

# Technology Committee Updates to PGC

---

Cynthia Dewar, Dean-Library, Academic  
Resources, Educational Technology, and  
Online Programs

November 21, 2024

# Technology Committee Updates

- Revising Committee Purpose and Description
    - Second Read in December
  - Drafting 2024-2025 Committee Objectives
    - Share broadly and encourage using a criteria document and decision flowchart for technology selection (hardware and software) based on accessibility, privacy, compatibility with existing systems, cost, training, sustainability, longevity, etc.
    - Recommend an annual calendar of standardized technology maintenance dates that links to the instructional calendar.
    - Recommend a framework for the Computer Lab Workgroup Recommendations
    - Develop an AI Policy for Employees: Establish a workgroup to draft a policy on the effective use of AI in the workplace.
-

# Continuing to Discuss

- Fraudulent Students
- Enterprise Printing
- Technology Acquisition & Program Review Technology Requests
- Banner Updates (including the update to V9)
