
- Describe a digital design, implement and test it using design software tools.
- Program a microcontroller to interface to electrical and electro-mechanical devices.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Intermediate Electronics

Course	Units
Required	
ELEC 101 Electronics I: Essentials of Electronics Measurements and Passive Circuits	2.5
ELEC 102A Electronics II: Active Analog Circuits and Practical Applications	2.5
ELEC 103A Electronics III: Analog Circuits and Practical Applications	2.5
ELEC 103B Electronics III: Digital Circuit Interfaces and Programming	2.5
ELEC 104A Electronics IV: Wireless and Industrial Communication Systems	2.5
ELEC 104B Electronics IV: Microcontroller Interfaces and Programming	2.5
Total:	15.0

Computer Aided Design (CAD)-Architectural Certificate

This certificate includes instruction in technical drawing and the use of software tools to create 2-dimensional and 3-dimensional models for use in architecture, building science, and building information models. Students will gain significant practice in creating models through extensive lab work using industry standard software tools. This certificate program provides skills valuable to architects, construction trades, and engineers in industries where high quality building drawings are needed.

Learning Outcomes

Upon completion of this program, students will be able to:

- Create architectural drawings using CAD and illustration software programs.
- Employ drawing and illustration skills essential for the architectural, construction and building trades industries.
- Evaluate the software or techniques most effective for three dimensional parametric building design.
- Draw and dimension precisely as per ANSI standards.
- Recognize industry standards and apply them in architectural drawings and documents.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Computer Aided Design (CAD)-Architectural

Course.....	Units
Required	
ARCH 20 Architectural Graphics I.....	3.0
BIM 120 Revit Architecture I.....	3.0
ARCH 214 AutoCAD I.....	3.0
Choose 5 units from the following courses	
CAD 184 Structural Building Information Modeling (BIM) in Revit.....	2.5
CAD 187 Mechanical, Electrical, and Plumbing (MEP) Building Information Modeling (BIM) in Revit.....	2.5
CAD 190 Part Modeling in SOLIDWORKS®.....	2.5
Total:	14.0

Computer Aided Drafting (CAD) Certificate

This certificate includes instruction in technical drawing and the use of software tools to create 2-dimensional and 3-dimensional models. Students will gain significant practice in creating models through extensive lab work using industry standard software tools. This certificate program provides skills valuable to machinists, manufacturers, architects, technicians, and engineers in industries where high quality technical drawings are needed.

Learning Outcomes

Upon completion of this program, students will be able to:

- Create drawings using CAD and illustration software programs.
- Apply drawing and illustration skills essential for employment in architectural, engineering, construction and manufacturing industries.
- Evaluate which software or technique is most effective for a particular goal.
- Dimension precisely as per ANSI standards.
- Evaluate industry standards and their purpose in technical documents and illustrations.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Computer Aided Drafting (CAD)

Course.....	Units
Required	
CAD 180 Introduction to Technical Drawing*.....	1.0
CAD 181 Introduction to Computer Aided Drafting CAD I.....	2.5
CAD 182 Engineering Detailing in Revit®.....	2.5

* Students may substitute the following for CAD 180: Completion of ET 104, or demonstration of prior drafting and drawing skills by performing at satisfactory level on a test.

Choose 3 of the following courses

CAD 184 Structural Building Information Modeling (BIM) in Revit.....	2.5
CAD 187 Mechanical, Electrical, and Plumbing (MEP) Building Information Modeling (BIM) in Revit.....	2.5
CAD 190 Part Modeling in SOLIDWORKS®.....	2.5

CAD 99A 3D Printing & Solid Modeling.....	1.0
and CAD 99B Advanced AutoCAD Techniques.....	1.0
Total:	13.0 – 13.5

Manufacturing and Fabrication Certificate

This certificate program is designed to provide instruction in basic welding, machining, and fabrication processes. Students completing this certificate program will be qualified for manufacturing apprenticeships or internships.

Learning Outcomes

Upon completion of this program, students will be able to:

- Perform welding tasks using gas and arc welding equipment.
- Plan, design, and fabricate basic multi-part prototypes.
- Operate machine shop and welding equipment safely.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Certificate of Accomplishment in Manufacturing and Fabrication

Course.....	Units
Required	
WELD 140 Manufacturing Processes.....	3.0
WELD 144A Survey of Welding Processes.....	2.0
WELD 144B Intermediate Welding Processes.....	2.0

Choose 3-5 units from the following

CAD 190 Part Modeling in SOLIDWORKS®.....	2.5
ELEC 101 Electronics I: Essentials of Electronics Measurements and Passive Circuits.....	2.5
WELD 144C Advanced Welding Processes.....	2.0
ENGN 48L Introduction to Engineering and Technology Laboratory.....	1.0
ET 104 Introduction to Engineering Drawing and Manufacturing.....	2.0

ENGN 48L & ET 104 must both be taken for the 3 units to apply towards the certificate

Total:	10.0 – 12.0
---------------------	--------------------

Welding Technology Level I Certificate

The Welding Technology program provides students with training in oxy-acetylene cutting, AC/DC shielded metal arc welding, gouging, semi-automatic gas metal arc welding, flux core welding and tungsten inert gas welding. Training in the planning, layout, forming, joining, and fabrication of various shapes in light and heavy gauge metal and pipes is provided. Students will work on various projects throughout the time they are enrolled in the welding program.

Learning Outcomes

Upon completion of this program, students will be able to:

- Demonstrate the use of welding and metal cutting processes safely and correctly
- Perform diverse welding procedures on steel test plates in two or more welding positions.
- Select and calibrate welding and cutting methods to fabricate assigned projects

Students may apply for certificate having completed course work within the past 5 years.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Welding Technology Level I

Course.....Units

Required courses:

WELD 144A Survey of Welding Processes 2.0

WELD 144B Intermediate Welding Processes..... 2.0

WELD 144C Advanced Welding Processes..... 2.0

Total:..... 6.0

Announcement of Courses

Biotechnology

Credit, Degree Applicable Courses:

BTEC 4. Introduction to Biotechnology (3)

Lec-35, Lab-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introduction to the growing field of biotechnology by pairing practical hands-on laboratory activities with career presentations by scientists and industry professionals. Basic biological concepts are covered along with discussions of careers in biomanufacturing, forensics, agriculture, biofuels, bioinformatics and drug discovery. UC/CSU

BTEC 5. Briefings in Biotechnology (1)

Lec-18 P/NP available

Career professionals in biotechnology and related fields will discuss their current bioscience programs and provide information on career opportunities and pathways. Presentations will cover basic research, new products, processes, and prospects for the future in medicine, environmental restoration, forensics, and agriculture. Implications for society and governmental regulations will also be discussed. UC/CSU

BTEC 6. Basics of Cell Culture (1)

Lec-9, Lab-27, field trips P/NP available

PREREQ: COMPLETION OF HIGH SCHOOL GENERAL BIOLOGY COURSE
Introduction to mammalian cell culture and stem cell biology and techniques. Practical hands-on experience includes aseptic technique, counting cells, cell/stem cell culture maintenance, fluorescence labeling, and stem cell differentiation. CSU

OFFERED ONLY IN SUMMER SEMESTERS

BTEC 10. Research Skills for Career Opportunities in Biology (2)

Lec-17.5, Lab-52.5 P/NP available

COREQ: BTEC 107 AND BTEC 108A

RECOMMENDED PREP: (ESLN 3700 OR ESL 182) OR (PLACEMENT INTO ESLN 3800 OR ESL 184)

Introduction to the laboratory skills and concepts necessary to work in the biotechnology industry, allied health or other biology-related fields. This course is part of the learning community Bridge to Biosciences program. CSU

BTEC 12A. GLP and GMP Principles (1)

Lec-18, Lab-6, field trips P/NP available

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

A general overview of Food and Drug Administration regulations as

they pertain to the biotechnology field. Knowledge of Current Good Laboratory Practices (cGLP) and Current Good Manufacturing Practices (cGMP) is needed to work in biotechnology manufacturing and preclinical research laboratories. The course will emphasize those practices as they pertain to the biopharmaceutical industry. CSU

BTEC 14A. Biotechnology Laboratory Techniques (3)

Lec-43.75, Lab-26.25 P/NP available

RECOMMENDED PREP: BIO 11 AND (ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH; COMPLETION OF OR CONCURRENT ENROLLMENT IN: BTEC 108A

An introduction to laboratory techniques needed for entry-level positions in the biotechnology industry and research laboratories. The course covers basic lab skills such as solution making, bacteria cultures, plasmid DNA and protein purification. Intended as an introductory class for the students in preparation of the more advanced biotechnology classes and/or an internship in a biotechnology lab. CSU

BTEC 14B. Biotechnology Internship Support (4)

Lec-70, field trips

PREREQ: BTEC 15 AND COMPLETION OF 4 UNITS OF BTEC CLASSES WITH WET-LAB COMPONENTS WITH A GRADE OF C OR BETTER. THE STUDENTS MAY CHOOSE FROM THESE CLASSES: BTEC 14A, BTEC 20, BTEC 21C, BTEC 22, BTEC 23, BTEC 24, BTEC 25, BTEC 103, BTEC115 AND BTEC 120.

COREQ: BTEC 93

Support for student interns placed in local bioscience laboratories. Provide tools to effectively communicate internship experience, present scientific concepts and network with professionals in the field. Types of internships may include, but are not limited to, basic research, biomanufacturing, quality control, environmental sciences, and food sciences. CSU

INSTRUCTOR APPROVAL AND COMPLETION OF MINIMUM OF 4 UNITS OF CCSF BTEC CLASSES WITH WET-LABS IS REQUIRED.

BTEC 15. Career Exploration in Bioscience (2)

Lec-35, Lab-17.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188; COMPLETION OF OR CONCURRENT ENROLLMENT IN: ANY BIOTECHNOLOGY LABORATORY COURSE AT CCSF

Students will explore various careers in bioscience through online research, informational interviews and interactions with industry professionals. Students will present a summary of a chosen bioscience topic at a scientific meeting. Students will communicate and network with industry professionals, and attend professional workshops and seminars to gain career skills needed for finding internships and jobs in the biotechnology fields. CSU

BTEC 20. Mammalian Cell Culture (3)

Lec-48, Lab-24

RECOMMENDED PREP: BIO 11; BTEC 108A; COMPLETION OF OR CONCURRENT ENROLLMENT IN: CHEM 32

Introduction to techniques for culturing and maintaining mammalian cells, including proper use of equipment, aseptic technique, media formulation, storage, counting and subculturing of cells. Contents include proper growth conditions, cell cycle regulation, cellular responses to DNA damage, growth patterns, viability assays, transfection and an introduction to the use of fluorescent molecules in visualization of cellular structures. CSU

BTEC 21A. Mammalian Cell Culture (2)

Lec-36, Lab-18, field trips P/NP available

RECOMMENDED PREP: ((ET 108A OR (ELEMENTARY ALGEBRA OR HIGHER)) AND BIO 11 AND (CHEM 32 OR CHEM 40))

Introduction to techniques for culturing mammalian cells, including media formulation, aseptic technique, freezing, thawing, subculturing, and maintaining cells. Theory includes maintaining proper growth conditions, preventing contamination, as well as cellular responses to DNA damage and gene expression. Practical experience includes the proper use and care of equipment for culturing cells and performing cell growth and viability assays. CSU

BTEC 21B. Fluorescent Cell Technology (2)

Lec-36, Lab-18, field trips P/NP available

PREREQ: BTEC 21A

Introduction to advanced techniques in the study of normal and mutant tissue culture cells including organelle visualization with various fluorophores, transfection with fluorescent markers, and immunostaining. In depth coverage of the theory behind and use of fluorescent microscopy and current research methods using fluorescent technology, including apoptosis assays and immunocytochemistry, DNA microarrays and FACS analysis. CSU

BTEC 21C. Stem Cell Technology (3)

Lec-52.5, Lab-17.5, field trips P/NP available

PREREQ: BTEC 21B OR BTEC 20

A general introduction to the principles of stem cell biology. Topics include embryonic stem cells in early development, adult stem cells, and potential applications of stem cell culture and ethical issues involved in stem cell research. Current research methods involving cell differentiation and fluorescent technology will be presented. Emphasis on laboratory techniques including culture of mouse embryonic stem cells, analysis of stem cells by immunofluorescence and flow cytometry. CSU

BTEC 21D. Introductory Stem Cell Internship Support (4)

Lec-70

PREREQ: BTEC 21C

COREQ: BTEC 93

Provides the necessary communication tools for beginning students placed in off-campus stem cell biology internships. Emphasis is put on demonstrating how their work contributes to the overall the scientific research being conducted at their internship site. Types of internships may include, but are not limited to, differentiation of pluripotent stem cells, FACS analysis, primary cell culture, propagation of iPS cells, immunolocalization, microarray analysis and tumor cell characterization. CSU

*OFFERED FALL SEMESTERS***BTEC 21E. Advanced Stem Cell Internship Support (4)**

Lec-70

PREREQ: BTEC 21D

COREQ: BTEC 93

Development of complex analysis and enhanced scientific presentation skills necessary for continuing students placed in off-campus stem cell biology internships. Students will complete and present a novel research project. Types of internships may include, but are not limited to, differentiation of pluripotent stem cells, FACS, cell culture, propagation of iPS cells, immunolocalization, micro array analysis and tumor cell characterization. CSU

*OFFERED SPRING SEMESTERS***BTEC 22. Enzyme Linked Immunosorbent Assay (ELISA) (1)**

Lec-17.5, Lab-10.5, field trips P/NP available

RECOMMENDED PREP: BIO 11 AND (ELEMENTARY ALGEBRA OR HIGHER)

Underlying principles of immunoassay with focus on ELISA. Examples of ELISA techniques and applications in the pharmaceutical, environmental, biotechnology, and clinical laboratory settings will be discussed. Laboratory exercises and discussions cover qualitative and quantitative data analysis and direct, indirect, sandwich, and competitive ELISA methods. CSU

BTEC 23. Western Blotting Techniques (1)

Lec-16, Lab-8, field trips P/NP available

RECOMMENDED PREP: BIO 11 AND ((BTEC 108A OR (ELEMENTARY ALGEBRA OR HIGHER)))

Underlying principles of immunoassay with focus on Western blots. Discussion of applications of Western blotting techniques used in the pharmaceutical, biotechnology, and clinical laboratory settings. Laboratory exercises feature hands-on exercises emphasizing all aspects of Western blotting, including running protein gels, blotting, immunodetection, and data analysis. CSU

BTEC 24. Introduction to PCR (1)

Lec-16, Lab-8 P/NP available

RECOMMENDED PREP: BIO 11 AND ((BTEC 108A OR (ELEMENTARY ALGEBRA OR HIGHER)))

Introduction to the theoretical aspects and laboratory techniques of the Polymerase Chain Reaction (PCR). Practical experience performing PCR as well as experimenting with optimization of the reaction. Discussion of applications of PCR used in biotechnology industry, basic science, forensics, epidemiology, diagnostics, and determination of evolutionary relationships. CSU

BTEC 25. Analytical PCR Technology (1)

Lec-16, Lab-8 P/NP available

PREREQ: BTEC 24 OR DEMONSTRATION OF BTEC 24 EXIT SKILLS

The theory and practice of current polymerase chain reaction (PCR) analytical methods. Laboratory experience in techniques such as multiplex PCR, reverse transcriptase PCR (RT-PCR), and real-time PCR. Experimental optimization is emphasized. CSU

BTEC 93. Biotechnology Work experience (1-8)

Work-60-600 P/NP available

PREREQ: APPROVAL OF THE ENGINEERING AND TECHNOLOGY DEPARTMENT

COREQ: BTEC 14B OR BTEC 21D OR BTEC 21E

REPEAT: REPEATED MAX. 16.00 UNITS

Work experience for students in the Biotechnology Program through internships in the biotechnology industry. Students do internships in local academic/government institutions and biotechnology companies. One unit of credit is earned for 60 hours of unpaid, or 75 hours of paid internship. CSU

BTEC 103. Protein Purification (2)

Lec-28, Lab-28 P/NP available

RECOMMENDED PREP: CHEM 32 AND (BIO 11 OR BTEC 10) AND BTEC 120

An introduction to protein purification techniques including sample preparation, column chromatography, and analysis of purification. Hands on training with manual and automated chromatography systems used in industry and research laboratories. Purification analysis includes gel electrophoresis, specific activity, and mass balance calculations. CSU

BTEC 107. Language Skills for Technicians (3)

Lec-52.5, Lab-17.5

COREQ: BTEC 10 AND BTEC 108A

RECOMMENDED PREP: (ESLN 3700 OR ESL 182) OR (PLACEMENT IN ESLN 3800 OR ESL 184)

Introductory level lecture course covering basic scientific language and concepts of biology and chemistry, and the academic study skills needed to succeed in science courses. An orientation to the field of biotechnology and professional opportunities. CSU

BTEC 108A IS PART OF A LEARNING COMMUNITY FOR BRIDGE TO BIOSCIENCES. CONCURRENT ENROLLMENT IN BTEC 10 AND BTEC 107 IS REQUIRED. FOR MORE INFO, CONTACT LI LOVETT BY EMAIL: LMIAO@CCSF.EDU

BTEC 108A. Practical Mathematics for Laboratory Science (2)

Lec-35 P/NP available

RECOMMENDED PREP: (ESLN 3700 OR PLACEMENT INTO ESLN 3800) AND (ELEMENTARY ALGEBRA OR HIGHER)

Concepts, techniques and applications of mathematics and elementary algebra emphasizing applications to practical problems in biotechnology and chemistry. Use of traditional problem solving methods and interactive group activities. CSU

BTEC 115. Recombinant DNA Biotechnology (5)

Lec-52.5, Lab-105, field trips P/NP available

RECOMMENDED PREP: BIO II AND CHEM 32

In-depth coverage of current recombinant DNA methods and concepts of modern genomics. Emphasis on laboratory work using techniques such as culture of bacteria, DNA and RNA purification, plasmid DNA construction, cDNA synthesis, real-time PCR, and use of software tools to analyze DNA sequences. CSU

FORMERLY BIO 65 OFFERED FALL SEMESTERS

OFFERED FALL SEMESTERS

BTEC 120. Molecular and Cell Biotechnology (5)

Lec-52.5, Lab-105, field trips P/NP available

RECOMMENDED PREP: BIO II AND (CHEM 32 OR CHEM 40)

Introduction to the principles and techniques of molecular and cell biology and protein analysis. Emphasis on lab techniques, such as spectroscopy, preparation of cell lysates, Western blot, immunoprecipitation, enzyme assays, analysis of signal transduction, and stable transfection of mammalian cells. Design and analysis of molecular and cell biology experiments is taught. CSU

OFFERED SPRING SEMESTERS

Computer Aided Drafting (CAD)**Credit, Degree Applicable Courses:****CAD 99A. 3D Printing & Solid Modeling (1)**

Lec-17.5, Lab-17.5 P/NP available

Overview of 3D Printing, from its origins to its revolutionary future, and its impact on the design process. Produce a simple part in a 3D modeling software and print it. Experience using two significant categories of 3D printers. CSU

CAD 99B. Advanced AutoCAD Techniques (1)

Lec-17.5, Lab-17.5 P/NP available

RECOMMENDED PREP: CAD 181

Advanced AutoCAD techniques including 3D modeling and rendering, customization, external references, and data linking and management. CSU

CAD 180. Introduction to Technical Drawing (1)

Lec-8.75, Lab-26.25 P/NP available

Introduction to engineering and technical drawing techniques, the systems of drawings and their applications in design, and the basic shape description of products. Technical sketching; dimensioning; sections and applications of orthographic projection standards in technical documents. CSU

CAD 181. Introduction to Computer Aided Drafting - CAD I (2.5)

Lec-35, Lab-35 P/NP available

RECOMMENDED PREP: CAD 180 OR ET 104 OR 1 YEAR H.S. DRAFTING

Introduction to Computer Aided Drafting (CAD) hardware and software operations and their applications in drafting; basic shape description, display, editing, dimensioning and plotting. UC/CSU

CAD 182. Engineering Detailing in Revit® (2.5)

Lec-35, Lab-35 P/NP available

RECOMMENDED PREP: CAD 180 OR ET 104 OR EQUIVALENT SKILLS/ COURSE WORK WITH 100 HOURS OF INDUSTRIAL WORK EXPERIENCE IN BASIC AUTOCAD

An introduction to Autodesk's Revit? software for various platforms, including mechanical, electrical and plumbing (MEP) systems, structural engineering, architectural design, and engineering construction industry. Students are introduced to basic concepts of 2D and 3D modeling to generate building plans, sections, elevations, details and 3D views. Students learn to utilize Building Information Modeling (BIM) tools. CSU

OFFERED SPRING SEMESTERS

CAD 184. Structural Building Information Modeling (BIM) in Revit (2.5)

Lec-35, Lab-35

RECOMMENDED PREP: CAD 182

Building Information Modeling (BIM) - The essential features and functionality of Autodesk Revit structural tools from building and schematic design through construction documentation. Topics include 3D modeling, steel and concrete detail design for fabrication, parametric building design, scheduling for materials and quantity takeoff. CSU

OFFERED FALL SEMESTERS

CAD 187. Mechanical, Electrical, and Plumbing (MEP) Building Information Modeling (BIM) in Revit (2.5)

Lec-35, Lab-35

RECOMMENDED PREP: ARCH 214 OR CAD 181 OR DEMONSTRATION OF CAD 181 EXIT SKILLS

HVAC (Heating, Ventilation & Air Conditioning) and piping system design using parametric application software such as AutoDesk's Revit-MEP. Introduction to computer generated documents to specify HVAC and piping systems layout and details. HVAC and process pipe industry drawing standards. Mechanical design including determination of equipment sizes. CSU

OFFERED SPRING SEMESTERS

CAD 190. Part Modeling in SOLIDWORKS? (2.5)

Lec-35, Lab-35 P/NP available

RECOMMENDED PREP: CAD 181

Extension of CAD-based graphics into 3-dimensional parametric modeling, realistic rendering, animation of assemblies, and exploded views. Introduction to a 3D parametric modeling software such as SOLIDWORKS?. Create a computer-generated physical 3D model using a state-of-the-art 3D printer. CSU

Electronics

Credit, Degree Applicable Courses:

ELEC 101. Electronics I: Essentials of Electronics - Measurements and Passive Circuits (2.5)

Lec-35, Lab-35

RECOMMENDED PREP: ET 50 OR (ELEMENTARY ALGEBRA OR HIGHER)

Study the construction and analysis of basic electronic circuits, including capacitors and inductors. Use of the multi-meter to measure DC and AC voltages and currents in resistive series/parallel circuits and the oscilloscope for AC, pulsed waveforms, phase, and time delay measurements. Computer simulation software (Multisim) to analyze circuits. CSU

ELEC 102A. Electronics II: Active Analog Circuits and Practical Applications (2.5)

Lec-35, Lab-35

RECOMMENDED PREP: ELEC 101 OR DEMONSTRATION OF EXIT SKILLS

This course covers diode characteristics, power supplies, bipolar transistors, simple one-stage amplifiers, constant current sources, and transformers. The students will learn the intermediate use of the oscilloscope and multi-meter for both calibration and troubleshooting. Hands-on electronic projects include building their own power supply, a current regulator, and various amplifier circuits. CSU

ELEC 102B. Electronics II: Digital Circuits and Practical Applications (2.5)

Lec-35, Lab-35

RECOMMENDED PREP: ELEC 101 OR DEMONSTRATION OF ELEC 101 EXIT SKILLS

This course covers Boolean logic concepts, flip-flops, memory, counters, clocks, display decoders, and timers. Analysis of digital logic principles is practiced by building and testing functional and practical projects. There will be intense hands-on troubleshooting using logic analyzers, signal generators and digital multimeters. Standard industry testing methods, equipment, and protocols are used throughout the course. CSU

ELEC 103A. Electronics III: Analog Circuits and Practical Applications (2.5)

Lec-35, Lab-35

PREREQ: ELEC 102A OR DEMONSTRATION OF EXIT SKILLS

Introduction to intermediate analog electronic circuits, including field effect transistor basics, various analog amplifiers, operational amplifiers and their use. Hands-on electronic projects include building summing and difference amplifiers, audio amplifiers, and AM/FM radios. CSU

OFFERED SPRING SEMESTERS

ELEC 103B. Electronics III: Digital Circuit Interfaces and Programming (2.5)

Lec-35, Lab-35

PREREQ: ELEC 102B OR DEMONSTRATION OF EXIT SKILLS.

Course covers digital interfaces and hardware programming. Topics include digital to analog interfacing using integrated circuits, programmable logic devices, field programmable gate arrays (FPGA), hardware description languages (e.g. VHDL and Verilog), and computer memory. Course requires hands-on project construction and troubleshooting. Industry standard testing methods, equipment, and protocols are used throughout the course. CSU

OFFERED FALL SEMESTERS

ELEC 104A. Electronics IV: Wireless and Industrial Communication Systems (2.5)

Lec-35, Lab-35

PREREQ: ELEC 102A OR DEMONSTRATION OF EXIT SKILLS.

This course covers wireless communications systems, industrial communication protocols, and industrial control systems, including programmable logic controllers. Analog and digital systems will be explored. The course also provides an introduction to antennas, amplifiers, and microwave signals. CSU

OFFERED FALL SEMESTERS

ELEC 104B. Electronics IV: Microcontroller Interfaces and Programming (2.5)

Lec-35, Lab-35

PREREQ: ELEC 102A OR DEMONSTRATION OF EXIT SKILLS

RECOMMENDED PREP: ELEC 102B

Hands-on microcontroller interfacing, driver programs, input sensors, output electrical, and electromechanical devices. CSU

OFFERED SPRING SEMESTERS

Energy

Credit, Degree Applicable Courses:

ENRG 3. Introduction to Alternative Energy (3)

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introduction to the science that underpin alternative energy resources and their implementation in various contexts. Covers: fundamental energy science and math; climate change; national and global energy trends; solar, wind, and hydro resources; photoelectric effect; photosynthesis; geothermal; and nuclear. Explores decarbonization of the energy system and integration of distributed energy resources. UC/CSU

ENRG 3L. Introduction to Alternative Energy Laboratory (1)

Lab-52.5, field trips

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: ENRG 3

Physical science oriented laboratory course focused on alternative energy. Provides experimental understanding of the scientific principles that drive renewable energy systems. Solar, wind, fuel cells, geothermal, combustion and other energy experiments. Gain critical hands-on insight into the advantages and limitations of each energy system. UC/CSU

OFFERED SPRING SEMESTERS

Engineering

Credit, Degree Applicable Courses:

ENGN 10A. Introduction to Engineering: The Profession (2)

Lec-35

The history and development of engineering as a profession. Engineering disciplines, job functions, educational requirements, transfer school information, academic success strategies, workplace skills, engineering ethics, sustainability principles applied to engineering, current and projected activities in the various branches of engineering. UC/CSU

ENGN 10B. Introduction to Engineering: Software Tools and Design (2)

Lec-17.5, Lab-52.5

PREREQ: MATH 90 OR MATH 92 OR PLACEMENT IN MATH 100A OR MATH 110A

Introduction to team-oriented engineering design, problem solving processes, and the use of computers in the solution of engineering problems, including commercial spreadsheet applications and analysis/graphics

applications. Emphasis on technical communication, teamwork, engineering design and problem solving methodologies. Multiple hands-on design projects. UC/CSU

ENGN 20. Introduction to Circuit Analysis (3)

Lec-52.5

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: MATH 110C AND PHYC 4B

RECOMMENDED PREP: ENGN 10B

Introduction to circuit analysis. Determination of the natural, forced and complete responses of zero, first and second-order networks. Standard circuit-analysis techniques including Kirchhoff's Laws, mesh and nodal analysis, Thevenin and Norton's Theorems, generalized impedance and admittance techniques and phasor methods. UC/CSU

ENGN 20L. Introduction to Circuit Analysis Laboratory (1)

Lab-52.5

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: ENGN 20

RECOMMENDED PREP: ENGN 10B

An introduction to the construction and measurement of electrical circuits exercising DC, transient, and sinusoidal steady-state (AC) conditions. Use of test and measurement instruments, including multimeters, oscilloscopes, power supplies, and function generators. Introduction to component value tolerance and non-ideal aspects of laboratory instruments. Use of circuit simulation software. Interpretation of measured and simulated data based on principles of circuit analysis. UC/CSU

ENGN 24. Engineering Design Graphics (3)

Lec-35, Lab-52.5

PREREQ: ET 50 OR MATH 95 OR DEMONSTRATION OF EXIT SKILLS

Principles of visually communicating engineering designs. Topics include technical sketching, technical drawing, engineering graphics and design; 3-D visualization with orthographic projection; dimensioning and tolerancing practices; computer aided drafting/design (CAD) software; graphical analytical methods of solutions to three-dimensional problems. Assignments develop sketching and 2-D and 3-D CAD skills. The use of CAD software is an integral part of this course. UC/CSU

ENGN 36. Engineering Mechanics-Statics (3)

Lec-52.5

PREREQ: PHYC 4A; COMPLETION OF OR CONCURRENT ENROLLMENT IN: MATH110C

RECOMMENDED PREP: ENGN 10B

A first course in engineering mechanics: properties of forces, moments, couples and resultants; two- and three-dimensional force systems acting on engineering structures in equilibrium; analysis of trusses, and beams; distributed forces, shear and bending moment diagrams, center of gravity, centroids, friction, and area and mass moments of inertia. UC/CSU

ENGN 37. Engineering Mechanics-Dynamics (3)

Lec-52.5

PREREQ: ENGN 36

An introductory calculus-based course in dynamics covering kinematics and kinetics of particles, systems of particles, rigid bodies, and systems of rigid bodies. Applications of Newton's Second Law, the Work-Energy Theorem, the Principle of Impulse and Momentum, Coriolis acceleration and impact. UC/CSU

ENGN 38. Introduction to Programming Concepts and Methodologies for Engineers (3)

Lec-52.5, Lab-17.5

PREREQ: MATH 100A OR MATH 110A

Engineering problem solving using computer programming. Topics include problem solving strategies, algorithm development, structured programming design, the interface of software with the physical world (e.g., the use of sensors or real world data), and the application of numerical techniques. UC/CSU

ENGN 45. Materials Science for Engineers (3)

Lec-35, Lab-52.5

PREREQ: CHEM 101A OR CHEM 103A; PHYC 4A AND PHYC 4AL

RECOMMENDED PREP: ENGN 10B; COMPLETION/CONCURRENT ENROLLMENT IN CHEM 101B; AND PHYS 4B/4BL

An introductory course in the fundamental science of materials used by engineers. Emphasis on structure and properties. Some processing and applications of materials is also covered. Finally, a strategy is developed for the selection and use of these materials in engineering design. UC/CSU

ENGN 48L. Introduction to Engineering and Technology - Laboratory (1)

Lab-52.5

P/NP available

A project-oriented, hands-on course to introduce students to the practices and methodologies used in Engineering and Technology. Areas of focus are electronics, mechanical construction/fabrication and technical mathematics. CSU

Engineering Technology

Credit, Degree Applicable Courses:

ET 50. Technical Mathematics (4)

Lec-70

PREREQ: (ET 108B OR DEMONSTRATION OF ET 108B EXIT SKILLS) OR (MATH 90 AND MATH 95) OR PLACEMENT INTO MATH 110A

Applied mathematics designed to develop the ability to solve technical problems. Practical application of algebra, geometry, and trigonometry to basic problems in the applied sciences, including the study of alternating current circuitry with emphasis on periodic functions, vector analysis, logarithms, and exponential functions. CSU

ET 104. Introduction to Engineering Drawing and Manufacturing (2)

Lec-17.5, Lab-52.5

Fundamental drafting techniques including sketching, orthographic projection and dimensioning. Development of detailed drawings (electrical, electronic, and mechanical) for the fabrication of individual projects. Sheet metal shop practices; use of hand tools; measurement and layout techniques. Printed circuit board design and fabrication. Machine tools and machine shop operations. CSU

ET 108A. Practical Mathematics I (3)

Lec-52.5, Lab-17.5

Concepts, techniques and applications of arithmetic and elementary algebra emphasizing applications to practical problems. Interactive and traditional problem solving methods. Class interactive group exercises applying mathematical techniques to various applications and real world problems. CSU

ET 108B. Practical Mathematics II (3)

Lec-52.5, Lab-17.5

PREREQ: ET 108A OR (INTERMEDIATE ALGEBRA OR HIGHER)

Fundamentals of trigonometry and advanced algebra emphasizing

their applications in real world problems. Interactive laboratory work in which students can apply mathematical techniques to physical applications. Class interactive group exercises applying mathematical techniques to various applications and real world problems. CSU

ET 130. Applied Fluid Mechanics for Mechanical Engineering Technology (3)

Lec-52.5

RECOMMENDED PREP: ELEMENTARY ALGEBRA OR HIGHER

An introduction to fluid statics and the basic laws of fluid flow; conservation of mass, momentum and energy. Applications of the basic laws to internal and external incompressible flow, including specific topics in pipe flow systems, centrifugal pumps and fans, streamlining, fluid flow meters, psychometrics of air and water-vapor mixtures, and basic elements of air conditioning. Use of psychometric instruments and psychometric charts to graphically analyze processes. CSU

REPLACES ET 135A AND ET 139C

ET 136A. HVAC System Fundamentals (2)

Lec-26.25, Lab-26.25

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: ET 130

Calculations of cooling loads. Applications of heat transfer and air handling equipment. Design of air-conditioning systems. Analysis of air conditioning equipment, components, and control systems. Lab work including instruments and instrumentation for measuring air flow. CSU

FORMERLY ET 135B

ET 136B. Fundamentals of Air Conditioning and Refrigeration (2)

Lec-26.25, Lab-26.25

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: ET 130

The refrigeration cycle, refrigeration systems, heat transfer components, and control systems. Laboratory work in operational characteristics of working systems. Analysis of refrigeration systems. Measurements of pressure, temperature and flow rates. Details of the function and interrelation of system components. CSU

FORMERLY ET 135C

ET 139A. Engineering Plumbing Systems (3)

Lec-52.5

RECOMMENDED PREP: ET 130

Flow of liquids in domestic water, rainwater and fuel gas piping systems, sanitary drainage piping and sizing drainage systems, flow of air in vent piping, sewer systems. Study of national and local codes, specifications and case problems. CSU

ET 139A AND ET 139B ARE NON-SEQUENTIAL AND MAY BE TAKEN IN EITHER ORDER.

OFFERED SPRING SEMESTERS

ET 139B. Plumbing System Design Fundamentals (3)

Lec-52.5, field trips

RECOMMENDED PREP: ET 130

Design and sizing for a wide variety of plumbing systems, acoustics in plumbing construction, plumbing system specifications, plumbing construction costs, coordination of plumbing design with other construction work, energy conservation and review of plumbing installations. CSU

ET 139A AND ET 139B ARE NON-SEQUENTIAL AND MAY BE TAKEN IN EITHER ORDER.

OFFERED ON OCCASION

ET 140. Facility Automation and PLCs (2)

Lec-17.5, Lab-52.5

PREREQ: ET 50 OR EQUIVALENT MATH COURSE

RECOMMENDED PREP: ELEC 101

This course introduces Programmable Logic Controllers (PLCs) and explains how they can be used in a plant, manufacturing system, or part of centralized control of a building's heating, ventilation, and air conditioning (HVAC) system. There will be practical applications and exercises using PLCs in the workplace. CSU

ET 150. Metrology and CNC Machining (2)

Lec-17.5, Lab-52.5

PREREQ: ET 104

Introduction to computer numerical control (CNC) training in G and M codes. Hands on training on CNC machines: testing, debugging, and running programs. Identify the elements of machine drawings; interpret dimensions, tolerances, and geometric aspects of blueprints; and explain Geometric Dimensioning and Tolerancing (GD&T) symbols and their meanings CSU

Environmental Science and Sustainability

ENVS 5. Sustainability and the Environment Speaker Series (1)

Lec-18, field trips

P/NP available

RECOMMENDED PREP: BACKGROUND IN ENVIRONMENTAL SCIENCE;

COMPLETION OF OR CONCURRENT ENROLLMENT IN: ENVS 31

Students will hear from professionals and experts from government, private, non-profits and public sectors as they share their insights on careers in sustainability and the environment. Career opportunities, academic and job training pathways will also be discussed. CSU

FORMERLY SUST 5

ENVS 31. Introduction to Environmental Science (3)

Lec-52.5, field trips

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An examination of the scientific evidence informing our understanding of the causes and consequences of human impacts on the environment. Application of core principles, methods, qualitative and quantitative reasoning from the natural sciences, social sciences, and engineering and technology to investigate and evaluate sustainable solutions to environmental degradation and resource depletion.

UC/CSU

FORMERLY SUST 31 = BIO 31 = GEOG 31

OFFERED EVERY SEMESTER

ENVS 31L. Environmental Science Laboratory (1)

Lab-52.5, field trips

P/NP available

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN:

ENVS 31

An introduction to tools and techniques used by environmental scientists to investigate human impacts on the environment in lab and/or field settings. Application of qualitative and quantitative concepts and models to evaluate environmental problems and their proposed solutions. CSU

FORMERLY ALSO LISTED AS BIO 31L, GEOG 31L, AND SUST 31L

OFFERED EVERY SEMESTER

ENVS 91. Applied Research in Sustainability (.5-8)

Work-30-600, field trips

P/NP available

PREREQ: APPROVAL OF ENGINEERING & TECHNOLOGY DEPARTMENT

RECOMMENDED PREP: ENVS 31

REPEAT: REPEATED UP TO 16.00 UNITS

Internship in sustainability-related settings (such as environmental education, alternative energy systems, sustainable water systems, green building, habitat restoration, urban agriculture) under the supervision of a qualified professional. The student will need to arrange the internship and then contact the instructor to enroll in this class.

Suggestions and strategies are available on course website. One unit of credit is earned for 60 hours of unpaid or 75 hours of paid work.

Welding

Credit, Degree Applicable Courses:

WELD 140. Manufacturing Processes (3)

Lec-26.25, Lab-78.75

Elementary machine tool practice, with special emphasis on the use of the lathe engine, horizontal and vertical milling machines, and drill press. CSU

WELD 144A. Survey of Welding Processes (2)

Lec-26.5, Lab-26.5

Classroom instruction and laboratory practice in joining metal by welding. This course is designed to provide the safe and operational uses of the basic welding processes including oxy/fuel welding, oxy/fuel cutting, and Gas Tungsten Arc Welding (GTAW). This course provides students with cutting and welding skills relevant to industry standards, welding certification requirements and general purposes. CSU

WELD 144B. Intermediate Welding Processes (2)

Lec-26.5, Lab-26.5

PREREQ: WELD 144A

This course is designed to provide the safe and operational uses of intermediate welding processes including Shielded Metal Arc Welding (SMAW), Flux Core Arc Welding (FCAW) and physical testing of welds. This course covers business oriented topics such as inventory control, machine maintenance, and sustainability. This course provides students with cutting and welding skills relevant to industry standards, welding certification requirements and general purposes. CSU

WELD 144C. Advanced Welding Processes (2)

Lec-26.5, Lab-26.5

PREREQ: WELD 144B

Classroom instruction and laboratory practice in joining metal by welding. This course is designed to provide the safe and operational uses of the advanced welding and fabrication processes such as Gas Tungsten Arc Welding (GTAW) of exotic materials and Gas Metal Arc Welding (GMAW) of custom objects. This course provides students with cutting and welding skills relevant to industry standards, welding certification requirements and general purposes. CSU

WELD 148. Welding Symbols and Inspection (3)

Lec-52.5

RECOMMENDED PREP: ET 50

Introduction into welding symbols, codes, terminology, metallurgy, procedures, processes; welder qualification; high-strength bolting; the basics of destructive and non-destructive examination. CSU

Announcement of Curricula

English Major (AA-T)

Associate in Arts in English for Transfer. CCSF's English major offers a wide variety of language, literature, and writing courses to serve students with diverse goals, including transfer to UC, CSU, or other four year colleges. English majors will be able to complete most or all of their lower division preparation at CCSF before they transfer but should see a counselor to confirm their program of study.

By taking units of Core Reading and Composition courses, students will learn techniques to produce clear, precise prose by integrating writing, reading, and research. The required units of Core Surveys of literature in English will ensure students have a broad familiarity with different eras of literary history; an additional requirement of units of Specialized Literature courses provides students with an opportunity for more focused study. If students anticipate careers in law, education, communication, writing, government, advertising, or business, the English major should serve them well.

Learning Outcomes

Upon completion of this program, students will be able to:

- Distinguish genres, themes, and contexts within a variety of works of literature.
- Employ methods of interpreting literature across genres.
- Assess, evaluate, and analyze ideas expressed in text or in spoken language.
- Write or present coherent arguments that exhibit clear prose and synthesize diverse bodies of knowledge.
- Develop and improve an original text.

Students who wish to earn the in Associate in Arts in English for Transfer (AA-T) must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of "C" *or "P") or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements. Students should note that ENGL 1A is a prerequisite for ENGL 1B and 1C.

The minimum time for completion is 4 semesters; completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AA-T in English

Course	Units
Required Group 1: Core Reading and Composition courses:	
ENGL 1B Writing about Literature	4.0
Choose 6 units from Group 2: Core Survey courses:	
ENGL 30A American Literature, Beginnings to	
Civil War	3.0
ENGL 30B American Literature, 1865-present	3.0
ENGL 46A Survey of Literature in English, Part I:	
Beowulf through Milton	3.0

ENGL 46B Survey of Literature in English, Part 2: Late-17th through the Mid-19th Century	3.0
ENGL 46C Survey of Literature in English, Part 3: Mid-19th Century to Present	3.0
Choose a minimum of 9 units from Group 3: Specialized Writing and Literature courses:	
Group 2 courses not already taken..	3.0
CLAS 35 Tragic Drama of Greece	3.0
ENGL 1C Writing about Nonfiction	4.0
ENGL 35A Introduction to Writing Fiction	3.0
ENGL 35B Intermediate Fiction Writing	3.0
ENGL 35C Introduction to Writing Poetry	3.0

Total:	19.0 – 20.0

Creative Writing Major (AA)

CCSF's Creative Writing major offers a wide variety of creative writing, humanities, and arts classes to serve students with diverse goals, including transfer to UC, CSU, or other four-year colleges. Creative writing majors will be able to complete most or all of their lower division preparation at CCSF before they transfer with the Associate of Arts Degree in Creative Writing but should see a counselor to confirm transfer requirements.

By taking units of introductory creative writing courses, students will learn techniques to produce original poems, fictional stories, and nonfiction pieces. The required units of Introductory and Intermediate Creative Writing courses provide students with writing and editing skills and knowledge of a wide range of literature; additionally, students will have the ability to choose from a wide variety of other arts and humanities classes. If students anticipate careers in law, education,

communication, writing, editing, publishing, advertising, or business, the creative writing major should serve them well.

Learning Outcomes

Upon completion of this program, students will be able to:

- Identify and analyze craft elements of creative writing.
- Analyze and appraise published and unpublished literary work for its literary merit.
- Analyze and appraise the relationship between culture and literary expression.
- Compose original creative works in various genres.
- Apply skills used in the publication process.
- Design and present literary expression in the community.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Creative Writing

Creative Writing Certificate

The Creative Writing Certificate is interdisciplinary, allowing students to major or minor in creative writing and develop skills that support careers in publishing, editing, web-editing, and non-profit organizations in the arts/arts education. All courses in the Creative Writing Certificate are transferable to the California State University system; most are transferable to the University of California. Some courses satisfy requirements for CSU General Education Humanities Area C2, IGETC Area 3B, and CCSF General Education graduation requirements for Areas E and H.

Learning Outcomes

Upon completion of this program, students will be able to:

- Identify craft elements of creative writing.
- Analyze and appraise published or unpublished literary work for its literary merit.
- Analyze and appraise the relationship between culture and literary expression.
- Compose original creative works in various genres.
- Apply skills used in the publication process.
- Design and present literary expression in the community.

The Creative Writing Certificate is open to any student enrolled at CCSF who meets the prerequisite requirements for the required courses. Students must complete all courses at City College of San Francisco.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Creative Writing

Course.....	Units
Choose 2 of the following Intro to Creative Writing courses

Total:	18.0

Humanities: Ideas, Religions, and the Arts Certificate

The Humanities Certificate of Achievement promotes an interdisciplinary understanding of broad trends in the arts and aesthetics, religion, and intellectual history. A sound understanding of the cultural and spiritual foundations of the modern world is in high demand in careers that require interpersonal and intercultural skills. This applies to education, the arts, and graphic design as well as the legal, political, public relations, tech, and consulting fields.

Learning Outcomes

Upon completion of this program, students will be able to:

- Identify the ways that people of various cultural and historical contexts create the arts or develop religions.
- Employ an aesthetic appreciation to enable an informed response to the arts.
- Analyze aesthetic or religious texts and practices through writing and discussion.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Humanities: Ideas, Religions, and the Arts

Announcement of Courses

CCSF English assessment and placement is required prior to enrollment in English courses. For more information, please see “Steps to Become a CCSF Student in Credit Courses” in the “Admission to the College” section of this Catalog.

Students for whom English is a second language should take the ESL Placement Test. Non-native English speakers with proficient English skills can be placed into the general English sequence.

The chair of the English Department or designee rules on all matters of equivalency of ENGL 1A and 1B courses completed at out-of-state colleges, universities, or private institutions.

For information about the prerequisite challenge process, see the Assessment Center webpage (<https://www.ccsf.edu/assessment>) or meet with the English Eligibility Coordinator in Batmale 514 to schedule a written essay challenge exam. Access English eligibility information from the English Department website <http://www.ccsf.edu/english>.

Credit, Non-Degree Applicable Courses:

ENGL 12. English Bridge (1.5)

Lec-26.25 P/NP only

A short term English Composition course offered to incoming and continuing students as preparation for full-term English courses.

Credit, Degree Applicable Courses:

ENGL 1A. College Reading and Composition (4)

Lec-70, field trips

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

College reading, writing, and critical thinking with a major research component. Reading, writing, and research assignments are based predominantly on non-fiction texts. UC/CSU

C-ID ENGL 100

STUDENTS PLACED INTO ENGL 1A + IAS MUST SELECT A SECTION OF ENGL 1A THAT IS LINKED TO A SECTION OF ENGL 1AS.

OFFERED FALL AND SPRING SEMESTERS

ENGL 1AS. English 1A Support (2)

Lec-35, field trips P/NP available

PREREQ: PLACEMENT INTO ENGL 1AS

COREQ: ENGL 1A

This supplemental course, taken in conjunction with English 1A (depending on placement), provides additional support for students in English 1A in academic essay writing and analytical reading. Emphasis is on writing process and the skills involved in reading multiple academic texts and developing and revising text-based, thesis-driven essays at the collegiate level. CSU

THIS COURSE MUST BE TAKEN IN CONJUNCTION WITH ENGLISH 1A

OFFERED FALL AND SPRING SEMESTERS

ENGL 1B. Writing about Literature (4)

Lec-70, field trips

PREREQ: ENGL 1A

College reading, writing, and critical thinking applied to literature,

including poetry, drama, and fiction. Essay writing employing methods of literary analysis, academic research, and critical thinking. UC/CSU
C-ID ENGL 120; C-ID ENGL 110

OFFERED FALL AND SPRING SEMESTERS

ENGL 1C. Writing about Nonfiction (4)

Lec-70, field trips

PREREQ: ENGL 1A

A course in composition and rhetoric that helps students hone a style appropriate for upper-division work that integrates the close reading of nonfiction and the writing of expository and argumentative essays. Focus on sharpening critical thinking skills, analyzing and evaluating texts, and writing text-based prose. UC/CSU

C-ID ENGL 105

OFFERED FALL AND SPRING SEMESTERS

ENGL 9. Introduction to College Reading (2)

Lec-35 P/NP available

This course presents a basic grounding and practice in the academic reading process, reading comprehension, and vocabulary development. CSU

NOT RECOMMENDED FOR STUDENTS WHO HAVE COMPLETED ENGLISH 19.

OFFERED ON OCCASION

ENGL 10. Introduction to English Tutoring (2)

Lec-36 P/NP only

PREREQ: ENGL 1A

This course is designed to train students who wish to tutor in the English Lab or other English tutorial programs or classrooms on campus. The course content will cover tutoring theory and effective strategies for peer tutoring in English. CSU

OFFERED ON OCCASION

ENGL 19. College Reading (2)

Lec-35 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

This course is designed for students who wish to improve their reading skills in all academic areas, including comprehension, textual analysis, and vocabulary at the transfer level. CSU

NOT RECOMMENDED FOR STUDENTS CONCURRENTLY ENROLLED IN ENGL 9. MAY BE TAKEN AFTER ENGL 9, WHILE CONCURRENTLY ENROLLED IN ANOTHER ENGLISH COURSE, OR INDEPENDENTLY.

ENGL 22A. English Seminar: Exploration of the Academic Essay (.5)

Lec-8.75 P/NP only

This seminar provides students models of the elements of an academic essay and how to create their own academic essays, including considerations of language, style, audience, and structure. CSU

FORMERLY “ENGLISH SUPPORT SEMINAR: INTRODUCTION TO THE ACADEMIC ESSAY”

OFFERED ON OCCASION

ENGL 22B. English Seminar: Thesis and Topic Sentences (.5)

Lec-8.75 P/NP only

This seminar teaches students how to create effective thesis statements and topic sentences, including considerations of language, style, and structure. CSU

FORMERLY “ENGLISH SUPPORT SEMINAR: THESIS AND TOPIC SENTENCE DEVELOPMENT”

OFFERED ON OCCASION

ENGL 22C. English Seminar: Revising and Editing (.5)

Lec-8.75 P/NP only

This seminar explores effective revision and editing processes, providing students with ways to “re-think” their writing and incorporate concrete strategies for improvement. CSU

FORMERLY “ENGLISH SUPPORT SEMINAR: REVISING AND EDITING”

OFFERED ON OCCASION

ENGL 26. English Grammar and Sentence Combining (3)

Lec-52.5 P/NP available

This course teaches the rules of English grammar and sentence-combining techniques to help students understand and fix common grammatical errors and write more sophisticated sentences. CSU

RECOMMENDED FOR STUDENTS WHO WISH TO IMPROVE THEIR KNOWLEDGE AND UNDERSTANDING OF BASIC ENGLISH GRAMMAR AND THOSE WHO WANT TO TUTOR ENGLISH/ESL.

OFFERED ON OCCASION

ENGL 26A. English Grammar: Sentence Core (1)

Lec-17.5 P/NP available

This course teaches the fundamentals of parts of speech and strategies for identifying errors in pronoun and verb use to help students understand and fix common grammatical errors. CSU

RECOMMENDED FOR STUDENTS WHO WISH TO IMPROVE THEIR KNOWLEDGE AND UNDERSTANDING OF BASIC GRAMMAR. ENGL 26 COVERS THE CONTENT OF ENGL 26A + ENGL 26B + ENGL 26C

OFFERED ON OCCASION

ENGL 26B. English Grammar: Sentence Structure (1)

Lec-17.5 P/NP available

This course teaches the fundamentals of sentence structure and strategies to help students understand and fix common grammatical errors. CSU

RECOMMENDED FOR STUDENTS WHO WISH TO IMPROVE THEIR KNOWLEDGE AND UNDERSTANDING OF BASIC GRAMMAR. ENGL 26 COVERS THE CONTENT OF ENGL 26A + ENGL 26B + ENGL 26C

OFFERED ON OCCASION

ENGL 26C. English Grammar: Sentence Combining (1)

Lec-17.5 P/NP available

This course teaches the rules of English grammar and sentence-combining techniques to help students understand and fix common grammatical errors and write more sophisticated sentences. CSU

RECOMMENDED FOR STUDENTS WHO WISH TO IMPROVE THEIR KNOWLEDGE AND UNDERSTANDING OF BASIC AND MORE ADVANCED ENGLISH GRAMMAR AND/OR TUTOR ENGLISH/ESL. ENGL 26 COVERS THE CONTENT OF ENGL 26A + ENGL 26B + ENGL 26C

OFFERED ON OCCASION

ENGL 30A. American Literature, Beginnings to Civil War (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

ENGL 30A surveys American literature from its Native and European beginnings to the Civil War. It is designed to introduce students to a variety of texts comprising, shaping, and critiquing the idea of America and a national literature. UC/CSU

C-ID ENGL 130

OFFERED ON OCCASION

ENGL 30B. American Literature, 1865-present (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A survey of American literature from the Civil War to the present featuring significant fiction, poetry, and drama of the time, previously marginalized groups and authors, and the literary voices of the changing American nation. UC/CSU

C-ID ENGL 135

OFFERED ON OCCASION

ENGL 35A. Introduction to Writing Fiction (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

In this introduction to the fundamentals of short story writing, students develop story writing skills by studying elements of fiction in published works, engaging in writing exercises, and learning to participate in a workshop. UC/CSU

C-ID ENGL 200 (ENGL 35A + ENGL 35C)

Credit Programs

Advanced Academic English as a Second Language Certificate

The Advanced Academic ESL Certificate of Accomplishment prepares non-native English speakers to participate in academic and professional settings. Students gain skills in analyzing and synthesizing complex texts, and composing complex texts and speaking with fluency and accuracy. It provides students, prospective employers, and others with documented evidence of persistence and academic accomplishment in ESL.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze and synthesize complex authentic texts from various genres to participate in academic and professional discourse.

- Compose logically developed, well-supported, complex texts with advanced-level accuracy.
- Communicate orally with advanced-level accuracy and fluency in academic and professional communication.

The minimum time for completion of this certificate is one semester. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Advanced Academic English as a Second Language

Course Units
Required

ESL 79 Advanced Speaking and Pronunciation 3.0
 ESL 188 ESL College Reading and Writing 6.0

Choose a minimum of 3 units from the following

ESL 66 Advanced Listening and Reading 3.0
 ESL 67 Practical Writing for ESL Students 3.0
 ESL 69 ESL Communication High Intermediate 3.0
 ESL 85 Advanced Editing and Grammar Review 3.0
 ESL 85A Advanced Editing and Grammar Review A 1.0
 ESL 85B Advanced Editing and Grammar Review B 1.0
 ESL 85C Advanced Editing and Grammar Review C 1.0
 ESL 95 High Advanced Editing and Grammar Review 3.0
 ESL 95A High Advanced Editing and Grammar Review A 1.0
 ESL 95B High Advanced Editing and Grammar Review B 1.0
 ESL 95C High Advanced Editing and Grammar Review C 1.0

Total: 12.0

Advanced English as a Second Language Oral Communication Skills Certificate

The Certificate of Accomplishment in Advanced English as a Second Language (ESL) Oral Communication Skills prepares non-native English speakers to participate in academic and professional settings. Students gain skills in analyzing and synthesizing complex texts to participate in oral discourse and speaking with fluency and accuracy. It provides students, employers, and others with documented evidence of persistence and academic accomplishment in listening and speaking in academic and professional environments.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze and synthesize complex oral and written texts to participate in academic and/or professional oral discourse.
- Speak with fluency and accuracy in academic or professional oral discourse.
- Recognize and correct English language errors that impede successful communication.
- Deliver well-researched, logical, credible presentations, using critical thinking skills

The minimum time for completion of this certificate is 1 semester. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Advanced English as a Second Language Oral Communication Skills

Announcement of Curricula

General Information

The Environmental Horticulture and Floristry Department offers students a choice of preparation for employment in producing, selling, and caring for plants and flowers used to beautify homes, stores, gardens, parks, highways, and industrial property. Training is offered in four fields: commercial cut-flower and greenhouse production, landscape gardening and landscape contracting, nursery and garden-center operation, and retail floristry. The Program in Environmental Horticulture and Floristry comprises the curricula in these fields. Students may complete majors concurrently in any two of these fields, or, with the help of the teaching staff, plan a course of study to meet their particular needs.

Admission. Enrollment is open to all interested students.

Work Experience Training. Students in the Program may obtain field training in the horticulture or floral industries by enrolling in the appropriate work-experience course. To receive credit, students must work at least 60 hours in an approved position. The College helps students in the course find internship opportunities or salaried employment. Placement depends upon students' abilities and records, employers' requirements, and economic conditions. Students are supervised by both employers and instructors. Students may apply toward graduation a maximum of twelve semester units earned in work experience courses.

Associate in Science Degree. The four majors in Environmental Horticulture and Floristry are designed so that students may satisfy the major requirement for graduation from the College with a Associate in Science degree.

Approval of Instruction. The curriculum in Environmental Horticulture is approved by the following organizations: the Association of Landscape Architects; California Arborists Association; California Association of Nurserymen (Central, Peninsula, and Redwood Chapters); California Fertilizer Association; California Seed Trade Association; Golf Course Superintendents Association; California Landscape Contractors Association; Park Employees Union,

Local No. 311, AFL-CIO; San Francisco Professional Gardeners Association; Agricultural Chemicals Association; Bedding Plant Association; California Anti-Litter League; California Cut Flower Growers Association; California Horticultural Society; and the State Division of Highways. The curriculum in Floristry is offered in cooperation with the San Francisco Bay Area Florists Association and California State Florists Association.

Environmental Horticulture

Commercial Cut-Flower and Greenhouse Production Major (AS)

Students who satisfactorily complete the curriculum in Commercial Cut-Flower and Greenhouse Production, a two-year course of study, receive the Associate of Science in Commercial Cut-Flower and Greenhouse Production and are qualified for employment in the cut-flower and greenhouse production industries in the following capacities: cut-flower grower, groundskeeper, flower shipper, plant propagator, plant salesperson, and potted-plant grower.

Learning Outcomes

Upon completion of this program, students will be able to:

- Identify and maintain plants used in commercial cut-flower and greenhouse production.
- Use horticulture machines in greenhouse and nursery operations.
- Propagate and produce plants for crops used in floriculture production.
- Utilize best business practices, salesmanship, and grower strategies in greenhouse production.

The minimum time for completion is 4 semesters; completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Commercial Cut-Flower and Greenhouse Production

Course	Units
First Semester	
O H 50 Introduction to Environmental Horticulture	3.0
O H 56 Horticultural Machines	3.0
O H 76 Fall and Winter Plant Identification	4.0
Second Semester	
O H 58 Greenhouse Operations	3.0
O H 77 Spring and Summer Plant Identification	4.0
R F 81B Spring and Summer Flower and Foliage Identification/Culture and Care	2.0
Third Semester	
O H 63 Soils	3.0
O H 65 Plant Propagation	3.0
R F 82 Interior Plant Identification	3.0
CMST 6 Workplace Communication*	3.0
or ESL 79 Advanced Speaking and Pronunciation*	3.0
Fourth Semester	
O H 60 Horticulture Business Practices	3.0
O H 75 Pest Management	3.0
O H 97 Work Experience	2.0 – 4.0

* Students may satisfy this requirement by passing an accredited college level foreign language or oral presentation course.

Fourth Semester: choose one of these Landscape courses
 O H 70A Principles of Landscape Design 3.0
 O H 71A Landscape Construction 4.0
Total: 42.0 – 45.0

Landscape Gardening and Contracting Major (AS)

Students who complete this curriculum and other graduation requirements satisfactorily receive the Associate in Science in Landscape Gardening and Contracting. This two-year course of study is planned so that graduates may qualify for employment in a wide variety of capacities in the landscape gardening and contracting profession including landscape maintenance gardener, estate gardener, municipal gardener, landscape installer or contractor, landscape designer, nursery specialist, horticultural or agricultural inspector and others.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply principles of landscape design.
- Use horticultural machines and construction equipment in landscape gardening and contracting.
- Identify plants related to landscape horticulture.
- Articulate the responsibilities of distinct landscape gardener and contractor employment options.

If students begin this AS with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Nursery and Garden-Center Operation Major (AS)

Students who complete the curriculum in Nursery and Garden-Center Operation satisfactorily are qualified for employment in the wholesale and retail nursery businesses as growers, propagators, salespeople, and seed brokers. Graduates of this two-year course of study may also take civil-service examinations for positions as pest-control applicators and supervisors, weed-seed analysts, farm and garden supervisors, horticultural inspectors, and plant propagators.

The course of study includes instruction in nursery operation, principles of environmental horticulture, plant identification, the use of horticultural machines, and business practices in the environmental-horticulture industry.

Students who complete the curriculum and other graduation requirements receive the Associate in Science in Nursery and Garden-Center Operation.

Learning Outcomes

Upon completion of this program, students will be able to:

- Execute the duties required to work in various horticulture production operations.
- Identify and describe plants that are common to nursery and garden center operations.
- Propagate and apply cultural care to produce saleable plant materials.
- Design and plan landscapes in commercial and residential applications

The minimum time for completion is 4 semesters; completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Nursery and Garden-Center Operation

Course.....	Units
First semester	
O H 76 Fall and Winter Plant Identification	4.0

Certificate Curricula

The programs of study in Environmental Horticulture are designed to give students both broad and specialized training for entry level employment or to add to their capabilities in one of the following

fields: greenhouse operation, landscape maintenance, nursery and garden-center operations, landscape design or landscape construction.

Admission. Enrollment is open to all interested students.

Employment. A number of entry-level positions are open to those who complete training in any of the preceding fields. For example, those who complete the requirements in landscape horticulture may work as self-employed maintenance gardeners or take State and City civil service examinations for the position of maintenance gardener. Those who complete the requirements in greenhouse operation or nursery and garden-center operation are qualified for employment in sales work and in various kinds of horticultural production.

Commercial Cut-Flower Greenhouse Production Certificate

The program of study for this certificate is designed to give students both broad and specialized training for entry-level employment or to add to their capabilities in commercial cut-flower greenhouse production. Students who complete the requirements in greenhouse operation are qualified for employment in sales work and in various kinds of horticultural production.

Learning Outcomes

Upon completion of this program, students will be able to:

- Identify and maintain plants used in commercial cut-flower and greenhouse production.
- Use horticulture machines in greenhouse and nursery operations.
- Propagate and produce plants for crops used in floriculture production.
- Utilize best business practices, salesmanship, and grower strategies in greenhouse production.

Credit Toward Graduation. All credit that students earn in obtaining this certificate may also be applied toward satisfaction of the requirements for graduation from the College.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Commercial Cut-Flower Greenhouse Production

Course.....	Units
Required	
O H 50 Introduction to Environmental Horticulture.....	3.0
O H 56 Horticultural Machines	3.0
O H 58 Greenhouse Operations	3.0
O H 60 Horticulture Business Practices.....	3.0

* Students may satisfy this requirement by passing an accredited college level foreign language or oral presentation course.	
Total:	32.0

Landscape Construction Certificate

This certificate is designed to give students both broad and specialized training for entry-level employment in landscape construction or to add to their current capabilities in order to create a business in landscape construction.

Learning Outcomes

Upon completion of this program, students will be able to:

- Install landscapes and horticulture environments.
- Operate landscape construction and maintenance power equipment to construct landscapes in a safe manner.
- Manipulate appropriate plant and inorganic materials to create landscape environments and gardens for human use.
- Apply business and marketing practices unique to landscape construction and maintenance businesses.

Credit Toward Graduation. All credit that students earn in obtaining this certificate may also be applied toward satisfaction of the requirements for graduation from the College.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Landscape Design Certificate

The program of study for this certificate is designed to give students both broad and specialized training for entry-level employment or to add to their current capabilities to create a business in landscape design.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply elements and principles of design and analytical techniques to determine types and structures of plants used in a plant palette.
- Analyze sustainability techniques used in the design and construction of landscapes and gardens.
- Explain the roles and business practices of landscape designers and contractors.

Credit Toward Graduation. All credit that students earn in obtaining

this certificate may also be applied toward satisfaction of the requirements for graduation from the College.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Landscape Maintenance Certificate

The program of study for this certificate is designed to give students both broad and specialized training for entry-level employment as maintenance gardeners or to add to their capabilities in landscape maintenance including preparation for State and Civil Service examinations for the position of maintenance gardener.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply horticulture care and processes to maintain residential and commercial landscapes.
- Identify and maintain plants based on Fall/Winter, Spring/Summer seasons.
- Execute the duties required to work in various kinds of horticultural businesses.

Floristry

Floristry Major (AS)

Instruction in retail floristry is offered in cooperation with the American Institute of Floral Designers, San Francisco Bay Area Retail Florists Association and California State Florists Association.

Enrollment is open to all interested students.

The two-year course of study is designed to give students thorough and well-balanced training in buying flowers, the art of arranging and selling them to the public, and operating a retail flower shop. Students who complete the curriculum satisfactorily are qualified for employment as designers and salespersons in the retail floral industry.

The course of study includes instruction in the following: beginning, intermediate and advanced floral design, flower shop procedures, "hands-on" floral work experience, flower shop management, merchandising, marketing, basic business arithmetic, and record keeping. Students who complete the curriculum and other graduation requirements receive the Associate in Science in Floristry.

Learning Outcomes

Upon completion of this program, students will be able to:

- Arrange floral project proficiently and artistically.

278 Environmental Horticulture and Floristry

- Identify, select, and purchase plants and flowers appropriate for floral design products and retail business
- Apply management practices necessary to operate a floral business.

Assuming students start this AS with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Floristry

Course Units

First Semester

R F 80A Flower Shop Procedures and Basic Designs 5.0
 R F 81A Fall and Winter Flower and Foliage Identification/Culture and Care 2.0
 or R F 81B Spring and Summer Flower and Foliage Identification/Culture and Care 2.0

Choose one of the following

R F 85A Introduction to Floral Design Spring 2.0
 R F 85B Introduction to Floral Design Summer 2.0
 R F 85C Introduction to Flower Arranging Fall 2.0
 R F 85D Introduction to Flower Arranging Winter 2.0

Second Semester

ACCT 10 Introduction to Accounting 5.0
 R F 80B Intermediate Floral Design 5.0
 R F 82 Interior Plant Identification 3.0

Third Semester

R F 80C Advanced Floral Design 4.0
 R F 86A Beginning Oriental Flower Arrangement 2.0
 R F 98 Retail Floristry Work Experience 3.0

Fourth Semester

R F 84 Flower Shop Operations 3.0
 R F 98 Retail Floristry Work Experience 2.0 – 6.0
 MRKT 122 Professional Selling 3.0
 or MRKT 140 Introduction to Marketing 3.0
 or MRKT 170 Advertising and Integrated Marketing Communication 3.0

Total: 39.0 – 43.0

Floral and Special Events Coordinator Certificate

The Floral and Special Events Coordinator curriculum is designed to train floral design students to execute all details necessary to create a variety of events, such as seminars, conferences, trade shows, executive retreats, incentive programs, golf events, conventions, weddings, and other special occasions with an emphasis on floral decorations. Topics such as conducting a consultation and developing a client proposal and contracts specific to the floral industry and the financial aspects of floral events will also be covered.

Learning Outcomes

Upon completion of this program, students will be able to:

- Synthesize essential fundamental principles of design, hospitality, tourism, and business functions.
- Perform professionally in customer sales, service, delivery and installation of floral and related products for events.
- Use appropriate tools and technology to work effectively in the diverse floral event planning industry.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Floral and Special Events Coordinator

Course Units

Required Courses

CAHS 208 Meetings, Conventions & Special Events 3.0
 ENTR 101 Introduction to Entrepreneurship 3.0
 MRKT 180 Social Media Marketing 3.0

Oriental Floral Design Certificate

Sogetsu Ikebana is offered in cooperation with the Sogetsu Ikebana, Soho Study Group, Ikebana International, Japan Ministry of Education, The American Institute of Floral Designers, San Francisco Bay Area Master Florists Association and California State Florists Association.

This two-year course of study is designed to give students thorough and well-balanced training in buying flowers, and the art of arranging in the Sogetsu Style.

This curriculum satisfactorily qualifies individuals to teach Sogetsu Ikebana on a private level.

The course of study includes instruction in beginning, intermediate and advanced levels of the Sogetsu curriculum under the guidance of experienced instructors. Students who complete the curriculum and other graduation requirements receive the Environmental Horticulture/Floristry, Certificate of Accomplishment-Sogetsu and qualifies the student to apply for a level 5 Sogetsu School Certificate.

Learning Outcomes

Upon completion of this program, students will be able to:

- Arrange Oriental style floral projects proficiently and artistically.
- Identify, select, and purchase plants and flowers appropriate for oriental floral design projects.
- Identify and execute oriental arrangement styles and communicate the interpretive meanings and applications.

The minimum time for completion of this certificate is 4 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Announcement of Courses

Environmental Horticulture

Credit, Degree Applicable Courses:

O H 50. Introduction to Environmental Horticulture (3)

Lec-35, Lab-52.5, field trips

Overview of environmental horticulture: nursery and greenhouse production; landscape design, installation and maintenance. Career opportunities are explored in class and on field trips. Introduction to technical aspects including plant anatomy, soils and amendments, composting, plant propagation, planting and transplanting, irrigation, landscape maintenance, pruning, pests, and tree care. UC/CSU

O H 53A. Beginning Landscape Horticulture (3)

Lec-35, Lab-70

RECOMMENDED PREP: O H 50 AND (O H 76 OR O H 77)

The principles and practices of garden planting and maintenance will be covered in practical laboratory experiences in the Horticulture Center and on the college campus. Care and maintenance of established gardens; irrigation, fertilizing, pruning, identifying and controlling weeds and plant pests and diseases. CSU

OFFERED SPRING AND FALL SEMESTERS

O H 53B. Advanced Landscape Horticulture (3)

Lec-35, Lab-70

PREREQ: O H 53A

This advanced course prepares the student to install and maintain new and established gardens. Course work will include, but is not limited to irrigation and sprinkler systems, drainage and erosion control, xeriscaping, maintenance estimates, proposals and agreements. Instruction in troubleshooting and supervising others will be included. CSU

OFFERED SPRING AND FALL SEMESTER

O H 55. Tree Care (3)

Lec-35, Lab-52.5, field trips

RECOMMENDED PREP: O H 50 OR O H 76 OR O H 77

Care and management of trees common to residential, public, and commercial landscaping. Emphasizes correct planting, irrigating, fertilizing, pest control, and pruning. Use of saws, ropes, and other safety equipment in the tree industry is covered. Prepares student for the International Society of Arboriculture Certified Arborist Exam. CSU

OFFERED ON OCCASION

O H 56. Horticultural Machines (3)

Lec-35, Lab-52.5, field trips

RECOMMENDED PREP: O H 50

Field and shop practice in the safe and proper operation of necessary horticultural equipment. Preventative service and maintenance will be stressed during all lab and lecture sessions. CSU

OFFERED SPRING SEMESTERS

O H 58. Greenhouse Operations (3)

Lec-35, Lab-52.5, field trips

RECOMMENDED PREP: O H 50

Overview of commercial greenhouse operations including materials and construction, heating and cooling systems, containers and greenhouse equipment. Management of growing medium, irrigation, fertilization, temperature, growth regulators, CO₂, and light. Alternative cropping systems, post-production storage and handling discussed. Crops surveyed include foliage, cut flowers, potted flowering plants and bedding plants. CSU

OFFERED FALL SEMESTERS

O H 60. Horticulture Business Practices (3)

Lec-52.5

RECOMMENDED PREP: O H 50

Introduces students to the fundamentals required to run a horticultural enterprise. Addresses issues facing horticultural entrepreneurs as well as management challenges faced in larger horticultural businesses. Emphasis is on landscape-related businesses. Guest speakers from landscape design and construction, landscape maintenance, arboriculture, consulting, restoration management, nursery operations and others. CSU

*OFFERED FALL SEMESTERS***O H 63. Soils (3)**

Lec-35, Lab-52.5, field trips

RECOMMENDED PREP: O H 50 OR FIELD EXPERIENCE

Introduces students to soils and growing media in environmental horticulture. Preparation and management of field and container soils. Soil composition and texture, soil chemistry, organic matter, colloids, soil structure, soil water and pH, plant nutrients and fertilizers, amendments, composting, beneficial soil organisms and diseases. Sustainable soil management practices. CSU

*C-ID AG-PS 128 + AG-PS 128L**OFFERED SPRING SEMESTERS***O H 65. Plant Propagation (3)**

Lec-35, Lab-52.5, field trips

RECOMMENDED PREP: O H 50

Principles and practices of reproducing plants as commercially practiced in the horticulture industry. Topics include propagation by seed, and vegetative methods including cuttings, layering, division, grafting and micro-propagation. Field trips to local greenhouses and nursery operations. CSU

*C-ID AG-EH 116L**OFFERED SPRING SEMESTERS***O H 66. Irrigation (3)**

Lec-35, Lab-52.5, field trips

RECOMMENDED PREP: O H 50

Basics of design, installation and maintenance of sprinkler and drip irrigation systems for nurseries, greenhouses and landscapes. Topics include establishing hydrozones, backflow prevention, calculating pressure and flow requirements, system design and installation, equipment and fittings, automatic control systems and water conservation technologies. CSU

*OFFERED FALL SEMESTERS***O H 70A. Principles of Landscape Design (3)**

Lec-35, Lab-52.5, field trips

Lectures, reading assignments, and hands-on laboratory projects involving the principles of landscape design, especially as applied to residential properties. Graphic and drafting techniques are included. CSU

*OFFERED FALL SEMESTERS***O H 70B. Advanced Principles of Landscape Design (3)**

Lec-35, Lab-52.5, field trips

PREREQ: O H 70A

The principles of advanced landscape design especially as applied to residential properties including lectures, field trips, and hands-on laboratory projects using hand drawing techniques and computer programs. CSU

*OFFERED SPRING SEMESTERS***O H 71A. Landscape Construction (4)**

Lec-35, Lab-105, field trips

Principles of landscape construction applicable to horticulture. Safety, tools, hardware, lumber, fences, gates, benches, decks, steps, paints, stains, concrete paving, concrete blocks, stone walls, and other physical aspects of landscape construction are presented. CSU

*OFFERED ON OCCASION***O H 71B. Landscape Construction (4)**

Lec-35, Lab-105, field trips

RECOMMENDED PREP: O H 71A

Advanced principles of construction for the landscape from design to installation. Advanced irrigation projects involving copper pipe cutting, prepping and soldering. Irrigation valve placement and means of back-flow prevention. Irrigation clock wiring design and installation. Designing and building fences, gates, benches, decks and steps. Advanced concrete and masonry projects. CSU

*OFFERED ON OCCASION***O H 75. Pest Management (3)**

Lec-52.5

RECOMMENDED PREP: O H 50

An overview of pest management in landscape, greenhouse, and nursery operations. Identification and analysis of damage related to weeds, insects, mites, fungi, bacteria, virus, mollusks, nematodes and mammal pests. Emphasis on Integrated Pest Management. Cultural, mechanical, biological and least-toxic chemical techniques, legal requirements, and safety. This course provides preparation for the Qualified Applicator Certificate. CSU

*OFFERED SPRING SEMESTERS***O H 76. Fall and Winter Plant Identification (4)**

Lec-70, field trips

Identification of approximately 150 ornamental plants commonly used in San Francisco Bay Area Landscapes for Fall and Winter bloom, fruit, or foliage. This course covers basic plant anatomy and terminology used in the taxonomic classification of plants. Emphasis is on cultural requirements, habits of growth and horticultural use of plants. UC/CSU

*C-ID AG-EH 108 + AG-EH 108L (O H 76 + O H 77); C-ID AG-EH 109L + AG-EH 112 (O H 76 + O H 77)**OFFERED FALL SEMESTERS***O H 77. Spring and Summer Plant Identification (4)**

Lec-70, field trips

Identification of approximately 150 ornamental plants commonly used in the San Francisco Bay Area for Spring and Summer bloom, fruit, or foliage. Covers basic plant anatomy and terminology used in the taxonomic classification of plants. Emphasis is on cultural requirements, habits of growth and landscape use of plants. UC/CSU

*C-ID AG-EH 108 + AG-EH 108L (O H 77 + O H 76); C-ID AG-EH 109L + AG-EH 112 (O H 77 + O H 76)**OFFERED SPRING SEMESTERS***O H 91. Independent Study (1)**

Lab-52.5, field trips

PREREQ: 6 UNITS OF O H COURSE WORK

Individual research on a special topic in environmental horticulture. Opportunity for students to investigate horticultural problems of special interest or conduct an in-depth project. Emphasis on practical application and current issues in horticulture. CSU

*STUDENTS SHOULD HAVE THEIR PROJECTS APPROVED BY THE O H DEPARTMENT.**OFFERED ON OCCASION*

O H 92. Independent Study (2)

Lab-105, field trips

PREREQ: 6 UNITS OF O H COURSE WORK

Individual research on a special topic in environmental horticulture. Opportunity for students to investigate horticultural problems of special interest or conduct an in-depth project. Emphasis on practical application and current issues in horticulture. CSU

STUDENTS SHOULD HAVE THEIR PROJECTS APPROVED BY THE O H DEPARTMENT.

OFFERED ON OCCASION

O H 93. Independent Study (3)

Lab-157.5, field trips

PREREQ: 6 UNITS OF O H COURSE WORK

Independent research on a special topic in environmental horticulture. Opportunity to investigate horticultural problems of special interest or conduct an in-depth project. Emphasis on practical application and current issues in horticulture. CSU

STUDENTS SHOULD HAVE THEIR PROJECTS APPROVED BY THE O H DEPARTMENT.

OFFERED ON OCCASION

O H 97. Work Experience (2-4)

Work-120-300

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: A FLORISTRY OR HORTICULTURE COURSE AND/OR APPROVAL OF THE HORTICULTURE DEPARTMENT

REPEAT: REPEATED UP TO 12.00 UNITS

Field application of principles taught in horticulture classes. A supervised work experience program with cooperating employers, providing hands-on experience and transition into commercial practice. Students acquire job experience, career development skills and practical workplace skills related to their chosen field of horticulture. Preparation of portfolios and resumes. One unit of credit is earned for 60 hours of unpaid or 75 hours of paid work. CSU

OFFERED ON OCCASION

O H 101. Urban Garden Practices (3)

Lec-52.5

P/NP available

Topics include basic tools, soil, composting, planning a garden adapted to microclimates, plant selection, seed germination, transplanting, watering and water conservation, integrated pest management, maintenance and pruning. Plants discussed will include annuals, bulbs, perennials, groundcovers, lawns, shrubs, trees, vegetables, drought tolerant plants, and houseplants. Appropriate for all interested in gardening. CSU

OFFERED ON OCCASION

O H 111A. Year Round Garden Color (1)

Lec-17.5, field trips

RECOMMENDED PREP: O H 50

Includes selecting and planting colorful, harmonious combinations of annuals, perennials shrubs and trees. Multicolored planters will be created in class. A selected garden with vivid year round color will be visited. CSU

OFFERED ON OCCASION

O H 111B. Growing Orchids (2)

Lec-35, field trips

Cultural needs of individual orchids, including materials needed and how to grow, pot, divide and water many different kinds of orchids. Troublesome ailments, diseases, and pests coupled with solutions and cures. CSU

OFFERED ON OCCASION

O H 111C. Container Gardening (1)

Lec-17.5, field trips

RECOMMENDED PREP: O H 50 OR O H 76 OR O H 77 OR R F 80A OR R F 81A

Introduction to use and care of landscape container plantings, design considerations, container types, installation and maintenance practices unique to container culture. Choosing plant materials well suited to use in containers, for commercial and residential settings will be covered. CSU

OFFERED ON OCCASION

O H 111D. Introduction to Xeriscaping (1)

Lec-17.5, field trips

RECOMMENDED PREP: O H 50

Theory and practice of water conservation in the landscape through the use of drought tolerant plants, efficient irrigation and appropriate design. CSU

OFFERED ON OCCASION

Floristry**Credit, Degree Applicable Courses:****R F 80A. Flower Shop Procedures and Basic Designs (5)**

Lec-52.5, Lab-105, field trips

Beginning floral design techniques used by professional flower artists. Includes principles and elements of basic floral designs, corsage and body flower construction, use of ribbon and other decorative accessories as well as identification of floral materials and supplies used in commercial floristry. CSU

OFFERED FALL AND SPRING SEMESTERS

R F 80B. Intermediate Floral Design (5)

Lec-70, Lab-52.5, field trips

RECOMMENDED PREP: R F 80A OR DEMONSTRATION OF EXIT SKILLS

Intermediate study of and practice in professional flower arranging techniques used by the floral industry. Emphasis on sympathy and celebration of life tributes, window and store display, high style design and contemporary european floral design. CSU

OFFERED FALL AND SPRING SEMESTERS

R F 80C. Advanced Floral Design (4)

Lec-70, Lab-17.5, field trips

RECOMMENDED PREP: R F 80B

Advanced principles and techniques for designing, coordinating and installing floral displays for weddings, parties, special events, churches, receptions, residences, venues, retail stores and corporate accounts. Traditional, contemporary and European style designing for wedding bouquets, personal flowers, arrangements and display design. CSU

OFFERED FALL AND SPRING SEMESTERS

R F 81A. Fall and Winter Flower and Foliage Identification/Culture and Care (2)

Lec-35

Identification of cut flowers and foliage used in commercial floristry, with emphasis on post-harvest care and handling, vase life, wholesale packaging, pricing, and uses in floral design. Focus is on crops available in the fall and winter. CSU

OFFERED FALL AND SPRING SEMESTERS

R F 81B. Spring and Summer Flower and Foliage Identification/Culture and Care (2)

Lec-35

Identification of cut flowers and foliage used in commercial floristry, with emphasis on post-harvest care and handling, vase life, wholesale

282 Environmental Horticulture and Floristry

packaging, pricing, and uses in floral design. This course will focus on crops available in the spring and summer. CSU

OFFERED FALL AND SPRING SEMESTERS

Announcement of Curricula

General Information

The Fashion Department is dedicated to teaching the requisite skills needed for success in all aspects of the fashion industry. The curricula offer students interested in careers in fashion merchandising and design, specialized programs and training for career advancement and employment.

Admission. Enrollment is open to all interested students.

Fashion Merchandising Major (AS)

Upon completion of the AS in Fashion Merchandising, students will be qualified to work as sales associates, merchandise specialists, retail managers, retail buyers and assistant buyers, visual merchandisers, stylists, fashion show producers, special events consultants, fashion coordinators, fashion writers and publicists, fashion forecasters, show room assistants, and bookers in modeling agencies. All positions include working for department stores, specialty stores, boutiques, and private companies, as well as working as entrepreneurs.

Classes include all areas of the fashion merchandising field and are designed to give students exposure to a variety of fashion experiences. FASH A is strongly recommended for all students in this program. A major in Fashion Merchandising gives students improved job prospects in the industry.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply technical skills used in various aspects of fashion merchandising.
- Compare social and cultural factors affecting fashion change and adoption.
- Communicate effectively using standard fashion industry terminology.
- Perform entry-level business skills in the fashion merchandising industry.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Fashion Merchandising

Course Units

Fall semester first year required courses

FASH 42 Introduction to the Fashion Industry 3.0
FASH 54A Fashion Styling 3.0

Fall semester first year—choose one of the following specialty courses

FASH 22 Textile Analysis 3.0
FASH 44 Fashion Retail Buying and Merchandising . . . 3.0
FASH 45A Personal Styling 3.0

Spring semester first year required courses

FASH 57 Fabric Glossary 1.0
FASH 61 Fashion Merchandising/Marketing Internship . 2.0

Spring semester first year—choose one of the following specialty courses

FASH 23 Fashion History 3.0
FASH 56 Fashion Writing, Publicity, & Social Media . . . 3.0
FASH 112 Digital Illustration for Fashion 3.0

Fall semester second year required courses

FASH 49 Visual Merchandising 3.0
FASH 55 Icons of Contemporary Fashion 3.0

Fall semester second year—choose one of the following specialty courses

FASH 22 Textile Analysis 3.0
FASH 44 Fashion Retail Buying and Merchandising . . . 3.0
FASH 45A Personal Styling 3.0
FASH 54B Advanced Fashion Styling 3.0

Spring semester second year required courses

FASH 48 Fashion Show Production 4.0
FASH 53 Fashion Forecasting 3.0
FASH 60 Fieldwork Fashion Shows and Events 1.0

Total: 32.0

Fashion Design Major (AS)

The Fashion Design Associate degree builds on the Fashion Design Certificate, adding required general education courses. The Design degree gives students a strong basis in design concepts, industry terminology, clothing construction, presentations, and illustration techniques. Fashion design training can lead to careers as fashion illustrators, designers, technical designers, patternmakers, product developers, and entrepreneurs. With the additional general education courses, students will enhance their writing and social awareness skills.

Learning Outcomes

Upon completion of this program, students will be able to:

- Create fashion garments from initial design concept to final product.
- Analyze and select appropriate raw materials and techniques for fashion products.
- Relate the history and social context of fashion to the current fashion zeitgeist.
- Apply technical and professional skills expected of an employee or an entrepreneur in the fashion industry.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS

degree is four semesters, depending on student preparation and the number of units completed per semester.

Students are encouraged to apply for both the Fashion Design Certificate of Achievement and the AS degree.

Courses Required for the Major in Fashion Design

Total: 41.0

Apparel Construction Certificate

The Apparel Construction Certificate of Achievement takes students from basic sewing skills through the advanced construction techniques and sequences used to sew complex garments in the fashion industry. Students learn both home and industry methods for proper garment construction and fitting. Certain segments of the fashion industry use specialized skills and materials not used in other forms of garment production. The specialized and advanced techniques also prepare the student to utilize them in either production or custom settings.

Learning Outcomes

Upon completion of this program, students will be able to:

- Interpret and apply a fashion production pattern.
- Construct multiple types of garments from a wide variety of fabrics.
- Analyze and apply the appropriate order of construction, techniques, and equipment to complete a variety of garments.
- Employ appropriate hand and machine techniques for a variety of apparel.
- Achieve proper fit for multiple garments.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

FASH 26 Flat Pattern Design I 3.0
 FASH 27 Fashion Draping 3.0
 FASH 72 Drafting a Sloper (Moulage) 1.0
 FASH 73 Sewing with Knit and Stretch Fabrics 1.0

Total: 20.0

Entrepreneurship and Innovation in Fashion Design and Merchandising Certificate

This certificate program is designed to prepare students in Fashion Design and Merchandising to engage in the world of entrepreneurship. The program's interdisciplinary approach to entrepreneurship equips students with relevant tools in exploring various pathways to entrepreneurship such as full-time business ownership, sub-contracting (freelancing), consulting, corporate intrapreneurship or mission-driven social entrepreneurship.

This interdisciplinary certificate provides students with basic fashion merchandising concepts, understanding of industry terminology, clothing construction, presentations, and illustration techniques. Fashion merchandising training can lead to careers as full-time or freelance fashion illustrators, designers, technical designers, patternmakers, product developers and entrepreneurs.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply an entrepreneurial mindset that breeds creativity and innovation in the field of fashion merchandising.
- Use terms and concepts related to functional areas of entrepreneurship necessary for startups.
- Analyze the marketing environment to identify entrepreneurial opportunities and areas for growth and development.
- Develop an agile and lean business plan for a startup project/enterprise that is ready for pitching.
- Compare different entrepreneurship pathways in relation to a project or business idea related to fashion merchandising.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Entrepreneurship and Innovation in Fashion Design and Merchandising

Course Units

Required

ENTR 101 Introduction to Entrepreneurship 3.0
 ENTR 102 Applied Design Thinking for
 Entrepreneurship 1.5
 DSGN 105 Design Thinking 1.5
 MRKT 140 Introduction to Marketing 3.0

Fashion Design and Merchandising

FASH 45A Personal Styling 3.0
 FASH 48 Fashion Show Production 4.0

Fashion Illustration Certificate

The Certificate of Achievement in Fashion Illustration prepares the student to communicate in the global language of fashion illustration, be it technical or artistic.

Learning Outcomes

Upon completion of this program, students will be able to:

- Render artistically a variety of garments on a variety of body types in different media.
- Create technical drawings that accurately communicate design and construction details for apparel construction.
- Apply the principles and history of fashion design in creating a fashion collection.
- Create a digital and printed illustration portfolio for entrepreneurial pursuits and entry-level employment.

The minimum time for completion of this certificate is 4 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Fashion Styling and Personal Styling Certificate

The Certificate of Achievement in Fashion Styling and Personal Styling is a hands-on, field-based program that teaches students the requisite skills to become fashion stylists, personal stylists, personal shoppers, and sales associates, for a retailer or as independent contractors. Coursework includes instruction in assembling a styling kit, the different aspects of merchandise styling, color and wardrobe selection, figure analysis, and setting up a business. Students completing this certificate will be qualified for employment as a photo, fashion show, film, video, and personal stylist.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply the principles of design, skills, and styling techniques to diverse styling roles.
- Communicate using standard fashion terminology and references to fashion icons and designers, and visually through styling methods.
- Create and present digital mood boards.
- Assemble and maintain a fashion styling kit.
- Create a digital and printed styling portfolio for entrepreneurial business and entry-level employment.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Certificate of Achievement in Fashion Styling and Personal Styling

Course	Units
Fall semester first year required courses

Patternmaking Certificate

The Patternmaking Certificate of Achievement prepares students to create patterns for a variety of garments that meet industry standards for production. Students learn different methodologies of developing patterns from sketches or samples. The certificate prepares students for employment, creative fulfillment, or entrepreneurship.

Learning Outcomes

Upon completion of this program, students will be able to:

- Create an industrial-grade pattern that uses a variety of methodologies and is based on an interpreted design.
- Create patterns that employ standard industry pattern terminology and symbols for garment production.
- Apply the principles of pattern grading to develop a full size range for patterns.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Announcement of Courses

Credit, Non-Degree Applicable Course:

FASH A. Introduction to Sewing (1)

Lec-12, Lab-20 P/NP available

Learn the basics of hand sewing and sewing machines, how to make minor repairs to clothing, and how to construct a basic rectangular item in fabric. A good choice for the novice before moving on to FASH 15A, Apparel Construction 1.

NOTE: Some courses include a materials fee.

Credit, Degree Applicable Courses:

FASH 15A. Apparel Construction 1 (3)

Lec-35, Lab-52.5, field trips P/NP available

RECOMMENDED PREP: FASH A

A beginning course covering basic principles and concepts in the construction of garments. Emphasis on machine operation, sewing skills and techniques, and construction processes. Students will create sewing samples and 3-4 garments. CSU

OFFERED FALL AND SPRING SEMESTERS

FASH 15B. Apparel Construction 2 (3)

Lec-35, Lab-52.5, field trips P/NP available

PREREQ: FASH 15A

Elements of garment construction using intermediate clothing construction methods and techniques. Multiple finishes, hard to handle fabrics, use of overlock, complex construction sequences. Students construct three garments using techniques from class. CSU

OFFERED FALL AND SPRING SEMESTERS

FASH 16. Garment Fitting Techniques (3)

Lec-35, Lab-52.5, field trips P/NP available

PREREQ: FASH 15A

RECOMMENDED PREP: FASH 27

Introduction to fitting on a live model. Identify and correct fitting problems on sample muslin garments, including bodices, skirts, pants and jackets. Learn how to transfer those adjustments to the pattern and use draping techniques to create well-fitting production patterns. Fitting issues for knit and stretch fabrics will also be addressed. CSU

OFFERED SPRING SEMESTERS

FASH 22. Textile Analysis (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188
 Analysis of the performance and care of natural and man-made textile fibers, yarns, fabrics and other products. Fabric construction methods, fabric identification, dyeing and finishing processes are included. Discussion of current issues and innovations in the textile field. UC/CSU
 OFFERED FALL SEMESTERS

FASH 23. Fashion History (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188
 Chronological study of costumes in Western civilization from antiquity to the late 20th century, including social, economic and political influences on historic costume. Analysis of contemporary fashion design as influenced by historic styles. CSU
 OFFERED SPRING SEMESTERS

FASH 26. Flat Pattern Design I (3)

Lec-35, Lab-52.5 P/NP available
 RECOMMENDED PREP: FASH 15A OR BASIC SEWING SEWING MACHINE SKILLS
 Principles and techniques of designing a garment pattern using flat pattern methods, focusing on the development of women's patterns. Using a basic sloper, students analyze designs and create patterns for those designs. Students will create a final, finished garment from an original design. This course requires basic sewing skills. CSU
 OFFERED FALL AND SPRING SEMESTERS

FASH 27. Fashion Draping (3)

Lec-35, Lab-52.5 P/NP available
 This is a beginning draping class, focused on women's clothing designs. Draping techniques to create various styles, including bias designs. Basic sewing skills are required. CSU
 OFFERED FALL AND SPRING SEMESTERS

FASH 29. Pattern Grading (1)

Lec-8.75, Lab-26.25 P/NP available
 Theories and techniques for grading patterns into multiple sizes, including principles of fit, how the body grows, and various size ranges. Conventional methods are used to practice the basic principles of grading on a variety of pattern types. CSU
 OFFERED SPRING SEMESTERS

FASH 35A. Fashion Illustration I (3)

Lec-35, Lab-52.5, field trips P/NP available
 Students will learn beginning illustration skills to develop their ability to communicate fashion designs using a variety of media. Line, color, shading, proportions of the body, various views of the body, clothing details, fabric textures. CSU

FASH 35B. Fashion Illustration II (3)

Lec-35, Lab-52.5, field trips P/NP available
 PREREQ: FASH 35A
 Building on the skills gained in Fashion Illustration 1 students will expand on their artistic renderings, 10 head proportions, coloration, and textile interpretations. Flat sketches in 8 head proportion will be introduced to create specification sheets for production. Students will learn to group their ideas into capsule collections. CSU
 OFFERED FALL SEMESTERS

FASH 36A. Fashion Design I (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: ART 130A OR FASH 35A OR DEMONSTRATION OF EXIT SKILLS
 This beginning course provides a foundation in the design principles of fashion. Students will work to develop visual research skills, identify design elements, and communicate ideas through the use of inspirational mood boards. Color and fabric stories will emerge from these boards to become designs for four seasonal clothing collections. CSU
 FORMERLY FASH 36
 OFFERED FALL AND SPRING SEMESTERS

FASH 36B. Fashion Design II (3)

Lec-52.5 P/NP available
 PREREQ: FASH 36A AND FASH 35A
 RECOMMENDED PREP: FASH 35B
 Building on the skills learned in Illustration I and Design I, students will learn to develop fashion collections based on their own design aesthetic and philosophy. Emphasis on communicating design ideas, creating cohesive collections, and designing appropriately for a specific market. CSU
 OFFERED FALL SEMESTERS

FASH 37. Flat Pattern Design II (3)

Lec-35, Lab-52.5, field trips P/NP available
 PREREQ: FASH 26
 Continuation of techniques for pattern development, with an emphasis on industry production skills. Techniques covered include the development of complex designs, including patterns for tailored garments, pants, and patterns for stretch fabric. CSU
 OFFERED FALL AND SPRING SEMESTERS

FASH 42. Introduction to the Fashion Industry (3)

Lec-52.5, field trips P/NP available
 Overview of the fashion industry that prepares students to be on the cutting edge of what is happening. Emphasis on the economic, political, sociological, technological and psychological environment that affects fashion changes and evolution. Role of manufacturers, designers and retailers will be explored along with the elements of fashion marketing. CSU
 OFFERED FALL AND SPRING SEMESTERS

FASH 44. Fashion Retail Buying and Merchandising (3)

Lec-52.5, field trips P/NP available
 An overview of the buyer's core functions and responsibilities. Assortment planning, vendor negotiations, product development, basic retail math, and key merchandising strategies will be explored. Emphasis on building relationships with internal and external work groups will be covered. CSU
 OFFERED FALL SEMESTERS

FASH 45A. Personal Styling (3)

Lec-52.5, field trips P/NP available
 Fundamentals of personal styling, including conducting assessments, color analysis, body analysis, fashion personality, wardrobe management and business management CSU
 OFFERED FALL SEMESTERS

FASH 48. Fashion Show Production (4)

Lec-52.5, Lab-70, field trips P/NP available
 RECOMMENDED PREP: FASH 42
 A comprehensive and hands-on introduction to producing a professional quality fashion show or presentation. From conceptualization to

execution, students will develop the skills and strategies necessary to produce an event. CSU

OFFERED SPRING SEMESTERS

FASH 49. Visual Merchandising (3)

Lec-52.5, field trips P/NP available

A practical study of merchandise display in a variety of business establishments. This course will provide students with the skills and knowledge to arrange a store window, instore display, and floor layout. Students will learn how to display merchandise to the consumer regardless of their specific job title. CSU

OFFERED FALL SEMESTERS

FASH 51. Creating a Garment Business (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: FASH 35A; FASH 15A

Students learn the basics and essential steps needed to start a fashion business and clothing line. Fundamental components of a fashion business, functional business plans for a viable and sustainable fashion business, financing, planning, branding, marketing, knowing your customer, design process and manufacturing. CSU

OFFERED SPRING SEMESTERS

FASH 53. Fashion Forecasting (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The theories and frameworks underlying forecasting in the textile and apparel industry. The factors involved in planning and presenting the forecast. Emphasis on using print, Internet, and broadcast information in competitive analysis. CSU

OFFERED FALL AND SPRING SEMESTERS

FASH 54A. Fashion Styling (3)

Lec-52.5, field trips P/NP available

This course explores the skills required for styling outfits, accessories, and props for photography, film and commercials, visual merchandising, fashion shows and digital media. Emphasis is on identifying the many styling methods used in promoting fashion throughout the industry. CSU

OFFERED FALL AND SPRING SEMESTERS

FASH 54B. Advanced Fashion Styling (3)

Lec-52.5, field trips P/NP available

PREREQ: FASH 54A

This hands-on, field-based course teaches the skills required of various types of professional stylists. Students will be guided through the process of developing a professional styling portfolio which they can present to prospective clients. CSU

OFFERED FALL SEMESTERS

FASH 55. Icons of Contemporary Fashion (3)

Lec-52.5, field trips P/NP available

Students will learn about the fashion industry, the social use of clothing, and modern fashion history through the people, events, politics, and cultures that have effected change. CSU

OFFERED FALL SEMESTERS

FASH 56. Fashion Writing, Publicity, & Social Media (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Fashion writing for both print and social media platforms as it pertains

to fashion journalism and public relations. Topics include how to write trend reports, press releases, runway critiques, evaluating fashion blogs, and creating a strong fashion presence on social media. CSU
FORMERLY "FASHION WRITING & PUBLICITY"

OFFERED SPRING SEMESTERS

FASH 57. Fabric Glossary (1)

Lec-17.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Fabric Glossary is a comprehensive course designed for those whose career direction will require textile knowledge. Highlights include understanding of fabric's properties, characteristics, and garment-design potential. Learn about the most commonly worn textiles, how textiles affect the environment and working with fabric swatches. CSU

OFFERED FALL AND SPRING SEMESTERS

FASH 60. Fieldwork - Fashion Shows and Events (1)

Work-60-75 P/NP only

PREREQ: APPROVAL OF THE FASHION DEPARTMENT

REPEAT: REPEATED UP TO 16.00 UNITS

Work experience in fashion show production and events. Students will work backstage as dressers or volunteers for a variety of designers, stores and charity events. Provides practical experience in the retail environments. Emphasis will be placed on the importance of fashion promotions in the workplace. One unit of credit is earned for 60 hours unpaid work or 75 hours of paid work. CSU

FASH 61. Fashion Merchandising/Marketing Internship (2)

Work-120-150 P/NP available

PREREQ: APPROVAL OF FASHION DEPARTMENT

REPEAT: REPEATED UP TO 16 UNITS

Experience in the Fashion industry through merchandising, styling, buying, or marketing positions. Students will intern with local employers to gain meaningful work experience. Provides practical experience in the retail/wholesale environments. Emphasis will be placed on the role of fashion in the workplace. One unit of credit is earned for 60 hours of unpaid, or 75 hours of paid work. CSU

FASH 62. Work Experience in Personal Styling (1-3)

Work-60-225 P/NP available

REPEAT: REPEATED UP TO 8.00 UNITS

Experience in the Fashion industry through personal styling, or image consulting positions. Students will intern with local employers to gain meaningful work experience. Provides practical experience in the retail/wholesale environments. Emphasis will be placed on the role of fashion in the workplace. One unit of credit is earned for 60 hours of unpaid or 75 hours of paid work. CSU

OFFERED SUMMER SEMESTERS

FASH 63. Fashion Design & Production Internship (2)

Work-120-150 P/NP available

PREREQ: APPROVAL OF FASHION DEPARTMENT

REPEAT: REPEATED UP TO 16.00 UNITS

Experience in the Fashion industry through product design and development. Students will intern with local employers to gain meaningful work experience. Provides practical experience in the design establishments. Emphasis will be placed on the product creation in the workplace. One unit of credit is earned for 60 hours of unpaid work or 75 hours of paid work. CSU

FASH 67A. Computerized Pattern Development: PAD (3)

Lec-52.5, field trips P/NP available

PREREQ: FASH 26

Overview of the functions and capabilities of the PAD computerized pattern development system. Industry pattern development including drafting, modifying, and grading patterns. Digitizing and plotting patterns. CSU

OFFERED EVERY OTHER SPRING SEMESTER

FASH 67B. Computerized Pattern Development: Gerber (3)

Lec-52.5, field trips P/NP available

PREREQ: FASH 26

Overview of the functions and capabilities of the Gerber computerized pattern development system. Industry pattern development including drafting, modifying, and grading patterns. Digitizing and plotting patterns. CSU

OFFERED EVERY OTHER SPRING SEMESTER

FASH 72. Drafting a Sloper (Moulage) (1)

Lec-12, Lab-20 P/NP available

RECOMMENDED PREP: FASH 15A

Students learn the classic techniques needed to measure a figure and draft a well-fitting moulage/sloper/basic pattern CSU

OFFERED SPRING AND SUMMER SEMESTERS

FASH 73. Sewing with Knit and Stretch Fabrics (1)

Lec-8.75, Lab-26.25 P/NP available

RECOMMENDED PREP: FASH 15A OR BASIC SEWING MACHINE SKILLS

Special sewing techniques for garments made from knitted fabrics, such as t-shirts, pants, and activewear. Pattern modifications for stretch knits. Students will construct garments while learning how to work with knitted fabrics, including ribbed finishes, elastic edgings, and special seam types. CSU

FASH 112. Digital Illustration for Fashion (3)

Lec-52.5, Lab-17.5 P/NP available

PREREQ: FASH 35A

RECOMMENDED PREP: VMD 105 OR FASH 36A OR FASH 54A

This course covers techniques in Adobe Photoshop and Illustrator appropriate for fashion designers and merchandisers. CSU

Announcement of Curricula

French Major (AA)

Program Information. The French program provides instruction in developing a student's ability to communicate in French, both written and oral, through the intermediate level and to gain a knowledge of francophone cultures throughout the world. The program is designed to meet transfer goals as well as personal development and career growth.

Degree Curriculum. The Degree Curriculum in French is a two-year course of study designed to build a strong language foundation as well as expose students to francophone cultural content and some literature. Students who complete the curriculum are better prepared to transfer to the CSU and UC systems as well as other universities with the intent of majoring or minoring in French.

Learning Outcomes

Upon completion of this program, students will be able to:

- Engage in conversation at the intermediate-high level in standard French.
- Summarize contemporary French non-fiction texts and simple French literary texts appropriate to an intermediate-high learner.
- Compose mid-length written texts in French for both personal expression and academic discourse or analysis, at the intermediate-high level.
- Express in-depth knowledge of the various Francophone cultures of the world.

Assuming students start this AA with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

French Certificate

The Certificate of Achievement in French fulfills requirements for transfer to UC and CSU and shows the attainment of an intermediate level of competency in French.

Learning Outcomes

Upon completion of this program, students will be able to:

- Interpret the main points of standard spoken and written French relating to everyday matters.
- Communicate in spoken French using a range of vocabulary, language functions, and sentence structures.
- Write simple connected text using a range of intermediate French vocabulary, grammar, and sentence structures.
- Compare aspects of French and Francophone culture and society.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Announcement of Courses

Students of beginning French are directed to consider French courses numbered 1, 1A, 10A.

A placement test in French is available for guidance in selecting the appropriate course. For information, call 239-3223. Total beginners in French should select from French 1, 1A or 10A.

Credit, Degree Applicable Courses:**FREN 1. Elementary French (5)**

Lec-87.5 P/NP available

RECOMMENDED PREP: (READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188) OR (ANY CITY COLLEGE OR UNIVERSITY FOREIGN LANGUAGE COURSE)

This introductory course will develop students' four basic skills of listening, speaking, reading and writing in real-world situations to a

novice mid level. The course also introduces some cultural aspects of France and the francophone world. UC/CSU

FREN 1A. Elementary French (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: (READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188) OR (ANY CITY COLLEGE OR UNIVERSITY FOREIGN LANGUAGE COURSE)

This introductory course will develop students' four basic skills of listening, speaking, reading and writing in real-world situations to a novice low level. The course also introduces some cultural aspects of France and the francophone world. UC/CSU

FREN 1A + 1B = FREN 1

FREN 1B. Elementary French (3)

Lec-52.5 P/NP available

PREREQ: FREN 1A OR DEMONSTRATION OF FREN 1A EXIT SKILLS.

This introductory course will develop students' four basic skills of listening, speaking, reading and writing in real-world situations to a novice mid level. The course also introduces some cultural aspects of France and the francophone world. UC/CSU

FREN 1A + 1B = FREN 1

FREN 2. Continuation of Elementary French (5)

Lec-87.5 P/NP available

PREREQ: FREN 1 OR FREN 1B OR DEMONSTRATION OF EXIT SKILLS

Second semester course with emphasis on vocabulary and grammar appropriate to the intermediate low level. Continued practice in speaking and understanding French. Continued practice in writing and reading French. Further introduction to Francophone cultures. UC/CSU

FREN 2A. Continuation of Elementary French (3)

Lec-52.5 P/NP available

PREREQ: FREN 1 OR FREN 1B OR DEMONSTRATION OF EXIT SKILLS

Second semester course with emphasis on vocabulary and grammar appropriate to the novice high level. Continued practice in speaking and understanding French. Continued practice in writing and reading French. Further introduction to Francophone cultures. UC/CSU

FREN 2A + 2B = FREN 2

FREN 2B. Continuation of Elementary French (3)

Lec-52.5 P/NP available

PREREQ: FREN 2A OR DEMONSTRATION OF EXIT SKILLS

Second semester course with emphasis on vocabulary and grammar appropriate to the intermediate low level. Continued practice in speaking and understanding French. Continued practice in writing and reading French. Further introduction to Francophone cultures. UC/CSU

FREN 2A + 2B = FREN 2

FREN 3. Intermediate French (5)

Lec-87.5 P/NP available

PREREQ: FREN 2 OR 2B OR DEMONSTRATION OF FREN 2/2B EXIT SKILLS.

Reading of intermediate-level French prose, associated grammar review and essay composition, constant practice in the use and comprehension of the spoken language. Study of culture through film and excerpts of various texts (articles, novels or informational texts specifically written for our textbook). UC/CSU

FREN 3=FREN 3A+3B

FREN 3A. Intermediate French (3)

Lec-52.5 P/NP available

PREREQ: FREN 2 OR FREN 2B OR DEMONSTRATION OF EXIT SKILLS
Intermediate French 3A is a continuation of FREN 2/2B. It includes in-depth review of French grammar and expansion of the five language skills (writing, reading, listening, speaking, and culture). It is designed to help students improve their communicative skills. The course is conducted in French and covers various interrogative structures, a review of the past tenses and determinatives. It will also provide the vocabulary necessary to discuss education, immigration and exile. UC/CSU
FREN 3A AND FREN 3B ARE NON-SEQUENTIAL AND MAY BE TAKEN IN EITHER ORDER. FREN 3A + 3B = FREN 3

FREN 3B. Intermediate French (3)

Lec-52.5 P/NP available

PREREQ: FREN 2 OR FREN 2B OR DEMONSTRATION OF EXIT SKILLS
Intermediate French 3B is a continuation of FREN2/2B. It includes in-depth review of French grammar and expansion of the five language skills (writing, reading, listening, speaking, and culture). It is designed to help students improve their communicative skills. The course is conducted in French and covers relative clauses, object pronouns and the conditional mood as well as the vocabulary necessary to talk about the workplace and discuss personal relationships. UC/CSU
FREN 3A AND FREN 3B ARE NON-SEQUENTIAL AND MAY BE TAKEN IN EITHER ORDER. FREN 3A + 3B = FREN 3

FREN 4. Cont. of Intermediate French (3)

Lec-52.5 P/NP available

PREREQ: FREN 2 OR 2B OR DEMONSTRATION OF EXIT SKILLS
Intermediate French 4 is a continuation of FREN2/2B. It includes in-depth review of French grammar and expansion of the five language skills (writing, reading, listening, speaking, and culture). It is designed to help students improve their communicative skills at an advanced intermediate level. The course is conducted in French and covers the use of the subjunctive mood to express opinions and the vocabulary needed to discuss social classes among other themes. UC/CSU
OFFERED ON OCCASION

FREN 5. Advanced French: Conversation on French Literature and Culture (3)

Lec-52.5, field trips P/NP available

PREREQ: FREN 3 OR FREN 3B OR DEMONSTRATION OF FREN 3 OR FREN 3B EXIT SKILLS
Readings in and discussion of French literature and culture. Extensive oral interaction and composition to build analytical vocabulary, improve sustained discussion, and express ideas in a more natural manner. UC/CSU
OFFERED ON OCCASION

FREN 10A. Beginning Conversational French (3)

Lec-52.5 P/NP available

This is a beginner's course and the first of a series of five conversational courses. This course offers extensive oral training in French and an emphasis on practical vocabulary and idiom rather than formal grammar and literature. It is open to all beginning students; however, it is not advised for native speakers of French. It is recommended for students already enrolled in FREN 1 or FREN 1A wishing to get more oral practice. CSU
RECOMMENDED ALL BEGINNING STUDENTS AND FOR STUDENTS ENROLLED IN FREN 1 OR FREN 1A. NOT RECOMMENDED FOR NATIVE SPEAKERS OF FRENCH.
OFFERED ON OCCASION

FREN 10B. Continuation of Beginning Conversational French (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: FREN 10A
This is the second of a series of 5 conversational courses. This course offers extensive oral training in French and an emphasis on practical vocabulary and idiom rather than formal grammar and literature. It is open to all beginning students; however, it is not advised for native speakers of French. It is recommended for students already enrolled in FREN 1 or FREN 1B wishing to get more oral practice. CSU
RECOMMENDED FOR STUDENTS ENROLLED IN FREN 1 OR FREN 1A.
NOT RECOMMENDED FOR NATIVE SPEAKERS OF FRENCH.
OFFERED ON OCCASION

FREN 10C. Intermediate Conversational French (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: FREN 10B OR DEMONSTRATION OF FREN 10B EXIT SKILLS
Extensive oral training in French. Designed for students who wish to continue acquiring more advanced skills of the spoken language with a minimum of formal grammar. CSU
RECOMMENDED FOR STUDENTS ENROLLED IN FREN 2 OR FREN 2A.
NOT RECOMMENDED FOR NATIVE SPEAKERS OF FRENCH.
OFFERED ON OCCASION

FREN 10D. Continuation of Intermediate Conversational French (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: FREN 10C OR DEMONSTRATION OF EXIT SKILLS
Continuation of extensive oral training in French for students who wish to continue acquiring more advanced skills of the spoken language with a minimum of formal grammar. CSU

Announcement of Curricula

General Information

The Health Care Technology Department offers a variety of vocational programs to prepare students for employment in the healthcare profession. Please see individual program areas for specifics regarding registration, certification, licensure and/or degree status.

Programs within the Health Care Technology Department prepare individuals for employment in-hospital, pre-hospital, and outpatient patient or medical clinic careers. Students successfully completing programs shall attain the knowledge and competency based skills required to pass certification, registry or licensure examinations.

Paramedic Major (AS)

The paramedic program provides students with the knowledge and skills necessary to provide advanced emergency medical care in the prehospital setting. The licensed paramedic is the highest level provider on the prehospital care team and may find employment with a fire department, private ambulance service, third service, hospital, or other operation. The paramedic program includes classroom didactic, practical laboratory, simulation-based education, in-hospital clinical and a capstone prehospital field internship that qualifies the student for the National Registry of Emergency Medical Technicians (NREMT) paramedic licensure Examination upon successful completion of the program.

The goal of the City College of San Francisco paramedic program is to prepare competent entry-level paramedics in the cognitive (knowledge), psychomotor (skills) and affective (behavior) learning domains with or without exit points at the Advanced Emergency Medical Technician (AEMT), and/or Emergency Medical Technician (EMT), and/or Emergency Medical Responder (EMR) levels.

Accreditation. The paramedic program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP), 9355-113th St. N., #7709 Seminole, FL 33775, (727) 210-2350, www.caahep.org, under the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Profession (CoAEMSP), Program #600218. For more information about these agencies, see the "Overview of the College" section of this Catalog.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply advanced-level emergency medical knowledge and standards within the paramedic scope of practice to the care of patients in a diverse community.
- Apply safe advanced-level technical skills in emergency medical situations within the paramedic scope of practice.
- Behave professionally, skillfully, and in a manner consistent with employer and community expectations of an Emergency Medical Services (EMS) provider.
- Support patient advocacy and interprofessional collaboration in prehospital care to address health disparities in a diverse community.

The prerequisite for the paramedic program is current EMT certification pursuant to CCR. DIV.9 Title 22. It is recommended that students have three to six months field experience as an EMT prior to submitting an application to the paramedic program.

Enrollment is open to qualified applicants who fulfill the following admission requirements:

1. Hold a current California EMT certification
2. Hold a current healthcare provider level CPR card
3. Complete application to the program within annual application period in May

Multiple criteria selection is used to select a cohort of 25-30 candidates to start each Fall semester.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Cardiovascular Technician/Echocardiography Major (AS)

The Cardiovascular Technician/Echocardiography program prepares students to hold positions as cardiac sonographers, echocardiography technicians, cardiovascular technicians in a medical center, cardiology office, or health center. Graduates are eligible to sit for the national registry examinations: American Registry of Diagnostic Medical Sonography (ARDMS) or Cardiovascular Credentialing International (CCI).

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply the clinical knowledge to fulfill the role of an entry-level cardiac sonographer.
- Perform the technical skills necessary to fulfill the role of cardiac sonographer.
- Communicate effectively with patients and members of the healthcare team according to employer expectations and standards for an entry-level position in cardiac ultrasound.
- Apply the knowledge and skills required of various national registry examinations for certification.

Students must have completed a human anatomy or anatomy and physiology course.

Program recommended preparation. ENGL 88 or ESL 186 or placement in ESL 188 or readiness for college-level English.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is 4 semesters, depending on student preparation and the number of units completed per semester.

Electrocardiography Technician Major (AS)

The Electrocardiography program prepares students to operate various ECG equipment and devices as well as obtain and process different types of bloodwork. The students would be able to work as an ECG and a Phlebotomy Technician in physicians' offices, non-invasive cardiac diagnostic departments in hospitals, and medical clinics or other medical facilities. Graduates are eligible to sit for the national registry examination: Cardiovascular Credentialing International (CCI). The certificate in Phlebotomy provides students with the theoretical knowledge and skills competencies necessary to meet California regulatory requirements for phlebotomy technicians and prepares students to take the CPT-1 examination.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply clinical knowledge necessary to fulfill the role of an entry-level ECG Technician and Phlebotomy Technician.
- Perform clinical tasks on ECG machines, Holter monitor systems, and exercise stress test equipment.
- Communicate and interact with patients and members of the healthcare team according to employer expectations and standards of the healthcare profession.
- Compare the various national registry examinations for Electrocardiography and Phlebotomy Technician.

NOTE: While students have some choice in how to fulfill their General Education and graduation requirements, the Electrocardiography Technician Program recommends the following course work be completed in the first year: ENGL 1A or ENGL 1A+1AS and MATH 60. It is also suggested that ASAM 20 or LALS 1 or AFAM 60 or HIST 12B are taken prior to degree completion.

The minimum time for completion of this program is 4 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

CVT/Echocardiography Technician Certificate

Students who complete the CVT/Echocardiography Technician training satisfactorily are prepared to hold positions as cardiac sonographers, echocardiography technicians, cardiovascular technicians in a medical center, and cardiology officers in a health center. Graduates are eligible to sit for the national registry examinations: American Registry of Diagnostic Medical Sonography (ARDMS) or Cardiovascular Credentialing International (CCI).

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply current standards relative to the role of cardiac sonographer.
- Apply clinical knowledge and technical skills necessary to fulfill the role of an entry-level cardiac sonographer.
- Exhibit professionalism according to employer expectations for an entry-level position in cardiac ultrasound.
- Qualify for the national registry examinations in cardiac ultrasound: American Registry of Diagnostic Medical Sonography (ARDMS) or Cardiovascular Credentialing International (CCI).

Students must complete BIO 106 and be eligible for college-level English prior to beginning this program.

The minimum time for completion of this certificate is 4 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in CVT/Echocardiography Technician

Course	Units
------------------	-------

Fall Semester

CVT 101 Cardiovascular Technician	3.0
CVT 110 Cardiovascular Skills.	7.0
ECHO 101 Echocardiography	7.0

Spring Semester

CVT 201 Advanced Cardiovascular Technician	4.0
CVT 210A Introductory Echocardiography Professional Practice	5.0
ECHO 201 Advanced Echocardiography Technician	7.0

Summer Session

CVT 210B Introductory Echocardiography
Professional Practice Work Experience. 2.0

Fall Semester

CVT 301 Physics of Cardiac Ultrasound 3.0
CVT 310A Intermediate Echocardiography
Professional Practice 4.0
ECHO 301 Advanced Cardiac Abnormalities 5.0

Spring Semester

CVT 310B Intermediate Echocardiography
Professional Practice Work Experience. 6.5
CVT 410A Echocardiography Professional Practice 3.0
ECHO 401 Advanced Echocardiographic Studies 6.0

Summer Session

CVT 410B Echocardiography Professional
Experience. 6.5
Total: 69.0

ECG Technician Certificate

This program prepares students to operate ECG equipment and work as an ECG Technician in a cardiology office, non-invasive cardiac diagnostic department in a hospital, medical clinic or other medical facilities. Graduates are eligible to take the national registry examination: Cardiovascular Credentialing International (CCI).

Learning Outcomes

Upon completion of this program, students will be able to:

- Evaluate and apply information relative to the role of an ECG Technician.
- Apply clinical knowledge necessary to fulfill the role of an entry-level ECG Technician.
- Perform clinical tasks on ECG machines, Holter monitor systems, exercise stress test equipment and perform CPR as needed.
- Interact with and orient a diverse patient population and members of the healthcare team according to employer expectations and standards of the healthcare profession.
- Prepare for the various national registry examinations for Electrocardiography Technician certification.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in ECG Technician

Course. Units
Required
ECGT 101 ECG Technician I 4.0
ECGT 102 ECG Technician II 4.0
EMT 12 Basic Life Support for Healthcare Providers. . . . 0.5
Total: 8.5

Emergency Department Technician Certificate

This program prepares students to work with patients and members of a healthcare team as an emergency department technician. Courses provide theoretical content, technical training, and preparation to work with diverse and vulnerable patient populations.

Learning Outcomes

Upon completion of this program, students will be able to:

- Evaluate the needs of diverse patients in an emergency department setting as a member of the healthcare team.
- Apply safe clinical skills to the care of diverse patients within the scope of the emergency department technician.
- Evaluate and implement the role of the healthcare professional in improving and advocating for health equity.

Program prerequisite. Current American Heart Association Basic Life Support CPR card.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Emergency Department Technician

Course. Units
Required
EMT 100 Emergency Medical Technician 8.0
HCT 104 Phlebotomy Technician 5.5
ECGT 101 ECG Technician I 4.0
Total: 17.5

Emergency Medical Technician Certificate

The primary goal of the City College of San Francisco Emergency Medical Technician (EMT) Program is to prepare students to become competent entry-level patient care providers in emergency medical services. In this rapidly expanding field, EMT's most often work in the pre-hospital setting for ambulance agencies, park service, or fire departments. Many students use their EMT training as an introduction to a variety of other medical fields, such as registered nurse, ER Technician, respiratory therapist, physician's assistant, or physician.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply assessment and treatment strategies to emergency care of ill and injured patients within the scope of practice of an Emergency Medical Technician.
- Integrate technical skills of the Emergency Medical Technician into complex patient situations as a basic level responder in a diverse community.
- Display professionalism, responsibility, and patient advocacy within a culturally diverse community as a member of the Emergency Medical Services healthcare team.

This program is in compliance with requirements set forth in the California Code of Regulation, Title 22, Division 9, Chapter 2. All aspects of the EMT Training Program meet the NHTSA National EMS Education Standards. Students must maintain a grade of "C" or higher to receive a course completion record. Prior to enrollment in the EMT program, students must have a current certification in cardiopulmonary resuscitation (CPR) at the healthcare provider level such as the American Heart Association Basic Life Support (BLS) provider certification, and must attend a mandatory information session about the program.

The minimum completion time is 1 semester and must include all required elements of the State-approved curriculum.

Courses Required for the Certificate of Achievement in Emergency Medical Technician

Course.....	Units
Required courses	
EMT 100 Emergency Medical Technician	8.0
EMT 99 National Registry EMT Exam Preparation Course	1.0
Total:	9.0

Paramedic Certificate

The goal of the City College of San Francisco paramedic program is to prepare competent entry-level paramedics in the cognitive (knowledge), psychomotor (skills) and affective (behavior) learning domains with or without exit points at the Advanced Emergency Medical Technician (AEMT), and/or Emergency Medical Technician (EMT), and/or Emergency Medical Responder (EMR) levels.

Credit Toward Graduation. The credit students earn in obtaining the Certificate of Achievement in Paramedic may also be applied toward satisfaction of the requirements for graduation.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply advanced-level emergency medical knowledge and standards within the paramedic scope of practice to the care of patients in a diverse community.
- Apply safe advanced-level technical skills in emergency medical situations within the paramedic scope of practice.
- Behave professionally, skillfully and in a manner consistent with employer and community expectations of an Emergency Medical Services (EMS) provider.

Program Prerequisite and Advisory. The prerequisite is current certification as an Emergency Medical Technician (EMT) per CCR, DIV 9, Title 22. It is recommended that students have three to six months field experience as an EMT prior to submitting an application to the Paramedic Certificate program.

Enrollment is open to qualified applicants who fulfill the following admission requirements:

1. Hold a current California EMT certification
2. Hold a current healthcare provider level CPR card
3. Complete application to the program within annual application period in May

Requirements for the Certificate of Achievement. Students may obtain the Certificate of Achievement in Paramedic by completing the required sequence of courses.

Multiple criteria selection is used to select a cohort of 25-30 candidates to start each Fall semester. The minimum time for completion of this certificate is 3 semesters plus one summer term. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Paramedic

Course.....	Units
Prerequisite courses:	
EMT 104 Advanced Skills for EMS Providers	4.0
BIO 106 Introduction to Human Anatomy and Physiology	4.0

Fall semester:

EMTP 121 Introduction to EMS	3.0
EMTP 122 Pharmacology in EMS	3.0
EMTP 123 Trauma Emergencies	3.0
EMTP 124 Trauma Certification	2.0
EMTP 125 Cardiorespiratory Emergencies	4.0

Spring semester:

EMTP 126 Neuroendocrine Emergencies	3.0
EMTP 127 Medical Emergencies	3.0
EMTP 128 OB/GYN & Pedi Emergencies	4.0
EMTP 129 Special Populations, EMS Ops	4.0

Summer/Fall semester:

EMTP 130A Paramedic Clinical Education	7.0
EMTP 130B Paramedic Field Internship	8.0
Total:	52.0

Health Information Technology**General Information**

The Health Information Technology (HIT) Program provides competency-based instruction and professional practice experiences to assist students in developing the knowledge and skills necessary to process analyze, disseminate and maintain health care information. A career as a health information professional offers a unique opportunity to be at the forefront of the healthcare industry where healthcare meets the cutting edge of technology and a member of the healthcare team. Historically, medical records have been a paper-based or in hybrid format. The demand to advance the implementation of electronic health records (EHRs) requires training of health information professionals to enter the workforce.

Accreditation. The Health Information Technology Program is accredited by the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM). For more information about this agency, see the "Overview of the College" section of this Catalog.

Degree Curricula

Upon successful completion of the two-year curriculum in Health Information Technology, graduates are trained to perform specialized skills in electronic (EHR) computer software, security and privacy practices, coding, and collecting, organizing, and analyzing electronic data to improve healthcare information as more healthcare providers and hospitals adopt EHR systems.

As one of the fastest growing occupations, possible career opportunities for practitioners in health information management include data analysts, inpatient and outpatient coding specialists, privacy and security officers, release of information and recovery audit coordinators, clinical data improvement specialists, cancer registrars, and health information managers.

Employment. The United States Department of Labor, Bureau of Labor Statistics project medical record and health information technician's employment is expected to increase by 21 percent from 2010 to 2020, faster than the average for all occupations. As the population ages, the demand for health services is expected to increase. <http://www.bls.gov/OCO>.

Health information professionals are employed in a variety of work settings including hospitals, ambulatory care, physician offices, managed care facilities, long-term care and rehabilitation, behavioral health, chemical dependency and correctional facilities, home health and hospice, cancer centers, state and federal government agencies, insurance

companies, research and policy agencies, accounting and legal firms, coding compliance and data quality organizations, HIM service providers and vendors, consulting firms, academic institutions, pharmaceutical companies, health information exchanges, and other venues.

Employment opportunities for trained health information technicians continue to increase with emphasis on data quality and integrity, management of electronic health information, revenue cycle management and compliance around payment are prevalent both for ambulatory and inpatient care. This is one of the few health occupations in which there is little or no direct contact with patients.

Admission. Enrollment is open to all interested students who fulfill the following admission requirements:

1. Eligible for credit classes (See admission requirements.)
2. Strongly recommended for success in the HIT program: ENGL 88 or ESL 186 or placement in ESL 188 or readiness for college-level English.
3. Attend a HIT orientation session to ask questions about requirements and structure of the program.
4. Certain programs have prerequisites that must be met prior to enrollment in individual classes.

Credit by Examination. Refer to College Catalog

Associate in Science Degree in Health Information Technology. The curriculum is designed so that students may satisfy the requirements for graduation from the College. Students who satisfy these requirements and complete the Health Information Technology Curriculum with a “C” or better in every course receive the Associate in Science Degree in Health Information Technology.

Basis for Disqualification. Students who do not earn a “C” or better in a Health Information Technology program course will have one opportunity to repeat the course to improve their grade. Students who do not earn a “C” or better on the second try will be disqualified from the program. Students may also be disqualified other reasons consistent with College policy.

National Certification Examination Registered Health Information Technician (RHIT). Successful graduates with an Associate in Science Degree in Health Information Technology are eligible to take the national certification examination offered by the American Health Information Association to earn the Registered Health Information Technician (RHIT) credential. AHIMA, located at 233 N. Michigan Avenue, 21st floor, Chicago, IL 60601-5800; Tel: (312) 233-1090; <http://www.ahima.org/certification>

Students holding an associate’s degree, baccalaureate degree or higher in a discipline from an accredited institution of post-secondary education must petition for the Associate in Science Degree in Health Information Technology. A previous degree does not automatically meet General Education Requirements. (See current CCSF Catalog for concise lists and descriptions of General Education Requirements Areas A-H)

Course of Study. Each option, in addition to an emphasis in the major field includes typical course work in computer applications, medical terminology, anatomy and physiology and disease process, data analysis, legal aspects, clinical classification and coding systems, health care reimbursement methods, statistics and data reporting, health information systems, quality assurance and improvement methods and personnel management.

Professional Practice Experience (PPE) refer to supervised rotations in the third and fourth semesters gives students experience in health information management departments in various health care organizations. Each CAHIIM-accredited HIM program must have at least one PPE that helps students assimilate theory with practical application in order to work toward achievement of AHIMA entry-level competencies in a real-world environment.

Health Information Technology Major (AS)

The Health Information Technology (HIT) program provides instruction and professional practice experience in the management and quality of health data relating to paper-based, electronic, and hybrid medical records. Health information professionals are responsible for maintaining components of health information systems consistent with the medical, administrative, ethical, legal, regulatory, and accreditation requirements of a health care delivery system. This program is accredited by the Commission on Accreditation for Health Informatics and Information Management Education. Students who complete the program are eligible to take the Registered Health Information Technician (RHIT) exam.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply the knowledge and record management skills necessary for HIM entry-level employment as a health information professional in various health care settings.
- Apply the knowledge and computer skills necessary for HIM entry-level employment as a health information professional in various health care settings.
- Demonstrate the behavioral, interpersonal, ethical, and professional skills necessary for HIM employment as a health information professional in various health care settings.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is 6 semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Health Information Technology

Course	Units
First semester: choose one of the following anatomy and physiology options:	
OPTION 1:	
BIO 106 Introduction to Human Anatomy and Physiology	4.0
OPTION 2:	
BIO 108 General Human Anatomy	4.0
AND one of the following Physiology courses:	
BIO 111 Human Physiology	5.0
BIO 112 Introduction to Human Physiology	4.0
First semester required courses:	
HCT 61 Introduction to Health Care	2.0
HIT 50A Medical Terminology I	3.0
HCT 67 Computer Applications in the Health Care Setting	2.0

Second semester required courses:

HIT 50B Medical Terminology II	2.0
HIT 63 Health Information Systems	3.0
HIT 65 Organization of Health Data	3.0
HIT 73A ICD-10-CM Coding	3.0
HIT 57 Disease Process	3.0

Third semester required courses:

HIT 72 Legal Aspects of HIM	3.0
HIT 75 Organization and Management in Health	3.0
HIT 73B ICD-10-PCS Coding	3.0

Fourth semester required courses:

HIT 76 CPT Coding	3.0
HIT 77B Professional Practice II	2.0
HIT 79 Healthcare Quality and Reimbursement	4.0
HIT 77A Professional Practice I	4.0

Total: 47.0 – 52.0

Health Information Clerk I Certificate

This certificate program prepares students for entry-level positions in health information management departments. Opportunities for employment include basic record management, reception, admitting department functions, scanning of documents, filing and retrieval of records, filing and sorting loose documents, purging of records, storage and retention activities, data entry, processing admissions and discharges, and assembly of medical documents in a sequential order.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply record management skills and knowledge necessary for HIM entry-level employment as a health information professional in various health care settings.
- Perform computer applications necessary for HIM entry-level employment as a health information professional.
- Apply the behavioral, communication, ethical, and professional skills necessary for HIM employment as a health information professional in various health care settings.

Note--Anatomy and Physiology may also be taken as distinct courses. ESL 188 can also satisfy this certificate's writing/communication component. Please contact the department.

The minimum time for completion of this certificate is 1 semester. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Health Information Clerk I

Course.....Units
Required

HCT 61 Introduction to Health Care	2.0
HCT 67 Computer Applications in the Health Care Setting	2.0
HIT 50A Medical Terminology I	3.0
BIO 106 Introduction to Human Anatomy and Physiology	4.0

Choose one course from the following

CMST 6 Workplace Communication	3.0
ENGL 1A College Reading and Composition	4.0

Total: 14.0 – 15.0

Health Information Clerk II Certificate

This certificate program prepares students for technical positions in health information departments. Employment opportunities include working in a hybrid and electronic environment, analyzing health records for deficiencies according to established standards, maintaining and using a variety of indices and storage retrieval systems, managing the usage and release of health information, collecting and abstracting health data for statistical purposes, scanning of documents and performing quality audits on all documents, assignment of codes according to specific classification systems, and use of official coding guidelines for reimbursement, billing and reporting purposes.

Learning Outcomes

Upon completion of this program, students will be able to:

- Organize, analyze, compile, and abstract data from a paper based or electronic medical record.
- Apply the knowledge and technical skills necessary for Health Information Management (HIM) entry-level employment as a health information professional in various health care settings.
- Perform computer applications necessary for HIM entry-level employment as a health information professional in various health care settings.
- Exhibit the behavioral, interpersonal, ethical and professional skills necessary for HIM employment as a health information professional in various health care settings.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Health Information Clerk II

Course.....Units

First semester: required

BIO 106 Introduction to Human Anatomy and Physiology	4.0
HCT 61 Introduction to Health Care	2.0
HCT 67 Computer Applications in the Health Care Setting	2.0
HIT 50A Medical Terminology I	3.0

Second semester: required

HIT 50B Medical Terminology II	2.0
HIT 63 Health Information Systems	3.0
HIT 65 Organization of Health Data	3.0
HIT 72 Legal Aspects of HIM	3.0
HIT 73A ICD-10-CM Coding	3.0
HIT 77A Professional Practice I	4.0
HIT 77B Professional Practice II	2.0

Total: 31.0

Health Information Coding Specialist Certificate

This certificate program prepares students to assign diagnostic and procedural codes supported by medical documentation in accordance with official coding and reporting guidelines and compliance regulations. Students choose reportable codes to use on exercises, case scenarios, and actual patient records with basic to moderate and advanced clinical complexity. Students who complete the program are eligible to take the Certified Professional Coder (CPC)

exam sponsored by the American Academy of Professional Coders (AAPC).

Learning Outcomes

Upon completion of this program, students will be able to:

- Assign diagnosis and procedure codes using the International Classification of Diseases, 10th Revision, Clinical Modification (ICD-10-CM) and the International Classification of Diseases, 10th Revision, Procedure Coding System (ICD-10-PCS) official coding guidelines for inpatient and outpatient records.
- Assign procedure and service codes using Current Procedural Terminology (CPT).
- Use and maintain electronic applications and work processes to support clinical classifications and coding.
- Demonstrate professional and behavior skills and adhere to the necessary ethical standards of coding for HIM employment as a health information coder.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Health Information Coding Specialist

Health Information Technology Certificate

This certificate program is designed for students entering City College with a degree (A.A. /A.S. or higher) or who wish to work in health information technology before completing CCSF graduation require

ments. Students who complete the program are eligible to take the Certified Coding Associate (CCA) national certification examination offered by the American Health Information Management Association (AHIMA).

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply the knowledge and record management skills necessary for HIM entry-level employment as a health information professional in various health care settings.
- Apply the knowledge and computer skills necessary for HIM entry level employment as a health information professional in various health care settings.
- Demonstrate the behavioral, interpersonal, ethical, and professional skills necessary for HIM employment as a health information professional in various health care setting.

The minimum time for completion of this certificate is 4 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Health Unit Coordinator Certificate

This program is designed to introduce the student to the clerical duties of the hospital unit coordinator. The unit coordinator serves as the liaison between the hospitalized patient and the medical professionals in

an acute care or other medical facility environment. Students will gain the knowledge and communication skills necessary for this entry-level position.

Learning Outcomes

Upon completion of this program, students will be able to:

- Describe the various health care departments and delivery systems.
- Explain the role and responsibilities of a unit coordinator in a nursing care unit of a hospital.
- Recall and apply appropriate medical terminology on the clinical site.
- Demonstrate professional behavior and team work skills in the health care environment.
- Apply principles of rescue breathing, first aid, and cardiopulmonary resuscitation to scenarios of patients of all age groups.

The minimum time for completion of this certificate is 1 semester. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Health Unit Coordinator

Course.....	Units
Required	
HCT 110 Health Unit Coordinator	4.0
EMT 12 Basic Life Support for Healthcare Providers	0.5
Total:	4.5

Phlebotomy Certificate

The certificate in Phlebotomy provides students with the theoretical knowledge and skills competencies necessary to meet California regulatory requirements for phlebotomy technicians and prepares students to take the CPT-1 examination. Students who complete their training satisfactorily are prepared to hold a position as a phlebotomist in a physician's office, hospital, hospital outpatient clinic, medical clinic, and health centers. Students will also receive an AHA BLS Health Care Provider CPR card by successfully completing EMT 12. Students who successfully complete EMT 14 will receive an AHA BLS Health Care Provider CPR and first aid cards.

Learning Outcomes

Upon completion of this program, students will be able to:

- Perform venipuncture procedures safely and professionally within the scope of practice of a phlebotomist.
- Communicate effectively with patients, families, and healthcare providers.
- Identify the requirements for the Certified Phlebotomy Technician Examination (CPT-I) for employment as a phlebotomist.
- Collaborate in a culturally diverse health care environment and apply the principles of health care ethics and professional conduct with patients, staff, and the community.
- Apply current basic life support (BLS) standards of practice to simulations of adult, child, and infant patients in need of cardiopulmonary resuscitation.

The minimum time for completion of this certificate is one semester. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Phlebotomy

Course	Units
Required	
HCT 104 Phlebotomy Technician	5.5
EMT 12 Basic Life Support for Healthcare Providers	0.5
or EMT 14 First Aid and Cardiopulmonary	
Resuscitation	3.0
Total:	6.0 – 8.5

Medical Assisting Program

Degree Curricula

(Options in Medical Assisting and Medical Administrative Assisting)
The curriculum in Medical Assisting, a two-year course of study, offers students training for employment through options in two areas: Medical Assisting and Medical Administrative Assisting. The Medical Assisting program is offered in cooperation with the American Association of Medical Assistants (AAMA).

Admission. Enrollment is open to all interested students; however, strongly recommended for success in the program: ENGL 88 or ESL 186 or placement in ESL 188 or readiness for college-level English.

Students must complete HCT 61, Introduction to Health Care, during their first semester with a final grade of "C" or higher. HCT 61 is an orientation course conducted by the faculty of the Health Care Technology Department to review the requirements and expectations of the curriculum. Students are also required to satisfy prerequisites in order to enroll in certain courses.

Students are required to submit evidence of a recent tuberculin skin test or chest x-ray, proof of immunizations, and a physical examination which indicates that they are in good physical health to include the following:

- vision correctable to 20/30 in both eyes
- able to stand unassisted for long periods of time
- able to walk, bend, reach, and stoop frequently
- able to assist patients on and off exam tables and in and out of wheel chaired
- normal hearing or corrected hearing within normal range
- able to manipulate stationary and mobile medical equipment
- behavior and social skills acceptable within the college and clinical rotations

Please refer to the Dictionary of Occupational Titles to review the Federal ADA guidelines. Go to: www.occupationalinfo.org

Students who enroll in HCT 82A/B must also hold a valid CPR Healthcare Provider card from the American Heart Association, complete a background and drug screening, and complete a HIPAA Awareness training to qualify for the Professional Practice Internship. Students are responsible for all fees required to qualify for enrolment in the Professional Practice Internship.

Credit by Examination. Applicants who have been admitted to the Program and who have previous education or medical assisting/clerical or related experience may apply for credit and advanced placement in the curriculum by transfer or challenge process.

Purchase of Uniform and Clinical Supplies. Students are responsible for purchasing a uniform and stethoscope for use in the clinical skills courses. Other fees may be required for the clinical classes.

Accreditation. The Medical Assisting Program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) 9355-113th St. N., #7709, Seminole, FL 33775, (727) 210-2350, www.caahep.org, on recommendation of the Committee on Accreditation for Medical Assistant Education Review Board (MAERB). For more information about these agencies, see the “Overview of the College” section of this Catalog.

Course of Study. Each option includes training in the following subjects common to all branches of medical assisting: Anatomy and physiology, medical terminology, computer applications, business correspondence, medical billing, insurance and coding, filing systems, medical records including the electronic health record, psychology and professional relationships, management and supervision, and CPR and first aid.

In addition, students who elect the option in Medical Assisting receive specialized training in clinical procedures including phlebotomy and medical laboratory techniques and are eligible to apply and sit for the CPT-1, CMA, RMA, CMAA or other approved medical assisting certification exam.

In the Professional Practice Preparation/Certification (HCT82A) and Professional Practice Internship (HCT 82B) courses in the second year, students complete 180 hours of unpaid supervised practical training off campus in their specific field of study. Students who elected the option of Medical Assisting are assigned to perform clinical and administrative duties with physicians and other medical personnel without compensation in an outpatient clinic, medical office or health center. Students who have elected the option in Medical Administrative Assisting are assigned primarily to perform administrative duties without compensation in an outpatient clinic, medical office, or health center.

Employment. Students who have completed their training satisfactorily are qualified for employment in various capacities. Those who have completed the option in Medical Assisting are prepared to hold positions combining the duties of medical assistant, receptionist, and office manager in outpatient clinics, medical offices or health centers. Those who have completed the option in Medical Administrative Assisting are qualified for the positions of receptionist, medical biller, admitting clerk OR admitting or ward clerk, or office manager in an outpatient clinic, medical office, and health center.

Associate in Science Degree. The curriculum is designed so that students may satisfy the requirements for graduation from the College. Students who satisfy these requirements and complete their training in Medical Assisting or Medical Administrative Assisting with a 2.0 grade point average or higher receive the Associate Degree in Medical Assisting or Medical Administrative Assisting.

Certified Medical Assistant Examination. Graduates who receive the Certificate of Achievement in Medical Assisting are eligible to take the Certified Medical Assistant (CMA) examination given by the American Association of Medical Assistants (AAMA).

Medical Assisting Major (AS)

Students who complete their training satisfactorily are prepared to hold positions as a medical assistant, medical receptionist, or office manager in the physician’s office, hospital outpatient clinic, medical clinics, and health centers. The Medical Assisting Certificate Program

is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP), 9355-113th St. N., #7709 Seminole, FL 33775, (727) 210-2350, www.caahep.org, on recommendation of the Medical Assisting Education Review Board (MAERB). Graduates who complete the Associate of Science in Medical Office Assisting also receive the Certificate of Achievement and are eligible to take the Certified Medical Assistant examination given by the American Association of Medical Assistants (AAMA). Students must hold a valid AHA Healthcare Provider CPR and First Aid card to complete the Internship.

Learning Outcomes

Upon completion of this program, students will be able to:

- Perform clinical procedures, laboratory tests, phlebotomy, and diagnostic studies.
- Use computer applications to create documents and perform medical record and billing activities.
- Practice infection control and adhere to OSHA and HIPAA regulations.
- Receive, communicate with, and support patients and staff.
- Collaborate in a culturally diverse health care environment and apply the principles of health care ethics and professional conduct with patients, staff, and the community.
- Compare the various certification exams for medical assistants.
- Describe the procedure for applying for the phlebotomy certifying exam and license.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Medical Assisting

Course Units

Choose one of the following Anatomy and Physiology options:

OPTION 1:

BIO 106 Introduction to Human Anatomy and Physiology 4.0

OPTION 2:

BIO 108 General Human Anatomy. 4.0

AND choose one of the following Physiology options:

BIO 111 Human Physiology 5.0

BIO 112 Introduction to Human Physiology 4.0

First Semester:

HCT 61 Introduction to Health Care 2.0

HIT 50A Medical Terminology I 3.0

HCT 67 Computer Applications in the Health

Care Setting 2.0

EMT 14 First Aid and Cardiopulmonary

Resuscitation 3.0

MED 55 The Electronic Health Record 3.0

MED 56 Administrative Procedures. 3.5

Second Semester:

HIT 50B Medical Terminology II 2.0

HIT 57 Disease Process 3.0
 HIT 76 CPT Coding 3.0
 MED 49 Clinical Procedures 5.5
 MED 62 Communication and Professionalism
 in Health Care 2.0
 MED 70 Medical Insurance Billing 2.0
 MED 71 Electronic Management of Financial
 Medical Records 2.0

Summer Session:
 HCT 82A Professional Practice Preparation
 and Certification 2.0
 HCT 82B Professional Practice Internship 3.0

Third Semester:
 MED 73 Advanced Medical Billing 1.5
 HIT 73A ICD-10-CM Coding 3.0
 HIT 75 Organization and Management in Health 3.0
 PSYC 1 General Psychology 3.0
 HCT 104 Phlebotomy Technician 5.5

Total: 61.0 – 66.0

Medical Administrative Assisting Major (AS)

Students who complete their training satisfactorily are prepared to hold positions as a medical receptionist, admitting clerk, ward clerk, or office manager in the physician’s office, hospital outpatient clinic, medical clinic, or health center. Students are eligible to sit for the Certified Professional Coder (CPC) or Certified Coding Specialist Physician Office (CCS-P) examinations.

Learning Outcomes

Upon completion of this program, students will be able to:

- Receive, communicate with, and support patients and staff.
- Apply the principles of medical coding and billing to insurance claims and other financial documents.
- Use computer applications to create documents and perform medical record and billing activities.
- Apply the principles of health care ethics and professional conduct with patients, staff, and the community.
- Apply for and pass the Certified Professional Coder (CPC) examination.

Students in the Medical Administrative Assisting AS program must maintain a grade of “C” or higher.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Pharmacy Technician Major (AS)

Students may obtain the Associate of Science in Pharmacy Technician by successfully completing the courses in the major program and general education requirements. The Pharmacy Technician Program starts in the fall semester each year. The curriculum is designed to prepare students to work under the direct supervision of a pharmacist in hospitals, community-based pharmacies, and other institutional settings.

Learning Outcomes

Upon completion of this program, students will be able to:

- Perform the administrative and clinical skills necessary for entry-level employment as a pharmacy technician in a hospital, retail pharmacy, or other institutional setting.
- Provide professional customer service to patients and clients in a pharmacy setting.
- Prepare for licensing as a Pharmacy Technician to the California State Board of Pharmacy.
- Prepare for the Pharmacy Technician Certification Board National examination.

To be considered for admission to the program, applicants must:

1. Complete the prerequisites: Intermediate algebra or higher; Readiness for college-level English or ESL 188
2. Attend the orientation session and pick up the Application to the Pharmacy Technician Program.

3. Complete and submit the Application to the Pharmacy Technician Program to the Pharmacy Technician Office, Room 111, Gym Building, John Adams Campus, by the application deadline date.
5. Attend the individual orientation session scheduled with the Pharmacy Technician instructors to review prerequisite compliance and clinical placement requirements
6. File with the Office of Admissions and Records a completed credit application for admission to City College.

Successful applicants are required to submit evidence of a recent tuberculin skin test or chest x-ray, proof of immunizations, and a physical examination that indicates they are in good physical health, including the following:

- 20/100 vision correctable to 20/30 in both eyes with normal color perception
- the ability to stand unassisted for long periods of time
- the ability to walk, bend, reach, lift product, and stoop frequently
- normal hearing or corrected hearing within the normal range
- the ability to manipulate stationary and mobile medical equipment

Although applicants who meet the above requirements are eligible for the program, classroom space and clinical site placements limit the class size to 30 students; therefore, students are selected by lottery from the eligible applicants.

Background Check. A background check may be required by the assigned clinical sites. The cost of this will be incurred by the student. Students must complete this background check prior to clinical placement.

Drug Screening. Drug screening may be required by the clinical placement site. The student is responsible for this cost.

Immunization Screening. Certain immunizations may be required by the clinical placement site. The student is responsible for this cost.

While students have some choice in how to fulfill their General Education and graduation requirements, the Pharmacy Technician Program recommends the following course work: MATH 80 or MATH 80+80S or ECON 5 or PSYC 5 or LALS 5; ASAM 20 or LALS 1 or AFAM 60 or HIST 12B.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Please contact the Biotechnology Program Coordinator to plan the biotechnology courses for the AS Degree. Assuming a student starts this AS with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and the number of units completed per semester.

Medical Assisting Certificate

The certificate in Medical Assisting provides students with both clinical and administrative training. Students who complete their training satisfactorily are prepared to hold positions as a medical assistant, medical receptionist, or office manager in a physician's office, hospital outpatient clinic, medical clinic, and health centers. The Medical Assisting Program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP), 9355-113th St. N., #7709 Seminole, FL 33775, (727) 210-2350, www.caahep.org, on recommendation of the Medical Assisting Education Review Board (MAERB). Graduates who complete the Certificate of Achievement are eligible to take the Certified Medical Assistant examination given by the American Association of Medical Assistants (AAMA).

Learning Outcomes

Upon completion of this program, students will be able to:

- Perform clinical procedures, laboratory tests, phlebotomy, and diagnostic studies.
- Use computer applications to create documents and perform medical record and billing activities.
- Practice infection control and adhere to OSHA and HIPAA regulations.
- Receive, communicate with, and support patients and staff.
- Collaborate in a culturally diverse health care environment and apply the principles of health care ethics and professional conduct with patients, staff, and the community.
- Compare the various certification exams for medical assistants.
- Describe the procedure for applying for the phlebotomy certifying exam and license.

Students must complete each course with a grade of "C" or higher. Students must hold a valid AHA HealthCare Provider CPR and First Aid card to complete the Internship.

The minimum time for completion of this certificate is 3 semesters (plus Summer internship). Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Medical Assisting

Medical Biller Certificate

This certificate program prepares students to complete medical insurance claims for physician offices and outpatient medical facilities. Students learn CPT and ICD-10-CM coding, medical terminology, disease processes, computer bookkeeping procedures, and manual and computer insurance billing for commercial insurance, Medicaid, Medicare, Worker’s Compensation, and managed care plans.

Learning Outcomes

Upon completion of this program, students will be able to:

- Assign CPT codes to outpatient services and procedures.
- Assign ICD-10-CM codes to diagnoses.
- Perform insurance billing procedures necessary for entry-level employment in an ambulatory health care setting.
- Identify the various certification options for billers and coders and their professional associations.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Medical Clinic Assisting Certificate

Students who complete this certificate successfully are prepared to hold positions as clinic assistants. Students have the option of completing additional courses for a Certificate of Achievement in Medical Assisting. Students receive training in anatomy and physiology, medical terminology, computer applications and administrative procedures, the electronic health record, disease processes, communication and professionalism, and clinical procedures. Students will complete an internship and must hold a valid CPR Health Provider card and a HIPAA Awareness Training certificate.

Learning Outcomes

Upon completion of this program, students will be able to:

- Practice infection control and adhere to OSHA regulations.
- Perform clinical procedures effectively, including injections and skin punctures, laboratory tests, and diagnostic studies.
- Use computer applications to create documents, communicate with, and support patients and staff.
- Collaborate in a culturally diverse health care environment, applying the principles of health care ethics and professional conduct.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Medical Clinic Assisting

Course Units

First semester required courses:

BIO 106 Introduction to Human Anatomy

and Physiology 4.0

Medical Evaluation Assistant Certificate

This certificate program is designed specifically for employment within the San Francisco Public Health Department including the neighborhood health clinics. Students have the option of completing additional courses for a Certificate of Achievement in Medical Office Assisting. Students receive instruction in anatomy and physiology, medical terminology, health care systems, medical typing and transcription, health education and disease processes, clinical procedures, phlebotomy, and computer applications. Students will complete an internship and must hold a valid CPR Health Provider card and a HIPAA Awareness Training certificate.

Learning Outcomes

Upon completion of this program, students will be able to:

- Perform clinical procedures, laboratory tests, phlebotomy, and diagnostic studies for entry level employment as a Medical Evaluation Assistant.
- Apply infection control processes while adhering to OSHA regulations.
- Receive, communicate with, and support patients and staff.
- Collaborate in a culturally diverse health care environment and apply the principles of health care ethics and professional conduct with patients, staff, and the community.
- Describe the process to apply for the Certified Phlebotomy Technician examination (CPT-1).

Students may obtain the Certificate of Achievement for MEA by completing each of the following courses with a grade of “C” or higher.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Medical Receptionist Certificate

This certificate program prepares students for employment as a receptionist in a physician’s office, outpatient clinic, or other medical facility. Students receive training in computer applications, appointment scheduling, telephone etiquette, communication and professionalism, medical record preparation, medical terminology, business correspondence, insurance policies and claims completion, and first aid and CPR.

Learning Outcomes

Upon completion of this program, students will be able to:

- Receive, communicate with, and support patients and staff.
- Use computer applications to create documents and perform medical record and billing activities.
- Apply the principles of health care ethics and professional conduct with patients, staff, and the community.
- Apply the principles of procedural coding and billing to insurance claims and other financial documents.

Students may obtain the Medical Receptionist Certificate of Achievement by completing each of the following courses with a grade of “C” or higher.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Announcement of Courses

Credit, Degree Applicable Courses:

Echocardiography

ECHO 101. Echocardiography (7)

Lec-105, Lab-52.5

PREREQ: BIO 106 OR BIO 108

COREQ: CVT 101 AND CVT 110

RECOMMENDED PREP: (READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188) AND (BACKGROUND CHECK, DRUG SCREENING, IMMUNIZATION RECORDS AND TB TESTING REQUIRED BY THE MEDICAL CENTERS FOR INTERNSHIP ATTENDANCE)

Cardiac anatomy and physiology. Standard presentation of Two Dimensional (2D) Echo and M-Mode images of normal and abnormal echocardiograms. Color flow, pulse and continuous wave Doppler findings of normal and cardiac pathology identify valvular stenosis and regurgitation. Description of cardiac pathology and associated 2D findings, Doppler patterns, and related calculations for determining severity. CSU

STUDENTS MUST SUBMIT AN APPLICATION AND BE ACCEPTED INTO

THE CVT/ECHO PROGRAM PRIOR TO REGISTRATION. REQUIRED BACKGROUND CHECK AND DRUG SCREENING. REQUIRED CURRENT IMMUNIZATION RECORDS AN TB TESTING. OFFERED IN ALTERNATE FALL SEMESTERS

ECHO 201. Advanced Echocardiography Technician (7)

Lec-87.5, Lab-105

PREREQ: ECHO 101

Advanced cardiac abnormalities evaluated by two dimensional (2D), M-Mode, and Doppler methods include: stenosis, valve abnormalities, regurgitation, diastolic dysfunction, cardiomyopathies, pericardial and coronary artery disease, congestive heart failure, hypertension, pulmonary hypertension, right ventricular methods of evaluation, masses and tumors, endocarditis, prosthesis, aortic root diseases, and cardiac transplants.

Transesophageal Echo: standard views, and Doppler identification. CSU

OFFERED IN ALTERNATE SPRING SEMESTERS

ECHO 301. Advanced Cardiac Abnormalities (5)

Lec-70, Lab-52.5

PREREQ: ECHO 201

Description and echocardiographic findings of advanced cardiac abnormalities including pulmonary hypertension, pulmonary emboli, endocarditis, prosthetic valves, cardiac masses, transplant, and aortic root disease. Emphasis on cardiac embryology and congenital cardiac defects and the associated echocardiographic findings. Content includes echocardiographic identification of surgical repairs of congenital cardiac diseases. CSU

OFFERED IN ALTERNATE FALL SEMESTERS

ECHO 401. Advanced Echocardiographic Studies (6)

Lec-105

PREREQ: ECHO 301

Course content introduces advanced cardiac ultrasound technologies and assessment methods including 3D Echocardiography, Cardiac Resynchronization Therapy, Ventricular Assist Devices, Transesophageal Echocardiography, Electrophysiology Studies, Strain-Strain Rate and Speckle Tracking. Emphasis on carotid ultrasound imaging, Doppler, and characteristics of carotid pathology. CSU

OFFERED IN ALTERNATE SPRING SEMESTERS

CVT 101. Cardiovascular Technician (3)

Lec-52.5

PREREQ: BIO 106 OR BIO 108

COREQ: ECHO 101 AND CVT 110

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Cardiac anatomy and the cardiac electrical conduction system. Electrocardiogram (ECG) identification and measurements, action potential curve, basic cardiac dysrhythmia, myocardial ischemia and infarction patterns. Interpretation techniques of 12 lead ECGs, long term ECG recording and exercise stress testing protocols, procedures, and analysis. CSU

OFFERED IN ALTERNATE FALL SEMESTERS

CVT 110. Cardiovascular Skills (7)

Lec-105, Lab-52.5

PREREQ: BIO 106 OR BIO 108

COREQ: ECHO 101 AND CVT 101

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Develop technical imaging skills to perform echocardiograms and manipulate ultrasound system instrumentation. Identify cardiac structures and locations of standardized measurements. Complete

electrocardiogram (ECG) and assess rhythm strips and 12 lead electrocardiograms. CSU

OFFERED IN ALTERNATE FALL SEMESTERS

CVT 201. Advanced Cardiovascular Technician (4)

Lec-52.5, Lab-52.5

PREREQ: CVT 101

Advanced complex cardiac rhythms including heart blocks, bundle branch blocks, and accessory pathways. Includes cardiac pharmacology, pacemaker technology, exercise treadmill exams, and stress echo indications: procedures and analysis. CSU

OFFERED IN ALTERNATE SPRING SEMESTERS

CVT 210A. Introductory Echocardiography Professional Practice (5)

Lec-52.5, Lab-108

PREREQ: CVT 110

COREQ: CVT 210B; CVT 201; ECHO 201

This is the adjunct course to CVT 210B, Professional Work Experience. The course instructor will oversee the student's continuing echocardiographic skills development in the CVT ECHO Skills Lab in the college setting. There will be oversight and support of students in their medical center internships (professional work experience). CSU

CVT 210B. Introductory Echocardiography Professional Practice Work Experience (2)

Work-144

P/NP only

PREREQ: CVT 110; APPROVAL OF HEALTHCARE TECHNOLOGY DEPARTMENT.

COREQ: CVT 210A; CVT 201; ECHO 201

A supervised professional work experience at the entry level in performance of ultrasound procedures and other noninvasive cardiac procedures. Emphasis on observation of echocardiograms on inpatients in critical care units, developing patient care skills, learning departmental guidelines for processing echocardiograms, and performing basic echocardiograms. Placement is determined by Program Officials. One unit of credit is earned for 60 hours of unpaid or 75 hours of paid work. CSU
A FEE OF \$6 FOR A NAME TAG WILL BE ASSESSED TO THE STUDENT ACCOUNT.

CVT 301. Physics of Cardiac Ultrasound (3)

Lec-52.5

PREREQ: CVT 201

Description and analysis of ultrasound physics as applied to sound waves, transducers, two-dimensional images, Doppler, hemodynamic principles, system functions, ultrasound artifacts and biosafety concerns. CSU

OFFERED IN ALTERNATE FALL SEMESTERS

CVT 310A. Intermediate Echocardiography Professional Practice (4)

Lec-52.5, Lab-70

PREREQ: CVT 210A; CVT 210B

COREQ: CVT 310B; CVT 301; ECHO 301

This is the adjunct course to CVT 310B, Professional Work Experience. Oversight of the student's continuing skills development in the CVT ECHO College Skills Lab as it relates to performance during professional work experience in non-invasive cardiology departments, CSU

CVT 310B. Intermediate Echocardiography Professional Practice Work Experience (6.5)

Work-408, field trips

P/NP only

PREREQ: CVT 210A; CVT 210B; APPROVAL OF HEALTHCARE TECHNOLOGY DEPARTMENT

COREQ: CVT 310A; CVT 301; ECHO 301

Second semester of intermediate training level under supervised profes

sional in a medical center with performance of ultrasound procedures and other noninvasive cardiac procedures. Emphasis on performing echocardiograms on inpatients in critical care units and completing reports in patient archiving systems. Placement is determined by program officials. One unit of credit is earned for 60 hours of unpaid or 75 hours of paid work. CSU

CVT 410A. Echocardiography Professional Practice (3)

Lec-52.5 P/NP only

PREREQ: CVT 310A AND CVT 310B

COREQ: ECHO 401 AND CVT 410B

This course covers the preparation and requirements to complete the work experience in an Echocardiography Department, prepares students for the certification examination, and provides resume, job search, and interview techniques for employment in the profession. CVT 410A is the corequisite course to CVT 410B, Echocardiography Professional Experience. CSU
CVT 410A + CVT 410B = CVT 410

CVT 410B. Echocardiography Professional Experience (6.5)

Work-408, field trips P/NP only

PREREQ: CVT 310A AND CVT 310B

COREQ: ECHO 401 AND CVT 410A

A supervised professional work experience with the most advanced training level in performance of cardiac ultrasound procedures and other invasive cardiac procedures. Emphasis on performing echocardiograms on inpatients in critical care units and completing preliminary reports in patient archiving systems. CVT 410B is the adjunct course to CVT 410A, Echocardiography Professional Practice. One unit of credit is earned for 60 hours of unpaid or 75 hours of paid work. CSU
CVT 410A + CVT 410B = CVT 410

ECG Technician

ECGT 101. ECG Technician I (4)

Lec-52.5, Lab-70

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introduction to the cardiovascular system and related terminology. Emphasis on basic rhythm identification, calculation of wave forms, and cardiac disease states. Patient preparation, running, mounting and basic interpretation of 12 lead, single and three channel ECG tracings. CSU
FORMERLY EKGT 101

OFFERED SPRING AND FALL SEMESTERS

ECGT 102. ECG Technician II (4)

Lec-52.5, Lab-52.5

PREREQ: ECGT 101

Advanced knowledge of cardiovascular system with emphasis on the heart in disease states including interpretation of advanced arrhythmias, hypertrophies, cardiac ischemia, and myocardial infarction. Patient preparation and running of appropriate ECG machines. Introduction to other non-invasive cardiology tests. CSU

FORMERLY EKGT 101

OFFERED SPRING SEMESTERS

ECGT 103A. Electrocardiography Professional Experience (1)

Lec-17.5 P/NP only

PREREQ: ECGT 102

COREQ: ECGT 103B

Covers professional requirements relating to supervised experience in a Non-Invasive Cardiology Department performing cardiovascular procedures. Cardiovascular Credentialing International (CCI) Registry Exam application and preparation skills. CSU

OFFERED ONLY IN FALL SEMESTERS

ECGT 103B. Electrocardiography Professional Practice (3)

Work-180, field trips P/NP only

PREREQ: ECGT 102; APPROVAL OF HEALTH CARE TECHNOLOGY DEPARTMENT.

COREQ: ECGT 103A

Provide students with supervised professional experience in a Non-Invasive Cardiology Department performing cardiovascular procedures. Emphasis on performing electrocardiograms and exercise stress tests on inpatients and outpatients. One unit of credit is earned for each 60 hours of unpaid, or 75 hours of paid work. CSU

A FEE OF \$6 FOR A NAMETAG WILL BE ASSESSED TO THE STUDENT ACCOUNT.

OFFERED ONLY IN FALL SEMESTERS

Emergency Medical Technician

EMT 11A. Pediatric CPR and First Aid (.5)

Lec-9 P/NP available

Training for childcare providers in pediatric CPR and first aid including the practice of universal precautions, use of an AED and integration with the EMS system. Qualified participants are awarded the American Heart Association Pediatric Heartsaver First Aid CPR AED card.

This course fulfills the requirement of the State EMS Authority for Childcare Providers. CSU

STUDENTS ENROLLED IN THIS COURSE WILL BE ASSESSED A LAB/MATERIAL FEE FOR CPR FIRST AID CARDS

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

EMT 12. Basic Life Support for Healthcare Providers (.5)

Lec-9 P/NP available

American Heart Association (AHA) Basic Life Support cardiopulmonary resuscitation (CPR) with AED certification course. Instruction and practice in the identification and the care of cardiac arrest and choking in adults, children, and infants. AHA BLS Provider cards issued for those who meet competency standards. CSU

STUDENTS ENROLLED IN THIS COURSE WILL BE ASSESSED A \$5 LAB/MATERIAL FEE FOR AHA BLS PROVIDER CERTIFICATION CARD.

OFFERED FALL AND SPRING SEMESTERS

EMT 13. Standard First Aid (.5)

Lec-9 P/NP available

Standard First Aid includes how to activate the Emergency Medical Services System, recognize the need for emergency care, resuscitation, and specific care for certain medical, traumatic, and environmental emergencies on infants, children, and adult patients. American Heart Association (AHA) Heartsaver First Aid CPR AED card awarded to those who meet AHA competency standards. CSU

STUDENTS ENROLLED IN THIS COURSE WILL BE ASSESSED A \$20 LAB/MATERIAL FEE FOR AHA HEARTSAVER FIRST AID/CPR/AED CARD.

OFFERED ON OCCASION

EMT 14. First Aid and Cardiopulmonary Resuscitation (3)

Lec-52.5 P/NP available

Emergency care for one and two-rescuer adult, child, and infant CPR with bag mask ventilation and AED. First aid for the sick and injured including care of life-threatening, medical, environmental, and traumatic emergencies. Standard first aid, CPR, and AED certification(s) granted upon successful completion of requirements. UC/CSU

C-ID KIN 101

STUDENTS ENROLLED IN THIS COURSE WILL BE ASSESSED A \$25 LAB/MATERIAL FEE FOR CPR AND FIRST AID CARDS.

OFFERED FALL AND SPRING SEMESTERS

EMT 99. National Registry EMT Exam Preparation Course (1)

Lec-18 P/NP only

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: EMT 100 OR EQUIVALENT COURSE WORK AT ANOTHER COLLEGE

Preparation for the computer-adaptive examination used by the National Registry of Emergency Medical Technicians (NREMT) to verify cognitive competency of a basic level Emergency Medical Technician. This course assists students with test-taking skills on scenario-based exams. CSU

OFFERED FALL AND SPRING SEMESTERS

EMT 100. Emergency Medical Technician (8)

Lec-105, Lab-105

PREREQ: CURRENT AHA HEALTHCARE PROVIDER CPR CARD

RECOMMENDED PREP: CERTIFIED BACKGROUND CHECK, IMMUNIZATION SCREENING, DRUG SCREENING, AND ENROLLMENT IN CERTIFIED BACKGROUND SYSTEM ARE REQUIRED FOR ALL ENROLLED STUDENTS BEFORE BEING PLACED ON CLINICAL ROTATIONS.

Designed to meet the requirements of the State and National Emergency Medical Services (EMS) Education Standards for the Emergency Medical Technician (EMT) basic level provider. Students acquire the cognitive, psychomotor, and affective skills required to provide emergency care and transportation of the ill and injured. Includes required clinical experience on ambulance. CSU

A FEE OF \$6 FOR A NAMETAG WILL BE ASSESSED TO THE STUDENT ACCOUNT.

OFFERED FALL AND SPRING SEMESTERS

EMT 101A. EMT Theory and Skills I (4)

Lec-70, field trips

Explores the knowledge and skills of basic Emergency Medical Services workers. Content introduces skills of the basic Emergency Medical Technician (EMT) including history of EMS and foundations of prehospital care. The first of two classes that prepares students to enter an EMT program. CSU

OFFERED FALL SEMESTERS

EMT 101B. EMT Theory and Skills II (4)

Lec-70, field trips

PREREQ: EMT 101A

The second portion of EMT theory and skills provides the knowledge and skills required to manage emergencies in the prehospital setting. Emphasis on the assessment and management of various medical and traumatic emergencies. CSU

ALL SECTIONS WILL CHARGE A MATERIAL FEE OF \$5.00

OFFERED SPRING SEMESTERS

EMT 104. Advanced Skills for EMS Providers (4)

Lec-52.5, Lab-52.5 P/NP available

PREREQ: EMT 100

A review of advanced life support psychomotor competency at the paramedic level with a focus on procedural skills development. Incorporates assessment and treatment skills into simulations of critical and non-critical medical and trauma patients. CSU

OFFERED FALL AND SPRING SEMESTERS

Noncredit Courses:**EMT 5000. Heartsaver First Aid/CPR/AED (8 hrs)**

Cardiopulmonary resuscitation (CPR) and first aid (FA) training for the community or for laypersons who may require a completion card for their workplace. Early recognition and management of a victim of a medical, environmental, or traumatic injury, high quality CPR,

use of an automated external defibrillator (AED), and first aid for medical and trauma emergencies. An American Heart Association Heartsaver First Aid/CPR/AED card will be awarded upon successful completion.

OFFERED ON OCCASION

EMT 5005. EMT Refresher (24-48 hrs)

PREREQ: CURRENT CPR CERTIFICATION AT THE HEALTHCARE PROVIDER LEVEL

This course meets the State of California requirements for the Emergency Medical Technician (EMT) refresher and provides the course content and skills verification necessary to recertify as an EMT at the basic level. Additional content fulfills the National Registry of EMT's refresher for recertification at the national level.

NONCREDIT COURSE OFFERED AT THE DEPARTMENT'S DISCRETION

Paramedic Program

Students must submit an application and be accepted into the Paramedic Program prior to registration.

EMTP 121. Introduction to EMS (3)

Lec-35, Lab-52.5

PREREQ: BIO 106; EMT 104

Introduction to Emergency Medical Services (EMS) including the history of EMS development, medical legal issues in emergency care, health and safety of the paramedic, principles of EMS research, procedural skills of patient assessment, and advanced airway management. CSU

A FEE OF \$6 FOR A NAMETAG WILL BE ASSESSED TO THE STUDENT ACCOUNT.

OFFERED FALL SEMESTERS

EMTP 122. Pharmacology in EMS (3)

Lec-35, Lab-52.5

PREREQ: BIO 106; EMT 104; COMPLETION OF OR CONCURRENT ENROLLMENT IN: EMTP 121

COREQ: EMTP 123; EMTP 125

Basic principles of pharmacology including drug classifications, actions, therapeutic uses in emergency medical services (EMS) and methods of medication administration. CSU

OFFERED FALL SEMESTERS

EMTP 123. Trauma Emergencies (3)

Lec-52.5

PREREQ: BIO 106; EMT 104

COREQ: EMTP 124

Pathophysiology, assessment and management of trauma emergencies in the field. Basic and advanced management principles and continuum of trauma care. Focus on prehospital and definitive management of patients with shock as the result of traumatic injury. CSU

OFFERED FALL SEMESTERS

EMTP 124. Trauma Certification (2)

Lec-17.5, Lab-52.5

PREREQ: BIO 106; EMT 104

COREQ: EMTP 123

This course meets the requirements for trauma certification according to national, state and local standards in emergency medical services. This course is a required for students enrolled in the paramedic program. CSU

A FEE OF \$15 WILL BE ASSESSED TO THE STUDENT ACCOUNT FOR THE PREHOSPITAL TRAUMA LIFE SUPPORT PROVIDER CARD. STUDENTS MUST PAY THIS FEE TO RECEIVE THE CARD.

OFFERED FALL SEMESTERS

EMTP 125. Cardiorespiratory Emergencies (4)

Lec-52.5, Lab-52.5

PREREQ: BIO 106; EMT 104

Assessment and management principles in EMS advanced life support care of patients with respiratory and cardiovascular emergencies in the emergency setting. Includes ECG interpretation of dysrhythmias, 12-Lead ECG, and cardiorespiratory pharmacology. Advanced cardiac life support guidelines and preparation for certification. CSU

A FEE OF \$7 WILL BE ASSESSED TO THE STUDENT ACCOUNT FOR THE ADVANCED CARDIAC LIFE SUPPORT PROVIDER CARD. STUDENTS MUST PAY THIS FEE TO RECEIVE THE CARD.

OFFERED FALL SEMESTERS

EMTP 126. Neuroendocrine Emergencies (3)

Lec-35, Lab-52.5

PREREQ: EMTP 121; EMTP 122; EMTP 125

Prehospital assessment and management of patients with altered mental status, seizures, strokes, diabetes, and other dysfunctions of the neuroendocrine systems. CSU

OFFERED SPRING SEMESTERS

EMTP 127. Medical Emergencies (3)

Lec-35, Lab-52.5

PREREQ: EMTP 121; EMTP 122; EMTP 125

Prehospital assessment and management of patients with medical emergencies, including allergic, anaphylactic, gastrointestinal, genitourinary, hematologic, toxicologic, psychiatric, environmental, infectious, and immunologic emergencies. CSU

OFFERED SPRING SEMESTERS

EMTP 128. OB/GYN & Pedi Emergencies (4)

Lec-52.5, Lab-52.5

PREREQ: EMTP 121; EMTP 122; EMTP 125

Prehospital assessment and management of gynecological, obstetric, neonatal and pediatric emergencies. CSU

OFFERED SPRING SEMESTERS

EMTP 129. Special Populations, EMS Ops (4)

Lec-35, Lab-105

PREREQ: EMTP 121; EMTP 122; EMTP 123; EMTP 125

Prehospital assessment and management of patients with special healthcare challenges. Special populations topics include geriatrics, abuse/neglect, homelessness, poverty, hospice, and home care. Also reviews EMS operations, including crime scene awareness, and patient and scene management at multiple casualty incidents. CSU

OFFERED SPRING SEMESTERS

EMTP 130A. Paramedic Clinical Education (7)

Lec-52.5, Lab-200 P/NP available

PREREQ: EMTP 126 AND EMTP 127 AND EMTP 128 AND EMTP 129

Didactic and psychomotor competency evaluations in the Paramedic program and supervised patient care in a variety of clinical settings. Paramedic students must successfully pass all competency evaluations in this course to be approved for the Capstone Field Internship. CSU

OFFERED SUMMER SEMESTERS

EMTP 130B. Paramedic Field Internship (8)

Work-500, field trips P/NP available

PREREQ: EMTP 130A; APPROVAL OF HEALTH CARE TECHNOLOGY DEPARTMENT

Capstone field internship with a paramedic preceptor on an ambulance for evaluation of baseline competency as safe, entry level paramedic pur

suant to national and state standards and regulations in the emergency medical services (EMS) professions. Course completes with a review of terminal competency requirements, exit examinations and medical director review of student competency as a safe, entry level paramedic. One unit of credit is earned for 60 hours of unpaid, or 75 hours of paid work. CSU

OFFERED FALL SEMESTERS

EMTP 131. Simulation in Healthcare Education (2)

Lec-35

P/NP available

Introduction to the history, design, and facilitation of simulation in healthcare education and training. Adult learning theory, varieties of healthcare simulation, objectives, and practical application and practice across a range of simulation types. CSU

OFFERED ON OCCASION

Health Care Technology**HCT 61. Introduction to Health Care (2)**

Lec-35

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An overview of the evolution of medicine and health care delivery. Development and organization of health care professions, including health information management and medical assisting. Emphasis on inpatient, outpatient, and physician office record content; numbering and filing systems; and electronic health record adoption. CSU

OFFERED SPRING AND FALL SEMESTERS

HCT 67. Computer Applications in the Health Care Setting (2)

Lec-17.5, Lab-52.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

An introduction to the various types of computer systems and their use in health care. Instruction will include word processing, spreadsheets, presentation materials, databases, the Internet, and the Health Information Exchange. Importance of data accuracy, consistency, completeness, letter and memo presentation, and data security are emphasized. CSU

OFFERED SPRING AND FALL SEMESTERS

HCT 82A. Professional Practice Preparation and Certification (2)

Lec-26.5, Lab-26.5

P/NP only

PREREQ: HIT 50B; MED 49; MED 56; MED 70; MED 71; MED 55
COREQ: HCT 82B

This class covers the requirements to complete the professional practice in a medical office, outpatient clinic, or health center, including various clinical and administrative skills, preparation for taking certification exams, and resume, job search, and interviewing techniques. CSU

OFFERED ONLY IN SUMMER SEMESTERS

HCT 82B. Professional Practice Internship (3)

Work-180

P/NP only

COREQ: HCT 82A

A supervised, unpaid experience in developing a professional relationship with patients and health professionals in physicians' offices, outpatient clinics, and health centers focusing on professional attitudes and work-related entry-level competencies. One unit of credit is earned for 60 hours of unpaid or 75 hours of paid work. CSU

A FEE OF \$6 FOR A NAMETAG WILL BE ASSESSED TO THE STUDENT ACCOUNT.

OFFERED ONLY IN SUMMER SEMESTERS

HCT 104. Phlebotomy Technician (5.5)

Lec-92.5, Lab-27

RECOMMENDED PREP: BSEN 74 OR ESL 186 OR CMST 4 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Theoretical knowledge and skills competencies necessary to meet California regulatory requirements for phlebotomy technicians. Emphasis on phlebotomy techniques, equipment, medical/legal considerations, safety, infection control, specimen collection and handling, patient preparation and patient care. Course prepares student to take the CPT-1 examination. CSU

FORMERLY ERT 104

OFFERED SPRING AND FALL SEMESTERS

HCT 110. Health Unit Coordinator (4)

Lec-52.5, Lab-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Instruction in core concepts required for certification as health unit coordinator. Health care environments, roles and responsibilities of unit coordinator, ethical issues; medical terminology; communication systems; medical transcription; patient medical record maintenance; processing orders, and professional communications within the health unit. CSU

OFFERED FALL AND SPRING SEMESTERS

Health Information Technology**HIT 50A. Medical Terminology I (3)**

Lec-52.5

Introductory course on the roots, prefixes, suffixes and abbreviations used to form and define medical terminology. The systems based terminology covers anatomy, vocabulary, disease states, diagnostic procedures, laboratory findings and standard pharmaceuticals in systems such as: gastrointestinal, cardiovascular and genitourinary. CSU

OFFERED SPRING AND FALL SEMESTERS

HIT 50B. Medical Terminology II (2)

Lec-35

PREREQ: HIT 50A

Continuing medical terminology course with emphasis on the hematology, lymphatic, immune, musculoskeletal, integumentary, and endocrine systems, and the sense organs. Selected terminology and abbreviations used in specialty areas of psychology, oncology, radiology, and nuclear medicine. CSU

OFFERED SPRING AND FALL SEMESTERS

HIT 51. Basic Medical Terminology (1)

Lec-17.5

Basic course in medical terminology covering roots, prefixes, suffixes, and abbreviations with emphasis on the gastrointestinal and cardiovascular systems. Recommended for students applying to the medical interpreter program and those exploring entry into health careers. CSU

OFFERED SPRING AND FALL SEMESTERS

HIT 57. Disease Process (3)

Lec-52.5

PREREQ: BIO 106 AND HIT 50A

Instructs students in the general principles of disease processes with emphasis on the etiologies and anatomical and physiological manifestations. The class focuses on diagnostic studies, procedures, treatments, and medications utilized in the diagnosing and treatment of diseases. CSU

OFFERED SPRING AND FALL SEMESTERS

HIT 63. Health Information Systems (3)

Lec-35, Lab-52.5

PREREQ: HCT 61 AND HIT 50A

RECOMMENDED PREP: HCT 67

Instruction in healthcare delivery systems utilized in health information management practice with emphasis on secondary data sources, accreditation and regulatory requirements, alternative healthcare settings, the electronic health record (EHR), and healthcare information systems. CSU

OFFERED SPRING SEMESTERS

HIT 65. Organization of Health Data (3)

Lec-35, Lab-52.5

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: HCT 61

RECOMMENDED PREP: HCT 67

The study of basic hospital and health statistics including sources, definitions, and use of health data. Computerized and manual methods of collecting, processing, and preparing statistical reports and spreadsheets for health care management, including various methods of presenting data, predictability studies, data mining, calculation of common rates and percentages. CSU

OFFERED SPRING SEMESTERS

HIT 72. Legal Aspects of HIM (3)

Lec-35, Lab-52.5

PREREQ: HCT 61

RECOMMENDED PREP: HCT 67 AND HIT 50B

Overview of the fundamentals of law, U. S. legal system, consents, confidentiality, release of information, use of patient records during proceedings and health information practice, ethics, regulatory requirements, compliance, risk management and quality improvement. Emphasis on privacy and security rules from the Health Information Portability and Accountability Act (HIPAA). CSU

OFFERED FALL SEMESTERS

HIT 73A. ICD-10-CM Coding (3)

Lec-52.5

PREREQ: BIO 106

COREQ: HIT 50A

RECOMMENDED PREP: HCT 61

Provides students with basic International Classification of Disease, 10th Edition, Clinical Modification (ICD-10-CM) coding principles with emphasis on inpatient and outpatient guidelines. The course focuses on format, code conventions, Uniform Hospital Discharge Data Set (UHDDS) guidelines, document sources, code sequencing, and code assignment. CSU

OFFERED SPRING AND FALL SEMESTERS

HIT 73B. ICD-10-PCS Coding (3)

Lec-35, Lab-52.5

PREREQ: HIT 73A

COREQ: HIT 50B

ICD-10-PCS instructs students in the process of building codes in the new procedure coding system. Instruction includes selection of ICD-10-CM and ICD-10-PCS codes for coding cases, regulatory guidelines, an overview of Medical Severity Diagnostic Related Groups (MS-DRGs), and computerized encoders and groupers. CSU

OFFERED SPRING SEMESTERS

HIT 75. Organization and Management in Health (3)

Lec-52.5

RECOMMENDED PREP: HIT 77A OR HCT 82B

Instruction in the introduction to the principles of organization and management functions and theories in various settings, time mana

gement and management tools, communication processes, decision making strategies, recruitment and staffing, performance reviews, disciplinary actions, motivating personnel, budget, and grievances and labor unions. CSU

OFFERED FALL SEMESTERS

HIT 76. CPT Coding (3)

Lec-52.5

RECOMMENDED PREP: HIT 50A

The Current procedural terminology (CPT) coding system is used to describe services and procedures provided by health care providers to include evaluation and management, surgery, radiology, pathology, laboratory, and medicine. The class includes an overview of the Health Care Common Procedure Coding System. CSU

OFFERED SPRING AND FALL SEMESTERS

HIT 77A. Professional Practice I (4)

Lec-52.5, Lab-52.5

P/NP only

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN:

HIT 73A

COREQ: HIT 77B

RECOMMENDED PREP: HIT 63 AND HIT 65

Provides students with supervised professional practice experience preparation, explores and refines the knowledge and skills for a health Information management student, provides practice reviews for national exam and develops professionalism. This preparation is the first course of a two-part series. The second course is the professional practice experience. CSU

OFFERED SPRING SEMESTERS

HIT 77B. Professional Practice II (2)

Work-120, field trips

P/NP only

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN:

HIT 73A

COREQ: HIT 77A

Provide students with advanced, hands-on specialty professional practice experience in performing specific activities in the HIM setting. Emphasis on legal aspects, quality and risk management, utilization review, management and supervision, CPT and ICD coding, DRG assignment, healthcare statistics and electronic health records. One unit of credit is earned for 60 hours of unpaid or 75 hours of paid work. CSU

RECOMMENDED TO BE TAKEN IN STUDENT'S LAST SEMESTER

OFFERED SPRING SEMESTERS

HIT 79. Healthcare Quality and Reimbursement (4)

Lec-52.5, Lab-52.5

PREREQ: HIT 50B

COREQ: HIT 73A

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: HIT 63; HIT 76

This course explores healthcare quality and emerging pay-for-performance reimbursement methodologies. Analyzes the complexities of quality, the measurement and improvement of quality, and explores measures from a variety of organizations and comparison sites. Introduction to key theories and concepts, models of quality improvement as the basis for improved outcomes and reimbursement. CSU

FORMERLY HIT 74 AND HIT 78 WHICH HAVE BEEN COMBINED INTO HIT 79

OFFERED SPRING SEMESTERS

HIT 80. Registered Health Information Technician Exam Preparation (1)

Lec-17.5

P/NP only

PREREQ: COMPLETION OF AS IN HEALTH INFORMATION TECHNOLOGY

This is an in-depth review of Health Information Management principles to prepare Health Information Technology (HIT) graduates for the American Health Information Management Association (AHIMA) National Registered Health Information Technician (RHIT) examination. The focus is on reviewing materials, test-taking and study strategy. Students use a variety of resources to prepare for the national exam. It is recommended that students take this course within six months of sitting for the RHIT exam. CSU

OFFERED SUMMER SEMESTERS

Medical Assisting

MED 49. Clinical Procedures (5.5)

Lec-87.5, Lab-35

PREREQ: BIO 106 AND HIT 50A

RECOMMENDED PREP: ELEMENTARY ALGEBRA OR HIGHER

Instruction in clinical procedures to include aseptic techniques, sterilization and maintenance of equipment, instruction in and collection of lab specimens, patient preparation for specific examinations, selection of medical instruments for procedures, administration of injections, and electrocardiograms. Charting patient history, vital signs and progress notes in medical records. Instruction in medical calculations, prescriptions, and commonly prescribed medications. CSU

OFFERED SPRING AND FALL SEMESTERS

MED 55. The Electronic Health Record (3)

Lec-35, Lab-52.5

RECOMMENDED PREP: HIT 50A

Structural components of the interactive electronic health record (EHR) and how it supports communication and continuity of care. Perspective on how the EHR impacts work and workflow. Practical hands-on experience utilizing an educational version of an EHR to manage patient visit information, such as examination/assessment notes and treatment plans. CSU

OFFERED SPRING AND FALL SEMESTERS

MED 56. Administrative Procedures (3.5)

Lec-52.5, Lab-35

RECOMMENDED PREP: HCT 61 AND (CMST 6 OR BSEN 74 OR READINESS FOR COLLEGE-LEVEL ENGLISH)

Instruction in the U.S. health care environment; medicolegal and ethical responsibilities; the art of communication; telephone, reception, appointment scheduling, medical record management techniques; written correspondence; processing mail and telecommunications; office managerial responsibilities, seeking employment, and future health care trends. CSU

OFFERED FALL SEMESTERS

MED 62. Communication and Professionalism in Health Care (2)

Lec-35

RECOMMENDED PREP: CMST 6 OR BSEN 74 OR ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Communication and professionalism play an increasingly important role in the success of health care professionals today. Effective communication will be explored from both personal and professional points of view. Critical thinking skills and case studies will be emphasized. This course will also explore the roles of health care professionals as the patient coaches and advocates of today. CSU

OFFERED SPRING SEMESTERS

MED 70. Medical Insurance Billing (2)

Lec-35, Lab-17.5

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: HIT 76
 RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: MED 71

A comprehensive and intensive study of the financial activities of medical insurance billing. The course reviews medical terminology as it relates to insurance claims, utilizes procedure and diagnostic coding, and provides practice in completing various insurance claim forms to include commercial, Medicare, Medicaid, worker's compensation, and disability insurance, and managed care claims. CSU

*OFFERED SPRING SEMESTERS***MED 71. Electronic Management of Financial Medical Records (2)**

Lec-17.5, Lab-52.5

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: HIT 76 AND MED 70

An introduction to medical office financial applications. Practice with management software to create new accounts, post charges, payments, and adjustments to accounts, create patient statements and insurance claim forms, and print financial activity reports. Learn banking, collection, and accounts payable procedures, chart abstraction, and physician queries. CSU

*OFFERED SPRING SEMESTERS***MED 72. Advanced Medical Insurance Billing (2)**

Lec-35, Lab-17.5

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: HIT 76
 HIT 73A

An advanced insurance billing course that concentrates on commercial, Medicare, and Medicaid insurance claims. The course focuses on specialty billing to include internal medicine, cardiology, general surgery, dermatology, neurology, OB/GYN, and orthopedics. Learn to complete primary and secondary insurance billing and appeal denied claims. CSU

*OFFERED FALL SEMESTERS***MED 73. Advanced Medical Billing (1.5)**

Lec-17.5, Lab-35

PREREQ: MED 71

An advanced medical billing course in which students will manage and edit patient billing records, analyze financial activities, examine insurance company policies and patient benefits, and compare and contrast the various medical billing credentials. CSU

*OFFERED FALL SEMESTERS***Pharmacy Technician**

Students must be accepted into the Pharmacy Technician Program to register in PHTC 101 and 102.

PHTC 101. Pharmacy Technician I - Theory (9)

Lec-157.5

PREREQ: INTERMEDIATE ALGEBRA OR HIGHER

COREQ: PHTC 102

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Prepares students to work as technicians in pharmacies under the direct supervision of a pharmacist. Drug classification and indications; pharmacy laws, rules and regulations; storage, inventory, and record keeping of drugs; drug dose calculations and pharmacy math; basic anatomy and physiology; medical terminology, abbreviations, and symbols used in prescriptions. CSU

*OFFERED FALL SEMESTERS***PHTC 102. Pharmacy Technician I - Clinical (7)**

Lec-70, Lab-157.5

COREQ: PHTC 101

Application of pharmaceutical knowledge, pharmacy law, pharmaceutical calculations, and terminology to a lab and clinical setting, as well as work with storage and labeling of drug requirements, sterile and non-sterile products preparation, and computerized record keeping. CSU

*OFFERED FALL SEMESTERS***PHTC 102A. Health Care Mathematics (2)**

Lec-36

Introduction to mathematical calculations required for health care professionals. Emphasis on the use of ratio and proportion method, percentage and basic algebraic equations to determine drug dosing. Topics include various measurement systems for calculating oral and parenteral drug dosages. CSU

*OFFERED ONLY IN SUMMER SEMESTERS***PHTC 103. Pharmacy Technician II - Theory (9)**

Lec-157.5

PREREQ: PHTC 101

Advanced drug classification, mechanism of action, indications, and side effects; preparation of intravenous additives and chemotherapeutic agents; record keeping of legend and controlled drugs; anatomy, physiology, medical terminology, pharmacology, and pharmaceutical calculations, and pharmacy law as they pertain to pharmacy practice. CSU

*OFFERED SPRING SEMESTERS***PHTC 104. Pharmacy Technician II - Clinical (5)**

Lec-35, Lab-164

PREREQ: PHTC 102

COREQ: PHTC 103

Application of advanced drug preparation skills to various clinical settings as well as maintaining inventory, storage requirements, drug selection, preparation and filling of prescriptions. Emphasis on quality assurance and the use of automated technology as related to preparation of IV admixtures and chemotherapeutic agents. CSU

*OFFERED SPRING SEMESTERS***PHTC 104A. Pharmacy Technician Clinical Preparation (5)**

Lec-87.5

PREREQ: PHTC 101; PHTC 102

COREQ: PHTC 103; PHTC 104B

Application of advanced drug preparation skills to various clinical settings as well as maintaining inventory, storage requirements, drug selection, preparation and filling of prescriptions. Emphasis on quality assurance and the use of automated technology as related to preparation of IV admixtures and chemotherapeutic agents. CSU

*OFFERED SPRING SEMESTERS***PHTC 104B. Pharmacy Technician Externship (4)**

Work-240

PREREQ: PHTC 101 AND PHTC 102

COREQ: PHTC 103 AND PHTC 104A

A supervised work experience in developing a professional relationship with patients, pharmacy staff, and other health care personnel in a retail pharmacy and hospital setting focusing on professional attitudes and work-related entry-level competencies. One unit of credit is earned for 60 hours of unpaid or 75 hours of paid work. CSU

A FEE OF \$6 FOR A NAMETAG WILL BE ASSESSED TO THE STUDENT ACCOUNT.

Formerly Health Science

Announcement of Curricula

General Information

The Health Education Department is committed to promoting individual, family and community health, advocating for social justice and the elimination of health inequities.

The Department offers a wide range of courses and career and technical education training programs designed to:

- Provide students with academic training in the interdisciplinary field of Public Health.
- Meet associate degree and transfer requirements.
- Train students for careers in Public Health.
- Diversify the health work force.

To this end, we offer a Health Education Major, an Associate Degree for Transfer in Public Health Sciences, an Associate Degree for Transfer in Nutrition and Dietetics and certificates in the following areas for students interested in health-related careers:

- **Addiction and Recovery Counseling**
- **Community Health Worker**,
- **Community Mental Health**
- **Health Care Interpreter**
- **Peer Health Educator**

Nutrition and Dietetics Major (AS-T)

The Associate in Science in Nutrition and Dietetics for Transfer degree (AS-T in Nutrition and Dietetics) prepares students for success in a baccalaureate degree in Nutrition and Dietetics with the lower-division coursework required to transfer into the CSU system. This degree prepares students for careers in the field of nutrition and dietetics, and pathways to become a Registered Dietitian Nutritionist (RDN), working in clinical settings such as hospitals, HMOs, private practice or other health care facilities; or in community and public health settings, academia, research; or other non-traditional settings such as in the food and nutrition industry, business, journalism, sports nutrition, or corporate wellness programs.

The AS-T in Nutrition and Dietetics prepares students to transfer to the California State University (CSU) System in the field of nutrition and dietetics, and other health-related majors. Students who earn this degree and meet the CSU minimum eligibility requirements are guaranteed admission to a CSU, but not to a particular campus or major. Students who wish to earn the AS-T must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU General Education (GE) curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of “C” (or “P”) or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

Learning Outcomes

Upon completion of this program, students will be able to:

- Integrate scientific concepts of biology and chemistry related to the functioning of the nutrients in the human body.

- Apply knowledge of metabolism and nutrient functions, food sources, and physiologic systems to communicate evidence-based nutrition information.
- Analyze the relationship between diet, lifestyle, and health outcomes within the framework of the social determinants of health.

The Associate in Science in Nutrition and Dietetics for Transfer degree (AS-T in Nutrition and Dietetics) is open to all students who are admitted to City College of San Francisco and have satisfied any prerequisites required for classes listed in the major.

The minimum time to completion is 4 semesters. Completion time will vary based on student preparation and number of units completed each semester.

Courses Required for the AS-T in Nutrition and Dietetics

Course Units

Required Core:

BIO 134 Introduction to Nutrition for Health
Sciences 3.0
PSYC 1 General Psychology 3.0
CHEM 101A General College Chemistry 6.0
and CHEM 101B General College Chemistry 5.0
BIO 120 Introduction to Microbiology 4.0

LIST A: Select one course

CHEM 208A Chemical Structure and Reactivity I 4.0
or CHEM 212A Organic Chemistry 6.0
BIO 108 General Human Anatomy 4.0
or BIO 111 Human Physiology 5.0
or BIO 112 Introduction to Human Physiology 4.0
ECON 5 Introductory Statistics for Economics,
Business and Social Sciences 5.0
or LALS 5 Introduction to Statistical Methods in
Latin American and Latino/a Studies 5.0
or MATH 80 Probability and Statistics 5.0
or PSYC 5 Statistics for Behavioral Sciences 5.0

LIST B: Select one course (or any science course from LIST A not already completed)

ENVS 31 Introduction to Environmental Science 3.0
CHEM 40 Introduction to Chemical Principles 5.0
SOC 1 Introduction to Sociology 3.0
SOC 35 Sex, Marriage, and Family Relationships 3.0
ANTH 3 Introduction to Social and Cultural
Anthropology 3.0
ECON 1 Principles of Macroeconomics 3.0
ECON 3 Principles of Microeconomics 3.0
CDEV 53 Child Growth and Development 3.0

Total: 28.0 – 32.0

Public Health Science Major (AS-T)

The Associate in Science in Public Health Science for Transfer degree is designed to provide students with sufficient understanding of public health theories, concepts and applications to succeed in upper division coursework in public health and health-related majors at a four-year college or university. This degree emphasizes a social justice framework, with a focus on the social determinants of health and improving the health of diverse communities. The major in Public Health prepares students for careers in public health and related health professions in settings including community based organizations, health departments, local state and federal agencies, social service organizations, healthcare organizations, educational institutions and research organizations.

The Public Health Science Associate in Science Degree for Transfer (AS-T) prepares students to transfer to the California State University (CSU) System in the field of Public Health and other health-related majors. Students who earn this degree and meet the CSU minimum eligibility requirements are guaranteed admission to a CSU, but not to a particular campus or major. Students who wish to earn the AS-T must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU General Education (GE) curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of “C” (or “P”) or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply a public health equity framework to support the health and well-being of diverse communities.
- Access, interpret, and analyze health data and evidence-based research to understand and improve community health.
- Integrate principles of biology and chemistry into a public health framework.

The Public Health Science Associate of Sciences Degree for Transfer (AS-T) is open to all students who are admitted to City College of San Francisco and have satisfied any prerequisites required for classes listed in the major.

For students who begin this AS-T at transfer-level math and English, the minimum time to completion is 4 semesters. Completion time will vary based on student preparation and number of units completed each semester.

Courses Required for the AS-T in Public Health Science

Course Units

Required core courses:

MATH 80 Probability and Statistics	5.0
HLTH 54 Introduction to Public Health	3.0
HLTH 53 Personal and Community Health	3.0
CHEM 40 Introduction to Chemical Principles	5.0
PSYC 1 General Psychology	3.0
BIO 108 General Human Anatomy	4.0

Choose one of the following required Biology courses:

BIO 9 Human Biology	4.0
BIO 11 Science of Living Organisms	4.0

Choose one of the following required Physiology courses:

BIO 112 Introduction to Human Physiology	4.0
BIO 111 Human Physiology	5.0

Choose one of the following courses:

ECON 3 Principles of Microeconomics	3.0
ECON 1 Principles of Macroeconomics	3.0
SOC 1 Introduction to Sociology	3.0
IDST 17 Human Sexuality	3.0
HLTH 221 Health and Social Justice	3.0
HLTH 30 Drugs, Health, and Society	3.0
BIO 132 Introduction to Nutrition	3.0

Total: 34.0 – 35.0

Health Education Major (AS)

The Health Education major is designed to prepare students for transfer to the California State University (CSU) system for further study in health education, public health and related academic fields. The course

work includes personal and community health topics, an analysis of the major determinants of health from an equity perspective, and the application of critical thinking and quantitative reasoning to contemporary public health challenges. The goal of the program is to develop a diverse student body to address the health needs of our communities. With a Bachelor’s Degree in Health Education, students are prepared for careers within a wide range of public and private employers.

The Associate of Science degree program in Health Education includes core courses related to public health and health education and a selection of electives from health and health-related subjects. The course of study is designed to give flexibility to students who want to pursue specific areas of interest within health. The degree may be combined with any of the programs or certificates offered by the Department.

Core Courses in the major. Students are required to take four core courses that help to satisfy transfer requirements to local universities.

Electives in the major. Students majoring in Health Education are required to take approved electives described below. Requirements for Bachelor’s Degrees in the Health Education or Health Science field vary widely. Students are advised to check the specific major requirements for the institution they plan to transfer to.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze factors that shape health and illness of individuals and communities.
- Examine the causes and consequences of health inequities and community resilience
- Access, interpret, and analyze research to understand and improve community health.
- Evaluate strategies to improve health.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Health Education

Below you will find specific information for each certificate program.

Addiction and Recovery Counseling Certificate

The Certificate in Addiction and Recovery Counseling is designed to prepare individuals for work in alcohol, drug and other addictions counseling. The program emphasizes a public health approach that addresses community, social, and individual level factors in addiction while providing certificate candidates with a strong background in treatment modalities, health education and prevention, professional and ethical responsibilities, and client advocacy. Courses are sequenced based on knowledge and skills that are acquired as students move through the program.

The Addiction and Recovery Counseling Certificate is accredited by an external accreditation agency, California Consortium of Addiction Programs and Professionals (CCAPP).

Learning Outcomes

Upon completion of this program, students will be able to:

- Distinguish the ethical skills necessary for professional employment as an addiction, treatment and recovery counselor in health care settings
- Summarize the content and skills necessary for counselor certification in the addiction and recovery field
- Synthesize client-centered counseling skills, harm reduction, counseling concepts, and cultural humility for working with communities and diverse populations
- Discuss and evaluate the impact research has in the substance use and addiction and recovery counseling field

Admission. Admission to the program is based on the successful completion of the prerequisite course HLTH 100, Introduction to Addiction & Recovery Counseling (1 unit).

Requirements for the Certificate of Achievement. The certificate requires the completion of 26.5 units. Up to 6 units may be taken outside of City College of San Francisco to satisfy the requirements. The internship component (250 hours) must be completed through City College of San Francisco.

Internship. Students must complete internship coursework and fieldwork with a state-licensed substance abuse services agency. Preparation and supervision for the field work experience will be provided in HLTH 79 and HLTH 79W.

The minimum time to completion for this certificate is 4 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Addiction and Recovery Counseling

Course	Units
Required	
HLTH 30 Drugs, Health, and Society.	3.0
HLTH 70 Physiological Effects of Addiction.	3.0
HLTH 73 Case Management/Individual Intervention.	3.0
HLTH 79 Professional Skills for Addiction and Recovery Counselors	3.0
HLTH 90B Harm Reduction and Health.	0.5
HLTH 91C Hepatitis ABCs	1.0
HLTH 49 Ethics and Counseling in Addiction and Recovery.	3.0
HLTH 98 Treatment Modalities in Addiction Recovery	3.0
HLTH 99 Group Counseling for Treatment and Recovery.	3.0
Required fieldwork course: 4 units of fieldwork required.	
HLTH 79W Addiction and Recovery Counseling Work Experience	1.0 – 4.0
Total:	26.5

Community Health Worker Certificate

Community Health Workers (CHW) are employed by public health, health care, and social services agencies. CHWs provide client and community-centered health education, counseling, and care management services. CHWs serve as a two-way bridge between communities and key health and social resources. They play a vital role in supporting low-income and other vulnerable clients to access culturally relevant services and advocate for health equity. All students will be trained in core competencies essential for success in the field, and have the opportunity to select courses that address specific health issues and communities. As part of their education, students will complete a semester-long internship with a local employer.

The San Francisco Department of Public Health accepts the Certificate of Achievement to satisfy six out of twelve months of experience that is required as minimum qualification for hiring as a Health Worker 1-3.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze and evaluate public health concepts and information for health promotion.
- Assess and integrate professional skills necessary for employment in the CHW field.

- Evaluate and implement entry-level proficiency in CHW core competencies for working effectively with diverse individuals, groups, and communities.

Admission to the program is based on:

- 1) The completion of HLTH 59 “Introduction to Community Health Work” with a grade of “C” or better
or
- 2) Documented successful experience as a Community Health Worker and submission of a completed program application by the deadline.

For more information, go to www.ccsf.edu/chw.

Requirements for the Certificate of Achievement

To receive the Certificate of Achievement, in addition to the general requirements for all certificates, the following must be satisfied:

- Successful completion of the 14 units of required courses and the 3 units of electives. Students are encouraged to take additional electives to support their career goals and pursue their interests more deeply.
- Successful completion of 120-150 internship hours during HLTH 203W.
- Any student planning to take HLTH 203W 12 months or more after completing HLTH 201, is strongly advised to meet with the CHW program coordinator and complete the required internship paperwork before H203W begins.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester. Due to the nature of the work and the ongoing changes in the profession, students have up to three years to complete their certificate from enrollment in HLTH 201.

Courses Required for the Certificate of Achievement in Community Health Worker

Course	Units
Required	
HLTH 201 CHW Principles & Practice 1	5.0
HLTH 202 CHW Principles & Practice 2.	5.0
HLTH 203 Professional Skills for Community Health Workers.	2.0
HLTH 203W CHW Internship Placement	2.0
Choose 3 units from the following	
HLTH 10 Health and Aging	3.0
HLTH 64 Health Education Training: Skills and Practice.	3.0
HLTH 65 Youth Development & Leadership	3.0
HLTH 66 Chronic Conditions Management	3.0
HLTH 67 HIV and Hepatitis Navigation Skills.	3.0
HLTH 85 Community Nutrition and Education	3.0
HLTH 91C Hepatitis ABCs	1.0
HLTH 91H Elder Abuse Prevention	1.0
HLTH 91J Advancing Language Justice for Health.	1.0
HLTH 95 Transgender Health: Working with Clients and Communities	1.0
HLTH 110 Health Impacts of Incarceration	3.0
HLTH 116 Conflict Resolution Skills in Health.	1.0
HLTH 231 Healthy Cities and Communities.	3.0
Total:	17.0

Community Mental Health Worker Certificate

The curriculum for the Community Mental Health Worker Certificate of Achievement is based on the wellness and recovery model in mental

health. The program trains a diverse group of individuals to provide culturally affirming mental health and wellness and recovery services in San Francisco. The program engages consumers of mental health services, their family members, and other interested individuals and communities. It is comprised of courses that promote the development of skills needed to become gainfully employed as a mental health worker and enhance the knowledge base of those already employed. As part of their education, students complete an internship with a local agency serving mental health consumers.

Learning Outcomes

Upon completion of this program, students will be able to:

- Evaluate information on wellness and recovery promotion.
- Formulate wellness and recovery strategies to work with members of diverse communities.
- Demonstrate proficiency in entry-level skills including care brokerage, advocacy, outreach, systems navigation, documentation, and behavioral health coaching and mental health counseling.
- Perform behavioral, ethical, and professional skills necessary for employment in the mental health field.

Requirements for the Certificate of Achievement

Internship. Students must complete a semester long internship of at least 120 hours with an agency serving mental health consumers. Preparation and supervision for the field work experience will be provided in HLTH 104 and HLTH 105.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on the semester in which students enter the program, student preparation, and number of units completed per semester.

Courses Required for the Certificate of Achievement in Community Mental Health Worker

Course	Units
Required	
HLTH 88 Family Systems.	3.0
HLTH 102 Helping Relationships: Recovery and Wellness	3.0
HLTH 103 Community and Group Forums	3.0
HLTH 104 Internship Preparation and Professional Conduct in Mental Health	3.0
HLTH 105 Professional Skills for Community Mental Health Workers	2.0
HLTH 105W CMHC Internship Placement	2.0
Total:	16.0

Healthcare Interpreting Certificate

The Healthcare Interpreting (HCI) Certificate of Achievement program is designed to prepare multilingual and multicultural individuals to serve as professional interpreters and as dual-role interpreters within their regular scope of practice. The goal of the program is to develop linguistically and culturally competent interpreters and qualified bilingual health professionals to function effectively and efficiently in a variety of settings, serving culturally and linguistically diverse communities.

Through academic preparation, skills practice labs, and internship in the field, students learn social, cultural, medical, and linguistic skills that support the health and well-being of patients and clients, and of multidisciplinary teams at worksites. Professional healthcare interpreters and qualified bilingual health professionals are sought after by

a variety of employers, such as health systems, educational systems, marketing and research firms, and freelance agencies. This program meets the state and national standards, ethics, protocols and practices, and prepares students for national healthcare interpreter certifications.

Up to four different languages are offered each year, depending on the number and diversity of the applicant pool. Upon completion of the certificate and the HLTH 84 course, students would have completed a minimum of 375 hours of education and training.

Learning Outcomes

Upon completion of this program, students will be able to:

- Interpret consecutively and simultaneously in English and language of service (LOS) with accuracy, appropriate pace, and completeness, conveying the tone, spirit, and meaning of the message.
- Apply appropriate interpreting skills when navigating social, cultural, and linguistic challenges in health-related encounters.
- Apply healthcare interpreting standards, protocols, and ethical decision-making.
- Exhibit the professionalism and job readiness needed in various health settings.

Admission requirements

1. Proficiency in English and an additional language.
2. Successful completion of HLTH 84, Introduction to Healthcare Interpreting, which includes a language proficiency evaluation (see below for language proficiency criteria).
3. Assignment by program coordinator to a specific language of service (LOS) cohort with a proposed semester of enrollment. Students who are multilingual must participate in their strongest LOS.
4. When space is limited in a language cohort, priority is given to those who have successfully completed at least one of the following recommended courses: Human Anatomy, Human Physiology, or Medical Terminology.

Language Proficiency

Students' language proficiency is evaluated using a rubric through conversation and other assessment activities with a language expert. Language proficiency must be at Level 4 or higher in both English and language of service (LOS) to meet HCI program admission requirements.

Level 1: Very poor skills. Little or no fluency. Does not understand or follow the conversation.

Level 2: Poor to fair skills. Very heavy accent and problems with pronunciation. Hard to understand without much effort. Limited vocabulary and grammatical errors.

Level 3: Basic conversational skills only. Fairly simple but clear vocabulary. Understandable pronunciation and accent, but some difficulty with certain sounds. Some grammatical errors. Difficulty with fluency. Limited understanding of speaker.

Level 4: Very good skills. May have an accent but is completely understandable in the language. No or very minor grammatical errors. Very good conversational fluency with few pauses. Understands the speaker easily.

Level 5: Excellent skills. Extensive vocabulary. Unobtrusive accent. Able to express abstract thoughts. Words flow fluently with no pauses or stutters. Understands the speaker completely.

Requirements for the Certificate of Achievement

All courses must be completed within two years of successfully completing HLTH 80C and HLTH 80L. Due to language cohort availability, students who do not successfully complete HLTH 80C or HLTH 80L must meet with the program coordinator to determine the appropriate timing to re-enroll in the program courses.

Internship

Students must complete a 60-hour unpaid internship or a 75-hour paid internship in HLTH 300. The HCI program will arrange and/or approve placements.

Upon award of the Healthcare Interpreting Certificate, students are encouraged to take HLTH 91N Coaching Healthcare Interpreters in order to improve their skills as lead-interpreters in hospital settings or be able to coach emerging interpreters.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and the number of classes completed per semester.

For more information, call the program coordinator at (415) 239-3319 or visit the HCI program website.

Courses Required for the Certificate of Achievement in Healthcare Interpreting

Course	Units
Required	
HLTH 80C Interpreting in Healthcare I	6.0
HLTH 80L Interpreting Lab I	0.5
HLTH 81C Interpreting in Healthcare II	6.0
HLTH 81L Interpreting Lab II	0.5
HLTH 82 Professional Skills for Healthcare Interpreters	3.0
HLTH 300 Work Experience in Health and Social Services	1.0 – 4.0
Total:	17.0 – 20.0

Peer Health Educator Certificate

The Peer Health Educator Certificate is designed for students who are interested in entering the health field and supporting the health of their communities. The coursework includes health topics that most impact young people, including personal wellness, harm reduction, healthy relationships and sexual health, along with electives that focus on mental health, health and social justice, food justice, substance use, and violence prevention. The certificate also provides skills in leadership development, facilitation and conflict resolution. The certificate is based on public health principles from an equity perspective to support students in working within their own diverse communities.

Learning Outcomes

Upon completion of this program, students will be able to:

- Integrate public health and equity principles to promote youth health and well-being
- Develop advocacy and facilitation skills for youth in diverse communities
- Assess and integrate skills necessary for entry level employment in youth development and health-related fields

Suggested sequence:

- First semester HLTH 33, HLTH 64 (offered fall semesters), HLTH 90B, Elective

- Second semester HLTH 65 (offered spring semesters), HLTH 116, HLTH 300, WGST 55.

The minimum time for completion of this certificate is two 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Announcement of Courses

Credit, Degree Applicable Courses:

HLTH 10. Health and Aging (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE LEVEL ENGLISH OR ESL 188
 Introduction to gerontology for students pursuing careers in the aging field and those who will work with older adults in various work settings. Employs a multidisciplinary perspective, incorporating biology, psychology, sociology, and public health approaches and combining gerontology theory, research, and practice with social justice and multicultural perspectives. UC/CSU

HLTH 25. Women's Health (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH
 Explores the social determinants and issues related to women's health on an individual and community level. Emphasis on evaluation of health resources, behavior change process, and role of risk factors and prevention. UC/CSU

HLTH 27. Men's Health (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH
 Exploration of the social determinants and issues related to men's health on the individual and community levels. Emphasis on evaluation of health resources, behavior change process, and role of risk factors and prevention. UC/CSU

HLTH 30. Drugs, Health, and Society (3)

Lec-52.5
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188
 This course offers an examination of the history of alcohol, tobacco, and drug use. From a public health perspective, students will analyze drug policies and their impact on the health of culturally diverse, marginalized, and low income communities. Students will also develop skills to advocate for policy change. CSU
 C-ID PHS 103

HLTH 33. Introduction to Health and Wellness (2)

Lec-35 P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188
 Introduction to the causes and consequences of illness and the promotion of individual, family and community health based on research in public health, social and behavioral sciences. Examination of the causes, consequences, available treatments and strategies for prevention of major health conditions across the life cycle. UC/CSU

HLTH 38. Trauma, Resilience and Recovery (3)

Lec-52.5 P/NP available
 This course is designed for students in the health, justice, or social service fields. It includes an examination of types of trauma, an analysis of the ways trauma affects survivors, an exploration of building resiliency, various approaches to recovery, and person-centered skills to support recovery. CSU
 FORMERLY TRAUMA RESPONSE AND RECOVERY
 OFFERED SPRING SEMESTERS

HLTH 48. Violence as a Public Health Issue (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188
 Public health perspectives on diverse types of violence, with a focus on trends over time, causes and risk factors of violence, and resiliency, in order to develop strategies for violence prevention. Trauma and other consequences of violence will be examined. Community-based advocacy skills for violence prevention are introduced and practiced in this course. CSU
 FORMERLY VIOLENCE AS A PUBLIC HEALTH ISSUE: PREVENTION STRATEGIES
 OFFERED FALL SEMESTERS

HLTH 49. Ethics and Counseling in Addiction and Recovery (3)

Lec-52.5
 PREREQ: HLTH 100
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188
 Introduction to ethical and legal issues in counseling people with substance use disorders. Develops frameworks for addressing ethical and legal issues that include a variety of socio-cultural models. Develops understanding of laws, code of ethics, and client rights. The

relationship between personal values and professional behavior will be explored as well as an Introduction to client centered counseling skills and practice. CSU

HLTH 52. Critical Perspectives in Global Health (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Explores the primary determinants of global health, inequalities in health status between nations, and current challenges, controversies and public policy priorities. UC/CSU

HLTH 53. Personal and Community Health (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Critical analysis of the causes and contributors to individual and community health and illness based on public health and other social and behavioral sciences. Exploration of physical, mental, social and political aspects of health along with causes, consequences, prevention strategies and treatments for major health conditions across the life cycle. UC/CSU

HLTH 54. Introduction to Public Health (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introduction to public health approaches for the prevention and control of disease and injury, drawn from epidemiology, health policy, behavioral health, environmental health, community organizing, maternal and child health and other public health disciplines. Examination of contemporary health challenges with an emphasis on addressing social determinants to improve health for all. UC/CSU
C-ID PHS 101

HLTH 56. Politics of Food and Health (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

This course critiques the United States food system and policies through a health equity framework exploring topics including nutritional guidelines, dieting and weight loss industry, food assistance programs, food security, legislation, industrial food production, the role of agriculture and corporations, and alternative food systems. UC/CSU

OFFERED ON OCCASION

HLTH 59. Intro to the Community Health Worker Field (1)

Lec-17.5

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

An introduction to the roles and core competencies of Community Health Workers (CHW) and the requirements of the CCSF CHW Certificate Program. Students will learn key public health concepts and models for providing client-centered services, and assess their readiness and interest in applying to the CHW Certificate Program. CSU

HLTH 64. Health Education Training: Skills and Practice (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

Principles and practice in the planning, facilitation and evaluation of public health education and trainings. This course covers basic theories

and participatory training methods, with a focus on meeting the needs of diverse communities and adult learners. CSU

OFFERED FALL SEMESTERS

HLTH 65. Youth Development & Leadership (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

This course is an introduction to the principles of youth development and significant health issues affecting today's youth. The course focuses on strategies and skills to engage and involve young people in their own decision-making and advocacy. CSU

OFFERED ON OCCASION

HLTH 66. Chronic Conditions Management (3)

Lec-52.5 P/NP available

Prepares front-line health and public health workers to support patients in the self-management of chronic health conditions through the use of client-centered concepts and skills. CSU

HLTH 67. HIV and Hepatitis Navigation Skills (3)

Lec-52.5 P/NP available

Prepares frontline workers to provide navigation services to those at risk for and living with HIV and hepatitis diseases and common co-occurring conditions informed by a public health and social justice framework. CSU

OFFERED ON OCCASION

HLTH 70. Physiological Effects of Addiction (3)

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

This course provides an overview of basic physiology and pharmacology including how chemicals are administered and metabolized, The systemic, behavioral, and psychological effects of addiction, along with the latest clinical research and evidence-based treatment practices, are reviewed. CSU

HLTH 73. Case Management/Individual Intervention (3)

Lec-52.5

PREREQ: HLTH 98

This course offers an introduction to case management and documentation. Topics include intake and assessment, record management and documentation, treatment planning, ethics and professional skills, clients' rights, and confidentiality. This course prepares students to work in the field of substance use and community behavioral health services. CSU

OFFERED SPRING SEMESTERS

P/NP available

Language and cultural barriers can impede the health of individuals and can be costly for health systems. This course provides language access strategies and effective collaboration with interpreters across language and cultural barriers in healthcare settings. CSU

*OFFERED ON OCCASION***HLTH 91M. Mindful Stress Reduction (1)**

Lec-17.5

P/NP available

This course focuses on mindfulness-based stress reduction practices, including mindfulness meditation and movement practices. Application of these stress reduction practices in everyday life will be supported through the in-class practice of various mindfulness techniques and shared self-reflection. CSU

HLTH 91N. Coaching Healthcare Interpreters (1)

Lec-17.5

P/NP available

RECOMMENDED PREP: HEALTHCARE INTERPRETING CERTIFICATE FROM CCSF OR OTHER COMMUNITY COLLEGE; AND/OR STATE OR NATIONAL HEALTHCARE INTERPRETING CERTIFICATION.

This course is designed for healthcare interpreters who enjoy teaching and are interested in coaching emerging interpreters in academia or at their workplaces. Students will explore mentoring, coaching, and adult learning principles, including intercultural communication, and learn skills and techniques to conduct practice labs, assess interpreting skills, and facilitate coaching sessions. CSU

*OFFERED ON OCCASION***HLTH 91P. The Role of Language Access in Advancing Patient-Centered Care (1)**

Lec-17.5

P/NP available

Designed to explore the complexities of health and health care, and provides a learning laboratory for collaboration and innovation, breaking

the isolation in the work of interpreters. Students will be equipped with 21st-century skills in managing the interpreting session while learning about advances in medicine. All are welcome to join in this learning collaborative aiming towards advancing patient and family-centered care. Healthcare interpreter CEUs for eligible participants. CSU

*OFFERED ON OCCASION***HLTH 91T. Tai Chi for Health and Wellness (1)**

Lec-9, Lab-26

P/NP available

Integration of Tai Chi philosophy and theory with contemporary health practices and principles. Recognition of Tai Chi patterns will improve body balance and energy control. Tai Chi and Qigong exercises promote physical, mental and social health. Knowledge is particularly beneficial to health and social workers. CSU

*OFFERED ON OCCASION***HLTH 95. Transgender Health: Working with Clients and Communities (1)**

Lec-17.5

P/NP available

A critical analysis of the public health status of transgender populations. The course will provide knowledge, skills, and resources necessary to work effectively in health and social service settings that serve transgender clients and communities. CSU

HLTH 97. Stress and Resilience (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Overview of social and behavioral theories and core concepts of stress, stress reduction and stress management. Critical assessment of the health impacts of stress on individuals, communities, and society. Evidence-based approaches to reducing stress responses and promoting improved health indicators. CSU

*OFFERED ON OCCASION***HLTH 98. Treatment Modalities in Addiction Recovery (3)**

Lec-52.5

PREREQ: HLTH 100 AND HLTH 70

This course is designed to examine the different approaches and structures in the treatment continuum for substance use and co-occurring disordered clients. Students will also examine the relationship between mental health disorders and substance use disorders. Barriers to integrated treatment will also be appraised. CSU

HLTH 99. Group Counseling for Treatment and Recovery (3)

Lec-52.5

PREREQ: HLTH 98

Introduction to group facilitation skills within the context of treatment for substance use disorder (SUD). Focus will be on group dynamics, interpersonal and intrapersonal process and group facilitation skills. It prepares students for competence in group and family addiction treatment facilitation and to work towards the Certified Addictions Treatment Counselor credential, as required by the California Consortium of Addiction Programs and Professionals (CCAPP). CSU

*OFFERED FALL SEMESTERS***HLTH 100. Introduction to Addiction and Recovery Counseling (1)**

Lec-17.5

This course introduces students to the field of alcohol and drug counseling and provides an over view of the requirements for the Addiction and Recovery Counseling Certificate. Students will identify necessary skills and potential challenges to succeeding in the field. CSU

HLTH 102. Helping Relationships: Recovery and Wellness (3)

OFFERED ON OCCASION

History

Office: Batmale 656

Phone Number: (415) 239-3330

Web Site: www.ccsf.edu/socialsci**Announcement of Curricula****History Major (AA-T)**

History is the study of multiple aspects of human behavior including the development of world civilizations; the creation of arts, literature, philosophy, and science; development of cultural heritages, political institutions, international diplomacy; and the significant achievements of human kind. The History major is designed to develop knowledge, analytical skills, and critical insight into the nature of humanity and the historical underpinnings of our current world. The core History program includes survey studies on the United States and Western Civilization. Survey courses on specific continents such as Africa, Latin America, and Asia, and focused studies on specific countries such as China, the Philippines, and Mexico, provide a breadth of coverage of international developments. Attention to traditionally under-represented groups such as women, African Americans, Latinos, Asian Americans, Native Americans, Lesbian, Gay, Bi and Transgendered peoples provides a multi-cultural emphasis on human achievement. The aim is to prepare students for active participation in all areas of life, with a deep understanding of how the present has been shaped by the past, and to prepare for transfer to a four-year university, and then to a range of possible careers.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze, evaluate and synthesize historical evidence and interpretations and use methods of inquiry and expression appropriate to the discipline.
- Explain historical developments and trends, including the impact of class, gender, ethnicity, technology, culture and politics related to the courses taken.
- Interpret primary and secondary sources to compose a written argument or interpretation which uses them, as appropriate, for support.
- Explain the major social, cultural, political, technological and economic developments in United States history, their causes and effects, and their historical significance.
- Analyze changes in the political, social, cultural and economic organization in the western world and explain their historical significance.
- Explain the major social, cultural, political, technological and economic developments in non-western countries and their historical impact on the western world and global development.
- Examine the art, literature and major cultural traditions of people through the ages, as appropriate.

Students who wish to earn the Associate in Arts in History for Transfer (AA-T) must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of "C" (or "P") or better. Courses used to meet the major requirements may also be used to meet IGETC or CSU GE requirements.

Assuming students start this AA-T with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AA-T in History

HIST 35A NOT PREREQUISITE TO 35B. HIST 35B COVERS FROM 1900 TO THE PRESENT.

OFFERED ON OCCASION

HIST 37. History of the Philippines (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE LEVEL ENGLISH OR ESL 188

This course covers the historical development of the Philippines from the pre-colonial period to present day. The evolution of national culture, political and social institutions, and foreign relations will also be examined. UC/CSU

HIST 40. History of California (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE LEVEL ENGLISH OR ESL 188

Examine the forces, events, and lives that shaped California, beginning with native cultures and Spanish exploration and colonization. The course will focus on the roles and interactions of Native Americans, Latino Americans, European Americans, and Asian Americans within the broader context of California's political, economic, cultural, and social history. UC/CSU

HIST 41A. African American History From Ancestral West Africa to the Civil War (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE LEVEL ENGLISH OR ESL 188

The political, social, artistic, and cultural history of people of African-American descent in the United States from their African beginnings to the Civil War. Covering the development of African-American culture and heritage from ancestral West Africa. UC/CSU

HIST 41B. 20th Century African American History from the Reconstruction to 21st Century (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE LEVEL ENGLISH OR ESL 188

The political, social, artistic, and cultural history of the African American people in the United States from the Civil War to the 21st Century. HIST 41B covers from the Reconstruction to the present. UC/CSU

HIST 45. LGBT American History (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE LEVEL ENGLISH OR ESL 188

Survey of the origins, development, and current status of the Lesbian, Gay, Bisexual, and Transgender reform and liberation movements in the United States, with particular emphasis since WWII. Includes the lives, communities, organizations, and resistance movements created by LGBT peoples from diverse racial, ethnic, and class backgrounds. UC/CSU

HIST 46. Independent Studies in History (1)

Lab-52.5

An individualized reading or research program where students work one-on-one with a faculty member on topics in History. CSU

HIST 49. History of San Francisco (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE LEVEL ENGLISH OR ESL 188

The growth of San Francisco from its origins as an Indian-Spanish-Mexican settlement to the metropolis of the San Francisco Bay Area. Emphasis will be on the role of San Francisco as a political, social, cultural, commercial and artistic capital of the West Coast. CSU

Humanities

Office: Art 213

Interdisciplinary Studies

Office: Batmale 211

Phone Number: (415) 452-5343

Web Site: www.ccsf.edu/IDST**Announcement of Curricula****Critical Pacific Islands & Oceania Studies Major (AA)**

The Critical Pacific Islands & Oceania Studies Associate of Arts degree introduces students to a substantive and critical analysis of Pacific peoples and cultures in the U.S. diaspora and beyond. Centering on the voices of native Pacific Islanders, this interdisciplinary curriculum examines historical and contemporary topics, including colonization, militarization, social movements, diversity, social justice, and immigration. All required courses meet University of California (UC) and California State University (CSU) transfer requirements and/or City College of San Francisco General Education (GE) area requirements A (Communication & Analytical Thinking), C (Natural Sciences), D (Behavioral and Social Sciences) E (Humanities), G-1 (Health Knowledge), and H1 (Ethnic Studies).

The program appeals to diverse students, including international students, who are planning careers in many areas in the Humanities and Social Sciences with an emphasis in Critical Pacific Islands & Oceania Studies such as Religious Studies, International Relations, International Law, Global Studies, Political Science, Ethnic Studies, History, Language and Literature, Diversity and Social Justice, and Physical and Biological Sciences. The program is ideal for those whose work involves interacting with native Pacific Islanders and other communities of color such as service providers, health practitioners, law enforcement officers, researchers, teachers, and administrators and staff-members in community-based organizations, and social and government agencies.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply the methods of inquiry used in the study of indigenous Pacific Islander communities.
- Evaluate the expression of the ocean aesthetic across Pacific Islander cultural practices.
- Apply analytical skills, problem-solving, and decision-making techniques to improve study strategies, wellness, and life-long learning.
- Describe the intersectionality and interrelatedness of distinct forms of social oppression in the United States.
- Analyze the relationships between human environments and scientific aspects of physical, natural environments.

Each course must be completed with a grade of C or higher, or pass.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses used to meet the Certificate of Achievement in Critical Pacific Islands & Oceania Studies may also be used to fulfill the requirements for this major. Courses used to meet the requirements for this major may also be used to meet IGETC or CSU GE requirements for the AA-T Social Justice Studies major.

Social Justice Studies: Ethnic Studies Major (AA-T)

CCSF’s Social Justice Studies: Ethnic Studies Associate Degree for Transfer applies an intersectional lens to the study of race and ethnicity in the U.S. Diaspora, including Latin America, Oceania, and Southwest Asia, North Africa and The Middle East. It prepares students for a range of majors and concentrations at California State Universities (CSU), from Ethnic Studies and Women’s, Gender, and Sexuality Studies to Education, Comparative Literature, Social Work and Sociology with an emphasis in Ethnicity and Race.

The Social Justice Transfer Model Curriculum (TMC) is an area of emphasis (AOE) and prepares students for transfer into a range of possible majors including:

- African American Studies
- American Studies
- Asian American Studies
- Chicano/Chicana Studies
- Critical Middle East/SWANA Studies
- Education
- Ethnic Studies
- History with an emphasis in Immigrant Studies
- Labor Studies
- Latin American and Latinx//a/o Studies
- Liberal Studies w/Option in Interdisciplinary Studies in Culture & Society

- Liberal Studies Border Studies w/Option in Mexican-American Studies
- Political Science with an emphasis in Ethnic Studies
- Sociology with a concentration Race, Class, and Gender
- Sociology with Inequalities and Diversity Option
- Social Science with Emphasis in Islamic and Arabic Studies
- Social Work
- Women, Gender, and Sexuality Studies
- Women’s Studies,
- and several other possible CSU majors

Learning Outcomes

Upon completion of this program, students will be able to:

- Evaluate the social science, behavioral, or historical approaches and theories in the study of racial, ethnic, and cultural formations.
- Analyze how intersections of social class, gender, sexuality, and religion pervade racial and ethnic identity formations.
- Evaluate how changing definitions of race, social class, and ethnicity impact policies, cultures and societies.
- Appraise artistic and cultural representations that speak to race, ethnicity, gender, and sexuality.
- Compare the struggles for social justice of diverse ethnic and racial groups in the United States Diaspora.

Students who wish to earn the Associate of Arts in Social Justice: Ethnic Studies for Transfer degree must complete 60 semester units of degree-applicable courses with at least a 2.0 grade point average. This must include units required for full completion of the IGETC or CSU GE Curriculum and the units for the major as specified below. Each course in the major must be completed with a minimum grade of “C” (or “P”) or better. Courses that meet the major requirements may also be used to meet IGETC or CSU GE requirements.

Students interested in Social Justice Studies majors or related careers are advised to meet with an affiliated counselor or department chair to discuss educational goals, course options, and transfer issues.

Minimum time for completion is four semesters. Completion time will vary based on student preparation and number of units completed per semester.

Critical Middle East /South West Asia and North Africa Studies Certificate

The Critical Middle East Studies Certificate of Achievement introduces students to an analysis of the history, politics, society, culture and religions of the Middle East/South West Asia and North Africa (SWANA) with attention to major events in the region and their representations and impacts across the Diaspora, especially in the United States. The program integrates area studies, ethnic studies, gender studies, and interdisciplinary methodologies. The required 3 unit courses are University of California and California State University transferable and collectively the courses meet graduation area requirements in D-Social Sciences, E-Humanities, and H1-Diversity.

The program appeals to diverse students, including international students, who plan careers in many areas in the Humanities and Social Sciences with an emphasis in the Middle East/SWANA such as

Religious Studies, International Relations, International Law, Global Studies, Political Science, Ethnic Studies, History, Language and Literature. The program primarily serves students who are transferring to a four-year university and additionally serves as professional development for employers, community-based organizations and social and government agencies.

Learning Outcomes

Upon completion of this program, students will be able to:

- Describe the cultural and ideological influence of Islam and other major religions in the Middle East/SWANA.
- Compare the political systems of the Middle East/SWANA within a historical and social context.
- Examine social and cultural expressions within Middle Eastern/SWANA societies and diaspora communities.
- Analyze the relationship of women and minority groups to the state and society in the Middle East/SWANA and within diaspora communities.
- Evaluate and challenge the assumptions that underpin anti-Semitic and anti-Arab discrimination, Islamophobia and other forms of oppression.

Credit towards other certificates. Some courses that count towards the Critical Middle East Studies/SWANA Certificate also fulfill requirements for the Diversity and Social Justice Certificate, the Political Science and Women’s Studies majors, and the Social Justice Studies AA-Ts.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Critical Pacific Islands & Oceania Studies Certificate

The Critical Pacific Islands & Oceania Studies Associate of Arts degree introduces students to a substantive and critical analysis of Pacific peoples and cultures in the U.S. diaspora and beyond. Centering on the voices of native Pacific Islanders, this interdisciplinary curriculum examines historical and contemporary topics, including colonization, militarization, social movements, diversity, social justice, and immigration. All required courses meet University of California (UC) and California State University (CSU) transfer requirements and/or City College of San Francisco General Education (GE) area requirements A (Communication & Analytical Thinking), C (Natural Sciences), D (Behavioral and Social Sciences) E (Humanities), and H1 (Ethnic Studies).

The program is ideal for those whose work involves interacting with native Pacific Islanders and other communities of color such as service providers, health practitioners, law enforcement officers, researchers,

teachers, and administrators and staff-members in community-based organizations, and social and government agencies. The program should also encourage students to further their educational aspirations through the completion of an associate degree and successfully transferring to a four-year university.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply the methods of inquiry used in the study of indigenous Pacific Islander communities.
- Evaluate the expression of the ocean aesthetic across Pacific Islander cultural practices.
- Apply analytical skills, problem-solving, and decision-making techniques to improve study strategies, wellness, and life-long learning.
- Describe the intersectionality and interrelatedness of distinct forms of social oppression in the United States.
- Analyze and assess the relationships between human environments and scientific aspects of physical, natural environments.

Each course must be completed with a grade of C or higher, or pass.

Minimum time for completion is two semesters. Completion time will vary based on student preparation and number of units completed per semester.

Diversity and Social Justice Certificate

The Diversity and Social Justice Certificate of Accomplishment is a series of short courses that provide a consciousness-raising analysis and evaluation of specific forms of social oppression and social justice interventions in the United States. The certificate examines the intersectionality of sexism, classism, racism, anti-Semitism/anti-Arabism, heterosexism, ableism, transphobia, and adultism/ageism (age-based oppression). Addressing individual, institutional, and socio-cultural elements of diversity, inclusion, equity & social justice.

The certificate offers professional development opportunities for employers, community-based organizations, government agencies, and City College of San Francisco students, faculty, and staff.

Learning Outcomes

Upon completion of this program, students will be able to:

- Describe and analyze systems of oppression and privilege related to social identity or status.
- Assess biases and stereotypes in relation to diversity and social justice.
- Examine individual and collective ways of taking action in response to oppression.
- Explain the intersectionality of distinct forms of social oppression.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Total:5.0

Trauma Prevention and Recovery Certificate

The Trauma Prevention and Recovery Certificate of Achievement prepares students for work in the field of violence prevention and trauma response (or in education, health and human services more broadly) by providing knowledge of dynamics of trauma, strategies to prevent violence and skills to support survivors.

This interdisciplinary curriculum provides students with a broad understanding of violence, its causes and its impact on individuals, families, communities and societies. Students develop skills to critically analyze social constructs that contribute to violence, listen with empathy, offer appropriate referrals, and provide culturally sensitive peer support.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze the causes and consequences of violence and trauma.
- Compare programmatic approaches and/or community resources and assess their utility in diverse situations involving trauma.
- Examine historic and aesthetic approaches to understanding trauma.
- Demonstrate peer counseling and client-centered communication skills for working with victims and survivors.
- Explain how identity, status and structural oppression relate to trauma.
- Demonstrate self awareness in relation to vicarious trauma, the healing process and the helper role.

The Trauma Prevention and Recovery Certificate program is open to any student enrolled at CCSF who meets the prerequisite requirements for each of the required courses.

Each course must be completed with a final grade of C or higher, or Pass.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Trauma Prevention and Recovery

Course	Units
Required	
IDST 47 Trauma and the Arts: An Interdisciplinary Approach	3.0

HLTH 38 Trauma, Resilience and Recovery 3.0
 HLTH 48 Violence as a Public Health Issue 3.0
 WGST 54 The Politics of Sexual Violence 3.0
 HLTH 90C Introduction to Trauma and Recovery 0.5
 CDEV 100 Violence and Its Impact on Children
 and Their Families 3.0
 or CDEV 101 Introduction to Violence Intervention. 3.0

Choose one course from the following

IDST 80A Diversity and Social Justice: Racism 0.5
 IDST 80C Diversity and Social Justice: Sexism. 0.5
 IDST 80D Diversity and Social Justice:
 Heterosexism. 0.5
 IDST 80E Diversity and Social Justice: Ableism 0.5
 IDST 80F Diversity and Social Justice:
 Class and Classism 0.5
 IDST 80G Diversity and Social Justice:
 Transphobia. 0.5

Choose 3 units from the following electives. Courses counted as a required course above cannot be used to fulfill an elective:

ADMJ 64 Progressive Policing in the 21st Century 3.0
 CDEV 72 Supervised Field Experience in Early
 Childhood Education. 3.0
 CDEV 78 Supervised Field Experience in
 Community Youth Organizations 3.0
 CDEV 100 Violence and Its Impact on Children
 and Their Families 3.0
 CDEV 101 Introduction to Violence Intervention 3.0
 HLTH 91H Elder Abuse Prevention 1.0
 HLTH 97 Stress and Resilience 3.0
 HLTH 116 Conflict Resolution Skills in Health. 1.0
 IDST 80A Diversity and Social Justice: Racism 0.5
 IDST 80C Diversity and Social Justice: Sexism. 0.5
 IDST 80D Diversity and Social Justice: Heterosexism. 0.5
 IDST 80E Diversity and Social Justice: Ableism 0.5
 IDST 80G Diversity and Social Justice: Transphobia 0.5
 IDST 80F Diversity and Social Justice:
 Class and Classism 0.5
 IDST 81A Diversity: Ageism and Adulthood
 (Age-based Oppression) 1.0
 IDST 81B Diversity and Social Justice:
 Anti-Semitism/Anti-Arabism. 1.0
 LBCS 81 Organizing for Economic and Social Justice 3.0
 PSYC 9 Psychology of Stress 3.0
 PSYC 15 Assertive Behavior 1.0
 PSYC 26 Applied Psychology. 3.0
 WGST 55 Ending Sexual Violence: Peer Education 3.0
Total: 19.0

Critical Pacific Islands & Oceania Studies Certificate

The Critical Pacific Islands & Oceania Studies Certificate of Accomplishment introduces students to a substantive and critical analysis of Pacific peoples and cultures in the U.S. diaspora and beyond. Centering on the voices of native Pacific Islanders, this interdisciplinary curriculum examines historical and contemporary topics, including colonization, militarization, social movements, diversity, social justice, and immigration. Courses in the program meet University of California (UC) and California State University (CSU) transfer requirements and/or City College of San Francisco General Education (GE) area requirements D (Behavioral and Social Sciences) & E (Humanities).

The program is ideal for students beginning their college studies and those whose work involves interacting with native Pacific Islanders and other communities of color such as service providers, health practitioners, law enforcement officers, researchers, teachers, and administrators and staff-members in community-based organizations, and social and government agencies. This program also serves as a foundation for students pursuing a certificate of achievement, an associate degree, and/or transfer to a four-year university.

Learning Outcomes

Upon completion of this program, students will be able to:

- Describe the diversity of the Oceania/Pacific Islander communities in the United States and beyond.
- Apply the methods of inquiry used in the study of indigenous Pacific Islander communities.
- Evaluate the expression of the ocean aesthetic across Pacific Islander cultural practices.
- Analyze how forms of social oppression shape artistic expressions across Oceania.

Minimum time for completion is 1 semester. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Certificate of Accomplishment in Critical Pacific Islands & Oceania Studies

Course	Units Required
IDST 45 Pacific Islanders in the United States	3.0
IDST 46 Fa'a Pasefika: Interdisciplinary Cultural Expressions of Oceania	3.0
Total:	6.0

Announcement of Courses

Interdisciplinary Studies

Credit, Degree Applicable Courses:

IDST 3. Introduction to Museum Studies (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Museums display, collect, preserve, and interpret art, historical, and scientific objects. Exploration of museums from multiple perspectives: architecture, collections, exhibitions, and economic realities involved in museum sustainability. History of museums in the United States. Promotion of museums as a community resource with open access to everyone. Visits to local museums. UC/CSU

MAY NOT BE OFFERED EVERY SEMESTER. SPECIFIC TIMES, TOPICS, AND INSTRUCTORS WILL BE ANNOUNCED THROUGH CAMPUS MEDIA. OFFERED SPRING SEMESTERS

IDST 4. Ways of Faith (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

This interdisciplinary course introduces the scriptural, symbolic, and artistic traditions of the world's major faiths: Hinduism, Buddhism, Taoism, Judaism, Christianity, and Islam. The class also considers how knowledge of these religious systems can serve to advance world peace. UC/CSU

OFFERED FALL SEMESTERS

IDST 7. Introduction to the United Nations (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introduction to the United Nations, including the UN Charter's mission to achieve international peace, and the function of the organization's six administrative bodies. In addition to studying the theory and practice of international diplomacy, students evaluate the successes and challenges of collective security, peacekeeping attempts, and technological cooperation. UC/CSU

OFFERED ON OCCASION

IDST 14. American Cultures in Literature and Film (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An interdisciplinary survey of literary and cinematic works of fiction, drama, non-fiction and poetry that investigates unity in diversity in the shifting trajectories of American identities and interrelationships. Groups featured to assess their interactive contributions to American cultures include Native-, European-, African-, Latin-, Asian-Americans, and Pacific Islanders. UC/CSU

OFFERED ON OCCASION

IDST 17. Human Sexuality (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A human sexuality course that integrates content and methodology from the disciplines of biology, ethics, health education, history, jurisprudence, LGBTQI+. women and gender studies, psychology, and social justice. Covers the anatomical, physiological and psychological stages of development across the life span, including the role of gender, patterns of sexual arousal and response, and the paraphilias. UC/CSU

C-ID PSY 130

OFFERED SPRING AND FALL SEMESTERS

IDST 27B. Asian Humanities: Contemporary (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Survey of Asian cultures of modern to contemporary period, especially Arabic-Islamic, Indian, Chinese and Japanese cultures. Emphasis on literature, philosophy, religion, and the arts. Provides an interdisciplinary and cross-cultural approach to the differences and underlying unity of Asian cultures. UC/CSU

IDST 27A IS NOT PREREQUISITE TO 27B. NO KNOWLEDGE OF FOREIGN LANGUAGES REQUIRED.

OFFERED ON OCCASION

IDST 29. Islam: Identity & Culture (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An interdisciplinary survey of Muslim identity and the origins, principles, and practices of Islam, comparing and contrasting them with those of other major religions. Focus on the historical development and current practices of Islam and its impact on philosophy, art, music, architecture, gender, media, popular culture, and politics. UC/CSU

OFFERED ON OCCASION

IDST 30. Demystifying the Middle East (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

This interdisciplinary survey of South West Asia and North Africa (the Middle East) introduces students to the historical, cultural, and religious diversity of the region, highlighting contributions in various disciplines, including science, art, music, and literature. It also examines U.S. involvement, representation, media, current political discourse and activism in the region and in diaspora. UC/CSU

OFFERED FALL AND SUMMER SEMESTERS

IDST 31. Women and Gender in the Middle East (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An interdisciplinary examination of differences/similarities in women's lives in the Muslim/Arab world, including the diaspora, and among minorities in the Middle East/Southwest Asia and North Africa (SWANA). Analysis includes diversity, colonization, nationalism, religion, gender, sexuality, family, law, literature, music, art and film. UC/CSU

OFFERED ON OCCASION

IDST 36. Poetry for the People (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An interdisciplinary approach toward development of literacy in multiple popular traditions of poetry, including in social justice movements, by incarcerated people, and through alternative media. Includes scrutiny of published poems from multiple cultural traditions, a focus on community, and the cultivation and public presentation of new poems. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

IDST 37. Introduction to Ethnic Studies (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introduction to concepts, theories, methodologies and social policy related to the history, culture, concerns, and conditions of the field of Ethnic Studies. Employs Critical Race Theory, Intersectionality, and Indigenous Methodologies to analyze and articulate cultural, political, and economic practices and institutions that support or challenge racism, racial and ethnic inequalities, and patterns of interaction between various racial and ethnic groups. UC/CSU

C-ID SOCI 150

CROSSLISTED WITH ETHN 37

IDST 45. Pacific Islanders in the United States (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

This course examines Pacific Islander migrations to the United States mainland including the history, culture, and politics of Hawai'i and U.S. Pacific territories. It explores indigenous cultures and American experiences of Pacific Islanders from Guam, American Samoa, Palau, Marshall Islands, Fiji, Samoa, Tonga, Tahiti, New Zealand, and Australia. UC/CSU

CROSS LISTED WITH ETHN 45.

OFFERED ON OCCASION

IDST 46. Fa'a Pasefika: Interdisciplinary Cultural Expressions of Oceania (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A survey of traditional and contemporary art across Oceania (Pacific Islands). Emphasis on literature, dance, music, visual arts, film, and museums. Using an interdisciplinary and cross-cultural approach, the course explores the underlying unity of Pacific cultures, including their engagement with both western and non-western societies, colonization, and diasporic communities. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

IDST 47. Trauma and the Arts: An Interdisciplinary Approach (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A multi-disciplinary examination of works of art, music and literature inspired by both personal and global trauma with an emphasis on the transformative power of testimony, story telling, and the creative process. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

IDST 50. College Success (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: ESL 18 OR ENGL 88 OR HIGHER

Integrates study strategies, critical analysis and communication skills in preparation for lifelong success in academic, professional and personal development. Includes time management, critical thinking, personal and educational values, written and spoken communication, informational literacy, research skills, equity and social justice, navigation of educational systems, online learning, health, and financial literacy. UC/CSU

IDST 50 = LERN 50

OFFERED ON OCCASION

IDST 80A. Diversity and Social Justice: Racism (.5)

Lec-9 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 186

A consciousness-raising analysis and evaluation of race-based oppression on individual, institutional, and cultural levels in the U.S. Emphasis on expanding knowledge about racism, increasing awareness of one's own socialization and assumptions, and the application of this knowledge and awareness for individual and social change. CSU

OFFERED FALL SEMESTERS

IDST 80C. Diversity and Social Justice: Sexism (.5)

Lec-9 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 186

A consciousness raising analysis and evaluation of sexism on individual, institutional, and cultural levels in the United States. Expanding one's knowledge about sexism, increasing personal awareness of one's own sexism and assumptions, and the application of this knowledge and awareness for individual and social change are emphasized. CSU

OFFERED FALL SEMESTERS

IDST 80D. Diversity and Social Justice: Heterosexism (.5)

Lec-9 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 186

A consciousness-raising analysis and evaluation of homophobia and heterosexism (discrimination based on perceived or real sexual orienta-

tion and identity) oppression on individual, institutional, and cultural levels in the U.S. Emphasis on expanding knowledge about heterosexism, increasing awareness of one's own socialization and assumptions, and the application of this knowledge and awareness for individual and social change. CSU

OFFERED FALL SEMESTERS

IDST 80E. Diversity and Social Justice: Ableism (.5)

Lec-9 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 186

A consciousness-raising analysis and evaluation of ableism (disability-based oppression) on individual, institutional, and cultural levels in the U.S. Emphasis on expanding knowledge about ableism, increasing awareness of one's own socialization and assumptions, and the application of this knowledge and awareness for individual and social change. CSU

OFFERED FALL SEMESTERS

IDST 80F. Diversity and Social Justice: Class and Classism (.5)

Lec-9 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 186

A consciousness-raising analysis and evaluation of class oppression and classism on individual, institutional, and cultural levels in the U.S. Emphasis on expanding knowledge about class, class oppression and classism, increasing awareness of one's own socialization and assumptions, and the application of this knowledge and awareness for individual and social change. CSU

OFFERED SPRING SEMESTERS

IDST 80G. Diversity and Social Justice: Transphobia (.5)

Lec-9 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 186

A consciousness-raising analysis and evaluation of transphobia and gender oppression on individual, institutional, and cultural levels in the U.S. Emphasis on expanding knowledge about transphobia and gender diversity, increasing awareness of one's own socialization and assumptions, and the application of this knowledge and awareness for individual and social change. CSU

OFFERED FALL SEMESTERS

IDST 81A. Diversity: Ageism and Adultism (Age-based Oppression) (1)

Lec-18 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 186

A consciousness-raising analysis and evaluation of age-based bias, discrimination and oppression (adultism and ageism) on individual, institutional, and cultural levels in the U.S. Expanding knowledge about adultism and ageism, increasing awareness of one's own socialization and assumptions, and the application of this knowledge and awareness for individual and social change are emphasized. CSU

OFFERED SPRING SEMESTERS

IDST 81B. Diversity and Social Justice: Anti-Semitism/Anti-Arabism (1)

Lec-18 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 186

A consciousness-raising analysis and evaluation of anti-Semitism and anti-Arabism on individual, institutional, and cultural levels in the U.S. Emphasis on expanding knowledge about anti-Semitism and anti-Ara-

bism, increasing awareness of one's own socialization and assumptions, and the application of this knowledge and awareness for individual and social change. CSU

OFFERED SPRING SEMESTERS

IDST 300. Social Justice Work Experience (1-6)

Work-60-450 P/NP only

PREREQ: APPROVAL OF THE INTERDISCIPLINARY STUDIES DEPARTMENT
REPEAT: REPEATED UP TO 16.00 UNITS

General work experience course designed for students considering careers in social justice, public service and the nonprofit sector. Through supervised internships at justice-oriented and community-based organizations, students can increase their skills working with the public sector and their knowledge of career options and pathways, including the skills necessary for work in this sector. One unit of credit is earned for each 60 hours of unpaid work or 75 hours of paid work. CSU

OFFERED FALL AND SPRING SEMESTERS

Design

Credit, Degree Applicable Courses:

DSGN 101. Design Fundamentals (3)

Lec-35, Lab-70, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Foundational design course, covering the theories, processes, vocabulary, and techniques common to visual design disciplines. Students will develop and apply their knowledge through analysis, critique and individual and collaborative exercises and projects. UC/CSU

DSGN 101 = VMD 101 = PHOT 100

DSGN 105. Design Thinking (1.5)

Lec-26.25 P/NP available

Design thinking is an iterative process of discovery, ideation, and experimentation to gain insight and produce innovative experiences, processes and products. This course will introduce design thinking models and processes through historical and contemporary practice. Hands-on exercises will provide practice with design thinking activities for visual artists, designers, engineers, makers and others. UC/CSU
DSGN 105 DESIGN THINKING IS WRITTEN AS A COMPANION COURSE TO DSGN 110/VMD 112 DESIGN DRAWING TECHNIQUES.

OFFERED SPRING SEMESTERS

DSGN 110. Design Drawing Techniques (1.5)

Lec-17.5, Lab-35 P/NP available

RECOMMENDED PREP: (DSGN 101 OR VMD 101 OR PHOT 100) AND (READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188)

Quick sketching methods for ideation and visual problem solving for designers, animators, illustrators and makers. Terminology, techniques and conventions of rapid visualization are covered, with hands-on practice with line, shape, form, perspective, lighting, shade and shadow. UC/CSU

DSGN 110=VMD 112

OFFERED FALL SEMESTERS

DSGN 150. Color in Design (3)

Lec-35, Lab-70 P/NP available

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: (DSGN 101 OR VMD 101 OR PHOT 100) AND VMD 105

An exploration and application of the historical, cultural symbolic personal and professional uses of color through individual and collaborative projects. Topics include the properties and theory of color; creating color

relationships and harmonies; and optical, psychological and spatial uses of color in various media and design disciplines. UC/CSU

DSGN 150 = VMD 118

Ethnic Studies

Credit, Degree Applicable Courses:

ETHN 37. Introduction to Ethnic Studies (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introduction to concepts, theories, definitions, methodologies, and social policy related to the history, culture, concerns, and conditions of the field of Ethnic Studies. Employs critical race theory, intersectionality, and Indigenous methodologies to analyze and articulate cultural, political, and economic practices and institutions that support or challenge racism, racial and ethnic inequalities, and patterns of interaction between various racial and ethnic groups. CSU

C-ID SOCI 150

CROSSLISTED WITH IDST 37

ETHN 45. Pacific Islanders in the United States (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

This course examines Pacific Islander migrations to the United States mainland including the history, culture, and politics of Hawai'i and U.S. Pacific territories. It explores indigenous cultures and American experiences of Pacific Islanders from Guam, American Samoa, Palau, Marshall Islands, Fiji, Samoa, Tonga, Tahiti, New Zealand, and Australia. CSU

Announcement of Curricula

Italian Major (AA)

The Italian program provides instruction in developing a student's ability to communicate in both written and oral Italian, through the intermediate level and to gain a knowledge of Italian culture. The program is designed to meet transfer goals as well as personal development and career growth.

Degree Curriculum. The Degree Curriculum in Italian is a two-year course of study designed to build a strong language foundation as well as expose students to Italian cultural content and some literature. Students who complete the curriculum are better prepared to transfer to the CSU and UC systems as well as other universities with the intent of majoring or minoring in Italian.

Learning Outcomes

Upon completion of this program, students will be able to:

- Interpret oral and written Italian texts applying knowledge of intermediate vocabulary and structures.

- Apply a range of intermediate vocabulary, grammar, and syntax to communicate in oral and written Italian.
- Analyze and synthesize aspects of Italian culture and society.

Assuming students start this AA with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Italian

Course.....Units

Choose 15 units from the following

- ITAL 2 Continuation of Elementary Italian..... 5.0
or ITAL 2A Continuation of Elementary Italian 3.0
and ITAL 2B Continuation of Elementary Italian 3.0
- ITAL 3A Continuation of Intermediate Italian 3.0
and ITAL 3B Continuation of Intermediate Italian 3.0
- ITAL 4A Continuation of Intermediate Italian 3.0
and ITAL 4B Continuation of Intermediate Italian 3.0

Choose 3 units from the following

- ITAL 1 Elementary Italian 5.0
or ITAL 1A Elementary Italian 3.0
and ITAL 1B Elementary Italian 3.0
- ITAL 10B Beginning Conversational Italian 3.0
- ITAL 10C Intermediate Conversational Italian 3.0
- ITAL 10D Intermediate Conversational Italian..... 3.0
- ITAL 11A Continuation of Intermediate Conversational Italian 3.0
- ITAL 11B Continuation of Intermediate Conversational Italian 3.0
- ITAL 15A Advanced Conversational Italian 3.0
- ITAL 15B Advanced Conversational Italian..... 3.0

Total:18.0

Italian Certificate

The Certificate of Accomplishment in Italian provides students, prospective employers and others with documented evidence of persistence and academic accomplishment in Italian.

Learning Outcomes

Upon completion of this program, students will be able to:

- Interpret the main points of standard spoken and written Italian relating to everyday matters.
- Communicate in spoken Italian using a range of vocabulary, language functions, and sentence structures.
- Write simple connected text using a range of intermediate Italian vocabulary, grammar and sentence structures.
- Compare aspects of Italian culture and society.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Italian

Course.....Units

Choose 9 units from the following

- ITAL 1 Elementary Italian 5.0
or ITAL 1A Elementary Italian 3.0
and ITAL 1B Elementary Italian 3.0
- ITAL 2 Continuation of Elementary Italian..... 5.0
or ITAL 2A Continuation of Elementary Italian 3.0
and ITAL 2B Continuation of Elementary Italian 3.0

- ITAL 3A Continuation of Intermediate Italian 3.0
and ITAL 3B Continuation of Intermediate Italian 3.0
- ITAL 4A Continuation of Intermediate Italian 3.0
and ITAL 4B Continuation of Intermediate Italian 3.0

Choose 6 units from the following

- ITAL 10A Beginning Conversational Italian 3.0
- ITAL 10B Beginning Conversational Italian 3.0
- ITAL 10C Intermediate Conversational Italian 3.0
- ITAL 10D Intermediate Conversational Italian..... 3.0
- ITAL 11A Continuation of Intermediate Conversational Italian 3.0
- ITAL 11B Continuation of Intermediate Conversational Italian 3.0
- ITAL 15A Advanced Conversational Italian 3.0
- ITAL 15B Advanced Conversational Italian..... 3.0

Total:15.0

Announcement of Courses

Students of beginning Italian are directed to consider Italian 1, 1A and 10A.

Credit, Degree Applicable Courses:

ITAL 1. Elementary Italian (5)

Lec-87.5 P/NP available
RECOMMENDED PREP: ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH OR (ANY CITY COLLEGE OR UNIVERSITY FOREIGN LANGUAGE COURSE)
This introductory course will develop the four basic skills of listening, speaking, reading and writing in Italian. This course also introduces some cultural aspects of Italy. UC/CSU
ITAL 1A + 1B = ITAL 1

ITAL 1A. Elementary Italian (3)

Lec-52.5 P/NP available
RECOMMENDED PREP: ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH OR (ANY CITY COLLEGE OR UNIVERSITY FOREIGN LANGUAGE COURSE)
This introductory course will develop the four basic skills of listening, speaking, reading and writing in Italian. This course also introduces some cultural aspects of Italy. The first half of the elementary course. UC/CSU
ITAL 1A + 1B = ITAL 1

ITAL 1B. Elementary Italian (3)

Lec-52.5 P/NP available
PREREQ: ITAL 1A OR DEMONSTRATION OF ITAL 1A EXIT SKILLS.
This introductory course will develop the four basic skills of listening, speaking, reading and writing in Italian. This course also introduces some cultural aspects of Italy. The latter half of the elementary course. UC/CSU
ITAL 1A + 1B =ITAL 1

ITAL 2. Continuation of Elementary Italian (5)

Lec-87.5 P/NP available
PREREQ: ITAL 1 OR ITAL 1B OR DEMONSTRATION OF ITAL 1/1B EXIT SKILLS
Second semester course. This continuation of Italian elementary course will develop the four basic skills of listening, speaking, reading and writing. This course also introduces some cultural aspects of Italy. UC/CSU
ITAL 2A + 2B = ITAL 2

ITAL 2A. Continuation of Elementary Italian (3)

Lec-52.5 P/NP available

PREREQ: ITAL 1 OR ITAL 1B OR DEMONSTRATION OF ITAL 1/1B EXIT SKILLS

Second semester course. This continuation of Italian elementary course will develop the four basic skills of listening, speaking, reading and writing. This course is the first half of Elementary Italian 2. This course also introduces some cultural aspects of Italy. UC/CSU
ITAL 2A + 2B = ITAL 2

ITAL 2B. Continuation of Elementary Italian (3)

Lec-52.5 P/NP available

PREREQ: ITAL 2A OR DEMONSTRATION OF ITAL 2A EXIT SKILLS

Second semester course. This continuation of Italian elementary course will develop the four basic skills of listening, speaking, reading, and writing. The latter half of the elementary course Italian 2. This course also introduces some cultural aspects of Italy. UC/CSU
ITAL 2A + 2B = ITAL 2

Announcement of Curricula

Japanese Major (AA)

The Japanese program provides instruction in developing a student's ability to communicate in both written and oral Japanese through the intermediate level and to gain a knowledge of Japanese culture. The program is designed to meet transfer goals as well as personal development and career growth.

Degree Curriculum. The Degree Curriculum in Japanese is a two-year course of study designed to build a strong language foundation as well as expose students to Japanese cultural content and some literature. Students who complete the curriculum are very well prepared to transfer to the CSU and UC systems as well as other universities with the intent of majoring or minoring in Japanese.

Learning Outcomes

Upon completion of this program, students will be able to:

- Interpret oral and written Japanese texts by applying knowledge of intermediate vocabulary and structures.
- Apply a range of intermediate Japanese vocabulary, grammar, and syntax to communicate in oral and written Japanese.
- Analyze and synthesize aspects of Japanese culture and society.

Assuming students start this AA with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Japanese

Course Units

Choose 15 units from the following

- JAPA 2 Continuation of Elementary Japanese 5.0
or JAPA 2A Continuation of Elementary
Japanese 3.0
and JAPA 2B Continuation of Elementary
Japanese 3.0
- JAPA 3 Intermediate Japanese 5.0
or JAPA 3A Intermediate Japanese 3.0
and JAPA 3B Intermediate Japanese 3.0
- JAPA 4 Continuation of Intermediate Japanese 5.0
or JAPA 4A Continuation of Intermediate
Japanese 3.0
and JAPA 4B Continuation of Intermediate
Japanese 3.0
- JAPA 16 Beginning Kanji for Reading and Writing 3.0

Choose 3 units from the following

- JAPA 1 Elementary Japanese 5.0
or JAPA 1A Elementary Japanese 3.0

- and JAPA 1B Elementary Japanese 3.0
- JAPA 10B Beginning Conversational Japanese 3.0
- JAPA 10C Intermediate Conversational Japanese 3.0
- JAPA 39 Japanese Culture and Civilization 3.0
- Total: 18.0**

Japanese Certificate

The Certificate of Achievement in Japanese provides students, prospective employers and others with documented evidence of persistence and academic achievement in the Japanese language at an intermediate level.

Note that JAPA 1A + 1B = JAPA 1; JAPA 2A + 2B = JAPA 2; JAPA 3A + 3B = JAPA 3; JAPA 4A + 4B = JAPA 4

Learning Outcomes

Upon completion of this program, students will be able to:

- Interpret the main points of standard spoken and written Japanese relating to everyday matters.
- Communicate in spoken Japanese by using a range of vocabulary, language functions, and sentence structures at an intermediate level.
- Write simple connected text using a range of intermediate Japanese vocabulary, grammar, and sentence structures.
- Compare aspects of Japanese culture and society.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Japanese

Choose at least 5 units from the following

- JAPA 3 Intermediate Japanese 5.0
or JAPA 3A Intermediate Japanese 3.0
and JAPA 3B Intermediate Japanese 3.0

Choose at least 11 units from the following

- JAPA 1 Elementary Japanese 5.0
or JAPA 1A Elementary Japanese 3.0
and JAPA 1B Elementary Japanese 3.0
- JAPA 2 Continuation of Elementary Japanese 5.0
or JAPA 2A Continuation of Elementary
Japanese 3.0
and JAPA 2B Continuation of Elementary
Japanese 3.0
- JAPA 4 Continuation of Intermediate Japanese 5.0
or JAPA 4A Continuation of Intermediate
Japanese 3.0
and JAPA 4B Continuation of Intermediate
Japanese 3.0
- JAPA 10A Beginning Conversational Japanese 3.0
- JAPA 10B Beginning Conversational Japanese 3.0
- JAPA 10C Intermediate Conversational Japanese 3.0
- JAPA 16 Beginning Kanji for Reading and
Writing 3.0
- JAPA 17 Continuation of Beginning Kanji for
Reading and Writing 3.0
- JAPA 18 Intermediate Kanji for Reading and
Writing 3.0
- JAPA 39 Japanese Culture and Civilization 3.0

Total: 16.0 – 17.0

Announcement of Courses

Students of beginning Japanese are directed to consider JAPA 1, 1A, and 10A.

A placement test is available; call 239-3223.

Credit, Degree Applicable Courses:

JAPA 1. Elementary Japanese (5)

Lec-87.5 P/NP available

RECOMMENDED PREP: ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH OR (ANY COMMUNITY COLLEGE OR UNIVERSITY FOREIGN LANGUAGE COURSE)

Introductory course in Japanese language. Elementary level of four language skills (listening, speaking, reading and writing) will be developed. The course also will introduce cultural aspects of Japan.

Mastering of two of the Japanese syllabic writing systems, hiragana and katakana is required. The simple kanji (Chinese characters) will also be introduced. UC/CSU

JAPA 1 = JAPA 1A + JAPA 1B

JAPA 1A. Elementary Japanese (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH OR (ANY CITY COLLEGE OR UNIVERSITY FOREIGN LANGUAGE COURSE)

This is half of the introductory course in Japanese language.

Elementary level of four language skills (listening, speaking, reading and writing) will be developed. The course also will introduce cultural aspects of Japan. Mastering of the Japanese syllabic writing system hiragana is required. UC/CSU

JAPA 1A+1B = JAPA 1

JAPA 1B. Elementary Japanese (3)

Lec-52.5 P/NP available

PREREQ: JAPA 1A OR DEMONSTRATION OF JAPA 1A EXIT SKILLS.

The latter half of the introductory course in Japanese language.

Elementary level of four language skills (listening, speaking, reading and writing) will be developed. The course also will introduce cultural aspects of Japan. Mastering of the Japanese syllabic writing system katakana is required. Simple kanji (Chinese characters) will also be introduced. UC/CSU

JAPA 1A + 1B = JAPA 1

JAPA 2. Continuation of Elementary Japanese (5)

Lec-87.5 P/NP available

PREREQ: JAPA 1 OR JAPA 1B OR DEMONSTRATION OF EXIT SKILLS

Second semester course. The course enhances students' abilities in reading, writing, speaking, listening and understanding of Japanese culture. UC/CSU

JAPA 2A. Continuation of Elementary Japanese (3)

Lec-52.5 P/NP available

PREREQ: JAPA 1 OR JAPA 1B OR DEMONSTRATION OF EXIT SKILLS

The first half of second semester course. The course enhances students' abilities in reading, writing, speaking, listening and understanding of Japanese culture. UC/CSU

JAPA 2A + 2B = JAPA 2

JAPA 2B. Continuation of Elementary Japanese (3)

Lec-52.5 P/NP available

PREREQ: JAPA 2A OR DEMONSTRATION OF EXIT SKILLS

The latter half of second semester course. The course enhances students' abilities in reading, writing, speaking, listening and understanding of Japanese culture. UC/CSU

JAPA 2A + 2B = JAPA 2

JAPA 3. Intermediate Japanese (5)

Lec-87.5 P/NP available

PREREQ: JAPA 2 OR JAPA 2B OR DEMONSTRATION OF EXIT SKILLS

Third semester course. The course, which is conducted in Japanese, enhances students' abilities on reading, writing, speaking, listening and understanding of Japanese culture. UC/CSU

JAPA 3A. Intermediate Japanese (3)

Lec-52.5 P/NP available

PREREQ: JAPA 2 OR JAPA 2B OR DEMONSTRATION OF EXIT SKILL

The first half of third semester course. The course, which is conducted in Japanese, enhances students' abilities in reading, writing, speaking, listening and understanding of Japanese culture. UC/CSU

JAPA 3A + 3B = JAPA 3

JAPA 3B. Intermediate Japanese (3)

Lec-52.5 P/NP available

PREREQ: JAPA 3A OR DEMONSTRATION OF EXIT SKILLS

The second half of third semester course. The course, which is conducted in Japanese, enhances students' abilities in reading, writing, speaking, listening and understanding of Japanese culture. UC/CSU

JAPA 3A + 3B = JAPA 3

JAPA 4. Continuation of Intermediate Japanese (5)

Lec-87.5 P/NP available

PREREQ: JAPA 3 OR JAPA 3B OR DEMONSTRATION OF EXIT SKILLS

Fourth semester course. The course, which is conducted in Japanese, enhances students' abilities in reading, writing, speaking, listening and understanding of Japanese culture. UC/CSU

OFFERED SPRING SEMESTERS

JAPA 4A. Continuation of Intermediate Japanese (3)

Lec-52.5 P/NP available

PREREQ: JAPA 3 OR 3B OR DEMONSTRATION OF JAPA 3/3B EXIT SKILLS

The first half of the fourth semester course. The course is conducted in Japanese and enhances students' abilities in reading, writing, speaking, listening and understanding of Japanese culture. UC/CSU

JAPA 4A+4B = JAPA 4

OFFERED SPRING SEMESTERS

JAPA 4B. Continuation of Intermediate Japanese (3)

Lec-52.5 P/NP available

PREREQ: JAPA 4A OR DEMONSTRATION OF JAPA 4A EXIT SKILLS

The latter half of the fourth semester course. The course, which is conducted in Japanese, enhances students' abilities in reading, writing, speaking, listening and understanding of Japanese culture. UC/CSU

JAPA 4A + 4B = JAPA 4

OFFERED SPRING SEMESTERS

JAPA 10A. Beginning Conversational Japanese (3)

Lec-52.5 P/NP available

This is a beginner's course and the first of a series of three conversational courses. This course offers Intensive oral practice of basic structures and vocabulary most often used in conversation and is designed for students who wish to acquire basic skills of spoken Japanese. CSU

RECOMMENDED ALL BEGINNING STUDENTS OF JAPANESE. NOT

RECOMMENDED FOR NATIVE SPEAKERS OF THE LANGUAGE.

JAPA 10B. Beginning Conversational Japanese (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: JAPA 10A OR DEMONSTRATION OF EXIT SKILLS

This is the beginner's course and the second of a series of three conversational courses. The course offers Intensive oral practice of basic

structures and vocabulary most often used in conversation and is designed for students who wish to acquire basic skills of spoken Japanese. CSU

NOT RECOMMENDED FOR NATIVE SPEAKERS OF JAPANESE.

OFFERED SPRING SEMESTERS

JAPA 10C. Intermediate Conversational Japanese (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: JAPA 10B OR DEMONSTRATION OF EXIT SKILLS

This is the intermediate course and the third of a series of three conversational courses. This course offers intensive oral practice of basic sentence structure and vocabulary most often used in conversation and is designed for students who wish to acquire more advanced skills of spoken Japanese. CSU

RECOMMENDED FOR ALL INTERMEDIATE LEARNERS OF JAPANESE. NOT RECOMMENDED FOR NATIVE SPEAKERS OF THE LANGUAGE.

Announcement of Curricula

General Information

The Journalism Program prepares students for a two-year degree, transfer to a four-year program, or professional development in select areas of study. All journalism classes are credit classes and are offered

on the Ocean Campus and Mission Center. Enrollment in the various program areas is open to all interested students. Prospective students are encouraged to meet with a program adviser to discuss program specifics and articulation agreements.

Journalism Major (AA-T)

A degree in Journalism builds in students a strong foundation for a wide variety of educational and career pathways that can lead to careers in journalism, public relations, content marketing, and beyond. This is achieved through courses that emphasize skills in researching, writing, and editing content for publication in a variety of media.

The Journalism AA-T prepares students who wish to transfer and pursue a baccalaureate degree in Journalism or a related field, particularly at the California State University campuses. It is advised that potential majors meet with an affiliated counselor or department chair to discuss educational goals, course options, and transfer issues.

Learning Outcomes

Upon completion of this program, students will be able to:

- Research, write, and edit news and feature stories for publication in print and in multimedia platforms.
- Produce journalistic content that demonstrates good news judgment, accuracy, and adherence to style guidelines.
- Apply good work habits, time management and professionalism while working collaboratively and under deadline pressure to produce news content.
- Explain the role of journalists in modern society.
- Analyze various aspects of power, culture, or identity shaping societies covered by journalists.

Degree Requirements

Students who wish to earn the Journalism AA-T major must meet the following requirements:

- Complete 60 CSU-transferable semester units, including a minimum of 18 units for the degree as specified below
- Earn a minimum grade point average (GPA) of at least a 2.0
- Complete all courses in the major with a minimum grade of “C” (or “P” if applicable)
- Complete Intersegmental General Education Transfer Curriculum (IGETC) and/or CSU General Education-Breadth (CSU GE Breadth) requirements

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AA-T in Journalism

Journalism Major (AA)

The Associate of Arts in Journalism is a program of study with courses that fulfill graduation requirements for the college and transferable requirements to many CSU, UC and private universities. Through departmental core courses and interdepartmental courses, students obtain skills in research, writing, and production skills that are essential to a career in journalism and related fields. This is achieved through courses that emphasize skills in researching, writing, and editing content for publication in a variety of media.

Learning Outcomes

Upon completion of this program, students will be able to:

- Research, write, and edit news and feature stories for publication in print and in multimedia platforms.
- Apply writing and design skills to the publication of newspapers and magazines.
- Explain the role of journalists in modern society.
- Articulate the impact of the mass media on society.

Degree Requirements

Students who wish to earn the Journalism AA Major must meet the following requirements:

- Complete 60 semester units, including a minimum of 24 units for the degree as specified below
- Earn a minimum grade point average (GPA) of at least a 2.0
- Complete all courses in the major with a minimum grade of “C” (or “P” if applicable)

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF

associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is 4 semesters, depending on student preparation and the number of units completed per semester.

Certificate Curricula

City College offers two certificate programs in Journalism, On-line Research Techniques and Editorial Management and Design. A student will receive a Certificate of Achievement after finishing the course of study with grades of “C” or higher in all courses. The Certificate programs are designed for working journalists interested in upgrading skills, students returning to school in search of new career opportunities, or currently enrolled students in the program. A student may receive a certificate while still working on a degree.

Data Journalism Certificate

The Data Journalism certificate combines aspects of information gathering and news/feature writing techniques which include finding, collecting and analyzing data for storytelling and investigative reporting. Students will be well versed in the creation of news and feature stories for publication in various media outlets. Students may be able to obtain jobs as a data journalist, news reporter, and feature writer.

Learning Outcomes

Upon completion of this program, students will be able to:

- Report, write, and edit news and feature stories for various media outlets.
- Explain the changing skill demands of data journalists in a modern society.
- Articulate career opportunities in data journalism.
- Create a professional portfolio of published journalistic works.

The minimum time for completion of this certificate is three semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Data Journalism

JOUR 19 Contemporary News Media	3.0

JOUR 21 News Reporting and Writing 3.0

Second Semester:

LI S 10 Introduction to Research Skills 1.0

LALS 5 Introduction to Statistical Methods in

Latin American and Latino/a Studies 5.0

or PSYC 5 Statistics for Behavioral Sciences 5.0

or ECON 5 Introductory Statistics for Economics,

Business and Social Sciences 5.0

Third Semester:

JOUR 35 Data and Multimedia Journalism 3.0

JOUR 36 Investigative Reporting 3.0

Recommended additional coursework:

JOUR 22 Feature Writing 3.0

JOUR 23 Copy Editing 3.0

JOUR 24 News Production I 3.0

JOUR 37 Introduction to Photojournalism 3.0

CS 256 Data Visualization 3.0

PHIL 40 Introduction to Logic: Critical Thinking 3.0

Total: 18.0

Editorial Management and Design Certificate

The Editorial Management and Design certificate combines editorial content with aspects of creative design techniques. Students will be well versed in the creation of eye-catching page designs for newspapers and magazines.

Learning Outcomes

Upon completion of this program, students will be able to:

- Collaborate with editors in creating newspaper and/or magazine typography.
- Assess and employ creative design techniques for newspapers and magazines.
- Collaborate with printers in the production of newspapers and magazines.
- Create a professional portfolio of published journalistic work.

The minimum time for completion of this certificate is three semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Entrepreneurship and Innovation in Journalism Certificate

This certificate program is designed to prepare students in Journalism to engage in the world of entrepreneurship. The program's interdisciplinary approach to entrepreneurship equips students with relevant tools in exploring various pathways to entrepreneurship such as full-time business ownership, sub-contracting (freelancing), consulting, corporate intrapreneurship or mission-driven social entrepreneurship. Students will utilize common tools and techniques to produce engaging and relevant journalism content materials for various media. They will be able to conceptualize, produce, and deliver meaningful journalistic content that appeals to global and digital marketplace. Students who opted to take this program will end up starting their own creative boutique to serve various nonfiction storytelling, marketing, and advertising needs of the industry.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply an entrepreneurial mindset that breeds creativity and innovation in the field of journalism.
- Use terms and concepts related to functional areas of entrepreneurship necessary for startups.
- Analyze the marketing environment to identify entrepreneurial opportunities and areas for growth and development.
- Develop an agile and lean business plan for a startup project/enterprise that is ready for pitching.
- Compare different entrepreneurship pathways in relation to a project or business idea.

Optional areas of emphasis: freelancing and publishing.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Lec-52.5, field trips

PREREQ: JOUR 24

An intermediate exploration into the process of creating a news publication. Students work as reporters producing journalistic content and editors focusing on editing content suitable for publication in the

campus news publication. They participate in the editorial and production process and develop the skills required for publishing. CSU

FORMERLY TITLED EDITORIAL MANAGEMENT

OFFERED SPRING SEMESTERS

JOUR 26. Fundamentals of Public Relations (3)

Lec-52.5

RECOMMENDED PREP: JOUR 24, AND VMD 105

Prepares students to create an effective public relations campaign that includes writing media releases, "pitch" letters, public service announcements, managing media outlets, coordinating mailings, and designing leaflets and posters, as well as setting up a news conference. Special attention is given to in-house public relations duties for corporate and non-profit entities. CSU

C-ID JOUR 150

JOUR 29A. Introduction to Magazine Editing and Production (3)

Lec-35, Lab-52.5, field trips

RECOMMENDED PREP: JOUR 21 OR JOUR 22 OR JOUR 37

An introduction to the process of creating a magazine publication. Students work as part of a staff of writers and photographers, focusing on writing and photographing feature stories suitable for publication in the campus magazine. They study the editorial and production process and the skills required for publishing a campus magazine. Appropriate for students interested in creative writing, graphic arts, photojournalism and journalism who have not yet taken a campus magazine publishing class. CSU

FORMERLY JOUR 29.

JOUR 29B. Intermediate Magazine Editing and Production (3)

Lec-35, Lab-52.5, field trips

PREREQ: JOUR 29 OR JOUR 29A

An intermediate exploration into the process of creating a magazine publication. Students work as editors focusing on editing content suitable for publication in the campus magazine. They participate in the editorial and production process and develop the skills required for publishing a campus magazine. Appropriate for students interested in editing and production who have completed an introductory campus magazine publishing class. CSU

JOUR 29C. Advanced Magazine Editing and Production (3)

Lec-35, Lab-52.5, field trips

PREREQ: JOUR 29B

An advanced exploration into the process of creating a magazine publication. Students work in management positions focusing on leading a staff in producing content suitable for publication in the campus magazine. They facilitate the editorial and production process and develop the skills required to manage the publication of a campus magazine. Appropriate for students interested in editing and production who have completed an intermediate level campus magazine publishing class. CSU

JOUR 31. Internship Experience (1-2)

Work-60-150

PREREQ: APPROVAL OF THE JOURNALISM DEPARTMENT

RECOMMENDED PREP: JOUR 24

REPEAT: REPEATED UP TO 6.00 UNITS

Supervised on-campus or off-campus employment in the journalism field that is adaptable to the student. This could include experiences such as working on community based newspapers, publishing on the Internet, or improving the journalism-publishing program at CCSF for the betterment of the larger community. One unit of credit is earned for 60 hours of unpaid, or 75 hours of paid work. CSU

JOUR 32. Independent Study (1)

Lab-52.5

P/NP available

Student will conduct individual project to be defined in cooperation with an instructor. The project medium can vary but it must be in reporting, photojournalism, media research, multimedia, data journalism, or public relations. CSU

*OFFERED ON OCCASION***JOUR 35. Data and Multimedia Journalism (3)**

Lec-52.5

P/NP available

RECOMMENDED PREP: JOUR 21

The course gives hands-on training on spreadsheet, database, and visualization skills with special emphasis on new trends in the delivery of news. CSU

*C-ID JOUR 120**FORMERLY INTERNET JOURNALISM***JOUR 36. Investigative Reporting (3)**

Lec-52.5

RECOMMENDED PREP: JOUR 21

The course provides advanced concepts of news gathering, interviewing and writing. Students will be assigned beats covering neighborhood communities and local government. Extensive research, interviewing, meeting coverage and writing involved. Students will improve and expand their news gathering and writing skills. CSU

*C-ID JOUR 210***JOUR 37. Introduction to Photojournalism (3)**

Lec-52.5

RECOMMENDED PREP: PHOT 51 OR DEMONSTRATION OF EQUIVALENT KNOWLEDGE

Concepts of photojournalism such as news and feature photography. Assignments involve photographing people and visual storytelling at a level appropriate for publication such as in campus publications. Access to Single Lens Reflex (SLR) digital or film camera required. CSU

JOUR 38. Intermediate Photojournalism (3)

Lec-52.5

P/NP available

PREREQ: JOUR 37

Emphasizes concepts of photojournalism at an intermediate level. Assignments will involve photographing people and visual storytelling at a professional entry-level appropriate for use in publications such as newspapers and magazines. Emphasizes integration of traditional photojournalism with new media technology reflecting current professional trends in photojournalism. Digital SLR or mirrorless camera required. CSU

Announcement of Curricula

Degree Curriculum

The Labor and Community Studies Department offers a two-year transfer degree program in Social Justice with an area of emphasis in labor and community advocacy. It teaches students the contributions of working-class people to American Society, with a special focus on organized labor, immigrants, people of color, women, and LGBTQ

people. It gives a thorough grounding in the rights of employees, including union rights, through a course of study that examines class history, economics, politics, art, and social change. It offers specialized instruction in the history and current status of movements for social change and prepares students to transfer into a variety of CSU majors in social sciences, behavioral science, and ethnic studies, among others.

Social Justice Studies: General - Labor and Community Studies Major (AA-T)

The Associate of Arts in Social Justice: Labor and Community Studies for Transfer prepares students to pursue studies in working class history and workplace justice, and for careers in labor and community advocacy.

The Social Justice Transfer Model Curriculum (TMC) is an “area of emphasis” (AOE) and has specifically been designed to prepare students for transfer into a variety of CSU Majors, such as

- African American Studies
- Africana Studies
- American Indian Studies
- American Studies
- Arabic Language, Literature and Culture
- Asian American Studies
- Chicano/Chicana Studies
- Ethnic Studies
- Gender Studies
- Labor and Employment Studies
- Labor Studies
- Latin American Studies
- Liberal Studies w/Option in Interdisciplinary Studies in Culture & Society
- Liberal Studies Border Studies w/Option in Mexican-American Studies
- Modern Jewish Studies
- Negotiation, Conflict Resolution and Peace building
- Sociology with a concentration in Critical Race Studies
- Sociology with a concentration Race, Class, and Gender
- Sociology with Inequalities and Diversity Option
- Social Science with Emphasis in Islamic and Arabic Studies
- Women, Gender, and Sexuality Studies
- Women's Studies
- and many other possible CSU majors.

It is advised that potential majors meet with an affiliated counselor or department chair to discuss educational goals, course options, and transfer issues.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze how economic and political power is exercised in the United States.
- Assess the effectiveness of working class movements for social and/or racial justice.
- Analyze the relative merits of various organizing strategies for building labor and/or community power.

Students who wish to earn the Associate of Arts in Social Justice: Labor and Community Studies for Transfer (AA-T) must complete 60 CSU transferable units with at least a 2.0 grade point average. Each course in the major must be completed with a grade of “C” (or “P”) or better. Courses used to meet the major requirements may also be used to meet IGETC or CSU GE requirements.

Assuming students start this AA-T with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AA-T in Social Justice Studies: General - Labor and Community Studies

Course.....Units

Required core courses:

- LBCS 70A Who Built America? 1492-1877 3.0
or LBCS 70B Who Built America? From
Reconstruction to the Present 3.0
- WGST 25 Introduction to Women’s and Gender
Studies: Feminism Demystified 3.0
- IDST 37 Introduction to Ethnic Studies..... 3.0

Select 3 courses from at least two of the following areas:

Area 1: History and Government

- LBCS 70A Who Built America? 1492-1877*..... 3.0
- LBCS 70B Who Built America? From
Reconstruction to the Present*..... 3.0
- LBCS 88 California Labor History 3.0

Area 2: Arts and Humanities

- LBCS 104A Work Tales- Beginning Performance..... 3.0
- AFAM 60 African American Women in the U.S. 3.0
- LGBT 55 Contemporary Global Art and Culture..... 3.0
- ENGL 57 Survey of Women’s Literature..... 3.0

Area 3: Social Science

- ASAM 22 Community Issues & Leadership 3.0
- LBCS 15 Latin American Workers in the Americas 3.0
- LBCS 96C Labor Relations in the Modern
American Workplace..... 3.0
- ECON 25 Women in the Economy..... 3.0

Area 4: Quantity Reasoning and Research Methods

- LALS 5 Introduction to Statistical Methods in
Latin American and Latino/a Studies 5.0

* Course may be used to satisfy this area if not used to meet the Core Course requirement.

Total: 18.0 – 20.0

Labor and Community Organizing Certificate

The Labor and Community Organizing Certificate of Achievement prepares students for leadership and employment with labor organizations, workers centers, community-based organizations and nonprofit groups. Students gain a comprehensive knowledge of the organizing, advocacy, analytical, and collaborative skills needed to succeed in this field.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply leadership skills to the work of labor and community organizations.
- Analyze historical and current trends impacting the lives of working-class people and diverse communities.

- Design logical and effective strategic organizing plans to achieve positive policy change for workers in their communities.
- Communicate effectively with people from diverse backgrounds.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Labor and Community Organizing

Course.....Units

Choose 5 courses from the following

- LBCS 70A Who Built America? 1492-1877 3.0
or LBCS 70B Who Built America? From
Reconstruction to the Present 3.0
- LBCS 81 Organizing for Economic and Social Justice ... 3.0
- LBCS 88 California Labor History 3.0
- LBCS 96C Labor Relations in the Modern
American Workplace..... 3.0
- LBCS 114 Shaping Public Policy for Labor and
Community Organizations 3.0
- LBCS 115 Workforce Development & Land
Use For Labor & Community Groups..... 3.0

Choose three units from the following

- AFAM 42 The Origins and History of Race
Theory and Modern Racism 3.0
- ASAM 1 Introduction to Asian American Studies 3.0
- CHIN 1A Elementary Chinese 3.0
- CHIN 10A Beginning Conversational Cantonese..... 3.0
- IDST 37 Introduction to Ethnic Studies..... 3.0
- IDST 300 Social Justice Work Experience..... 1.0 – 6.0
- LALS 15 Latin American Workers in the Americas 3.0
- LBCS 15 Latin American Workers in the Americas 3.0
- LGBT 5 Introduction to Lesbian, Gay, Bisexual,
and Transgender Studies 3.0
- PHST 40 Contemporary Issues in the
Filipino Diaspora 3.0
- SPAN 1A Elementary Spanish 3.0

Total: 18.0

Announcement of Courses

Credit, Degree Applicable Courses:

LBCS 15. Latin American Workers in the Americas (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

This course bridges Labor Studies and Latin American/ Latino/a/x Studies by comparing the histories of realities of Latin American workers in the US and Latin America. Traces the parallel histories of Latin American and Latino workers and the ways in which politics, economics and social movements shape their experiences. UC/CSU

LBCS 15=LALS 15

LBCS 70A. Who Built America? 1492-1877 (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A multicultural, working people’s history of the early United States. Native Americans, Africans and Europeans. Latinos and Asians. Farmers, shoemakers, and slaves. Revolution and expansion. Abolishing slavery, establishing workers’ and women’s

rights. Cooperative communities and unions. The Civil War and Emancipation. American ideals and American realities. UC/CSU

LBCS 70B. Who Built America? From Reconstruction to the Present (3)

Lec-52.5 P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A labor and working class, post-Civil War history of the United States. Native, African, Latinx and European Americans create a country. Cowboy unions and rancher rebels. Republic vs. Empire, Progressives and labor reform. Workers in World War I. During '30s hard times, workers make a New Deal. Labor Defeats Fascism. Cold Warriors attack, Freedom Marchers fight back. Worker rebels of the '80s and '90s. Immigrant workers and unions today. The needy battle the greedy. Liberty and Justice for All! UC/CSU

LBCS 81. Organizing for Economic and Social Justice (3)

Lec-52.5 P/NP available
The class will examine the strategies and tactics of organizing for economic, racial and social justice in various settings. Workplace and community organizing. Unions and workers' centers. Labor-community coalition building. The effectiveness of different approaches to building labor and community power in the current historical context. CSU

LBCS 88. California Labor History (3)

Lec-52.5, field trips P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

History of California's working people and their quest for social justice, encompassing the state's diverse regions, races and cultures. Examines early Native Peoples, the Spanish conquest, and Chinese workers and the railroads. Studies agricultural, industrial, service and public sector workers, the tech sector, and the impact of economic inequality on society. Explores strategies used by workers, unions, worker centers, and community organizations advocating for workers power. UC/CSU

OFFERED FALL SEMESTERS

LBCS 94D. Labor Relations in America (1)

Lec-17.5 P/NP available
RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

A study of United States labor relations and employment rights. Includes labor history, economics and law, as well as contemporary issues in various industries. Labor relations and employment rights as they have shaped American society. CSU

OFFERED ON OCCASION

LBCS 96C. Labor Relations in the Modern American Workplace (3)

Lec-52.5, field trips P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A study of labor relations in general and through the lens of specific industries. Course explores workplace power: its history, present status, and current issues. Topics include forms of ownership, the structure of the workplace, the changing workforce, management practices, unionization, workers' rights, and current developments. A thorough analysis of labor relations and employment rights as they affect the economy, society and culture. CSU

LBCS 98A. Beginning Labor Heritage Chorus (3)

Lec-52.5, field trips P/NP available
The beginning study of choral techniques and performances of the songs that reflect workers of diverse cultures such as Native American chants, folk and labor ballads, field hollers, African-American cowboy songs, Chicano farm and border songs, Labor Motown, Asian-American work songs and songs of working women's experiences. UC/CSU

LBCS 98B. Intermediate Labor Heritage Chorus (3)

Lec-52.5, field trips P/NP available
PREREQ: LBCS 98A OR MUS 48A OR DEMONSTRATION OF EXIT SKILLS
The intermediate study of choral techniques and performances of the songs that reflect workers of diverse cultures. These include Native American chants, folk and labor ballads, field hollers, African-American cowboy songs, Chicano farm and border songs, Labor Motown, Asian-American work songs and songs of working women's experiences. Students will develop a more complex choral singing capacity and ability to sing in solos and small groups within chorus performances. UC/CSU

LBCS 98C. Advanced Labor Heritage Chorus (3)

Lec-52.5, field trips P/NP available
PREREQ: LBCS 98B OR MUS 48B OR DEMONSTRATION OF EXIT SKILLS
Advanced Labor Chorus is designed to further develop choral music and knowledge of labor songs from various periods in American history. Students will develop advanced choral techniques and repertoire with an increased focus on the development of a self-directed creative process within the labor song tradition. UC/CSU

LBCS 103. Peer Counseling-the Basics (1)

Lec-18 P/NP available
Training for volunteer peer counselors in the areas of substance abuse, strike and emergency assistance, unemployment, and related workplace problems. Covers information and referral issues as well as communication skills necessary to peer counseling. CSU

LBCS 114. Shaping Public Policy for Labor and Community Organizations (3)

Lec-52.5, field trips P/NP available
OR ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH
Public policy shapes our workplaces, neighborhoods, the criminal justice system, and the environment. This course examines the role of policy making in working-class communities and communities of color. Particular attention will be given to local policy formation and the ways that labor and community organizations can influence the process for the benefit of all. UC/CSU

LBCS 115. Workforce Development & Land Use For Labor & Community Groups (3)

Lec-52.5, field trips P/NP available
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The course examines the ways that workforce and housing development policies shape the lives of working-class communities. Particular attention will be given to the ways that city and county governments contend with a shifting global economy, changing federal priorities and regional job training and affordable housing needs. UC/CSU

Noncredit Courses:

LACR 9802. Workers' Rights (18 hrs)

This course covers students' rights on the job under federal, state and local law and in the union and nonunion workplace. It examines wage

and hour, job security, anti-discrimination, health and safety and collective bargaining protections. Students will learn how to organize effectively for fair conditions at work.

LACR 9805. San Francisco Labor Today - Its Issues (5 hrs)
 An overview of the various organizations within the San Francisco labor community, their work and their issues. Unions, workers' centers and community-based advocacy organizations. Organizing for a better work life, building labor-community coalitions and telling working people's stories. People of color, immigrant, women's and LGBT workers' rights. The "Si, Se Puede" spirit in Bay Area labor today.
OFFERED ON OCCASION

LACR 9806. Workers' Advocacy Training (3 hrs)
 Introduction to the role of the workers' advocate. Union, workers' center and government agency advocacy. Organizing for social, racial and economic justice. Employment rights laws. Shop stewards and union contract enforcement. Labor-community solidarity.
OFFERED ON OCCASION

LACR 9811. Organizing for Labor and Community Empowerment (18 hrs)
 Labor and Community Empowerment teaches organizing theory and practice. It conducts an in-depth study of different periods of organizing history and of workers organizing potential today. It trains students to participate in and lead effective labor and community organizing campaigns. Planning, conducting and evaluating organizing campaigns.

LACR 9812. Organizing for Transformation (18 hrs)
 Brings working peoples' voices to the forefront of society and social change movements. Explores communications campaigns, oral history projects, public speaking, media relations and labor and community arts programs. Special emphasis is put on students telling their own stories and those of their communities, workers centers and unions. Taking organizing deeper and further - into the heart and soul of workers lives.

LACR 9815. Labor and Community Activist Training (18 hrs)
 Prepares students to advocate for improvements in their wages, working and living conditions in a variety of settings. Includes identifying issues, planning and campaign evaluation. Preparation for volunteer and paid work in union, community, and electoral activism.

Announcement of Curricula

Social Justice Studies: General - Latin American and Latino/a Studies Major (AA-T)

The Associate of Arts in Social Justice: Latin American and Latino/a Studies for transfer is designed to prepare students who wish to transfer to pursue studies in social justice with an emphasis in Latin American and/or Latino studies.

The Social Justice Transfer Model Curriculum (TMC) is an "area of emphasis" (AOE) and has specifically been designed to prepare students for transfer into a variety of CSU majors such as

- Latin American Studies

- Latino/a Studies
- Chicano/a studies
- Mexican American Studies
- Central American Studies
- Border Studies
- African American Studies
- Africana Studies
- American Indian Studies
- American Studies
- Asian American Studies
- Ethnic Studies
- Islamic Studies
- Gender Studies
- Labor and Employment Studies
- Labor Studies
- and many other possible CSU majors.

It is advised that potential majors meet with an affiliated counselor or department chair to discuss education goals, course options and transfer issues.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply intersectionality to analyze the different power relations that have shaped the lives of Latinas/os in the United States and Latin America
- Apply appropriate methods of inquiry for Latin American and Latino/a Studies
- Analyze the national and/or transnational experiences of Latinos in the United States and Latin America

Students who wish to earn the Associate in Arts in Social Justice Studies: Latin American and Latino/a Studies for transfer (AA-T) degree must complete 60 CSU-transferable units with at least a 2.0 grade point average. This must include units required for full completion of the IGETC or CSU GE Curriculum and the units for the major as specified below. Each course in the major must be completed with a "C" (or "P") or better. Courses that meet the major requirements may also be used to meet IGETC or CSU GE requirements.

Assuming students start this AA with a transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and numbers of units completed per semester.

Courses Required for the AA-T in Social Justice Studies: General - Latin American and Latino/a Studies

Course Units

Core required courses:

LALS 1 The Latinx Experience in the United States	3.0
IDST 37 Introduction to Ethnic Studies.	3.0
WGST 25 Introduction to Women's and Gender Studies: Feminism Demystified	3.0
LALS 14 Diego Rivera: Art and Social Change in Latin America	3.0

Select two courses from at least two areas for a minimum of 6 units:

Area 1: History and Government

Latin American & Latino/a Studies Major (AA)

The Latin American and Latino/a Studies major is an inter-disciplinary program that studies the history, economy, culture, and politics of Latin America and Latinos in the United States.

Using an interdisciplinary approach, Latin American and Latino/a Studies graduates are active in the examination of the multiple and diverse realities of peoples of Latin America and of Latinos in the United States.

The degree in Latin American and Latino/a studies provides a basis for students pursuing further education toward careers in: non-profit program management, public sector, private sector, international development, labor and community organizing, policy analysis, education, journalism, among others.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze the national and transnational experiences of Latinas/os in the Americas
- Examine the political, social, cultural and economic realities of Latin America and its people.
- Evaluate the intersectionality of distinct forms of oppression within Latina/o experience in the Americas
- Apply theories and methodologies in Latin American and Latino Studies

The Latin American and Latino/a Studies degree offers courses in different areas of graduation at CCSF: Humanities, Ethnic Studies, and Social Sciences. Oriented toward serving our diverse student body, our courses will allow students to fulfill transfer requirements to CSU, UC and other private universities. In order to complete the major you need to take a total of 21 units: Twelve (12) core units and nine (9) elective units. In the core units of the LALS major, students gain a foundation on the history, culture, and politics of Latin America and Latinos in the Americas. In the electives, students can choose a focus by selecting from our program’s specialized courses; allowing them to craft a major that reflects the student’s individual interests. Upon completion of the major, students will be able to integrate writing, research and presentation skills necessary for the successful attainment of a university degree and for many professional careers.

Assuming students start this AA with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Latin American & Latino/a Studies Certificate

The Certificate of Achievement in LALS is a program that introduces the Latino/a experience in the United States. The certificate is comprised of a 3-unit core course combined with elective units, providing

students with theoretical and methodological tools to understand and analyze the complexity of Latino/a lives in the United State. It is designed for students who wish to pursue a specialization in Latino/a studies and for professionals in the public, private and nonprofit sector and/or who work with or wish to learn about Latino/a communities in the United States to further their career goals.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze and interpret the Latino/a national and transnational experience in the state of California and the United States.
- Compare and contrast Latin American cultures and societies.

The minimum time for completion of this certificate is 1 semester. Completion time will vary based on student preparation and number of classes completed per semester.

Credit, Degree Applicable Courses:

LERN 10. Introduction to Tutoring (1)

Lec-17.5 P/NP only

PREREQ: ACCEPTANCE INTO A CCSF PEER-TUTORING PROGRAM

Introduction to theories and methods of effective tutoring. Students will learn best practices, techniques, and strategies for effective tutoring. Areas covered will include, but not be limited to: the tutor role and responsibility, the tutor-tutee relationship, the tutoring cycle, strategies and techniques to implement when tutoring students of various backgrounds, learning preferences, academic abilities and specific strategies for tutoring in identified subject-specific areas. CSU

LERN 12. Tutoring/Mentoring Work Experience (1-3)

Work-60-225 P/NP only

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: LERN 10

REPEAT: REPEATED UP TO 9.00 UNITS

Work experience tutoring or mentoring in a specific subject matter, course or program under the supervision of the Learning Assistance Center Coordinator or an Instructor for a specific course or program. CSU

REPLACES LERN 12A, 12B, AND 12C

LERN 50. College Success (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: ESL 188 OR ENGL 88 OR HIGHER

Integrates study strategies, critical analysis and communication skills in preparation for lifelong success in academic, professional and personal development. Includes time management, critical thinking, personal and educational values, written and spoken communication, informational literacy, research skills, equity and social justice, navigation of educational systems, online learning, health, and financial literacy. UC/CSU

LERN 50=IDST 50

LERN 51. College Success Basics (1)

Lec-17.5 P/NP only

This brief course introduces students to basic college success strategies: goal setting and time management, memory and concentration, lecture

notetaking, accessing campus resources, textbook studying and test taking. CSU

OFFERED ON OCCASION

LERN 52A. Study Strategies: Discipline Specific (1)

Lec-17.5 P/NP only

This brief intensive course increases student success by introducing content-specific study strategies particular to a targeted academic discipline, course or section within a discipline. Study strategies are unique to the discipline to assist students with assigned content. CSU

OFFERED ON OCCASION

LERN 53A. Test Prep for CBEST Basic Skills Test-English (.5)

Lec-9 P/NP only

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

This brief review course is designed to prepare students for the CBEST - California Basic Education Skills Test: English. This is the standardized exam that future K-12 teachers must pass prior to being hired as a teacher for particular subjects. CSU

LERN 53B. Test Prep: Standardized Exams: CBEST-Math (.5)

Lec-9 P/NP only

This short-term course is designed to prepare students for the mathematics section of the CBEST, standardized, timed test. This course covers formatting, scoring standards, test-taking and study strategies and specific content. This is the standardized exam that future K-12 teachers must pass prior to being hired as a teacher. CSU

LERN 53C. Test Prep: Standardized Exams: CSET (.5)

Lec-9 P/NP only

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

This short-term course is designed to prepare students for the English section of the CSET Multiple Subjects standardized test. This course covers formatting, scoring standards, test-taking, study strategies, and specific content related to the Reading, Language, and Literature sections of Subtest 1 of the CSET Multiple Subjects Exam. CSU

LERN 53D. Test Prep for CSET Multiple Subjects Exam: Math (.5)

Lec-9 P/NP only

RECOMMENDED PREP: ELEMENTARY ALGEBRA OR HIGHER

This short-term course is designed to prepare students for the mathematics section of the CSET Multiple Subjects standardized test. This course covers formatting, scoring standards, test-taking and study strategies, and specific content related to each subset of the particular test. CSU

LERN 54. Multiple Subjects CSET I Intensive Preparation (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: (ELEMENTARY ALGEBRA OR HIGHER) AND (READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188)

This intensive course is designed to prepare future K-12 teachers to take any one of the CSET, or for multiple CSET tests. This course includes timed practice tests, peer review, lecture and seminar discussions. These activities lead to improved test-taking and addresses study skills, time management, stress and anxiety management, goal setting, accountability, gaining content specific proficiency, accessing resources, and networking. CSU

LERN 55. Successful Online Learning (1)

Lec-17.5

Master successful online learning in 6 weeks. Gain proficiency using Canvas as a holistic learning environment: access instructions and

course materials; participate in community; complete assignments, and receive help from the instructor. Implement behaviors conducive to successful online learning: time management, goal setting, and self-motivation. Apply study strategies to reading e-books, and create study tools for an e-portfolio. For students new to, or seeking to master online learning. CSU

Noncredit Courses:

LERN 1000. Supervised Tutoring (1-200 hrs)

Tutoring and learning support activities offered outside of class. Students receive academic assistance in understanding course content, achieving academic course learning outcomes, basic skills, study strategies and computer skills. Students work with peer tutors who are recommended by subject-specific faculty. Peer tutors are trained, supervised, and participate in ongoing professional development by Learning Assistance or other discipline-specific faculty.

LERN 1010. Introduction to Tutoring (18 hrs)

Introduction to theories and methods of effective tutoring. Tutoring purpose, goals and techniques; questioning and positive reinforcement; active listening and study skills; culture and multicultural awareness; learning styles and strategies.

Announcement of Curricula

Social Justice Studies: General - Feminist, Queer, and Trans Studies Major (AA-T)

Associate in Arts in Social Justice Studies: Feminist, Queer, and Trans Studies for Transfer is a joint program between the Women’s and Gender Studies and the LGBT Studies Departments. This AA-T offers students breadth of knowledge through a set of introductory courses addressing gender, sexuality, race, ethnicity, class, and ability, and depth of knowledge through courses that focus on intersecting identities within feminist, queer, and trans theories. We aim to understand and dismantle cultural and institutionalized oppressions like sexism, heterosexism, homophobia, cissexism, transphobia, racism, classism, ableism, and ageism. The AA-T prepares students who wish to transfer and pursue a baccalaureate degree in a field related to Social Justice, particularly at the California State University campuses. Related fields include Women and Gender Studies, LGBT Studies, Queer Studies, Feminist Studies, Sexuality Studies, Ethnic Studies, Critical Race Studies, or any of a number of other CSU Majors included in this “area of emphasis.”

It is advised that potential majors meet with an affiliated Counselor or Department Chair to discuss educational goals, course options, and transfer issues.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze the social, political, and historical contexts of Feminist, Queer, and Transgender Studies.
- Apply an intersectional framework to feminist, queer, trans, ethnic, racial, and/or socio-economic theories.
- Examine gender identities, gender expressions, and sexual orientation across cultures historically and/or in a contemporary context.
- Identify the role of art and creativity in various global cultural contexts in relation to gender and sexuality.

Students who wish to earn the Associate in Arts in Social Justice Studies: Feminist, Queer, and Trans Studies for transfer (AA-T) degree must complete 60 CSU-transferable units with at least a 2.0 grade point average. This must include units required for full completion of the IGETC or CSU GE Curriculum and the units for the major as specified below. Each course in the major must be completed with a “C” (or “P”) or better. Courses that meet the major requirements may also be used to meet IGETC or CSU GE requirements.

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AA-T in Social Justice Studies: General Feminist, Queer, and Trans Studies

Course	Units
Required	
IDST 37 Introduction to Ethnic Studies	3.0
WGST 25 Introduction to Women’s and Gender Studies: Feminism Demystified	3.0

* Each course taken may be used to satisfy only one area or requirement and cannot be counted twice.

Recommended

Students are encouraged to fulfill their general education requirements for written composition and oral communication with ENGL 1A and CMST 1A with a Women’s and Gender Studies or LGBT Studies focus.

Total:18.0

Lesbian, Gay, Bisexual and Transgender Studies Major (AA)

The LGBT Studies Major offers a multidisciplinary and multicultural approach to the study of Lesbian, Gay, Bisexual, Transgender, Queer and Intersex identities, culture, art, literature politics, history and society both globally and domestically. Through the Arts, Humanities, Social Sciences and Behavioral Sciences, the LGBT Studies Major incorporates queer theory, theories of race and ethnicity, feminist theory, and the study of comparative social and political movements to examine the ways that we currently understand and have historically understood various constructions of sexuality, gender identity and behavior depending upon historic time and global location. To support this multidisciplinary approach, the LGBT Studies Department offers course that cover literature, film, art, ethnic studies, history, anthropology, psychology, politics, religion and health. While the LGBT Studies major at City College of San Francisco offers a full and array of General Education and Diversity requirements, it will also prepare students for transfer to numerous LGBT/Queer Studies baccalaureate programs in the United States and Canada.

Learning Outcomes

Upon completion of this program, students will be able to:

- Research and analyze key issues in Lesbian, Gay, Bisexual, Transgender, Queer and Intersex histories and the intersectionality of LGBTQI+ people.
- Analyze key issues concerning LGBTQI+ people in various regions of the world with a focus on cultural identity as informed by issues of politics, religion and colonial histories.

Assuming students start this AA with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Education and skills training in peer education to promote healthy relationships and reduce sexual violence, specifically intimate partner violence and acquaintance rape. Peer education activities include preparation of a facilitation plan, campus-wide visibility projects, presentations to CCSF classes and volunteer work in community-based organizations. Field project required. CSU

STUDENTS CAN TAKE WGST 55 AND WGST 54 IN ANY ORDER. COURSE WAS FORMERLY WOMN 55.

OFFERED FALL AND SPRING SEMESTERS

Liberal Arts and Sciences

Announcement of Curricula

The Liberal Arts and Sciences degree is designed for students who wish to have a broad knowledge of arts and sciences plus additional knowledge in an "Area of Emphasis." This degree can be a good option for students planning to transfer to a university as it provides the flexibility for students to satisfy both general education and lower division major requirements for specific universities while meeting associate

degree requirements at the same time. For more detailed information on transfer requirements, students should speak with a counselor and refer to www.ASSIST.org.

To complete the requirements for the Associate in Arts or Associate in Science for one of these degrees, a student must:

- Complete the CCSF General Education requirement (18-24 units).
- Complete 18 units in one “Area of Emphasis” from those outlined below.

Each course used to meet this “area of emphasis” requirement must be completed with a grade of “C” or higher (or “Credit” or “Pass” if the course was taken on a “credit/no credit” or “pass/no pass” basis). Where appropriate, courses in the “area of emphasis” may also be counted for a General Education area.

- Complete all other CCSF graduation requirements (i.e., math, GPA, residency, and unit requirements).

Assuming students start one of these degrees with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

AREAS OF EMPHASIS

Arts and Humanities Emphasis (AA) Associate in Arts in Arts and Humanities

The Liberal Arts and Sciences degree is designed for students who wish to have a broad knowledge of arts and sciences plus additional knowledge in an “Area of Emphasis.” This degree can be a good option for students planning to transfer to a university as it provides the flexibility for students to satisfy both general education and lower division major requirements for specific universities while meeting associate degree requirements at the same time. For more detailed information on transfer requirements, students should speak with a counselor and refer to www.ASSIST.org.

The courses in the Arts and Humanities emphasis cover the study of cultural, literary, humanistic activities and artistic expression of human beings.

Learning Outcomes

Upon completion of this program, students will be able to:

- Exhibit an understanding of the ways in which people in diverse cultures and eras have produced culturally significant works.
- Communicate effectively the meanings and intentions of creative expression.
- Use analytical techniques to assess the value of human creations in meaningful ways.
- Demonstrate an understanding of the human condition through language, reasoning, or artistic creation.

Each course used to meet this “area of emphasis” requirement must be completed with a grade of “C” or higher (or “Credit” or “Pass” if the course was taken on a “credit/no credit” or “pass/no pass” basis). Where appropriate, courses in the “area of emphasis” may also be counted for a General Education area.

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Liberal Arts and Sciences Emphasis in Arts and Humanities

Course Units

Complete 18 units from the following courses (at least one course from Arts, and one from Humanities):

Communication Emphasis (AA) Associate in Arts in Communication

The Liberal Arts and Sciences degree is designed for students who wish to have a broad knowledge of arts and sciences plus additional knowledge in an “Area of Emphasis.” This degree can be a good option for students planning to transfer to a university as it provides the flexibility for students to satisfy both general education and lower division major requirements for specific universities while meeting associate degree requirements at the same time. For more detailed information on transfer requirements, students should speak with a counselor and refer to www.ASSIST.org.

The courses in the Communication emphasis cover the content of communication as well as the form and should provide an understanding of the psychological basis and social significance of communication.

Learning Outcomes

Upon completion of this program, students will be able to:

- Use the principles and application of language toward logical thought.
- Demonstrate clear and precise expression.
- Critically evaluate communications in whatever symbol system the student uses.

Each course used to meet this “area of emphasis” requirement must be completed with a grade of “C” or higher (or “Credit” or “Pass” if the course was taken on a “credit/no credit” or “pass/no pass” basis). Where appropriate, courses in the “area of emphasis” may also be counted for a General Education area.

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Liberal Arts and Sciences Emphasis in Communication

Course	Units
Complete 18 units from the following courses:	
CMST 1A Elements of Public Speaking	3.0
CMST 2 Introduction to Rhetorical Criticism	3.0
CMST 3 Argumentation and Debate	3.0
CMST 4 Group Communication	3.0
CMST 5 Intercultural Communication	3.0
CMST 6 Workplace Communication.	3.0
CMST 7 Oral Interpretation of Literature	3.0
CMST 8 Rhetoric of Popular Culture	3.0
CMST 20 Interpersonal Communication	3.0
CMST 50 Rhetoric of Cannabis.	3.0
ENGL 1A College Reading and Composition	4.0
ENGL 1B Writing about Literature	4.0
ENGL 1C Writing about Nonfiction	4.0
ESL 79 Advanced Speaking and Pronunciation	3.0
LALS 2 Critical Thinking in Latinx Studies.	3.0
PHIL 2 Introduction to Philosophy: Morality and Politics	3.0
PHIL 4 Introduction to Philosophy: Knowledge and Its Limits.	3.0
PHIL 40 Introduction to Logic: Critical Thinking	3.0
Total:	18.0

**Science and Mathematics Emphasis (AS)
Associate in Science in Science and Mathematics**

The Liberal Arts and Sciences degree is designed for students who wish to have a broad knowledge of arts and sciences plus additional knowledge in an “Area of Emphasis.” This degree can be a good option for students planning to transfer to a university as it provides the flexibility for students to satisfy both general education and lower division major requirements for specific universities while meeting associate degree requirements at the same time. For more detailed information on transfer requirements, students should speak with a counselor and refer to www.ASSIST.org.

The courses in the Science and Mathematics emphasis cover the natural sciences which examine the physical universe, its life forms and its natural phenomena. Courses in Math emphasize the development of mathematical and quantitative reasoning skills beyond the level of intermediate algebra.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply scientific inquiry and investigation of evidence to critically evaluate scientific arguments.
- Communicate scientific ideas and theories effectively.
- Apply scientific principles, theories, or models to explain the behavior of natural phenomena.
- Apply scientific knowledge and reasoning to human interaction with the natural world and issues impacting society.
- Apply mathematical concepts through numerical, symbolic, graphical, and verbal methods to interpret quantitative information, solve problems, and communicate results

Each course used to meet this “area of emphasis” requirement must be completed with a grade of “C” or higher (or “Credit” or “Pass” if the course was taken on a “credit/no credit” or “pass/no pass” basis). Where appropriate, courses in the “area of emphasis” may also be counted for a General Education area.

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Liberal Arts and Sciences Emphasis in Science and Mathematics

Social and Behavioral Sciences Emphasis (AS) Associate in Science in Social and Behavioral Sciences

The Liberal Arts and Sciences degree is designed for students who wish to have a broad knowledge of arts and sciences plus additional knowledge in an “Area of Emphasis.” This degree can be a good option for students planning to transfer to a university as it provides the flexibility for students to satisfy both general education and lower division major requirements for specific universities while meeting associate

degree requirements at the same time. For more detailed information on transfer requirements, students should speak with a counselor and refer to www.ASSIST.org.

The courses in the Social and Behavioral Sciences emphasis cover the perspective, concepts, theories and methodologies of the disciplines typically found in the vast variety of disciplines that comprise study in the Social and Behavioral Sciences.

Learning Outcomes

Upon completion of this program, students will be able to:

- Exhibit an understanding of the methods of inquiry used by the social and behavioral sciences.
- Critically evaluate the ways people act, think, and feel in response to their societies or cultures.
- Analyze how societies and/or social subgroups operate.

Each course used to meet this “area of emphasis” requirement must be completed with a grade of “C” or higher (or “Credit” or “Pass” if the course was taken on a “credit/no credit” or “pass/no pass” basis). Where appropriate, courses in the “area of emphasis” may also be counted for a General Education area.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is 4 semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Liberal Arts and Sciences Emphasis in Social and Behavioral Sciences

Course Units

Complete 18 units from the following courses (at least one course from Behavioral Sciences and one from Social Sciences):

BEHAVIORAL SCIENCES: CHOOSE AT LEAST ONE OF THE FOLLOWING COURSES:

AAPS 100 Achieving an Academic Attitude	3.0
ADMJ 59 Organized Crime	3.0
ADMJ 67 Terrorism and Counterterrorism	3.0
AFAM 30 African American Consciousness	3.0
ANTH 2 Archaeology and Prehistory	3.0

Announcement of Curricula

General Information

The curricula in Library Information Technology aims to meet the needs of individuals seeking paraprofessional employment or advancement in a library or related information service agency; or those seeking an introduction to libraries and information services in anticipation of further study in library science.

The associate degree major complements requirements for graduation from the college, while the program leading to a certificate is designed for individuals transferring to a senior college or already possessing an academic degree.

Admission. Enrollment is open to all interested students.

Degree Curriculum

The associate degree program is designed as an academic major for students satisfying requirements for graduation from City College.

Students completing the major requirements listed below and the other graduation requirements will receive the Associate in Science in Library Information Technology. General education, elective and advised courses will be selected according to the student's educational and occupational objectives.

Library Information Technology Major (AS)

The curricula in Library Information Technology meets the need of individuals seeking paraprofessional employment or advancement in a library or related information service agency; or those seeking an introduction to libraries and information services in anticipation of further study in library science.

The course of study includes instruction in library organization and services; standard reference materials; supervision; computer applications; the acquisition, processing, and cataloging of print and non-print materials, legal, medical and business resources, and practical experience in a library or resource center. Students are encouraged to augment study with courses from other college departments such as office systems, visual media design, or computer networking and communications technologies.

Students should assume entry-level library work early in their career although there are opportunities to advance within library systems. Those who complete the curriculum may find advantages in civil-service with federal, state, county, and city agencies.

Learning Outcomes

Upon completion of this program, students will be able to:

- Explain the acquisition, description, storage, retrieval and use of library information products and services.
- Analyze problems of information access for various populations, within legal and ethical contexts.

- Apply technical and practical skills and functions in the use of library resources and for library and related employment.
- Evaluate the quality of information products and services, both for agency purchase and for practical or academic use.
- Explain management structures, employment needs and entry-level job expectations in library and information workplace environments.

Assuming students start this AS with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Library Information Technology

Course.....Units
Required

LIBR 51 Introduction to Libraries and Library Resources.....	3.0
LIBR 53 Library Public Services for Library Technicians.....	3.0
LIBR 55A Cataloging and Classification.....	3.0
LIBR 55B Technical and Access Services for Library Technicians.....	3.0
LIBR 56 Computers in Libraries.....	3.0

Choose 4 units from the following

LIBR 57 Online Research Strategies.....	2.0

LIBR 58B Medical Resources and Libraries.....	2.0
LIBR 58C Business Resources and Libraries.....	2.0
LIBR 59 Library Work Experience.....	1.0 – 3.0

Recommended additional coursework may be taken for skills development in WOPR, MABS, CNIT, VMD, or CMST, or for sophistication in the arts, social sciences and humanities.

Total:.....19.0

Library Information Technology Certificate

The certificate in Library Information Technology is designed for those already holding academic degrees (Associate or higher) who seek paraprofessional employment or advancement in a library or related information service agency; or those seeking an introduction to libraries and information services in anticipation of further study in library science.

The course of study includes instruction in library organization and services; standard reference materials; supervision; computer applications; the acquisition, processing, and cataloging of print and non-print materials, legal, medical and business resources, and practical experience in a library or resource center. Students are encouraged to augment study with courses from other college departments such as office systems, visual media design, or computer networking and communications technologies.

Library support staff are taking on greater responsibilities in all types of libraries. Students should assume entry-level library work early in their studies although there are opportunities to advance within library systems. Those who complete the curriculum may find advantages in civil service with federal, state, county, and city agencies.

Learning Outcomes

Upon completion of this program, students will be able to:

- Explain the acquisition, description, storage, retrieval and use of library information products and services.

- Analyze problems of information access for various populations, within legal and ethical contexts.
- Apply technical and practical skills and functions in the use of library resources and for library and related employment.
- Evaluate the quality of information products and services, both for agency purchase and for practical or academic use.
- Explain management structures, employment needs and entry-level job expectations in library and information workplace environments.

Courses from other institutions may transfer, but half of all work should be completed at City College of San Francisco. All coursework must be taken within a ten-year period.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Announcement of Courses

Credit, Degree Applicable Courses:

LIBR 51. Introduction to Libraries and Library Resources (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: MABS 60

Addresses major foundations, access, technology, and reference competencies for library support staff. Surveys historical and contemporary resources and the functions and organization of libraries. Emphasis on catalogs, discovery systems, databases, and the evaluation and documentation of resources. CSU

OFFERED FALL AND SPRING SEMESTERS

LIBR 53. Library Public Services for Library Technicians (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: LIBR 51

Provides an introduction to public services in all library types.

Overview of the types of positions and career opportunities available in this area to Library Technicians. Focus includes reference, programming, and most public-facing library services. CSU

OFFERED FALL SEMESTERS

LIBR 55A. Cataloging and Classification (3)

Lec-52.5 P/NP available

PREREQ: LIBR 51

RECOMMENDED PREP: MABS 60

Addresses major cataloging and technology competencies for library support staff. Employs current tools and techniques for description, access, classification, library catalogs and discovery systems in a modern library. Explores emerging library systems and technologies for cataloging. CSU

OFFERED SPRING SEMESTERS

LIBR 55B. Technical and Access Services for Library Technicians (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: LIBR 51

Provides an overview of the paraprofessionals' role in the library technical and access services units of a library. Surveys the philosophy of practice, service functions and personnel categories employed in cataloging, acquisitions, serials, systems, and access (circulation) services. Focuses on technical skills needed to work in these library departments in a paraprofessional capacity and on current trends and issues. CSU

OFFERED SPRING SEMESTERS

LIBR 56. Computers in Libraries (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: LIBR 51

Addresses major communications, teamwork, foundations, and technology competencies for library support staff. Surveys digital technologies in a modern library and networked environment; emphasizes technological change in creating, delivering, and using information products and services. CSU

OFFERED FALL SEMESTERS

LIBR 57. Online Research Strategies (2)

Lec-35, field trips P/NP available

Supports reference, communications, teamwork, foundations and technology competencies for library support staff; introduces the general student to effective strategies for search, research and resource evaluation on the Web. CSU

FORMERLY INTERNET RESEARCH STRATEGIES

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

LIBR 58. Special Libraries and Information Centers (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: LIBR 51

Reference, communication, teamwork, resources, and technology competency for library support staff working in special libraries and information centers. Surveys need and use of specialized information for personal, corporate, or academic use from print and online resources in a variety of special libraries. Types of special libraries covered in this course will vary by semester. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

LIBR 58A. Legal Resources and Libraries (1)

Lec-17.5

RECOMMENDED PREP: (READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188) AND MABS 60

This course introduces the law library -- its organization and its contents. There are also an overview of the different sources of law (both in print and online) and training in a legal research database. Students will be asked to locate and examine each source of law. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

LIBR 58B. Medical Resources and Libraries (2)

Lec-35, field trips P/NP available

RECOMMENDED PREP: LIBR 51 AND MABS 60 AND (READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188)

Supports reference, communications, teamwork, foundations and technology competencies for library support staff. Surveys need and use of medical information for personal, corporate or academic use from print and online resources. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

LIBR 58C. Business Resources and Libraries (2)

Lec-35, field trips P/NP available

RECOMMENDED PREP: LIBR 51 AND MABS 60

Supports reference, communications, teamwork, foundations and technology competencies for library support staff. Surveys need and use of business information and libraries for personal, corporate or academic use from print and online resources. CSU

ELECTIVE OFFERED AT THE DEPARTMENT'S DISCRETION

LIBR 59. Library Work Experience (1-3)

Work-60-225 P/NP available

PREREQ: APPROVAL OF THE LIBRARY INFORMATION TECHNOLOGY DEPARTMENT.

RECOMMENDED PREP: LIBR 53; LIBR 55A OR LIBR 51; LIBR 55B; LIBR 56; MABS 60

REPEAT: STUDENTS CAN REPEAT ONCE (TOTAL 2 ENROLLMENTS)

Build competencies needed to work as a library technician through supervised work experience. Workplaces include all types of libraries and in both public or technical service areas. Highly recommended for advanced students with no library work experience or those seeking advancement. Focus: skill building; workplace safety; interpersonal skills, and communication; goal clarification; network development. One unit of credit is earned for 60 hours of unpaid, or 75 hours of paid work. CSU

OFFERED FALL AND SPRING SEMESTERS

Announcement of Courses

Credit, Degree Applicable Course:

LI S 10. Introduction to Research Skills (1)

Lec-18 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Information competency skills help students be more effective consumers and creators of information. This course helps students develop awareness and resilience for life, work, & study in a society overloaded with information. Disinformation, algorithmic bias, Web search strategies, fact-checking, privacy, plagiarism, & information ethics are covered. Techniques include using online library databases, identifying information types, and citing & selecting credible and relevant scholarly sources. UC/CSU

ESPECIALLY USEFUL FOR STUDENTS CONCURRENTLY ENROLLED IN AN ENGLISH COMPOSITION COURSE OR ANY OTHER COURSE THAT REQUIRES A RESEARCH PAPER OR PROJECT.

Announcement of Curricula

Collaborative Design Certificate

The certificate program in Collaborative Design provides students with a strong foundation in multidisciplinary approaches to design and collaboration. This approach offers students the collaborative skills and experiences needed for success in today's workplace. The program enhances a focused study in any design discipline and also provides an introduction to design thinking and making for all students.

Learning Outcomes

Upon completion of this program, students will be able to:

- Discuss historical and contemporary collaborative processes across a range of disciplines.
- Manage a design process with a collaborative creative team.
- Apply design vocabulary in developing concepts and approaches to various design solutions.
- Employ a structured iterative process to solve a variety of design problems.
- Apply various ideation techniques as tools for visual problem solving.
- Integrate color theory/harmonies in assembling creative works.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Collaborative Design

Course Units
Required

DSGN 101 Design Fundamentals	3.0
DSGN 105 Design Thinking.	1.5
DSGN 110 Design Drawing Techniques	1.5
DSGN 150/VMD 118 Color in Design	3.0
CMST 4 Group Communication	3.0

Choose 2 units from the following

ART 125A Basic Design: 2-D Foundations	3.0
ART 126 Color	3.0
ART 130A Basic Drawing.	3.0
ART 132A Beginning Figure Drawing	3.0
FASH 36A Fashion Design I	3.0
FASH 42 Introduction to the Fashion Industry	3.0
IDST 3 Introduction to Museum Studies.	3.0
PHOT 50B History & Aesthetics Since 1945	4.0
PHOT 50A History & Aesthetics Pre-1945	4.0
PHOT 51 Beginning Photography.	3.0
PHOT 60A Photoshop for Photographers 1	3.0
PHOT 60B Photoshop for Photographers 2	3.0
PHOT 101C Self Portraiture	1.0
PHOT 101D Landscape Photography	1.0
PHOT 101G Pinhole Photography	1.0
VMD 105 Visual Media Digital Skills.	3.0
VMD 120 Graphic Design I	3.0
VMD 130 Typography I	3.0

VMD 140 Web Production I	3.0
VMD 150 Illustrator I	3.0
VMD 152 InDesign I	3.0
VMD 154 Photoshop I	3.0
Total:	14.0

Announcement of Courses

Credit, Degree Applicable Courses:

MAKR 33. Making and Makerspaces for Teachers (1)
 Lec-17.5, field trips P/NP available
 Teacher preparation for making and makerspaces in educational settings. Topics include experiential learning and other applicable learning frameworks, facilitation strategies for making and makerspaces, learning activities and curriculum, and equipment, tools and supplies found in makerspaces. CSU

MAKR 100. Introduction to History, Culture and Practices of Making (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introduction to the Maker Movement, a survey of cultures, disciplines, materials, and technologies related to the traditions of making through time and around the world. Students will recognize key materials and techniques of disciplines including the arts, construction, engineering, and computer science to critically analyze and apply ways of creating that support an understanding of culturally significant work of diverse peoples and eras. UC/CSU

MAKR 400. Maker Capstone (3)

Lec-35, Lab-52.5, field trips
 PREREQ: MAKR 100
 Students will complete cross-discipline projects of their own design. Each student will conceptualize, prototype, test, and develop a working model to prove their design using materials and techniques of traditionally disparate disciplines. CSU

Noncredit Course:

MAKR 1000. Supervised Making (50 hrs)

COREQ: CONCURRENT ENROLLMENT IN ANY MAKR COURSE
 Academic support, supervised making and supervised use of campus makerspaces. Students work on assignments given in other CCSF maker-related credit and non-credit courses. Instructor assists students with makerspace tools, equipment, materials, and methods.

Mathematics

 Web Site: www.ccsf.edu/math

Announcement of Curricula

Mathematics Major (AS-T)

The Associate in Science in Mathematics for Transfer degree is designed to provide students with sufficient understanding of mathematical concepts, skills, and applications to succeed in upper division coursework in mathematics at a four-year college or university.

Students who complete this degree are guaranteed acceptance to a California State University but are not guaranteed acceptance to a

particular CSU campus or major. Students who plan to transfer to any other college or university should consult that institution's catalog for specific transfer requirements.

Learning Outcomes

Upon completion of this program, students will be able to:

- Demonstrate computational and conceptual proficiency in differential and integral calculus, both single and multi-variable.
- Recognize and construct valid mathematical arguments.
- Use appropriate concepts and techniques from calculus and post-calculus mathematics to solve applied problems.
- Understand and apply rules of formal systems.

Students who wish to earn the Associate in Science in Mathematics for Transfer (AS-T) must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the major as specified below.

Each course in the major must be completed with a grade of "C" or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

Assuming students start this AS-T with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AS-T in Mathematics

Course Units

Required courses:

MATH 110A Calculus I 5.0
 MATH 110B Calculus II 5.0
 MATH 110C Calculus III 5.0

Choose one of the following options:

OPTION 1:

MATH 120 Linear Algebra 3.0
 MATH 125 Differential Equations 3.0

OPTION 2:

Choose one of the following advanced math courses:

MATH 120 Linear Algebra 3.0
 MATH 125 Differential Equations 3.0

Choose one course or course combination from the following:

MATH 80 Probability and Statistics 5.0
 MATH 115 Discrete Mathematics 3.0
 CS 110A Intro to Programming 4.0
 PHYC 4A Classical Mechanics for Scientists
 and Engineers 3.0
 and PHYC 4AL Mechanics Laboratory for
 Scientists and Engineers 1.0

OPTION 3:

MATH 130 Linear Algebra and Differential Equations 5.0

Choose one course or course combination from the following:

MATH 115 Discrete Mathematics 3.0
 CS 110A Intro to Programming 4.0
 PHYC 4A Classical Mechanics for Scientists
 and Engineers 3.0
 and PHYC 4AL Mechanics Laboratory for
 Scientists and Engineers 1.0

Total: 21.0 – 24.0

Data Science Major (AS)

The Associate of Science in Data Science degree is designed to provide students with sufficient understanding of concepts in the fields of Mathematics, Data Science, and Computer Science to succeed in upper division coursework in Data Science at a four-year college or university.

The field of Data Science is one with a multitude of employment opportunities. Completing this degree will aid students in developing a wide variety of skills that are valuable in collaborative Data Science work environments. Students who complete this degree stand to improve their employment prospects in the field of Data Science, but also in many applied fields, such as Biology, Sociology, or Finance.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply analytical concepts and techniques from statistics, probability, calculus, and linear algebra to problems in the field of Data Science.
- Create computer programs that use common data structures.
- Analyze data and communicate the analysis using industry-standard applications.
- Integrate analytical and computational techniques using data from a domain of interest.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Data Science

Course Units

Required

MATH 110A Calculus I 5.0
 MATH 110B Calculus II 5.0
 MATH 120 Linear Algebra 3.0

Choose one of the following

MATH 108 Foundations of Data Science* 5.0
 ECON 5 Introductory Statistics for Economics,
 Business and Social Sciences ** 5.0
 LALS 5 Introduction to Statistical Methods in Latin
 American and Latino/a Studies 5.0
 MATH 80 Probability and Statistics 5.0
 PSYC 5 Statistics for Behavioral Sciences 5.0

* Students are strongly advised to meet with a counselor when planning their course work, as Statistics course options might impact transferability, especially to the UC system.

** Students who take ECON 5, LALS 5, MATH 80, or PSYC 5 should also take CS 10 if they do not have prior computer programming experience. Be advised that this will not be accepted in place of DATA 8 at UC Berkeley.

Choose one of the following

CS 110B Programming Fundamentals: C++ 4.0
 CS 111B Programming Fundamentals: Java 4.0

Choose one of the following

CS 110C Data Structures and Algorithms: C++ 4.0
 CS 111C Data Structures and Algorithms: Java 4.0

Choose one of the following

ASTR 16 Observational Astronomy*	1.0
BIO 112 Introduction to Human Physiology	4.0
CHEM 101B General College Chemistry	5.0
CS 131B Programming Fundamentals: Python	4.0
CS 150A Introduction to SQL Databases and NoSQL	3.0
CS 256 Data Visualization	3.0
ENVS 31 Introduction to Environmental Science	3.0
FIN 110 Principles of Risk Management	3.0
FIN 136M Personal Financial Planning Math Emphasis	3.0
FIN 138 Principles of Investment	3.0
GEOG 110 Introduction to GIS	3.0
MATH 115 Discrete Mathematics	3.0
PSYC 2 Research Methods	3.0
SOC 21 Introduction to Research Methods	3.0

* ASTR 16 is a lab course. Students who choose this course will be required to take ASTR 1, 17, 18, or 19 in addition to taking ASTR 16.

Recommended

CMST 20 Interpersonal Communication	3.0
Total:	27.0 – 31.0

Announcement of Courses

For “Business Mathematics” see “Business”.

CCSF Math assessment and placement is required prior to enrollment in Math courses. For more information, please see “Steps to Become a CCSF Student in Credit Courses” in the “Admission to the College” section of this Catalog or consult with a mathematics advisor or counselor before enrolling in a mathematics course.

To enroll in a particular mathematics course, a student must have satisfied the prerequisites for that course.

Credit, Non-Degree Applicable Courses:

MATH 80S. Support for Probability and Statistics (2)

Lec-35 P/NP only
COREQ: MATH 80

Support for students who are concurrently enrolled in MATH 80, Probability and Statistics. Topics include concepts and skills from arithmetic, pre-algebra, elementary and intermediate algebra, and descriptive statistics that are needed to understand the basics of college-level statistics. Concepts are taught in the context of the linked Math 80 course.

MATH 90S. Support for Precalculus Algebra (3)

Lec-52.5 P/NP only
COREQ: MATH 90

Support for students who are concurrently enrolled in MATH 90, Precalculus Algebra. Topics include concepts and skills from elementary and intermediate algebra that are needed to understand the basics of precalculus algebra. Concepts are taught in the context of the linked Math 90 course.

Credit, Degree Applicable Courses:

MATH 46. Elementary and Intermediate Algebra (7.5)

Lec-131.25
PREREQ: MATH 30 OR MATH 35

Accelerated treatment of both elementary and intermediate algebra topics. Polynomials and rational expressions; solving linear, quadratic, and rational equations; linear inequalities; systems of linear equations; graphing lines, parabolas, and circles; radicals and rational exponents; complex numbers; introduction to functions; introduction to exponential functions and logarithms; applications; problem solving skills.

MATH 60. Intermediate Algebra (5)

Lec-87.5
PREREQ: ELEMENTARY ALGEBRA OR HIGHER
Polynomials and rational expressions; solving linear, quadratic, and rational equations; linear inequalities; systems of linear equations; graphing lines, parabolas, and circles; radicals and rational exponents; complex numbers; introduction to functions; introduction to exponential functions and logarithms; applications; problem solving skills.

MATH 70. Liberal Arts Math (3)

Lec-52.5
PREREQ: INTERMEDIATE ALGEBRA OR HIGHER
Survey of mathematics for students with nontechnical goals. Topics include problem solving, set theory, logic, number theory, modeling with functions, geometry, finance, combinatorics, probability, and the role of mathematics in modern society. This course is designed to enhance student appreciation of both the beauty and utility of mathematics. UC/CSU

MATH 75. Mathematical Analysis for Business (3)

Lec-52.5
PREREQ: INTERMEDIATE ALGEBRA OR HIGHER
Linear, quadratic, algebraic, exponential, and logarithmic functions, interest and ordinary annuity problems; introduction to differential and integral calculus of one variable with applications to business and economics. UC/CSU

MATH 80. Probability and Statistics (5)

Lec-87.5
PREREQ: INTERMEDIATE ALGEBRA OR HIGHER
RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188
Descriptive statistics: organization of data, sample surveys, experiments and observational studies, measures of central tendency and dispersion, correlation, regression lines, and analysis of variance (ANOVA). Probability theory. Random variables: expected value, variance, independence, probability distributions, normal approximation. Sampling: sampling distributions, and statistical inference, estimating population parameters, interval estimation, standard tests of hypotheses. UC/CSU
C-ID MATH 110

MATH 90. Precalculus Algebra (5)

Lec-87.5
PREREQ: INTERMEDIATE ALGEBRA OR HIGHER
Real functions and their graphs; one-to-one and inverse functions; polynomial, rational, exponential and logarithmic functions; complex numbers and zeros of polynomials; linear systems and matrices; geometric transformations and conic sections; topics in discrete mathematics. UC/CSU
NOT RECOMMENDED FOR STUDENTS WHO HAVE PASSED MATH 92.

MATH 92. College Algebra (5)

Lec-87.5
PREREQ: INTERMEDIATE ALGEBRA OR HIGHER
Polynomial and rational expressions; radicals and rational exponents; equations and inequalities; real functions and their graphs; one-to-one and inverse functions; exponential and logarithmic functions; complex numbers and zeros of polynomials; linear systems and matrices; geometric transformations and conic sections; topics in discrete mathematics; applications. CSU
OFFERED ON OCCASION

MATH 95. Trigonometry (3)

Lec-52.5

PREREQ: INTERMEDIATE ALGEBRA OR HIGHER

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: MATH 90

Trigonometric functions and their graphs; trigonometric identities and equations; inverse trigonometric functions; solving triangles; complex numbers. CSU

MATH 98. Precalculus & Trigonometry (7)

Lec-122.5

PREREQ: INTERMEDIATE ALGEBRA OR HIGHER

Complete both precalculus algebra and trigonometry by taking this single class.? Topics covered include real functions and their graphs; one-to-one and inverse functions; algebraic, exponential and logarithmic, and trigonometric functions; complex numbers and zeros of polynomials; matrices; transformations and conic sections; discrete mathematics; polar coordinates; and applications of trigonometric identities. UC/CSU

MATH 100A. Short Calculus I (3)

Lec-52.5

PREREQ: MATH 90 OR MATH 92 OR PLACEMENT IN MATH 100A OR MATH 110A

MATH 100A is the first course in a two-semester sequence in applied calculus. Lines, algebraic functions, exponential functions, logarithmic functions, limits, derivatives, and integrals, with applications. UC/CSU

*THE CALCULUS SEQUENCE OF MATH 100A +100B IS INTENDED FOR STUDENTS MAJORING IN BUSINESS, TECHNOLOGY, SOCIAL SCIENCES, OR LIFE SCIENCES.**OFFERED FALL SEMESTERS***MATH 100B. Short Calculus II (3)**

Lec-52.5

PREREQ: MATH 100A

Math 100B is the second course in a two-semester sequence in applied calculus. Techniques of integration, periodic functions, Taylor polynomials, multi-variable calculus, and differential equations, with applications to business, economics, and science. UC/CSU

*THE CALCULUS SEQUENCE OF MATH 100A+100B IS INTENDED FOR STUDENTS MAJORING IN BUSINESS, TECHNOLOGY, SOCIAL SCIENCES, OR LIFE SCIENCES.**OFFERED SPRING SEMESTERS***MATH 108. Foundations of Data Science (5)**

Lec-87.5

P/NP available

PREREQ: INTERMEDIATE ALGEBRA OR HIGHER

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Foundations of Data Science combines an introductory look into the fundamental skills and concepts of computer programming and inferential statistics with hands-on experience in analyzing datasets by using common tools within the industry. Additionally, the course investigates ethical issues surrounding Data Science, such as data privacy. UC/CSU

MATH 110A. Calculus I (5)

Lec-87.5

PREREQ: (MATH 90 AND MATH 95) OR (MATH 92 AND MATH 95) OR MATH 98 OR PLACEMENT IN MATH 110A

First course in a three-semester calculus sequence, this course covers differential calculus through the study of limits, continuity,

differentiation, applications of differentiation, and an introduction to integration. UC/CSU

*C-ID MATH 210; C-ID MATH 900S (MATH 110A + MATH 110B)***MATH 110B. Calculus II (5)**

Lec-87.5

PREREQ: MATH 110A OR PLACEMENT IN MATH 110B

A second course in single-variable calculus. Applications of integration, techniques of integration, numerical integration, indeterminate forms, improper integrals, parametrized curves, polar coordinates, infinite sequences and series, and power series. UC/CSU

*C-ID MATH 220; C-ID MATH 900S (MATH 110A + MATH 110B)***MATH 110C. Calculus III (5)**

Lec-87.5

PREREQ: MATH 110B

Advanced calculus course focusing on vectors, curves and surfaces in 3-dimensional space, differentiation and integration of multivariate functions, line and surface integrals, and, in particular, the theorems of Green, Stokes, and Gauss. UC/CSU

*C-ID MATH 230***MATH 115. Discrete Mathematics (3)**

Lec-52.5

PREREQ: MATH 100A OR MATH 110A

RECOMMENDED PREP: CS 110B OR CS 111B

Set theory, logic, proof techniques, mathematical induction, relations and functions, recursion, combinatorics, elementary number theory, trees and graphs, analysis of algorithms. Emphasis on topics of relevance to mathematics and computer science majors. UC/CSU

*C-ID COMP 152; C-ID MATH 160***MATH 120. Linear Algebra (3)**

Lec-52.5

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: MATH 110C

Real vector spaces, subspaces, linear dependence and span, matrix algebra and determinants, basis and dimension, inner product spaces, linear transformations, eigenvalues and eigenvectors, proofs of basic results. UC/CSU

*C-ID MATH 250**OFFERED FALL SEMESTERS***MATH 125. Differential Equations (3)**

Lec-52.5

PREREQ: MATH 110C

Ordinary differential equations and first order linear systems of differential equations; methods of explicit solution; qualitative methods for the behavior of solutions; theoretical results for the linear structure, existence, and uniqueness of solutions. UC/CSU

*C-ID MATH 240**OFFERED SPRING SEMESTERS***MATH 130. Linear Algebra and Differential Equations (5)**

Lec-87.5

PREREQ: MATH 110C

Real vector spaces, subspaces, linear dependence, span, matrix algebra, determinants, basis, dimension, inner product spaces, linear transformations, eigenvalues, eigenvectors, and proofs. Ordinary differential equations and first-order linear systems of differential equations; explicit solutions; qualitative analysis of solution behavior; linear structure, existence, and uniqueness of solutions. Partial differential equations. UC/CSU

Military Science

The University of San Francisco is part of the Consortium of San Francisco Colleges and Universities. Students attending a member of the consortium may enroll in a Military Science course at the University of San Francisco under that agreement at no cost. Full credit will be given by City College of San Francisco to fully enrolled students. Specific inquiries about this program should be directed to the Professor of Military Science, University of San Francisco.

Air Force ROTC is offered through the Aerospace Studies department at U.C. Berkeley. Scholarships (including tuition, book allowance, and stipend) are available for qualified students. Students may enroll and attend one course per semester at the U.C. Berkeley campus at no cost. Topics covered in AFROTC courses include Basic Military Knowledge (1-credit), Military History (1-credit), Leadership Training (3-credits), and U.S. National Security Affairs and Preparation for Active Duty (3-credits). Additional components of the ROTC program include 3 hours per week of fitness activities, 2 hours per week of Leadership Lab, and a 4-week Summer Field Training. Upon completion of the program and granting of 4-year degree, students will commission as Second Lieutenants in the United States Air Force. To be eligible for AFROTC, applicants should be a full time student and meet additional fitness, GPA, testing, and other requirements. Interested students, please visit the department website: <http://airforcerotc.berkeley.edu>, call (510) 642-3572, or e-mail airforce@berkeley.edu.

Announcement of Curricula

Computers and Music Certificate

The Computers and Music certificate provides students with the foundation for developing standalone music software as well as composing and performing music using computer-coding languages. Students learn how to analyze and meet the needs of users of creative and musical software. Students who complete this certificate are prepared for entry-level work in software development for creative users.

Learning Outcomes

Upon completion of this program, students will be able to:

- Describe and analyze the processes involved in creating a piece of music using a computer.
- Discuss and evaluate the needs of music software users.
- Collaborate and produce effective electronic music software for performance or recording that meets the needs of users, including their own.
- Apply the technical and fundamental skills necessary for effective use of contemporary computer music tools in working projects.
- Implement software in a team environment.
- Display professionalism and effective application of music technology workforce expectations in communication and behavior.

The minimum time for completion of this certificate is two (2) semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Computers and Music

Course	Units
Required Courses	
MUS 100 Music Fundamentals	3.0
MUS 128 Survey of Contemporary and Electronic Music	3.0
MUS 29 Electronic Music I	3.0
MUS 30 Electronic Music II	3.0
CS 177 Software Engineering	3.0
CS 110A Intro to Programming	4.0
Total:	19.0

Music Certificate

The Certificate of Achievement in Music provides the technical and artistic foundations for students pursuing careers in music and music-related fields. It fulfills the lower division core requirements for music majors at four-year institutions, and prepares students for transfer. Through courses in theory, musicianship, and individual and ensemble performance, as well as surveys of music, students acquire a broad foundation in theory and analysis, performance, as well as the critical thinking skills to evaluate the aesthetics of music within social, cultural, historical, and political contexts. The wide variety of electives provides students with opportunities to focus on their individual areas of interest or specialization.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze and compose harmonic progressions using appropriate rules.
- Sight-sing and dictate music through aural and visual analyses.
- Perform effectively in ensembles.
- Evaluate and contextualize music historically and culturally.
- Perform solo vocal or instrumental music at undergraduate-level proficiency.

Program advisory. MUS 100, Music Fundamentals. Students are expected to read both the treble and bass clefs and have a thorough knowledge of scales, key signatures, and intervals. Those whose skills are rusty are strongly urged to take MUS 100 prior to enrolling in either MUS 1A or MUS 3A.

For MUS 1A, 1B, 3A, and 3B, students may have the option to test out and take a substitute course, choose credit by exam, or satisfy the requirement with equivalent coursework from another institution. A minimum of fifteen (15) units must be completed at CCSF for this certificate.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Music

Course	Units
Required	
MUS 1A Beginning Musicianship	3.0
MUS 1B Intermediate Musicianship	3.0
MUS 3A Diatonic Harmony	3.0

MUS 3B Chromatic Harmony	3.0
MUS 9A Beginning Piano	3.0
or MUS 9B Intermediate Piano	3.0

Students who test out of MUS 9A may take MUS 9B instead.

Students who test out of MUS 9B may choose one of the electives listed in this certificate instead.

Students must take a total of 12 elective units not already used in the core section. At least 3 units must be selected from each of the three areas below.

Ensembles:

MUS 11 Guitar Workshop	3.0
MUS 12 Choir	3.0
MUS 13A Jazz/Rock Improvisation Workshop	3.0
MUS 13B Jazz Arranging & Composition	3.0
MUS 15 Orchestra	3.0
MUS 17 Woodwind Ensemble	3.0
MUS 18 Brass Ensemble	3.0
MUS 20 String Ensemble	3.0
MUS 46 Stage Band	3.0

Vocal, Instrumental, and Composition Instruction:

MUS 5A Introduction to Composition	3.0
MUS 6A Beginning Classical Guitar	3.0
MUS 7P1 Beginning Percussion	3.0
MUS 7V1 Beginning Violin	3.0
MUS 7W1 Beginning Woodwind	3.0
MUS 8A Beginning Jazz & Other Popular Piano	3.0
MUS 9B Intermediate Piano	3.0
MUS 9C Keyboard Harmony	3.0
MUS 10A Beginning Voice	3.0

Survey:

MUS 21 Traditional African Music	3.0
MUS 22A History of Music in Western Culture: Medieval and Renaissance Music	3.0
MUS 22B History of Music in Western Culture: Baroque and Classical Music	3.0
MUS 22C History of Music in Western Culture: Romanticism	3.0
MUS 23 History of Jazz: Musical Traditions of the African-American	3.0
MUS 24 Music of East Asia	3.0
MUS 25 Music of Latin America and the Caribbean	3.0
MUS 26 Music in American Culture	3.0
MUS 27A Music Appreciation	3.0
MUS 27B Survey of Opera and Musical Theater	3.0
MUS 27Q Music and Queer Identity	3.0
MUS 27R The History of Rock and Popular Music	3.0
MUS 29 Electronic Music I	3.0
MUS 30 Electronic Music II	3.0
MUS 128 Survey of Contemporary and Electronic Music	3.0
Total:	27.0

Music and Technology Certificate

The Music Technology certificate provides students with the foundation for composing and performing music using a range of technology such as music software, computer coding, analog synthesizers, as well as a variety of creative approaches. Students learn how to incorporate traditional and contemporary electronic music techniques into their own work as well as analyze the way that other artists utilize these

techniques for concert performances and other mediums. Students who complete this certificate are prepared for entry-level work in electronic music facilities, musical performance spaces, and other music technician-related fields.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze the processes involved in composing a piece of electronic music.
- Describe the work of electronic musicians on a creative, technical level.
- Create effective, playable electronic music projects for performance or recording
- Apply the technical and fundamental skills necessary for effective use of contemporary electronic music tools
- Display professionalism and effective application of workforce protocol, communication skills, and behavior in the music technology environment

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Music and Technology

Course	Units
Required	
MUS 100 Music Fundamentals	3.0
MUS 29 Electronic Music I	3.0
MUS 30 Electronic Music II	3.0
BCST 119 Digital Media Skills	3.0
BCST 120 Audio Production	3.0
MUS 128 Survey of Contemporary and Electronic Music	3.0
Total:	18.0

Announcement of Courses

All music students are encouraged to enroll in at least one of the Music Department performing groups each semester. Knowledge of music fundamentals and the ability to read music are recommended for many music theory, instrumental and vocal training, and performance courses. Where a music course has a sequential prerequisite, check with the Department Chair for skill demonstration equal to the prerequisite.

Credit, Degree Applicable Courses:

Music Theory

The MUS 1A-1B, 3A-3B series is a two-semester ear-training and harmony program for music students which will transfer as fulfillment of one year of lower-division music theory requirements.

MUS 1A. Beginning Musicianship (3)

Lec-52.5

P/NP available

RECOMMENDED PREP: MUS 4

Development of beginning skills in rhythmic and melodic dictation and sight-singing of diatonic music through the use of solfège in scales, intervals, triads, and seventh chords. The course teaches aural and analytical skills necessary for all musicians and fulfills the first semester Musicianship requirement for music majors and minors. UC/CSU C-ID MUS 125

MUS 1B. Intermediate Musicianship (3)

Lec-52.5 P/NP available

PREREQ: MUS 1A

Development of intermediate skills in rhythmic, melodic, harmonic dictation and sight-singing, through the visual and aural analysis of functional and non-functional chromaticism, including altered chords and modulations. It teaches aural and visual analytical skills necessary for all musicians and fulfills the second semester Musicianship requirement for music majors and minors. UC/CSU

MUS 3A. Diatonic Harmony (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: MUS 100

Intensive study of common-practice diatonic harmony through the writing of four-part chorale harmonizations, figured bass realizations, and linear and vertical analyses primarily of 18th-century music. Fosters a technical understanding of the compositional process, greater facility in learning new music, and a deeper comprehension of music in general. UC/CSU

C-ID MUS 120

MUS 3B. Chromatic Harmony (3)

Lec-52.5 P/NP available

PREREQ: MUS 3A, OR DEMONSTRATION OF EXIT SKILLS

Intensive study of chromatic harmony including both functional and non-functional chromaticism and modulations through the writing of chorale harmonizations, figured bass realizations, and linear and vertical analyses primarily of 19th-century Western European music. Fosters a technical understanding of the compositional process and a greater facility in learning music involving chromaticism. UC/CSU

C-ID MUS 130

MUS 5A. Introduction to Composition (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: MUS 4

Introduction to the study of the principles of musical composition through analysis and creative writing. Pieces may be composed for piano and/or small instrumental and/or vocal ensembles. UC/CSU

OFFERED SPRING SEMESTERS

MUS 5B. Music Composition (3)

Lec-52.5, field trips P/NP available

PREREQ: MUS 5A OR DEMONSTRATION OF EXIT SKILLS

RECOMMENDED PREP: MUS 3A OR MUS 8A OR MUS 9C OR DEMONSTRATION OF EXIT SKILLS

Intermediate study of the principles of musical composition through analysis and creative writing. Pieces may be composed for piano and/or small instrumental and/or vocal ensembles. UC/CSU

OFFERED SPRING SEMESTERS

MUS 100. Music Fundamentals (3)

Lec-52.5, field trips P/NP available

An introduction to music notation and theory, including staff notation, rhythmic notation, intervals, scales, chord construction, sight reading, and ear training. UC/CSU

FORMERLY MUS 4

Enrollment Limitations on Physical Education and Visual or Performing Arts Courses

Per title 5 Section 55041, effective Fall 2013, students may not enroll more than four times in "active participatory courses that are related in

content" in the areas of physical education or visual and performing arts, which includes art, dance, music, and theatre. This limitation applies even if a student receives a substandard grade or "W" during one or more of the enrollments in such a course or if the students petition for repetition due to extenuating circumstances.

Music courses that are related in content are grouped together in "families" of courses below. The families are indicated by their headings, e.g., Applied Training: Guitar, Ensemble: Chorale, etc. For the most up-to-date listing of courses and families, refer to the online catalog, www.ccsf.edu/catalog.

Instrumental and Vocal Training**Applied Training: Guitar****MUS 6A. Beginning Classical Guitar (3)**

Lec-52.5, field trips P/NP available

This course is an introduction to the guitar, and individualized study of the appropriate techniques and repertoire to master a beginning level of music on the instrument. The emphasis is on the development of beginning skills needed for solo performance. Audition for placement within the class. UC/CSU

NO PRIOR EXPERIENCE WITH THE GUITAR NECESSARY. THE STUDENT MUST PROVIDE A GUITAR.

MUS 6B. Advanced Beginning Classical Guitar (3)

Lec-52.5, field trips P/NP available

PREREQ: MUS 6A OR DEMONSTRATION OF EXIT SKILLS

Individualized study of classical guitar theory, technique and repertoire at the advanced beginning level. The emphasis is on the advanced beginning skills needed for solo performance. UC/CSU

MUS 6C. Intermediate Classical Guitar (3)

Lec-52.5, field trips P/NP available

PREREQ: MUS 6B OR DEMONSTRATION OF EXIT SKILLS

Individualized study of classical guitar theory, technique and repertoire at the intermediate level. The emphasis is on the development of intermediate skills needed for solo performance. UC/CSU

MUS 6D. Advanced Intermediate Classical Guitar (3)

Lec-52.5, field trips P/NP available

PREREQ: MUS 6C OR DEMONSTRATION OF EXIT SKILLS

Individualized study of classical guitar theory, technique and repertoire at the advanced intermediate level. The emphasis is on the development of skills needed for solo performance. UC/CSU

Music 7 Series

(The letter after the 7 indicates the instrument, not the sequence.)

The Music Department recommends that students enrolling in any of the courses in the MUS 7 series enroll concurrently in appropriate music performance courses such as concert band (MUS 16), stage band (MUS 46), pep band (MUS 47), orchestra (MUS 15), string ensemble (MUS 20), brass ensemble (MUS 18), or woodwind ensemble (MUS 17).

Applied Training: Percussion**MUS 7P1. Beginning Percussion (3)**

Lec-52.5 P/NP available

A practical introduction to percussion performance, students learn to play the instruments in the four families of percussion: Orchestral, Auxiliary, Latin, and Modern. UC/CSU

FORMERLY MUS 7P

MUS 7P2. Advanced Beginning Percussion (3)

Lec-52.5 P/NP available

PREREQ: MUS 7P1 OR DEMONSTRATION OF EXIT SKILLS

A practical introduction to Advanced Beginning Percussion and performance, where students learn to play the instruments in the four families of percussion: Orchestral, Auxiliary, Latin, and Modern. UC/CSU

MUS 7P3. Intermediate Percussion (3)

Lec-52.5 P/NP available

PREREQ: MUS 7P2 OR DEMONSTRATION OF EXIT SKILLS

A practical introduction to percussion, performance, students learn to play the instruments in the five families of percussion: Orchestral, Auxiliary, Latin, Modern, and World. UC/CSU

MUS 7P4. Advanced Intermediate Percussion (3)

Lec-52.5 P/NP available

PREREQ: MUS 7P3 OR DEMONSTRATION OF EXIT SKILLS

A practical introduction to percussion, performance, students learn to play the instruments in the four families of percussion: Orchestral, Auxiliary, Latin, World, and Modern. UC/CSU

Applied Training: Violin/Viola**MUS 7V1. Beginning Violin (3)**

Lec-52.5, field trips P/NP available

This course is an introduction to the violin, and individualized study of the appropriate techniques and repertoire to master a beginning level of music on the instrument. The emphasis is on the development of beginning skills needed for solo performance. Audition for placement within the class. UC/CSU

MUS 7V2. Advanced Beginning Violin (3)

Lec-52.5, field trips P/NP available

PREREQ: MUS 7V1 OR DEMONSTRATION OF MUS 7V1 EXIT SKILLS

This course is a continuation of the study of violin, and individualized study of the appropriate techniques and repertoire to master an advanced beginning level of music on the instrument. The emphasis is on the development of advanced beginning skills needed for solo violin performance. UC/CSU

MUS 7V3. Intermediate Violin (3)

Lec-52.5, field trips P/NP available

PREREQ: MUS 7V2 OR DEMONSTRATION OF MUS 7V2 EXIT SKILLS

This course is a continuation of the study of violin, and individualized study of the appropriate techniques and repertoire to master an intermediate level of music on the instrument. The emphasis is on the development of intermediate skills needed for solo violin performance. UC/CSU

MUS 7V4. Advanced Intermediate Violin (3)

Lec-52.5, field trips P/NP available

PREREQ: MUS 7V3 OR DEMONSTRATION OF MUS 7V3 EXIT SKILLS

Individualized study of violin theory, technique and repertoire at the advanced intermediate level. The emphasis is on the development of skills needed for solo performance. UC/CSU

Applied Training: Woodwinds**MUS 7W1. Beginning Woodwind (3)**

Lec-52.5, field trips P/NP available

This course is an introduction to a specific woodwind instrument, and individualized study of appropriate techniques and repertoire for that instrument. The emphasis is on the progressive development of skills needed for solo performance. UC/CSU

MUS 7W2. Advanced Beginning Woodwind (3)

Lec-52.5, field trips P/NP available

PREREQ: MUS 7W1 OR DEMONSTRATION OF MUS 7W1 EXIT SKILLS

Individualized study of theory, technique and repertoire on the woodwinds: flute, saxophone, clarinet at the advanced beginning level. The emphasis is on the advanced beginning skills needed for solo performance. UC/CSU

MUS 7W3. Intermediate Woodwind (3)

Lec-52.5, field trips P/NP available

PREREQ: MUS 7W2 OR DEMONSTRATION OF MUS 7W2 EXIT SKILLS

Individualized study of woodwind theory, technique and repertoire at the intermediate level. The emphasis is on the development of intermediate skills needed for solo performance. UC/CSU

MUS 7W4. Advanced Intermediate Woodwind (3)

Lec-52.5, field trips P/NP available

PREREQ: MUS 7W3 OR DEMONSTRATION OF MUS 7W3 EXIT SKILLS

Individualized study of woodwind theory, technique and repertoire at the advanced intermediate level. The emphasis is on the progressive development of skills needed for solo performance. UC/CSU

Applied Training: Jazz Piano**MUS 8A. Beginning Jazz & Other Popular Piano (3)**

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: MUS 9A OR DEMONSTRATION OF EXIT SKILLS

Beginning study and exploration of jazz piano technique in myriad forms through the application of jazz theory, blues, Afro-Cuban, Brazilian and other popular styles. UC/CSU

MUS 8B. Intermediate Jazz & Other Popular Piano (3)

Lec-52.5, field trips P/NP available

PREREQ: MUS 8A

An intermediate study of basic jazz, blues, Afro-Cuban, Brazilian and other popular piano techniques. UC/CSU

Applied Training: Piano**MUS 9A. Beginning Piano (3)**

Lec-52.5, field trips P/NP available

Piano studies for beginners including sight reading, elementary theory, beginning ear training, and a historical view of keyboard instruments and their music. UC/CSU

*C-ID MUS 170***MUS 9B. Intermediate Piano (3)**

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: MUS 9A OR DEMONSTRATION OF EXIT SKILLS

Piano studies for the intermediate pianist including playing through reading, elementary theory, beginning ear training, and a historical view of keyboard instruments and their music. UC/CSU

*C-ID MUS 171***MUS 9C. Keyboard Harmony (3)**

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: MUS 9A

The development of harmonic keyboard skills through the study and practice of chord structures, progressions, and sight reading techniques. UC/CSU

OFFERED SPRING SEMESTERS

Applied Training: Voice**Music 10 Series**

The Music Department recommends that students enrolling in the MUS 10 series should enroll concurrently in a choral-performing group (MUS 12 or 14).

MUS 10A. Beginning Voice (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: MUS 4 OR DEMONSTRATION OF EXIT SKILLS
Introduction to study of appropriate basic techniques and repertoire for beginning voice. Includes alignment, tone production, breathing, and musical skills in performing vocal music of various periods and styles. UC/CSU

MUS 10B. Advanced Beginning Voice (3)

Lec-52.5, field trips P/NP available

PREREQ: MUS 10A OR DEMONSTRATION OF EXIT SKILLS
Study of appropriate techniques and repertoire for advanced beginning voice. Includes alignment, tone production, breathing and musical skills in performing vocal music of various periods and styles. UC/CSU

MUS 10C. Intermediate Voice (3)

Lec-52.5, field trips P/NP available

PREREQ: MUS 10B OR DEMONSTRATION OF EXIT SKILLS
Study of appropriate techniques and repertory for intermediate voice. Includes alignment, tone production, breathing and musical skills used to interpret vocal music of various periods and styles. UC/CSU

MUS 10D. Advanced Intermediate Voice (3)

Lec-52.5, field trips P/NP available

PREREQ: MUS 10C OR DEMONSTRATION OF EXIT SKILLS
Study of appropriate techniques and repertoire for advanced intermediate voice. Includes alignment, tone production, breathing and musical skills in performing vocal music of various periods and styles. UC/CSU

Performance Courses**Ensemble: Guitar****MUS 11. Guitar Workshop (3)**

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: MUS 6A OR DEMONSTRATION OF EXIT SKILLS
REPEAT: STUDENTS CAN REPEAT THREE TIMES (TOTAL 4 ENROLLMENTS)
Develop the technique, musicality, note reading ability and theoretical knowledge to perform ensemble music for guitar. Ensembles include duos, trios, quartets, or larger ensembles. UC/CSU

Ensemble: Large Traditional Choirs**MUS 12. Choir (3)**

Lec-52.5, field trips P/NP available

REPEAT: STUDENTS CAN REPEAT THREE TIMES (TOTAL 4 ENROLLMENTS)
The study, rehearsal, and performance of choral literature appropriate for large vocal ensembles, with an emphasis on skills development for performing with an ensemble. Highly recommended for intended music majors, both instrumental and vocal. UC/CSU

Ensemble: Jazz/Rock**MUS 13A. Jazz/Rock Improvisation Workshop (3)**

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: PRIOR INSTRUMENTAL EXPERIENCE
REPEAT: STUDENTS CAN REPEAT THREE TIMES (TOTAL 4 ENROLLMENTS)
Study of a variety of jazz, rock, and blues genres for all instruments. Emphasis on application of basic techniques of improvisation. Students learn to play lead (melodic improvisation) in an ensemble.

Culmination is a concert demonstrating repertoire and techniques learned. UC/CSU

MUS 13B. Jazz Arranging & Composition (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: MUS 3A OR MUS 8B

Study of a variety of jazz styles with an emphasis on learning the techniques of jazz arranging and composing. UC/CSU

Ensemble: Chorale**MUS 14. Chorale (3)**

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: MUS 12 OR PRIOR CHOIR EXPERIENCE

REPEAT: STUDENTS CAN REPEAT THREE TIMES (TOTAL 4 ENROLLMENTS)

The study, rehearsal, and performance of choral literature appropriate for small vocal ensembles, with an emphasis on skills development for performing with an ensemble. Highly recommended for intended music majors, both instrumental and vocal. UC/CSU

Ensemble: Large Traditional Instrumental**MUS 15. Orchestra (3)**

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: PRIOR INSTRUMENTAL EXPERIENCE

REPEAT: STUDENTS CAN REPEAT THREE TIMES (TOTAL 4 ENROLLMENTS)

An opportunity for string, woodwind, brass and percussion players to rehearse and perform works selected from the standard repertory from the Baroque era through the present. UC/CSU

MUS 16. Concert Band (3)

Lec-52.5, field trips P/NP available

REPEAT: STUDENTS CAN REPEAT THREE TIMES (TOTAL 4 ENROLLMENTS)

Performance of classical and marching band music for intermediate to advanced brass and woodwind students. The class will present a live concert at the conclusion of the semester. UC/CSU

OFFERED SPRING SEMESTERS

Ensemble: Woodwind**MUS 17. Woodwind Ensemble (3)**

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: PRIOR INSTRUMENTAL EXPERIENCE

REPEAT: STUDENTS CAN REPEAT THREE TIMES (TOTAL 4 ENROLLMENTS)

Intermediate to advanced woodwind students perform music in the classical and jazz idioms. The class will present a live concert at the conclusion of the semester. UC/CSU

Ensemble: Brass**MUS 18. Brass Ensemble (3)**

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: PRIOR INSTRUMENTAL EXPERIENCE

REPEAT: STUDENTS CAN REPEAT THREE TIMES (TOTAL 4 ENROLLMENTS)

Preparation and performance of brass ensemble music of selected styles and historical periods from Baroque to the present day. Course culminates in a public concert. UC/CSU

Ensemble: Piano**MUS 19. Piano Ensemble and Repertoire (3)**

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: MUS 9B OR DEMONSTRATION OF EXIT SKILLS

REPEAT: STUDENTS CAN REPEAT THREE TIMES (TOTAL 4 ENROLLMENTS)

Performance of four-hand, two-piano, and accompaniment literature from all stylistic periods. Study of ensemble skills and use of these whenever possible in performances. Monthly public recitals. UC/CSU

Ensemble: Strings**MUS 20. String Ensemble (3)**

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: PRIOR INSTRUMENTAL EXPERIENCE

REPEAT: STUDENTS CAN REPEAT THREE TIMES (TOTAL 4 ENROLLMENTS)

An exploration of techniques and ensemble literature appropriate for intermediate and advanced violinists, violists, cellists and string bassists. Concerts scheduled during the semester. UC/CSU

Music Surveys**MUS 21. Traditional African Music (3)**

Lec-52.5, field trips P/NP available

An introduction to the many styles of African music with emphasis on the function of traditional music and how it is organized as an integral part of everyday activity. UC/CSU

MUS 22A. History of Music in Western Culture: Medieval and Renaissance Music (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

A survey of musical styles from the 10th century to the early 16th century. The course focuses on evolution of musical styles and the changing social, cultural, economic, and political conditions that gave rise to those styles. UC/CSU

*OFFERED ON OCCASION***MUS 22B. History of Music in Western Culture: Baroque and Classical Music (3)**

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

A survey of musical styles and their social contexts in the 17th and 18th centuries. Topics include the decline of church music, the rise of public concerts and opera, the evolution of the orchestra, symphonies, concertos, suites, and the development of musical instruments. UC/CSU

*OFFERED ON OCCASION***MUS 22C. History of Music in Western Culture: Romanticism (3)**

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

A survey of Western art music and literature of the Romantic era (1800 to 1900) and the composers and the cultural and political forces that played a role in the creation of the musical works of that era. Topics include sonatas, chamber music, opera, tone poems, and symphonies. UC/CSU

*OFFERED ON OCCASION***MUS 23. History of Jazz: Musical Traditions of the African-American (3)**

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A course composed of lectures, discussions, assigned reading and listening designed to explore African-American musical heritage and its relationship to other folk expressions and to Western European Art Music. This heritage includes spirituals, work songs, blues, jazz, gospel and a broad range of popular music. UC/CSU

MUS 24. Music of East Asia (3)

Lec-52.5, field trips P/NP available

A cross-cultural, comparative survey of both historical and recent developments in the music of China, Japan, and Korea, including the relationship of East Asian music to other aspects of East Asian cultures-philosophy, religion, theater, and dance. UC/CSU

MUS 25. Music of Latin America and the Caribbean (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introductory survey of the musical traditions of Latin America, the Caribbean and Latin music in the United States. This course will study music as a form of communication, and as a social and cultural force in the Americas. UC/CSU

MUS 26. Music in American Culture (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

A survey of the music of America's diverse populations such as Native American, Anglo-American, African American, Cajun, Creole, Hawaiian and other styles and genres such as country, Tex-Mex, Klezmer and polka. UC/CSU

MUS 27A. Music Appreciation (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A survey of Western art music from the Middle Ages to the present, examined within cultural, social, and political contexts. Topics include musical elements, forms, and stylistic features of each historical period, as well as the individual characteristics of its representative composers. UC/CSU

*C-ID MUS 100***MUS 27B. Survey of Opera and Musical Theater (3)**

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Detailed study of opera and musical theater within historical, cultural, political, and social contexts. During the fall semester, the course will focus on upcoming operas performed by the San Francisco Opera. UC/CSU

*MUS 27A IS NOT A PREREQUISITE FOR MUS 27B.**OFFERED FALL SEMESTERS***MUS 27Q. Music and Queer Identity (3)**

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: ENGL 88 OR ESL 184

An examination of how music encodes "queerness" by focusing on significant musical styles and performers in the LGBT community. UC/CSU

*FORMERLY MUS 27C***MUS 27R. The History of Rock and Popular Music (3)**

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

A survey of the origin, trends, styles and genres of rock and popular music from the early 20th century to the present day, focusing on

historical and cultural influences and the effects of technology on popular music. UC/CSU
OFFERED ON OCCASION

MUS 28. 20th Century Music (3)

Lec-52.5, field trips P/NP available
RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH
The study of the music of the twentieth century through analysis of its composers and styles as well as graphic scores, electronic music recordings and development of new technologies. UC/CSU
OFFERED ON OCCASION

MUS 29. Electronic Music I (3)

Lec-52.5, field trips P/NP available
A practical study of the historical and technical aspects of electronic music, including compositional techniques of hardware and software synthesis, sampling, MIDI sequencing, audio processing, and multi-track audio recording. UC/CSU
C-ID CMUS 100X

MUS 30. Electronic Music II (3)

Lec-52.5 P/NP available
PREREQ: MUS 29.
Explores intermediate/advanced concepts in electronic music composition and performance. MUS 30 expands on the foundational electronic music techniques from MUS 29, giving students access to multiple ways of making electronic music that will stand the test of time. UC/CSU
OFFERED SPRING SEMESTERS

MUS 128. Survey of Contemporary and Electronic Music (3)

Lec-52.5, field trips P/NP available
The study of electronic music and its 20th-century acoustic counterparts through analysis of composers, styles, techniques, recordings, and technological developments. UC/CSU

Other Music Performance Courses

MUS 41. African Drumming Ensemble (3)

Lec-52.5, field trips P/NP available
REPEAT: STUDENTS CAN REPEAT THREE TIMES (TOTAL 4 ENROLLMENTS)
In African Drumming Ensemble students play traditional African music; the class is an in-depth examination of African drumming and performance of African music integral to everyday festivities and life in African society UC/CSU
THE CONTENT OF THIS COURSE VARIES. STUDENTS MAY RE-ENROLL WITHOUT REPEATING SUBJECT MATTER.

MUS 42. Gospel Choir (3)

Lec-52.5, field trips P/NP available
REPEAT: STUDENTS CAN REPEAT THREE TIMES (TOTAL 4 ENROLLMENTS)
The study of the theory, techniques and performance practices of popular, Gospel and other African American choir arrangements with piano accompaniment. UC/CSU
OFFERED ON OCCASION

MUS 46. Stage Band (3)

Lec-52.5, field trips P/NP available
RECOMMENDED PREP: PRIOR INSTRUMENTAL EXPERIENCE
REPEAT: STUDENTS CAN REPEAT THREE TIMES (TOTAL 4 ENROLLMENTS)
Study, rehearsal, and public performance of music arranged for large ensembles in a variety of jazz and popular styles, with an emphasis on

the skills needed to perform within an ensemble. All instruments are welcome. Different literature will be studied each semester. UC/CSU

MUS 47. Pep Band (3)

Lec-52.5, field trips P/NP available
RECOMMENDED PREP: PRIOR INSTRUMENTAL EXPERIENCE
REPEAT: STUDENTS CAN REPEAT THREE TIMES (TOTAL 4 ENROLLMENTS)
Rehearsal band for music of historical styles such as marches, polkas, and Dixieland, as well as current dance music. Learn to play in a large ensemble with rhythm section, brass, and winds. Performances at various school sports and other events. UC/CSU

Nursing, Registered

Office: Cloud 340
Phone Number: (415) 239-3218
Web Site: www.ccsf.edu/rn

Announcement of Curricula

Registered Nursing Major (AS)

General Information

1. Individual Nursing Courses are not open for individual enrollment.
2. Prerequisites must be completed prior to filing of enrollment application.
3. At present, qualified applicants are selected by current admission requirements and multi-criteria.
4. Readiness Assessment testing (with ATI Test for Essential Academic Skills) is to be completed by all candidates selected by current admission requirements and multi-criteria for conditional enrollment (including transfers and advanced placement) under the terms of the grant funded by the California College Chancellor's Office. Students will be required to take ATI TEAS or submit previous ATI TEAS scores (or equivalent).
5. Students who will be conditionally admitted to the R.N. Nursing program, will be required to submit to a background screening check, health+immunization report, and current Basic Life Support (BLS) for healthcare providers.

Degree Curriculum

The Associate in Science curriculum in Nursing is accredited by the California Board of Registered Nursing (BRN). Students who complete the course of study in accordance with City College requirements are eligible to take the National Council Licensure Examination of Registered Nurses (NCLEX-RN). Those who pass the NCLEX-RN are qualified for entry-level positions of R.N. in health facilities and agencies.

NOTE: The licensing process for becoming a registered nurse in California is under the jurisdiction of the Board of Registered Nursing (BRN). The BRN requires disclosure of all misdemeanor and felony convictions for all license applicants and disclosure of all disciplinary actions taken against a license applicant who already has a practical nurse, vocational nurse or other professional license. Fingerprinting is also required.

Course of Study. The Nursing course of study includes instruction in applied nursing science and related life sciences, and clinical experience in San Francisco Bay Area cooperating clinical settings. The

required course of study for Nursing includes courses that may also satisfy certain general education requirements.

Associate in Science Degree. The Nursing curriculum, supplemented by general education courses, is designed so that students may satisfy the requirements for graduation from City College of San Francisco with the degree of Associate in Science. It is required that all students who wish to enroll in the Nursing Program complete the City College of San Francisco English or ESL and Mathematics assessment if required by the college.

Learning Outcomes

Upon completion of this program, students will be able to:

- Qualify to take the National Licensure Examination for Registered Nurses (NCLEX-RN).
- Qualify for entry level positions of R.N. in health facilities and agencies
- Identify as a member of the health team in rendering holistic care to patients and provide support to patients' families
- Utilize the nursing process to formulate a plan of care and provide problem-oriented, individualized patient care
- Prioritize nursing care by application of Maslow's hierarchy of needs theory
- Apply the principles of effective communication in the delivery of health care to the patient and with other health care professionals
- Apply physical or technical skills that promote patients' health or welfare;
- Provide health education to individual patients, families, and the community at large
- Demonstrate competencies in basic health care informatics necessary to deliver safe and effective nursing care
- Exercise critical thinking skills when applying the nursing process to patient care
- Deliver effective nursing care to the patient by utilizing their acquired skills in problem solving and leadership
- Apply principles of health care ethics to guide professional conduct in the provision of care to patients, families, and community;
- Identify the cultural or ethnic influences on patients and formulate nursing care according to the patients' values
- Identify as a health advocate and participate in activities to benefit patients, families and the community at large
- Supervise and delegate patient care based on the skill level of the care provider
- Assume responsibility and accountability for one's nursing actions, self-evaluation, continuing education, and personal growth
- Utilize the principles of leadership in the health care setting, community, professional organizations, and legislative & regulatory areas
- Utilize the nursing process and evidenced based practice to facilitate optimal client outcomes for diverse cultures across the lifespan and in a variety of settings.

Enrollment to the Program. Because of facilities and staff limitations, 50 new students may be enrolled in the Nursing Program each

semester. Nursing enrollment form available online or in the nursing office. Please check Filing Date. To be considered for enrollment, students must satisfy certain academic prerequisites. The following is a summary of the academic requirements for enrollment in the Nursing Program/ courses. Please see website: www.ccsf.edu/rn

1. Prerequisite courses:
 - a. Complete the following prerequisite courses: No in-progress courses will be considered
Biology 108 (formerly Anatomy 25)
Biology 111 or 112 (formerly Physiology 1 or 12)
Biology 120 (formerly Microbiology 12)
English 1A
Math 40 or higher level Algebra or Statistics course
Science courses must have been completed within the last 7 years at the time of enrollment to the Nursing program.
 - b. Must have an overall GPA of 2.5 in science courses and English 1A.
2. An applicant can repeat only one of the science courses. More than one (1) repetition of any of the science courses will disqualify the applicant. Repetition of a science course is defined as repeating a course due to a previous grade of "D", "F" or "W". Students may satisfy the above course prerequisites at other institutions, but the courses and grades must be verified prior to consideration for enrollment.
3. File with the Office of Admissions and Records a completed application for admission to City College of San Francisco. No person may attend nursing classes unless he/she is properly admitted to the College.
4. English 1A and Math 40 or higher (equivalent) if taken at a College other than CCSF:

All applicants filing enrollment forms and transcripts from other colleges or university with the pre-requisite English and Math course final grades must bring an official transcript to the City College of San Francisco Matriculation Office located in Conlan Hall Room 204, Ocean Campus for review of these courses and subsequent Waiver from taking the English and Math Placement Tests. The waiver (or copy of the waiver) must be attached with the completed enrollment form and the official transcripts.

Test waivers for English and mathematics if taken at other colleges or (SAT, AP) scores. Bring proof (test score or transcripts) to the Matriculation office, Conlan Hall, Rm. 204 to obtain the waiver. This waiver must accompany your Nursing application.
5. File a completed enrollment form for the Nursing Program. Contact Nursing Department or www.ccsf.edu/rn for filing dates.
6. Official transcript in a sealed manila envelope must be submitted with the enrollment form.
7. ATI TEAS (or equivalent). ATI TEAS will also be administered to those selected for conditional enrollment.

Health and safety requirements. Nursing courses require students to practice nursing skills in the classroom and in cooperating clinical settings. For health and safety reasons, those accepted into the program must demonstrate through a recent, complete medical examination that they are able to participate in the program, have been tested for tuberculosis, and that they have received the following: rubeola,

rubella, varicella, mumps, hepatitis B vaccinations and antibody titers which demonstrates immunity to those diseases, current Tetanus/Diphtheria/Pertussis, Seasonal Influenza vaccine, COVID 19 Vaccination and Booster.

Enrollees must also provide verification of cardiopulmonary resuscitation basic life support, Health Care Provider certification. Students are required to do a background check and drug screen. Verification of these requirements must be received by the Nursing Department prior to the first day of class. Some hospitals may require students assigned to their hospital to submit to an additional background check and drug screen.

Academic Challenge of Nursing Courses:

BRN Rules & Regulation Business Code 2786.6

Consideration for challenging a Nursing course will be on an individual basis based on previous education and/ or experience. It is the responsibility of the candidate, who wishes to be considered entry or waiver via challenge exam, to notify the Nursing Department Chair of his/ her request to receive more information and counseling. The Non-Generic Admissions Committee of the Nursing Department will review & recommend their findings to the Nursing Department Chair and the Nursing Department faculty for their endorsement. College Catalog requirements on "Credit by Examination" will be adhered.

Candidates eligible for specific Challenge Exams are: re-entry nursing students (in good academic standing when last enrolled in the program), Advanced Placement LVNs or nursing students transfer from another R.N. Program.

Advanced Placement Policy for Licensed Vocational Nurses

Licensed Vocational Nurses with a current and active California license may apply to the Nursing Program as "Advanced Placement" status. All of the academic and administrative prerequisites must be completed and the student can apply during the regular enrollment time using the same application form as all other applicants.

These candidates may enter via Challenge Exam for Nursing Fundamentals. Challenge exams may consist of nursing theory, medical math calculations, and nursing skills. All candidates eligible for the challenge exam will be informed of the criteria for passing such exams. Those passing the Challenge Exam will have waiver of the first semester Fundamentals of Nursing (NURS 50) and Skills courses (NURS 50L).

Students who qualify for this option should make an appointment with the Nursing Program Director for additional information.

Procedure:

LVN Advanced Placement applicant will complete the following:

Submit a completed application during our annual enrollment period and choose LVN Advanced Placement option on application (dates posted on CCSF Registered Nursing Website).

- Submit official transcript from all schools or colleges where prerequisites and other college courses completed.
- Submit evidence of Active LVN license with license number (Report from DCA BreZE).
- Complete ATI Test of Essential Academic Skills (TEAS) exam (62% or higher) and submit first attempt official results to the Registered Nursing Department.

The Non-Generic Admissions Committee will review the documentation to determine whether full or partial course credit can be given for Advanced Placement through its course challenge policy.

If the applicant meets criteria for challenge, the Non-Generic Admissions Committee will schedule the candidate to complete the challenge exam(s) for all applicable courses. Satisfactory level of achievement on challenge examinations or other evaluative methods to validate achievement of course objectives will include;

- Skills competency evaluation
- Written challenge exam(s)
- Dosage calculation exam

The following materials will be made available to the applicant as preparation for the examination(s) and skills testing for credit:

- Course outline
- Syllabus with course objectives
- Bibliography and textbook list
- Types of test items
- Format of examination and testing
- Critical elements for nursing skills
- Dosage calculation review sheet and rules for rounding

If candidate passes the NURS 50 Theory challenge, the Medical Math, and the Skills Competency exam, candidate will be directed to enroll in NURS 50A prior to enrollment in NURS 51 & NURS 50B

Entry to the nursing courses is based upon space availability.

LVN 30 Unit Option (Non-Degree Option):

- A. Licensed Vocational Nurses with a current active California license who wish to take the 30-Unit Option Program must complete different academic prerequisites.
- B. Microbiology and Physiology may be taken without recency or repetition limits. The courses must have lecture and lab with a minimum of 4 semester units and be completed with a grade "C" or higher.
- C. Submit the application during the enrollment period
- D. Make an appointment with the Chairperson of the Nursing Department for more information and counseling. At the present time, the R.N. curriculum courses you will be taking will be Nursing 50A & 50B (Pharmacology in Nursing, Parts 1 and 2), Nursing 55 (Psychiatric Nursing), Nursing 56 (Advanced Medical-Surgical Nursing), and Nursing 58 (Trends and Issues in Nursing). Entry into these nursing courses is contingent upon space availability.
- E. Passing the licensing exam under this 30-Unit Option Program will result in R.N. licensure for California as a "Non Graduate". There is no guarantee that the license is transferable to other states. It is up to the license holder to contact other states' Boards of Registered Nursing to inquire if the California 30-Unit Option Program R.N. license is accepted.
- F. Students choosing the 30-unit option are enrolled on a space available basis only. Once enrolled in the 30-unit option the student can not decide to change to graduation track.

ATTENDED CCSF RN PROGRAM OR ANOTHER REGISTERED NURSING PROGRAM

- A. At present time, no student is admitted who has failed a nursing course, Clinical or Theory, in another Nursing Program.
- B. In order for our Department to consider your application, you must submit a letter on official school stationery from the

Director of the Nursing Department at the college in which you were enrolled. It must address the following:

1. Length of the time you were enrolled.
2. Must have statement that demonstrates that you were in good standing at the time of withdrawal from their Nursing Program, with no history of failing any of the nursing courses, Theory or Clinical.

Transfer student from other accredited RN nursing program

- A. The CCSF Nursing Department accepts Transfer Students who have successfully completed some Nursing Credits from other accredited R.N. Programs.
- B. Applicants must complete the same application at enrollment time and include reason for transfer and submit transcripts, outlines/course syllabi from previous R.N. Program. Applicants must have a letter from their previous school of nursing director that states that student was in good standing at the time of the withdrawal.
- C. The application, transcripts, course syllabi and letters from previous R.N. Program will be reviewed by our nursing faculty for equivalency and determination of specific nursing courses in our R.N. Program required to complete pre-licensure requirements.
- D. Acceptance is based on equivalent professional nursing education, general education courses. Transfer students must meet the same enrollment requirements and nursing policies as all nursing students entering the program.
- E. Admission into the program is subject to space availability.
- F. No student will be admitted who has failed a nursing course, clinical or theory in another Nursing Program.

Graduates in Nursing from a Foreign School with Board of Registered Nursing Deficiencies:

- A. Nursing graduates from other countries who are deficient in nursing units as stipulated by the California BRN may apply to fulfill these deficiencies.
- B. Applicants must complete the same enrollment form during the enrollment period and include a copy of the letter from the BRN with the requirements for class makeup.
- C. Admission is based on space availability.

Advanced Placement Policy for Applicants Who Have Military Education and Experience.

In compliance with the California Code of Regulations sections 1423.1, 1423.2 and amended CCR sections 1418, 1424, 1426, and 1430 that implement Senate Bill 466 and in recognition of the service that Military Personnel have provided to the country and its citizens, the City College of San Francisco Registered Nursing Program offers advanced placement for qualified individuals.

Individuals who present with relevant military education and experience equal to but not limited to Basic Medical Technician Corpsman (Navy HM or Air Force BMTCP), Army Health Care Specialist (68W Army Medic) or Air Force Independent Duty Medical Technician (IMDT 4N0X1C) are eligible for advanced placement at the City College of San Francisco Registered Nursing Program. All nursing courses can be challenged; however, individuals must have prior relevant education and experience that meet the specific requirements of each course.

Prospective applicants must schedule a counseling appointment with the Nursing Program Director.

The Non-Generic Admissions Committee will review the following documentation to determine whether full or partial course credit can be given for nursing courses through its course challenge policy:

- Form DD214 demonstrating honorable military discharge.
- Documents demonstrating completion of program entrance requirements including designated prerequisites and assessment testing.
- Official transcripts with syllabi of relevant military education program and clinical experience demonstrating satisfactory completion of coursework and clinical experience

Procedure:

1. For **ALL Military Applicants**: Review the CCSF Nursing Program Admission Information.
2. Complete program entrance requirements including designated prerequisites.
3. Schedule an advising appointment with the Director of Nursing at least 4 weeks prior to our application period to review the eligibility requirements for the CCSF Associate Degree Nursing Program.
4. Submit a completed application during our annual enrollment period and choose Military Advanced Placement option on application (dates posted on CCSF Registered Nursing Website).
 - Include documents of honorable discharge (Form DD214).
 - Submit all official transcripts with syllabi of relevant military education program and clinical experience demonstrating satisfactory completion of coursework and clinical experience with application.
 - Complete ATI Test of Essential Academic Skills (TEAS) exam (62% or higher) and submit first attempt official results to the Registered Nursing Department.
5. Application and supporting documents will be reviewed by the Non-Generic Admissions Committee. If the applicant meets criteria for challenge, the Non-Generic Admissions Committee will schedule the candidate to complete the challenge exam(s) for all applicable courses. Satisfactory level of achievement on challenge examinations or other evaluative methods to validate achievement of course objectives will include;
 - Skills competency evaluation
 - Written challenge exam(s)
 - Dosage calculation exam
6. The following materials will be made available to the applicant as preparation for the examination(s) and skills testing for credit:
 - Course outline
 - Syllabus with course objectives
 - Content outline
 - Bibliography and textbook list
 - Types of test items
 - Format of examination and testing
 - Critical elements for nursing skills

- Dosage calculation review sheet and rules for rounding

Advance Placement students are admitted on a space availability basis; however, military personnel and veterans are given preference

Credit by Examination. All nursing courses are challengeable. Consideration for challenge will be based on previous education and/or experience on an individual basis.

Academic Probation and Dismissal. The failure of a nursing student to satisfactorily demonstrate mastery of required knowledge, skills, or abilities that may jeopardize the safety and welfare of others. Depending on the nature of the performance that demonstrates the lack of necessary knowledge, skills, or abilities, students may be placed on clinical probation or may be subject to academic dismissal prior to the end of the semester.

All City College students, including Nursing students, are subject to the Rules of Student Conduct, and must conform their behavior to appropriate standards, both during theory classes and during clinical experiences at cooperating clinical settings.

Assuming students start this AS with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Registered Nursing

Course Units

First Semester:

NURS 50 Fundamentals of Nursing 6.0

NURS 50A Pharmacology in Nursing Part I 2.0

NURS 50L Nursing Skills Lab 1.0

Second Semester:

NURS 50B Pharmacology in Nursing Part II 2.0

NURS 51 Basic Medical-Surgical Nursing 6.0

NURS 51L Intermediate Nursing Skills 1.0

Third Semester:

NURS 53 Maternal Newborn Nursing 6.0

NURS 55 Psychosocial Nursing 6.0

Fourth Semester:

NURS 58 Trends and Issues in Nursing 1.0

NURS 54 Nursing of Children 6.0

NURS 56 Advanced Medical-Surgical Nursing 6.0

Course required by the Board Of Registered Nursing:

PSYC 1 General Psychology 3.0

These courses meet the California Board of Registered Nursing Requirement for Licensure and must be completed prior to taking the R.N. Licensure Examination (NCLEX).

Choose one of the following additional courses required by the Board Of Registered Nursing:

SOC 1 Introduction to Sociology 3.0

ANTH 3 Introduction to Social and Cultural

Anthropology 3.0

ANTH 3C Introduction to Cultural Anthropology:

Focus on U.S. Cultures 3.0

These courses meet the California Board of Registered Nursing Requirement for Licensure and must be completed prior to taking the R.N. Licensure Examination (NCLEX).

Choose one of the following additional courses required by the Board Of Registered Nursing:

CMST 1A Elements of Public Speaking 3.0

CMST 4 Group Communication 3.0

CMST 20 Interpersonal Communication 3.0

ESL 79 Advanced Speaking and Pronunciation 3.0

These courses meet the California Board of Registered Nursing Requirement for Licensure and must be completed prior to taking the R.N. Licensure Examination (NCLEX).

Total: 52.0

Announcement of Courses

Credit, Degree Applicable Courses:

NURS 50. Fundamentals of Nursing (6)

Lec-52.5, Lab-157.5

PREREQ: ADMISSION TO THE REGISTERED NURSING PROGRAM

COREQ: NURS 50L AND NURS 50A

Introduction to nursing fundamentals, basic medical-surgical concepts, and principles of care common to adults/older adults. This course includes application of theory and practice of skills in the clinical area and will lay the foundation for successive nursing courses. The clinical experience is designed to be concurrent with theory. CSU

OFFERED SPRING AND FALL SEMESTERS

NURS 50A. Pharmacology in Nursing Part I (2)

Lec-35

COREQ: NURS 50; NURS 50L

This course provides an introduction to pharmacology with emphasis placed on nursing implications of drugs: including administration, adverse effects, clinical indications, dosages and frequencies, drug interactions, pharmacologic effects, and precautions and contraindications to use. CSU

OFFERED SPRING AND FALL SEMESTERS

NURS 50B. Pharmacology in Nursing Part II (2)

Lec-35

PREREQ: NURS 50A

COREQ: NURS 51 AND NURS 51L

This course provides a continuation of the study of pharmacology with emphasis placed on nursing implications of drugs, including administration, adverse effects, clinical indications, dosages and frequencies, drug interactions, pharmacologic effects, and precautions and contraindications to use. CSU

OFFERED SPRING AND FALL SEMESTERS

NURS 50L. Nursing Skills Lab (1)

Lab-52.5

P/NP only

COREQ: NURS 50; NURS 50A

The nursing skills lab is designed to orient, assist, and enhance the development of psycho motor and cognitive skills that are critical in the performance of selected fundamental nursing procedures. CSU

OFFERED SPRING AND FALL SEMESTERS

NURS 51. Basic Medical-Surgical Nursing (6)

Lec-52.5, Lab-157.5

PREREQ: (NURS 50 AND NURS 50L AND NURS 50A) OR CURRENT LVN LICENSE

COREQ: NURS 50B AND NURS 51L

Acquaints the student with adults/geriatric adults experiencing dysfunction of the cardiovascular, respiratory, gastrointestinal, urinary, and male reproductive systems. Emphasis is placed on nursing process and integrating principles of nutrition, pharmacology, pathophysiology, psychosocial and biological sciences. Students are assigned to care for patients in acute or postacute care settings. CSU

OFFERED SPRING AND FALL SEMESTERS

NURS 51L. Intermediate Nursing Skills (1)

Lab-52.5 P/NP only

PREREQ: (NURS 50; NURS 50L; NURS 50A) OR CURRENT LVN LICENSE

COREQ: NURS 51; NURS 50B

Intermediate-advanced nursing skills for the adult medical-surgical patient. Laboratory instruction consisting of assigned reading, class discussion, and demonstration of skill by instructor. Student practice and return demonstration. Clinical simulation and case studies incorporating recently acquired skills for enhancement of critical thinking skills and application of concurrent theory to practice. CSU

OFFERED SPRING AND FALL SEMESTERS

NURS 53. Maternal Newborn Nursing (6)

Lec-52.5, Lab-157.5

PREREQ: NURS 50B AND NURS 51L AND NURS 51

This course covers the principles and practices of maternal newborn health and nursing care. The maternity cycle, women's health and the development of the newborn from the embryonic stage to neonatal life will be covered. Clinical nursing experience will be in the acute care inpatient settings and in outpatient settings. CSU

NURS 53 AND 55 ARE HALF-SEMESTER COURSES REQUIRED IN THE THIRD SEMESTER OF STUDENTS ENROLLED IN THE CURRICULUM IN NURSING. THE SEQUENCE IN WHICH STUDENTS WILL TAKE THESE COURSES WILL BE DETERMINED BY THE NURSING DEPARTMENT.

OFFERED SPRING AND FALL SEMESTERS

NURS 54. Nursing of Children (6)

Lec-52.5, Lab-157.5

PREREQ: NURS 55 AND NURS 53

Growth and development of children from birth through adolescence. Nursing education for health maintenance, prevention, medical treatment, and nursing interventions for common disease condition or injuries that affect children. The nursing clinical experience will be at multicultural inpatient hospital units, outpatient areas, and schools in San Francisco. CSU

NURS 54 AND 56 ARE HALF-SEMESTER COURSES REQUIRED OF NURSING STUDENTS IN THE FOURTH SEMESTER OF THE PROGRAM. THE NURSING DEPARTMENT DETERMINES THE SEQUENCE IN WHICH STUDENTS WILL TAKE THESE COURSES.

OFFERED SPRING AND FALL SEMESTERS

NURS 55. Psychosocial Nursing (6)

Lec-52.5, Lab-157.5

PREREQ: NURS 50B; NURS 51; NURS 51L

This course covers the principles and practices of psychosocial health and nursing care. Emphasis is placed on the development of therapeutic communication skills, fundamental to all nursing care. Prevention and treatment of psychopathology is explored. Clinical nursing experience will be in the acute care inpatient settings and in outpatient settings. CSU

OFFERED SPRING AND FALL SEMESTERS

NURS 56. Advanced Medical-Surgical Nursing (6)

Lec-52.5, Lab-157.5

PREREQ: NURS 53 AND NURS 55

Advanced medical-surgical nursing of adults, and leadership and management theories. Application of the nursing process in the care of adults with acute and chronic complex health impairment and illness. Clinical experience is planned at acute and non-acute hospitals, facilities, and out-patient sites. CSU

OFFERED SPRING AND FALL SEMESTERS

NURS 58. Trends and Issues in Nursing (1)

Lec-17.5 P/NP only

COREQ: NURS 54 OR NURS 56

Acquaints student with historical and current trends, issues in nursing practice, and the concept of professional development. Emphasis placed on legal and ethical aspects of nursing and the California Board of Registered Nursing Practice Act. Students examine contemporary issues that affect the practice of registered nursing. CSU

OFFERED SPRING AND FALL SEMESTERS

Nursing, Licensed Vocational

Office: John Adams

Phone Number: 415 561-1912

Web Site: www.ccsf.edu/lvn/

Announcement of Curricula

Accreditation. The Licensed Vocational Nursing program is accredited by the Board of Vocational Nursing and Psychiatric Technicians. For more information about this agency, see the "Overview of the College" section of this Catalog.

Nurse Assistant/Home Health Aide Certificate

Graduates of this program will be highly qualified for entry-level positions as health care providers in acute care and convalescent facilities as well as home care agencies and out-patient clinics. Critical thinking concepts and principles serve as a framework for studying nursing and behavioral sciences within a health promotion/risk reduction, multicultural-based curriculum.

Program Authorization. This program is approved by the California State Department of Health Services. Successful completion qualifies the graduate to 1) take the Nurse Assistant Competency Examination to obtain State Certification for practice; 2) obtain Home Health Aide Certification without further examination.

NOTE: The Department of Health Services, Nurse Assistant Certification Division requires fingerprinting and disclosure of misdemeanor and felony convictions for all applicants.

Enrollment Procedure. Applicants must take a placement test, attend a program orientation, and meet the following program prerequisites:

1. Age 18 or older
2. ESL 184 or ENGL 88 or readiness for college-level English
3. A physical examination demonstrating good physical and mental health
4. Immunizations: Hepatitis B, Rubella, Varicella, Mumps, and T.B.
5. Current CPR certification for Healthcare Provider
6. Department of Health Services Applications
7. Department of Homeland Security Application for Criminal Background Check

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply the fundamental nursing skills instructed in the State-approved nursing assistant/home health aide training program.

- Use effective communication skills while delivering care to clients and families in diverse communities.
- Analyze the Patient’s Bill of Rights and the importance of the Privacy Rule in the Health Insurance Portability and Accountability Act.

The minimum time for completion of this certificate is 1 semester. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Nurse Assistant/Home Health Aide

Course.....Units

Required courses

VOCN 23 Nurse Assistant/Convalescent Care	7.0
VOCN 24 Home Health Aide	2.5
VOCN 25 Nurse Assistant/Acute Care	3.5

Choose 3.5 – 4 units from the following

BIO 134 Introduction to Nutrition for Health Sciences	3.0
EMT 12 Basic Life Support for Healthcare Providers . . .	0.5
HLTH 170 Introduction to Nutrition Professions.	1.0
HCT 110 Health Unit Coordinator	4.0

Total:..... 16.5 – 17.0

Vocational Nursing Certificate

The program of study for the Certificate of Achievement in Vocational Nursing is designed to prepare students for employment in acute care facilities, clinics, long-term care facilities, physician offices, home care, and health centers.

Learning Outcomes

Upon completion of this program, students will be able to:

- Use effective communication skills as appropriate while delivering care to patients and families in various nursing practice settings, and in collaboration with the health care team.
- Demonstrate safe and competent nursing care based on scientific principles to patients of any age and cultural background in a variety of work settings under the direction of the registered nurse or physician.
- Apply the Nursing Process to individualize patient care in any health care setting.
- Demonstrate professionalism in the practice of Vocational Nursing.

Enrollment is open to all interested students who are in good physical and mental health, and over 17 years of age. To be admitted to the program applicants must:

1. Be a graduate of the 12th grade in high school or its equivalent (i.e., GED, High School Proficiency Examination).
2. Attend mandatory program orientation at John Adams site. Application to the program will be handed out during the orientation. Program orientation is valid for one year.
3. File with the Vocational Nursing Department a completed application for admission to City College (for dates, see “Calendar of Instruction”).
4. Apply for admission to the program for the Fall semester between February 15 and May 1, and for the Spring semester,

- between September 15 to November 1. Completion of English 1A and MATH 40 or higher.
5. Have an overall GPA of 2.5 in Science and 2.0 in English 1A.
6. Submit official transcripts.
 - a. High school transcripts must show proof of completion of the 12th grade. Transcripts must be submitted in keeping with the application deadline.
 - b. Applicants who are accepted in Vocational Nursing and who wish to receive credit for prior nursing education courses completed must submit official transcript within application deadline.
7. Admission of Certified Nurse Assistant, Board Challenge transfer students.
 - a. State of California CNA certificate and completion of a CNA program from a credit-granting college within the previous 5 years qualifies a student for at least 4 units.
 - b. Transfer students from other accredited L.V.N. or R.N. programs are accepted in the CCSF Vocational Nursing Program. Acceptance is based on equivalent nursing education and availability of space.
 - c. Board challenge applicants who need required courses for state boards should contact the vocational nursing office.
 - d. Credit may not be given toward satisfying the Vocational Nursing course requirement, for courses completed 5 or more years prior to application for admission.
8. Complete the following prerequisites within 5 years prior to enrollment with a C or higher in each class starting with Fall Semester 2019: Anatomy and Physiology course 4 units (e.g. BIO 106, or BIO 108 and 112). VOCN 41D Pharmacology, and VOCN 42E Nutrition (or BIO 134), and CDEV 53 Child Growth and Development.

Credit by Examination. Applicants who qualify for admission into the Vocational Program and who have had health training courses in the military, psychiatric technician and certified nurse assistants graduates from noncredit programs who wish to receive credit, or advanced placement should contact the vocational nursing office for additional information. Admission is based on space availability only.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Vocational Nursing

Course.....Units

First Semester:

VOCN 41A Fundamentals of Vocational Nursing	4.0
VOCN 41B Basic Medical/Surgical Nursing	8.0
VOCN 41C Basic Medical/Surgical Skills Lab	0.5

Total:	40.5

Announcement of Courses

Credit, Degree Applicable Courses:

Some courses require an additional fee to cover the cost of background checks, testing, and fingerprinting

VOCN 23. Nurse Assistant/Convalescent Care (7)

Lec-82, Lab-128

PREREQ: CERTIFICATION OF CARDIO PULMONARY RESUSCITATION (CPR) APPROVED BY THE AMERICAN HEART ASSOCIATION OR AMERICAN RED CROSS FOR HEALTH CARE PROVIDERS AND COMPLETE IMMUNIZATION AS REQUIRED BY THE AFFILIATED FACILITY

Theory and content integrating basic nursing concepts and skills in order to provide safe and competent patient care in a long term care setting. Core components include communication and interpersonal skills, infection control, safety and emergency procedures, promoting patient independence, patient/resident rights, basic nursing skills, personal care skills, mental health and social service needs, care of the cognitively impaired and basic restorative services. CSU

VOCN 24. Home Health Aide (2.5)

Lec-44, Lab-20

PREREQ: A VALID CERTIFIED NURSING ASSISTANT CERTIFICATE PROVIDED BY THE CALIFORNIA DEPARTMENT OF PUBLIC HEALTH.; VOCN 23

A short term course that provides an introduction to basic client care in the home setting focusing on the following core components: all basic nursing skills in the home base setting, liability, safety, infection control, emergency procedures, abuse, patient independence, patient/residents' rights, social needs, housekeeping chores, food management, laundry, and record keeping. Successful completion of this course will entitle the student to a State Certification as a Home Health Aide (HHA). CSU

VOCN 25. Nurse Assistant/Acute Care (3.5)

Lec-35, Lab-91

PREREQ: VOCN 23 OR POSSESSION OF A VALID NURSING ASSISTANT CERTIFICATION; COMPLETE IMMUNIZATION AS REQUIRED BY THE AFFILIATED FACILITY.

Learn the knowledge and skills needed to function in an acute care setting, focusing on the needs of the acute care patient and the role of a certified nursing assistant in meeting those needs. Clinical placement in an acute care setting will provide hands-on experience caring for acutely ill patients with a variety of diagnoses. Teamwork, communication, and the importance of accurate observation and assessment will be emphasized. CSU

VOCN 41A. Fundamentals of Vocational Nursing (4)

Lec-72, Lab-16

COREQ: VOCN 41B AND VOCN 41C

Provides an introduction to basic patient care in the hospital setting with a focus on the following core components of Vocational Nursing: the nursing process, legal aspects of nursing, medical terminology, therapeutic communication, basic bedside nursing care, client teaching, infection control and basic needs assessment. CSU

VOCN 41B. Basic Medical/Surgical Nursing (8)

Lec-56, Lab-252

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: VOCN 41A

COREQ: VOCN 41C

Presents theory content with concurrent clinical practice. Systems focus includes the musculoskeletal, integumentary, and gastrointestinal systems. Nursing care of the geriatric client is emphasized to promote understanding of the core concepts of basic medical-surgical nursing: health and illness, culturally competent and age-appropriate nursing care. CSU

VOCN 41C. Basic Medical/Surgical Skills Lab (.5)

Lab-35

COREQ: VOCN 41A AND VOCN 41B

Introduction to basic medical-surgical assessment skills as well as the nursing skills commonly practiced for clients with integumentary, musculoskeletal and gastrointestinal disorders. CSU

VOCN 41D. Pharmacology (3)

Lec-52.5

Introduction to the basic concepts of pharmacology for the vocational nursing student. Basic principles of pharmacology, medication, calculations, preparation, administration and storage are emphasized. CSU

VOCN 42A. Adult Medical Surgical Nursing I (5.5)

Lec-45, Lab-162

PREREQ: VOCN 41A AND VOCN 41B AND VOCN 41C

COREQ: VOCN 42B AND VOCN 42C AND VOCN 42D AND VOCN 42E

This course presents theory with concurrent clinical practice. System focus includes hematologic, cardiovascular, respiratory, and immunological. Core concepts include care of the surgical patient, pain management, and fluid and electrolyte balance. CSU

VOCN 42B. Adult Medical Surgical Nursing II (5.5)

Lec-45, Lab-162

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: VOCN 42A

COREQ: VOCN 42C

This course presents theory content with concurrent clinical practice. System focus includes neurological, endocrine, genitourinary and reproductive systems. CSU

VOCN 42C. Adult Medical/Surgical Skills Lab (.5)

Lab-35

PREREQ: VOCN 41A AND VOCN 41B AND VOCN 41C

COREQ: VOCN 42A AND VOCN 42B AND VOCN 42D AND VOCN 42E

Presents the nursing skills commonly practiced for clients with hematologic, lymphatic, cardiovascular, respiratory, neurological, endocrine, genitourinary, and reproductive disorders. CSU

VOCN 42D. Mental Health Nursing (2)

Lec-35

PREREQ: VOCN 41A AND VOCN 41B AND VOCN 41C

COREQ: VOCN 42A AND VOCN 42B AND VOCN 42C AND VOCN 42E

Introduction of the basic concepts of mental health nursing for the vocational nursing student with a focus on the current therapeutic interpersonal processes and problem solving techniques helpful in identification and treatment of the mental health disorders which may be present in acutely ill medical/surgical patients. CSU

VOCN 43A. Concepts in Community Health Nursing (2.5)

Lec-30, Lab-60

PREREQ: VOCN 42A; VOCN 42B; VOCN 42C; VOCN 42D

COREQ: VOCN 43E; VOCN 43B; VOCN 43C; VOCN 43D

Introduction to community health nursing: home health care, long-term care, rehabilitative and hospice care, as well as disaster nursing. CSU

VOCN 43B. Maternity Nursing (4.5)

Lec-50, Lab-90

PREREQ: VOCN 42A AND VOCN 42B AND VOCN 42C AND VOCN 42D AND VOCN 42E

COREQ: VOCN 43A AND VOCN 43C AND VOCN 43D AND VOCN 43E

Presents the principles and practice of obstetrical nursing, with an emphasis on the scope of practice of the Vocational Nurse. Individualized, culturally appropriate nursing care for the new mother and neonate are examined. CSU

VOCN 43C. Pediatric Nursing (3.5)

Lec-40, Lab-72

PREREQ: VOCN 42A AND VOCN 42B AND VOCN 42C AND VOCN 42D AND VOCN 42E

COREQ: VOCN 43A AND VOCN 43B AND VOCN 43D AND VOCN 43E

Presents the principles and practice of nursing care of children from birth to 18 years old. Health maintenance, disease prevention and common childhood abnormalities are emphasized. CSU

VOCN 43D. Advanced Medical Surgical Nursing (3.5)

Lec-40, Lab-72

PREREQ: VOCN 42A AND VOCN 42B AND VOCN 42C AND VOCN 42D AND VOCN 42E

COREQ: VOCN 43A AND VOCN 43B AND VOCN 43C AND VOCN 43E

This course presents theory content with concurrent clinical practice with a focus on current therapeutic treatment modalities and nursing management for advanced medical/surgical patients. Core concepts include: care of the following patients; the burn patient; the patient in heart failure; the patient in shock; the patient with upper and lower airway disorders; the patient with tumors of the neurological system; the patient in renal failure; leadership and management. CSU

VOCN 43E. Advanced Medical/Surgical Skills Lab (.5)

Lab-35

PREREQ: VOCN 42A AND VOCN 42B AND VOCN 42C AND VOCN 42D AND VOCN 42E

COREQ: VOCN 43A AND VOCN 43B AND VOCN 43C AND VOCN 43D

Presents the nursing skills commonly practiced in maternity and pediatric nursing as well as the client with advanced medical-surgical disorders. CSU

VOCN 51A. Fundamentals of Nursing (4)

Lec-70

PREREQ: ADMISSION TO THE LVN CERTIFICATE PROGRAM

COREQ: VOCN 51B AND VOCN 51C

Provides an introduction to basic patient care in the hospital setting with a focus on the following core components of Vocational Nursing: the nursing process, legal aspects of nursing, medical terminology, therapeutic communication, basic bedside nursing care, client teaching, infection control, and basic needs assessment. This course may also serve as a pathway from LVN to ADN degree. CSU

VOCN 51B. Basic Medical/Surgical Nursing (3.5)

Lec-62

COREQ: VOCN 51A AND VOCN 51C

Presents theory as applied to clinical nursing practice. Systems focus includes the musculoskeletal, integumentary, and gastrointestinal systems. Nursing care of the geriatric client is emphasized to promote understanding of the core concepts of basic medical-surgical nursing: health and illness, cultural competence and age-appropriate nursing care. CSU

VOCN 51C. Clinical and Skills Lab I (6)

Lab-315

COREQ: VOCN 51A AND VOCN 51B

Introduction to basic medical-surgical assessment skills as well as the nursing skills commonly practiced for clients with integumentary, musculoskeletal, and gastrointestinal disorders. This course includes the application of theory and practice of fundamental skills in the skills lab and the clinical area. CSU

VOCN 51D. Pharmacology (3)

Lec-52.5

Introduction to the basic concepts of pharmacology with emphasis on the principles of pharmacology, medication, calculations, preparation, administration, and storage of medications, and understanding of the actions, side effects, and adverse reactions of different drugs. CSU

VOCN 52A. Psychology in Nursing (3)

Lec-52.5

PREREQ: VOCN 51A AND VOCN 51B AND VOCN 51C

COREQ: VOCN 52B

An introduction to basic concepts of mental health nursing with a focus on current therapeutic interpersonal processes and problem-solving techniques. Study of the identification and treatment of mental health disorders that may be present in acutely ill medical/surgical patients. CSU

VOCN 52B. Intermediate Adult Medical Surgical Nursing (5)

Lec-87.5

PREREQ: VOCN 51A AND VOCN 51B AND VOCN 51C

COREQ: VOCN 52A AND VOCN 52C

Study theory in relation to concurrent clinical practices and body systems, including hematologic, cardiovascular, respiratory, and immunological. Disorders related to neurological, endocrine, genitourinary, and reproductive systems are also examined, including diagnostic and treatment modalities, and nursing responsibilities. Core nursing concepts include care of the surgical patient, pain management, and fluid and electrolyte balance. CSU

VOCN 52C. Clinical and Skills Lab II (7)

Lab-367.5

PREREQ: VOCN 51A AND VOCN 51B AND VOCN 51C

COREQ: VOCN 52B

This course presents the nursing skills commonly practiced for clients with hematologic, lymphatic, cardiovascular, respiratory, neurological, endocrine, and genitourinary disorders. CSU

VOCN 53A. Maternity and Pediatrics (5)

Lec-87.5

PREREQ: VOCN 52A AND VOCN 52B AND VOCN 52C

COREQ: VOCN 53C

Presents the principles and practice of nursing care in Maternal and Child Care. Individualized, culturally appropriate nursing care for the

new mother and neonate. Health maintenance, disease prevention and common childhood diseases and abnormalities from birth to 18 years old. CSU

VOCN 53B. Advanced Medical Surgical and Community Health Nursing (5)

Lec-87.5

PREREQ: VOCN 52A AND VOCN 52B AND VOCN 52C

COREQ: VOCN 53C

This course explores theoretical content and clinical practices with a focus on current therapeutic treatment modalities and nursing management for advanced medical/surgical patients, including studies of cancers, burns, shock, leadership, and management, as well as heart, respiratory, neurological, and renal failure. Community health nursing involves topics such as home health care, long-term care, rehabilitative and hospice care, as well as disaster nursing. CSU

VOCN 53C. Clinical and Skills Lab III (6.5)

Lab-342

PREREQ: VOCN 52A AND VOCN 52B AND VOCN 52C

COREQ: VOCN 53A AND VOCN 53B

Presents the nursing skills and procedures commonly practiced in Maternity, Pediatric, and Advanced Medical-Surgical Nursing including skills related to Community Health Nursing. CSU

Older Adults

Office: Mission Center 265

Phone Number: (415) 452-7403

Web Site: www.ccsf.edu/olad

Announcement of Courses

Noncredit Courses:

Health

OLAD 7007. Body Dynamics and the Aging Process II (36 hrs)

Through lecture, demonstration, and practice, older adults learn strategies for safely implementing a physical activity program, techniques for stress reduction, and understanding key healthy aging concepts to maintain and improve overall health and well-being.

OLAD 7209. Mind Body Health (36 hrs)

Lecture, discussion, and practice to learn about the mind/body connection using such techniques as a Qigong warmup, accessible/ chair yoga, and the moving meditation practice of T'ai Chi Chih: 19 Movements and One Pose.

The Arts

OLAD 7300. Art for Older Adults (45 hrs)

The course is for older adults who are interested in learning to make art in a relaxed, non-credit environment. This course develops formal artistic skills and techniques through drawing and painting for beginning to advanced students. Individual and group instruction includes composition, color mixing, perspective, proper use of brushes and mediums, working with paper and canvas.

OLAD 7301. Arts and Crafts for Older Adults (45 hrs)

The course is for older adults who are interested in learning to make various arts and crafts projects in a relaxed, non-credit environment. This course develops formal artistic skills such as color, composition, form, harmony, texture, and contrast through physical and tactile skills such as painting, weaving, and sculpture. Completed projects are two or three-dimensional using a variety of materials and mediums.

OLAD 7311. Ceramics for Older Adults (45 hrs)

In a supportive studio atmosphere, older students learn and gain proficiency in making ceramic art with basic methods of construction, glaze application and kiln-firing processes; sharing their work and critiquing that of their peers.

OLAD 7320. Art for People with Memory Loss (45 hrs)

In a supportive studio atmosphere at a senior center, older students with memory loss will learn a variety of methods and use different media to make art in a supportive environment.

OLAD 7303. Figure Drawing- Older Adults (54 hrs)

The course is for older adults who are interested in learning to make art in a relaxed, non-credit environment. The studio class is in drawing the human figure from a life model. Media used includes pencil, charcoal, ink, and varieties of paint such as watercolor, acrylic, and oil. All skill levels are welcome.

OLAD 7310. Stitchery for Older Adults (45 hrs)

The course is for older adults who are interested in stitchery as an art form, share experiences with fellow enthusiasts, and collaborate in group projects in a relaxed, non-credit environment. Hands-on course. Skills related to stitchery and textile arts include patchwork, quilting, applique, trapunto, and embroidery stitches. Small projects to learn basic techniques for beginning students and individual or group projects for advanced students.

Music and Theater

OLAD 7307. Music Appreciation for Older Adults (36 hrs)

The course is for older adults who are interested in learning about music in a relaxed, non-credit environment. Study of and familiarization with the music of the world today. Introduction to various genres of music including western classical, jazz, folk, and music of other cultures. Other genres may include symphonies, concertos, operas, chamber, oratorio, ballet, or choral music.

Writing and Literature

OLAD 7401. Writers' Workshop for Older Adults (45 hrs)

In a supportive atmosphere, older students will learn and gain proficiency in writing fiction and non-fiction, assess work by masters of the craft, share their work and critique that of their peers.

OLAD 7402. English-Reading Women's Literature (54 hrs)

RECOMMENDED PREP: ESLN 3800

The course is for older adults who are interested in reading literary works by women in a relaxed, non-credit environment. Study of works by and about women, including novels, short stories, essays, biography, and poetry. Development of reading and critical thinking skills aimed at supporting the cognitive skills and brain capacity of older adults. Each semester focuses on a different theme with American or international authors.

Announcement of Curricula

General Information

Courses in Philippine Studies currently count toward the following degrees and certificates: Asian American Studies (AA-T & Certificate of Achievement), Film (AA & Certificate of Achievement), Scriptwriting (Certificate of Achievement), Critical Middle East / South West Asia and North Africa Studies (AA), Critical Pacific Islands and Oceania Studies (AA & Certificate of Achievement), Ethnic Studies (AA-T), Liberal Arts & Sciences, Arts & Humanities (AA with an Area of Emphasis), Social and Behavioral Science (AS with an Area of Emphasis), Filipino (Tagalog) – (Certificate of Accomplishment). For more information and support please contact the TULAY – Filipino American Student Success Program.

Philippine Studies Major (AA)

An Associate Degree in Philippine Studies provides students the opportunity to cultivate a critical understanding of the complex history and experiences of the Filipinx community in the Philippines and the diaspora. Students will develop a greater awareness and understanding of issues such as economic and social transnationalism, emigration and acculturation, the power of cultural values and heritage in the process of identity development. Our courses will allow students to fulfill transfer requirements to CSU, UC, and private universities. The AA is designed for students who wish to pursue a specialization in Philippine Studies in the following disciplines: Area Studies, Ethnic Studies, History, Sociology, Psychology, Anthropology, Political Science, International Relations, and English. Upon completion of the major students will be able to integrate writing, research, and presentation skills necessary for the successful completion of a university degree.

Learning Outcomes

Upon completion of this program, students will be able to:

- Examine key social and cultural characteristics of Philippine society.
- Analyze the impact of historical and political conditions in the Philippines on the Filipinx community in the diaspora.
- Compare the intersectional struggles and oppression faced by Filipinos in the Philippines and the diaspora.
- Use Filipino language (Tagalog) to communicate ideas about Philippine culture and the culture of Filipinx in the diaspora.
- Apply appropriate methods of inquiry and research for Philippine Studies.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Philippine Studies

Course Units

- Required Courses:**
- HIST 37 History of the Philippines 3.0
 - PHST 40 Contemporary Issues in the Filipino Diaspora . . . 3.0
 - PHST 20 The Filipino Family 3.0

- Please choose nine units from the following courses:**
- PHST 30 Philippine Society and Culture Through Film . . . 3.0
 - PHST 42 Introduction to Philippine Arts 3.0
 - PHST 50 Filipinx LGBTQ+ Identities and Culture 3.0
 - ANTH 15 Philippine Culture and Society 3.0
 - ASAM 8 Filipino American Community 3.0

Please choose 5 or 6 units from the following elective courses:

- PIL 1 Elementary Filipino (Tagalog) 5.0
 or PIL 2 Continuation of Elementary
 Filipino (Tagalog) 5.0
 or PIL 10A Conversational Filipino (Tagalog) 3.0
 and PIL 10B Conversational Filipino (Tagalog) 3.0
 or PIL 10B Conversational Filipino (Tagalog) 3.0
 and PIL 10C Intermediate Conversational Pilipino . . . 3.0
- PHST 10 Independent Study 1.0 – 3.0

Total: 23.0 – 24.0

Filipino (Tagalog) Certificate

The Certificate of Accomplishment in Pilipino provides students, prospective employers, and others with documented evidence of persistence and academic accomplishment in Pilipino (Tagalog). It prepares students for health interpreter and nonprofit positions.

Learning Outcomes

Upon completion of this program, students will be able to:

- Interpret Filipino (Tagalog) oral and written texts in familiar contexts.
- Communicate in Filipino (Tagalog) orally and in writing in familiar contexts using appropriate expressions of respect or formality.
- Examine Philippine literature in relation to historical, social, and cultural influences.
- Explain aspects of Philippine culture.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Filipino (Tagalog)

Course Units

- Required core courses:**
- PIL 1 Elementary Filipino (Tagalog) 5.0
 - PIL 2 Continuation of Elementary Filipino (Tagalog) . . . 5.0

- Choose at least 5 units from the following elective courses:**
- PIL 10A Conversational Filipino (Tagalog) 3.0
 - PIL 10B Conversational Filipino (Tagalog) 3.0
 - PIL 10C Intermediate Conversational Pilipino 3.0
 - PIL 39A Philippine Literature in Translation:
 Philippine Literature to 1940 3.0
 - PIL 39B Philippine Literature in Translation:
 Literature from 1940 to the Present 3.0
 - PHST 10 Independent Study 1.0 – 3.0

Total: 15.0

Philippine Studies Certificate

A Certificate of Achievement in Philippine Studies introduces students to the complex history and circumstances of the Philippines and the Filipino people in the diaspora, including a greater awareness and understanding of issues such as economic and social transnationalism, emigration and acculturation, and the power of cultural values and heritage in the process of identity development. This certificate is designed for students who wish to pursue a specialization in Philippine Studies in the following disciplines: Area Studies, Ethnic Studies, History, Sociology, Psychology, Anthropology, Political Science, International Relations, and English. It is also designed for professionals in the public, private, non-profit, and entrepreneurial sectors seeking to strengthen their cultural competencies and ability to engage the largest Asian American population in California. Professional development in Philippine Studies are relevant in various fields, including law, healthcare, education, social services.

Learning Outcomes

Upon completion of this program, students will be able to:

- Examine key social and cultural characteristics of Philippine society.
- Analyze the impact of historical and political conditions in the Philippines on the Filipino community in the diaspora.
- Compare the intersectional struggles and oppression faced by Filipinos in the Philippines and the diaspora.
- Use Filipino language (Tagalog) to communicate ideas about Philippine culture and the culture of Filipinos in the diaspora.

Minimum time of completion for this certificate is 3 semesters. Completion time will vary based on student preparation, number of classes completed per semester, and availability of courses offered on occasion.

Web Site: www.ccsf.edu/socialsci

Announcement of Curricula

Philosophy Major (AA-T)

Philosophy is the study of the most fundamental questions of life, reality, knowledge, and value. Through the study of philosophy, students are trained in the skills of conceptual analysis and argument comprehension, construction, and evaluation. It provides an intensive introduction to the science of logic, with emphasis on the concept of proof and symbolic systems for calculating truth-value relationships. The philosophy major will also introduce students to philosophical theories in the tradition from its ancient beginnings to its contemporary developments. The AA-T in Philosophy offers students a comprehensive lower division program in philosophy. The AA-T prepares students who wish to transfer and pursue a baccalaureate degree in Philosophy, particularly at California State University and University of California campuses.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze major theories of perennial influence in the main areas of philosophy, metaphysics, epistemology, and value theory.
- Analyze important philosophical issues and concepts, and evaluate alternative views with respect to them.
- Apply the principles of logical reasoning, both deductive and inductive.
- Construct fluent philosophical arguments.
- Apply critical reasoning skills to identify, evaluate, and respond to arguments.

Students who wish to earn the Associate in Arts for Transfer (AA-T) in Philosophy must complete 60 CSU transferable units with at least

a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of “C” or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AA-T in Philosophy

Course.....Units

Required Core Courses

PHIL 12A Symbolic Logic 5.0

PHIL 2 Introduction to Philosophy: Morality and Politics 3.0
 or PHIL 4 Introduction to Philosophy: Knowledge and Its Limits. 3.0

List A: Choose one of the following courses or any unselected course from the core:

PHIL 25A Ancient Philosophy 3.0

PHIL 25C Modern Philosophy Through Kant 3.0

List B: Choose three of the following courses or any unselected courses from the core or List A:

PHIL 40 Introduction to Logic: Critical Thinking 3.0

HIST 4A Western Civilization. 3.0

HIST 4B Western Civilization. 3.0

PSYC 1 General Psychology 3.0

POLS 3 Political Theory 3.0

Total: 20.0

PHIL 4. Introduction to Philosophy: Knowledge and Its Limits (3)

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The tools and techniques of philosophical reasoning: reading argumentative prose; analyzing conceptual models; writing critical essays. Problems of knowledge: the criteria of reliable knowledge; the formulation and justification of beliefs the sources and limits of knowledge; beliefs about the physical world, the past and future, and other minds. Critical standards applied to related metaphysical issues: theism, mind and self-identity, determinism. UC/CSU

C-ID PHIL 100

PHIL 12A. Symbolic Logic (5)

Lec-87.5

PREREQ: INTERMEDIATE ALGEBRA OR HIGHER

The study of logical relationships by way of models and procedures in a symbolic system. The concept of proof and the demands of formal proofs. Methods of demonstrating logical relationships, including truth tables, derivations in sentence and predicate logic, and semantic interpretations. The relation between conventional languages and symbolic encodings. A selection of related theoretical topics, including proofs of soundness and consistency of the calculi, and elementary set theory. UC/CSU

C-ID PHIL 210

PHIL 25A. Ancient Philosophy (3)

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The origins of the philosophical-scientific tradition. Early attempts at rational explanations of the natural world. Socrates and the foundations of moral criticism. Plato: His articulation of the problems of knowledge, his contributions to moral and political theory. Aristotle: His organization of scientific inquiry, formulation of ethical theory, and development of the science of logic. The philosophical tradition after Aristotle. UC/CSU

C-ID PHIL 130

OFFERED FALL SEMESTERS

PHIL 25C. Modern Philosophy Through Kant (3)

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The philosophical tradition from the Renaissance to the nineteenth century. Emphasis on new scientific models of human knowledge and human nature formulated in reaction to scientific and social revolutions. Positions of thinkers such as Descartes, Hume, Kant on basic questions: Can anything be known with certainty? Are there any justifiable moral principles? Is there any purpose to existence? UC/CSU

C-ID PHIL 140

OFFERED SPRING SEMESTERS

PHIL 40. Introduction to Logic: Critical Thinking (3)

Lec-52.5

A course in practical reasoning. How to distinguish between reasons that are rational and those that are not. Methods of evaluating arguments that will lead to truth. UC/CSU

Announcement of Curricula

General Information

The City College of San Francisco’s Photography Department is one of the oldest and largest programs in the country, with over two dozen courses and thirty-plus instructors. We offer a broad choice of classes from History and Aesthetics of Photography, Advanced B&W Darkroom Techniques, and Advanced Studio Lighting to Photoshop, Mixed Media and Business Practices of Photography.

Our faculty and staff consist of experienced professionals who create

an environment that encourages creativity, technical aptitude, and critical thinking. Whether your interest is as a fine artist, commercial photographer, or enthusiast, we will provide the means and guidance that will help you achieve your goals.

Students who plan to continue as photography majors at the university are advised to review major requirements specific to their transfer university on www.assist.org.

Career Opportunities

- Commercial Photography
- Portrait Photography
- Fine Art Photography
- Editorial Photography
- Documentary Photography
- Photographic Retouching
- Photo Assisting
- Digital Imaging

Photography Major (AS)

The Associate of Science Degree in Photography is designed so that students may satisfy the requirements for graduation from the College, transfer to a four-year program, or go to work directly in the field. The program includes significant laboratory components that provide students the opportunity to work with professional equipment and software in real world facilities to prepare them for professions in applied photography and related industries.

Learning Outcomes

Upon completion of this program, students will be able to:

- Employ the traditional tools and techniques of photography.
- Use digital hardware and software technologies in photography.
- Apply design concepts and iterative processes of photography.
- Apply specific photographic business practices.

Degree Requirements. Students who wish to earn the Associate in Science in Photography (AS) must complete required units with at least a 2.0 grade point average. Each course in the major must be completed with a grade of “C” or better.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Photography

Course	Units
Required	
PHOT 51 Beginning Photography*	3.0
PHOT 52 Photographers and Their Images	1.0
PHOT 60A Photoshop for Photographers 1*	3.0
PHOT 80 Outdoor & Ambient Lighting	3.0
PHOT 85A Beginning Lighting Techniques	4.0
PHOT 99 Business Practices of Photography	3.0
PHOT 100 Design Fundamentals*	3.0
or DSGN 101 Design Fundamentals*	3.0
or VMD 101 Design Fundamentals*	3.0
PHOT 130 Portfolio Production	3.0

PHOT 83 View Camera Techniques	2.0
or PHOT 102C Phase One Capture One	2.0

* Students may satisfy this requirement by passing an exam or providing college transcripts.

Choose 1 course from the following

PHOT 81A B&W Film/Darkroom 1	4.0
PHOT 81D Intermediate Photo: Digital	4.0

Choose 1 course from the following

PHOT 40 Photography as Activism	3.0
PHOT 50A History & Aesthetics Pre-1945	4.0
PHOT 50B History & Aesthetics Since 1945	4.0

Choose 1 course from the following

PHOT 102A Architectural Photography	2.0
PHOT 102B Documentary/News Photography	2.0
PHOT 102D Beginning Drone Piloting and Imaging	2.0

Choose 1 course from the following

PHOT 81B B&W Film/Darkroom 2	4.0
PHOT 60B Photoshop for Photographers 2	3.0

Choose one of the following advanced lighting courses

PHOT 85B Advanced Studio Lighting Techniques	4.0
PHOT 90 Portraiture	4.0
PHOT 92 Fashion Photography	4.0

Choose at least 2 units from the following

PHOT 67 Digital Negatives for Darkroom Printing	3.0
PHOT 101C Self Portraiture	1.0
PHOT 101D Landscape Photography	1.0
PHOT 101E Environmental Portraiture	1.0
PHOT 101G Pinhole Photography	1.0
PHOT 101P Plastic Camera Photography	1.0
PHOT 101S Introduction to Image Scanning	1.0
PHOT 140 Industry Internship	1.0 – 2.0
PHOT 145 College Internship	1.0 – 2.0
PHOT 200A Photography Service Learning	3.0
PHOT 200B Photography Service Learning II	3.0

DSGN 110 Design Drawing Techniques	1.5
or VMD 112 Design Drawing Techniques	1.5
DSGN 150/VMD 118 Color in Design	3.0
or VMD 118/DSGN 150 Color in Design	3.0

Total: 43.0 – 46.0

Architectural Photography Certificate

This certificate provides instruction in architectural photography and the use of large format cameras. Additionally, hands-on experience is gained in the manipulation of ambient and artificial light sources and the application of professional lighting techniques. Students completing this certificate program will be qualified for employment in the fields of architectural photography, real estate photography, commercial photography, editorial photography, and to work as a photographer’s assistant.

Learning Outcomes

Upon completion of this program, students will be able to:

- Use the traditional tools and techniques of photography
- Apply design concepts inspired by the aesthetics of architecture
- Apply the techniques and aesthetics of light to the requirements of photography
- Apply digital hardware and software technologies used in the field of photography

Students must complete 5 of 7 courses at City College of San Francisco. The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Black and White Darkroom Photography Certificate

This certificate program, built on the basics of photography and design, includes hands-on instruction in traditional darkroom techniques with an emphasis on high-end black and white printing. Students will build a personal portfolio of work and achieve proficiency in what has now become an artisanal skill. This certificate prepares students for transfer to 4-year programs of study in the arts, particularly at fine arts colleges. Students completing this certificate program will be qualified to work in custom photography labs, operate a darkroom facility and to work for professional fine artists.

Learning Outcomes

Upon completion of this program, students will be able to:

- Use the traditional tools and techniques of black and white print photography.
- Apply design concepts to create and evaluate black and white photographic images using iterative processes.
- Analyze the characteristics of various films, papers and chemicals and how they may react to different light and development techniques in black and white print photography.
- Process black and white photographic prints and negatives according to existing archival standards.
- Produce a portfolio of high quality black and white prints.

Students should complete a minimum of 3 of 5 courses at City College of San Francisco.

It is recommended but not required that courses be taken within a 4-year period.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Digital Photography Certificate

This certificate provides a foundation in photography and design, and includes in-depth instruction in image manipulation technologies (i.e. Adobe Lightroom™, Photoshop™ & Capture One™). Students completing this certificate program will be qualified for employment in fields that rely on post-production and retouching such as wedding photography, product photography, fashion photography, real-estate photography, event photography, and portrait photography. This certificate is also recommended for students seeking to upgrade skills for career advancement or transition.

Learning Outcomes

Upon completion of this program, students will be able to:

- Use the traditional tools and techniques of photography.
- Apply design concepts in an artistic iterative process.
- Apply digital hardware and software technologies used in the field of photography.

Students must complete 3 of 5 courses at City College of San Francisco. It is recommended but not required that courses are taken within a 4-year period.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Total:	16.0 – 17.0

Motion Photography Studio or Field Certificate

This certificate provides hands-on instruction in motion and still photography using cameras with video capability in the studio or in the field, emphasizing mixed lighting on location and controlled studio

lighting. Students will gain the aesthetic and technical skills necessary to professionally plan, capture, produce and deliver photographic stills and videos to clients or for electronic delivery. Certificate completion prepares students for employment in the following fields of photography: wedding and events, real-estate, advertising, public relations, corporate presentations, documentary and photojournalism, athletics, travel, product and food photography and to work as a photography assistant.

Learning Outcomes

Upon completion of this program, students will be able to:

- Use the techniques of location-based photography to create stills and videos for electronic delivery.
- Analyze and edit still and video packages and presentations.
- Apply the proper use of lighting, sound and aesthetic techniques to field and studio photography and video.
- Evaluate the effectiveness of presentations for motion photography.
- Apply the standard workforce protocols and communication skills used in the video and photographic industry.

Students must complete at least four courses at City College of San Francisco. All courses must be completed within four years.

The minimum time for completion of this certificate is two semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Photography Criticism Certificate

This certificate program provides instruction in the history of photography from its inception to the current day. This is combined with research, critical analysis and writing skills. Students completing this certificate program will be qualified for entry-level employment at museums, galleries, and community exhibition venues such as libraries, municipal and public works projects, and NGO's.

Learning Outcomes

Upon completion of this program, students will be able to:

- Relate photographic movements and achievements to other visual media and to society.
- Analyze and critique a structure for evaluating visual images.
- Compose research-based, organized essays that are driven by an arguable thesis and that employ critical thinking as they pertain to photographic criticism.

- Critically evaluate the authority and relevance of information sources as they pertain to photographic images.

The minimum time for completion of this certificate is two semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Accomplishment in Photography Criticism

 ENGL 1C Writing about Nonfiction 4.0

Total: 14.0

Photography Digital Technician Certificate

Completion of this program helps students prepare for a permanent or freelance position as a Digital Technician. A "Digital Tech" is an important part of a commercial photography team who is responsible for camera handling, file transfer, management and backup, post production preview, and set assisting.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply digital hardware and techniques of photography necessary to fulfill a role as a digital technician.
- Use digital software management and editing tools needed to work as a digital technician.
- Employ a range of lighting techniques in cooperation with photographers and lighting assistants in the role as a digital technician.

Students must complete 4 of the 6 required courses at City College of San Francisco. Students may take a challenge test to waive the requirement with prior experience or an equivalent college level course.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Photography Digital Technician

Photography Studio Practice Certificate

This certificate provides hands-on instruction in large format cameras, electronic strobe equipment and lighting techniques as applied to professional studio and/or portrait photography. Includes a foundation in design. Students completing this certificate program are prepared for an entry-level position as a photographer's assistant in the fields of commercial photography, product photography, portrait photography, fashion photography, food photography, graduation photography and public relations.

Learning Outcomes

Upon completion of this program, students will be able to:

- Use the traditional tools and techniques of photography.
- Apply design concepts to the requirements of studio photography.
- Apply the techniques and aesthetics of light to studio photography.
- Apply corrective camera movements to achieve control over the photographic process.

Students must complete 3 of 5 courses at City College of San Francisco.

All courses must be taken within a 4-year period.

The minimum time for completion of this certificate is 2 semesters.

Completion time will vary based on student preparation and number of classes completed per semester.

Portrait Lighting Certificate

This certificate provides hands-on instruction in both ambient and electronic strobe equipment and lighting techniques as applied to professional portrait photography. Includes a foundation in design. Students completing this certificate program will be qualified for employment in the fields of portrait photography, wedding photography, public relations, event and fashion photography, documentary photography, photojournalism, sports photography, travel photography, and to work as a photographer's assistant.

Learning Outcomes

Upon completion of this program, students will be able to:

- Use the traditional tools and techniques of photography.

- Apply portrait lighting design concepts and principles to photographic images using iterative processes.
- Apply the proper use of the techniques and aesthetics of light to the requirements of portrait photography.
- Apply techniques for portraiture posing, 3-light settings and lighting ratios.

Students must complete 3 of 5 courses at City College of San Francisco.

All courses must be taken within a 4-year period.

The minimum time for completion of this certificate is 2 semesters.

Completion time will vary based on student preparation and number of classes completed per semester.

Reportage Photography Certificate

This certificate provides a foundation in reportage photography and includes instruction in ambient and electronic strobe equipment, and lighting techniques. Students completing this certificate program will be qualified for employment in the fields of editorial photography, photojournalism, documentary and social documentary photography, combat photography, public relations, and travel photography.

Learning Outcomes

Upon completion of this program, students will be able to:

- Use the traditional tools and techniques of photography.
- Apply aesthetics and principles of design in an iterative process.
- Apply the techniques and aesthetics of light to reportage photography.
- Create successful visual storytelling.
- Apply specific photographic business practices.

Students must complete 4 out of 6 courses at City College of San Francisco. It is recommended, but not required, that courses be taken within a 4-year period.

The minimum time for completion of this certificate is 3 semesters.

Completion time will vary based on student preparation and number of classes completed per semester.

Photography

Credit, Degree Applicable Courses:

PHOT 40. Photography as Activism (3)

Lec-52.5, Lab-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Photography can be used as a powerful tool for social change. This course examines the historic and contemporary role that photography has played in activist activities throughout the United States and abroad. UC/CSU

PHOT 50A. History & Aesthetics Pre-1945 (4)

Lec-70, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

This course will address the history of photography from its invention until 1945. Included are discussions and illustrated lectures of the lives and achievements of important photographers and processes of the time. Students visit museums to view photographs and participate in class discussions. UC/CSU

PHOT 50B. History & Aesthetics Since 1945 (4)

Lec-70, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

This course examines various aspects of photography, including photographers, photographs, and technical innovations, within their historical, social and cultural contexts. Although students will study photography as it has been applied to journalism, science, fashion, advertising, etc., emphasis will be on photography as art. UC/CSU
OFFERED FALL AND SPRING SEMESTERS

PHOT 51. Beginning Photography (3)

Lec-35, Lab-70, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introduction to photography aesthetic and technical skills, including manual functions of digital cameras, image creation and capture, file management and workflow, image adjustment and digital printing. The course will also introduce students to important historical and contemporary practitioners. Group critiques and practical labs using the camera and Adobe Software will help develop ideas and technical skills. This course is a major and certificate requirement. UC/CSU

STUDENTS SHOULD OWN A 35MM DIGITAL CAMERA WITH MANUAL OPERATIONS SUCH AS ISO, SHUTTER AND APERTURE OR ARRANGE TO BORROW ONE FROM THE DEPARTMENT.

PHOT 52. Photographers and Their Images (1)

Lec-17.5 P/NP available

Professional photographers present and discuss their work in technical and aesthetic terms, a unique opportunity for photography students to be exposed to renowned photographers and discuss topics in question and answer format. CSU

PHOT 60A. Photoshop for Photographers 1 (3)

Lec-35, Lab-70 P/NP available

RECOMMENDED PREP: CNIT 100M OR PHOT 51

An introductory Photoshop course that emphasizes the technical aspects of digital post production workflow in photography. UC/CSU
FORMERLY BEGINNING PHOTOSHOP

OFFERED FALL AND SPRING SEMESTERS

PHOT 60B. Photoshop for Photographers 2 (3)

Lec-35, Lab-70 P/NP available

PREREQ: PHOT 60A OR VMD 154

RECOMMENDED PREP: PHOT 81D

An in-depth exploration of Photoshop and related tools that will provide students with skills to create expressive images and explore various methods of output. Students will integrate available equipment and resources in preparation for a rapidly changing field. UC/CSU
FORMERLY INTERMEDIATE PHOTOSHOP.

OFFERED SPRING SEMESTERS

PHOT 67. Digital Negatives for Darkroom Printing (3)

Lec-52.5, Lab-17.5 P/NP available

PREREQ: PHOT 51

RECOMMENDED PREP: PHOT 60A OR PHOT 81D OR PHOT 81A

Creation of film negatives from digital files for use in a traditional darkroom. Students will perfect their negatives in the digital realm, output them using digital techniques, and then print them using traditional, historical and alternative printing methods in the darkroom. CSU

*OFFERED ON OCCASION***PHOT 80. Outdoor & Ambient Lighting (3)**

Lec-52.5, Lab-17.5, field trips P/NP available

PREREQ: PHOT 51 OR DEMONSTRATION OF EXIT SKILLS

RECOMMENDED PREP: PHOT 100

A hands-on, how-to course in managing available light and light on location. Emphasis is on outdoor and ambient light, location light; designed to relate lighting to photo-aesthetics and visual communication. CSU

*OFFERED FALL AND SPRING SEMESTERS***PHOT 81A. B&W Film/Darkroom 1 (4)**

Lec-52.5, Lab-52.5, field trips P/NP available

RECOMMENDED PREP: PHOT 51 AND (PHOT 100 OR VMD 101 OR DSGN 101)

Introduction to the principles of black and white film photography, including the development of technical and aesthetic skills, elements of design and composition, camera technology, and an introduction to film processing and darkroom printing. Emphasis on critical issues in photography within the context of contemporary art, contemporary media, and photo history. The department may provide some materials and camera access. UC/CSU

*FORMERLY INTERMEDIATE B&W FILM/DARKROOM**OFFERED FALL SEMESTERS***PHOT 81B. B&W Film/Darkroom 2 (4)**

Lec-52.5, Lab-52.5, field trips P/NP available

PREREQ: PHOT 81A OR DEMONSTRATION OF EXIT SKILLS

Building off of skills attained in 81A, students learn intermediate principles of black and white film photography, including the further development of technical and aesthetic skills, elements of design and composition, camera technology and intermediate film processing and darkroom printing. Emphasis on creating portfolios within the context of contemporary art, contemporary media, and photo history. The department may provide some materials and camera access. CSU

*FORMERLY "ADVANCED BLACK & WHITE DARKROOM"**OFFERED SPRING SEMESTERS***PHOT 81C. B&W Film/Darkroom 3 (4)**

Lec-52.5, Lab-52.5, field trips P/NP available

PREREQ: PHOT 81B OR DEMONSTRATION OF EXIT SKILLS

Building off of skills attained in 81B, students learn advanced principles of black and white film photography, including the further development of technical and aesthetic skills, elements of design and composition, camera technology and advanced-level film processing and darkroom printing. Emphasis on creating portfolios within the context of contemporary art, contemporary media, and photo history. The department may provide film cameras. CSU

PHOT 81D. Intermediate Photo: Digital (4)

Lec-52.5, Lab-52.5, field trips P/NP available

PREREQ: PHOT 51

RECOMMENDED PREP: PHOT 100 AND (ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH)

A digital photography course advancing the technical and creative

concepts introduced in Beginning Photography. Topics include: Digital camera configurations, exposure control, workflow management, non-destructive editing, image manipulation and enhancement, archiving, printing options, and presentation. Discussions on visual literacy and contemporary photography as well as review of student work are integral. CSU

*OFFERED FALL SEMESTERS***PHOT 83. View Camera Techniques (2)**

Lec-35, Lab-17.5, field trips P/NP available

PREREQ: PHOT 51 OR DEMONSTRATION OF EXIT SKILLS

RECOMMENDED PREP: PHOT 81A AND PHOT 80

An introductory course in large format photography for professional and artistic use. Students will explore the unique applications of a manual 4x5 view camera, including perspective correction, and selective focus. Course will cover techniques needed to properly expose and process large format film, and produce digital files from negatives. Cameras and accessories are available to students. CSU

*OFFERED ON OCCASION***PHOT 85A. Beginning Lighting Techniques (4)**

Lec-52.5, Lab-52.5 P/NP available

PREREQ: PHOT 51

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: PHOT 100 OR VMD 101 OR DSGN 101

Through demonstration and hands-on experience students explore the basic and technical use of ambient, tungsten and electronic flash illumination as it is used in photography. Students will work with a variety of lighting equipment and accessories. CSU

*OFFERED FALL AND SPRING SEMESTERS***PHOT 85B. Advanced Studio Lighting Techniques (4)**

Lec-52.5, Lab-52.5

PREREQ: PHOT 85A AND (PHOT 100 OR DSGN 101 OR VMD 101) OR DEMONSTRATION OF EXIT SKILLS

RECOMMENDED PREP: PHOT 83 OR PHOT 102C; PHOT 60A

Studio lighting for aspiring commercial and fine art photographers with emphasis on technique and aesthetics. Students will have hands-on experience with tungsten lights, LED lights and studio strobes. Employing classic and current lighting techniques at an advanced level, students will work individually and in groups. CSU

*OFFERED FALL SEMESTERS***PHOT 90. Portraiture (4)**

Lec-52.5, Lab-52.5, field trips P/NP available

PREREQ: PHOT 85A; COMPLETION OF OR CONCURRENT ENROLLMENT IN: PHOT 100 OR VMD 101 OR DSGN 101

An advanced studio lighting course introducing students to the technical, aesthetic and historical aspects of photographic portraiture. Students have hands-on experience with classic and contemporary lighting techniques using constant studio light sources and strobes. Students work individually and in teams. CSU

*OFFERED SPRING SEMESTERS***PHOT 92. Fashion Photography (4)**

Lec-52.5, Lab-52.5, field trips P/NP available

PREREQ: PHOT 85A

A hands-on photography course exploring the technical and aesthetic components of fashion photography that include posing, composition and lighting. Emphasis on camera handling as well as fashion dress, makeup and hairstyling. CSU

OFFERED ON OCCASION

400 Photography

PHOT 99. Business Practices of Photography (3)

Lec-52.5 P/NP available

A business course for photographers. Students will learn practical and essential business skills such as marketing, self-promotion strategies, networking, pricing, and estimating taxes. CSU

OFFERED FALL SEMESTERS

PHOT 100. Design Fundamentals (3)

Lec-35, Lab-70, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Foundational design course, covering the theories, processes, vocabulary, and techniques common to visual design disciplines. Students will develop and apply their knowledge through analysis, critique and individual and collaborative exercises and projects. UC/CSU

OFFERED FALL AND SPRING SEMESTERS

PHOT 101C. Self Portraiture (1)

Lec-17.5, field trips P/NP available

PREREQ: PHOT 51

This course explores the challenges and benefits associated with photographing oneself. Public versus private portraiture is thoroughly examined. Emphasis is placed on the study and application of North Light specifically as it applies to dimensional devices. CSU

OFFERED ON OCCASION

PHOT 101D. Landscape Photography (1)

Lec-17.5, field trips P/NP available

PREREQ: PHOT 51

Techniques leading to a creative treatment of landscape photography using film or digital media. Illustrated lectures of important historical and contemporary image-makers. Emphasis on photographic fieldwork, interpretive lighting, design, camera technique, post production processing, and filtration to support personal vision and conceptual ideas. CSU

OFFERED ON OCCASION

PHOT 101E. Environmental Portraiture (1)

Lec-17.5, field trips P/NP available

PREREQ: PHOT 51

RECOMMENDED PREP: PHOT 80 OR PHOT 85A OR PHOT 100

An introduction to photographing people in their own environments with an emphasis on creating powerful portraits while working with and highlighting their personalities. Use of available indoor and outdoor light in multiple combinations. Working successfully with subjects. Analysis and application of lighting techniques for child, family, group and candid portraiture. CSU

OFFERED ON OCCASION

PHOT 101G. Pinhole Photography (1)

Lec-17.5, field trips P/NP available

An in-depth exploration of the photographic image created through the design, construction, and use of pinhole cameras. Students will experiment with paper negatives, litho film, conventional black and white film, and contact printing methods. Demonstrations and hands-on experience and field work are emphasized. CSU

OFFERED ON OCCASION

PHOT 101P. Plastic Camera Photography (1)

Lec-17.5, field trips P/NP available

An exploration of creating photographic images with plastic/toy cameras. Students will learn the differences between various models of plastic cameras, how to modify their cameras for optimum results,

color and black and white films, working with limited exposure controls and both natural light and flash. The history of plastic cameras and examples of many artists' work in the medium will also be covered. CSU

OFFERED ON OCCASION

PHOT 101S. Introduction to Image Scanning (1)

Lec-17.5, field trips P/NP available

RECOMMENDED PREP: PHOT 60A

A basic course introducing scanning hardware, software and techniques used in professional settings. Scanning transparent, reflective, and three-dimensional originals, including retouching and optimizing scanned files for various uses. CSU

OFFERED ON OCCASION

PHOT 102A. Architectural Photography (2)

Lec-35, Lab-17.5, field trips P/NP available

PREREQ: PHOT 51 AND (PHOT 100 OR VMD 101 OR DSGN 101) AND (PHOT 85A OR PHOT 80)

Commercial and fine art applications specifically related to issues of architectural perspective control, lighting, various camera lenses, and camera accessories. CSU

OFFERED SPRING SEMESTERS

PHOT 102B. Documentary/News Photography (2)

Lec-35, Lab-17.5 P/NP available

PREREQ: PHOT 80 OR PHOT 85A

RECOMMENDED PREP: PHOT 100 OR VMD 101 OR DSGN 101

This course explores photojournalism and documentary photography while addressing business and legal issues. CSU

OFFERED SPRING SEMESTERS

PHOT 102C. Phase One - Capture One (2)

Lec-35, field trips P/NP available

PREREQ: PHOT 51 AND PHOT 85A

RECOMMENDED PREP: PHOT 83 AND PHOT 81D; (PHOT 90 OR PHOT 85B)

A digital photography course to help students prepare for the Phase One Certified Professional (POCP) Exam. Topics include Phase One medium format digital camera handling & configurations, tethered and non-tethered capture, device calibration, file processing, image manipulation and enhancement and output using Capture One software. CSU

OFFERED FALL AND SPRING SEMESTERS

PHOT 102D. Beginning Drone Piloting and Imaging (2)

Lec-35, field trips P/NP available

An introduction to using unmanned aerial systems (UAS) or drones.

This course is designed to give the student the ability to safely and competently fly a drone. Emphasis is placed on safety, equipment selection, and flying. Provides a starting point to drone data collection for multiple disciplines and careers. CSU

ESSENTIAL EQUIPMENT NEEDED FOR THIS COURSE WILL BE PROVIDED BY THE COLLEGE.

OFFERED FALL SEMESTERS

PHOT 102E. Capture One Pro (2)

Lec-35 P/NP available

PREREQ: PHOT 51

RECOMMENDED PREP: PHOT 81D

Capture One Pro is a professional level imaging software. Topics include DSLR tethering and capture, importing and processing workflow for RAW files, sessions, catalogs, color correcting, exporting,

global and selective adjustments. This is a companion class to medium format Phase One camera-based class PHOT 102C. CSU
OFFERED ON OCCASION

PHOT 130. Portfolio Production (3)

Lec-35, Lab-70, field trips P/NP available
PREREQ: PHOT 81B OR PHOT 102B OR PHOT 81D
RECOMMENDED PREP: APPROVAL OF THE PHOTOGRAPHY DEPARTMENT
Production of a portfolio in preparation for a career in commercial, documentary or fine arts photography or for transfer to a four-year institution. Focus will be on technical and aesthetic issues as well as portfolio presentation and marketing strategies. CSU
OFFERED FALL SEMESTERS

PHOT 130A. Portfolio Production 1 (3)

Lec-35, Lab-70, field trips P/NP available
PREREQ: PHOT 81D OR PHOT 92; COMPLETION OF OR CONCURRENT ENROLLMENT IN: PHOT 81B OR PHOT 85B OR PHOT 90 OR PHOT 102B
RECOMMENDED PREP: APPROVAL OF THE PHOTOGRAPHY DEPARTMENT
An introductory portfolio production course in preparation for a career in commercial, documentary or fine arts photography or for transfer to a four-year institution. Focus will be on technical and aesthetic issues as well as portfolio presentation and marketing strategies. CSU

PHOT 130B. Portfolio Production 2 (3)

Lec-35, Lab-70, field trips P/NP available
PREREQ: PHOT 130A
An intermediate portfolio production course preparing students for a career in commercial, documentary or fine arts photography or for transfer to a four-year institution. Focus will be on technical and aesthetic issues as well as portfolio presentation and marketing strategies. Widens and deepens the skills, techniques, methods, and processes learned in PHOT 130A. Emphasis on personally expressive themes and content. Expanded concepts, and complexity of techniques and processes. CSU

PHOT 130C. Portfolio Production 3 (3)

Lec-35, Lab-70, field trips P/NP available
PREREQ: PHOT 130B
An advanced portfolio production course preparing students for a career in commercial, documentary or fine arts photography or for transfer to a four-year institution. Focus will be on technical and aesthetic issues as well as portfolio presentation and marketing strategies. Widens and deepens the skills, techniques, methods, and processes learned in PHOT 130A and PHOT 130B. Emphasis on personally expressive themes and content. Expanded concepts, and complexity of techniques and processes. CSU

PHOT 140. Industry Internship (1-8)

Work-60-600 P/NP available
PREREQ: APPROVAL OF PHOTOGRAPHY DEPARTMENT
RECOMMENDED PREP: PHOT 85B AND PHOT 90 AND PHOT 60B
REPEAT: REPEATED UP TO 8.00 UNITS
Photography related work experience and further career development in a supervised setting. Work experience in an approved industry facility such as a photography studio, publication, design studio, art gallery or museum and/or production team. Or work in the photography department. Professional presence, networking, communication and

interview skills are addressed. One unit of credit is earned for each 60 hours of unpaid, or 75 hours of paid work. CSU
OFFERED FALL AND SPRING SEMESTERS

Announcement of Curricula

Degree Curricula

Kinesiology Major (AA-T)

Associate Degree for Transfer in Kinesiology offers students comprehensive lower division foundation in Kinesiology. The core curriculum covers kinesiology, basic human anatomy, physiology, principles of physical activity, physical education, team/individual sports, aquatics, combatives, coaching and professional careers in Kinesiology and its sub-disciplines. The AA-T prepares students for transfer to upper division Kinesiology programs at four-year colleges and universities, particularly to California State University campuses.

Learning Outcomes

Upon completion of this program, students will be able to:

- Integrate and articulate appropriate scientific and quantitative conclusions in regards to human movement.
- Evaluate the role of physical activity and its impact on leading a healthy, functional lifestyle.
- Explain the range of occupational and educational pathways in Kinesiology.
- Analyze the value of distinct physical activities.

Students who wish to earn the Associate Degree for Transfer in Kinesiology (AA-T) must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of "C" (or "P") or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AA-T in Kinesiology

Course.....Units

Required core courses

PE 26 Introduction to Kinesiology..... 3.0

BIO 108 General Human Anatomy..... 4.0

BIO 111 Human Physiology..... 5.0

or BIO 112 Introduction to Human Physiology..... 4.0

Select two of the following courses

LALS 5 Introduction to Statistical Methods in Latin

American and Latino/a Studies..... 5.0

ECON 5 Introductory Statistics for Economics,

Business and Social Sciences..... 5.0

MATH 80 Probability and Statistics..... 5.0

PSYC 5 Statistics for Behavioral Sciences..... 5.0

BIO 9 Human Biology..... 4.0

Dance Performance Art Major (AA)

The Dance Program has been an integral part of City College of San Francisco's Physical Education Department since its inception over 70 years ago. Due to the integrity, diversity, and excellence in teaching, this program has steadily grown.

The curriculum for the Associate Degree in Dance allows students to develop skills to pursue careers in choreography, dance performance, dance education and criticism, as well as fulfills most of the lower division requirements for many four-year institutions. Faculty are dedicated to creating a discipline that carries over to all aspects of life long health, nurturing the "whole" dancer in mind, body, and spirit. The Dance Program provides comprehensive studies including history, theory, choreography, technique, conditioning, and performance. Additional classes such as anatomy and nutrition are included to support the student's development.

The program highlights dance technique (ballet, modern, hip hop, contemporary, tap, jazz, and African Haitian) and performance, while providing the student with all the tools necessary to become a healthy and well-rounded dancer. The student will also have ample performance, choreography, and production opportunities, in addition to exploring the sciences and history as part of our diverse program. Special focus is given to prepare the dancer for transfer to upper division courses at a four-year college or university.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply observational and evaluative skills to the creative processes required of dance production.
- Synthesize the physical skills and dance knowledge learned in the major to meet academic and industry standards.
- Exhibit professionalism during dance training and performance.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is 4 semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Dance Performance Art

Course	Units
Required	
DANC 100A Beginning Dance Composition	3.0

Certificate Curricula

Dance

The curriculum for the Certificate of Accomplishment in Dance will allow students to develop the skills required to pursue careers in dance performance and dance education. The Dance Program provides comprehensive studies including history and theory, choreography, and technique and performance. To meet diverse students' needs various options are available. All students need to meet with a faculty member or file a dance program application and select a program of course totaling 17 units. Each course needs to be completed with a C or

higher grade. At least 12 units need to be completed at CCSF. Students wishing to use equivalent courses from other colleges are responsible for providing supporting documentation in a timely manner. For further information call 452-5697, or visit the website at www.ccsf.edu/Resources/ccsframs (link: Dance)

Dance-Classical Dance Performance Certificate

The Classical Dance Performance Certificate provides comprehensive studies including history and theory, choreography, technique, performance, and dance fitness. Students will develop the skills required to pursue careers in dance education. To meet the diverse needs of each student, various options are available.

Learning Outcomes

Upon completion of this program, students will be able to:

- Perform foundational technique and movement skills in classical dance forms.
- Apply critical and creative skills to the processes and techniques required of dance performance and education.
- Compose short dance studies.
- Analyze the influence of culture on different styles of dance.

At least 12 units must be completed at CCSF. Students are encouraged to consult with a CCSF academic counselor and the program advisor to ensure they are moving toward fulfillment of their goals.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Dance-Classical Dance Performance

Dance-Social Dance Forms Certificate

The Social Dance Forms Certificate provides comprehensive studies in a variety of social dance styles and techniques that includes partnering, musicality, and performance. Students will develop the skills required to pursue careers in social dance education. To meet the diverse needs of each student, various options are available.

Learning Outcomes

Upon completion of this program, students will be able to:

- Perform foundational technique and movement skills in various social dance forms.
- Apply partnering skills to the performance of a variety of social dance styles.
- Analyze the historical influence of culture on various social dance forms.

At least 12 units must be completed at CCSF. Students are encouraged to consult with a CCSF academic counselor and the program advisor to ensure they are moving toward fulfillment of their goals.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Athletic Coaching Certificate

The Certificate of Achievement in Athletic Coaching can lead to employment as sport coaches at youth sport programs, recreation clubs, or middle and high school athletic teams. The major course-work encompasses kinesiology, personal training, psychology, physical education, athletics, and first aid/CPR training. The program examines developmental patterns of growth, and provides knowledge and skills for coaches to conduct practices and competitions that enhance the physical, social and emotional growth of diverse athletes.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply concepts and techniques of coaching to formulate a full season plan of practice in their respective sport.
- Determine sports-related safety concerns when preparing athletes or teams for competitions.
- Evaluate and apply the physical and psychological health foundations needed for sports performance.
- Create team organization that promotes character development and sportsmanship.

At least 14 units must be completed at CCSF. Students are encouraged to consult with a CCSF academic counselor and the program advisor to ensure they are moving toward fulfillment of their goals.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Personal Training Certificate

The Personal Training Certificate covers career opportunities in personal training, basic exercise science, fitness testing, flexibility, strength development, health assessment, practical training labs, and nutrition, in addition to CPR/AED. Successful completion of this certificate will also prepare candidates to take industry standard national certification examinations such as ACE (American Council of Exercise), ACSM (American College of Sports Medicine), or NASM (National Academy of Sports Medicine).

Learning Outcomes

Upon completion of this program, students will be able to:

- Explain basic exercise science and various techniques and modes of fitness training.
- Design personal health and wellness programs that address body fitness and lifestyle modifications.
- Integrate technology in personal training plans for a diverse client population.
- Determine health and safety concerns and apply appropriate procedures.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Yoga Certificate

The Certificate of Achievement in Yoga is comprehensive in nature, reflecting a commitment to benefit local populations by offering lifelong learning opportunities which includes, general and liberal education, career and vocational education, and adult and continuing education. The Yoga Certificate offers pathways for students to meet any and/or all of these goals. This college level program builds the skills needed for further certification in the private sector.

Learning Outcomes

Upon completion of this program, students will be able to:

- Identify the appropriate sequence of physical movements to perform yoga poses successfully.
- Integrate health and/or safety concepts or practices into movement activities.
- Create an individualized practice based on yoga principles.

Program-recommended preparation. PE 219A Beginning Yoga or demonstration of exit skills.

At least 12 units must be completed at CCSF. Students are encouraged to consult with a CCSF academic counselor and the program advisor to ensure they are moving toward fulfillment of their goals.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Dance

Credit, Degree Applicable Courses:

DANC 30. Dance History - Dance in Cultural Context (3)

Lec-52.5, field trips P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An overview of dance history with an emphasis on Western dance forms, American concert dance, and understanding dance practice and performance as a lineage. Focus is centered on the cultural origins and aesthetics of ballet, modern dance, jazz, tap, some social dance forms, and the emergence and influences of contemporary forms. UC/CSU

FORMERLY PE 30

OFFERED SPRING SEMESTERS

Enrollment Limitations on Physical Education and Visual or Performing Arts Courses

Per title 5 Section 55041, effective Fall 2013, students may not enroll more than four times in "active participatory courses that are related in content" in the areas of physical education or visual and performing arts, which includes art, dance, music, and theatre. This limitation applies even if a student receives a substandard grade or "W" during one or more of the enrollments in such a course or if the students petition for repetition due to extenuating circumstances.

Dance courses that are related in content are grouped together in "families" of courses below. The families are indicated by their headings, e.g., Integrative Movement, Dance Composition, etc. For the most up-to-date listing of courses and families, refer to the online catalog, www.ccsf.edu/catalog.

Dance Theory

DANC 34A. Dance Conditioning (1)

Lab-35 P/NP available
 Focus on conditioning techniques that relate to the dance idiom. Emphasis on basic Pilates principals that build abdominal and back strength. Exercises include body alignment, flexibility techniques, floor barre, weight training and stability exercises. UC/CSU
 FORMERLY PE 564

DANC 34B. Dance Conditioning Level II (1)

Lab-35 P/NP available
 PREREQ: DANC 34A
 Focus on multi-zone targeting conditioning techniques that relate to the dance idiom. Emphasis on beyond the basics of Pilates principles that build abdominal and back strength. Exercises include various approaches that combine body alignment, core strength, flexibility techniques, floor barre, weight training and stability exercises. UC/CSU

Integrative Movement

DANC 37. Feldenkrais for Dance and Performing Arts (1)

Lab-35 P/NP available
 RECOMMENDED PREP: (DANC 119A OR DANC 124A OR DANC 129A OR DANC 133A OR DANC 138A OR TRAINING IN THEATER, VOICE, OR INSTRUMENTAL MUSIC) AND (ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH)
 Instruction and practice in the Feldenkrais Method to address physical habits, movement adaptability, and specific performance skills for dance and related movement-based performance styles. Processes which enhance human expression through refinement of motor learning will be explored. CCSF GE Area G2 and CSU GE Area E2. UC/CSU

PE 223A. Feldenkrais, Level 1 (1)

Lab-35 P/NP available
 RECOMMENDED PREP: PE 222 OR DEMONSTRATION OF EXIT SKILLS
 Refine coordination and performance using The Feldenkrais Method's unique learning process. Emphasis is on sensing coordinated actions of the whole body, making distinctions between movement variations, adapting personal strategies, and recognizing changes in tension, ease, balance, and freedom of motion. UC/CSU

PE 223B. Feldenkrais, Level 2 (1)

Lab-35 P/NP available
 RECOMMENDED PREP: PE 223A OR DEMONSTRATION OF EXIT SKILLS
 Exploration of novel movement material with refinement of underlying patterns and skill. Emphasis is on transitions in level and orientation, developmental movements, balance, stability, rhythm, and new learning. Historical context included. UC/CSU

PE 223C. Feldenkrais, Level 3 (1)

Lab-35 P/NP available
 RECOMMENDED PREP: PE 223B OR DEMONSTRATION OF EXIT SKILLS
 Improve action, perception, and aesthetics of movement with sophisticated repertoire from the Feldenkrais Method. Emphasis is on the use of imagery, diagonals, walking, developing confidence for complex lessons, and working through physical challenges. UC/CSU

Dance Composition

DANC 100A. Beginning Dance Composition (3)

Lab-105 P/NP available
 RECOMMENDED PREP: DANC 119C OR DANC 124C OR DANC 129C OR DANC 133C OR DANC 134C OR DANC 145B
 Exploration of compositional movement techniques. Improvisation and choreographic structures are presented for student study. The course culminates with a studio demonstration or theatre performance. UC/CSU
 OFFERED FALL SEMESTERS

DANC 100B. Intermediate Dance Composition (3)

Lab-105, field trips
 RECOMMENDED PREP: DANC 100A OR DANC 119C OR DANC 126B OR DANC 133A
 This is a self-directed, cumulative course for the Dance Major - Performance Art. The student will choreograph and produce an

original dance piece for public performance. This interdisciplinary, integrated project may enhance employability and augment artistic entrepreneurship. UC/CSU

OFFERED FALL SEMESTERS

DANC 127A. Dance Improvisation: Group (1)

Lab-35 P/NP available

Dance Improvisation: Group is a non-traditional approach to dance. Emphasis will be placed on improvisational movement techniques that stimulate ideas for moving spontaneously. The students will collaborate on group projects for performance at some unconventional sites on campus. UC/CSU

FORMERLY DANC 127

OFFERED FALL SEMESTERS

DANC 127B. Dance Improvisation: Solo, Duet, and Contact Technique (1)

Lab-35 P/NP available

Dance Improvisation: Solo, Duet, and Contact Technique is a course that emphasizes improvisational movement techniques that integrate drama, comedy, music, vocal art forms, and various choreographic techniques. Students will practice their performance of improvisation through individual projects and collaborations. UC/CSU

OFFERED FALL SEMESTERS

Performance

DANC 101A. Dance Performance Production (1)

Lab-35 P/NP available

RECOMMENDED PREP: DANC 119A OR DANC 124A OR DANC 129A OR DANC 133A OR DANC 138A

This course introduces the skills required to transition from in-class dance technique to stage performance of repertory. Dance choreography will be learned for audience presentation in a theatrical or classroom environment. UC/CSU

FORMERLY PE 17A

DANC 102A. Beginning CCSF Repertory Dance Company - Local Theatre (1)

Lab-35, field trips P/NP available

RECOMMENDED PREP: DANC 101A OR DANC 119C OR DANC 124C OR DANC 129C OR DANC 138C

Designed as an introduction to CCSF ambassadorial dance company touring. Students will learn dance works from faculty and guest choreographers. Touring venues include CCSF campuses and San Francisco Bay Area colleges. UC/CSU

DANC 102B. Intensive CCSF Repertory Dance Company (2)

Lab-70, field trips P/NP available

RECOMMENDED PREP: DANC 102A

This course is designed to expand the skills of the student dancer preparing for a career as part of a touring dance company. Students will learn multiple dance works from faculty and guest choreographers. Touring venues include CCSF, San Francisco high schools and local colleges, public theaters, and other public dance events. UC/CSU

OFFERED SPRING SEMESTERS

Ballet: Classical Dance Form That Defies Gravity

DANC 119A. Beginning Ballet (1)

Lab-35 P/NP available

Theory and practice of the principles of beginning ballet technique that include alignment, placement, turnout, positions of the feet,

carriage of the arms, and basic ballet vocabulary. Focus is on the application of these principles to barre exercises and center practice. UC/CSU

FORMERLY DANC 120A

DANC 119B. Advanced Beginning Ballet (1)

Lab-35 P/NP available

RECOMMENDED PREP: DANC 119A OR DEMONSTRATION OF EXIT SKILLS

Advanced Beginning Ballet is a continuation of beginning ballet technique with an emphasis on building vocabulary and integrating connecting and traveling steps into combinations. UC/CSU

DANC 119C. Intermediate Ballet (1)

Lab-35 P/NP available

RECOMMENDED PREP: DANC 119B

Intermediate ballet is a continuation of the theory and practice of classical ballet and builds upon skills learned in advanced beginning ballet. Intermediate ballet vocabulary and technique at the barre and in center practice are introduced including positions of the body, balances, and pirouettes (turns on one leg). UC/CSU

FORMERLY DANC 120B

DANC 119D. Advanced Intermediate Ballet (2)

Lab-70 P/NP available

RECOMMENDED PREP: DANC 119C OR DEMONSTRATION OF EXIT SKILLS

Advanced Intermediate ballet is a continuation of the theory and practice of classical ballet and builds upon skills learned in intermediate ballet. Advanced intermediate ballet vocabulary and technique are introduced that include multiple turns, jumps with beats, turns in the air, and longer and more difficult combinations that emphasize style and technical accuracy. UC/CSU

FORMERLY DANC 120C

DANC 121B. Intensive Ballet (2)

Lab-70 P/NP available

RECOMMENDED PREP: DANC 119C OR DEMONSTRATION OF DANC 119C EXIT SKILLS

Intensive Ballet offers further practice and refinement of technique and vocabulary learned in Intermediate Ballet with an emphasis on analysis of anatomical function, movement qualities related to musicality, and longer center combinations integrating direction changes. UC/CSU

DANC 122. Beginning Pointe Technique (1)

Lab-35 P/NP available

RECOMMENDED PREP: DANC 119C OR DEMONSTRATION OF EXIT SKILLS

Theory and practice of basic pointe technique that include pre-pointe exercises, elementary pointe vocabulary, selection and fit of pointe shoes, and guidelines necessary to develop correct placement, muscular strength, and safe habits. UC/CSU

AN ASSESSMENT OF ANKLE STRENGTH AND ALIGNMENT OCCURS AT THE START OF THE SEMESTER TO DETERMINE WHETHER STUDENTS SHOULD USE POINT SHOES OR SOFT SHOES.

Modern Dance

DANC 124A. Beginning Modern Dance (1)

Lab-35 P/NP available

Beginning modern dance with emphasis on basic terminology, correct dance alignment, dance routines and basic concepts of modernism.

410 Physical Education and Dance

Examples of the techniques explored: Graham, Cunningham, Limon, Horton, and Dunham. UC/CSU
FORMERLY DANC 125A

DANC 124B. Advanced Beginning Modern Dance (1)

Lab-35 P/NP available
RECOMMENDED PREP: DANC 124A OR DEMONSTRATION OF EXIT SKILLS

Advanced beginning modern dance builds upon skills learned in beginning modern dance technique with emphasis on refining technique, increasing vocabulary, movement through levels and space, and combinations. UC/CSU

DANC 124C. Intermediate Modern Dance (1)

Lab-35 P/NP available
RECOMMENDED PREP: DANC 124B OR DEMONSTRATION OF EXIT SKILLS

Intermediate modern dance builds upon skills learned in advanced beginning modern dance technique with emphasis on increased technique, increased movement vocabulary appropriate to intermediate training, dynamic movement qualities related to musicality, and an in-depth continuation of modern dance history. UC/CSU

FORMERLY DANC 125B

DANC 124D. Advanced Modern Dance (2)

Lab-70 P/NP available
RECOMMENDED PREP: DANC 124C OR DEMONSTRATION OF EXIT SKILLS

Advanced modern dance builds upon skills learned in intermediate modern dance technique with emphasis on increased technique, increased movement vocabulary appropriate to advanced training, and more complex element phrase work integrating dynamics and musicality. A continuation of modern dance history will be presented. UC/CSU

FORMERLY DANC 125C

DANC 126B. Intensive Modern Dance (2)

Lab-70 P/NP available
RECOMMENDED PREP: DANC 119A; DANC 124C

Intensive modern dance builds upon the modern technique and vocabulary learned in Intermediate Modern Dance with emphasis on analysis of anatomical function, dynamic movement qualities related to musicality, ensemble performance and technique, and an in depth continuation of modern dance history. UC/CSU

FORMALLY PE 626B

Jazz Dance

DANC 129A. Beginning Jazz Dance (1)

Lab-35 P/NP available
Beginning jazz dance with emphasis on basic technique, terminology, dance combinations and basic rhythms of jazz dance. UC/CSU

FORMERLY DANC 130A

DANC 129B. Advanced Beginning Jazz Dance (1)

Lab-35 P/NP available
PREREQ: DANC 129A

Advanced beginning jazz dance builds upon skills learned in beginning jazz dance technique with emphasis on refining technique, increasing vocabulary, movement through space, and combinations. UC/CSU

DANC 129C. Intermediate Jazz Dance (1)

Lab-35 P/NP available
RECOMMENDED PREP: DANC 129B

Intermediate Jazz builds upon skills learned in Advanced Beginning Jazz Dance with emphasis on refining technique, musicality, increasing vocabulary and movement through space and combinations. UC/CSU

DANC 129D. Advanced Jazz Dance (1)

Lab-35 P/NP available
RECOMMENDED PREP: DANC 129C

Advanced Jazz Dance builds upon skills learned in Intermediate Jazz Dance technique with emphasis on refining technique, rhythmic structure, increasing vocabulary, movement through space, improvisation, and combination. UC/CSU

Dance Theater

DANC 131A. Introduction to Dance Theater (1)

Lab-35 P/NP available

Introduction to Dance Theater introduces the technical and choreographic style of dance performed in Musical Theater productions. This course is designed to adapt dance to various styles of musical theater accompaniment and explore how dance can non-verbally support the story-telling of plays and musicals. UC/CSU

African-Haitian Dance

DANC 133A. Beginning African-Haitian Dance (1)

Lab-35 P/NP available

Beginning African-Haitian dance will be examined through technical demonstration and practice. Emphasis will be placed on traditional movements, isolations, movement progressions, dance patterns, and musicality. Dance pioneers and their contribution to African-Haitian dance will be discussed. UC/CSU

DANC 133B. Advanced Beginning African Haitian (1)

Lab-35 P/NP available
PREREQ: DANC 133A OR DEMONSTRATION OF EXIT SKILLS

Advanced beginning African Haitian Dance is a continuation of beginning African Haitian with an emphasis on building vocabulary on traditional movements and integrating isolations and movement progressions in connection to dance patterns and correct musicality. UC/CSU

DANC 133C. Intermediate African-Haitian Dance (1)

Lab-35 P/NP available
RECOMMENDED PREP: DANC 133B OR DEMONSTRATION OF EXIT SKILLS

Intermediate African Haitian dance builds on advanced beginning level skills. Through demonstration, practice, correction, and review, emphasis is placed on expansion into more intricate traditional movements, Dunham technique, dance patterns, styles, and musicality. Historical and cultural elements will be explored through lectures, films, research, and discussions. Creative expression will be encouraged through group choreographic activities and individual projects. UC/CSU

DANC 133D. Advanced African-Haitian Dance (1)

Lab-35 P/NP available
RECOMMENDED PREP: DANC 133C OR DEMONSTRATION OF EXIT SKILLS

Advanced African Haitian Dance is a continuation of intermediate African Haitian with an emphasis on building vocabulary on traditional movements and integrating isolations and movement

progressions in connection to dance patterns and correct musicality. UC/CSU

FORMERLY DANC 132C

Tap Dance

DANC 134A. Beginning Tap Dance (1)

Lab-35 P/NP available

Beginning Tap Dance briefly reviews the history of tap and lays the foundation for acquisition of tap dance skills. Emphasis will be on demonstration and practice of fundamental tap technique and vocabulary in rhythmic drills and dance phrases. UC/CSU

FORMERLY DANC 135A

DANC 134B. Advanced Beginning Tap Dance (1)

Lab-35 P/NP available

RECOMMENDED PREP: DANC 134A OR DEMONSTRATION OF EXIT SKILLS

Advanced Beginning Tap Dance further examines the history of tap and builds upon skills learned in beginning tap with emphasis on refining technique, increasing vocabulary, precise footwork and rhythmic accuracy in more complex combinations. UC/CSU

DANC 134C. Intermediate Tap Dance (1)

Lab-35 P/NP available

RECOMMENDED PREP: DANC 134B OR DEMONSTRATION OF EXIT SKILLS

Intermediate Tap Dance reviews the historical relationship of tap dance to jazz music and builds upon skills learned in advanced beginning tap with emphasis on more refined musicality and acquisition of intermediate level tap vocabulary and technique. UC/CSU

FORMERLY PE 541B

DANC 134D. Advanced Intermediate Tap Dance (1)

Lab-35 P/NP available

RECOMMENDED PREP: DANC 134C OR DEMONSTRATION OF EXIT SKILLS

Advanced Intermediate Tap Dance refines intermediate tap dance skills and explores improvisation and choreography through demonstration and practice. Focus is on tap history and its relationship to jazz music which provide guidelines for tap improvisation and choreography. UC/CSU

FORMERLY DANC 136

Hip-Hop Dance

DANC 138A. Beginning Hip Hop Dance (1)

Lab-35 P/NP available

Beginning Hip Hop dance with emphasis on technique, vocabulary, dance combinations and basic rhythms of hip hop dance. UC/CSU

FORMERLY DANC 137A

DANC 138B. Advanced Beginning Hip Hop Dance (1)

Lab-35 P/NP available

RECOMMENDED PREP: DANC 138A OR DEMONSTRATION OF EXIT SKILLS

Beginning Hip Hop dance with emphasis on technique, vocabulary, dance combinations and basic rhythms of hip hop dance. UC/CSU

DANC 138C. Intermediate Hip Hop Dance (1)

Lab-35 P/NP available

RECOMMENDED PREP: DANC 138B OR DEMONSTRATION OF EXIT SKILLS

Intermediate Hip Hop dance builds upon skills learned in Advance Beginning Hip Hop with emphasis on increasing vocabulary, styles,

and length of dance combinations with more complex rhythms. Using hip hop dance as a vehicle, students will be able to explore their own movement expression and choreography. UC/CSU

FORMERLY DANC 137B

DANC 138D. Advanced Hip Hop Dance (1)

Lab-35 P/NP available

RECOMMENDED PREP: DANC 138C OR DEMONSTRATION OF EXIT SKILLS

Advanced Hip Hop dance builds upon skills learned in Intermediate Hip Hop with emphasis on increasing vocabulary, styles, and length of dance combinations with more complex rhythms. Using hip hop dance as a vehicle, students will be able to explore their own movement expression and choreography in both group and solo settings. UC/CSU

Enrollment Limitations on Physical Education and Visual or Performing Arts Courses

Per title 5 Section 55041, effective Fall 2013, students may not enroll more than four times in "active participatory courses that are related in content" in the areas of physical education or visual and performing arts, which includes art, dance, music, and theatre. This limitation applies even if a student receives a substandard grade or "W" during one or more of the enrollments in such a course or if the students petition for repetition due to extenuating circumstances.

Physical Education courses that are related in content are grouped together in "families" of courses below. The families are indicated by their headings, e.g., Public Safety, Fitness Center, etc. For the most up-to-date listing of courses and families, refer to the online catalog, www.ccsf.edu/catalog.

Physical Education for Special Needs

PE 218. Gentle Restorative Yoga (1)

Lab-35 P/NP available

A gentle approach to Hatha Yoga that includes a representative sample of beginning and restorative yoga postures, breathing exercises, and relaxation techniques. Emphasis on adaptation of the poses to improve alignment, increase blood circulation, flexibility, muscular strength, and to alleviate stress. Appropriate for older students and students with mild to moderate musculoskeletal conditions. UC/CSU

Lab-35 P/NP available
 RECOMMENDED PREP: PE 242B OR DEMONSTRATION OF EXIT SKILLS
 This course is designed to teach advanced skills and techniques of the sport of volleyball as well as additional volleyball skills, strategies, officiating, and coaching information. UC/CSU
 FORMERLY PE 545C

Aquatics Exercise**PE 174A. Beginning Aqua Zumba (1)**

Lab-35 P/NP available
 A low-impact water exercise course designed to improve muscular strength, flexibility, balance, and cardiovascular fitness. Non-swimming exercises will involve Latin-based dance steps and variations using Aqua Zumba dance vocabulary and music. UC/CSU
 FORMERLY PE 173A

PE 252A. Beginning Water Aerobics (1)

Lab-35 P/NP available
 A non-swimming and low impact water exercise course designed to improve muscular strength, flexibility, balance and cardiovascular fitness. Exercises will involve variations in movement and tempo to achieve these fitness improvements. UC/CSU

PE 252B. Intermediate Water Aerobics (1)

Lab-35 P/NP available
 RECOMMENDED PREP: PE 252A OR DEMONSTRATION OF EXIT SKILLS
 A review of water aerobics form and cardiovascular basics as well as an introduction to moderate intensity water exercises, using heart rate measurement to determine aerobics zones. Increased range of motion, muscular strength, flexibility, agility, balance, core strength and cardiovascular fitness will be emphasized, while reducing stress on the body. UC/CSU

PE 252C. Advanced Water Aerobics (1)

Lab-35 P/NP available
 RECOMMENDED PREP: PE 252B OR DEMONSTRATION OF EXIT SKILLS
 Advanced Water Aerobics builds upon skills learned in intermediate water aerobics with emphasis on increasing vocabulary and physical skills by incorporating higher intensity water exercises. Students will improve range of motion, muscular strength, flexibility, agility, balance, core strength and cardiovascular fitness, while reducing stress on the body. UC/CSU

PE 252D. Intensive Water Aerobics (1)

Lab-35 P/NP available
 RECOMMENDED PREP: 252C OR DEMONSTRATION OF EXIT SKILLS
 Intensive Water Aerobics build upon skills learned in advanced water aerobics, and continues to expand on vocabulary and skills with high intensity interval training (HIIT) water exercises. Students will improve range of motion, muscular strength, flexibility, agility, balance, core strength and cardiovascular fitness, while reducing stress on the body. UC/CSU

420 Physical Education and Dance

Aquatics Swim Development

PE 254. Novice Swimming (1)

Lab-35 P/NP available

A course designed for the non-swimmer, introducing water safety and basic swimming skills, including physical and mental adjustments to water, floating and basic strokes. UC/CSU

PE 255A. Beginning Swimming (1)

Lab-35 P/NP available

RECOMMENDED PREP: PE 254 OR DEMO OF EXIT SKILLS

A course designed for the non-swimmer, providing instruction in fundamental swimming and personal water safety skills. UC/CSU

PE 255B. Advanced Beginning Swimming (1)

Lab-35 P/NP available

RECOMMENDED PREP: PE 255A OR DEMONSTRATION OF EXIT SKILLS

A course designed to support students in improving fundamental aquatic skills and provide instruction in swimming stroke development. Deep water swimming and survival techniques will be emphasized. UC/CSU

PE 255C. Intermediate Swimming (1)

Lab-35 P/NP available

RECOMMENDED PREP: PE 255B OR DEMONSTRATION OF EXIT SKILLS

In-depth instruction in long axis competitive swimming strokes (freestyle and backstroke). Current practices and development of competitive swimming, biomechanics of long axis swimming strokes, turns, and water safety will be covered. UC/CSU

PE 255D. Advanced Swimming (1)

Lab-35 P/NP available

RECOMMENDED PREP: PE 255C OR DEMONSTRATION OF EXIT SKILLS

An advanced level stroke development course emphasizing short axis strokes (breaststroke and butterfly) leading to increased stroke proficiency. It refines aquatic posture line and balance and improves coordination of parts of a stroke into whole strokes and racing turns and finishes. UC/CSU

PE 255E. Masters Swimming (1)

Lab-35 P/NP available

RECOMMENDED PREP: PE 255D OR DEMONSTRATION OF EXIT SKILLS

Instruction, analysis and practice in mastery level of competitive swimming skills and techniques, leading to high level of stroke proficiency in four competitive swimming strokes. Competitive swimming events and racing strategies will be emphasized. UC/CSU

Aquatics Fitness

PE 256A. Beginning Fitness Swimming (1)

Lab-35 P/NP only

RECOMMENDED PREP: PE 255B OR DEMONSTRATION OF EXIT SKILLS

Designed to engage students in comprehensive cardiovascular exercise through the activity of lap swimming. Emphasizes the physiological value of swimming to obtain cardiovascular fitness, muscular strength, and overall wellness. UC/CSU

PE 256B. Advanced Beginning Fitness Swimming (1)

Lab-35 P/NP only

RECOMMENDED PREP: PE 256A OR DEMONSTRATION OF EXIT SKILLS

A review of swimming form, cardiovascular basics and general principles of exercise, as well as an introduction to the next level of fitness swimming and the use of heart rate measurement to determine high and low aerobic zones. The course will also emphasize range of motion, body alignment, and strength building. UC/CSU

PE 256C. Intermediate Fitness Swimming (1)

Lab-35 P/NP only

RECOMMENDED PREP: PE 256B OR DEMONSTRATION OF EXIT SKILLS

An introduction to more advanced endurance and speed techniques to enable swimming greater distances. Additional flexibility work and core strengthening will be introduced, as well as ways to avoid common swimming injuries. UC/CSU

PE 256D. Advanced Fitness Swimming (1)

Lab-35 P/NP only

RECOMMENDED PREP: PE 256C OR DEMONSTRATION OF EXIT SKILLS

Advanced fitness swimming builds upon skills and training learned previously, with emphasis on continued improvement of fitness swimmer's cardiovascular endurance. Students will learn how to administer swimming fitness assessments and build skills to train and participate in distance swimming events. UC/CSU

Aquatics Water Polo

PE 258A. Beginning Water Polo (1)

Lab-35 P/NP available

RECOMMENDED PREP: PE 255C OR DEMONSTRATION OF EXIT SKILLS

An introduction to water polo basic skills and game play. Emphasis is placed on learning the head-up freestyle, eggbeater, passing, receiving and shooting. Basic rules and game play positions will also be covered. UC/CSU

PE 258B. Advanced Beginning Water Polo (1)

Lab-35 P/NP available

RECOMMENDED PREP: PE 258A OR DEMONSTRATION OF PE 258A EXIT SKILLS

Advanced Beginning Water Polo builds on the skills of beginning water polo with an emphasis on familiarization with vocabulary, conditioning drills, passing, shooting, and development of individual offensive and defensive skills to better prepare the student for the intermediate level. UC/CSU

PE 258C. Intermediate Water Polo (1)

Lab-35 P/NP available

RECOMMENDED PREP: PE 258B OR DEMONSTRATION OF PE 258B EXIT SKILLS

Intermediate drills and half court scrimmage designed to further develop skills and knowledge of techniques, rules and strategies for water polo. Class will emphasize half court offense and defense, developing players at specific positions and introduction to specific team plays and strategies. UC/CSU

PE 258D. Advanced Water Polo (1)

Lab-35 P/NP available

PREREQ: PE 258C OR DEMONSTRATION OF PE 258C EXIT SKILLS

This course covers many facets of water polo at the advanced level while also reviewing individual skills such as passing, shooting, dribbling, and picking up the ball in water. Advanced offensive and defensive water polo strategies are emphasized. Advanced levels of conditioning supplement team play and scrimmages. UC/CSU

Alternative Racket Sports

PE 260A. Beginning Pickleball (1)

Lab-35 P/NP available

This course will cover the beginning skills of pickleball. Emphasis on fundamental strokes, rules, terminology, and etiquette. UC/CSU

PE 260B. Intermediate Pickleball (1)

Lab-35 P/NP available

RECOMMENDED PREP: PE 260A

This course will cover the intermediate aspects of pickleball. Emphasis on strokes, strategies, spins, and shot placement. UC/CSU

PE 260C. Advanced Pickleball (1)

Lab-35 P/NP available

RECOMMENDED PREP: PE 260B OR DEMONSTRATION OF EXIT SKILLS

Instruction in the advanced aspects of pickleball, as well as a review of the rules, etiquette, and skills. Emphasis on offensive and defensive singles and doubles strategies, as well as tournament match play. CSU

Judo**PE 271A. Beginning Judo (1)**

Lab-35 P/NP available

An introduction to Kodokan judo, an Olympic sport, focusing on fundamental judo techniques, skills and physical fitness. An examination of judo's development, philosophy, etiquette and principles. UC/CSU

FORMERLY PE 524A

PE 271B. Intermediate Judo (1)

Lab-35 P/NP available

RECOMMENDED PREP: PE 271A OR DEMONSTRATION OF EXIT SKILLS

In addition to new skills and techniques, students will be required to demonstrate greater proficiency in basic skills and techniques covered in the introductory course. Students will be eligible to test for the next Judo belt rank during the semester. UC/CSU

FORMERLY PE 524B

PE 271C. Advanced Judo (1)

Lab-35 P/NP available

RECOMMENDED PREP: PE 271B OR DEMONSTRATION OF EXIT SKILLS

Intermediate to advanced skill instruction and application of Nage-waza (throwing), Osae-waza (grappling/submission), with Randori (free exercise). Principles of Sei-ryo-ku Zen you and Jita-Kyoei, the training of mind and body of a person that contributes to society will be examined. Tournament supervision of the judo tournament will be covered. UC/CSU

FORMERLY PE 524C

OFFERED FALL SEMESTERS

PE A 98. General Physical Preparation for Intercollegiate Sport (2)

Lab-70, field trips P/NP available
 REPEAT: STUDENTS CAN REPEAT THREE TIMES (TOTAL 4 ENROLLMENTS)
 This course establishes foundation for later sport-specific physical preparation and intense training. Its primary emphasis is general preparation and some specialized skills and strength conditioning exercises to work all the major muscles and joints. Key areas of study will also include sports injuries prevention and rehabilitation, nutrition, and mental skills. UC/CSU
 OFFERED SPRING SEMESTERS

PE A 99. Intercollegiate Sport Development (3)

Lab-175 P/NP available
 REPEAT: STUDENTS CAN REPEAT THREE TIMES (TOTAL 4 ENROLLMENTS)
 Sport-specific strength and conditioning protocols related to improving muscular strength, power, agility, and speed. Principles of sport-specific technical and tactical methodology will be presented. Injury prevention, restoration and recovery will also be addressed. UC/CSU
 FORMERLY PE 584
 OFFERED FALL SEMESTERS

Announcement of Curricula

Physics Major (AS)

The Associate in Science in Physics provides a broad background in fundamental physics through introductory course work with a full complement of laboratory courses. Physics graduates are prepared to transfer to California State University, University of California, and

other universities for career paths in high tech research, engineering, and education. A physics degree is also a respected preparation for postgraduate studies in medical, business, and law school due to the prevalence of technology in our society. Physics majors develop strong mathematical, analytical, and laboratory skills, and a solid understanding of the fundamental physical laws that govern the universe.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply the principles of physics to theoretical problems and experimental applications.
- Obtain, analyze, and report on physics laboratory data.
- Solve physics problems using mathematics through multivariable calculus, differential equations, and linear algebra.

Assuming students start this AS with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the Major in Physics

Course.....	Units
Required	
PHYC 4A Classical Mechanics for Scientists and Engineers	3.0
PHYC 4AL Mechanics Laboratory for Scientists and Engineers	1.0
PHYC 4B Electromagnetism for Scientists and Engineers	3.0
PHYC 4BL Electromagnetism Laboratory for Scientists and Engineers	1.0
PHYC 4C Waves and Thermodynamics for Scientists and Engineers	3.0
PHYC 4CL Waves and Thermodynamics Laboratory for Scientists and Engineers	1.0
PHYC 4D Modern Physics for Scientists and Engineers	3.0
PHYC 4DL Modern Physics Laboratory for Scientists and Engineers	1.0
MATH 110A Calculus I	5.0
MATH 110B Calculus II	5.0
MATH 110C Calculus III	5.0
MATH 130 Linear Algebra and Differential Equations.....	5.0
or MATH 120 Linear Algebra	3.0
and MATH 125 Differential Equations	3.0
Total:	36.0 – 37.0

Announcement of Courses

Credit, Degree Applicable Courses:

PHYC 2A. Introductory Physics I (3)
 Lec-52.5, Lab-17.5
 PREREQ: MATH 95
 RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: PHYC 2AL AND PHYC 4I
 First course in a two-semester sequence required of most premedical, biology, veterinary, physical therapy, and architecture degrees. Core topics include kinematics, dynamics, work and energy, momentum,

rotations, simple harmonic motion, fluids, heat, and thermodynamics. UC/CSU
C-ID PHYS 100S (PHYC 2A + PHYC 2AL + PHYC 2B + PHYC 2BL); C-ID PHYS 105 (PHYC 2A + PHYC 2AL)
 FORMERLY “INTRODUCTORY PHYSICS.” REQUIRED OF PREMEDICAL, BIOLOGY, AND SOME ARCHITECTURE STUDENTS.
 OFFERED FALL SEMESTERS

PHYC 2AC. Introductory Physics I-Calculus Supplement (.5)
 Lec-14
 PREREQ: MATH 100A OR MATH 110A OR PLACEMENT IN MATH 100B OR 110B; COMPLETION OF OR CONCURRENT ENROLLMENT IN: PHYC 2A
 PHYC 2AC expands on topics covered in PHYC 2A, with applications of calculus to problems in physics. Together with PHYC 2A and 2AL, PHYC 2AC may meet lower division requirements for life science majors at various universities. UC/CSU
 FORMERLY INTRODUCTORY PHYSICS-CALCULUS SUPPLEMENT
 OFFERED FALL SEMESTERS

PHYC 2AL. Introductory Physics Laboratory (1)
 Lab-52.5
 PREREQ: MATH 95; COMPLETION OF OR CONCURRENT ENROLLMENT IN: PHYC 2A
 RECOMMENDED PREP: PHYC 40
 First laboratory course in an algebra-based two semester sequence. Core topics include experiments in kinematics, dynamics, energy, momentum, rotation, oscillations, fluids, and thermodynamics. UC/CSU
C-ID PHYS 100S (PHYC 2A + PHYC 2AL + PHYC 2B + PHYC 2BL); C-ID PHYS 105 (PHYC 2A + PHYC 2AL)
 REQUIRED OF PREMEDICAL, BIOLOGY, AND SOME ARCHITECTURE STUDENTS.
 OFFERED FALL SEMESTERS

PHYC 2B. Introductory Physics II (3)
 Lec-52.5, Lab-17.5
 PREREQ: PHYC 2A
 RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: PHYC 2BL
 Second course in an algebra/trigonometry-based two semester sequence. Core topics include electricity & magnetism, light, and selected topics in modern physics. UC/CSU
C-ID PHYS 100S (PHYC 2A + PHYC 2AL + PHYC 2B + PHYC 2BL); C-ID PHYS 110 (PHYC 2B + PHYC 2BL)
 FORMERLY “INTRODUCTORY PHYSICS.” REQUIRED OF PREMEDICAL, BIOLOGY, AND SOME ARCHITECTURE STUDENTS.
 OFFERED SPRING SEMESTERS

PHYC 2BC. Introductory Physics II-Calculus Supplement (.5)
 Lec-14
 PREREQ: PHYC 2AC AND PHYC 2A; COMPLETION OF OR CONCURRENT ENROLLMENT IN: PHYC 2B
 PHYC 2BC expands on topics covered in PHYC 2B with applications of calculus to problems in physics. Together with PHYC 2B and 2BL, PHYC 2BC may meet lower division requirements for life science majors at various universities. UC/CSU
 FORMERLY INTRO PHYSICS-CALCULUS SUPPL
 OFFERED SPRING SEMESTERS

PHYC 2BL. Introductory Physics Laboratory (1)
 Lab-52.5
 PREREQ: PHYC 2A AND PHYC 2AL; COMPLETION OF OR CONCURRENT ENROLLMENT IN: PHYC 2B
 Second laboratory course in an algebra-based two semester sequence.

Core topics include experiments in electricity & magnetism, electric circuits, light, and radioactivity. UC/CSU
C-ID PHYS 100S (PHYC 2A + PHYC 2AL + PHYC 2B + PHYC 2BL)
C-ID PHYS 110 (PHYC 2B + PHYC 2BL)

REQUIRED OF PREMEDICAL, BIOLOGY, AND ARCHITECTURE STUDENTS
OFFERED SPRING SEMESTERS

PHYC 4A. Classical Mechanics for Scientists and Engineers (3)

Lec-52.5, Lab-17.5

PREREQ: MATH 110A

RECOMMENDED PREP: PHYC 41 OR HIGH SCHOOL PHYSICS;
 COMPLETION OF OR CONCURRENT ENROLLMENT IN: PHYC 4AL AND MATH 110B

This is the first course in a calculus-based four-semester sequence. Core topics include kinematics, dynamics, energy, momentum, rotation, gravitation, oscillations, and fluids. UC/CSU
C-ID PHYS 200S (PHYC 4A + PHYC 4AL + PHYC 4B + PHYC 4BL + PHYC 4C + PHYC 4CL + PHYC 4D + PHYC 4DL); C-ID PHYS 205 (PHYC 4A + PHYC 4AL)

REQUIRED OF PHYSICS, CHEMISTRY, AND ENGINEERING MAJORS PLANNING TO TRANSFER TO UNIVERSITY OF CALIFORNIA, BERKELEY OR INTO OTHER ENGINEERING OR PHYSICAL SCIENCE TRANSFER PROGRAMS.

PHYC 4AL. Mechanics Laboratory for Scientists and Engineers (1)

Lab-52.5

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: PHYC 4A

First laboratory course in a calculus-based four-semester sequence.

Core topics include experiments in kinematics, dynamics, energy, momentum, rotation, and oscillations. UC/CSU

C-ID PHYS 200S (PHYC 4A + PHYC 4AL + PHYC 4B + PHYC 4BL + PHYC 4C + PHYC 4CL + PHYC 4D + PHYC 4DL); C-ID PHYS 205 (PHYC 4A + PHYC 4AL)

C-ID PHYS 205 (PHYC4A + 4AL); C-ID PHYS 200S (PHYC 4A + 4AL + 4B + 4BL + 4C + 4CL + 4D + 4DL)

PHYC 4B. Electromagnetism for Scientists and Engineers (3)

Lec-52.5, Lab-17.5

PREREQ: PHYC 4A AND MATH 110B

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: PHYC 4BL AND MATH 110C

This is the second course in a calculus-based four-semester sequence.

Core topics include electric and magnetic fields, electric potential, capacitance, resistance, inductance, DC and AC circuits, and Maxwell's Equations. UC/CSU

C-ID PHYS 200S (PHYC 4A + PHYC 4AL + PHYC 4B + PHYC 4BL + PHYC 4C + PHYC 4CL + PHYC 4D + PHYC 4DL); C-ID PHYS 210 (PHYC 4B + PHYC 4BL)

REQUIRED OF PHYSICS, CHEMISTRY, AND ENGINEERING MAJORS PLANNING TO TRANSFER TO UNIVERSITY OF CALIFORNIA, BERKELEY OR INTO OTHER ENGINEERING OR PHYSICAL SCIENCE TRANSFER PROGRAMS.

PHYC 4BL. Electromagnetism Laboratory for Scientists and Engineers (1)

Lab-52.5

PREREQ: PHYC 4AL; COMPLETION OF OR CONCURRENT ENROLLMENT IN: PHYC 4B

Second laboratory course in a calculus-based four-semester sequence covering the topics of electricity and magnetism. UC/CSU

C-ID PHYS 200S (PHYC 4A + PHYC 4AL + PHYC 4B + PHYC 4BL + PHYC 4C + PHYC 4CL + PHYC 4D + PHYC 4DL); C-ID PHYS 210

(PHYC 4B + PHYC 4BL)

C-ID PHYS 210 (PHYC4B + 4BL); C-ID PHYS 200S (PHYC 4A + 4AL + 4B + 4BL + 4C + 4CL + 4D + 4DL)

PHYC 4C. Waves and Thermodynamics for Scientists and Engineers (3)

Lec-52.5, Lab-17.5

PREREQ: PHYC 4B AND MATH 110C

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: PHYC 4CL

This is the third course in a calculus-based four-semester sequence.

Core topics include mechanical, sound and light waves; geometrical and physical optics; and thermodynamics. UC/CSU

C-ID PHYS 200S (PHYC 4A + PHYC 4AL + PHYC 4B + PHYC 4BL + PHYC 4C + PHYC 4CL + PHYC 4D + PHYC 4DL); C-ID PHYS 215 (PHYC 4C + PHYC 4CL)

REQUIRED OF PHYSICS, CHEMISTRY, AND ENGINEERING MAJORS PLANNING TO TRANSFER TO UNIVERSITY OF CALIFORNIA, BERKELEY OR INTO OTHER ENGINEERING OR PHYSICAL SCIENCE TRANSFER PROGRAMS.

PHYC 4CL. Waves and Thermodynamics Laboratory for Scientists and Engineers (1)

Lab-52.5

PREREQ: PHYC 4BL; COMPLETION OF OR CONCURRENT ENROLLMENT IN: PHYC 4C

Third laboratory course in a calculus-based four-semester sequence.

Core topics include experiments in sound, waves, electrical oscillations, thermodynamics, geometrical optics, and physical optics. UC/CSU

C-ID PHYS 200S (PHYC 4A + PHYC 4AL + PHYC 4B + PHYC 4BL + PHYC 4C + PHYC 4CL + PHYC 4D + PHYC 4DL); C-ID PHYS 215 (PHYC 4C + PHYC 4CL)

PHYC 4D. Modern Physics for Scientists and Engineers (3)

Lec-52.5, Lab-17.5

PREREQ: PHYC 4B

COREQ: (MATH 120 AND MATH 125) OR MATH 130

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: PHYC 4C AND PHYC 4CL

This is the fourth course in a calculus-based four semester sequence.

Core topics include special relativity, quantum mechanics, atomic physics and solid state physics. UC/CSU

C-ID PHYS 200S (PHYC 4A + PHYC 4AL + PHYC 4B + PHYC 4BL + PHYC 4C + PHYC 4CL + PHYC 4D + PHYC 4DL)

REQUIRED OF PHYSICS, CHEMISTRY, AND ENGINEERING MAJORS PLANNING TO TRANSFER TO THE UNIVERSITY OF CALIFORNIA, BERKELEY, OR INTO OTHER ENGINEERING OR PHYSICAL SCIENCE TRANSFER PROGRAMS.

OFFERED SPRING SEMESTERS

PHYC 4DL. Modern Physics Laboratory for Scientists and Engineers (1)

Lab-52.5

PREREQ: PHYC 4BL; COMPLETION OF OR CONCURRENT ENROLLMENT IN: PHYC 4D

Last laboratory course in a calculus-based four-semester sequence.

Core topics include experiments in modern physics, including the Michelson interferometer, photoelectric effect, longitudinal laser modes, Zeeman effect, and atomic spectra. UC/CSU

C-ID PHYS 200S (PHYC 4A + PHYC 4AL + PHYC 4B + PHYC 4BL + PHYC 4C + PHYC 4CL + PHYC 4D + PHYC 4DL)

OFFERED SPRING SEMESTERS

PHYC 10. Conceptual Physics (3)

Lec-52.5

RECOMMENDED PREP: ELEMENTARY ALGEBRA OR HIGHER

An overview of physics. Content is taught at a conceptual level using basic math such as ratios, square roots, scientific notation, graph interpretation, slope and simple algebra. Topics include mechanics, properties of matter, heat, sound, electricity, magnetism, light, and nuclear physics. UC/CSU

PHYC 10L. Conceptual Physics Laboratory (1)

Lab-52.5

PREREQ: COMPLETION OF OR CONCURRENT ENROLLMENT IN: PHYC 10

Laboratory course covering basic concepts in physics. Core topics include mechanics, energy, heat, sound, electricity, magnetism, light, and nuclear physics. UC/CSU

REQUIRED FOR STUDENTS ENROLLED IN THE CURRICULUM IN RADL

PHYC 20. Physics of Sports (3)

Lec-52.5

RECOMMENDED PREP: ELEMENTARY ALGEBRA OR HIGHER

Conceptual physics taught within the context of sports including football, baseball, soccer, cycling, and tennis. Content is taught at an introductory level using basic math such as vectors, ratios, square roots, and algebra. Topics include Newton's laws, projectile and rotational motion, momentum, energy, and aerodynamics. UC/CSU

OFFERED FALL SEMESTERS

PHYC 41. Preparatory Physics (3)

Lec-52.5

PREREQ: ((MATH 90 OR MATH 92) AND MATH 95) OR PLACEMENT IN MATH 110A

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: MATH 110A

A single semester course emphasizing concepts and problem solving in kinematics, dynamics, energy, momentum, rotational motion and electricity. This course is intended to prepare students to take a college level, problem solving based, physics course using calculus.

UC/CSU

OFFERED FALL SEMESTERS

Announcement of Curricula

Political Science Major (AA-T)

Political Science is the study of governments, power relations, public policies, political theories, political processes, and political behavior. The Political Science major is designed to develop knowledge, analytical skills, and critical insight into the nature of politics and political problems. Political Science subfields include American government, political theory, comparative politics, and international relations, and the major introduces each of these, as well as allowing additional

coursework. The aim is to prepare students for active participation in political life, as informed citizens or residents, and to prepare students for transfer to a four-year university in the field of Political Science, and then to a range of possible careers.

Learning Outcomes

Upon completion of this program, students will be able to:

- Identify and explain American political principles.
- Analyze and critique current political topics and issues.
- Assess the forms and processes of political participation at the local, state, national, and/or international levels.
- Evaluate and compare the structure and function of different political systems in the world, as well as the international system itself.
- Analyze different political theories, especially liberalism and conservatism.
- Analyze the historical and philosophical foundations of the United States and California constitutions.
- Examine complex political issues by selecting and using appropriate social science methodologies and approaches, including the analysis of primary sources and the development, evaluation and testing of hypotheses using the scientific method.

Students who wish to earn the Associate in Arts in Political Science for Transfer (AA-T) must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of "C" (or "P") or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

Assuming students start this AA-T with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AA-T in Political Science

Course Units

Required courses:

- POLS 1 American Government 3.0
- POLS 2 Comparative Government 3.0
- POLS 3 Political Theory 3.0
- POLS 5 International Relations 3.0

Choose at least 6 units from the following elective courses:

- ECON 5 Introductory Statistics for Economics,
Business and Social Sciences 5.0
or PSYC 5 Statistics for Behavioral Sciences 5.0
- POLS 4 The Politics of Globalization 3.0
- POLS 12 Ethnic Politics in the United States 3.0
- POLS 18 Government & Politics of Latin
America 3.0
- POLS 22 Environmental Politics and Policy 3.0
- POLS 43 The Constitution and Individual Rights 3.0
- POLS 45 Governments and Politics of
Middle East 3.0
- POLS 41 Independent Studies in Political Science 1.0

Total: 18.0 – 20.0

Announcement of Courses

Credit, Degree Applicable Courses:

POLS 1. American Government (3)

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introduction to United States and California government and politics, including constitutions, political institutions and processes, and political actors. Examination of political behavior, public policy, political ideas, and public policy. UC/CSU

C-ID POLS 110

POLS 2. Comparative Government (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A comparative study of the constitutional principles, governmental institutions, and political problems of selected governments. This course is designed to introduce students to the central themes of comparative politics. This includes discussions of methodology, the nature of the state, political culture, democracy and political and economic development. UC/CSU

C-ID POLS 130

POLS 3. Political Theory (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introduction to political theory, ancient, modern, and contemporary. An examination of the general or abstract principles of politics. UC/CSU

C-ID POLS 120

POLS 4. The Politics of Globalization (3)

Lec-52.5

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

This course surveys the recent phenomenon called globalization. The course analyzes competing political theories and perspectives on globalization and examines actual policies, including the possibilities and limitations that globalization offers to and imposes on everyday life. UC/CSU

POLS 5. International Relations (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introduction to International Relations, with emphasis on International Relations theory. Issues covered include war and conflict, international order, diplomacy, human rights, terrorism, international political economy and environment. UC/CSU

C-ID POLS 140

POLS 12. Ethnic Politics in the United States (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188 ENGLISH

This course surveys the role of race and ethnicity in American politics. Theories of race, identity, and ethnic political patterns are explored for African Americans, Asians Americans, Latino/a Americans, and European Americans. UC/CSU

MEETS U.C. BERKELEY'S AMERICAN CULTURES DISTRIBUTION.

OFFERED ON OCCASION

POLS 15. Introduction to Public Policy (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introduction to public policy, including key political actors and institutions involved in policy making, public policy theories, the context of the policy process, policy evaluation, and analysis of alternative policy approaches. UC/CSU

OFFERED ON OCCASION

POLS 18. Government & Politics of Latin America (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The constitutional systems, political processes, and social problems of Latin American nations UC/CSU

OFFERED ON OCCASION

POLS 19. Gender, Politics, and Policy (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introduction to politics and public policy of gender in the United States, including women's and LGBTQ politics and policy. An analysis of American politics and public policy through a gendered lens. An examination of the development and current role of gender in rights, representation, and public policy. UC/CSU

OFFERED ON OCCASION

POLS 22. Environmental Politics and Policy (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introduction to the political science subfields and the environment, focusing on environmental politics and policy in the United States, comparative environmental politics and policy, environmental issues in international relations, and ecopolitical thought. UC/CSU

OFFERED ON OCCASION

POLS 41. Independent Studies in Political Science (1)

Lab-52.5

An individualized reading or research program where students work one-on-one with a faculty member on topics in political science. CSU

UC UPON REVIEW AS VARIABLE TOPICS COURSE.

POLS 43. The Constitution and Individual Rights (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An individual's civil and criminal rights under the Constitution. Analysis of leading cases and legal principles which protect individual freedom with a civil liberties and civil rights perspective. UC/CSU

OFFERED ON OCCASION

POLS 45. Governments and Politics of Middle East (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Comparative political science regional survey of the governments and politics of the Middle East and North Africa. UC/CSU

OFFERED ON OCCASION

Psychology

 Phone Number: (415) 239-3433
 Web Site: www.ccsf.edu/behavior

Announcement of Curricula

Psychology Major (AA-T)

The AA-T in Psychology offers a wide range of lower division courses and is designed to prepare students who wish to transfer and pursue a baccalaureate degree in psychology. Psychology is the scientific study of behavior and mental processes. By taking courses in the various subfields of psychology, students come to see how contemporary psychology is a complex discipline offering many areas of specialization. Courses focus on the research and statistical methods used in the field, major theoretical perspectives used to explain human behavior and mental processes, and the ways in which biological, psychological, and sociocultural forces interact to impact thoughts, feelings, and behaviors. Students acquire skills in analytical and critical thinking and are introduced to using an intersectional lens to understand and explain the psychological functioning of individuals in a diverse society.

Learning Outcomes

Upon completion of this program, students will be able to:

- Contrast the major contemporary theoretical perspectives in psychology
- Identify research methods and statistical methods appropriate to psychology
- Recognize the interactions between biological and environmental forces and interpret how these relationships help explain cognition, affect, and behavior
- Analyze the major subfields of psychology and assess their contributions to the understanding of cognition, affect, and behavior
- Identify how cultural and societal forces impact thoughts, feelings, and behaviors.

Students who wish to earn the Associate in Arts in Psychology for Transfer (AA-T) must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of “C” or “P” or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

The minimum time for completion is 4 semesters; completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AA-T in Psychology

Course Units

Required

PSYC 1 General Psychology 3.0
 PSYC 1B Biological Psychology 3.0
 PSYC 2 Research Methods 3.0

Choose one of the following courses

PSYC 5 Statistics for Behavioral Sciences 5.0

LALS 5 Introduction to Statistical Methods in Latin American and Latino/a Studies 5.0
 MATH 80 Probability and Statistics 5.0
 ECON 5 Introductory Statistics for Economics, Business and Social Sciences 5.0

Choose one of the following courses

BIO 9 Human Biology 4.0
 BIO 11 Science of Living Organisms 4.0
 ENGL 1B Writing about Literature 4.0
 ENGL 1C Writing about Nonfiction 4.0

Choose one of the following courses:

PSYC 4 Forensic Psychology 3.0
 PSYC 9 Psychology of Stress 3.0
 PSYC 10 Abnormal Psychology 3.0
 PSYC 11 Theories of Personality 3.0
 PSYC 21 Lifespan Development 3.0
 PSYC 23 Psychology of Race and Ethnic Relations 3.0
 PSYC 24 Queer Psychology 3.0
 PSYC 25 Psychology of Gender 3.0
 PSYC 26 Applied Psychology 3.0
 PSYC 32 Social Psychology 3.0
 PSYC 40 Child and Adolescent Psychology 3.0
 PSYC 50 Psychology of Psychoactive Drugs 3.0
 ANTH 3 Introduction to Social and Cultural Anthropology 3.0
 SOC 1 Introduction to Sociology 3.0

Total: 21.0

Cannabis Studies Major (AA)

The Cannabis Studies Major is an introduction to the complex biopsychosocial relationship of humans to cannabis in multiple cultural, institutional, and interpersonal contexts. This major is grounded in Behavioral Sciences and addresses how intersecting identities, geography, and historicity frame the conversations and implications of cannabis and its use. This major provides a unique examination of the constructions of cannabis as a product, a psychoactive substance, a behavior, and a form of deviance, revolution, criminality, spirituality, and ethnomedicine; depending upon cultural standpoint, time, and global location. It also uses a social justice framework to analyze public policy, rhetoric, and the criminal justice system.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze the assumptions and diverse perspectives underlying social and behavioral science methods of investigation.
- Evaluate the impact on communities of evolving notions of deviance and resulting social policy regarding cannabis.
- Apply the biopsychosocial model to understanding the diverse impacts and experiences within different cannabis cultures.
- Explain how cannabis laws, policies, and dominant social values impact power dynamics and perpetuate social inequalities
- Evaluate representations of cannabis in popular culture.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information.

mation. Generally, the minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Cannabis Studies

Course Units

Required

SOC 55 Introduction to Cannabis Studies 3.0
 ANTH 50 Anthropology of Cannabis 3.0
 PSYC 50 Psychology of Psychoactive Drugs 3.0

Choose 9 units from the following courses

ADMJ 65 Criminal Justice, Drugs, Crime
 and the Law 3.0
 ANTH 8 Magic, Witchcraft, and Religion 3.0
 CINE 23C Cult Cinema 3.0
 CMST 50 Rhetoric of Cannabis. 3.0
 LALS 11 Drug Wars in the Americas. 3.0
 POLS 15 Introduction to Public Policy. 3.0

Total: **18.0**

Announcement of Courses

Credit, Degree Applicable Courses:

PSYC 1. General Psychology (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A scientific approach to the study of behavior and mental processes designed for both majors and non-majors. Topics include: research methods, biology of behavior, sensory systems, learning, memory, life-span development, motivation, emotion, personality theories, social psychology, abnormal psychology, and psychotherapy.

UC/CSU
 C-ID PSY 110

PSYC 1B. Biological Psychology (3)

Lec-52.5 P/NP available
 PREREQ: PSYC 1
 This course examines the biological basis of behavior and mental processes. Psychopharmacology, cognitive neuroscience, research processes, and ethics will also be addressed. UC/CSU
 C-ID PSY 150

PSYC 2. Research Methods (3)

Lec-52.5 P/NP available
 PREREQ: PSYC 1 AND (PSYC 5 OR LALS 5 OR MATH 80)
 An introduction to research methods in psychology. This course presents how researchers in psychology use critical analysis, theories, and methods to generate usable information. Emphasis on research design, experimental procedures, instrumentation, qualitative methods, and the analysis, interpretation, and reporting of findings. Attention is paid to strategies to decolonize psychological research. UC/CSU
 C-ID PSY 200
 PRIMARILY FOR PSYCHOLOGY MAJORS, RELATED MAJORS, AND STUDENTS INTERESTED IN THE SCIENTIFIC METHOD.

PSYC 4. Forensic Psychology (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: PSYC 1
 Explore aspects of the legal system studied by psychologists. Emphasis on research and theories in psychology to understand key participants

in the legal system (e.g., criminals, police, victims, witnesses) and examine legal controversies (e.g., race and justice, death penalty, insanity defense, profiling, and eyewitness identification) that can affect legal outcomes. CSU

OFFERED ON OCCASION

PSYC 5. Statistics for Behavioral Sciences (5)

Lec-87.5 P/NP available
 PREREQ: INTERMEDIATE ALGEBRA OR HIGHER
 RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introduction to data analysis including measurement and research design. Intended for general education and prospective behavioral science majors. The course will focus on computation, interpretation, and application of both descriptive and inferential statistics. Topics include organization of data, central tendency and variability, hypothesis testing, non-parametric statistics, analysis of variance (ANOVA), and linear regression. UC/CSU

PSYC 9. Psychology of Stress (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH
 Critical exploration of psychological research as it applies to understanding the causes, physiology, consequences, and management of stress. Emphasis is on practical applications for better managing stress. CSU

PSYC 10. Abnormal Psychology (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: PSYC 1
 An introduction to the symptoms, prevalence, causes and treatments of disturbances in mental, emotional, and behavioral functioning. Methods of assessment, classification, current diagnostic criteria, and theoretical models for understanding these disorders are discussed in-depth. UC/CSU
 C-ID PSY 120

PSYC 11. Theories of Personality (3)

Lec-52.5 P/NP available
 RECOMMENDED PREP: PSYC 1 AND (READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188)
 An introduction to the theoretical constructs describing personality, including how personality develops and the dynamics of human behavior. Current research and intersectional approaches to understanding personality are addressed. UC/CSU

PSYC 14. Psychology of Shyness (1)

Lec-18 P/NP available
 A psychological examination of shyness as a form of temperamental diversity. A comparison of shyness, social anxiety, introversion and the potential psychosocial challenges of each. Strategies for addressing challenges will be presented. CSU

PSYC 15. Assertive Behavior (1)

Lec-18 P/NP available
 Examination of the development of communication patterns in a psychological and sociological context. Psychological and emotional barriers to effective communication will be explored. Application of assertiveness techniques to effect behavior change based on cognitive and behavioral theories in psychology are a major focus. Assessment and implementation of appropriate techniques in a variety of

situations, including communication with family, friends, and at the workplace are also discussed. CSU

PSYC 17. Psychology of Eating, Food, and Weight (1)

Lec-18 P/NP available

An examination of research, theory and applied psychological science related to the cognitions, behaviors, and emotions of eating, food, and weight. Includes a critical look at common myths and realities regarding weight and health, eating disorders, and the sociocultural pressures related to food choices and body size. CSU

PSYC 21. Lifespan Development (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: PSYC 1 AND (READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188)

The multidisciplinary study of human development from conception through death. Examination of current research and theories with an emphasis on the ways that biological, psychological, sociocultural, and environmental forces and their interactions impact development throughout the lifespan. UC/CSU

C-ID PSY 180

PSYC 23. Psychology of Race and Ethnic Relations (3)

Lec-52.5 P/NP available

An exploration of the experiences, theories, and research concerning issues of race and ethnicity as they relate to individual and group behavior, emotion, and thinking, including attitudes, identity development, racism, privilege, coping strategies, and intersectional experiences. Psychohistorical analysis of the experiences of African Americans, Asian Americans, Latino(a) Americans, and Native Americans. UC/CSU

PSYC 24. Queer Psychology (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Examines the psychological experiences of LGBTQ people. Intersectionality, feminist psychology, and queer theoretical perspectives are used to analyze the impact of queer identity on how individuals think, feel, and behave. Critical exploration of current research and models of sexual orientation and gender identity, and impacts of stigma and discrimination. UC/CSU

PSYC 25. Psychology of Gender (3)

Lec-52.5 P/NP available

This course is an analysis of theories and research on how behavioral, cognitive, and emotional processes are impacted by gender. It includes an intersectional critique of biological, psychological, sociocultural ideas of gender, gender continuums from cis to transgender and addresses topics such as stereotypes, relationships, violence, sexuality, work and academics from various perspectives. Included is a focus on experiences of, and responses to, oppression. UC/CSU

OFFERED FALL SEMESTERS

PSYC 26. Applied Psychology (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Critical exploration of psychological theory, research findings, and concepts relevant to human adjustment. Emphasis on the proactive and practical application of psychology to improve self awareness, facilitate personal growth, and enhance social relationships. CSU

PSYC 32. Social Psychology (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The study of human behavior and mental processes in the context of the social world. Examination of current research and theories with an emphasis on how an individual's thoughts, feelings, and behaviors influence and are influenced by other people, sociocultural factors, and the physical environment. UC/CSU

C-ID PSY 170

FORMERLY SOC 30

PSYC 40. Child and Adolescent Psychology (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: PSYC 1 AND (READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188)

Introduction to the psychology of children from conception through adolescence. Examination of research and theory, emphasizing how development is enhanced or restricted. Physical, emotional, social, and cognitive development are discussed. Practical information is given for parents, teachers, counselors, and other concerned adults. UC/CSU

PSYC 50. Psychology of Psychoactive Drugs (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introduction to the biopsychological principles of psychoactive drugs. The course will explore the impact of drugs on neuronal communication and behavior. A primary focus includes critical evaluation of psychological research findings, research controversies, and popular claims. UC/CSU

APPROVED AS PSYC 42, WHICH HAD ALREADY BEEN USED; NOW PSYC 50.

Mission Statement

Mission Statement of the Radiologic Sciences Department. The Radiologic Sciences Department at City College of San Francisco is dedicated to the advancement of the allied health care industry by providing educational opportunities that foster ethical and compassionate behavior, professional development, and a respect for human diversity. The accomplishment of this mission is embedded in our values through the department's acronym: CCSF RADSCI

Our Values:

Compassionate patient care

Continued pursuit of learning

Sensitivity to the learning needs of our students

Fair and equitable treatment for all

Respect for all

Accountability and ethical behavior

Diversity consciousness
 Service to the community and the advancement of the Radiologic
 Technology Profession
 Commitment to excellence in the Radiologic Technology Profession
 Integrity of the Education

Our Vision

To provide superior didactic and clinical educational opportunities that ensure CCSF Radiologic Sciences graduates are among the highest qualified radiologic technologists in the industry.

Announcement of Curricula

Degree Curricula

Diagnostic Medical Imaging

The curriculum in Diagnostic Medical Imaging is accredited by the Joint Review Committee on Education in Radiologic Technology, and approved by the Radiologic Health Branch of the California State Department of Public Health. For more information about these agencies, see the “Overview of the College” section of this Catalog.

The program maintains an affiliation with multiple San Francisco hospital radiology departments for the purpose of clinical education.

For more information, please visit www.ccsf.edu/dmi

Consideration for Admission to the Curriculum. To be considered for admission to the curriculum, applicants must—

1. Meet the prerequisite requirements as described in the DMI program admissions requirements with a grade of “C” or higher:
2. Complete 40 hours of volunteer service in a hospital Radiology Department. Consult the Diagnostic Medical Imaging (DMI) application (available at www.ccsf.edu/dmi) for more details about this requirement.
3. Have at least a 2.0 cumulative grade point average in college work previously completed.
4. Be in good physical and mental health.
5. File with the Office of Admissions and Records a completed application for admission to City College (for dates, see in this catalog the “Calendar of Instruction”).
6. Submit an application to the Radiologic Sciences Office. Contact Radiologic Sciences Department for filing deadline dates. (Applications are available at www.ccsf.edu/dmi).

Health Clearance Requirements. In addition to academic requirements and orientation, enrollment in the Diagnostic Medical Imaging Program is subject to evidence of immunizations per the San Francisco Health Department. In addition, upon program admission, the student must satisfactorily complete a physical examination given by an appropriately licensed health care provider.

Background Check Requirement. A background check will be required by the clinical affiliates. The cost for this will be incurred by the student. Students must complete this background check upon admission to the program.

Drug Screening. Drug screening is required by the clinical affiliate. The student is responsible for the cost.

Program Orientation. Upon admission, students are required to attend two scheduled program orientations.

Instruction in the Major. The course of study includes instruction in radiologic theory and techniques, pathology, patient care, radiation protection, anatomy, physics, and physiology. The curriculum is 30 months in length. Clinical education in diagnostic medical imaging is taught in the radiology departments of the hospitals affiliated with the College in offering the program. Members of the professional and technical staff of these departments serve as instructors.

Upon satisfactory completion of the Program and college graduation requirements, the student is awarded the Associate in Science degree. Upon satisfactory completion of the clinical internship in an affiliate hospital, the student is eligible for the ARRT national examination for certification.

Scholarship Requirements and Basis for Disqualification. A final grade lower than C (75%) in any of the required Diagnostic Medical Imaging courses, or a grade point average below 2.0 will be cause for dismissal from the Diagnostic Medical Imaging Program. Students may also be disqualified prior to the end of the semester should they receive a grade lower than C in their clinical performance. Students may be suspended or dismissed for excessive absences either on campus or at the clinical affiliate, according to the attendance policy, or for other reasons consistent with College policy, as set forth in the Catalogue under General Information.

Readmission of Students Disqualified Because of Unsatisfactory Scholarship. Students who have been disqualified from continuing in the curriculum because they received a final grade lower than C and who desire to be readmitted must submit a new application to the Radiologic Sciences Department Review Committee. As Part of the procedure, the Committee will meet with the applicant prior to making a decision. The Committee will base its recommendations on the current policy of the Diagnostic Medical Imaging Program, which is available from the department office.

Associate in Science Degree. The course of study is designed so that students may satisfy the requirements for graduation from the College. Students who these requirements, complete the required courses in the curriculum, including the clinical internship, with final grades of C or higher, will receive an A.S. degree with a Major in Diagnostic Medical Imaging.

State and National Certification. State certification is required for employment in California. Graduates are eligible for and must take the certification examination given by the American Registry of Radiologic Technologists (ARRT), a national certification board recognized by the Joint Review Committee for Education in Radiologic Technology. All employers require national certification. Upon notification of successful ARRT results, the graduate must apply for certification from the state of California.

Purchase of Uniforms and Clinical Supplies. Students are required to purchase the uniforms required in the courses in radiologic technology. The cost of uniforms and other supplies is approximately \$500.

Diagnostic Medical Imaging Major (AS)

The Diagnostic Medical Imaging (DMI) Major provides didactic and clinical education in the operation of radiographic and computerized equipment, performance of radiologic procedures, creating and processing of radiographs, comprehensive coursework in radiation protection, and exposure to advanced imaging modalities. A minimum of 1,850 laboratory and clinical hours are required to complete this program. The DMI program is accredited by the Joint Review

Committee on Education in Radiologic Technology (JRCERT), and by the California State Department of Public Health-Radiologic Health Branch (CDPH-RHB). Upon successful program completion and an award of the Associate of Science degree in Diagnostic and Medical Imaging, graduates will be eligible to sit for board examinations administered by the American Registry of Radiologic Technologists (ARRT) and the CDPH-RHB.

The ARRT requires an Associate Degree as eligibility to sit for the ARRT board examination; therefore, the DMI program strongly urges all applicants who do not possess an Associate Degree or higher to complete all the general education requirements for the Associate of Science degree prior to applying for admission to the program.

The radiologic technologist provides patient services using imaging equipment, and assists radiologists or other physicians qualified to order and or perform radiologic procedures. The radiologic technologist's main duty is to provide quality patient care while applying critical thinking and knowledge of sciences, positioning, radiation protection, and radiographic technique. Effective communication with patients, other health professionals, and the public is important. Additional duties may include management of images, manipulating radiologic software and hardware infrastructure, performing quality assurance procedures, and providing patient education relevant to specific imaging procedures.

The employment outlook for radiologic technologists is very good. The growth in job opportunities is a result of the growth in health-care industries and new uses of diagnostic imaging and therapeutic technology.

Learning Outcomes

Upon completion of this program, students will be able to:

- Practice clinical competence, including patient care skills and radiation protection measures, to ensure optimal diagnostic images during radiologic procedures.
- Employ critical thinking and problem-solving methods during diagnostic medical imaging procedures.
- Exhibit professionalism in their practice of diagnostic medical imaging.
- Communicate appropriately during diagnostic medical imaging procedures.

Admission Requirements

For a detailed breakdown of admission requirements go to www.ccsf.edu/dmi and select “DMI Program Admissions.”

All prospective students must apply to and be accepted prior to starting the DMI program. The minimum time for DMI program completion is seven semesters, including two summer sessions; completion time will vary based on student preparation and the number of units completed per semester.

Prerequisite and Required Courses

For a detailed breakdown of admission requirements go to www.ccsf.edu/dmi and select “DMI Program Admissions.”

These courses must be completed before applying to the program. These courses must be completed within seven years of the application date, with the exception of English. English does not have an expiration date.

- **Chemistry with Lab** (CHEM 32 or CHEM 101A)
- **English** (ENGL 1A)

- **Human Anatomy and Physiology with Lab** (BIO 108 and BIO 112)
- **Intermediate Algebra** (MATH 46 or MATH 60)
- **Physics with Lab** (PHYC 10 and PHYC 10L)

Highly Recommended Courses to Complete Before Application

For a detailed breakdown of admission requirements go to www.ccsf.edu/dmi and select “DMI Program Admissions.”

These courses are not required to be completed before applying to the program; however, these courses serve as prerequisites or corequisites to DMI courses as early as the first semester of the program. These courses do not have to be completed within seven years of the application date.

- **Advanced First Aid and Basic Life Support** (EMT 14)
- **Intro to Radiologic Technology** (DMI 49)
- **Medical Terminology** (HIT 50A)
- **Psychology** (PSYC 1 or PSYC 26)
- **Public Speaking** (CMST 1A, CMST 11, or CMST 12)

Certification Note

The American Registry of Radiologic Technologists may deny certification for a felony or misdemeanor offenses. It is the responsibility of the student to present sufficient evidence of rehabilitation prior to applying to the DMI program by securing a pre-application process with the ARRT. This pre-application process is independent of the program admission application. Go to www.ARRT.org for more information.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of the DMI AS degree is 7 semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Diagnostic Medical Imaging

Course Units
Required

Didactic Courses

DMI 49 Introduction to Radiologic Technology	3.0
DMI 50A Introduction to Medical Radiography	3.0
DMI 52 Patient Care in Radiologic Technology	3.0
DMI 50B Radiologic Physics and Equipment	2.5
DMI 51A Radiographic Anatomy and Positioning	7.0
DMI 51B Radiographic Exposure Factors	2.0

Announcement of Courses**Credit, Degree Applicable Courses:****DMI 49. Introduction to Radiologic Technology (3)**

Lec-52.5, field trips

History of radiologic technology, imaging equipment, procedures, patient care, radiation safety, ethics, and professional organizations. CSU

*OPEN TO ALL STUDENTS WHO MAY BE INTERESTED IN A CAREER IN RADIOLOGIC TECHNOLOGY AND REQUIRED OF STUDENTS ACCEPTED INTO THE DIAGNOSTIC MEDICAL IMAGING PROGRAM.**OFFERED FALL AND SPRING SEMESTERS***DMI 50A. Introduction to Medical Radiography (3)**

Lec-35, Lab-52.5

PREREQ: ADMISSION TO THE DIAGNOSTIC MEDICAL IMAGING PROGRAM; COMPLETION OF OR CONCURRENT ENROLLMENT IN: DMI 49

Introduction to radiation physics, x-ray equipment, and imaging factors governing image receptor exposure, processing, and quality. CSU

*OFFERED FALL AND SPRING SEMESTERS***DMI 50B. Radiologic Physics and Equipment (2.5)**

Lec-35, Lab-35, field trips

PREREQ: DMI 50A

This course studies the physics of the field of radiologic technology, fluoroscopy, and the interaction of ionizing radiation with matter.

Included is an examination and application of radiology equipment and radiation protection as well as the study of x-ray circuitry as it pertains to the equipment used in the field. CSU

*OFFERED FALL AND SPRING SEMESTERS***DMI 51A. Radiographic Anatomy and Positioning (7)**

Lec-105, Lab-52.5

PREREQ: DMI 49 AND DMI 50A AND DMI 52; COMPLETION OF OR CONCURRENT ENROLLMENT IN: EMT 14 AND HIT 50A

Anatomy and positioning of the axial and appendicular skeleton (except skull) and internal organs. Preliminary steps in radiographic positioning and equipment, radiation protection, patient relations, first aid and standard precautions as it pertains to radiographic examinations. CSU

*INTENDED TO BE TAKEN CONCURRENTLY WITH DMI 50B AND 51B.**OFFERED FALL AND SPRING SEMESTERS***DMI 51B. Radiographic Exposure Factors (2)**

Lec-35, Lab-17.5

PREREQ: DMI 50A

COREQ: DMI 51A AND DMI 50B

Theoretical and practical application of exposure factors. Technical requirements in order to both produce and critique radiographic images for optimum diagnostic quality. CSU

*OFFERED FALL AND SPRING SEMESTERS***DMI 52. Patient Care in Radiologic Technology (3)**

Lec-52.5, field trips

PREREQ: ENGL 1A; COMPLETION OF OR CONCURRENT ENROLLMENT IN: EMT 14 AND PSYC 1

COREQ: DMI 50A

Introduction to patient care to include patient and staff communication

skills, body mechanics for safe patient transfer and radiation safety as it applies to the basics of time, distance, and shielding. Emphasis on ethical decision making, confidentiality, age and cultural specific differences, as applied to the responsibilities of the Radiologic Technologist. CSU

*ONLY OPEN TO STUDENTS ACCEPTED INTO THE DMI PROGRAM.**OFFERED FALL AND SPRING SEMESTERS***DMI 54. Vascular and Interventional Procedures (2)**

Lec-35, field trips

COREQ: DMI 65 AND 66

Emphasis on vascular imaging trends, related equipment considerations, anatomy, patient care, and interventional radiography. CSU

*OPEN ONLY TO STUDENTS THAT HAVE BEEN ACCEPTED INTO THE DMI PROGRAM.**OFFERED FALL AND SPRING SEMESTERS***DMI 55. Skull Radiography (2)**

Lec-35

PREREQ: DMI 51A

COREQ: DMI 63 AND (DMI 62 OR DMI 64)

Anatomy of the skull and facial bones, topical landmarks, radiographic positioning and technical factors, radiographic equipment and usage.

CSU

DMI 56. Radiographic Pathology (3)

Lec-52.5

COREQ: DMI 64 OR DMI 66

Discussion and illustration of normal variations and abnormal changes due to disease as manifested through diagnostic imaging procedures.

Description of modifications of standard and special techniques necessary to obtain adequate diagnostic imaging studies. CSU

*OPEN TO ADVANCED RADIOLOGIC TECHNOLOGY STUDENTS ONLY WHO HAVE BEEN ACCEPTED INTO THE DMI PROGRAM.**OFFERED FALL SEMESTERS***DMI 57. Multiplanar Imaging in Radiologic Sciences (3)**

Lec-52.5, field trips

PREREQ: ANAT 25 OR BIO 108

COREQ: DMI 63

Anatomy from multiplanar perspectives as visualized on Computed Tomography, Magnetic Resonance Imaging, and other imaging modalities. CSU

*OFFERED FALL AND SPRING SEMESTERS***DMI 62. Clinical Education in DMI I (5)**

Lab-280

PREREQ: CMST 1A OR ESL 79

First semester of clinical education experience in a hospital radiology department. Placement is determined by the Program Officials.

Regular meetings with CCSF faculty at the hospital to ensure appropriate progress in the clinical environment. DMI faculty will oversee all student activities at the clinical site. CSU

*OFFERED SPRING AND SUMMER SEMESTERS***DMI 63. Intermediate Diagnostic Procedures (2)**

Lec-35, Lab-17.5

PREREQ: DMI 51A

Basic theories underlying intermediate diagnostic imaging procedures. Relationships of clinical indications, patient demographics, special precautions, accessory equipment, and patient positioning. CSU

OFFERED FALL AND SPRING SEMESTERS

DMI 64. Clinical Education in DMI II (5)

Lab-280

PREREQ: DMI 62; COMPLETION OF OR CONCURRENT ENROLLMENT IN: DMI 55; DMI 63

Second semester of clinical education in a hospital radiology department. Placement is determined by the Program Officials. On-site meetings with CCSF faculty. CSU

OFFERED SUMMER AND FALL SEMESTERS

DMI 65. Advanced Imaging Procedures (2)

Lec-35, field trips

COREQ: DMI 66

Fundamentals of Computed Tomography and Magnetic Resonance Imaging. Emphasis on physics, patient care and professionalism. CSU

OFFERED FALL AND SPRING SEMESTERS

DMI 66. Clinical Education in DMI III (5)

Lab-280

PREREQ: DMI 64

COREQ: DMI 54 AND DMI 65

Third semester of clinical education in a newly assigned hospital radiology department. Placement is determined by the Program Officials. On-site meetings with CCSF faculty. CSU

OFFERED FALL AND SPRING SEMESTERS

DMI 68. Clinical Education in DMI IV (13)

Lab-700

PREREQ: DMI 66

COREQ: DMI 100

Internship semester of clinical education in a hospital radiology department. Placement is determined by the Program Officials. Performance of clinical internship competencies including those not completed in DMI 69. On-site meetings with CCSF faculty. CSU

OFFERED FALL AND SPRING SEMESTERS

DMI 69. Clinical Education Internship Summer Bridge (6)

Lab-340

PREREQ: DMI 66

Summer bridge internship semester of clinical education in a hospital radiology department. Placement is determined by the Program Officials. Performance of clinical internship competencies including those not completed in DMI 68. On-site meetings with CCSF faculty. CSU

OFFERED SUMMER SEMESTERS

DMI 70. Radiation Protection (2)

Lec-35, Lab-17.5

COREQ: DMI 66

Methods of reducing radiation exposure to patients, and safe practices for protection of personnel. State and national regulations pertaining to the use of diagnostic radiography, and fluoroscopy. CSU

OFFERED FALL AND SPRING SEMESTERS

DMI 72. Mammography (3)

Lec-52.5, field trips

Focuses on patient interactions, management, image acquisition, quality assurance, positioning/procedures, and pathology specific to mammography. This course meets the 16 hours of structured education required by the ARRT and 40 hours of structured education required by the CDPH-RHB. CSU

ONLY OPEN TO STUDENTS ACCEPTED INTO THE DMI PROGRAM.

OFFERED FALL AND SPRING SEMESTERS

DMI 100. Registry Examination and Career Preparation (1)

Lec-17.5, field trips

COREQ: DMI 68

Consolidation of Diagnostic Medical Imaging topics designed to prepare students for the certification examination in Radiography administered by the American Registry of Radiologic Technologists. CSU

OFFERED FALL AND SPRING SEMESTERS

Announcement of Curricula

Sociology Major (AA-T)

The AA-T in Sociology offers students a comprehensive lower division program in Sociology. The AA-T prepares students who wish to transfer and pursue a baccalaureate degree in Sociology. Sociology is a behavioral science grounded in the study of how groups interact, with a focus on power, structure, and culture. Topics covered include the reproduction of inequalities in social systems, both institutional and individual. By applying macro and micro sociological theories to the study of social life and social problems, students engage in social critique and study how social change occurs. Students are also introduced to the power of research for understanding and changing our social world.

Learning Outcomes

Upon completion of this program, students will be able to:

- Compare the major contemporary theoretical perspectives in sociology.
- Identify and apply research methods and statistical methods appropriate to sociology.
- Apply the sociological perspective to contemporary issues to analyze social problems and public policy.
- Apply sociological principles and theories to everyday interactions with people from diverse backgrounds.

Students who wish to earn the Associate in Arts in Sociology for Transfer (AA-T) must complete 60 degree-applicable semester units (or 90 quarter units) with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units required for the major as specified below. Each course in the major must be completed with a minimum grade of "C" (or "P"). Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

The minimum time for completion is 4 semesters; completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AA-T in Sociology

Course.....Units

REQUIRED core course:

SOC 1 Introduction to Sociology 3.0

Choose TWO of the following courses:

SOC 3 Social Problems..... 3.0

SOC 21 Introduction to Research Methods..... 3.0

--OR substitute ONE of the following statistics courses for SOC 3 or SOC 21:

PSYC 5 Statistics for Behavioral Sciences..... 5.0

LALS 5 Introduction to Statistical Methods in Latin

American and Latino/a Studies 5.0

MATH 80 Probability and Statistics 5.0
ECON 5 Introductory Statistics for Economics,
Business and Social Sciences..... 5.0

Choose TWO of the following courses from Group A:

SOC 2 Sociology of Deviance and Crime 3.0

SOC 25 Sex and Gender in the U.S. 3.0

SOC 35 Sex, Marriage, and Family Relationships..... 3.0

SOC 52 Men, Masculinity, and Society 3.0

PSYC 32 Social Psychology 3.0

IDST 37 Introduction to Ethnic Studies..... 3.0

Either SOC 3 or SOC 21 may fulfill Group A requirements if not used previously.

Choose ONE of the following courses from Group B:

ANTH 3 Introduction to Social and Cultural

Anthropology 3.0

ANTH 3C Introduction to Cultural Anthropology:

Focus on U.S. Cultures..... 3.0

IDST 17 Human Sexuality 3.0

POLS 1 American Government..... 3.0

PSYC 1 General Psychology..... 3.0

PSYC 23 Psychology of Race and Ethnic

Relations 3.0

SOC 11 Intro to Social Work and Human

Services 3.0

SOC 55 Introduction to Cannabis Studies..... 3.0

Either SOC 3 or SOC 21 and any course not used in Group A may fulfill Group B requirements if not used previously.

Total: 18.0 – 20.0

Social Work Major (AA-T)

The Social Work degree is designed to prepare students for transfer into the CSU system and employment in the human services field. Social Work is an applied behavioral science and focuses on the essential information for understanding and critically analyzing behavior, social forces and conditions in diverse environments. Students will gain essential skills and hands-on experience in providing human services. The program will enable students to develop an analysis of how social conditions contribute to inequality and the need for social services.

Learning Outcomes

Upon completion of this program, students will be able to:

- Critique major theories related to the understanding of social problems and social welfare policy.
- Apply various methods of inquiry including statistical analysis to examine social welfare issues.
- Apply the biopsychosocial model to understand real life experiences of persons from diverse backgrounds.

Students who wish to earn the Associate in Arts in Social Work for Transfer (AA-T) must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of "C" (or "P") or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

Assuming students start this AA-T program with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and

number of units completed per semester. Students must complete a minimum of 3 of 7 required courses at City College of San Francisco.

Courses Required for the AA-T in Social Work

Course Units

Required Social Work Courses

SOC 11 Intro to Social Work and Human Services 3.0

SOC 12 Fieldwork/Practicum: Social Work and Human Services 3.0

Required Behavioral Sciences Courses

PSYC 1 General Psychology 3.0

SOC 1 Introduction to Sociology 3.0

Required Critical Analysis Courses

PSYC 5 Statistics for Behavioral Sciences 5.0

or LALS 5 Introduction to Statistical Methods in Latin American and Latino/a Studies 5.0

Announcement of Courses

Credit, Degree Applicable Courses:

SOC 1. Introduction to Sociology (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Designed for general education or those students majoring in one of the Behavioral Sciences. Introduction to human interaction from the sociological perspective and through the utilization of sociological concepts, theories and principles. Topics include culture, socialization, organizations, deviance, stratification, institutions, population, and social change. UC/CSU

C-ID SOCI 110

SOC 2. Sociology of Deviance and Crime (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

The study of the nature of deviance and the sociology of crime, with special attention to the sociological theories that underlay its definition,

as well as the social practices that are derived from them, including the criminal justice system. Analyses range from social psychological processes and the structure of social institutions (such as family, business, government, religion and law), to methods for measuring crime rates. UC/CSU

FORMERLY SOCIAL DEVIANCE

SOC 3. Social Problems (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Critical exploration of sociological research and thinking about contemporary social problems, including the types and causes of discrimination, as well as inequalities in society. Using a variety of sociological perspectives, this course explores the causes and consequences of social problems on individuals and societies, and the methods for social change and problem solutions. UC/CSU

C-ID SOCI 115

SOC 11. Intro to Social Work and Human Services (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

An introductory overview of social welfare and the societal institutions in the U.S. that structure the provision of social services. The course presents a historical perspective on the development of U.S. social work and human services. Special attention is given to current service delivery systems, their policies and procedures, and the tasks of culturally responsive social workers and human service workers within those settings. UC/CSU

SOC 12. Fieldwork/Practicum: Social Work and Human Services (3)

Work-180-225, field trips P/NP available

PREREQ: APPROVAL OF THE BEHAVIORAL SCIENCES DEPARTMENT; SOC 11

This course offers the student supervised field experience in community organization, agency, or institution, allowing the student to apply knowledge and learn skills outside of the classroom. Weekly class meetings add academics to this experiential course and reinforces the application of concepts gained in Soc 11. This course is designed to provide opportunities to develop skills to gain employment in the field. One unit of credit is earned for 60 hours of unpaid or 75 hours of paid work. CSU

SOC 21. Introduction to Research Methods (3)

Lec-52.5 P/NP available

PREREQ: SOC 1

Study of the fundamental elements of empirical research and the variety of ways in which sociology applies them. Attention to the logic between theory, concept, hypothesis, and variable and the relationship between population, sample and data. UC/CSU

C-ID SOCI 120

SOC 25. Sex and Gender in the U.S. (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

This course is a comprehensive introduction to the sociological study of gender and will focus on the multiple ways in which sex and gender are socially produced and sustained. Exploration of the social practices and processes that create sex and gender distinctions and contribute to inequalities. Emphasis on the social construction of sex and gender

and their intersections with other social identities such as race, sexual-ity, and class. UC/CSU

C-ID SOCI 140

OFFERED SPRING SEMESTERS

SOC 35. Sex, Marriage, and Family Relationships (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Critical exploration of the social, psychological, cultural, historical, and economic factors related to gender roles, courtship, marriage, partnership, parenting, and family patterns in U.S. society.

UC/CSU

C-ID SOCI 130

SOC 52. Men, Masculinity, and Society (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Through a socioanthropological lens, this course explores the complex development of masculine identities in diverse contexts. In addition, it examines the variations of masculine experiences such as boyhood, adolescence, and fatherhood through social class, race/ethnicity, age, occupation, gender identity, physical ability and sexuality, and the implications for people from such diverse groups. UC/CSU

CHANGED FROM SOC 36, WHICH HAD BEEN USED BEFORE FOR A DIFFERENT COURSE.

SOC 55. Introduction to Cannabis Studies (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introduction to a sociological examination of cannabis. Provides a historical analysis of the sociological study of cannabis and social identity, regulation and enforcement, criminalization, and movements toward legalization. Topics approached through the lens of social power and inequity. UC/CSU

Announcement of Curricula

Spanish Major (AA-T)

The AA-T in Spanish offers students a solid foundation in the study of Spanish. It prepares students who wish to transfer and pursue a baccalaureate degree in Spanish, particularly at California State University campuses.

Degree Requirements.

Students who wish to earn the Associate in Arts in Spanish for Transfer (AA-T) must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of “C” (or “P”) or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

Learning Outcomes

Upon completion of this program, students will be able to:

- Interact fluently in Spanish in a normal and spontaneous fashion at an intermediate level.
- Analyze current affairs media as well as contemporary literary prose in Spanish.
- Distinguish geography and cultural differences in the Spanish-speaking world.
- Communicate in Spanish at a level of proficiency necessary to perform successfully in upper-division course work.

Note: Students who place into higher level Spanish courses and do not complete a minimum of 18 units in the major, should take courses from Option 2, List B below to meet the minimum 18 units in the major required by Title 5.

Assuming students start this AA-T with transfer-level math and English eligibility, the minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AA-T in Spanish

Course Units

Choose either Option 1: Spanish Language Learners or Option 2: Spanish Heritage Speakers

OPTION 1: SPANISH LANGUAGE LEARNERS

Required courses:

- SPAN 1 Elementary Spanish 5.0
- or SPAN 1A Elementary Spanish 3.0
- and SPAN 1B Elementary Spanish 3.0
- SPAN 2 Continuation of Elementary Spanish 5.0
- or SPAN 2A Continuation of Elementary Spanish 3.0
- and SPAN 2B Continuation of Elementary Spanish 3.0
- SPAN 3 Intermediate Spanish 5.0
- or SPAN 3A Intermediate Spanish 3.0
- and SPAN 3B Intermediate Spanish 3.0
- SPAN 6 Continuation of Intermediate Spanish 5.0
- or SPAN 6A Continuation of Intermediate Spanish 3.0
- and SPAN 6B Continuation of Intermediate Spanish 3.0

Choose one of the following elective courses:

- SPAN 10B Continuation of Beginning Conversational Spanish 3.0
- SPAN 10C Intermediate Conversational Spanish 3.0
- SPAN 10D Continuation of Intermediate Conversational Spanish 3.0
- SPAN 7 Intro. to Literature in Spanish 3.0
- SPAN 5 Advanced Spanish: Hispanic Culture and Civilization. 3.0
- SPAN 5S Advanced Spanish: Hispanic Culture and Civilization. 3.0
- SPAN 22A Grammar Review and Composition 3.0
- SPAN 22B Grammar Review and Composition 3.0
- SPAN 41 Culture and Civilization of Spain 3.0

OPTION 2: SPANISH HERITAGE SPEAKERS

Required courses:

- SPAN 31A Spanish for Heritage Speakers 1A 3.0
- and SPAN 31B Spanish for Heritage Speakers 1B 3.0

SPAN 32A Spanish for Heritage Speakers 2A	3.0
and SPAN 32B Spanish for Heritage Speakers 2B	3.0
Choose one of the following LIST A elective courses:	
SPAN 5 Advanced Spanish: Hispanic Culture and Civilization.	3.0
SPAN 5S Advanced Spanish: Hispanic Culture and Civilization.	3.0
SPAN 7 Intro. to Literature in Spanish	3.0
SPAN 41 Culture and Civilization of Spain	3.0
Choose 2 of the following LIST B elective courses:	
ANTH 11 Latin American Cultures and Societies.	3.0
ART 105 Ancient Art and Architecture of Latin America	3.0

HIST 18B History of Latin America Since Independence	3.0
HIST 20 History of Mexico	3.0
MUS 25 Music of Latin America and the Caribbean	3.0
Total:	21.0 – 27.0

Spanish Major (AA)

The Spanish program provides instruction in developing a student's ability to communicate in Spanish, orally and in writing, through the intermediate level and to gain knowledge of Spanish-speaking cultures throughout the world. The program is designed to meet transfer goals as well as enhance personal development and career growth.

The Degree Curriculum in Spanish is a two-year course of study designed to build a strong language foundation as well as expose students to diverse cultural content and some literature. Students who complete the curriculum are better prepared to transfer to the CSU and UC systems as well as other universities with the intent of majoring or minoring in Spanish.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply a range of intermediate Spanish vocabulary, grammar, and syntax to communicate in oral and written Spanish.
- Interpret oral and written Spanish texts applying knowledge of intermediate vocabulary and structures.
- Analyze and synthesize aspects of Spanish-speaking cultures and society.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Announcement of Curricula

The Theatre Arts Department provides both academic and production experience in all aspects of theatre. A comprehensive set of courses fulfills general education and transfer requirements.

Purpose. Students participating in the theatre arts program learn to express themselves creatively through application of the theatrical skills of acting, directing, design, technical production, and stagecraft. They develop critical thinking and analytical abilities related to interpreting and criticizing dramatic literature. Students collaborate as

effective team members in performing established material or in creating original work.

Among the skills developed:

- Apply learned knowledge and skills to new and varied situations.
- Use feedback to improve performance.
- Implement time management skills to complete a task.
- Identify an objective and devise and implement a plan of action.

Theatre Arts Major (AA-T)

The AA-T in Theatre Arts offers students a comprehensive lower division program in Theatre revolving around a basic core program. The AA-T prepares students for transfer to upper division theatre programs at four-year colleges and universities, particularly to California State University (CSU) campuses.

Learning Outcomes

Upon completion of this program, students will be able to:

- Analyze and apply acting skills, including physical, vocal, imaginative, analytic, and emotional levels.
- Differentiate and analyze theatrical periods and styles of acting, directing, playwriting, and technical elements.
- Analyze theatre as a dynamic art form influencing society.
- Apply technical processes, including lighting, set, costume, and make-up design and production, as they pertain to a given dramatic script.

Degree Requirements. Students who wish to earn the AA-T in Theatre Arts must complete 60 CSU transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE curriculum and units for the major as specified below. Each course in the major must be completed with a grade of “C” (or “P”) or better. Courses used to meet the major requirement may also be used to meet IGETC or CSU GE requirements.

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AA-T in Theatre Arts

CourseUnits

Required core courses:

TH A 30 Introduction to Theatre 3.0
 or TH A 31 Survey of Classical Drama 3.0
 or TH A 32 Survey of Modern Drama. 3.0
 or TH A 33 Survey of the Art of Comedy 3.0
 TH A 150A Beginning Acting Fundamentals 3.0

Choose 3 units from the following

TH A 61 Technical Theatre Production 1.0 – 3.0
 TH A 201A Ensemble Role Comedy Play Rehearsal and Presentation. 1.0
 TH A 201B Supporting Role Comedy Play Rehearsal Presentation. 2.0
 TH A 201C Principal Role Comedy Play Rehearsal and Presentation. 3.0
 TH A 202A Ensemble Role Drama Play Rehearsal and Presentation. 1.0

TH A 202B Supporting Role Drama Play Rehearsal Presentation	2.0
TH A 202C Principal Role Drama Play Rehearsal and Presentation	3.0
TH A 203A Ensemble Role Classical Play Rehearsal Presentation	1.0
TH A 203B Supporting Role Classic Play Rehearsal Presentation	2.0
TH A 203C Principal Role Classic Play Rehearsal and Presentation	3.0
TH A 204A Ensemble Role Tragedy Play Rehearsal Presentation	1.0
TH A 204B Supporting Role Tragedy Play Rehearsal Presentation	2.0
TH A 204C Principal Role Tragedy Play Rehearsal and Presentation	3.0
Choose 9-10 units from the following	
TH A 60 Stagecraft	3.0
TH A 63 Introduction to Lighting Design	4.0
TH A 80 Introduction to Costume Design	3.0
TH A 81 Introduction to Stage Makeup and Wig Design	3.0
TH A 150B Intermediate Acting Fundamentals	3.0
Total:	18.0 – 19.0

Acting Certificate

The Certificate of Achievement in Acting provides students the basic skills and techniques necessary to successfully start a career path, as well as fundamental acting skills for self marketing, filling a need within the community for trained performers. However, most certificate students wishing to pursue professional acting careers must continue to build their resumes through substantial performance experience and will likely pursue additional training through private studios, training programs, or four-year university programs.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply practical aspects of acting, including imaginative, analytic, and emotional levels.
- Compare theatrical periods and styles of acting.
- Perform special acting styles.
- Apply fundamental techniques of voice and actor's craft to an audition for a production.

Students must complete each course with a grade of C or higher. Students must complete the 16 units at City College of San Francisco. The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Acting

Course Units

Required courses:

TH A 150A Beginning Acting Fundamentals	3.0
TH A 153A Beginning Improvisation	3.0
TH A 154A Beginning Acting For The Camera	4.0
TH A 160A Beginning Vocal Production and Audition	3.0

Choose any combination of three (3) elective units from the following, be it a single 3-unit course, any 1+2-unit combination, or any three 1-unit courses.

TH A 170A Beginning Shakespeare for Actors	3.0
--	-----

TH A 171A Beginning Storytelling and Performance	3.0

C-ID THTR 175

Enrollment Limitations on Physical Education and Visual or Performing Arts Courses

Per title 5 Section 55041, effective Fall 2013, students may not enroll more than four times in "active participatory courses that are related incontent" in the areas of physical education or visual and performing arts, which includes art, dance, music, and theatre. This limitation applies even if a student receives a substandard grade or "W" during one or more of the enrollments in such a course or if the students petition for repetition due to extenuating circumstances. Theatre Arts courses that are related in content are grouped together in "families" of courses below. The families are indicated by their headings, e.g., Play Rehearsal and Performance, Stagecraft, etc. For the most up-to date listing of courses and families, refer to the online catalog, www.ccsf.edu/catalog.

Stagecraft

TH A 60. Stagecraft (3)

Lec-35, Lab-70 P/NP available

Introduction and practical experience in stage scenery construction, stage properties selection, lighting execution, sound design, scenic painting techniques, and stage management through class lab work and participation in departmental productions UC/CSU

C-ID THTR 171

Set Design

TH A 62. Introduction to Stage Design (3)

Lec-52.5 P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Introduction to the basic techniques used in stage design for live performance with emphasis on the art of scenic design through drafting

techniques, model making, ground plans, as well as script analysis for the practical application of these skills. UC/CSU

OFFERED FALL SEMESTERS

Announcement of Curricula**General Information**

The Transitional Studies Department offers ongoing instruction in CCSF High School Diploma Program, General Educational Development (GED), Adult Basic Education (ABE), and Vocational Foundation Skills. The curriculum consists of noncredit courses in reading, writing, mathematics and specific subjects at (as) elementary, intermediate and advanced levels. Instructional methodology includes both individualized and traditional classroom instruction. Online instruction is available

All courses are free of charge and are without college credit.

Program Goals. Provide a comprehensive program leading to the CCSF High School Diploma; prepare students to pass the GED examination and/or HiSET(High School Equivalency Test); help students to achieve competency in Adult Basic Education; provide students with basic skills for living, employment; develop student readiness to succeed in college credit classes and Career/Technical Certificate programs.

Admission Requirements. All skill levels are accepted. After testing in reading, writing and mathematics, students are enrolled at a level matching their skills and geared toward their educational objectives. Students studying for the high school equivalency tests in Spanish are required to be fluent and literate in Spanish. **Offered at the following center:**

Mission Center Maria Rosales-Uribe, Chair
at marosale@ccsf.edu

CCSF High School Diploma Program HS Diploma

The City College of San Francisco High School Diploma Program is open to adult students who meet placement requirements. The program is also open to concurrently enrolled high school students who are in the 11th or 12th grades and who require high school credits to transfer to their home high schools.

Concurrently enrolled high school students may earn high school credits that transfer to their home high school by enrolling in Transitional Studies courses by arrangement with the student's high school counselor.

Credits may be earned in three ways: by completing course work, or by earning 12.5 points for each GED subtest and 10 points for each HiSET subtest that the student successfully passes.

For more information on both these tests go to https://www.ccsf.edu/en/student-services/matriculation_services/ged_center/ged_definition.html

Equivalent high school courses taken at other schools, or comparable college credit classes, may satisfy coursework requirements. Credits may be fulfilled by successful completion of courses in Transitional Studies, CCSF Vocational programs, English as a Second Language (ESL), CCSF credit classes or, with the TRST Department Chair's permission, any CCSF course. Additionally, courses earned at other

high school or college institutions may be transferred to the CCSF HS Diploma Program.

The CCSF High School Diploma's Program Learning Outcomes are derived from the Common Core State Standard and CASAS competencies.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply quantitative concepts and critical reasoning to address complex problems
- Locate, evaluate, and synthesize multiple forms of information from diverse disciplines and use proper attribution
- Apply effective and respectful communication skills.
- Integrate diverse perspectives using critical and creative reasoning
- Articulate an understanding of the history and values of diverse cultures including one's own.
- Assess one's own achievements and cultivate resources for educational and /or career growth
- Recognize and interpret creative expression

Residency requirement. At least 20 credits must be earned in the Transitional Studies Department or, with the Department Chair's permission, in other CCSF departments.

English requirement. to qualify for the CCSF HS Diploma, a student must have completed with a grade of "C" or better, at least one of the Transitional Studies core required English classes, or a CCSF degree-applicable class in the English Department.

Mathematics requirement. to qualify for the CCSF HS diploma, a student must have completed with a grade of "C" or better, at least one of the Transitional Studies core required mathematics classes, or a CCSF degree-applicable class in the Mathematics Department.

Completion time will vary based on student preparation and number of high school credits completed at other institutions. The minimum time for completion of this program is 1 semester because of the residency requirement.

Courses Required for the HS Diploma in CCSF High School Diploma Program

Course..... Hours

High School Science Choose 360 hours (20 high school credits) from the following

TRST 3631 High School Physical Science	90.0
TRST 3642 Biology	90.0
TRST 3643 High School Ecology	90.0
TRST 3644 Physics	90.0

High School Social Science Choose 540 hours (30 high school credits) from the following

TRST 3531 High School United States History 1.....	90.0
TRST 3532 United States History 2.....	90.0
TRST 3533 Civics.....	90.0
TRST 3534 Economics	90.0
TRST 3535 Modern World History.....	90.0
TRST 3536 Ethno-Social Justice	90.0
TRST 3537 H.S. United States History 3.....	90.0
TRST 3538 Contemporary World History.....	90.0

High School Humanities Choose 180 hours (10 high school credits) from the following

TRST 3721 Visual Arts	90.0
TRST 3732 Expressions of the Seven Dimensions in World Religions	90.0
TRST 3733 Art and Literature	90.0

High School English Choose 540 hours (30 high school credits) from the following

TRST 1322 Academic Reading/Writing 1.5	90.0
TRST 2322 Academic Reading/Writing 2.5.....	90.0
TRST 2323 Media Literacy.....	90.0
TRST 2731 The Americas in Film	90.0
TRST 3331 Academic Reading and Writing 3	90.0
TRST 3332 Grammar and Writing	90.0
TRST 3333 Introduction to Public Speaking	90.0
TRST 3334 Discovering Literature	90.0
TRST 3335 Exploring Literature	90.0
TRST 3346 H.S. Literature and Composition	90.0
TRST 3347 Contemporary American Writers.....	90.0
TRST 3348 Academic Writing 2	90.0
TRST 3733 Art and Literature	90.0
TRST 3734 High School Humanities	90.0

High School Mathematics Choose 360 hours (20 high school credits) from the following:

TRST 3421 High School Algebra 1A	90.0
TRST 3422 Algebra 1B	90.0
TRST 3423 High School Geometry 1A.....	90.0
TRST 3424 High School Geometry 1B	90.0
TRST 5042 High School Equivalency Prep: Mathematics ..	90.0
TRST 5055 Mathematical Concepts in Algebra and Geometry	90.0

High School Electives Choose 900 hours (50 high school credits) from the courses not selected previously or from the following

TRST 2421 Math Skills Development 2	90.0
TRST 2422 Math Skills Lab	90.0
TRST 2533 Health Education.....	90.0
TRST 5036 English 1.....	90.0
TRST 5038 Introduction to Academic Success.....	90.0
Total:	2880.0

Announcement of Courses

Noncredit Courses:

TRST 5036. English 1 (90-90 hrs)

RECOMMENDED PREP: TRST 2322

An advanced course designed to develop reading, writing, and critical thinking skills. Credits earned can be used towards the City College of San Francisco High School Diploma.

OFFERED FALL AND SPRING SEMESTERS

TRST 5038. Introduction to Academic Success (90 hrs)

RECOMMENDED PREP: TRST 2322

This is a high school level preparatory course with an emphasis on reading and writing expository texts with the goal of establishing academic skills necessary for career and college success.

OFFERED FALL AND SPRING SEMESTERS

TRST 5042. High School Equivalency Prep: Mathematics (90 hrs)

RECOMMENDED PREP:TRST 2421

Prepares students for the GED Mathematical Reasoning test, TASC or HiSET Math test, and/or credit math courses. Topics include quantita

450 Transitional Studies

tive reasoning with whole numbers, fractions, decimals, percents, and related word problems; data measurement and analysis; an introduction to algebraic reasoning; and geometric measurement.

OFFERED FALL AND SPRING SEMESTERS

TRST 5055. Mathematical Concepts in Algebra and Geometry (90 hrs)

RECOMMENDED PREP: TRST 2421 OR TRST 2422

Mathematical concepts and theories in algebra and geometry. Credits earned may be applied toward meeting the CCSF High School Diploma requirements in Area E: Mathematics.

OFFERED FALL AND SPRING SEMESTERS

Level I

Beginning and Basic Instruction in Reading, Writing, Communicating and Mathematics

TRST 1322. Academic Reading/Writing 1.5 (90 hrs)

RECOMMENDED PREP: ESLN 3500

A beginning course designed to develop reading and writing skills. Credits earned can be used towards CCSF High School Diploma.

OFFERED FALL AND SPRING SEMESTERS

TRST 1324. Academic Writing 1 (90 hrs)

Beginning course in writing with emphasis on sentence mechanics and paragraph development. Credits earned can be used towards CCSF High School Diploma.

OFFERED FALL AND SPRING SEMESTERS

Level II

Intermediate Instruction in Reading, Writing, Communicating and Mathematics

TRST 2322. Academic Reading/Writing 2.5 (90 hrs)

RECOMMENDED PREP: ESLN 3780 OR TRST 1322

An intermediate course designed to develop reading, writing, and critical thinking skills. Credits earned can be used towards City College of San Francisco English requirements towards the CCSF High School Diploma.

OFFERED FALL AND SPRING SEMESTERS

TRST 2323. Media Literacy (90 hrs)

RECOMMENDED PREP: ESLN 3700 OR TRST 1322

Students will learn the basic skills needed to decipher media messages and understand the impact such messages have on personal and societal decision making.

OFFERED ON OCCASION

TRST 2421. Math Skills Development 2 (90 hrs)

A fundamental math course focusing on decimals, fractions, ratios, proportions, percentages, and number line theory.

OFFERED FALL AND SPRING SEMESTERS

TRST 2422. Math Skills Lab (90 hrs)

This is a self-paced lab in basic mathematics, which includes whole numbers, fractions, decimals, and percentages. It is an open entry, open exit course.

OFFERED FALL AND SPRING SEMESTERS

TRST 2533. Health Education (90 hrs)

RECOMMENDED PREP: ESLN 3580

Introduction to basic health information that addresses the promotion

of physical, mental, emotional, and social dimensions of health

OFFERED ON OCCASION

TRST 2731. The Americas in Film (90 hrs)

RECOMMENDED PREP: TRST 1322

The study of the societies of Latin America, the United States, and Canada using film. Themes such as injustice, rebellion, and identity will be explored.

OFFERED ON OCCASION

Level III

Advanced classes in reading, writing, communicating, mathematics and critical thinking in specific High School subjects. Required coursework for the City College of San Francisco High School Diploma Program. Courses also prepare students for subject matter examinations on the GED and for transfer to credit.

TRST 3331. Academic Reading and Writing 3 (90 hrs)

RECOMMENDED PREP: TRST 2322

A high school level academic reading and writing course with an emphasis on reading expository text and writing essays.

OFFERED FALL AND SPRING SEMESTERS

TRST 3332. Grammar and Writing (90 hrs)

PREREQ: TRST 1324 OR CASAS SCORE OF 225 OR HIGHER

Intermediate course in the writing process with emphasis on sentence mechanics and coherent paragraph development. Credits earned can be used towards CCSF High School Diploma.

OFFERED FALL AND SPRING SEMESTERS

TRST 3333. Introduction to Public Speaking (90 hrs)

RECOMMENDED PREP: ESLN 3700

This course is designed to give students basic skills to deliver speeches that convey clear perspectives and solid reasoning.

OFFERED FALL SEMESTERS

TRST 3334. Discovering Literature (90 hrs)

RECOMMENDED PREP: ESLN 3700; TRST 2322

A beginning course designed to develop critical reading and writing skills, and to introduce significant works of literature, studying recurrent patterns and themes.

OFFERED FALL AND SPRING SEMESTERS

TRST 3335. Exploring Literature (90 hrs)

RECOMMENDED PREP: TRST 3334

An intermediate course designed to continue development of critical reading and writing skills using significant works of literature to study recurrent patterns and themes.

OFFERED FALL AND SPRING SEMESTERS

TRST 3346. H.S. Literature and Composition (90 hrs)

RECOMMENDED PREP: TRST 3335

Advanced course designed to develop student awareness of their own ideological framework and writing style, and strengthen their writing, editing, and critical thinking skills in response to multicultural literature in preparation for college English courses.

OFFERED FALL AND SPRING SEMESTERS

TRST 3347. Contemporary American Writers (90 hrs)

RECOMMENDED PREP: TRST 3335

A high school English course in which students interpret, analyze, and

respond to contemporary American fiction and nonfiction texts.

OFFERED FALL AND SPRING SEMESTERS

TRST 3348. Academic Writing 2 (90 hrs)

RECOMMENDED PREP: TRST 3332

Advanced writing course with emphasis on essay writing

OFFERED FALL AND SPRING SEMESTERS

TRST 3421. High School Algebra 1A (90 hrs)

RECOMMENDED PREP: TRST 2421

A first course in High School Algebra. Operations on integers and rational numbers; properties of rational numbers; exponents; expressions, inequalities, polynomials, factoring, and word problems.

OFFERED FALL AND SPRING SEMESTERS

TRST 3422. Algebra 1B (90 hrs)

RECOMMENDED PREP: TRST 3421

A second course in high school algebra: radical expressions and rational exponents; introduction to graphing; solving linear equations, linear inequalities, systems of two linear equations, and quadratic equations; and related applications.

OFFERED FALL AND SPRING SEMESTERS

TRST 3423. High School Geometry 1A (90 hrs)

RECOMMENDED PREP: TRST 3421

A first course in high school geometry. Topics include point, lines, and planes; classification of angles; triangles and the Pythagorean theorem; classifications of polygons; perimeters and areas of polygons; circumference and area of circles; surface areas and volumes of three-dimensional shapes.

OFFERED FALL AND SPRING SEMESTERS

TRST 3424. High School Geometry 1B (90 hrs)

RECOMMENDED PREP: TRST 3423

A second course in Geometry: Aside from learning the skills and concepts of angles, triangles, polygons, polyhedra, and spheres, students will develop their ability to construct formal, logical arguments and proofs in geometric settings and problems.

OFFERED FALL AND SPRING SEMESTERS

TRST 3531. High School United States History 1 (90 hrs)

RECOMMENDED PREP: TRST 2322

A high school history survey course of the eras between the discovery and exploration of the Americas to the Antebellum Era of the United States. Fulfills Social Science Core high school credits.

FULFILLS SOCIAL SCIENCE CORE HIGH SCHOOL CREDITS.

OFFERED FALL AND SPRING SEMESTERS

TRST 3532. United States History 2 (90 hrs)

RECOMMENDED PREP: TRST 2322

A high school history survey of the eras between the Civil War and the Eve of the Great Depression. Fulfills Social Science core high school credits.

OFFERED FALL AND SPRING SEMESTERS

TRST 3533. Civics (90 hrs)

RECOMMENDED PREP: PLACEMENT INTO TRST 3533

This course examines the value of the U.S. Constitution as a means to provide laws, rights, and protections for citizens of the United States. Evaluation and review of the key elements of representative form of democracy, including the idea that authority to govern resides with the people.

OFFERED ON OCCASION

TRST 3534. Economics (90 hrs)

RECOMMENDED PREP: PLACEMENT INTO TRST 3534

This course examines the ways economics affects individuals and groups in the private and public sector, and basic economic principles and their applications in the free enterprise system.

OFFERED ON OCCASION

TRST 3535. Modern World History (90 hrs)

RECOMMENDED PREP: PLACEMENT IN TRST 3535

This course considers the most fundamental cultural, social, political, and economic trends of the Modern World History Era (MWH 1750-1920), including the Global Market Expansion, the Industrial Revolution, Imperialism, and WWI.

OFFERED FALL AND SPRING SEMESTERS

TRST 3536. Ethno-Social Justice (90 hrs)

RECOMMENDED PREP: TRST 2322

Using the lens of social justice, this class will explore basic concepts and theories for analyzing dynamics of ethnic group experiences, particularly those represented in California, and their relation to colonization, immigration, gender, problems of identity, racism, and social class.

FORMERLY SOCIAL JUSTICE

OFFERED ON OCCASION

TRST 3537. H.S. United States History 3 (90 hrs)

RECOMMENDED PREP: TRST 2322

A high school history survey of the eras between the Great Depression and the present. Fulfills Social Science Core high school credits.

Complies with Historical Thinking Standards from National Center for History and Common Core State Standards.

OFFERED ON OCCASION

TRST 3538. Contemporary World History (90 hrs)

RECOMMENDED PREP: TRST 2322

Focus on the major turning points that shaped the contemporary world from Post World War One to the global interdependence of today. Topics include the rise of totalitarian governments, the search for stability and peace, and 20th-century cultural trends.

FORMERLY TRST 5052

OFFERED ON OCCASION

TRST 3631. High School Physical Science (90 hrs)

RECOMMENDED PREP: TRST 2422

This high school course is a general introduction to physical science and scientific methodology. It covers the basics of physics, chemistry, and astronomy to prepare students for future science classes. Basic math will be used to illustrate some of the basic scientific principles.

FULFILLS CCSF HIGH SCHOOL DIPLOMA SCIENCE REQUIREMENTS

OFFERED ON OCCASION

TRST 3642. Biology (90 hrs)

RECOMMENDED PREP: TRST 2322

A general introduction to cell structure and functions, the cell cycle, and principles of molecular and organism genetics

OFFERED FALL AND SPRING SEMESTERS

TRST 3643. High School Ecology (90 hrs)

An introductory course in ecological concepts, including structure and function of the biosphere, biomes, biotic and abiotic factors in an

ecosystem, biochemical and nutrient cycles, interaction among species, changes in populations, and current conservation in society.

OFFERED FALL AND SPRING SEMESTERS

TRST 3644. Physics (90 hrs)

RECOMMENDED PREP: TRST 3422

An introductory course in physics. Content is taught at a conceptual level using basic math such as ratios, square roots, scientific notation, graph interpretation, slope, and simple scalar and vector algebra. Topics include forces, motion, energy, momentum, work, power, simple machines, waves, electricity, and magnetism.

OFFERED FALL AND SPRING SEMESTERS

TRST 3721. Visual Arts (90 hrs)

Students learn techniques, elements of art, principles of design and the historical and cultural contexts of visual art by viewing reproductions of works and producing original works of their own.

OFFERED ON OCCASION

TRST 3732. Expressions of the Seven Dimensions in World Religions (90 hrs)

RECOMMENDED PREP: TRST 2322

This course focuses on the common elements among all faith and the historical development and core beliefs of major religions of the world: Hinduism, Buddhism, Judaism, Christianity, Islam, Shintoism, Daoism, and Sikism.

OFFERED ON OCCASION

TRST 3733. Art and Literature (90 hrs)

RECOMMENDED PREP: TRST 1322

A course designed to develop student awareness of the ways in which literature and visual art address similar themes, and to strengthen writing and editing skills, as well as visual art techniques.

OFFERED FALL AND SPRING SEMESTERS

TRST 3734. High School Humanities (90 hrs)

A course designed for students to develop reading and critical thinking skills. Credits earned may be applied toward meeting the CCSF High School Diploma requirements in Area C: Humanities or English.

FORMERLY TRST 5053

OFFERED ON OCCASION

Vocationally Related Courses

Prepare for Employment, Entry Into Job Training Programs, or Further College Study

TRST 4600. Vocational Foundation Skills--Reading and Writing (30-90 hrs)

Competency-based course designed to support student academic success in career, technical and vocational programs. Students learn and use workplace essential skills in reading and writing.

OFFERED ON OCCASION

TRST 4606. Vocational Foundation Skills - Mathematics I (36 hrs)

Preliminary short-term competency-based course designed to support student academic success in career, technical and vocational programs. Students learn and use vocational foundation skills in mathematics.

OFFERED ON OCCASION

Visual Media Design

Office: Visual Arts 103

Announcement of Curricula

General Information

The Visual Media Design Department provides educational programs for a broad range of design activities and media platforms. Enrollment is open to all interested students.

Our curriculum includes courses in graphic/visual design and production for interactive and print media, typography, digital illustration, digital imaging, animation, book arts and letterpress. Our degree and certificate programs prepare students for entry-level employment or transfer to university programs for further study. Curriculum specifics given on the following pages.

Graphic Design Major (AA)

We live in a time of information overload—subjected to a nonstop stream of words, images, and sounds. The role of the designer is to shape content in a meaningful way—using text, imagery, color and motion to convey ideas to users in the most effective and engaging manner possible.

The Graphic Design major was created to provide students with a strong foundation in the fundamental aspects of the designer's art. Students develop creativity and ideation skills, learn the theories of communication design and apply this to a broad range of static and interactive projects. Communication in all forms—visual, verbal and written—is stressed. The program is hands-on, integrating conceptual design studies with current digital tools and production methods. Advanced students have the opportunity to further develop their skills in Emerge Studio, a design studio practicum that provides quality communications pieces to the campus community.

The Graphic Design major is designed for students with no previous college degree, and prepares students to continue their studies in a 4-year institution or enter the design profession. Students are encouraged to meet with a program advisor to discuss their goals.

Learning Outcomes

Upon completion of this program, students will be able to:

- Employ and document a structured design process to develop design solutions, working both individually and collaboratively.
- Employ appropriate aesthetic form and content to create effective communication design.
- Select appropriate tools, materials and processes for a range of design contexts and media platforms.
- Analyze and discuss the merits of design work, using relevant concepts and terminology
- Develop and maintain a professional portfolio of work.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete infor

mation. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Graphic Design

Course Units

First Semester:

VMD 100 Orientation to Visual Media Design 1.0

VMD 105 Visual Media Digital Skills 3.0

First Semester—choose one of the following courses:

VMD 101 Design Fundamentals 3.0

or DSGN 101 Design Fundamentals 3.0

or PHOT 100 Design Fundamentals 3.0

Second Semester:

VMD 120 Graphic Design I 3.0

VMD 130 Typography I 3.0

VMD 140 Web Production I 3.0

VMD 152 InDesign I 3.0

VMD 154 Photoshop I 3.0

Third Semester:

VMD 122 Graphic Design II 3.0

VMD 127 User Experience 3.0

VMD 131 Typography II 3.0

VMD 150 Illustrator I 3.0

Fourth Semester:

VMD 190 Portfolio Preparation 3.0

VMD 200A Design Studio Practicum I 3.0

Fourth Semester—choose one of the following design courses:

VMD 124A Information Design 2.0

or VMD 124B Package Design 2.0

or VMD 124C User Interface Design 2.0

Total: 42.0

Certificate Curricula

We offer stackable certificate programs to meet the needs of a diverse student population. Start your studies with foundational certificate programs in Digital Art or Visual Design. These provide a short-term focused study in essential areas of visual design practice.

Foundational certificates can stand-alone or be combined with more advanced coursework to prepare students to enter the workforce in the emphasis areas of Digital Animation, Digital Illustration, Visual & Interactive Design, or Visual Media Production.

We partner with other design disciplines to offer the Collaborative Design Certificate.

Prospective students are encouraged to meet with a faculty advisor to discuss their goals and plan a program of study.

Visual Design Foundation Certificate

The Visual Design Foundation certificate provides essential knowledge, processes, principles and skills for visual design and production for print and interactive communications. It can serve as a stand-alone certificate, or as the basis for advanced study in graphic design, visual media production or other areas.

Learning Outcomes

Upon completion of this program, students will be able to:

- Employ an iterative process to develop design solutions.
- Apply the elements and principles of visual design.

- Select and use type effectively in design work.
- Select and use computer tools and processes.
- Evaluate design work in verbal and written critiques.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Visual Design Foundation

Course Units

Required

VMD 100 Orientation to Visual Media Design 1.0

VMD 101 Design Fundamentals 3.0

VMD 105 Visual Media Digital Skills 3.0

VMD 120 Graphic Design I 3.0

VMD 130 Typography I 3.0

VMD 140 Web Production I 3.0

VMD 150 Illustrator I 3.0

VMD 152 InDesign I 3.0

VMD 154 Photoshop I 3.0

Total: 25.0

Visual Media Production Certificate

The Visual Media Production certificate builds on the Visual Design Foundation Certificate for students interested in visual media production for screen and print communications. Production designers are proficient with industry-standard software tools and techniques, and have a working understanding of design processes, layout, type, and color. The program prepares students to enter the workforce in a range of production jobs for interactive and print work. Students will refine their skills in Emerge Studio, our on-campus design studio practicum that provides quality communications pieces to the campus community. They also have the option of supervised work-experience in a local firm. The certificate requires key courses, but allows the student to customize the program to meet their unique goals through electives.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply appropriate design and typographic principles to create, edit, and troubleshoot files for a variety of media.
- Demonstrate proficiency with current tools, materials and processes for a range of screen and print projects.
- Analyze and discuss the merits of visual communication work, using relevant concepts and terminology.
- Produce visual communication work independently and as a member of a collaborative team
- Employ professional design/production studio management practices.
- Develop and maintain a professional portfolio of digital media work.

The certificate requires successful completion of the Visual Design Foundation Certificate or demonstration of equivalent knowledge and skills.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Visual Media Production

Course.....	Units
Required	
VMD 131 Typography II	3.0
VMD 141 Web Production II	3.0
VMD 151 Illustrator II.....	3.0
VMD 153 InDesign II	3.0
VMD 155 Photoshop II.....	3.0
VMD 190 Portfolio Preparation	3.0
VMD 200A Design Studio Practicum I	3.0
Select 12 units from the following	
VMD 111 Print Processes for Designers	3.0
VMD 127 User Experience.....	3.0
VMD 194A Internship/Work Experience 1	1.0 3.0
VMD 200B Design Studio Practicum II	3.0
BCST 146A Video Motion Graphics.....	4.0
CNIT 133 JavaScript, jQuery, AJAX	3.0
CNIT 133M Mobile Web w/HTML, CSS & JS.....	3.0
CS 230W WordPress and Drupal CMS Development.....	3.0
Total:	33.0

Collaborative Design Certificate*

The certificate program in Collaborative Design provides students with a strong foundation in multidisciplinary approaches to design and collaboration.

*See Maker Studies section of the catalog.

Digital Animation Certificate

The Digital Animation certificate builds on the Digital Art Foundation Certificate for students interested in Digital Animation. It combines the study of animation, art, graphics and problem solving using the tools and techniques for digital animation. This course of study prepares students for entry-level positions in digital animation. This certificate requires successful completion of the Digital Art Foundation Certificate or demonstration of equivalent knowledge and skills.

Learning Outcomes

Upon completion of this program, students will be able to:

- Define and apply principles of animation in creative work.
- Create, edit, and troubleshoot animated project files using industry-standard tools and software.
- Analyze and critique creative work in verbal and written form.
- Employ professional design and production studio practices.
- Manage a portfolio of animation work.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Digital Animation

Course.....	Units
Required	
VMD 162A 2D Animation I.....	3.0
VMD 162B 2D Animation II	3.0
VMD 166 Storytelling and Storyboarding	3.0

ART 130B Intermediate Drawing	3.0

Choose one of the following

ART 136A Introduction to Illustration.....	3.0
VMD 168 Visual Development for Animation	3.0
VMD 170 Digital Illustration I.....	3.0

Total: 19.0 – 21.0

Digital Art Foundation Certificate

The Digital Art Foundation certificate provides essential knowledge and skills for digital artists. It can serve as a stand-alone certificate, or as the basis for continued study in digital illustration, animation, gaming or other areas.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply an iterative design process to creative projects.
- Employ the elements and principles of visual design in creative work.
- Employ drawing techniques in various areas of design practice.
- Analyze and apply color in creative work.
- Use industry-standard digital media software to create and edit files.
- Critique, verbally and in writing, visual media design work.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Digital Art Foundation

Course.....	Units

VMD 118/DSGN 150 Color in Design	3.0
ART 126 Color	3.0
Total:	20.5

Digital Illustration Certificate

The Digital Illustration certificate builds on the Digital Art Foundation Certificate for students interested in digital illustration for a variety of applications. The Digital Illustration Certificate Program combines the study of illustration, art and design with digital tools and techniques to create communicative imagery that is disseminated through all forms of visual media. This certificate prepares students for freelance illustration positions in print and

interactive media publishing, web and mobile design, advertising, animation, and gaming.

Learning Outcomes

Upon completion of this program, students will be able to:

- Use an iterative process including research, sketching, development and refinement to create original illustrations
- Produce original illustrative work using appropriate software
- Critique illustration work in verbal and written form
- Prepare a portfolio of illustration work

This certificate requires successful completion of the Digital Art Foundation Certificate or demonstration of equivalent knowledge and skills.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Digital Illustration

Course	Units
Required	
VMD 120 Graphic Design I	3.0
VMD 151 Illustrator II.	3.0
VMD 155 Photoshop II.	3.0
VMD 170 Digital Illustration I.	3.0
VMD 172 Digital Illustration II.	3.0
ART 132A Beginning Figure Drawing	3.0
VMD 190 Portfolio Preparation	3.0

Choose one of the following

VMD 168 Visual Development for Animation	3.0
ART 136A Introduction to Illustration.	3.0

Choose one of the following

VMD 200A Design Studio Practicum I	3.0
VMD I12 Design Drawing Techniques.	1.5
ART 130B Intermediate Drawing	3.0
ART 132B Intermediate Figure Drawing	3.0
Total:	25.5 – 27.0

Entrepreneurship in Visual Media Design Certificate

This certificate program is designed to prepare Visual Media Design students to engage in the world of entrepreneurship. The program’s interdisciplinary approach to entrepreneurship equips students with relevant tools in exploring various pathways to entrepreneurship such as full-time business ownership, sub-contracting (freelancing), consulting, corporate intrapreneurship or mission-driven social entrepreneurship.

This interdisciplinary certificate provides basic knowledge, processes, principles and skills for visual design and production for print and interactive communications.

Learning Outcomes

Upon completion of this program, students will be able to:

- Apply an entrepreneurial mindset that breeds creativity and innovation in the field of visual media design.
- Use terms and concepts related to functional areas of entrepreneurship necessary for startups.

- Analyze the marketing environment to identify entrepreneurial opportunities and areas for growth and development.
- Develop an agile and lean business plan for startup project/enterprise that is ready for pitching.
- Compare different entrepreneurship pathways in relation to a project or business idea.

The minimum time for completion of this certificate is 2 semesters. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Entrepreneurship in Visual Media Design

Course	Units
Required	
DSGN 105 Design Thinking.	1.5
ENTR 101 Introduction to Entrepreneurship	3.0
ENTR 102 Applied Design Thinking for Entrepreneurship	1.5
MRKT 140 Introduction to Marketing.	3.0
VMD 105 Visual Media Digital Skills	3.0
and DSGN 101 Design Fundamentals	3.0
or PHOT 100 Design Fundamentals	3.0
or VMD 101 Design Fundamentals	3.0

Choose at least 6 units from the following

VMD 120 Graphic Design I	3.0
VMD 140 Web Production I	3.0
VMD 150 Illustrator I	3.0
VMD 154 Photoshop I	3.0
VMD 192 Professional Practice	1.0
Total:	21.0

Visual & Interactive Design Certificate

The Visual & Interactive Design certificate builds on the Visual Design Foundation Certificate for students interested in working as visual/interactive designers for communications. It provides advanced study and application of design thinking to a broad range of communications projects (web, mobile and print). Students will refine their skills in Emerge Studio, our on-campus design studio practicum. The CCSF AIGA Student Group provides additional educational, networking and outreach opportunities within the professional design community. The certificate requires key courses, but allows the student to customize the program to meet their personal goals through electives.

Learning Outcomes

Upon completion of this program, students will be able to:

- Employ and document a structured design process to develop design solutions, working both individually and collaboratively.
- Combine appropriate aesthetic form and content to create effective design solutions.
- Select appropriate tools, materials and processes for a range of interactive and print projects.
- Critically analyze and discuss the merits of design work, using relevant concepts and terminology.
- Employ professional design/production studio practices, such as project management, record keeping, asset management, file naming and archiving.
- Develop and maintain a professional portfolio of work.

456 Visual Media Design

This certificate requires successful completion of the Visual Design Foundation Certificate or demonstration of equivalent knowledge and skills. All courses must be completed with a grade of “C” or higher.

The minimum time for completion of this certificate is 3 semesters. Completion time will vary based on student preparation and number of units or classes completed per semester.

Courses Required for the Certificate of Achievement in Visual & Interactive Design

Course	Units
Required	
VMD 110 History of Graphic Design	3.0
VMD 118/DSGN 150 Color in Design	3.0
VMD 122 Graphic Design II	3.0
VMD 127 User Experience	3.0
VMD 131 Typography II	3.0
VMD 190 Portfolio Preparation	3.0
Capstone Course	
VMD 200A Design Studio Practicum I	3.0
Select 2 courses from the following	
VMD 124A Information Design	2.0
VMD 124B Package Design	2.0
VMD 124C User Interface Design	2.0
Choose 6 units from the following	
VMD 111 Print Processes for Designers	3.0
VMD 112 Design Drawing Techniques	1.5
VMD 114A Letterpress Printing I	2.0
VMD 116A Bookbinding & Book Arts I	2.0

VMD 153 InDesign II	3.0
VMD 155 Photoshop II	3.0
VMD 192 Professional Practice	1.0
VMD 194A Internship/Work Experience 1	1.0 – 3.0
VMD 200B Design Studio Practicum II	3.0
Total:	31.0

Announcement of Courses

Visual Media Design

Credit, Degree Applicable Courses:

VMD 100. Orientation to Visual Media Design (1)

Lec-18 P/NP available

This course offers an overview of visual communication fields and the programs of study in the Visual Media Design Department. The class introduces students to professional practice in fields such as graphic design, illustration, imaging, publication design and web front end development. Students will identify potential career options, explore the necessary skills to succeed in these fields, and outline a future program of study. CSU

VMD 101. Design Fundamentals (3)

Lec-35, Lab-70, field trips P/NP available

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

Foundational design course, covering the theories, processes, vocabulary, and techniques common to visual design disciplines. Students will

develop and apply their knowledge through analysis, critique and individual and collaborative exercises and projects. UC/CSU

VMD 101 = DSGN 101 = PHOT 100

VMD 105. Visual Media Digital Skills (3)

Lec-35, Lab-70 P/NP available

A foundational hands-on Mac computer class for all Visual Media Design students. Topics of instruction will include computer hardware and OS software, networks, type and text formatting, raster and vector graphics, time-based media, layout for print and web, and best practices. Topics will be covered through lecture and practical exercises. CSU

FORMERLY GRPH 25

VMD 110. History of Graphic Design (3)

Lec-52.5, field trips P/NP available

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

A study of the development of visual communication in art, graphic design, illustration and popular culture from the prehistory to the present. The influence of political, social technological and commercial forces will be discussed and analyzed, with an emphasis on the use and interpretation of imagery, symbols, and type in design. UC/CSU

FORMERLY GRPH 110

OFFERED FALL SEMESTERS

VMD 111. Print Processes for Designers (3)

Lec-35, Lab-70 P/NP available

RECOMMENDED PREP: ESL 186 OR PLACEMENT IN ESL 188 OR READINESS FOR COLLEGE-LEVEL ENGLISH

A practical course to familiarize design students with processes and workflows involved in producing digital and offset printed materials. Students complete in-class exercises for the stages of print production - prepress, press, and finishing - using digital and traditional equipment. CSU

FORMERLY GRPH 27

OFFERED ON OCCASION

VMD 112. Design Drawing Techniques (1.5)

Lec-17.5, Lab-35 P/NP available

RECOMMENDED PREP: (DSGN 101 OR VMD 101 OR PHOT 100) AND (READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188)

Quick sketching methods for ideation and visual problem solving for designers, animators, illustrators and makers. Terminology, techniques and conventions of rapid visualization are covered, with hands-on practice with line, shape, form, perspective, lighting, shade and shadow. UC/CSU

VMD 112=DSGN 110

OFFERED SPRING SEMESTERS

VMD 114A. Letterpress Printing I (2)

Lec-35, Lab-17.5, field trips P/NP available

The art and craft of letterpress printing, hand set type and use of proofing presses. Emphasis is placed on skills development in hand set type, layout, proofreading, makeup, shop safety and press operations. CSU

FORMERLY GRPH 92A

OFFERED ON OCCASION

VMD 114B. Letterpress Printing II (2)

Lec-35, Lab-17.5, field trips P/NP available

PREREQ: 114A

Continued study of the art and craft of letterpress printing using the platen jobbing press. Further development of skills in the letterpress

printing processes, polymer plate production and usage, stock selection and calculation, and presswork. CSU

OFFERED ON OCCASION

VMD 116A. Bookbinding & Book Arts I (2)

Lec-35, Lab-17.5, field trips P/NP available

An introduction to the various practical methods of contemporary book design and production within the historical development of book structures. CSU

FORMERLY GRPH 153

OFFERED ON OCCASION

VMD 116B. Bookbinding & Book Arts II (2)

Lec-35, Lab-17.5, field trips P/NP available

PREREQ: VMD 116A

Intermediate study of the various practical methods of contemporary book design and production, including codex structures, tunnel, and accordion books, using both adhesive and sewn binding techniques. CSU

OFFERED ON OCCASION

VMD 116C. Bookbinding & Book Arts III (2)

Lec-35, Lab-17.5, field trips P/NP available

PREREQ: VMD 116B

Advanced study of contemporary book design and production including pop-ups and box structures using both traditional and non-traditional materials. CSU

OFFERED ON OCCASION

VMD 118. Color in Design (3)

Lec-35, Lab-70 P/NP available

RECOMMENDED PREP: COMPLETION OF OR CONCURRENT ENROLLMENT IN: (DSGN 101 OR VMD 101 OR PHOT 100) AND VMD 105

An exploration and application of the historical, cultural symbolic personal and professional uses of color through individual and collaborative projects. Topics include the properties and theory of color; creating color relationships and harmonies; and optical, psychological and spatial uses of color in various media and design disciplines. UC/CSU

VMD 118 = DSGN 150

VMD 120. Graphic Design I (3)

Lec-35, Lab-70 P/NP available

PREREQ: (VMD 101 OR DSGN 101 OR ART 125A OR PHOT 100) AND VMD 105

RECOMMENDED PREP: READINESS FOR COLLEGE-LEVEL ENGLISH OR ESL 188

A beginning graphic design course focusing on fundamental visual problem-solving skills for print and screen. Principles of visual communication, iterative design process, introduction to typography, page layout, grids, identity, and branding. UC/CSU

FORMERLY GRPH 35

VMD 122. Graphic Design II (3)

Lec-35, Lab-70 P/NP available

PREREQ: VMD 120 AND VMD 140 AND VMD 152

Continued study of visual communication design, covering both interactive (web/mobile) and print projects. Topics of study include research, design processes and deliverables for a range of interactive and print projects. UC/CSU

OFFERED FALL SEMESTERS

VMD 124A. Information Design (2)

Lec-26.5, Lab-26.5 P/NP available

PREREQ: VMD 122

An exploration of the visual design and presentation of numeric or objective data through exercises and a design project. The pace and scope of the class is intended for advanced design students looking to expand their skills and design portfolio. CSU

VMD 124A, VMD 124B, AND VMD 124C ARE NOT SEQUENTIAL AND MAY BE TAKEN IN ANY ORDER.

OFFERED ON OCCASION

VMD 124B. Package Design (2)

Lec-26.5, Lab-26.5 P/NP available

PREREQ: VMD 122

An exploration of package design through practical exercises and a design project. The pace and scope of the class is intended for advanced design students looking to expand their skills and design portfolio. CSU

VMD 124A, VMD 124B, AND VMD 124C ARE NOT SEQUENTIAL AND MAY BE TAKEN IN ANY ORDER.

OFFERED SPRING SEMESTERS

VMD 124C. User Interface Design (2)

Lec-26.5, Lab-26.5 P/NP available

PREREQ: VMD 122 AND VMD 127

The exploration of user interface design through exercises and projects. The pace and scope of the class is intended for advanced students looking to expand their skills and portfolio. CSU

VMD 124A, VMD 124B, AND VMD 124C ARE NOT SEQUENTIAL AND MAY BE TAKEN IN ANY ORDER.

OFFERED SPRING SEMESTERS

VMD 127. User Experience (3)

Lec-52.5, Lab-17.5 P/NP available

PREREQ: VMD 140

This course focuses on industry-standard User Experience (UX) concepts and processes including user-centered design, information architecture, interaction design and prototyping used in digital product design and development. Students explore key topics through a series of hands-on exercises and projects. CSU

FORMERLY MMSP 136

OFFERED FALL SEMESTERS

VMD 130. Typography I (3)

Lec-52.5, Lab-17.5, field trips P/NP available

PREREQ: (VMD 101 OR ART 125A) AND VMD 105

COREQ: VMD 152

Introduction to typography as key element of visual communication. Exploration of the fundamental aspects of typographic form and use. Students will develop the ability to see, select and use type in meaningful ways through exercises and assignments. CSU

FORMERLY GRPH 53A

VMD 131. Typography II (3)

Lec-35, Lab-70 P/NP available

PREREQ: VMD 130 AND VMD 152

Continued study of typography with emphasis on the development of an awareness of typographic form and structure. The role of typography in communication will be explored through practical exercises in typesetting and typographic design. CSU

FORMERLY GRPH 53B

OFFERED FALL SEMESTERS

VMD 134. Calligraphy (1)

Lec-16, Lab-8 P/NP available

RECOMMENDED PREP: VMD 130

Instruction in calligraphic tools, materials, and techniques. Study and practice of various historical and contemporary calligraphic styles and techniques, creative exercises in calligraphic layout, and discussion of contemporary lettering art and artists. CSU

FORMERLY GRPH 151

OFFERED ON OCCASION

VMD 135. Hand Lettering (1)

Lec-16, Lab-8 P/NP available

RECOMMENDED PREP: VMD 130

Instruction in hand lettering tools, materials, and techniques. Practice with various lettering styles, creative exercises in lettering design, and examination of contemporary lettering art and artists. CSU

OFFERED ON OCCASION

VMD 136. Digital Font Creation (2)

Lec-35, Lab-17.5, field trips P/NP available

PREREQ: VMD 105

RECOMMENDED PREP: VMD 130

Hands-on experience in creating digital fonts. Practice in all aspects of the process, from concept to execution. Discussion of the standards and techniques of type design, and of the current state of the type design profession. CSU

FORMERLY GRPH 152

OFFERED ON OCCASION

VMD 140. Web Production I (3)

Lec-35, Lab-70 P/NP available

PREREQ: VMD 105

This course will provide students with an overview of web site planning, development and production through a hands-on approach. Topics include web pre-production, design and production techniques. Assignments will focus on pre-production planning and production of web sites. CSU

VMD 141. Web Production II (3)

Lec-52.5, Lab-17.5 P/NP available

PREREQ: VMD 140; COMPLETION OF OR CONCURRENT ENROLLMENT IN: VMD 120

This is a hands-on intermediate course covering responsive web design processes and production. Students will learn the requirements of responsive design and how to plan and create responsive assets and pages. CSU

FORMERLY MMSP 135A

OFFERED FALL SEMESTERS

VMD 150. Illustrator I (3)

Lec-52.5, Lab-17.5 P/NP available

PREREQ: VMD 105

An introductory course in Adobe Illustrator, covering concepts of vector-based image creation. Students will reproduce existing images to learn the various tools available within the application. Document construction and accuracy with vector tools are emphasized. CSU

VMD 151. Illustrator II (3)

Lec-52.5, Lab-17.5 P/NP available

PREREQ: VMD 150

RECOMMENDED PREP: VMD 120

Continued study and use of Adobe Illustrator for print and screen with emphasis on advanced features and creative projects. CSU

OFFERED SPRING SEMESTERS

VMD 152. InDesign I (3)

Lec-52.5, Lab-17.5 P/NP available

PREREQ: VMD 105

An introduction to Adobe InDesign for page layout and design. Topics include the interface, typesetting, styles, master pages, creating objects, importing graphics, layers, transparency, preflight and packaging. Emphasis on best practices. CSU

FORMERLY GRPH 101A

VMD 153. InDesign II (3)

Lec-52.5, Lab-17.5 P/NP available

PREREQ: VMD 152

RECOMMENDED PREP: VMD 120; VMD 130

Continued study and use of Adobe InDesign for print and screen with emphasis on advanced features and design projects. Introduction to tables, books, and interactive documents. CSU

FORMERLY GRPH 101B

OFFERED FALL SEMESTERS

VMD 154. Photoshop I (3)

Lec-52.5, Lab-17.5 P/NP available

PREREQ: VMD 105

An introduction to Adobe Photoshop for digital image editing. Topics include interface, layers, painting, compositing, color correction, retouching, asset optimization and prototyping. Emphasis on best practices. CSU

FORMERLY GRPH 98A

VMD 155. Photoshop II (3)

Lec-52.5, Lab-17.5 P/NP available

PREREQ: VMD 154

RECOMMENDED PREP: VMD 120, 130 AND 140

Continued study and use of Adobe Photoshop with an emphasis on advanced features. This course focuses on complex document construction, smart objects, masking, compositing, color correction, retouching, and screen workflows. CSU

FORMERLY GRPH 98B

OFFERED SPRING SEMESTERS

VMD 162A. 2D Animation I (3)

Lec-35, Lab-70, field trips P/NP available

PREREQ: VMD 105 AND (VMD 101 OR DSGN 101 OR PHOT 100 OR ART 125A)

RECOMMENDED PREP: ART 130A

An overview of the techniques and principles of 2D animation as well as the specific tools used and roles found in the animation industry. CSU

FORMERLY VMD 162.

OFFERED FALL SEMESTERS

VMD 162B. 2D Animation II (3)

Lec-35, Lab-70, field trips P/NP available

PREREQ: VMD 162A

An advanced course in the techniques and principles of 2D animation using digital tools, including emphasis on advanced visual effects and developing original visual narratives. CSU

OFFERED FALL SEMESTERS

VMD 166. Storytelling and Storyboarding (3)

Lec-52.5, Lab-17.5 P/NP available

PREREQ: VMD 101 OR DSGN 101 OR PHOT 100

RECOMMENDED PREP: ART 130A

Referencing and using traditional storytelling methods, the student will explore multiple ways to generate and script content for digital

animation projects. Emphasis on development of skills and techniques of storyboarding. CSU
OFFERED ON OCCASION

VMD 168. Visual Development for Animation (3)

Lec-52.5, Lab-17.5 P/NP available
PREREQ: ART 130A; VMD 105
RECOMMENDED PREP: ART 132A OR ART 139; VMD 112 OR ARCH 20

An overview of techniques of visual development for animation. Students will be exposed to developmental stages including character development, layout design, props, concept art, and story boarding. CSU

OFFERED ON OCCASION

VMD 170. Digital Illustration I (3)

Lec-35, Lab-70 P/NP available
PREREQ: VMD 105 AND ART 130A

This course covers techniques in Adobe Photoshop and Adobe Illustrator for illustrators. While gaining technical knowledge, students will also begin to explore stylistic options and build a body of work. Sketching and other techniques for developing concepts are also covered. UC/CSU

OFFERED SPRING SEMESTERS

VMD 172. Digital Illustration II (3)

Lec-35, Lab-70 P/NP available
PREREQ: VMD 170

An advanced course in digital illustration focusing on the development of conceptual and narrative skills as they apply to a range of illustration projects. CSU

FORMERLY GRPH 110B

OFFERED SPRING SEMESTERS

VMD 190. Portfolio Preparation (3)

Lec-52.5, field trips P/NP available
PREREQ: VMD 105 AND (VMD 101 OR ART 125A OR DSGN 101 OR PHOT 100)

RECOMMENDED PREP: VMD 122; VMD 152

Portfolio development for visual media design students. The course will cover design strategies, content editing and sequencing, format options for print and interactive media, and portfolio presentation. Students will design and produce an online portfolio, sequenced portfolio, marketing materials and résumé. A group of at least 10 high-quality pieces as determined by the instructor for portfolio development are strongly recommended for success in this course. CSU
FORMERLY GRPH 149. VMD 190 IS INTENDED FOR ADVANCED DESIGN STUDENTS PREPARING TO ENTER THE FIELD OR TRANSFER TO A FOUR-YEAR PROGRAM. THIRD SEMESTER STANDING RECOMMENDED.

OFFERED SPRING SEMESTERS

VMD 191. Social Media for Professionals (1)

Lec-17.5, Lab-17.5 P/NP available
PREREQ: VMD 105 OR BCST 119

RECOMMENDED PREP: VMD 140, CNIT 129, BCST 135 AND BCST 136

This course teaches students how to use social media tools such as Facebook, Twitter, Pinterest, LinkedIn and YouTube to develop, integrate and leverage social networks. Students will learn how to create personal and professional brands and critique current social media practices. CSU

OFFERED ON OCCASION

VMD 192. Professional Practice (1)

Lec-17.5 P/NP available

PREREQ: APPROVAL OF THE VISUAL MEDIA DESIGN DEPARTMENT
This is an advanced course focusing on visual media design professional practices such as pricing methods, taxes, copyright, contracts, freelancing, running a small design business, and working with sub-contractors. CSU

OFFERED ON OCCASION

VMD 194A. Internship/Work Experience I (1-3)

Work-60-225 P/NP available

PREREQ: APPROVAL OF VISUAL MEDIA DESIGN DEPARTMENT
Application of visual media design skills and development of proficiency in a supervised work environment. One unit of credit is earned for 60 hours of unpaid or 75 hours of paid work. CSU

VMD 200A. Design Studio Practicum I (3)

Lec-17.5, Lab-122.5 P/NP available
PREREQ: VMD 120 AND VMD 130 AND VMD 140 AND VMD 150 AND VMD 152 AND VMD 154

Emerge Studio, an in-house visual media design studio, provides an environment for students to gain real-world skills creating and producing projects for actual clients. Students will gain practice with client communications, iterative design process, technical problem-solving, and project management for individual and collaborative design projects including websites, posters, marks, brochures, and other communications projects. CSU

VMD 200B. Design Studio Practicum II (3)

Lec-17.5, Lab-122.5 P/NP available
PREREQ: VMD 200A

Continued experience in Emmerge Studio, the VMD Department's in-house visual media design studio. Students take on greater responsibilities in project management, client relations, critiques, and overall project planning and implementation. Students will also encounter larger and more complex communications projects and work with greater autonomy and independence. CSU

Women's and Gender Studies

Office: Cloud 402C
Phone Number: (415) 452-5825
Web Site: www.ccsf.edu/women
*Formerly: Women's Studies

Announcement of Curricula

Social Justice Studies: Gender Studies Major (AA-T)

Associate in Arts in Social Justice Studies: Gender Studies for Transfer offers students breadth of knowledge through a set of introductory courses addressing gender, sexuality, race, ethnicity, and class, and depth of knowledge through courses that focus on women's experiences from an intersectional feminist perspective. We aim to understand and dismantle not only sexism, but also racism, homophobia/heterosexism, classism, ableism, ageism, transphobia, and other forms of institutionalized oppression. The AA-T prepares students who wish to transfer and pursue a baccalaureate degree in a field related to Social Justice, particularly at the California State University campuses. Related fields include Women and Gender Studies, Feminist Studies, Sexuality Studies, Ethnic Studies, Critical Race Studies, or any of a

number of other CSU Majors included in this “area of emphasis.” It is advised that potential majors meet with an affiliated counselor or department chair to discuss educational goals, course options, and transfer issues.

Learning Outcomes

Upon completion of this program, students will be able to:

- Examine the process of gender socialization.
- Analyze gender-based institutionalized oppressions in an intersectional framework.
- Analyze women’s experiences, gender politics, and/or feminism across cultures.
- Examine, evaluate, and contextualize political, historical, and artistic achievements through the lens of gender.

Students who wish to earn the Associate in Arts in Social Justice Studies: Gender Studies for Transfer (AA-T) degree must complete 60 CSU-transferable units with at least a 2.0 grade point average. This must include the units required for full completion of the IGETC or CSU GE Curriculum and the units for the major as specified below. Each course in the major must be completed with a grade of “C” (or “P”) or better. Courses that meet the major requirements may also be used to meet IGETC or CSU GE requirements.

The minimum time for completion is 4 semesters. Completion time will vary based on student preparation and number of units completed per semester.

Courses Required for the AA-T in Social Justice Studies: Gender Studies

Course.....	Units
Required	
WGST 25 Introduction to Women’s and Gender Studies: Feminism Demystified	3.0
IDST 37 Introduction to Ethnic Studies.....	3.0
LGBT 5 Introduction to Lesbian, Gay, Bisexual, and Transgender Studies	3.0
or LBCS 70A Who Built America? 1492-1877.....	3.0

Choose 3 courses from at least 2 areas

Area 1: History or Government

HIST 12A United States Women’s History: Pre-colonial Through 1880s.....	3.0
HIST 12B United States Women’s History: 1890-Present	3.0

Area 2: Arts & Humanities

WGST 10 Women and Film	3.0
AFAM 60 African American Women in the U.S.	3.0
ART 108 Women Through Art History	3.0
ASAM 35 Asian American Women	3.0
ENGL 57 Survey of Women’s Literature.....	3.0
ENGL 58 Contemporary Women’s Writing.....	3.0
HIST 12A United States Women’s History: Pre-colonial Through 1880s.....	3.0
HIST 12B United States Women’s History: 1890-Present	3.0
HUM 25 Women in the Arts	3.0
IDST 31 Women and Gender in the Middle East	3.0

Area 3: Social Science

WGST 35 Introduction to Masculinity Studies.....	3.0
--	-----

WGST 54 The Politics of Sexual Violence	3.0
AFAM 60 African American Women in the U.S.....	3.0
ANTH 20 Queer Anthropology	3.0
ANTH 25 Culture, Gender and Sexuality	3.0
ASAM 35 Asian American Women	3.0
ECON 25 Women in the Economy.....	3.0
HIST 12A United States Women’s History: Pre-colonial Through 1880s.....	3.0
HIST 12B United States Women’s History: 1890-Present	3.0

LALS 10 Latinas in the U.S./VOCES.....	3.0
LGBT 21 Intimacy and Relationships between Women and Nonbinary People.....	3.0
POLS 19 Gender, Politics, and Policy	3.0
PSYC 25 Psychology of Gender.....	3.0
SOC 25 Sex and Gender in the U.S.	3.0

Any course not selected in the Required block.

Recommended

Students are encouraged to fulfill their general education requirements for written composition and oral communication with ENGL 1A and CMST 1A with a Women’s and Gender Studies focus.

Total: 18.0

Women’s and Gender Studies Major (AA)

The Associate of Arts in Women’s and Gender Studies includes courses that fulfill graduation requirements for CCSF and transferable requirements to many CSU, UC, and private universities. Through departmental core courses and interdepartmental courses, students focus on women’s experiences and gender politics taught from an intersectional feminist perspective.

Learning Outcomes

Upon completion of this program, students will be able to:

- Examine the process of gender socialization.
- Analyze gender-based institutionalized oppressions in an intersectional framework.
- Analyze women’s experiences, gender politics, and/or feminism across cultures.
- Evaluate and contextualize political, historical, and artistic achievements through the lens of gender.
- Evaluate and apply strategies for improving communication and healthy behaviors in their own lives.

Note that the program description below outlines only how students fulfill the major requirement for an associate degree. The CCSF associate degree has several other components, including general education requirements. Please meet with a counselor and read the Associate Degree Requirements chapter of the CCSF Catalog for complete information. Generally, minimum time for completion of an AA or AS degree is four semesters, depending on student preparation and the number of units completed per semester.

Courses Required for the Major in Women’s and Gender Studies

Recommended

Students are encouraged to fulfill their general education requirements for Area A and Area B with CMST 1A and ENGL 1A with a Women's and Gender Studies focus.

Total: 21.0

Sexual Health Educator Certificate

The curriculum for the Sexual Health Educator Certificate will train students as paraprofessionals in safe and healthy sexuality including violence prevention and intervention, HIV/STI prevention, and the promotion of mature intimate relationships.

The integrated program offers students an opportunity to identify various markers of sexual health, which will enable them to promote healthy and safer sexual relationships in their client populations. They will be able to teach others to negotiate sexual situations with more confidence, knowing their limits, recognizing danger zones, assessing risk factors, and respecting their own and their partners' needs.

Learning Outcomes

Upon completion of this program, students will be able to:

- Identify the biological, psychological, and social aspects of human sexuality, including issues pertaining to reproductive rights and health.
- Apply client-centered approaches to providing sexual wellness information, systems navigation and relevant referrals to diverse communities.
- Utilize an intersectional feminist lens to analyze how systems of oppression perpetuate abuses of power in interpersonal relationships and identify strategies for prevention and healing from sexual violence.
- Use peer education techniques to teach about healthy, non-violent relationships and to raise awareness of how personal experiences are impacted by social and political realities.

Credit toward Graduation. Credit earned to obtain the Certificate of Achievement satisfies the G1 and H2 graduation requirements, and course work is transferable to the California State University.

Credit toward other CCSF Certificates. Several of the required and elective courses of the Certificate satisfy required or elective courses of the Community Health Worker, Infectious Disease Prevention in Priority Populations, and Trauma Prevention and Recovery Certificates.

The minimum time for completion of this certificate is 1 semester. Completion time will vary based on student preparation and number of classes completed per semester.

Courses Required for the Certificate of Achievement in Sexual Health Educator

Course Units
Required

WGST 54 The Politics of Sexual Violence	3.0
WGST 55 Ending Sexual Violence: Peer Education	3.0

Announcement of Curricula

(See specific course entries for American Sign Language, Chinese, French, German, Italian, Japanese, Russian and Spanish.)

General Information

City College offers language and culture courses in eight languages: American Sign Language, Chinese (both Cantonese and Mandarin), French, German, Italian, Japanese, Russian and Spanish. Besides being excellent intellectual training and meeting transfer requirements, language courses allow you to add an international dimension to your abilities including international business and international relations, help you communicate with the peoples of the world and understand their cultures. Students often major or minor in languages in conjunction with majors in other areas.

In world languages courses, the course numbers and letters follow in sequence. A student who has completed a course with a grade of A, B, C, or P may not re-register for the same course (unless repetition is specifically permitted), nor may he/she register for a course with a lower number or letter unless otherwise indicated.

Chinese, French, German, Japanese, and Spanish offer an advisory placement test to help students determine their level of language ability. For further information contact the World Languages and Cultures Department.

For foreign language studies abroad, contact the International Education Coordinator, 239-3778.

For short term noncredit World Languages and Cultures language classes, contact the Continuing Education Coordinator, 561-1860.

COLLEGE RULES AND REGULATIONS

COLLEGE RULES AND REGULATIONS

Compliance with College Rules and Regulations and Notices

Students and staff are expected to comply with the rules and regulations published in this catalog; and with the official notices published in the College newspaper, *The Guardsman*, or posted on official bulletin boards.

Unlawful Discrimination and Harassment Policy

The San Francisco Community College District shall provide an educational and employment environment in which no person shall be unlawfully denied full and equal access to, the benefits of, or be unlawfully subjected to discrimination on the basis of ethnic group identification, national origin, religion, age, race, color, ancestry, marital status, sex, gender, gender identity, gender expression, sexual orientation, physical disability, mental disability, medical condition, genetic information, or military and veteran status of any person, or on the basis of those perceived characteristics or based on association with a person or group with one or more of these actual or perceived characteristics, in any program or activity that is administered by, funded directly by, or that receives any financial assistance from the State Chancellor or Board of Governors of the California Community Colleges.

Nor shall any such persons be denied full and equal access to, the benefits of, or be subjected to discrimination on the basis of domestic partner status*, AIDS/HIV status*, status as a lesbian, gay, bisexual, transgender* or questioning* person in any District program or activity.

The policy of the San Francisco Community College District is to provide an educational and employment environment free from unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment, or any other sexual misconduct.

Employees, students, or other persons acting on behalf of the District who engage in unlawful discrimination as defined in this policy or by state or federal law may be subject to discipline, up to and including discharge, expulsion, or termination of contract.

In so providing, the San Francisco Community College District hereby implements the provisions of Title 5, California Code of Regulations § 59300 et seq., California Government Code sections 11135 through 11139.5, 12940 et seq., the Sex Equity in Education Act (California Education Code, Section § 66250 et seq.), California Education Code sections 66260 et seq., 66281.5, 67382, 67385, 67385.7, and 67386, Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d), Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681), the Jeanne Clery Disclosure of Campus Security Policy and Campus Crimes Statistics Act, (20 U.S.C. § 1092(f)), the Violence Against Women Reauthorization Act of 2013, (42 U.S.C. § 13925(a)), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), the Americans with Disabilities Act of 1990 (42 U.S.C. § 12100 et seq., as amended by the ADA Amendments Act of 2008, (P.L. 110-325)) and the Age Discrimination Act (42 U.S.C. § 6101).

**These categories are not subject to the State Chancellor's jurisdiction.*

Responsible District Officer

The compliance officer/coordinator responsible for the District's compliance with this policy and all applicable laws is the District Title 5/EEO/ADA/Title IX Compliance Officer, 50 Frida Kahlo Way, B619, San Francisco, CA 94112, (415) 452-5053. Information concerning the provisions of the applicable laws and complaint procedures is available from the District Title 5/EEO/ADA/Title IX Compliance Officer.

Definitions

Definitions applicable to the nondiscrimination policies are as follows:

- “Appeal” means a request by a complainant made in writing to the San Francisco Community College District governing board pursuant to Title 5, section 59338, and/or to the State Chancellor's Office pursuant to Title 5, section 59339, to review the administrative determination of the District regarding a complaint of discrimination.
- “Association with a person or group with these actual or perceived characteristics” includes advocacy for or identification with people who have one or more characteristics of a protected category listed under “Unlawful Discrimination Policy” and title 5, section 59300, participation in a group associated with persons having such characteristics, or use of a facility associated with use by such persons.
- “Complaint” means a written and signed statement meeting the requirements of Title 5, section 59328 that alleges unlawful discrimination in violation of the nondiscrimination regulations adopted by the Board of Governors of the California Community Colleges, as set forth at Title 5, section 59300 et seq.
- “Consent” means, as defined by California Education Code section 67386, “affirmative consent,” which means affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that he or she has the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them should never by itself be assumed to be an indicator of consent.
- “Dating violence” means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of a romantic or intimate relationship will be determined based on the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship.
- “Days” means calendar days.
- “Disability” means, with respect to an individual:
 1. A physical or mental impairment that substantially limits one or more major life activities of such individual;
 2. A record of such an impairment; or
 3. Being regarded as having such an impairment.
 4. Rules of construction regarding the definition of disability (ADA Amendments Act of 2008):

The definition of “disability” shall be construed in accordance with the following:

(A) The definition of disability shall be construed in favor of broad coverage of individuals to the maximum extent permitted by the Americans with Disabilities Act, as amended.

(B) The term “substantially limits” shall be interpreted consistently with the findings and purposes of the ADA Amendments Act of 2008.

(C) An impairment that substantially limits one major life activity need not limit other major life activities in order to be considered a disability.

(D) An impairment that is episodic or in remission is a disability if it would substantially limit a major life activity when active.

(E)(1) The determination of whether an impairment substantially limits a major life activity shall be made without regard to the ameliorative effects of mitigating measures such as:

(i) medication, medical supplies, equipment, or appliances, low-vision devices (which do not include ordinary eyeglasses or contact lenses), prosthetics including limbs and devices, hearing aids and cochlear implants or other implantable hearing devices, mobility devices, or oxygen therapy equipment and supplies;

(ii) use of assistive technology;

(iii) reasonable accommodations or auxiliary aids or services; or

(iv) learned behavioral or adaptive neurological modifications.

(2) The ameliorative effects of the mitigating measures of ordinary eyeglasses or contact lenses shall be considered in determining whether an impairment substantially limits a major life activity.

- “Discrimination on the basis of sex” means sexual harassment or discrimination on the basis of gender, e.g., sexual harassment, sexual assault, sexual violence and/or sexual misconduct.
- “District” means the San Francisco Community College District or any District program or activity that is funded directly by the state or receives financial assistance from the state. This includes any organization associated with the District or its college(s) that receives state funding or financial assistance through the District.
- “Domestic violence” includes felony or misdemeanor crimes of violence committed by:
 1. A current or former spouse of the victim;
 2. By a person with whom the victim shares a child in common;
 3. By a person who is cohabitating with or has cohabitated with the victim as a spouse;
 4. By a person similarly situated to a spouse of the victim under California law; or
 5. By any other person against an adult or youth victim who is protected from that person’s acts under California law.
- “Gender” means a person’s gender identity, gender expression and behavior whether or not stereotypically associated with the person’s assigned sex at birth. This includes transgender, non-binary

and gender non-conforming individuals.

- “Gender-based harassment” means unwelcome conduct based on a student’s actual or perceived sex, including harassing conduct (verbal, nonverbal, physical aggression, intimidation or hostility) based on an individual’s gender expression, gender identity, transgender status, gender transition, or nonconformity with sex stereotypes.
- “Harassment” is unwelcome conduct which is severe or pervasive and both subjectively and objectively offensive based on a protected category or categories, so as to create an abusive environment.
- “Hostility based on sex or sex-stereotyping” includes conduct such as refusing to use a transgender student’s preferred name or pronouns, when the school uses preferred names for gender-conforming students or when the refusal is motivated by animus toward people who do not conform to sex stereotypes.
- “Hostile environment harassment” in either education or employment, means that the complainant was subjected to unwelcome conduct of a sexual or discriminatory nature based on other protected categories, which is severe or pervasive and both subjectively and objectively offensive so as to alter the educational or employment environment and create an abusive educational or employment environment.
- “Major life activities” include functions such as caring for one’s self, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating and working. “Major life activities” also includes the operation of a major bodily function, including but not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine and reproductive functions.
- “Mental impairment” means any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities.
- “Physical impairment” means any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive, digestive, genito-urinary; hemic and lymphatic; skin; and endocrine.
- “Record of such an impairment” means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.
- “Regarded as having an impairment” means (1) has a physical or mental impairment that does not substantially limit major life activities but that is treated by a recipient as constituting such a limitation; (2) has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment; or (3) has none of the impairments as defined above but is treated by a recipient as having such an impairment. “Regarded as having an impairment” shall not apply to impairments that are transitory and minor. A transitory impairment is an impairment with an actual or expected duration of 6 months or less.
- “Religion” means “religious creed,” “religious observance,” “religious belief,” and “creed,” and includes all aspects of religious

belief, observance, and practice, including religious dress and grooming practices. “Religious dress practice” shall be construed broadly to include the wearing or carrying of religious clothing, head or face coverings, jewelry, artifacts, and any other item that is part of the observance by an individual of his or her religious creed. “Religious grooming practice” shall be construed broadly to include all forms of head, facial, and body hair that are part of the observance by an individual of his or her religious creed.

- “Responsible District Officer” means the officer identified by the District to the State Chancellor’s Office as the person responsible for receiving complaints filed pursuant to Title 5, section 59328, and coordinating their investigation.
- “Sex” includes, but is not limited to pregnancy, childbirth or medical conditions related to childbirth. ‘Sex’ also includes, but is not limited to, a person’s gender, as defined in section 422.56 of the Penal Code. Discrimination on the basis of sex or gender also includes sexual harassment.
- “Sexual assault includes but is not limited to, rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat of sexual assault.
- “Sexual harassment” is unlawful discrimination in the form of unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the workplace or in the educational setting, and includes but is not limited to:
 - (1) Making unsolicited written, verbal, physical, and/or visual contacts with sexual overtones. (Examples of possible sexual harassment that appear in a written form include, but are not limited to: suggestive or obscene letters, notes, invitations. Examples of possible verbal sexual harassment include, but are not limited to: leering, gestures, display of sexually aggressive objects or pictures, cartoons, or posters.)
 - (2) Continuing to express sexual interest after being informed that the interest is unwelcomed.
 - (3) Making reprisals, threats of reprisal, or implied threats of reprisal following a rebuff of harassing behavior. The following are examples of conduct in an academic environment that might be found to be sexual harassment: implying or actually withholding grades earned or deserved; suggesting a poor performance evaluation will be prepared; or suggesting a scholarship recommendation or college application will be denied.
 - (4) Engaging in explicit or implicit coercive sexual behavior within the work environment which is used to control, influence, or affect the employee’s career, salary, and/or work environment.
 - (5) Engaging in explicit or implicit coercive sexual behavior within the educational environment that is used to control, influence, or affect the educational opportunities, grades, and/or learning environment of a student.
 - (6) Offering favors or educational or employment benefits, such as grades or promotions, favorable performance evaluations, favorable assignments, favorable duties or shifts, recommendations, reclassifications, etc., in exchange for sexual favors.
 - (7) Awarding educational or employment benefits, such as grades or duties or shifts, recommendations, reclassifications, etc. to any student or employee with whom the decision maker has a

sexual relationship and denying such benefits to other students or employees.

- Harassment in the form of hostile environment harassment on the basis of any protected category is also prohibited discrimination.
- “Sexual misconduct” includes a range of behaviors such as sexual assault (which includes rape and any kind of nonconsensual sexual contact), sexual harassment, intimate partner violence, stalking, voyeurism, and any other conduct of a sexual nature that is nonconsensual, or has the purpose or effect of threatening, intimidating, or coercing a person, such as intimidation or bullying.
- “Sexual orientation” means heterosexually, homosexuality, or bisexuality.
- “Stalking” means engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others, or to suffer substantial emotional distress.
- “Unlawful discrimination” means discrimination, or the unjust or prejudicial treatment of different categories of people, based on a category protected under Title 5, section 59300 et seq., or Title IX of the Education Amendments of 1972, including sexual harassment, harassment based on a protected group or category status as set forth in this Policy, and retaliation. In addition, the District will accept complaints of discrimination or harassment on any additional basis prohibited by District policy.

Retaliation

It is unlawful for anyone to retaliate against someone who files an unlawful discrimination complaint, who refers a matter for investigation or complaint, who participates in an investigation of a complaint, who represents or serves as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of this unlawful discrimination policy.

¹ If the federal statutes cited herein would result in broader protection of the civil rights of individuals then that broader protection or coverage shall be deemed incorporated by reference into, and shall prevail over conflicting provisions of Title 5, section 59300, as cited in this Policy.

² If the Americans with Disabilities Act of 1990 definitions would result in broader protection of the civil rights of individuals with a mental or physical disability, or would include any medical condition not included within these definitions, then that broader protection or coverage shall be deemed incorporated by reference into, and shall prevail over conflicting provisions of the definitions in Government Code section 12926 and should be included in District policy. (Gov. Code, Section 12926(1).)

³ Ibid

Campus Attire

Students are urged to dress appropriately everywhere on the campus at all times. Instructors in special areas (i.e., gymnasiums and laboratories) may require students to wear particular clothing for suitability or to meet health and/or safety regulations. For more information, contact the Office of Student Conduct & Discipline.

Students with Disabilities

Sections 504 & 508 of the Rehabilitation Act of 1973, the Americans with Disabilities Act (ADA) 1990 and the ADA Amendments Act (2008) prohibit discrimination on the basis of disability of otherwise qualified persons in programs and/or activities at this institution. City College of San Francisco is committed to making programs, services

and activities accessible for students with disabilities. DSPTS provides reasonable accommodations and support services which assist the student with a disability to fully participate in academic and vocational programs for which they are otherwise qualified. Services may include, but are not limited to; counseling, advocacy, priority registration, testing accommodations, classroom relocation, learning disability assessments, hearing screenings, sign language interpreters, real-time captioning, assistive listening devices, note takers, alternate formats (Braille, electronic text, audio books) for instructional material, lockers, scooters, adaptive technology, adaptive furniture and special classes.

Students wishing to receive services through DSPTS should schedule an appointment to meet with a counselor. Services are confidential. Students with disabilities who have a disability related need to bring an animal on campus, other than a service animal as defined by law, such as a guide dog, must request an assist animal tag from the DSPTS office. For further information, call Disabled Students Programs and Services (DSPTS) at (415)452-5481.

Adjustment of Graduation Requirements for Students with Disabilities

Substitution Policy

It is the policy of CCSF to provide equal educational opportunities for student with disabilities in accordance with state and federal law and regulations. These include Sections 504 & 508 of the Rehabilitation Act of 1973, the Americans with Disabilities Act (ADA) 1990, the ADA Amendments Act (2008) and Title 5 of the California Administrative Code. Pursuant to Title 5, Sections 56000-56076, the District has developed DSPTS to assist students with disabilities in securing appropriate instruction, academic accommodations and auxiliary aids. It is the intent of the District that such individuals be served by regular classes and programs whenever possible. To that end, students with disabilities shall be admitted to courses and programs and matriculate through such courses and programs on an equal basis with all other students. To ensure equality of access for students with disabilities, academic accommodations and auxiliary aids shall be provided to the extent necessary to comply with state and federal law and regulations. For each student, academic accommodations and auxiliary aids shall specifically address those functional limitations of the disability which adversely affect equal educational opportunity. When the severity of the disability of an otherwise qualified student precludes successful completion of a course required for graduation from CCSF, despite an earnest effort on the part of the student to complete the course and despite provision of academic accommodations and/or auxiliary aids, a course substitution shall be considered. The District will maintain specific criteria and procedures to implement the policy. DSPTS should be contacted at (415)452-5481 for additional information regarding course substitutions.

Drug Usage

City College is a Drug-Free College

All locations of City College of San Francisco are drug-free. The College does not allow the unlawful possession, use, or distribution of illegal drugs and alcohol by students on its property or as a part of its activities. The College will discipline students according to local, state, and federal law. Discipline includes student expulsion and referral for prosecution. For more information, contact the Office of Student Conduct & Discipline.

For information about health and legal dangers of using alcohol and/or drugs you can go to the following place:

Students may visit the Student Mental Health Services in the Student Health Center, Ocean Campus, email studenthealth@ccsf.edu or call 415-239-3110.

Petitions for Waiving College Regulations

A student may petition the Office of Admissions & Records, MUB 188, to waive a local college regulation. (Title 5 Regulations cannot be waived.)

Privacy of and Access to Student Records

City College of San Francisco protects the privacy of student records and maintains the right of students to inspect and review their records. City College has established guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Should the College be unable to resolve the complaint of a student concerning the accuracy or clarity of the student's records, the student has the right to file a complaint with The Family Educational Rights and Privacy Act Office of the U.S. Department of Education.

Privacy of Student Records

The California community college student has a legal right to privacy of records. A student record is defined as "any item of information directly related to an identifiable student...which is maintained by a community college..." However, applicable law provides for certain exceptions. Appropriate District employees are authorized to collect only that information which is relevant to a student's admission, registration, academic history, career, student benefits and services, extracurricular activities, counseling and guidance, discipline or matters related to student conduct.

In addition to restrictions on the collection of information about students, there are significant restrictions on the *release* of student information. Except under limited circumstances, District employees do not have the authority to release student records except to the student. In general, District employees should consider information they acquire about students, in their capacity as employees, to be confidential information.

In any area where records are filed, we maintain a student record log to record who asked for and received student information in accordance with applicable law. In each area, a dean or their designee is responsible for maintaining the student record log. A student record log is maintained in the following areas:

Kind of Record-Log Maintained By
 Admissions and Records-Dean of Admissions & Records
 Counseling Records-Dean of Student Success
 Disabled Student Records-Dean of Student Success
 Financial Aid Information-Dean of Financial Aid
 Student Conduct and Discipline Records - Dean of Student Engagement & Wellness
 Student Health Records-Director of Student Health Services.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she

reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are “eligible students.”

1. Parents or eligible students have the right to inspect and review the student’s education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
2. Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
3. Generally, schools must have written permission from the parent or eligible student in order to release any information from a student’s education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, “directory” information such as a student’s name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

For additional information or technical assistance, you may call (202) 260-3887 (voice). Individuals who use TDD may call the Federal Information Relay Service at 1-800-877-8339.

Or you may contact us at the following address:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C. 20202-5920

The following categories of information about students are considered “directory information” pursuant to section 76240 of the *Education Code*: student’s name, address, telephone number, date and place of birth, field of study, participation in activities and sports officially rec-

ognized by the San Francisco Community College District, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous public or private school attended by the student. The District may limit or deny the release of specific categories of directory information based upon a determination of the best interest of students. Directory information may be released at the discretion of the College to persons or agencies which the College deems to have legitimate reason for access to the information. To prevent disclosure, written notification must be delivered personally to the Office of Admissions and Records.

Information other than directory information will not be released without the student’s written consent unless the College is required to do so by law as, for example, in the case of a court order. Questions about policies and procedures concerning privacy of records and rights of access to them may be referred to the Dean of Admissions and Records.

Electronic Communication Privacy Statement

The college expects electronics communication privacy protections comparable to those traditionally given to paper mail and telephone communication.

Persons who have questions about the collection or dissemination of student information may contact the Dean of Admissions & Records or the Dean responsible for maintaining the information either by email at admit@ccsf.edu or by phone at (415) 239-3291.

Regulations Governing Student and Other Organizations or Persons Desiring to Conduct Noninstructional Activities on Campus

Under State law and local regulations, the Administrative Staff of City College of San Francisco is responsible to the Governing Board and the Chancellor of the San Francisco Community College District for the organization, operation, and supervision of a sound educational program designed to provide transfer, general, and occupational education; essential student personnel services; and extracurricular activities. To discharge this responsibility, the Administrative Staff is required under the California State *Education Code* and the regulations of the Board of Governors of the California Community Colleges and the Governing Board of the San Francisco Community College District to take all steps necessary to prevent the conduct on campus of any activity that interferes with instruction or is otherwise inimical to the welfare of the student body or of individual students.

City College has therefore established various regulations, including those governing the following: student activities and government; noninstructional student meetings held on campus; guest speakers at such meetings; the use of City College facilities by student or other organizations or movements; and the distribution, posting, or other use of bulletins, circulars, and publications of any kind on campus. These regulations, like all others in effect at City College, have been established in conformance with the responsibilities assigned to and under the authority vested in the Administrative Staff under State law and College District regulations.

Student Governance: Policies, Regulations, and Procedures Governing Students, Student Organizations, and the Use of Facilities

Section I. General Provisions

Part A. Enactment Procedures

The policies, regulations, and procedures governing students, student organizations, and the use of facilities at City College of San Francisco are established as follows:

1. Guidelines are set forth by the College Administration.
2. The guidelines are reviewed by the Chancellor of City College in order to ensure conformance with State codes and local policies and regulations.
3. Upon approval by the Chancellor, the guidelines are submitted to the Governing Board of the College, with a request for approval. The guidelines become effective upon approval by this agency.

Part B. Procedure for Revision

The policies, regulations, and procedures stated in the following pages were established in accordance with the procedure described above, and may be revised only in accordance with that procedure or to meet legal requirements.

Part C. Definition of the Term “Student”

The term student, as used in connection with the foregoing College policies, regulations, and procedures is defined as follows: a person officially registered in at least one course at City College of San Francisco.

Section II. Students and Student Organizations

Part A. Student Government

1. Student Government
Under State law and the Governing Board policy, the Chancellor of City College may authorize the establishment and continuance of the Associated Students, approve its membership fees, and delegate to it, as set forth in the Education Code and in the Constitution of the Associated Students, the specified fiscal and legislative powers and responsibilities concerning the affairs of its membership.
2. Fiscal Policy of the Associated Students
The Chancellor of City College is responsible for the fiscal soundness of the Associated Students of City College of San Francisco. It is their responsibility to ensure that the financial operation of the Associated Students is in accordance with the provisions of the laws of the State of California and the policies of the Governing Board of the College.

Part B. Student Organizations

1. Registration of Student Organizations
An organization not prohibited by law may become a registered on-campus student organization by complying with the registration procedures and membership regulations established by the Student Council of the Associated Students.
2. Policy Regarding Discrimination in Choice of Members
Membership regulations of student organizations must specify that eligibility for membership shall not be determined through discrimination based on race, age, physical disability, sexual orientation, creed, color, or sex. Questions of discrimination on these and other bases shall be reviewed by the Assistant Director of Student Activities. The Director’s decision may be appealed to the Dean of Student Engagement & Wellness.
3. Standards of Conduct and Discipline
Student organizations are required to comply with College policies, regulations, and procedures. Members of these organizations are subject to disciplinary action for violation of such policies, regulations, or procedures.
4. Use of the Name of City College of San Francisco
Only a duly registered on-campus student organization may use the name of City College of San Francisco, or any abbreviation thereof, as a part of its own name. A student organization may

advocate its own views and positions, but at no time shall an organization or a coalition of student organizations purport to represent the entire student body of City College of San Francisco.

5. Use of College Facilities by Student Organizations
College facilities may be used by registered student organizations for meetings, social functions, raising funds, recruiting participants, and posting and distributing literature only in accordance with State law, Governing Board policy, and College rules, regulations, and procedures. Requests for use of facilities shall be made to the Student Activities Administrator, sufficiently in advance to permit proper planning for the proposed use.
6. Collection of Fees
Registered student organizations, in accordance with State law, Governing Board policies, and College rules, regulations and procedures may collect dues and initiation fees, conduct sales, and charge admission fees to certain student activities. Funds collected through these activities are subject to financial accountability as specified in the *Guidelines for the Management of A.S. Funds*. Raising of funds for charitable organizations shall be in accordance with established policies of the Governing Board.

Part C. Free Speech and Advocacy

1. Statement of Policy
The Constitution of the United States guarantees freedom of assembly or association. However, this guarantee does not prohibit a governing board or a college administration from adopting reasonable regulations governing the exercise of these rights on a college campus. The right of freedom of speech, for example, is not paramount to the right of privacy. Guidelines governing the exercise of free speech on the City College campus are developed, therefore, in order to ensure that other equally important legal rights are protected as stipulated in State law and local regulations.
2. Regulations Governing Free Speech
In order to facilitate the equitable application of the principles of free speech on campus, City College has established the guidelines enumerated in Part D as the means of ensuring orderly conduct, noninterference with College functions or activities, identification of sponsoring groups or persons, and protection of persons against practices that would make them involuntary audiences on campus for another person’s exercise of free speech. Whenever the Chancellor of City College considers it appropriate, they may require that either one or both of the following conditions be observed in connection with a campus meeting addressed by speakers: (1) that the chairperson of the meeting be a person approved by the Chancellor; and (2) that the speaker be required to answer questions asked by the audience. It shall be the responsibility of the Chancellor to allow opportunity for the expression of a variety of view-points.
3. Regulations Governing Guest Speakers
 - a. Request Procedures:
The chairperson or president of a registered on-campus organization requesting facilities for an off-campus speaker should sign up with the Student Activities Administrator, for the time and place desired (see Rule 5 and Part D).
 - b. Review of Request for a Speaker:
If a decision on a request for an off-campus speaker is to be reviewed, the Student Activities Administrator, and/or the on campus organization making the request (represented

by the student chairperson and the faculty advisor) may refer the matter to the Vice Chancellor of Student Affairs for their specific recommendation to the Chancellor.

c. Sponsorship:

Advisors of student organizations are required to review all requests for off-campus speakers in advance, and students are required to present to the Student Activities Administrator, a form signed by their advisor when requesting a time and a place for an off-campus speaker's address. Every advisor of a campus organization is expected to make arrangements for a guest speaker's appearance before their group on campus, and should be present during the address. A substitute should be appointed if the advisor cannot be present.

4. Regulations Governing the Scheduled Use of the Free-Speech Area

The following guidelines are established to facilitate the equitable use of the City College free-speech area by all students:

- a. Only registered students (not substitutes) who have signed up in advance for use of the free-speech area are permitted to use the area.
- b. A sign-up list governing use of the area for at least two weeks in advance must be maintained in the Student Activities Administrator's Office, in order to permit proper scheduling.
- c. Students wishing to use the area for impromptu speeches or presentations must sign up for a single half-hour period at a time, and must use that period before signing up for another one. If more flexible scheduling permits, however, the Student Activities Administrator, at their discretion, may allow a student to sign up for more time on the two-week master calendar.
- d. For a special event, such as an address by a sponsored off-campus speaker or an organized, planned debate, more than the half-hour period may be made available for use of the free-speech area. Chairpersons of on-campus organizations should sign up for such special events at least three College days in advance, but a week's notice is recommended.
- e. Students desiring to use the free-speech area for impromptu use or special events must
 - i. sign up for the time period available, and
 - ii. indicate the general topic to be discussed or entertainment activity to be scheduled.
- f. If the schedule governing the use of the free-speech area cannot be followed, the following rules will apply:
 - i. If a student does not arrive at the area for a scheduled appearance, another student may be permitted to sign up for the time not being used. In such instances, however, at least ten minutes must be allowed for the scheduled event to take place before anyone may sign up for the unexpired time.
 - ii. A scheduled activity must be allowed to continue at the free-speech area until the next scheduled event, at which time the podium must be vacated promptly.
 - iii. If time becomes available during the day because of cancellation of a scheduled event, a student scheduled

for another time may be permitted to sign up for the area in addition to his scheduled activity but may not deliver their initially scheduled address until the time originally scheduled.

- g. A speaker scheduled to use the free-speech area should permit another student or students to speak in reply to their remarks while they are using the area, without the others signing up in advance as scheduled speakers. However, this provision does not apply to students denied the right to use the area because of prior disciplinary action by the administration (see Section 4 above).
 - h. If necessary, and then only if a serious disturbance arises at the free-speech area, campus police or other persons delegated by the administration are authorized to ask for the identity of persons claiming the right to use the area.
 - i. For rules for the distribution of literature, commercial free speech rights, the manner of collecting funds on the City College campus, or for additional information, contact the Student Activities Office.
5. Use of Bulletin Boards and Distribution of Materials on Campus
Individual students or authorized student organizations desiring to distribute or post bulletins, circulars, or publications on the City College of San Francisco campus must obtain permission from the Student Activities Administrator. Materials originating from sources outside City College must bear the official approval of the Student Activities Administrator. College bulletin boards and tack boards may not be used for commercial purposes.
6. Violation of Regulations
Students who violate the preceding regulations regarding student governance and the use of bulletin boards and distribution of materials on campus will be subject to disciplinary action.
7. Observance of Regulations Governing the Student Activities Program
Officially registered students desiring to take part in an activity of the Associated Students of City College of San Francisco or of any other organization sponsored by City College may do so only in conformance with the rules and regulations of the Associated Students, the particular organization, and the College.

Part D. Use of College Facilities

Under the California *Education Code* sections 82537 to 82548 and the *Administrative Regulations of the San Francisco Community College District*, organizations or persons not directly connected with the City College of San Francisco may use campus facilities only under certain limited conditions, and must make application for such use through the Office of Facilities and Planning of the San Francisco Community College District. Under the preceding law and regulation, ad hoc student groups are subject to the policy governing organizations and groups not directly connected with City College.

Regulations Governing Solicitation at City College of San Francisco-Ocean Campus

Members of the public are welcome to speak and/or distribute written materials within the designated areas of each location subject to the time, place, and manner regulations and posting/distribution guidelines.

The following regulations are established to govern solicitation by non-CCSF organizations and individuals to table, display materials,

petition, engage in public address, distribute literature and/or post flyers on CCSF's Ocean Avenue campus.

1. Before setting up a table or display, engaging in public address, distributing literature, seeking signatures on a petition and/or posting flyers, all solicitors shall report to the Office of Student Activities to sign in to notify the Student Activities Administrator of the solicitor's presence on campus, and to acknowledge receipt of these regulations. This notice does not involve any application or approval process, and therefore, the ability to use the designated area cannot be denied. This notice is only intended to provide CCSF with knowledge of the solicitor's presence on campus so that CCSF can notify the appropriate members of its staff whose services might be needed or impacted by the use of the designated area.
2. The designated areas for solicitors to table, set up displays, seek signatures on a petition and/or engage in public address at Ocean Campus are RAM PLAZA located between Smith Hall and the Student Union, the CLOUD SCIENCE MALL located between Cloud Hall and Science Hall, and the WELLNESS CENTER AMPHITHEATRE located outside of the Community Health and Wellness Center and the Student Union. The solicitor must REMAIN in these specified areas only.
3. Tables and display materials may be set up only in the above designated areas on Ocean Campus. Solicitors must provide their own signage, tables, chairs, and materials. Free gifts (other than food and drink) may be distributed. Literature/newspapers and/or other items cannot be sold, nor can donations be solicited from any student, faculty, or classified staff in the designated areas or anywhere on the Ocean Campus.
4. The use of sound amplification is only allowed in RAM PLAZA and the WELLNESS CENTER AMPHITHEATRE. Solicitors shall not use any means of amplification that creates a noise or diversion that disturbs the orderly conduct of the College, campus, or classes taking place at that time. No sound amplification of any kind is allowed in the CLOUD SCIENCE MALL.
5. Solicitors who wish to distribute literature only (i.e. who do not also want to set up a table or display, petition and/or engage in public address) may do so in the above designated areas as well as on the sidewalks and pathways along Cloud Circle, leading to Cloud Hall, Science Hall, and Batmale Hall from Cloud Circle, leading to Science Hall from Frida Kahlo Way, leading from Parking Lot H between Smith Hall and Conlan Hall to Cloud Circle and leading from Judson Avenue in front of the Diego Rivera Theatre, between the Visual Arts and Creative Arts Buildings to Cloud Circle. Solicitors may not distribute literature in any other areas, including parking lots, the sports facilities, any construction zones and the areas surrounding the Student Health Center, the Arts Extension Building and/or the Orfalea Family Center.
6. Solicitors MAY NOT walk up to pedestrians and force them to take literature, follow pedestrians to classes or elsewhere on campus, or obstruct the flow of traffic of pedestrians walking to and from buildings. No solicitor shall touch, strike, or impede the progress of pedestrians, except for incidental or accidental contact, or contact initiated by a pedestrian.
7. Any solicitor who is distributing literature must retrieve and remove or properly discard any literature that is discarded or dropped in or around the area in which the solicitor is distributing literature prior to leaving that area.
8. Solicitors should refer to the Posting Guidelines before hanging materials. Such Posting Guidelines are available at the Student Activities Office.
9. Solicitors are expected to conduct themselves in a respectful manner toward all students and college personnel and to follow a code of conduct which prohibits the following:
 - a. Abuse or any threat of force or violence directed toward any member of the College or to an authorized College visitor while on College property
 - b. Willful misconduct that results in the injury or death to a student or College personnel or injury to property belonging to a member of the College or to an authorized College visitor while on the property.
 - c. Unauthorized entry to or use of College facilities, supplies, or equipment
 - d. Obstruction or disruption of classes, administration, or authorized College activities
 - e. Violation of College rules and regulations including those concerning the use of college facilities, or the time, place, and manner of public expression or distribution of materials
 - f. Disorderly conduct that interferes with the College's primary educational responsibility
 - g. Failure to comply with these regulations and the directions of College officials, staff, or campus police to enforce these regulations.

These regulations are specific to Ocean Campus, but apply to all locations of CCSF. For locations other than Ocean Campus, solicitors must contact the applicable dean at the respective center.

Consequences of failure to comply with the above regulations include:

1. Written warning; if after a warning, failure to follow regulations continues, the solicitor will not be allowed access to CCSF for a period of four (4) school months or the rest of the semester, whichever is longer.
2. If failure to follow any of the above continues after the four month or semester suspension, access to CCSF will be denied.

Posting and Distribution of Guidelines

City College of San Francisco, pursuant to applicable law, provides for the posting and distribution of literature on campus by non-CCSF organizations and/or individuals. The following guidelines have been established to facilitate effective and organized dissemination of information on the Ocean Campus.

Posting:

1. Items for posting may be no larger than 11"x17", and the use of recyclable materials is recommended.
2. Each item must clearly state on its face the name of the individual or organization posting the item, the date of the event advertised, if any, and the date the item was posted.
3. Posted items will be removed from the bulletin boards two weeks after the date the item was posted or after the date for the event advertised on the item had passed, whichever is earlier. If a bulletin board has no space available after such removal of expired items, any items that do not show a date of posting on their face or an event date will be removed.

4. Flyers that are in a language other than English must include English description, summary, or translation in the flyer, or have a separate flyer that provides the information in English and they must be posted side by side.
5. Tacks or pushpins should be used to post items—tape, glue, nails and industrial staples are prohibited.
6. No more than one item per event or organization, if the item posted is a general announcement, may be posted on each board.
7. Posting is allowed only on boards established for that purpose as listed below.
8. Items posted on buildings, poles, garbage containers, trees, campus directional signs or anywhere other than the approved bulletin boards listed below will be removed.
9. Bulletin boards are located throughout campus and locations are subject to change.

Distribution

1. All non-CCSF organizations and/or individuals wishing to distribute literature must report to the Office of Student Activities to sign in to notify the Student Activities Administrator of the solicitor's organizations and/or individuals.
2. Distributors are required to provide the following information: name of organization, contact name, and dates and times of distribution.
3. Any person who have not signed in before distributing literature on campus are subject to disciplinary action by the Student Activities Administrator.
4. Solicitors who wish to distribute literature only (i.e. who do not also want to set up a table or display and/or engage in public address) may do so Ram Plaza, the Wellness Center Amphitheater and the Cloud Science Mall as well as on the sidewalks and pathways along Cloud Circle, leading to Cloud Hall, Science Hall, and Batmale Hall from Conlan Hall to Cloud Circle, and leading from Judson Avenue in front to the Diego Rivera Theatre to Cloud Circle. Solicitors may not distribute literature in any other areas, including parking lots, the sports facilities, any construction zones and the areas surrounding the Student Health Center, the Arts Extension Building and/or the Orfalea Family Center.

For further information and assistance, contact the CCSF Student Activities Office Student Union Room 205, 239-3212.

Student Conduct and Discipline

Community and College Districts are required by law to adopt standards of student conduct along with applicable penalties for violations (Education Code Section 66300). The San Francisco Community College District has complied with this requirement by adopting BP 5.16, BP 5.17, AP 5.16 and AP 5.17. The purpose of this Board Rule is to provide uniform procedures to assure due process when a student is charged with a violation of these standards. All proceedings held in accordance with these procedures shall relate specifically to an alleged violation of the established code of student conduct.

It is the purpose of the student disciplinary system to further the educational mission of the College by resolving alleged violations of the Student Code of Conduct and other applicable policies regarding

student behavior. CCSF provides a student the opportunity to address the allegations as laid out in the Due Process procedures.

All students are expected to behave themselves honorably in all endeavors they undertake as students at the College. Our student disciplinary process exists to set a standard for behavior on our campus. It is not meant to replace or substitute for the Federal or State legal system or other legal avenues. However, the student disciplinary process provides an important forum to respond to the interests of the CCSF community. It is here for two purposes: to help create a safe environment where academic life can flourish and to promote the development of students.

Our processes are designed to educate and, where appropriate, sanction those students who violate College regulations. We seek both to promote a student's sense of responsibility by enforcing accountability, and to protect our community, when necessary, which may mean removing or restricting those who pose a threat to others. Our intention is to emphasize the peaceful and productive handling of conflict as much as possible and where appropriate. We strive to be a safe, helpful and efficient resource for the entire CCSF community.

For more information about student conduct procedures, please contact the Office of Student Conduct & Discipline at studentconduct@ccsf.edu or by visiting <https://www.ccsf.edu/about-ccsf/administration/student-affairs/student-conduct-and-discipline>.

Code of Student Conduct

Disciplinary sanctions may be imposed for good cause, which includes, but is not limited to, the following offenses:

General Behavioral Misconduct and Non-Compliance Violations

1. Disruptive behavior, willful non-compliance, willful and persistent profanity or vulgarity, or the open and/or persistent defiance of the authority of, or persistent abuse of, District personnel or officials acting in the performance of their duties, violating the rights of other students.
2. Failure to comply with directions of District officials, faculty, staff or campus police officers who are acting in the performance of their duties, including failure to identify oneself when on District property or at a District sponsored or supervised event, or upon the request of a District official acting in the performance of his/her duties.
3. Persistent or continued serious misconduct where other means of correction have failed to bring about proper conduct.

Physical and Verbal Misconduct Violations

4. Willful misconduct which results in injury or death to a student or District personnel or which results in cutting, defacing, or other injury or damage to any real or personal property owned by the District; or injury or damage to property belonging to a member of the District community or to an authorized District visitor while on District property.
5. Assault or battery, abuse, extortion, or any threat of force, violence, or death, or any terrorist threats as defined in Education Code section 48900.7(b), directed toward any member of the District community (including but not limited to students and employees), or District visitor engaged in authorized activities, or to any District property, or aiding and abetting, as defined in Penal Code section 31, the infliction or attempted infliction of physical injury on another person.

6. Disorderly, lewd, indecent, obscene, slanderous, libelous or offensive conduct or expression (including clothing) that interferes with the District's primary educational responsibility or that breaches the peace on District property or at any District sponsored or supervised function, or such conduct or expression that so incites students as to create a clear and present danger of the commission of unlawful acts, or substantial disruption of the orderly operations of the District on any District property or at any District sponsored or supervised function.
7. Instructors in special areas (i.e., gymnasium and laboratories) and in specialized fields or disciplines (e.g., Construction, Nursing, Physical Education) may require students to wear particular clothing for suitability or to meet health and/or safety regulations.

Academic Dishonesty Violation

8. Academic or intellectual dishonesty such as cheating or plagiarism. Cheating is defined as taking an examination or performing an assigned, evaluated task in a dishonest way such as having improper or unapproved access to answers or exams. Plagiarism is defined as the unauthorized use of the written language and thought of another author without proper quoting or citing and representing him/her as one's own.

Financial and Monetary Misconduct Violations

9. Dishonesty such as theft or the unlawful taking of property from the rightful owner, or knowingly receiving stolen property belonging to the District or any other rightful owner, knowingly furnishing false information to the District including misrepresentation of oneself or of an organization as an agent of the District, or forgery, alteration, or misuse of District documents, records or identification.
10. Failure to satisfy District financial obligations, including but not limited to damages to District property and equipment.
11. Participation in gambling, which includes betting, wagering or selling pools, playing card games for money, or using District resources (including but not limited to telephones and computers) to facilitate gambling.

Disturbance, Unauthorized Use and/ or Misuse of Facilities, Property, Services, Classes, Resources, Equipment

12. Unauthorized entry to or use of District facilities, supplies or equipment (including but not limited to computing, networking and information resources).
13. Defacement and/or destruction (without approval) of District property, equipment, and records are prohibited.
14. Violation of District rules and regulations, including those concerning student organizations, the use of District facilities, or the time, place and manner of public expression or distribution of materials, as defined in Education Code section 66301.
15. Violation of other applicable federal, state and municipal laws and District rules and regulations in connection with attendance at programs or services offered by the District or while on District property or at District sponsored activities.
16. Violation of parking rules and regulations as well as traffic regulations on District property, including but not limited to speeding, driving in the wrong direction, or other reckless driving behavior.
17. Entry of visitors (including infants and children) in a classroom without the prior consent of the instructor. If a child or infant

interferes with the instructor's ability to teach, students whose children or infants require the use of childcare services should register with CCSF's childcare resources.

18. Entry of animals in classrooms or labs except as necessary to provide reasonable accommodations and assistance to disabled students. Students who require the use of a service or comfort animal should register with and provide documentation to Disabled Students Programs and Services (DSPS).
19. Obstruction or physical or verbal disruption of classes, computer laboratories or study facilities (including but not limited to Library and Learning Assistance Center), student activities, administration, disciplinary procedures, governance processes, or other authorized District activities, services, operations or functions or prevention of authorized guests from carrying out the purpose for which they are on District property.

Technology and Weapons Violations

20. Violation of the District's Computer Usage Policy (see appropriate sections of the CCSF College Catalog for a complete version of the Policy).
21. Use by any person, including a student, of any electronic listening or recording device in any classroom without the prior consent of the instructor (as defined in Education Code 78907), except as necessary to provide reasonable auxiliary aids and academic adjustments to disabled students. Any person, other than a student, who willfully violates this section shall be guilty of a misdemeanor.
22. Persistent and willful use of a cell phone or other communication device by a student in a classroom or laboratory (e.g., talking, text-messaging, recording) without the prior consent of the instructor or laboratory monitor.
23. Possession while on District property or at any District sponsored function, of any of the following weapons (except for persons given permission by the Chancellor or designee as members of law enforcement operations): any instrument or weapon of the kind commonly known as black-jack, fire bomb, billy club, sand club, metal knuckles; any dirk, dagger, or knife having a blade longer than two inches; any switchblade longer than two inches; any razor with an unguarded blade; any firearm (loaded or unloaded) such as a pistol, revolver, rifle, automatic or semi-automatic weapon; any metal pipe or bar used or intended to be used as a club; or any other item, such as a chain that can be used as a threat to do bodily harm.

Health and Substance Violations

24. Unlawful use, sale, distribution or possession of, or the presence on campus while under the influence of any controlled substance as listed in the California Health & Safety Code (except as expressly permitted by law and evidenced by medical authorization), or the use, sale, or distribution of any poison classified by laws defining controlled substances, while on District property or at District functions, or the unlawful use, possession of or offering, arranging or negotiating the sale of any drug paraphernalia.
25. Willful or persistent smoking including vaping and expectorating chewing tobacco in any area where smoking has been prohibited.

Sexual Misconduct Violations

26. Violation of the District's Sexual Harassment Policy as defined by Board Policy 1.36.

27. Violation of the District's Sexual and Other Assaults on Campus Policy as defined by Board Policy and Administrative Procedure 2.09.

Harassment, Threatening, Stalking and Hazing Violations

28. Harassing, provoking, intimidating or threatening anyone who is a witness in a school disciplinary proceeding, administrative proceeding or law enforcement investigation for the purpose of preventing the individual from being a witness or retaliation for being a witness.
29. Engaging in intimidating conduct or bullying against another student or employee of the District through words or actions, including direct physical contact, verbal assaults such as teasing, name-calling, social isolation, manipulation, and cyberbullying (e.g., baiting or sexting) or engaging in intimidating conduct or bullying through other electronic means (e.g., social media, cellular phones, and email).
30. Causing, threatening or attempting to cause or participating in an act of hate violence, as defined in Education Code Section 233(e).
31. Stalking, defined as a pattern of conduct by a student with intent to follow, alarm or harass another person and which causes that person to reasonably fear for his or her safety, and where the student has persisted in the pattern of conduct after the student has been told to cease the pattern of conduct. Violation of a restraining order shall also constitute stalking under the Code of Student Conduct.
32. Participation in hazing (e.g., verbal abuse, threats or implied threats, beating, paddling, branding, other forms of assault, and forced or coerced behavior of any kind).

Forms of Disciplinary Sanctions

- **Warning:** A written or oral statement to the student that the student has violated the Code of Student Conduct.
- **Reprimand:** A written notice by the Disciplinary Officer that the student has violated Code of Student Conduct issued and placed in the student's college disciplinary record.
- **Restriction:** Limitation of a student's access to specified campus classes, resources, services, events or facilities for a specific period of time.
- **Restitution:** Reimbursement to the District for damage(s) to property or for misappropriation of funds.
- **Failing Grade** on an assignment or test or in a class in proven cases of cheating, plagiarism or other forms of academic dishonesty.
- **Disciplinary Probation:** A period of observation and/or conditional participation in campus and academic affairs, activities or events. This period should not exceed one (1) calendar year. The Disciplinary Officer may require that the student meet specific conditions for being removed from disciplinary probation status. The Disciplinary Officer may reduce the length of probation upon a showing of good cause by the student.
- **Removal from an Academic Program:** Temporary or permanent exclusion from a specified academic program at the College.
- **Removal from a Class, Activity or Site:** Temporary or permanent removal from a specific class (or classes as necessary), activity, lab or location. (Temporary removal from class by the instructor for no more than two class meetings). Removal from an instructional laboratory, facility, center or other supervised

student activity by the designated site administrator for no more than two days, sessions, meetings or days.

- **Suspension:** Exclusion of the student from all district classes, activities, programs and locations for a definite period of time (one or more semesters). The Disciplinary Officer may require that the student meet specific conditions to have the suspension status lifted; the Disciplinary Officer may also reduce the length of suspension upon a showing of good cause by the student or the length of the suspension may be extended for good cause.
- **Expulsion:** Permanent, indefinite exclusion of a student from all district classes, activities, services, programs and locations.

Suspension or recommended expulsion of a student shall be accompanied by a hearing to determine if good cause warrants such suspension or expulsion. Good cause shall include but is not limited to conduct identified above as prohibited.

Student Due Process

Due process is a student's right to notice of the violation and a fair and impartial opportunity to be heard.

- **Notification and Communication:** Opportunity to receive proper notification when/if a violation of the Code of Student Conduct occurs; the opportunity to provide explanation and clarification of disciplinary processes, procedures and decisions.
- **Disciplinary Conference:** Opportunity to be informed of the charges and present individual sides of the story. Opportunity to have an advocate (no lawyers are permitted).
- **Formal Hearing:** Opportunity to appeal disciplinary sanctions (applies only in cases of suspension and recommended expulsion). The grounds for an appeal are limited to new information, errors in statement of facts or violations of a student's due process rights.

Enforcement. The Office of Student Conduct & Discipline has the responsibility to maintain the Code of Student Conduct, to impose disciplinary sanction as appropriate, and to assure the implementation of Student Due Process.

Student Complaints

Process for a Complaint against a Classified Staff Member or an Administrator

Student complaints against a classified staff member and/or an administrator are governed by the following procedure:

1. A complaint against a classified staff member or an administrator should be raised directly with the classified staff member or the administrator concerned.
2. If a direct meeting does not resolve the complaint, or if either party is unable or unwilling to meet, the complaint should be raised with the immediate supervisor of the classified staff member or administrator.
3. If the immediate supervisor fails to resolve the complaint, then the complaint should be addressed, in writing, to the Office of the General Counsel at (415) 239-3556 for accurate referral.
4. The Office of the General Counsel will channel the complaint to the next-level manager for review and consideration.

Process for a Complaint against a Faculty Member

A student complaint is an allegation made by a student against a faculty member that the member has harmed a student by violating

a policy, rule or regulation, or otherwise engaged in inappropriate conduct. (A complaint does not include a grade or file challenge, or an allegation of discrimination or sexual harassment, or other conduct for which immediate disciplinary action or suspension could result.)

Student complaints are governed by the following procedure:

Informal Process for Complaint Against a Faculty Member

1. A complaint should first be raised directly with the faculty member concerned.
2. If a direct meeting does not resolve the complaint, or if either party is unable or unwilling to meet, the complaint should be taken to the faculty member's supervisor.
3. The supervisor may take the following action, including but not limited to:
 - a. Investigating the complaint.
 - b. Meeting with any party separately or facilitating a joint meeting.
 - c. Recommending appropriate action to any party.
 - d. Recommending an evaluation of the faculty member to the Chancellor.
 - e. Redirecting the matter as appropriate.
4. If the supervisor fails to resolve the complaint within ten (10) semester instructional days, then the student may file a formal complaint in accordance with the process set forth below. Semester instructional days include only regular business days during the Fall and Spring semesters, and not summer sessions.
5. If, after the failure of the supervisor to resolve the complaint at the informal level, the student fails to file a formal complaint within an additional ten (10) semester instructional days then the matter will be considered dropped unless renewed by the student within the first ten (10) semester instructional days of the next semester.

Formal Process for Complaint Against a Faculty Member

1. If any party is dissatisfied with the result of the informal process, that party may appeal the matter to the appropriate School Dean whose role is to channel the complaint to the appropriate Vice Chancellor and to the Academic Senate. If any party chooses to pursue the matter to the formal level, all parties shall be given written notice of that fact.

Any party who appeals a complaint to the formal level must complete a form which describes:

 - a. The specific nature of the complaint and its history;
 - b. All efforts which have been made to resolve the complaint;
 - c. What the appealing party would consider a fair and appropriate resolution of the complaint.
2. Upon receiving a formal complaint, the appropriate Vice Chancellor and the Academic Senate shall each appoint one member to a committee whose function shall be to hear and decide the matter.
3. In reaching its decision, the committee may take any action which could have been taken pursuant to the informal process, except that the committee may not redirect the matter.
4. The findings and decision of the committee must be made in writing and provided to the student, the faculty member, and the

member's supervisor, and must encompass some or all of the following results:

- a. Resolution of the complaint to the satisfaction of all parties.
 - b. Dismissal of the complaint with or without the consent of all parties.
 - c. Recommendation of appropriate action to the faculty member's supervisor.
 - d. At the committee's discretion, its decision and the underlying student complaint may be inserted into the faculty member's personnel file.
5. Formal complaints should be resolved as quickly as possible. Except under unusual circumstances, the written findings and decision of the committee should be provided within forty (40) semester instructional days of its receipt of the formal complaint.
 6. Any student or faculty member involved in a student complaint may, by his/her own initiative, provide representation of his/her choice.

Notice: Student complaints may have serious consequences for the faculty member concerned. Students should recognize that differences in personality, opinion, and perception do occur, and can often be resolved by discussions between the parties. Whenever possible, students are encouraged to address such differences directly with the faculty member.

Student Grade and File Review

Function And Purview

The Student Grade and File Review Committee (hereinafter "the Committee") is composed of students, faculty, and administrators. Its charge is to review student grievances regarding course grades and file contents. After reviewing a grievance, the Committee recommends appropriate action to the Chancellor, to the instructor, and to the student. The Committee acts as an arbitrating body and does not have the power to change grades directly, as stated in legislation:

California Education Code 76224 (a) When grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor of the course and the determination of the student's grade by the instructor, *in the absence of mistake, fraud, bad faith or incompetency, shall be final.*

Review Procedures: Policies, Grades, And Files

1. **Review of Policies**
The Student Grade and File Review Board reviews and proposes revision, when necessary, of policies, regulations and procedures affecting student grade and file grievances.
2. **Review of Grades**
If students believe that discrepancies exist between grades given by their instructors and the grades they believe were achieved, those students should follow the steps for the appeal procedure below.

Informal Grade Review Process

Meeting with the Instructor and/or the Department Chair

Students wishing to appeal a grade should discuss the issue with the instructor in an office-hour conference or by appointment. If, for

any reason, the students are unwilling or unable to confer with the instructor, they must then consult with the instructor's department chair. Every effort should be made to resolve the issue at this level.

Meeting with the School Dean

If the department chair and instructor are unable to resolve the grade dispute, the students shall bring the matter to the attention of the school dean (i.e., the department chair's supervisor), who will confer with all parties to resolve the dispute.

All parties are expected to make every effort to address the grade dispute in a timely manner. If the grade dispute remains unresolved, the School Dean will refer the matter to the Associate Vice Chancellor of Academic Affairs/Vice Chancellor of Academic Affairs.

Important Notice. The informal process must be completed within ten (10) working days after receipt of a midterm grade, and for final grades, within forty-five (45) calendar days from the start of instruction in the immediately following Fall or Spring semester.

Formal Process

If the grade dispute is unresolved after the informal process, the students may initiate a formal review process by submitting a Petition for Grade Review to the Dean of School of Behavioral Sciences, Social Sciences, and Multicultural Studies. The Dean shall discuss the merits of the student's claims and advise the students of the grade review policies and procedures.

The Dean shall verify that the petition has been submitted in a complete and timely manner, review the petition with regards to content and advise students on the appropriateness of further appeal to the Grade and File Review Committee.

Deadline Notice. A Petition for Grade Review must be filed within fourteen (14) calendar days following the end of the informal process. The 14-day period will begin at the time the students are first informed either by the department chair, school dean, or Dean of School of Behavioral Sciences, Social Sciences, and Multicultural Studies that the informal process has concluded.

Filing a formal petition requires the students to document the grade dispute in writing (typed and double-spaced). The students shall provide a copy of the petition with their written statement to the instructor. Once notified a petition has been filed, the instructor shall within two (2) weeks provide the Dean of School of Behavioral Sciences, Social Sciences, and Multicultural Studies a copy of the course syllabus, attendance and grade records, graded assignments, relevant e-mails or any additional information deemed relevant to the dispute.

Grade Review Hearings

- a. Upon receipt of a Petition for Grade Review, the Student Grade and File Review Committee shall meet to determine if a formal hearing is warranted. Should the Committee deem a hearing is not warranted, the Committee Chair shall advise all parties of the basis for the decision by e-mail. The grade shall stand and the grade review process shall conclude.
- b. Should the Committee determine that a hearing is warranted, the petition will be assigned to a subcommittee composed of a student, a faculty member and an administrator. The subcommittee shall convene to review the petition, request any additional information deemed relevant from the student/instructor, hear testimony, question witnesses and consider all available evidence relevant to the case.
- c. The student and instructor shall have the right to present written or oral statements concerning the grievance. Each party may bring a representative; however, the representative may not ask or answer questions, offer evidence or address the subcommittee on behalf of the petitioner or faculty member.
- d. The subcommittee shall weigh the relevance and merit of all written and oral information obtained, limiting its investigation to the specific case under review and make its recommendations to the full Committee.
- e. The Committee shall make a final recommendation and submit that recommendation in a written report to the Chancellor. The Committee shall provide a copy of the final recommendations to the student, instructor, department chair, school dean and Dean of Students.
- f. The Chancellor may concur with or overrule the recommendation of the Committee. Only the Chancellor has the authority to change a student's grade. The Chancellor's decision shall be final. California Education Code 76224 (a) When grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor of the course and the determination of the student's grade by the instructor, *in the absence of mistake, fraud, bad faith or incompetency, shall be final.*

CCSF Bookstores

Purchasing Textbooks, Supplies, And Equipment

In accordance with State law and local regulation, City College does not supply textbooks. The cost of these varies according to students' programs. Students are expected to secure textbooks, laboratory books, workbooks, pens, pencils, and paper for most courses. In addition, in some courses, students are expected to provide tools, equipment, clothing, materials, or pay a special materials fee. An estimate of the cost of additional materials or fees for any class may be obtained from the appropriate department or center.

Follett operates the Bookstore on the Ocean to serve the City College population and an online store available to students, staff, faculty and alumni at www.CCSFshop.com. Textbooks and many supplies for City College courses may be purchased and/or rented at CCSF. CCSF Bookstore also has computers (Apple, HP, Dell and more) and related accessories, official CCSF emblematic apparel and gifts, study aids, snacks and drinks and more. Books are usually available a week before the first day of class. Bookstore information including current hours and store policies are available on the bookstore web page at www.CCSFshop.com.

San Francisco Community College District Police Department

On May 5, 1980, the governing board of the San Francisco Community College District established the "Community College Police Department," (to be known as the Department of Public Safety). Under the California Education Code, sections 72330 and 72334 and California Penal Code, section 830.32(a), personnel, when appointed and duly sworn, are designated as peace officers.

San Francisco Community College Police Department is a certified Peace Officer Standards and Training (P.O.S.T.) police agency with sworn police officers. In addition, the Department employs non-sworn Campus Control Officers and Dispatchers. The Department

operates 7 days a week, Monday through Thursday from 6:00 am to 12:30 am (Fridays until 11:00 pm); Weekends from 7:00 am to 11:00 pm; holidays, winter break, and spring break from 7am to 5pm. The Department is located on the Ocean Campus, 800 Bungalow. You can contact the Dispatch Center at (415) 239- 3200. Additional information can be found on the San Francisco Community College District Police Department's website at www.ccsf.edu/campus-police. During closed hours, the San Francisco Police Department handles calls for service District wide.

The San Francisco Community College Police Department is responsible for the primary and overall law enforcement protection for the Ocean campus and all District Centers. We also coordinate with other law enforcement partners throughout San Francisco to further ensure public safety for students, faculty, staff, visitors, and community members.

City College Student Officer Program

The District Chief of Police, working in partnership with the City College Administration of Justice Studies Program, authorizes the operation of a Student Officer Program. The purpose of the program is to assist the educational development of the City College students interested in the field of Law Enforcement.

Student Officers are approved into the program by the Administration of Justice Studies Coordinator and must meet and maintain specific criteria. City College student officers assist the police department in several areas including, but not limited to, parking enforcement, safety escort, traffic control, and special events. Student officers operate under the oversight of the District Police Department's Chief of Police.

The City College Student Officer Program is designed as an internship and individuals in the program do not receive compensation.

Lost and Found Articles

For the Ocean campus, all found property should be turned in to the District Police Department located in the 800 Bungalow on Judson Ave. For Center locations, found property can be turned in to the District Police Dept. station located in each lobby. To inquire about lost property or to turn in found property, call the District Police Department at (415) 239-3200. Found property will be stored at the District Police Department until claimed or purged after 90 days per California Civil Code Section 2080.

Smoking Policy

The San Francisco Community College board policy 2.17 states: "Smoking and the use of tobacco products, including the lighting and burning of all tobacco products, and marijuana products is prohibited on all San Francisco Community College District facilities, grounds and district owned vehicles by students, faculty, staff administrators, volunteers, and visitors. The prohibition includes vaporizing, and e-cigarettes. Effective date is August 21, 2018."

Students who would like information and support regarding smoking cessation can contact the City College Student Health Services at www.ccsf.edu/stuhealth or 415/239-3110.

Student Identification

Student identification must always be carried and displayed upon request by City College staff, faculty, administrators, Campus Control Officers, and District police officers. For more information, contact the Office of Student Conduct & Discipline.

Student Lockers

Lockers in the gymnasiums are assigned to students in physical- education courses. Students must remove the contents of these lockers, together with padlocks, no later than Monday during the final examination period each semester.

Lockers are also assigned to students in various laboratory courses. Students must follow the department regulations in using these lockers.

Student Parking

The Ocean campus and Centers of City College are easily accessible by public transportation. Students are encouraged to use MUNI and BART or to carpool.

The Ocean Campus has a limited number of parking spaces available for student parking. Students are required to pay a fee for either a semester or daily parking permit. Sales of semester parking permits (decals) are available prior to the start of each semester. Daily parking permits can be purchased from parking permit dispensers located in all student lots. Prior to 5pm, student parking is restricted to the Upper Reservoir parking lot (north of MUB), Q-parking lot (west of MUB), and the S-parking lot (south of 600 Bungalows). In addition, after 5pm, students can park in the N-parking lot and parking areas located on the south and east side of MUB.

Information regarding the rules and regulations for student parking, including fees for semester permits and rates for daily parking permits are available through the Student Accounting Office in Conlan Hall, Room 104 or call (415) 239-3345.

The Centers have NO student parking or limited parking for students. For additional parking information, please visit the San Francisco Community College Police Department's parking website at <https://www.ccsf.edu/campus-police/parking-information> or call the Dispatch Center at (415) 239-3200.

Visitors on Campus

Visitor parking is available in Student Parking areas (See Student Parking) and a parking permit is required. Vehicles without a permit may be cited. **Day School** visitors can park in the Upper Reservoir parking lot, located next to the Multi Use Building (MUB) with the purchase of a permit. **After 5:00 p.m.**, visitors may park in all lots (except Cloud Circle and Science Road) with the purchase of a parking permit. Information and directions are available from the Information Center located in the lobby of Conlan Hall. Visitors are required to observe College rules and regulations. A copy of the rules and regulations are available in Conlan Hall, Room 104 and at the District Police Department located in the 800 Bungalow or website. When visiting a classroom, permission shall be obtained from the instructor prior to your arrival. Violation of any of these regulations are grounds for automatic revocation of the right to remain on campus. Since auditing of classes is prohibited, visits must be limited.

Additional Board Policies and Administrative Procedures

Information about Board Policies and Administrative Procedures is available on the Board of Trustees website: <http://www.ccsf.edu/board>

ACADEMIC POLICIES AND PROCEDURES

ACADEMIC POLICIES AND PROCEDURES

Academic Freedom

The following academic freedom statement is an excerpt from Board Policy 6.06. Those interested in the complete statement should refer to http://www.ccsf.edu/BOT/Board_Policies/BP6_06.pdf.

The District is unequivocally and unalterably committed to the principle of academic freedom in its true sense which includes freedom to study, freedom to learn and freedom to teach and provide educational professional services to students.

Academic freedom encompasses the right of an instructor to discuss in the classroom pertinent subjects within his or her field of professional competency and consistent with course objectives, and for counselors, librarians and other academic employees to provide appropriate student services within their fields of professional competency and consistent with sound educational principles.

Interference with or censure of an academic employee by District officials or by outside individuals or groups because of the employee's proper treatment of pertinent subjects or provision of proper educational professional services to students is precluded by the principle of academic freedom.

Faculty cannot, however, expect academic freedom to be unlimited, for the right to exercise any liberty implies a duty to use it responsibly. Academic freedom does not give faculty freedom to engage in indoctrination. Nor can faculty invoke the principle of academic freedom to justify non-professional conduct.

Credits and Grades

Unit of Credit

In accordance with Title 5, Section 55002.5 and Title 5, Section 55256.5, City College of San Francisco has established a ratio of 52.5 hours of lecture, laboratory work, and/or study for each unit of credit. For work experience courses, each unit of credit requires 60 hours of unpaid work or 75 hours of paid work.

Semester and Quarter Units

Most universities and colleges in the United States use the semester or quarter system and hence grant credit in semester units (s.u.) or quarter units (q.u.). For example, City College uses the semester system and grants credit in semester units; some California State University campuses and most University of California campuses use the quarter system and grant credit in quarter units.

Two semester units are equivalent to three quarter units. Therefore, to convert semester units to quarter units, multiply the number of semester units by 3/2 (or 1.50); to convert quarter units to semester units, multiply the number of quarter units by 2/3 (or 0.667).

Academic Record Symbols and Standards

A system of letter grades and grade points is used to indicate the quality of work done by students. The meaning of each evaluative symbol, with its value in grade points, is as follows:

Symbol = Definition	Grade Points
A = Excellent	4
B = Good	3
C = Satisfactory	2
D = Passing, less than satisfactory	1

F = Failing	0
FW = Failing/Withdrawal	0

The "FW" grade symbol is an indication that a student has both ceased participating in a course some time after the last day to officially withdraw from the course without having achieved a final passing grade, AND that the student has not received District authorization to withdraw from the course under extenuating circumstances. The "FW" symbol may not be used if a student has qualified for and been granted military withdrawal "MW." If an "FW" is used, its grade point value equals zero (0), and it will be calculated into the GPA in the same manner as an "F" grade.

P = Pass (At least satisfactory, C or better. Units awarded not counted in grade point average.)

NP = No Pass (Less than satisfactory or failing. Units not counted in grade point average.)

Standard English is expected in all College coursework and is a consideration in grading. Its use is not an exercise limited to English classes alone.

Pass (P)/No Pass (NP) Courses

Formerly known as: Credit (CR)/No Credit (NC) Courses

Certain courses offered at City College of San Francisco are designated as pass/no pass courses. Such courses are shown in the catalog with the statement "P/NP only," meaning that only grades of P and NP are given for the course. Other courses are designated as optional pass/no pass courses. Such courses are shown in the catalog with the statement "P/NP available" meaning the course may be taken on a pass/no pass or on a letter grade basis; i.e., the pass/no pass option is available. (Note: 1) pass/no pass courses are counted toward graduation and for transfer and 2)) in an optional pass/no pass course the student may select "Pass/No Pass" grading option online through MyRAM at <http://www.ccsf.edu> to take the course on a pass/no pass basis no later than the deadline date established in the Calendar of Instruction. (See Calendar of Instruction for this date.) The "NP" symbol shall be used only in calculating units attempted for probation and dismissal.

Although City College does not limit the number of units a student may take on a Pass/No Pass basis, students planning to transfer should inquire of the transfer institution its policy on pass/no-pass course work. Some institutions may require a letter grade in course work used to satisfy specific requirements for admission and/or major preparation.

Other Symbols

Symbol = Definition

"E" = Exclusion
"EW" = Excused Withdrawal
"I" = Incomplete
"MW" = Military Withdrawal
"RD" = Report Delayed
"W" = Withdrawal

"E" Exclusion. The "E" symbol shall be used to denote grades of D, F, or NP the student has chosen to exclude from his or her academic history.

"EW" Excused Withdrawal. "Excused Withdrawal" shall be assigned when students are permitted to withdraw from a course(s) due to specific, verified events beyond the control of the student that affect their ability to complete a course(s). Petitions for Excused Withdrawal will

be accepted up to 2 years after the completion of the semester in which students are requesting an Excused Withdrawal. The student must supply a personal statement providing a justification for the petition and supporting documentation along with the petition to verify these events to Office of Admissions & Records.

Acceptable Reasons for an Excused Withdrawal

In accordance with Title 5, section 55024(e), the governing board of a district shall adopt an EW procedure based upon verifiable documentation supporting the request. An EW is acceptable when a student withdraws from a course(s) due to reasons beyond their control, which include but are not limited to, the following:

- Job transfer outside the geographical region;
- Illness in the family where the student is the primary caregiver;
- An incarcerated student in a California State Prison or County Jail is released from custody or involuntarily transferred before the end of the term (In the case of an incarcerated student, an excused withdrawal cannot be applied if the failure to complete the course(s) was the result of a student's behavioral violation or if the student requested and was granted a mid-semester transfer);
- The student is the subject of an immigration action;
- Death of an immediate family member;
- Chronic or acute illness;
- Verifiable accidents; or
- Natural disasters directly affecting the student.
- Other (e.g. institutional error, jury duty, family emergency, extended litigation, or work conflicts).

Verifiable documentation can include, but is not limited to, a note from a doctor stating the student is not currently able to complete the work due to illness, employment verification of a new job, a booking report, police report of an accident, or any other documentation that proves the student's completion of a course is impractical. The Chancellor's Office defines impractical as impossible due to reasons beyond the student's control. The determination shall be made by the local college's admissions and records office.

Excused withdrawals shall be allowed to students in extenuating circumstances at any time, upon petition of the student or their representative. "Extenuating circumstances" means cases of accidents, illnesses, or other circumstances beyond the control of the student. Colleges shall proactively engage with the student or their representative to identify available college support services that may mitigate the extenuating circumstances and prevent withdrawal. If mitigation efforts are unsuccessful, the student shall receive the excused withdrawal symbol ("EW") on their transcript. Students shall not be denied an excused withdrawal due to a college's inability to respond to the petition or to provide sufficient assistance to mitigate the student's circumstances.

A student may request to use an EW for only one course or all courses in a term, depending on the reason for the request. It is possible that a student, based on an illness for example, is not able to participate in an in-person course, but is able to continue with online courses. The College should use individual case facts to determine the continuity of some courses and not others.

Reimbursement for EW

A community college district shall not refund any enrollment fee paid by a student for program changes made after the first two weeks of

instruction for a primary term-length course, or after the 10 percent point of the length of the course for a short-term course, unless the program change is a result of action by the district to cancel or reschedule a class or to drop a student pursuant to subdivision (1) of section 55003 where the student fails to meet a prerequisite.

Excused Withdrawal shall not be counted in progress probation or dismissal calculations nor shall it be counted towards the permitted number of withdrawals or counted as an enrollment attempt. The financial aid of a student may be affected depending on individual circumstances. A student should consult with the financial aid staff regarding any impact.

"I" Incomplete. A student may be given a final grade of Incomplete only if illness or other unavoidable circumstances prevent him/her from taking the final examination or satisfying the other requirements in a course.

A student must make arrangements for an Incomplete with the instructor for the course. The instructor will file a record of Incomplete with the Office of Admissions & Records and give the student a copy. This record shall note the condition(s) for removal of the Incomplete and the grade to be assigned if the work is not completed.

The instructor determines when the student must submit work to remove the grade of Incomplete. The instructor must submit the Removal of Incomplete form by the following deadlines:

Incomplete Received	Incomplete must be Removed by the last Day to Submit Grades for the Following:
• Fall semester	• Spring semester
• Spring semester	• Fall semester
• Summer semester	• Fall semester

A final grade shall be assigned when the work stipulated has been completed and evaluated. If the student fails to meet the condition(s) of the removal of incomplete or when the time limit for completion has expired, the predetermined grade shall be assigned (i.e. "F" in the case of I/F).

A student should make arrangements for the removal of an Incomplete with the instructor for the course. In the absence of the instructor, the student should contact the department chair.

If a student is, due to extenuating circumstances, unable to complete the work by the deadlines specified in the table above, the student may, after contacting the instructor, petition the Dean of Admissions & Records for an Extension of an Incomplete.

An Incomplete shall not be used in calculating units attempted nor for grade points, but shall be used in calculating units for purposes of evaluating probation and dismissal.

"MW" Military Withdrawal. "Military Withdrawal" shall be assigned to students who are members of a reserve or active military unit and received orders to report to active duty, requiring a withdrawal from all courses. This does not apply to Basic Training assignments. The student must bring a copy of their orders to the Office of Admissions and Records located in MUB 188, prior to departure, if possible, to have their military withdrawal processed. All courses will be withdrawn without fee assessment. Military Withdrawal also does not count toward the permitted number of withdrawals or count as an enrollment attempt.

“RD” Report Delayed. Only the Office of Admissions and Records may assign the “RD” symbol. This symbol is to be used when, for reasons beyond the control of the student, there is delay in reporting the student’s grade. “RD” is to be replaced by a permanent symbol as soon as possible. The “RD” symbol shall not be used in calculating units attempted, nor for grade points.

“W” Withdrawal. If a student withdraws from a class or if an instructor withdraws a student from a class between the last day to drop and the last day for withdrawal, a “W” symbol will appear on the student’s permanent record. (See Calendar of Instruction for specific dates.) If a student stops attending a class after the last day for a student-initiated or instructor-initiated withdrawal, the instructor must report a grade symbol (consistent with the grading policies) other than “W.”

The “W” symbol shall not be used in calculating units attempted nor for grade points, but shall be used in calculating units for purposes of evaluating probation and dismissal.

If a student drops a class prior to the last day to drop, no notation will appear on the student’s permanent record. (See Calendar of Instruction for specific dates.)

Noncredit Grading

Grading options for noncredit courses are determined on a course-by-course basis, and are one of the following options:

- Letter or Pass/No Pass or Satisfactory Progress
- Pass/No Pass or Satisfactory Progress
- No Grade

Since noncredit courses are offered on an open-entry/open-exit basis, it is possible for a student to attend only part of a class during a semester. The Satisfactory Progress notation is used to indicate that a student was making satisfactory progress in achieving the desired learning outcomes of a course, but had not yet completed the course (and so should not receive a final letter grade or Pass/No Pass symbol).

Remedial Coursework Limitation

Remedial coursework is defined as credit, non degree-applicable basic skills courses. Section 55035 of Title 5 of the California Code of regulations imposes a 30-unit limit on remedial coursework. Students are exempted from this limitation if they are enrolled in an ESL course or are identified by the district as having a learning disability. If neither of these exemptions apply, students who reach this 30-unit limit are restricted to taking only noncredit courses, non degree-applicable courses which do not involve remediation, and those degree-applicable credit courses which do not have basic skills prerequisites or advisories on recommended preparation. It is our district’s policy that students who have completed 30 units of remedial coursework shall be automatically given a 10-unit waiver of this limitation.

Course Prerequisites, Corequisites, and Advisories

City College has established prerequisites, corequisites, and advisories to maintain academic standards and ensure student success. The CCSF Governing Board recognizes that if these requisites are established unnecessarily or inappropriately, they constitute unjustifiable obstacles to student access and success. Therefore, the San Francisco Community College District, in compliance with Title 5 Matriculation Regulations, has adopted a policy to provide for the establishment, review and enforcement of prerequisites, corequisites, advisories on

recommended preparation, and certain limitations on enrollment in a manner consistent with law and good practice. Elements of this policy follow:

Definition of Terms

Prerequisite: A condition to enrollment that a student is required to meet in order to demonstrate current readiness for a course or educational program. If a prerequisite is a course, a student must pass the prerequisite course with a grade of “C” or higher.

Corequisite: A course that a student must take concurrently with another course.

Below are the different types of pre/corequisites:

1. **Standard prerequisite or corequisite:** A pre/corequisite to a course, the equivalent of which is offered at three or more California State University and/or University of California campuses with an equivalent prerequisite.
2. **Sequential course within and across disciplines:** A course that serves as a pre/corequisite to an articulated course in the same discipline or in another discipline.
3. **Course in communication or computation skills:** A course in communication or computation skills that serves as a pre/corequisite to a course other than another communication or computation skills course.
4. **Placement level:** A Mathematics, English, or English as a Second Language course placement level determined by the College placement assessment process, which consists of the use of high school performance data and multiple measures.
5. **Program prerequisites:** A pre/corequisite to enrollment in a program such as Nursing, Culinary Arts and Hospitality Studies, or Aircraft Maintenance Technology.
6. **Health and safety:** A pre/corequisite to enrollment in a course or program in which health and safety of the student or others may be endangered if the pre/corequisite is not met.
7. **Recency:** A pre/corequisite skill-level that a student must possess within a specific time period prior to enrollment in a course or program.

Advisories on Recommended Preparation: A condition of enrollment that a student is advised, but not required, to meet before or concurrently with enrollment in a course or educational program. Students are strongly encouraged to follow the advisories since having the recommended preparation will greatly increase the likelihood of success in the target course.

Limitation on Enrollment: A condition of enrollment that a student must meet (in addition to any prerequisites and corequisites) prior to enrolling in the following types of courses:

1. **Performance courses:** Courses in this area include intercollegiate athletics, theatre arts (drama), and music, for which an audition or tryout may be required.
2. **Honors courses:** These courses require a specific scholastic aptitude prior to enrollment.
3. **Blocks of courses or sections:** a “block” refers to at least two or more courses or sections of courses in which enrollment is limited to a specific group of students. Examples at CCSF include the African American Achievement Program and the Puente Project.

Challenge of a Prerequisite or a Corequisite

A student who does not meet a stated prerequisite or corequisite to a course may be dropped on the first day of school. However, the student may file a petition to Challenge a Prerequisite or Corequisite on one or more of the grounds listed below. The student shall bear the initial burden of showing that grounds exist for the challenge. Challenges shall be resolved in a timely manner and, if the challenge is upheld, the student shall be permitted to enroll in the course or program in question.

Grounds for challenge:

- The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite.
- The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available.
- The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.
- The prerequisite or corequisite has not been established in accordance with the District's process for establishing prerequisites or corequisites.
- The prerequisite or corequisite is in violation of Title 5.

Any student may appeal the decision of the challenge to the Office of the Vice Chancellor of Academic Affairs or the Vice Chancellor of Student Development.

Procedures for Filing a Petition to Challenge a Prerequisite/ Corequisite

CAUTION: The student shall demonstrate that grounds exist for the challenge. A student who wishes to challenge a pre/corequisite should file a petition as early as possible prior to the first day of class.

Instructions:

- Obtain a Petition to Challenge a Prerequisite or Corequisite Form online at www.ccsf.edu/assessment or visit the Assessment Center in Conlan Hall Room 203.
- A student may appeal a decision to the Vice Chancellor of Student Affairs or the Vice Chancellor of Academic Affairs.

Challenge of a Limitation on Enrollment

Any limitation on enrollment may be challenged by a student on the grounds listed below. The student shall bear the initial burden of demonstrating that grounds exist for the challenge. The District shall resolve the challenge in a timely manner. If the challenge is upheld, the student shall be allowed to enroll in the course. If no space is available in the course when a challenge is filed, the challenge shall be resolved prior to the beginning of registration for the next term.

Grounds for Challenge of a Limitation on Enrollment

A student may challenge a limitation on enrollment in a course if:

- the course is required in order for the student to receive a degree or certificate and no other course is offered during the semester of the challenge to meet the requirement, and
- the student's graduation from the degree or certificate program will be delayed if (s)he is unable to enroll in the course during the semester of the challenge.

Grades and the Grade Point Average

A student's grade point average (GPA) shows numerically the relationship between the number of units attempted and the grade points received. It may be determined by dividing the number of grade points earned by the number of units attempted. Grades of P, NP, W, I, IP, EX, and MW do not affect a student's grade point average.

A 4.00 quotient indicates an A average; 3.00, a B average; 2.00, a C average; 1.00, a D average; 0.00, an F average.

Students grade point averages are used in various ways. For example, a requirement for graduation from the College is that a student must have completed a minimum of 60 semester units of lower-division college work in which he has maintained an average final grade of C (2.00 grade point average) or higher in all lower-division courses he has attempted for grade points. The College also uses grade point averages in awarding various scholarships and in determining whether students may be disqualified from further attendance because of scholastic deficiencies. In addition, universities and colleges use grade point averages in admitting transfer students.

All credit courses offered by City College of San Francisco are graded courses as defined by Title 5, California Administrative Code.

Academic Probation and Dismissal

Probation:

There are two types of probation: academic and progress. A student may be on either type of probation or on both. If a student is on either type of probation or on both,

- there will be a permanent notation placed on the student's academic history;
- a student will not be in good academic standing at the College;
- the student will not be removed from probation until there is improvement in the overall academic record, even if there is improvement in the current semester academic record.

Students on probation may be contacted by a CCSF counselor so that they may be provided individual counseling and guidance on how to improve their academic standing. The students' programs may be regulated so as to help them move off probation.

Academic Probation: A student who has attempted at least 12 units as shown on the official academic record will be placed on academic probation if the student has earned a grade point average below 2.00 in all units in which grades were given.

Progress Probation: A student who has attempted at least 12 units as shown on the official academic record will be placed on progress probation when the percentage of all units in which a student has enrolled and for which the student has been given a "W," an "INC.," or a "NP" is 50% or more.

Removal from Probation: For removal from academic probation, a student must have an overall cumulative grade point average in all City College units of 2.00 or higher. For removal from progress probation, a student must have been given marks of "W," "INC.," or "NP" in less than 50% of all City College units in which the student has enrolled.

Dismissal:

Academic Dismissal: A student who has been on probation is subject to academic dismissal if the student has been on either academic probation or on progress probation or on both academic and progress probation for more than four consecutive semesters. If students are

academically dismissed, a notation of “Academic Dismissal” will be placed on the permanent academic record. Consecutive semesters means four semesters in a row of the student’s attendance at City College. Summer sessions are not counted as regular semesters when semesters are being counted for academic dismissal.

Appeal of Academic Dismissal and Request for Reinstatement: Students may appeal academic dismissal and petition to be reinstated so they may continue their enrollment. Such petitions will be considered in cases of verified unusual circumstances. Students may request information or a Petition to Appeal Academic Dismissal and Request Reinstatement from the Office of Admissions & Records (MUB 188). If students are reinstated, their reinstatement will be conditional based upon a review of the academic record at the end of each semester. Readmitted students will be subject to the continued requirements of the academic probation and academic dismissal regulations.

Financial Aid Probation: The rules for financial aid probation, academic progress, or disqualification may be different. Please see the appropriate section in the Catalog under Financial Aid.

Grade Reporting

Midterm Grades and Final Grades are made available to students through MyRAM at <http://www.ccsf.edu>.

Repetition of Credit Courses

Repeatable courses are identified in the College Catalog, along with their repetition limits. Repeatable courses may be taken for a total of four enrollments, unless further limits exist for the specific course. Any enrollment that results in a letter grade or W counts towards this limitation. Students do not need to file a petition to retake a repeatable course within the limitations.

Effective Fall 2013, Title 5 Section 55041 permits only the following to be repeatable:

- Courses for which repetition is necessary to meet the major requirements of CSU or UC for completion of a bachelor’s degree
- Intercollegiate athletics courses
- Intercollegiate academic or vocational competition courses that are part of a district sanctioned competitive activity.

Repetition of a course is allowed under the following general circumstances.

1. When a course is designated as repeatable up to a specific number of units.
2. When a course is included in a Family of Classes with similar primary educational activities in which skill levels or variations are separated into distinct courses.
3. When a professional or vocational program prerequisite requires the course be completed within a recent timeframe. There must have been a significant lapse of time (at least three years) since receiving a passing grade in the course.
4. When a training program mandates the course be repeated every licensing period.
5. When there has been a significant change in the industry or licensure standards since the student previously took the course and the student must take the course again for employment or licensure.
6. When a student with disabilities is repeating a DSPS class.
7. When the district finds that the student’s passing grade is, at least in part, the result of extenuating circumstances
8. When students receive substandard grades (D, F, FW, NP, or W). Students who have received substandard grades may repeat a course at least two times for a total of three enrollments. If they can demonstrate extenuating circumstances, they may repeat the course a third time for a total of four enrollments. Students must complete the Course Repeat Petition form and provide documentation to demonstrate extenuating circumstances.

Description of General Circumstances for Course Repetition

1. **Occupational Work Experience**
Occupational work experience courses may be repeated a maximum of 8 units per semester; general work experience courses may be repeated for a maximum of 6 units per semester. The cumulative maximum for work experience credit is 16 units. The repetition limit for a particular work experience course is printed in the College Catalog. Grades received in all repetitions of a work experience course will be counted in calculating the grade point average.
2. **Enrollment Limitations on Physical Education and Visual or Performing Arts Courses**
Effective Fall 2013, Title 5 Section 55041, students may not enroll more than four (4) times in active participatory courses that are related in areas of physical education or visual and performing arts, including art, dance, music and theatre. The limitation includes attempts with a substandard grade or a withdrawal (W). Courses that are related in content are identified as “families of courses” and are those courses with similar primary educational activities in which skill levels or variations are separated into distinct courses.
3. **Recency Requirement/Significant Lapse of Time**
A student receiving a satisfactory grade may repeat a course if a recency prerequisite has been established for a course or a program after a significant lapse of time. The district determines that no less than thirty-six (36) months is a significant lapse of time since that grade was obtained.
 - If another institution of higher education to which the student seeks to transfer has established a recency requirement which the student will not be able to satisfy without repeating the course in question, the minimum thirty-six (36) month lapse of time requirement may be waived. The student must provide documentation that the repetition is necessary for his or her transfer to the institution of higher education.
4. **Legally Mandated Training Requirement**
Students may repeat a course when repetition is necessary to meet a legally mandated training requirement as a condition of continued paid or volunteer employment. Students must provide documentation from the employer, identifying the requirement for the training.

5. **Significant Change in Industry or Licensure Standards**
Students may repeat a course when there have been significant changes in industry or licensure standards. The student must provide documentation identifying the significant change in industry or licensure standards to repeat the course.

6. **Student with Disabilities**

The Disabled Students Program & Services Department is allowed to offer special classes with content that addresses the educationally related functional limitations of students with disabilities pursuant to Title 5 of the California Code of Regulations and state and federal nondiscrimination laws.

Any number of repetitions of these classes may be allowed as a disability related accommodation based on an individualized determination by the Disabled Students Programs & Services Department that one of the following circumstances applies:

- When continuing success of the student in other general and/or special classes is dependent on additional repetitions of a specific special class.
- When additional repetitions of a specific special class are essential to completing a student's preparation for enrollment into other regular or special classes.
- When the student has a student educational contract which involves a goal other than completion of the special class in question and repetition of the course will further achievement of that goal. Students enrolled in these courses may repeat them without petition.

7. **Extenuating Circumstances**

Students may repeat a course if the district determines that their previous grade, whether satisfactory or substandard, was the result of extenuating circumstances. Extenuating circumstances are verified cases of accidents, illness or occurrences beyond the control of the student. Students must provide documentation supporting the extenuating circumstances.

8. **Alleviating Substandard Coursework**

Students receiving a substandard grade of D, F, FW, NP or W may repeat a course up to two times (3 enrollments) in an attempt to achieve a standard grade. If students can demonstrate extenuating circumstances, they may repeat a course one more time (a 4th enrollment) to alleviate a substandard grade. Any repetition that results in a letter grade or a W is considered an attempt toward the repetition limit. To demonstrate extenuating circumstances, students must complete the Course Repeat Petition form and provide documentation.

Effect of Course Repetition on the Transcript

1. When a student repeats a course, the original grade is not removed, and therefore, remains a part of the permanent record.
2. When a student repeats a course in circumstances other than alleviating a substandard grade or approved extenuating circumstances, the original grade and any subsequent grades are used in calculating the student's CCSF grade point average.
3. When course repetition is approved based on extenuating circumstances, the original passing grade remains a part of the permanent record, but will not be used in calculating the student's CCSF grade point average.

4. When a student repeats a course to alleviate a substandard grade of D, F, NP, W, the original grade remains a part of the permanent record, but will not be used in calculating the student's CCSF grade point average.

5. When a student withdraws from a course, that withdrawal counts as a repetition.

6. Courses that were excluded from the student's grade point average through the process of Academic Renewal are counted in the course repetition limitations.

7. Some transfer institutions may calculate all grades in the overall grade point average, regardless of CCSF exclusion.

8. Students may repeat a course after graduation from CCSF.

If the student does not meet the eligibility requirements for Course Repetition, please see Auditing in the College Catalog

Academic Renewal/Exclusion

A student may petition to have previous substandard college grades of "D," "F," or "FW" excluded from grade point average calculations if that work is not reflective of the student's present level of performance. However, to ensure a true and complete academic record, the permanent academic record will show all of the student's course work, including excluded classes.

A request for academic renewal will be granted under the following conditions:

1. At least one year must have elapsed since the last D or F or FW grade to be excluded except when simultaneously petitioning to graduate, as noted below.

Note: Students applying for Academic Renewal may apply to petition for an Associate Degree and/or an Associate Degree of Transfer in the same semester in which they will be completing the requirements to qualify for Academic Renewal, provided that all Academic Renewal requirements are met by the end of the semester in which they apply for both the degree and Academic Renewal. The graduation petition will give students the option to cancel the degree or not if, by the end of the semester in which they apply, the Academic Renewal requirements are not met but the degree requirements are. This decision must be made at the time of filing the degree petition and will be applied automatically when final evaluation of degree and Academic Renewal requirements occurs.

2. A student must have completed at an accredited college at least 12 degree-applicable semester units with a cumulative grade point average of at least 3.0, at least 18 degree-applicable semester units with a cumulative grade point average of 2.5, or at least 24 degree-applicable semester units with a cumulative grade point average of at least 2.0. These units must be earned subsequent to the last grade of "D" or "F" or "FW" to be excluded.
3. A maximum of 24 units can be excluded from the grade point average. Academic renewal will be granted only once.

Students are reminded of the following:

- Exclusion by academic renewal is limited to courses taken only at CCSF.

- Some destination transfer institutions may not accept academic renewal and may recalculate the grade point average. Students who plan to transfer to other institutions should contact the receiving transfer institution and ask how they apply grade exclusions (academic renewal).
- Once an Associate Degree has been awarded at City College, courses taken prior to the awarding of the degree cannot be excluded.
- Transcripts only from accredited institutions will be accepted for purposes of the grade-point-average calculation.
- A student's official transcript will include a notation of when the request for academic renewal was granted as well as the fact that grades from other institutions might have been used to satisfy the requirements of academic renewal.

Students who wish to have grades excluded under the Academic Renewal Policy must request an Academic Renewal/Exclusion petition from the Office of Admissions and Records, MUB 188. Since academic renewal will be granted only once, students considering the petition are advised to file the petition at a time close to their graduation or transfer. Because Academic Renewal may affect educational goals (such as graduation and transfer), students must see their counselors for assistance with the Academic Renewal petition which requires a counselor signature.

Changing Final Grades

An instructor may not change any final grade, except that of Incomplete, on the basis of additional work completed by a student after the close of a semester.

Academic Transcript of Records

A student may obtain an official academic transcript of records through the Parchment Transcript Ordering Services option available on the Transcripts web page (<https://www.ccsf.edu/admissions-recordsregistration/request-your-ccsf-transcripts>)

See below for instructions on how to request for both types of transcripts

For official transcripts:

1. Visit <https://www.ccsf.edu/admissions-recordsregistration/request-your-ccsf-transcripts>.
2. Under the 'Order Official Transcript (Credit)':
 - a. Current Students: Select the 'Current Student' option and login to myRAM Portal.
 - b. Former Students/Alumni: Students who have been away for more than two (2) years, select the 'Former Student/Alumni' option.
3. You will now reach the Parchment ordering service page. Please carefully read the information and instructions. Complete each page and submit your order.

A student may obtain an unofficial academic transcript of records through your myRAM Portal student account.

See below for instructions on how to request an unofficial transcript.

For unofficial transcripts:

1. Visit <https://www.ccsf.edu/admissions-recordsregistration/request-your-ccsf-transcripts>

2. Under the 'Additional Information' section, select 'Unofficial Transcript' option.
3. Login to myRAM Portal.
4. Click the 'Submit' button.
5. To print a copy of your unofficial transcript, use your browser print option.

If you have records predating 1983. Please contact us at trnsript@ccsf.edu for assistance.

It is strongly recommended that students wishing to transfer to another college/university complete and submit a request well in advance of the date in which the transcript is needed.

Processing Fee

The first two requested official and/or unofficial Academic Transcript of Records are free of charge. A processing fee of \$5.00 is assessed for each transcript after the first two.

All pricing information is listed on the Parchment Transcript Ordering Services screen under the Pricing and Payment section.

Rush Service

Parchment: Students may be able to request RUSH service through Parchment Transcript Ordering Services. \$10.00 per requested copy.

Transfer of Grade Points to City College

City College counts the grade point average of transferable units earned at other universities or colleges toward the combined grade point average of 2.0 required for graduation. The combined grade point average takes into account both the cumulative grade point average at City College of San Francisco and the grade point average of transferable units.

Transfer of Coursework to City College

Students may use coursework completed at other institutions to fulfill program, general education, and/or elective unit requirements for the Associate Degree or certificate programs at City College of San Francisco. Specifically, students may use lower and/or upper division transfer coursework to fulfill any or all of the following:

- specific program requirements for a certificate, or major
- general education graduation requirements
- unit requirement for graduation (minimum of 60 semester units)

The unit requirement must be met with courses from CCSF or other regionally accredited (e.g., accredited by Western Association of Schools and Colleges) colleges or universities. Students are subject to the residence requirement for the Associate Degree, regardless of the number of units transferred into the college. Note that both the units and the actual grades received from the other college or university will be accepted by CCSF.

The Office of Admissions & Records (A&R) will approve the transfer of units that will be applied toward electives for graduation after students submit an official transcript and complete the Request for Transcript Evaluation form. Forms are available in Admissions and Records, MUB 188.

Admissions & Records will approve equivalencies for specific program or general education requirements when a course that is transferred

to CCSF is clearly equivalent to a CCSF course. This equivalency is determined through the use of *assist.org* or C-ID articulation, according to specific CCSF course descriptions, or according to past Department approval and practices.

When the course equivalency is not clear, the student may be required to request course equivalency from the chair of the department offering a comparable course. The chair will review a copy of the official transcript and complete the Course Equivalency/Comparability form. Approval is based on a review of the sending institution's course learning outcomes, subject matter, breadth, scope, units, rigor, and prerequisites. If approved, chairs forward the form to A&R. Forms are available in counseling offices.

A department chair may also elect to substitute an appropriate comparable course for one required for a major or certificate offered by that department. Substitutions are signed off by the department chair on the graduation petition form (which the student completes with a counselor) or on CCSF letterhead.

Student inquiries with either a specific department or with A&R should occur as soon as possible after enrolling in courses at CCSF to ensure timely completion of education goals and graduation. Students are advised to submit all transcripts for evaluation no later than the semester prior to filling out a certificate or graduation petition in order to allow the necessary time for evaluation.

Credit for Prior Learning (formerly Credit by Exam)

According to Section 55050 of Title 5 of the California Code of Regulations, community college governing boards are authorized to grant credit for prior learning experiences. The following Academic Procedure 6.3 can also be found at <https://www.ccsf.edu/sites/default/files/2021/document/ap-6-30.pdf>.

Students may demonstrate proficiency in a course eligible for Credit for Prior Learning and receive college credit through the approved alternative methods for awarding credit listed below:

- Achievement of a satisfactory score on an Advanced Placement (AP) examination
- Achievement of a satisfactory score on a high level International Baccalaureate (IB) examination
- Achievement of a satisfactory score on a College Level Examination Program (CLEP)
- Evaluation of Joint Service Transcripts (JST)
- Achievement of an examination administered by other agencies approved by the District
- Evaluation of industry recognized credential documentation
- Evaluation of student-created portfolios
- Satisfactory completion of an institutional examination, known as Credit by Examination, administered by the college in lieu of completion of an active course listed in the current college catalog

Determination of Eligibility for Credit for Prior Learning

- The student must be currently enrolled in CCSF.
- The student must be in good standing with at least a 2.0 cumulative GPA and cannot be on academic or progress probation.

- All enrollment and or nonresident tuition fees must be paid in full and any holds on registration must be cleared prior to petitioning for Credit for Prior Learning.
- The student must meet the requirements for the individual course as specified in the current CCSF catalog.
- The student must not have already completed nor currently be enrolled in a course more advanced than that for which credit by examination is requested.
- The student must not have previously enrolled in and received an evaluative symbol (e.g., letter grade, W, P/NP) for the course for which Credit for Prior Learning is requested.
- The student must not have previously attempted the course as Credit for Prior Learning and failed.

Limitations:

- Credits awarded for Prior Learning are not applicable in meeting unit load requirements for veterans or social security benefits, scholastic honors, financial aid, or graduation residency requirements.
- Only one course in a direct series of courses may be awarded credit for Prior Learning, e.g., MATH 90, MATH 95, or MATH 11DA or MATH 11OB, not more than one of these courses. A student with the appropriate knowledge may take the assessment for MATH 11OB and receive five semester units for this course; however, the student cannot take assessments for all four courses above and be awarded 16 semester units of Credit for Prior Learning. (The Allied Health and Nursing Programs are exempted from this policy.)
- Students who plan to transfer to another college or university are advised that other institutions may have restrictions on how they accept Credit for Prior Learning.
- Credits acquired by Prior Learning are not applicable to meeting such unit load requirements as Selective Service deferment, Veterans, or Social Security benefits.
- Units for which credit is given shall not be counted in determining the minimum 12 semester hours of credit that must be taken at CCSF to meet the residence requirement.
- Credit by exam may not be available in all CCSF departments.

Prior Learning Assessment Grading Policy

- Grading shall be according to the regular grading system in accordance with Administrative Procedure 6.22 Grading and Academic Record Symbols: Credit Courses. A.P. 6.22 can be found at https://archive.ccsf.edu/BOT/Administrative_Procedures/6/6.22_AP_Grading_and_Academic_Record_Symbols_Credit_Courses.pdf
- The student's academic record shall be clearly annotated to reflect that credit was earned by assessment of prior learning

Credit by AP, CLEP and IB Examinations

Students may be eligible for credit by AP, CLEP, and IB examinations if they are enrolled and in good standing, have not earned a grade point average below 2.00, and have not attempted the course(s) for which they are seeking Credit for Prior Learning. Credit under AP, CLEP, and IB programs is usually granted only to students with

no college work completed. Students who have completed college work prior to taking the examinations should consult the individual Departments for approval. (Students who plan to transfer to a four-year institution should contact the transfer institution regarding the acceptability of AP, CLEP, and IB credit, or should consult a CCSF counselor.)

For the current, AP, CLEP, and IB charts, please visit <http://www.ccsf.edu/artic>.

Advanced Placement

CCSF will grant subject credit for most College Board Advanced Placement examinations, depending on the exam score obtained by the student. Credit awarded by CCSF applies to the associate degree. Transfer students must consult with senior colleges and universities to determine how AP credit will be awarded by the receiving institution.

College Level Examination Program

CCSF will grant general education credit toward graduation for some CLEP examinations. Generally, students must pass the examinations with a score of 500 or above (Paper and Pencil Testing) or a score of 50 or above (Computer Based Testing).

International Baccalaureate

CCSF will grant general education credit toward graduation for some International Baccalaureate Higher Level (HL) examinations. Students must pass the examinations with a score 5, 6, or 7 to earn CCSF of San Francisco credit.

Credit for Military Service/Training

Students interested in Credit for Prior Learning using Joint Service Transcripts shall receive credit as recommended by the American Council on Education (ACE) Directory and approved by the appropriate discipline faculty of the college under the following circumstances:

- The student shall complete the Credit for Prior Learning assessment petition available in the Counseling or Office of Admission and Records
- Official transcripts must be on file in the Records Office. These may include Joint Services Transcript (JST), Sailor/Marine American Council on Education Registry Transcript (SMART), Army and American Council on Education Registry Transcript Service (AARTS), Community College of the Air Force (CCAF), Coast Guard Institute (CGI), DANTES/USAF!, Defense Language Institute Foreign Language Transcripts (DLIFLC), Defense Manpower Data Center (DMDC), DLPT Examinee Results, DA Form 330 Language Proficiency Questionnaire, or verified copies of 00214 or 00295 military records.
- Credit course equivalency shall be determined by the faculty of the appropriate discipline

Industry Recognized Credentials

Students interested in Credit for Prior Learning using industry recognized credential(s) shall receive credit as recommended by the appropriate department chair or faculty designee:

- The student shall complete the Credit for Prior Learning assessment petition available through the CCSF website or in the Admissions and Records Office

- Enrollment services shall grant credit for industry recognized credential(s) that have already been evaluated and approved by the appropriate department chair or faculty designee
- If an industry recognized credential(s) has not yet been evaluated and approved by the appropriate faculty:
- The student meets with the department chair or faculty designee to receive further instructions for industry recognized credential(s) Assessment
- The student submits all industry recognized credential documents to the department chair or faculty designee for assessment of prior learning
- If the department chair or faculty designee determines that the industry certification adequately measures mastery of the course content as set forth in the Course Outline of Record, the appropriate faculty shall sign the petition with the recorded grade, attach the industry recognized credential(s), and forward the completed petition and supporting documents to the Records Office to be kept on file and recorded on the student transcript

Student-Created Portfolio Assessment

- Students interested in Credit for Prior Learning using a student-created portfolio shall receive credit as recommended by the appropriate department chair or faculty designee under the following circumstances:
- A department approved portfolio assessment rubric for the course is on file
- The student shall complete the Credit for Prior Learning assessment petition available through the CCSF website or in the Admissions and Records Office
- The student meets with the department chair or faculty designee to receive further instructions for student-created portfolio assessment
- The student submits all portfolio documents to the department chair or faculty designee for assessment of prior learning
- If the department chair or faculty designee determines that the student-created portfolio adequately measures mastery of the course content as set forth in the Course Outline of Record, the appropriate faculty shall sign the petition with the appropriate grade and forward it to the Office of Admissions and Records to be kept on file and recorded on the student transcript

Credit by Examination

- Upon completion of an education plan, students interested in Credit for Prior Learning using Credit by Examination shall receive credit as recommended by the appropriate department chair or faculty designee.
- Students may be eligible for credit by examination if they are enrolled and in good standing, have not earned a grade point average below 2.00, and have not attempted the course. Permission to challenge a course by examination is granted by the appropriate department chair or designee, who also determines which courses are eligible for credit by examination. The

department offering a course which may be taken for credit by examination will determine the type of examination to be given and the conditions of its administration. Credit by exam may not be available in all CCSF departments.

- To request credit by examination, students shall complete the following steps:
- Contact department chair to inquire if credit by examination is available for the course
- and for further instructions.
- Complete Petition for Credit by Examination form.
- There is no cost for Credit for Prior Learning, except for the Credit by Exam assessment method. Credit earned through the other assessment methods listed above are free to the student.
- Take the examination given by the department chair or designee.
- If the students pass the examination, they will be eligible for receiving credit for the appropriate course.

Credit by Petition for Noncredit Courses

Effective July 1, 2009, Credit by Petition for Noncredit Courses is no longer available, regardless of when the noncredit courses were completed. Students who wish to receive credit for knowledge or skills attained in noncredit courses may be able to use the Credit by Examination process. Credit awarded to students who petitioned prior to July 1, 2009 will continue to be honored.

Dean's Honor List

In the fall and spring semesters, the College recognizes students who have attained high scholastic achievement. Students registered for and completed a minimum of twelve (12) semester units for the semester (only those courses where A-F grades were assigned are counted) with a grade point average of 3.30 or higher, and are in good academic standing are placed on the Dean's Honor List. Good academic standing is defined as having a cumulative grade point average of 2.00 or higher and not being on academic and/or progress probation. If a student is on the Dean's Honor List, it will be noted on the student's unofficial/official transcript.

Graduation with Honors

Students who have earned by the end of their last semester a grade point average between 3.30 and 3.49, inclusive, will be graduated with honors. Those who have earned by the end of their last semester a grade point average between 3.50 and 3.74, inclusive, will be graduated with high honors. Those who have earned by the end of their last semester a grade point average between 3.75 or higher, inclusive, will be graduated with highest honors.

The Honors grade point average calculation will include grades from all degree applicable coursework including coursework from outside institutions. If a student graduates with honors, a notation will be placed on the student's official and unofficial transcripts.

Student's Responsibility for Satisfying Academic Requirements

Although counselors and advisers assist students in planning their programs, each student must assume complete responsibility for com-

pliance with the instructions and regulations set forth in this catalog and for selecting the courses that will enable him/her to achieve his/her educational objective, whether it be graduation from the College, satisfaction of requirements for transfer to another college or a university, or preparation for an occupation.

Prerequisite Courses. A student may not enroll in a course that is a prerequisite to a course he/she has already completed. Each student is responsible for satisfying prerequisites for the courses included on the study list. For information concerning prerequisites, students should refer to the course information in this catalog in the section entitled "Announcement of Programs and Courses."

A student may not receive credit for any course which is prerequisite to any course already taken.

Field Trips. Field trips are required in a number of the courses offered by the College. Instructors in these courses provide information pertaining to such trips.

Final Examinations. Final examinations are required of all students in all courses except physical education activity courses. Final examinations must be given on the dates and at the times shown on the official schedule and in the classrooms or laboratories in which the classes normally meet. This schedule is published in the Class Schedule. Students are required to take final examinations with the section in which they are enrolled. There are two exceptions to this policy: 1) A department, with the Vice Chancellor of Academic Affairs's approval, can schedule a common date, time, and place for all sections of a course to take a common examination; 2) The Vice Chancellor of Academic Affairs can approve an alternate examination schedule for a course in cases of emergency or necessity.

Approval Procedure for a New Instructional Materials Fee

1. Review the regulations and definitions to ensure the fee complies with Education Code section 76365.
2. If the fee complies, determine the appropriate cost:
 - List the items each student would buy.
 - Add the cost of each and compare to the cost of the district to determine the total individual student fee.
3. Identify one or more specific course objectives that cannot be met without the instructional materials.
4. Determine if the instructional material has continuing value to the student outside the classroom.
5. Discuss the fee and the objectives with the department chair and get their approval.
6. Complete the Course Material Fee Application Form and submit for approval.
7. Course Instructional Material Fees must be published in the class schedule and catalog.

Additional Board Policies and Administrative Procedures

Information about Board Policies and Administrative Procedures is available on the Board of Trustees website: <https://www.ccsf.edu/about-ccsf/board-trustees/ccsf-policies-administrative-procedures>.

CCSF Credit For Advanced Placement Test Scores

CCSF's Advanced Placement (AP) Examination Policy may differ from that of other colleges and universities. Applying AP credit for transfer can be complicated. Students are strongly advised to speak with a counselor for details. For the current AP Chart, please visit ccsf.edu/artic.

CCSF Credit For College Level Examination Program (CLEP) Test Scores

CLEP credit and general education equivalencies are based on statewide guidelines for California community colleges. Students who seek course equivalency credit should consult with the department chair for the proposed equivalent course. For the current CLEP Chart, please visit ccsf.edu/artic.

CCSF Credit For International Baccalaureate (IB) Test Scores

IB credit and general education equivalencies are based on statewide guidelines for California community colleges (test scores of 5, 6, or 7). Students who seek course equivalency credit should consult with the department chair for the proposed equivalent course. For the current IB Chart, please visit ccsf.edu/artic.
